CARMICHAEL, CA (MPG) -More than 400 foodies last week crammed La Sierra Community Center for a long-awaited return of the Taste of Carmichael festival.

Missing from calendars during the pandemic, the mammoth fundraiser benefited the Kiwanis Club of Carmichael and dozens of local non-profits. In its 18th year, the event offered samples from dozens of restaurants, markets and merchants. Vintners and breweries libated and guests danced off calories in the center's courtyard. "We featured several restaurants that were new to the community,"

Raffles and silent auctions boosted proceeds. The event enables assistance for programs that benefit kids, families and culture in the community. "After such a long period without it, we worried we'd have a hard time getting momentum back," said Martin. "But it all came together. The excitement was there."

Help Stop Financial Abuse of Older Americans

Sacramento County News Release

SACRAMENTO COUNTY, CA (MPG) - May is Older Americans Month. Established in 1963, Older Americans Month is meant to raise awareness about stereotypes of older adults and the issues they face. To learn more about Older Americans Month, visit the Older Americans Month webpage.

In honor of Older Americans Month, challenge ageist stereotypes of growing older by celebrating the age, wisdom and experience of older friends, neighbors and family members. Look out for vulnerable older people and talk to them about financial wellness. Financial abuse awareness is critical for older adults who are targeted by scammers specifically because of their age. In Sacramento County and all over the United States, older adults fal victim to financial abuse or scams.

Financial abuse can include someone stealing money or credit cards. It can also occur when an older adult is forced to sign a document related to finances or property. If you or someone you know has experienced elder financial abuse, contact law enforcement and Sacramento County Adult Protective Services. Any member of the public, including an older or dependent adult seeking help, or family members and friends, can make a report to Sacramento County's Adult Protective Services (APS) at (916) 874-9377. When crimes do occur, Sacramento County's District Attorney works closely with victim advocates to provide confidential support and assistance. "Our victim advocates provide crisis counseling, assistance with emergency protective orders, advocacy and support through the court process, assistance in applying for victim compensation, and referrals to community programs and resources. Our office is also very active in educating seniors and the general public about the types of elder and dependent adult abuse, how to recognize signs of abuse, how to prevent it from happening, and how to report it when it does occur," said Assistant Chief Deputy District Attorney Dawn Bladet. If you are unsure of a situation involving an elder or dependent adult, but have a feeling something might be wrong, APS workers can investigate and help them figure out the best way to respond. New Wave of Demands Add Pressure to California's Budget Squeeze

By Dan Walters, CALMatters.org

One could call it the "big squeeze."

It's the ever-increasing conflict between the state government's current and projected tax revenues, which are drifting downwards, and the demands for billions of additional dollars for vital services, such as health care, homelessness and mass transit.

In January, when Gov. Gavin Newsom unveiled his initial budget for the 2023-24 fiscal year that begins July 1, he projected a \$22.5 billion deficit – just a few months after boasting the state had a \$97 billion surplus. This month, in a revised budget, he said the deficit had grown to \$31.5 billion.

As worrisome as those numbers appear, they might be a best case scenario, according to the Legislature's budget analyst, Gabe Petek.

"Based on our assessment, there is a roughly two thirds chance revenues will come in below May Revision estimates," Petek said. "As such, while we consider the May revision revenues plausible, adopting them would present considerable downside risk."

Moreover, Petek said that using the Newsom administration's own projections and assumptions, "the budget condition would worsen cit increase.

in future years" with annual operating deficits of around \$15 billion in the following two years, and hinted that the real shortfalls in the final in state aid: hospitals, tranyears of Newsom's governorship could be larger.

These estimates of a chronic and perhaps widening gap between income and outgo also assume that the state's economy won't be clobbered by recession.

Many economists believe that the Federal Reserve System's increasing interest rates, meant to slow the economy and battle inflation, could trigger a recession within the next year. If it billion per year to mainoccurred, Newsom's budget says, "revenues could decrease by \$40 billion in 2023-24 alone, largely driven by losses in personal income tax," adding that "revenue declines relative to the May Revision forecast could reach an additional \$100 billion through 2026-27."

While the state has amassed more than \$30 billion in reserves to cushion the impact of recession, an even moderate economic downturn would quickly consume them, drowning the budget in red ink as the Great Recession did.

То summarize: California's budget faces several years, at least, of budget difficulty. But the demand side of the fiscal ledger is not shrinking.

After the January budget was released, advocates for programs, particularly health care and social services, cranked up pressure on legislators to protect their slices of the pie. That pressure is even more intense with the May revision's defi-

GRACE BAPTIST CHURCH

They have been joined by three other major stakeholders seeking multi-billion-dollar increases sit systems and cities on the front lines of the state's worst-in-the-nation homelessness crisis.

Hospital and transit system officials say they have been unable to fully recover from the impacts of COVD-19 on their patronage and finances and may be forced to shut down or at least reduce services. Mayors of the state's largest cities say they need an additional \$2 tain ongoing efforts to house those on the streets.

None of the three fared well in the May revision. Newsom offered just a \$150 million loan fund to hospitals, didn't include any extra money for local homelessness efforts, and only said he would be willing to discuss transit's self-proclaimed "fiscal cliff."

There's little question that advocates for existing and new state financing would prefer that Newsom and the Legislature tap into reserves and/or raise taxes to satisfy their demands. In fact, the state Senate's budget framework proposes a hike in corporate income taxes, although Newsom has rejected it.

Were California's budget squeeze to continue or grow tighter, as seems likely, the remainder of Newsom's governorship would be dominated by the difficult task of resolving it.

A Lot of **Red Flags Here**

Dear Dave,

I live in Dallas, Texas, and I'm wondering if I should sell my condo in order to pay off debt. I owe \$120,000 on it, and it's worth around \$260,000. Plus, the homeowners association fee used to be \$450 a month and has gone up \$100 each year for the last two years, so now we're paying \$650. No one has ever told us why the fee went up so much. There haven't been any major improvements to the complex in the last five years, so I don't know what to think. Can you give me some advice??

– Zack

Dear Zack,

As a homeowner, I'd want some answers by the end of day as to why the HOA fees are so high. I mean, for a \$260,000 condo, the fee you mentioned is ridiculous unless the building owners are doing a major renovation,

Dave Ramsey Says

like replacing the parking lot or updating the community's clubhouse. Even then, that's crazy! On top of all that, it devalues your condo. Nobody wants to buy a \$260,000 condo with a \$650 HOA fee every month, especially when the fee has gone up that much

for no apparent reason. There's always the possibility the company is building up a war chest for improvements in the next year or so. But you have a right to know exactly where the money you pay in HOA fees is going. Ask to see a copy of their financials, and if they won't do that—or explain why the fee is so high and where the money's goingyou need to sell the place because it's being poorly managed.

You've got to get an explanation. You're owed one. And, if you try to sell the place, you're going to have to tell prospective buyers why the HOA fee is so high. Maybe there's a good reason for it buried somewhere. But without knowing more, as a buyer, there's no way I'd take this thing off your hands.

flags fluttering around the situation, Daniella. Even in a place like Dallas, this HOA fee is about double what it should be for a \$260,000 condo. I'm not saying this just because I don't like HOAs, which I don't. And that's mainly because I don't like paying money for something, and then being told by someone else what I can or can't do with it. But you need some answers for your own information, peace of mind and to give potential buyers an honest answer when they ask why the fees are insanely high.

Lose the headache. Sell it.

honor some very special men and women who are no longer with us. Their sacrifice looms large for what we have today. America is known as the "Land of the Free" and it's all because of those brave men and women. We need to remember all those who died in every war to preserve our freedom. Would you believe even Ancient Greece had a similar day to remember their lost loved ones? In Greece and Rome, they decorated the graves of those

who passed on including soldiers.

There have been many stories on how Memorial Day came to pass. Originally, it was a day to honor the soldiers who lost their lives in the Civil War. They originally called it Decoration Day started on May 5th 1868 by General John A. Logan, Commander of the Grand Army of the Republic. Why Decoration Day? Because family members of soldiers who died in the war decorated their graves with flowers. Did you know 620,000 Americans died in the Civil War? Incredible and sad when brothers were against brothers and fathers were fighting sons. In 1967 Congress changed the name to Memorial Day. And after WWII it was changed to

So I ask you to REMEMBER and pass that remembrance on to your children and grandchildren. Fly the flag with pride and honor and stay dedicated to what we stand for in our country... freedom! Let go of the discord we are facing on so many levels, and marvel at what the founding fathers created and the lives lost to keep that dream. NOTICE OF PETITION TO ADMINISTER ESTATE

NOTICE OF PETITION TO NOTICE OF PETITION TO ADMINISTER ESTATE OF DAVID LEROY MCDONALL

CASE NO. 34-2023-00337923 To all heirs, beneficiaries, creditors, and contingent creditors of and persons who may be otherwise interested in the will or estate, or both, of David Leroy McDonall aka David McDonall.

A Petition for Probate has been filed by Claire McDonall, in the Superior Court of California, County of Sacramento, requesting Claire McDonall be appointed as personal representative(s) to administer the estate of the decedent.

The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the executor to take many actions without obtaining court approval. Before taking certain very important actions, however, the executor will be required to give notice to interested persons unless they have waived notice or have consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A hearing on the petition will be held in this court as follows September 5, 2023, 9:00 a.m. in Dept 129; Superior Court of California, County of Sacramento, William R. Ridgeway Family Relations Courthouse, 3341 Power Inn Road, Sacramento, CA 95826. IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in per-

son or by your attorney. IF YOU ARE A CREDITOR or a contingent creditor of the deceased, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under

SECTION 3. The District consists of the lots and parcels shown on the assessment diagram of the District on file with the Secretary of the Board, and reference is hereby made to such map for further particulars.

SECTION 4. Reference is hereby made to the Report for a full and detailed description of the Improvements, the boundaries of the District and the proposed assessments upon assessable lots and parcels of land within the District. The Engineer's Report identifies all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed.

SECTION 5. The maximum assessment is subject to an annual adjustment tied to the Consumer Price Index-U for the San Francisco Bay Area as of December of each succeeding year (the "CPI"), with a maximum annual adjustment not to exceed 3%. Any change in the CPI in excess of 3% shall be cumulatively reserved as the "Unused CPI" and shall be used to increase the maximum authorized assessment rate in years in which the CPI is less than 3%. The maximum authorized assessment rate is equal to the maximum assessment rate in the first fiscal year the assessment was levied adjusted annually by the minimum of 1) 3% or 2) the change in the CPI plus any Unused CPI as described above.

The change in the CPI from December 2021 to December 2022 was 4.88%. There is an Unused CPI balance of 1.85% in FY 2023-24. Since the CPI is above 3.00%, the amount over 3.00% will be added to Unused CPI to be used in years where the CPI is less than 3.00%. The Unused CPI will be increased to a balance of 3.73% for FY 2024-25. Therefore, the maximum authorized assessment rate for fiscal year 2023-24 is increased by 3.00% which equates to \$61.30 per single-family equivalent benefit unit. The estimate of cost and budget in the Engineer's Report proposes as sessments for fiscal year 2023-24 at \$53.63 per single-family equivalent benefit unit, which is a 3% increase from fiscal year 2022-23 and less than the maximum authorized assessment rate.

SECTION 6. The public hearing shall be held, before this Board at Mission Oaks Community Center, located at 4701 Gibbons Drive, Carmichael, California 95608 as follows: on Tuesday, June 13, 2023 at the hour of 6:00 p.m. for the purpose of this Board's determination whether the public interest, convenience and necessity require the improvements and this Board's final action upon the Report and the assessments therein. As of the date of this notice, social distancing measures are in effect due to the COVID-19 pandemic. Parties interested in participating in the June 13, 2023, public hearing should visit the District's website at https://www.morpd.com/advisory-board-meetings for current information on how to provide public comment. The Secretary of the Board is hereby authorized and directed to cause a notice of the hearing to be given by publishing a notice once, at least ten (10) days prior to the date of the hearing above specified, in a newspaper circulated in the District.

SECTION 7. To get additional information about the assessments or the Assessment District contact: Daniel Barton, District Administrator, Mission Oaks Recreation and Park District; 3344 Mission Avenue, Carmichael, California 95608.

Help Stop Financial Abuse of Older Americans

Continued from page 1

Sacramento County's Deputy Director for Senior and Adult Services Melissa Jacobs, 25% of the allegations reported to APS in the last 12 months were related to financial abuse/exploitation.

"Sacramento County Senior & Adult Services is continuing to strengthen our partnership with the local Agency on Aging/Area 4 and other partners to provide additional resources and supports for our community of older adults," said Jacobs. The older adults in your life likely spent many years working hard, caring for others and contributing to their community. This Older Americans Month, take the time to say thank you and celebrate aging. It is a time for friends and family to reach out to the older people in our lives to let them know how much we love and appreciate them. This Older Americans Month, take the time to visit, chat, share helpful information and resources, and celebrate with the older adults in your life. ★
