## Postal Hero Hailed

Mail Carrier Willie Shannon's quick actions during a Carmichael fire earned a Post Office Hero Award nomination. Shannon was applauded by firefighters, his wife Carole (center) and Sacramento Postmaster Angela Bye.

**Story and photos  
by Susan Maxwell Skinner**

**CARMICHAEL, CA (MPG)** - On July 18, Post office Mail Carrier Willie Shannon serviced his Foothill Farms route.

"By afternoon, it was around 100 degrees," he recalled. "I'm used to the heat. I'm also used to dogs and aggressive turkeys. I never expected to be a firefighter."

Circumstance makes heroes. For his actions on that day, Shannon (60) last week received a US Postmaster General Hero Award nomination.

Delivering to an apartment complex at Connecticut Drive (Carmichael), he glanced at a second-floor balcony and saw billowing smoke. "I thought they were barbecuing up there," he recalled. "Then I saw big flames and thought, that's no barbecue."

Air Force veteran and 21-year US Post Office employee Shannon scrambled from his truck and began hammering at apartment doors. No one answered. "I was blowing my horn to get attention," he said. "A lady from another unit came out to see what was going on. She pointed at a garden hose. I grabbed it and aimed upwards, trying to put out the fire out. Then I thought: holy smoke, I'd better call 911. I've got a hose spraying in one hand and a phone in the other. I'm telling the emergency operator to get out here."

A garden hose alone would not have sufficed. Fire was imbedded in a wooden support beam that firefighters eventually hacked away. But Shannon's actions might have saved the apartment's sleeping tenant. Flames also came close to cars garaged downstairs. A gas tank

explosion might have engulfed the entire 36-condo complex.

Fire fighters believe the mailman's actions averted disaster. "We don't encourage civilians to get involved in firefighting," noted Sac Metro Captain Kurt Katsuyoshi. "But Willie Shannon's actions were validated."

With the fire contained, the carrier called his supervisor to report a delay. He then calmly finished his deliveries. The afternoon's adventure went unnoted until an apartment resident - who witnessed the drama - sang Shannon's praises in a letter to the Post Office. His award nomination quickly followed.

"He's been our carrier for eight years," the neighbor said. "He's helpful, polite and respectful. No one else was around to help us that day."

## Ordinances to Prohibit Camping Approved

**Sacramento County  
News Release**

**SACRAMENTO COUNTY, CA (MPG)** - The Board of Supervisors on August 11, approved two ordinances addressing camping and encampments near critical infrastructure such as levees and government buildings, wildfire and flood risk areas during severe weather, near shelters for persons experiencing homelessness, youth-serving facilities and a separate ordinance prohibiting camping on the entire stretch of the American River and Dry Creek Parkways.

The Board will formally adopt the two approved ordinances on August 23, and they will go into effect 30 days later.

As was mentioned several times by staff, county counsel and supervisors, these ordinances going into effect will not result in the wide-scale clearing of encampments. The County has both a legal and moral obligation to identify the highest priority camps, identify the needs of the campers and offer services

and shelter as appropriate. The County is committed to applying a thoughtful approach in order to balance the needs of both the campers and the impacted community surrounding encampments.

"These ordinances provide another tool for County staff and our outreach partners to engage with folks experiencing homelessness camping illegally, assess their needs and determine the best course of action to move them away from critical infrastructure," said Board Chair Don Nottoli. "The time has come to balance the needs of our unsheltered population with the impacts that our communities and environment have been facing for years."

The ordinances provide law enforcement officials with the authority to specifically address the activities in these particular locations because of public health, safety and welfare concerns.

The critical infrastructure ordinance adds Chapter 9.120 to the Sacramento County Code to prohibit camping and

encampments in the following priority areas:

In, on or within 25 feet of critical infrastructure or the entrance/exit of critical infrastructure; Up to 1,000 feet of a location providing year-round overnight shelter to people experiencing homelessness and the entrance/exit to such locations; Inside of, or within 30 feet of wildfire and flood risk areas during severe weather; And, within 25 feet of a youth-serving facility, defined as public or private primary or secondary schools and public libraries.

Violations would first be subject to verbal and written warnings and any person who violates the ordinance would be guilty of a misdemeanor. This also authorizes the County Executive or designee to promulgate rules, protocols and procedures for the implementation of the ordinance.

To read the full definitions of each identified priority area, read the full ordinance at the county website.

The Board also approved a separate ordinance that

addresses the Dry Creek and American River Parkway specifically.

"The American River Parkway is our region's most treasured recreational and ecological asset," said First District Supervisor Phil Serna. "As the stewards responsible for its protection, we are obligated to see that it is a clean and safe place for everyone to enjoy while ensuring those who feel their only option is to reside on the Parkway, have housing opportunities and access to services elsewhere in the county."

The following are key provisions of the ordinance:

Prohibition on camping or constructing, maintaining or inhabiting any structure or camping facility in the American River Parkway or Dry Creek Parkway, except with written permission from the Director;

Prohibition on modifying the parklands (e.g. dirt, landscaping) or accumulating furniture, household goods, or other items in order to create a structure;

# Donate Blood and Receive a Sweet Treat!

To thank donors who help refuel the blood supply throughout August, those who come to give blood or platelets will receive a voucher for a free Medium Hot or Iced Coffee and a free Classic Donut. Photo courtesy of Dunkin'

### Dunkin' News Release

**SACRAMENTO, CA (MPG)** - Local blood donors are in for a sweet treat this August. Dunkin' of Sacramento is teaming up with the American Red Cross to provide 2,600 vouchers to Red Cross donors in the region during August.

To thank donors who help refuel the blood supply throughout August, those who come to give blood or platelets will receive a voucher for a free Medium Hot or Iced Coffee and a free Classic Donut, redeemable at all Dunkin' restaurants in the Sacramento area, while supplies last. Vouchers are non-transferrable and not redeemable for cash.

The American Red Cross has faced a concerning drop in blood and platelet donations this summer. Donors are needed to make an appointment to give in August to help prevent a blood shortage.

Right now, the Red Cross needs to collect more than 1,200 blood and nearly 3,000 platelet donations each day

to support patients at approximately 2,500 hospitals across the country. The need for blood doesn't take a summer break as hospitals continue to respond to traumas and emergency room visits, organ transplants, elective surgeries and more.

"We are thrilled to kick off our partnership with Dunkin' and encourage individuals to give to help prevent a summer blood shortage," said Justin Mueller, Regional Donor Services Executive, American Red Cross. "As you finalize your plans for the summer, make a blood or platelet donation appointment part of them and receive this special gift from Dunkin'."

Those who give now will help stock the shelves for hospital patients in need. Schedule an appointment to give blood or platelets by using the Red Cross Blood Donor App, visiting RedCrossBlood.org, or calling 1-800-RED CROSS (1-800-733-2767).

"Dunkin' is thrilled

to team up with the American Red Cross this August," said Jamie Struwe, Field Marketing Manager, Dunkin'. "We hope that by providing donors with a free Medium Hot or Iced Coffee and Classic Donut, Dunkin' will encourage the Sacramento community to stop by Red Cross blood drives and roll up their sleeve."

To learn more about Dunkin', visit [www.DunkinDonuts.com](http://www.DunkinDonuts.com) or follow us on Facebook @DunkinUS or Twitter @DunkinDonuts.

Letter Carrier Willie Shannon is congratulated by his wife of 38 years, Carole.

Continued from page 1

Willie took the time to ring our doorbells and tell us to get out. Then he grabbed that hose. If not for him, our whole building might have gone up."

Shannon figures military and Post Office training kicked in on-cue. "The Air Force teaches you courage," he considered. "Letter carriers learn to be aware of their surroundings; to be the eyes and ears

of where they serve. Maybe it seems I was heroic, but I just did the right thing. I care about my customers; I'd do anything to help them.

"I'm thankful God's presence made me look up that day."

Willie Shannon's award nomination is being reviewed at Post Office Headquarters Washington DC; it will be presented later this year. ★

# SacRT Takes You Back to School for FREE

The Sacramento Regional Transit District is reminding students and families that with the RydeFreeRT program, students in transitional kindergarten through 12th grade can ride the entire SacRT transit network for free. Graphic courtesy of SacRT

## SacRT News Release

### SACRAMENTO, CA (MPG) -

The Sacramento Regional Transit District (SacRT) is reminding students and families that with the RydeFreeRT program, students in transitional kindergarten through 12th grade can ride the entire SacRT transit network for free. The program includes SacRT buses, light rail and Smart Ride on demand microtransit services.

The RydeFreeRT program is available for any youth that live or go to school within SacRT's service area, which includes the cities of Sacramento, Elk Grove, Folsom, Citrus Heights, Rancho Cordova and parts of Sacramento County. Approximately 220,000 students in grades TK - 12th, home-schooled students, and foster and homeless youth are all eligible.

SacRT launched the RydeFreeRT program in October 2019, at that time, SacRT experienced a 127% increase in student ridership (pre-COVID-19). Over the last year, SacRT provided over 2.4 million

free rides to youth across the region.

New RydeFreeRT cards for the 2022-2023 school year are distributed by schools and have a valid date from June 1, 2022, through June 30, 2023. For students that still need a RydeFreeRT card, visit SacRT's Customer Service and Sales Center located at 1225 R Street (adjacent to the 13th Street Light Rail Station) or Sacramento Public Libraries.

"Thanks to continued funding from the cities of Sacramento, Citrus Heights, Elk Grove, Folsom and Rancho Cordova as well as additional funding from the County of Sacramento, we are able to keep the RydeFreeRT program going into a fourth year," said SacRT General Manager/CEO Henry Li. "The fare-free program helps our region's youth by removing the transportation barrier to education, jobs, and healthcare."

"SacRT's award winning RydeFreeRT program for TK-12th grade students has benefited our community immensely

and I could not be happier it is continuing for a fourth year," said SacRT Chair and Citrus Heights Council Member Steve Miller. "With this program, we are increasing mobility options and school attendance, reducing congestion and greenhouse gases and creating new rider habits."

"RydeFreeRT has become a model that many transit agencies across the nation are trying to replicate," said SacRT Board Member and Sacramento City Councilman Jay Schenirer. "This is an investment in our future - connecting youth to school, work, internships and other education and career opportunities. It's great to see so many young riders on public transit!"

"At Sac City Unified our focus is on providing equitable access to high quality education. The costs and challenges associated with transportation can often create a significant barrier to that access," said SCUSD Chief Communications Officer Brian Heap. "The SacRT free transit program is a tremendous support tool for the district and our families. We have some middle and high schools where as many as one-third of students rely on SacRT to safely get them to and from school each day. Chronic absenteeism is a serious problem for schools, and we appreciate that our partnership with SacRT helps get more students to class every day."

# Bearded Band of Brothers Rock Park

Local audiences - and many visitors - enjoyed the Fryeds Brothers Band at Carmichael Park last weekend. Carmichael-raised Harry Fryed (with fiddle) led the nationally famed band.

## Story and photo by Susan Maxwell Skinner

CARMICHAEL, CA (MPG) - Beards, tattoos and solid American songs recently brought the multitudes - including scores of Harley Davidson riders - to Carmichael Park. The 2022 concert season revved to full throttle as veteran biker band, the Fryeds Brothers, earned a warm reception on a hot night.

The Sacramento musicians have been in movies and made records with superstars. Of founding brothers Harry and Tommy Fryed, only fiddler Harry (62) remains with the group. Younger brother Tommy died of heart failure at 49 years old. Youngest of a Carmichael family of seven siblings, the brothers grew up on Carter Road and attended Rio Americano High School.

"From childhood, they loved music and they loved bikes," says their sister/manager Barbara Fryed. Harry and Tommy formed their band in memory of an older brother, Mark, who died when a car hit his motorcycle on the Fair Oaks Boulevard side of Carmichael Park in 1980.

Together, Harry and Tommy wrote more than 40 songs and, over 36 years of pro-gigging, the Fryeds have shared stages with Waylon Jennings, Charlie Daniels, the Doobies, Jefferson Starship, Tower of Power, Eddie Money, Blood, Sweat & Tears and Billy Idol.

"They have fans all over the world," says their manager. "My brother was joking that it only took 36 years to get on a Carmichael stage. But he was more than happy to play there." The Fryeds' mom still lives in Carmichael and at 90, she remains their biggest fan. By tradition, Harry dedicated "Amarillo by Morning" to his mom at the weekend concert.

The band's park arrival was orchestrated by the roar of dozens of motorcycles; their ensuing performance was as much a concert as a Harley Davidson convention. In the bikers' midst, Carmichaelites enjoyed all-American blues/rock and many unaccustomed sights. Facial hair, bare flesh and tattoos were the order of the day.

By Carmichael standards, it was a diverse group. But appreciation of the music was universal.

Remaining park concerts are as follows:

August 20: Carmichael Park. Ticket to Ride (Beatles tribute).

August 27: Carmichael Park. On Air (classic rock).

September 25: Gibbons Park. On Air (rock). 5 pm.

All community concerts are free and dancing is encouraged. Carmichael Park is located at 5750 Grant Avenue. La Sierra Center is at 5325 Engle Road. Gibbons Park is at 4701 Gibbons Drive. ★

## Toys 'R' Us Returns to Sunrise Mall

Meet Geoffrey the Giraffe and you too can be a Toys 'R' Us kid!  
Photo courtesy of Macy's

By Thomas J. Sullivan

**CITRUS HEIGHTS, CA (MPG)** - If you grew up as a Toys 'R' Us kid, as many of us did, there's a good reason to celebrate.

A physical Toys 'R' Us store is opening inside every Macy's store across the country, including its long-time store in the Sunrise Mall in Citrus Heights.

WHP Global, which acquired a controlling stake in the beloved toy retailer in March 2022, has partnered with Macy's, Inc. to bring Toys 'R' Us shops into the department store's more than 400 physical brick and mortar stores and its online locations.

On the ground floor of

Macy's South, at 6041 Sunrise Mall, home of its women's, children's and infant's store at the Sunrise Mall, a new Toys 'R' Us section opened in late July.

It's a public preview of an approximately 2,500 square foot Toys 'R' Us store on level 1 inside Macy's which will open at the end of September, said Allison Edheimer, associate for external communications with Macy's Inc.

"The Toys 'R' Us brand will come to life in-store with playful colored fixtures as well as hands-on demonstration tables for customers to interact with various toy assortments," she said.

In September, customers

can expect a 'shop-in-shop' sales experience featuring sectioned toy aisles, interactive activities, and unique Toy 'R' Us branding, including a 'Geoffrey On A Bench' photo opportunity for families with its beloved mascot, Geoffrey the Giraffe.

To celebrate the openings, all Macy's stores, including Citrus Heights, will host nine days of in-store events beginning October 15 through October 23, which will include family-friendly activities and daily giveaways from brands like Barbie, LEGO, Play-Doh and more, Edheimer said.

The once-storied toy store went bankrupt and closed all its stores in 2018. Its former location on Greenback Lane has since re-opened as a Hobby Lobby arts and crafts store.

Toys 'R' Us has since established its own designated e-commerce section on Macys.com which customers can access now in addition to its own dedicated ToysRUs.com site.

"As a Toys 'R' Us kid, I could not be more excited to bring this beloved brand that so many of our customers know and love into Macy's online and to our stores across America," said Macy's chief merchandising officer, Nata Dvir, in a press statement.

The Toys 'R' Us store is located inside Macy's South at 6041 Sunrise Mall in Citrus Heights. Call (916) 728-1916 for more information. Mall hours are Monday through Saturday from 11 am to 8 pm and Sunday from noon to 6 pm. Visit: <https://www.sunrisemallonline.com/> for details. ★

## Sleeping Cabin Construction for Homeless Begins

The site is expected to begin welcoming guests late this fall. It will ultimately be able to shelter 125 people at any point in time. Photo courtesy Sacramento County

Sacramento County News Release

**SACRAMENTO COUNTY** - Sleeping cabin construction at Sacramento County's new concept "Safe Stay Community" to shelter persons experiencing homelessness has officially begun. The new project, located at 8144 Florin Road, on the corner of Power Inn and Florin at the former site of a now razed grocery store will have 100 sleeping cabins constructed on the site. Construction of the Pallet cabins is expected to take 10 days.

Once cabin construction is complete, infrastructure work such as running power and sewer lines will take several months to complete. In addition to the cabins, the site will have a sanitation trailer for restrooms and showers, staff quarters for the 24/7 on-site operator, a security booth to manage all persons on-site, a communal eating area, storage units for possessions guests bring that do not fit in their cabin and a pet relief area. The site is expected to begin welcoming guests late this fall. It will ultimately be able to shelter 125 people at any point in time.

"Seeing the Safe Stay sleeping cabins go up is very exciting," said District 2 Supervisor Patrick Kennedy. "It is an important step forward in welcoming guests into this new sheltering model, and the community can begin to see how this will benefit

the neighborhood and local businesses."

Pallet has built nearly 100 communities in 50 cities across the U.S., with 76 currently operating in 45 cities including multiple locations in Northern and Southern California. The unique design and capabilities of the cabins such as a door that can be locked for privacy and safety, heating and cooling to protect guests from extreme weather events and the individualized areas that further provide a sense of space that allows people to shelter and receive services with dignity and respect.

In addition to the hard working Pallet staff, the Pallet structures are being put together by members of the Sacramento Regional Conservation Corps (SRCC) - a non-profit, workforce development and education agency. They provide an opportunity for 18-26 year-old young adults to acquire paid work experience and job skills on conservation projects in a four county region. Young adults, from diverse backgrounds, receive technical skills training and educational achievement. Their area of focus is recycling and conservation projects that enhance and protect our environment.

# County Proclaims MonkeyPox Public Health and Local Emergency

## Sacramento County News Release

**SACRAMENTO COUNTY, CA (MPG)** - On Tuesday, August 9, Sacramento County proclaimed a public health emergency and a local emergency in order to ensure appropriate resources and funding are available to the County in its response to monkeypox.

The proclamations of a public health emergency and local emergency do not signify an increased risk to the residents of Sacramento County. A proclamation of emergency allows the County to provide or receive mutual aid from other jurisdictions and assists in opening up available resources, mutual aid and staffing.

The proclamations follow the State of California's proclamation of emergency on Aug. 1, regarding monkeypox and the funding that would be made available. Proclaiming a local emergency is a prerequisite for requesting and receiving

available federal or state funding.

"Proclaiming a state of emergency in response to Monkeypox helps the County to ensure uninterrupted access to resources necessary to lessen disease transmission," said Don Nottoli, Chairman of the County Board of Supervisors. "The proclamations should not be a reason for elevated concern; but rather, considered as mechanisms to assist in our mission to better respond to and contain the virus."

The County continues to work closely with the Centers for Disease Control and the California Department of Public Health on coordinated testing, investigations, and providing guidance and assistance to health providers in monitoring for monkeypox symptoms and gathering information to detect new cases for laboratory testing and confirming infection.

Transmission of monkeypox virus occurs when

a person comes into contact with the virus from an animal, human or materials contaminated with the virus. The virus enters the body through broken skin (even if not visible), respiratory tract or the mucous membranes (eyes, nose, or mouth).

Symptoms of monkeypox include; fever, headache, muscle aches, backache, swollen lymph nodes, chills and exhaustion. Within 1 to 3 days (sometimes longer) after the appearance of fever, the patient develops a rash, often beginning on the face then spreading to other parts of the body. The incubation period (time from infection to symptoms) for monkeypox is usually 7-14 days but can range from 5-21 days. The illness typically lasts for 2-4 weeks.

# Kings and Raley's Team Up to Provide Backpacks to Local Youth

## Sacramento Kings News Release

**SACRAMENTO, CA (MPG)** - On August 4, the Sacramento Kings and Raley's announced plans to provide 2,000 backpacks and school supplies to local youth.

"As families prepare for the upcoming school year, we are proud to partner with Raley's to help provide fundamental supplies to contribute to student success," said Sacramento Kings Chief Operating Officer Matina Kolokotronis. "Investing in our youth is a core pillar of our organization and we are committed to ensuring they have the resources needed for a bright future."

"Raley's echoes the sentiment of the Kings and Volunteers of America in providing health and happiness for our youth," said Raley's Director of Community Relations Becca Whitman. "Getting back to routines and friendships is a wonderful reason to celebrate and support this backpack drive and all the kids in our communities."

"I am so grateful for our partnership with the Kings and Raley's," said Volunteers of America Director of Development Ana Bankert. "With their amazing support, Volunteers of America's Operation Backpack campaign will be able to help more local students who are in need of new backpacks and school

supplies."

Yesterday, Kings and Raley's team members gathered at Golden 1 Center to pack the backpacks with co-branded school supplies. Tonight, the two organizations will support a "Pick-a-Pack" event hosted by Volunteers of America Operation Backpack to allow pre-selected youth and their families to choose a backpack. Operation Backpack is Volunteers of America's annual campaign to provide backpacks containing school supplies for students and families experiencing or are at-risk of homelessness. In 2022, their goal is to provide 10,000 backpacks to local students.

Of the 2,000 backpacks filled, a portion will be donated to Volunteers of America's Operation Backpack, Mentor California and Kings and Queens Rise Co-Ed Youth Sports and Mentoring League participants.

During the 2021-22 NBA Season, the Kings partnered with Volunteers of America's Operation Backpack and VSP Eyes of Hope to support students in need by providing gift certificates for free eye exams and glasses to schools and other education partners. Fans were encouraged to participate by donating brand-new backpacks and in return received a food voucher plus entry to win a seat upgrade.

# Kings and Curtis '50 Cent' Jackson Ink a Multi-Year Partnership

## Sacramento Kings News Release

**SACRAMENTO, CA (MPG)** - On July 27, the Sacramento Kings announced a multi-year partnership with Grammy award-winning musician, two-time New York Times best-selling author, executive producer, entrepreneur and philanthropist Curtis "50 Cent" Jackson, his premium wine and spirits company Sire Spirits LLC and his charity, the G-Unity Foundation.

Continuing the Kings efforts to lift up and support diverse companies, Sire Spirits, a black-owned business, becomes the official premium champagne partner with their award-winning Le Chemin du Roi (fittingly translated as The Kings Path), a proud spirits partner with their award-winning Branson Cognac and presenting sponsor of one of Golden 1 Center's largest premium clubs, Rush, serving court-side and season ticket members. The club "Rush by Sire Spirits" will feature a breathtaking 500 bottle Le Chemin du Roi Champagne Wall.

"We are thrilled to partner with Curtis and bring Sire Spirits to Golden 1 Center for our fans and guests to enjoy," said Sacramento Kings Owner and Chairman Vivek Ranadivé. "This partnership continues the Kings commitment to supporting diverse entrepreneurs and aligns our shared passion for providing youth with the tools and opportunities they need to succeed. I am excited to work together to support the Sacramento community."

"I did this deal after meeting with Vivek Ranadivé and learning how he and the entire Kings organization genuinely shares my philosophy of promoting conscious capitalism," said Curtis "50 Cent" Jackson. "I very much look forward to meeting the Kings fans and expanding the reach of my G-Unity Foundation

and spirits brands in and around the city of Sacramento."

As part of this partnership, Jackson's G-Unity Foundation will team up with the Sacramento Kings Foundation to deeply invest in Sacramento youth throughout the season, including providing scholarships as part of the team's mentorship efforts. Founded by Jackson in 2003, the G-Unity Foundation supports programs that foster social and leadership skills in young people living in cities nationwide. Later this week, the two foundations will host a dinner for Kings and Queen Rise Co-Ed Youth Sports and Mentoring League players and coaches featuring a conversation between Jackson and Kings TV Play-by-Play Announcer and Host of Kings Pregame and Postgame Live Kyle Draper focused on Jackson's career path and the G Unity Foundation. The event will also include a performance by the 916 Crew, games and giveaways for the youth.

During the season, Jackson plans to host high school students for a Kings game in an exclusive suite, participate in a sweepstakes for a road trip meet and greet and take part in an episode of Beyond the Paint, a Kings series that explores the cross section of sports, culture and social issues to share varying perspectives and experiences. Jackson will also work with the Sacramento Kings to create live entertainment experiences at Golden 1 Center.

Earlier this month, Jackson met with Kings rookies and took in a game with Ranadivé during Summer League in Las Vegas.

Jackson was represented in this deal by his General Counsel Stephen J. Savva and Mark Passler of Akerman, LLP.

# Bera Secures Funds for Sacramento Meals on Wheels Program

## Office of Congressman Ami Bera, M.D

**WASHINGTON, DC (MPG)** - Representative Ami Bera, M.D. (CA-07) announced on July 26, that he secured \$750,000 in the House Fiscal Year 2023 Appropriations package to support Meals on Wheels in the Sacramento region.

Funding for the project was included in the FY23 House Transportation, Housing and Urban Development (THUD) Appropriations bill, which passed the House of Representatives last week. The THUD bill now head to the Senate for consideration.

"Since entering Congress, I have been a steadfast supporter of critical community programs like Meals on Wheels," said Representative Bera. "I am proud to announce that I secured \$750,000 in federal funding that will support the Meals on Wheels Kitchen Project to deliver more nutritious meals to seniors living throughout Sacramento County. I will continue to work in a bipartisan manner to ensure this critical funding gets signed into law."

"With the Community Project Funding, Meals on Wheels by ACC (MoW) will be able to move meal production from Mississippi to California. Moving production to California means we can

source meal ingredients from local farms, make immediate changes to our menus, offer culturally diverse meals, and serve more seniors," said Kevin McAllister, Executive Director of Meals on Wheels Sacramento.

The funding would be used to purchase food service equipment for a commercial kitchen in the Sacramento area that would allow them to produce locally sourced, freshly prepared meals to Sacramento seniors and expand their program capacity. This project is a good use of taxpayer dollars because it will allow them to meet the growing demand for nutritious meals by a growing senior population in Sacramento and expand the number of meals they serve through collaborations with local farmers and producers. Eliminating the use of a vendor who produces meals out of state will save taxpayer dollars and support local farmers.

Representative Bera has been a long-time support of the Meals on Wheels program. Amid a government sequester in 2013, Representative Bera donated a portion of his monthly pay to Meals on Wheels.

In total, Representative Bera secured more than \$32 million to support 15 community funding projects for the Sacramento-region in the FY 2023 House appropriations bills. ★

and expenses of the Trustee for the total amount (at the time of the initial publication of the Notice of Sale) reasonably estimated to be set forth below. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 916-939-0772 for information regarding the trustee's sale or visit this internet website http://www.qualityloan.com, using the file number assigned to this foreclosure by the Trustee: CA-22-914943-BF. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the internet website. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT: You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call 916-939-0772, or visit this internet website http://www.qualityloan.com, using the file number assigned to this foreclosure by the Trustee: CA-22-914943-BF to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. The undersigned Trustee disclaims any liability for any incorrectness of the property address or other common designation, if any, shown herein. If no street address or other common designation is shown, directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale. If the sale is set aside for any reason, including if the Trustee is unable to convey title, the Purchaser at the sale shall be entitled only to a return of the monies paid to the Trustee. This shall be the Purchaser's sole and exclusive remedy. The purchaser shall have no further recourse against the Trustor, the Trustee, the Beneficiary, the Beneficiary's Agent, or the Beneficiary's Attorney. If you have previously been discharged through bankruptcy, you may have been released of personal liability for this loan in which case this letter is intended to exercise the note holders right's against the real property only. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 916-939-0772 for information regarding the trustee's sale or visit this internet website http://www.qualityloan.com, using the file number assigned to this foreclosure by the Trustee: CA-22-914943-BF to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. The undersigned Trustee disclaims any liability for any incorrectness of the property address or other common designation, if any, shown herein. If no street address or other common designation is shown, directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale. If the sale is set aside for any reason, including if the Trustee is unable to convey title, the Purchaser at the sale shall be entitled only to a return of the monies paid to the Trustee. This shall be the Purchaser's sole and exclusive remedy. The purchaser shall have no further recourse against the Trustor, the Trustee, the Beneficiary, the Beneficiary's Agent, or the Beneficiary's Attorney. If you have previously been discharged through bankruptcy, you may have been released of personal liability for this loan in which case this letter is intended to exercise the note holders right's against the real property only. ## Dave Ramsey Says

**Pay off the mortgages? Not so fast...**

Dear Dave,

My husband and I are retired. I receive a small pension, and we are both on Medicare and Social Security. We have about \$25,000 left to pay on our mortgage, along with a second mortgage of \$18,000. These are our only debts. We also have a nest egg of \$30,000 set aside, and a small annuity that's worth about \$20,000. Would you recommend paying off our mortgages with our savings?

— Jane

Dear Jane,

If you know me at all,

you understand how much I'd love to see everyone in control of their finances and living debt-free. But being broke, even in a house that's paid for, isn't a good idea. Believe me, I understand. The idea of paying off the house and everything is awfully tempting. But if you two did that, you'd be left with very little. To me, that's a scary thought when your small pension — along with Social Insecurity and Medicare — are all you have coming in.

No offense, but your nest egg is kind of small to begin with, so I don't think I'd be raiding it right now. On the other hand, if you'd told me you had \$400,000 or \$500,000 saved up, I'd tell you pay off the house and second mortgage today.

If you're not doing this already, I'd advise you two to start making and living on a regular monthly budget. Give every dollar a

name on paper before the month begins, because if you don't, your money will control you instead of you controlling it. Make sure you're living on less than what's coming in, and hopefully you can devise a plan to have the house and other debt paid off in a few years.

God bless you two!

— Dave

## Ordinances to Prohibit Camping Approved by Board

Continued from page 1

Bans the use or maintenance of a container with flammable or combustible liquid or a generator, except when issued a permit by the Regional Parks Director.

The intent of the proposed ordinance is to provide the County with an additional enforcement tool to address camping and the proliferation of unpermitted structures used as makeshift shelters in the Parkways and reduce public safety concerns relating to the use of flammable or combustible liquids and generators in parks. However, the ability to enforce the

proposed ordinance, like the existing Code provisions, is dependent on law enforcement capacity and prioritization as well as availability of shelter, as outlined in the proposed Park Rangers' Action Plan. In addition, the Action Plan describes the County's commitment to conduct outreach efforts to offer alternative shelter and other services to individuals camping in the Parkways.

Visit the county website at [www.sac-county.gov/Pages/default.aspx](http://www.sac-county.gov/Pages/default.aspx) to read the full ordinance to learn more about Parkway-specific rules. ★

THE FOUNDATION FOR A BETTER LIFE

## Pass It On: The History of Us

Photo courtesy of Damian Lynch/Unsplash

**By The Foundation for a Better Life**

James (not his real name; he prefers not to be known for his work off the field) is a college football coach. He knows that in football, you are judged by winning and losing. But in life, character endures. So, James focuses on teaching players about their past so they can improve the future.

Football brings kids from all different backgrounds together and requires them to sacrifice for each other, be selfless and do the job they are asked to do. Creating a team from players with disparate racial, socioeconomic, religious and geographical backgrounds and different styles of upbringing can be quite challenging.

James has found that most kids coming out of high school don't know much about their history, the history of the country they live in, the history of their teammates. So, one night a week, he leads a class that focuses on Black history, Hispanic history, Polynesian history, American history, world history and religious history – and

how those lessons inform the decisions we all make today.

What emerges is not a discussion on diversity but rather on unity. Turns out that every one of us is different in some way, and our shared experience grows out of our ability to take those differences and turn them into advantages. Respect grows with understanding.

This past year, James' team had its best year ever in the program's history. The team is one of the most diverse in the nation. Yet the two words most often heard uttered by the players describing the program are "love" and "family." One alumnus returning to the team, now as a coach, said: "It's like coming home. This is where I learned to change who I was, to become a man. I want to help other kids do the same."

Each of us has a history, good or bad, that can teach us something about ourselves. But most importantly, when we learn the history of others, we discover a world that makes room for all. ★

**SACRAMENTO REGION, CA (MPG)** - It's that time of year again – football season!

At the Messenger Publishing Group, we have eight weekly newspapers: Carmichael Times, Grapevine Independent (Rancho Cordova), Citrus Heights Messenger, The News (Rio Linda), West Sacramento News Ledger, Dixon Independent Voice, Territorial Dispatch (Marysville) and The Gridley Herald. MPG has one biweekly newspaper, the American River Messenger, which covers Fair Oaks and Orangevale.

With football season upon us, it's time to examine who the top football teams are in the Sac-Joaquin Section. Senior sportswriter Joe

Davidson, who has been covering prep sports for The Sacramento Bee since 1988, recently released his Top 25 football rankings.

In the Sacramento region, Davidson's rankings for The Bee have been highly touted and respected for years. With all that said, it's time to review which teams to watch for in your respective area.
