CARMICHAEL, CA (MPG) - Carmichael's July 4 parade and fireworks celebration occur on separate days this year.

On Saturday, July 2, a pyrotechnic show will light up La Sierra Community Center. Tom Petty tribute band Great Wide Open kicks off at 7 pm as warm-up entertainment.

The event will also host a free kids zone with crafts, inflatables and face-painting. Rockets and the 1812 Overture thunder at 9:30 pm. Organizers recommend that pets should be left at home. No private fireworks are permitted. A beer garden will offer libation.

Carmichael's famous Independence parade is set for Monday, July 4. The procession covers two miles of hot tar between Marconi and Cypress Avenues. A community tradition since 1959,

the celebrations is orchestrated by Carmichael Elks.

District 3 Supervisor Rich Desmond is Grand Marshal this year. According to Elks Secretary Jim Warrick, the VIP personifies this year's We the People theme. "Desmond has built his life on caring

about people," Warrick explains. "He was a CHP officer who ran for office to serve his community."

The Grand Marshal's red vintage Mustang convertible will roll out at 10:30 am. A Sons of the American Revolution color guard marches in advance. On foot or floats, 600 patriots will join the fray.

Fair Oaks Boulevard will close to traffic from 10 am till noon. Thousands of spectators traditionally line the parade route; biggest crowds accumulate near Carmichael Park corner. At the park clubhouse, Carmichael Kiwanis will fortify all comers with \$5 pancake breakfasts.

The parade leads many to the Elks Lodge, where dancing, barbecue lunches and swimming are offered. The lodge is located at 5631 Cypress Avenue. La Sierra Center is at 5325 Engle Road. Carmichael Park Clubhouse is at 5750 Grant Avenue. ★

SACRAMENTO, CA (MPG) - The California Highway Patrol (CHP) is embarking on a multi-year recruiting campaign to fill 1,000 vacant officer positions by hiring qualified individuals from California's diverse communities.

The "Join the CHP 1,000" campaign is the Department's attempt to appeal to a wide array of prospective applicants who may not be aware of the life-changing opportunity that awaits with a career with the CHP.

"To meet the increasing demand for our services throughout the state, over the next few years our law enforcement family will be growing exponentially," said CHP Commissioner Amanda Ray. "We are excited to welcome new members

to the team so that the CHP can continue to provide the level of service the public has come to expect."

To qualify as a CHP cadet, applicants must be a United States citizen or a permanent resident who has applied for citizenship, be between the ages of 20 and 35, possess a high school diploma or equivalent, be able to pass a physical abilities test and written exam, and complete a thorough background check with no felony convictions on record.

"It requires a special kind of character and special brand of bravery to

be a California Highway Patrol Officer," said Governor Gavin Newsom. "Our entire way of life – our freedoms, our peace, our pursuit of happiness – depends on those fearless, faithful few determined to protect it. I look forward to welcoming the next set of officers committing to serve California."

A career with the CHP includes paid training. Cadets earn a salary of \$5,563 each month throughout their 26 weeks at the CHP Academy in West Sacramento. After graduation, new officers are assigned to communities throughout California and can expect to earn more

than \$100,000 in their first year with the Department.

"Anyone who may be wondering if they have what it takes to become a CHP officer, let me be the first to tell you that you do," added Commissioner Ray. "If you are compassionate, driven to serve, and have a desire to learn, the CHP provides some of the best law enforcement training in the world and we will do all we can to ensure your success."

Board of Supervisors Pass Homeless Action Plan

By Janna Haynes, Sacramento County

SACRAMENTO COUNTY, CA (MPG) - On Tuesday, June 14, the Sacramento County Board of Supervisors approved the Local Homeless Action Plan, which was created by the County of Sacramento, the City of Sacramento and Sacramento Steps Forward – the lead agency for the local Continuum of Care (CoC).

Background on State funding for homeless response – On July 19, 2021, the Governor signed Assembly Bill 140 (Chapter 111, Statutes of 2021), which allocated \$2 billion over two years in Homeless, Housing, Assistance And Prevention (HHAP) Round 3 (HHAP-3) and HHAP Round 4 (HHAP-4) grant funding. In HHAP-3, Sacramento County is eligible for \$7,768,228 in funding.

As a condition of receiving HHAP-3 funding, jurisdictions and CoCs must develop and formally approve a Local Homeless Action Plan (LHAP) that reflects strategies to address State developed Outcome Goals. Sacramento County worked collaboratively with the CoC and the City of Sacramento to develop the Action Plan. This plan reflects strategies that align with best practices to prevent and end homelessness, and are intended to help address gaps in the local homelessness system of care over time.

In addition to ensuring that Sacramento County can draw down these critical State funds, the LHAP also serves as a strategic framework for future investments and reflects best practices in preventing and ending homelessness. Guided by a local gaps analysis that quantified the estimated needs in prevention, sheltering and housing, the LHAP is oriented around five broad strategies:

Build and scale a countywide Coordinated Access System; Ensure sheltering programs are focused on re-housing; Increase permanent housing opportunities; Expand prevention and diversion resources; Invest in community capacity building and training.

The LHAP also stresses the need to identify and mitigate racial disparities within the homelessness programs and system. While persons identifying as Black only represent 11% of the population in our CoC's geographic area, they represent approximately 39% of individuals who are experiencing homelessness and

3 CHP Officers Honored for Heroic Actions

CHP News Release

SACRAMENTO, CA (MPG) - Three California Highway Patrol (CHP) officers received the Public Safety Officer Medal of Valor during a ceremony hosted by the U.S. Department of Justice on May 16 in Washington, D.C.

The award presented to CHP Officers Ryan Smith, Vince Mendoza and retired CHP Officer Robert Paul is considered the highest national award for valor by a public safety officer.

“Our entire way of life – our freedoms, our peace, our pursuit of happiness – depends on the rule of law and those fearless, faithful few willing to stand watch,” said Governor Gavin Newsom. “I applaud the bravery and selflessness of these California Highway Patrol officers as they are recognized nationally for their heroism. They exemplify California values and represent the very best of our state’s law enforcement.”

On August 12, 2019, Officer Paul was assisting CHP Officer Andre Moye Jr. with an enforcement stop and vehicle impound near Interstate 215 in Riverside

when the suspect suddenly retrieved a rifle from his car and opened fire without warning. Officer Moye was struck and killed, and Officer Paul immediately drew his weapon and engaged the suspect before

radioing “Officer down.” Additional Riverside Area CHP units immediately responded along with units from the Riverside Police Department and Riverside County Sheriff’s Department.

Officer Paul was shot multiple times in his legs and, despite the life-threatening injuries, held off the suspect until backup arrived.

Officer Smith arrived after several minutes, and his patrol vehicle immediately took rounds

from the suspect. Officer Smith exited his vehicle and returned fire and pulled Officer Paul to safety as he was wounded in both legs. Officer Mendoza then arrived and shot at the suspect with a rifle, drawing fire away from Officers Smith and Paul. With the assistance of allied agencies, the gun battle continued for more than 12 minutes until the suspect was fatally shot.

“The actions of these men that day were noble, courageous, and crucial to getting another officer to safety,” said CHP Commissioner Amanda Ray. “I am incredibly proud of these officers for their teamwork and the numerous acts of bravery which took place during this horrific incident.

While we tragically lost one of our own that day, countless other lives were saved because of their heroism.”

Sworn to serve and protect the people of California, CHP officers vow to “assist those in peril or distress, and, if necessary, lay down their [my] life rather than swerve from the path of duty.”

The mission of the CHP is to provide the highest level of Safety, Service, and Security. ★

CHP Graduates Pave the Way for Future Applicants

CHP News Release

SACRAMENTO, CA (MPG) - The California Highway Patrol’s (CHP) 128 newest officers graduated from the CHP Academy in West Sacramento on Friday, June 10 after completing 27 weeks of training.

Cadets crossed the stage to receive their badge and assignment at one of the CHP’s 103 Area offices throughout the state, as family and friends packed the gymnasium in

support of the new officers. “Completing Academy training is a tremendous achievement,” said CHP Commissioner Amanda Ray. “These women and men are not just starting a new job, they are embarking on a lifelong career that requires extreme dedication and a passion for service.”

At the CHP Academy, cadet training starts with nobility in policing, leadership, professionalism and ethics, and cultural diversity. Cadets receive instruction on mental illness response

and crisis intervention techniques. The training covers vehicle patrol, crash investigation, first aid, and the apprehension of suspected violators, including drivers under the influence of alcohol or drugs. The cadets receive training in traffic control, report writing, recovery of stolen vehicles, assisting the motoring public, issuing citations, emergency scene management, and knowledge of the California vehicle code, penal code, and health and safety code.

The CHP’s newest officers join the ranks of the more than 6,700 uniformed personnel serving in communities throughout the state.

A new cadet class is scheduled to begin training at the CHP Academy on June 20. Another class of more than 100 cadets is expected to complete training and graduate in early August.

On Thursday, the CHP launched a multiyear recruiting campaign to fill 1,000 vacant officer positions by hiring qualified individuals from diverse

communities. For more information about the “Join the CHP 1,000” campaign, or to apply, visit <https://recruitment.chp.ca.gov/> or call the statewide Recruitment Unit at (916) 843-4300.

“Joining the CHP family is an opportunity to be the change and make a difference in the community and the lives of those we serve,” added Commissioner Ray.

Flights of Independence

Story and photos by Susan Maxwell Skinner

CARMICHAEL, CA (MPG) - Flips, fumbles – even a 24-hour missing eaglet alert – punctuated maiden flights for 2022 bald eaglet twins Phoenix and Flame. (Note: these names were coined by this observer. Scientific observers identify the two females hatched close to Sacramento as eaglets 12 and 13.)

Built in 2016, their parents' eyrie was considered the closest to Sacramento in recorded history. The fact that bald eagles were nesting in unaccustomed territory underscored a comeback for the species that was near extinction in the 1970s. The American River nest has since accommodated 13 babies.

Eaglets fledge at around 12 weeks after hatching. To reach adult size in less than three months, babies are fed nonstop. They must also be sheltered from cold and parching canyon heat and predators. This year, the parents routed a bobcat that climbed almost to nursery level.

Mama and papa worked in relays to deliver prey. The hatchlings were delicately beak-fed at first. Later, as eaglet instinct developed, beaks and talons tore at prey. Fish and waterfowl provided most of their nutrition. Older by at least four days, Phoenix was the first to scramble outside the nursery and begin the process of branching. Flapping and building flight muscle, she moved around the nesting tree.

One windy June morning, she ventured a jump; missed her footing and fell. A soft landing on bluff grasses prevented injury. But solid ground was a whole new deal. Tripping over clown-sized feet, Phoenix stomped about her new domain. She tumbled down a bank. Odds favored survival but achieving first flight from ground level seemed a big ask.

Phoenix found a low, horizontal branch. Leaping up, she gained two feet of height and paused to consider. Her papa watched from the nest. Fifty yards away, mama perched in another bluff pine. Phoenix flapped and flawlessly rose. In 50 yards, she gained 50 feet of elevation and landed (20 feet above her mama) in a tangle of talons and slapping wings. Here the

juvenile perched all day. A maiden flight is a leap of faith at the best of times; accidental fledging perhaps requires recovery time. One or both parents sat below her for most of her first day out of the nest.

A week later, sibling Flame's debut flight and unobserved landing was another drama. Volunteers combed creation for her. The eaglet's exit from the nest aimed for a distant bluff tree where sibling Phoenix was being fed. Flame belted to her goal; missed her landing; snatched at a limb and hung upside down before falling below the bluff. Then she disappeared. A day-long volunteer search in triple-digit heat could not locate the juvenile.

Disoriented fledgers are wise to lay low and stay silent. By daybreak, a recovered Flame ignited. I photographed her dusky profile in a waterside pine, not far from her botched landing. An oddity I'd observed during the previous day's search suddenly made sense: Flame's parents had alighted on a mid-river island and sat shoulder-to-shoulder for 30 minutes. Their perch was

in view of where Flame eventually materialized. At no point did her parents seem agitated. They evidently knew where she was and had faith in her return.

At dawn, the debutante beheld sister Phoenix awaiting a feed on the feeding branch that lured the previous day's fledge. Hungry and motivated, she launched a mile-long journey to gain

120 feet of height needed for breakfast approach. Her trajectory included crossing the American River. After resting on the opposite bank, Flame barreled back, wingtips slicing the dark mill pond. The juvenile landed brilliantly near papa on the feeding branch. Her sibling had already breakfasted and regained the eyrie.

Mama approached

with a second fish and the prodigal screamed welcome. By devils' ploy, the huntress wafted over the outraged tyke and baited the way home. Flame shot off in a piebald blur and soon slam-dunked the nursery. Her food-frenzy screams reached me from half a mile away.

Hindsight: For almost 24 hours, fledgling Flame was merely

invisible to the searchers. Nature cloaked her. Wariness kept her silent. Vigilant parents kept her in sight. Instinct guided her flawless homecoming strategy. She was never lost. It's we who were lost without her.

Thanks to everyone who searched, prayed, and became even more aware that this American River family is part of our hearts. ★

SACRAMENTO, CA (MPG)

-Assemblyman Ken Cooley (D-Rancho Cordova) was honored to receive the 2022 Scales of Justice award presented by the California Judges Association.

The California Judges Association was established in 1929 and is the professional association representing the interests of the judiciary of the State of California.

Members include judges of the Superior Courts and Courts of Appeal, Commissioners of State courts and State Bar Court judges.

“It is quite an honor - a high point of my legal career,” said Assemblyman Ken Cooley.

The “Scales of Justice Award” is given to a select few legislators in recognition of their contribution to the courts and the people they serve.

“Early in my career

- another judge, U.S. Supreme Court Justice Anthony M. Kennedy - sent me a letter that has shaped my view of public service since 2003. It said ‘Congratulations to you and all of your colleagues for working to reinvigorate the principle of participatory democracy. Self-government must not be an abstract ideal, but must be a reality, and we must be unceasing in our efforts to make it more effective and respected by our people’. This was a private letter from US Supreme Court Justice Anthony M. Kennedy (who taught constitutional law at McGeorge School of Law in the 1980’s) to me dated June 18, 2003, in anticipation of the founding of the City of Rancho Cordova on July 1, 2003,” said Assemblyman Ken Cooley.

Assemblyman Ken Cooley represents the communities of Arden-Arcade, Carmichael, Citrus Heights, Rancho Cordova, Rancho Murietta, Rosemont, Wilton and other portions of unincorporated Sacramento County. For more information, please visit <http://asmdc.org/members/a08/>★

Big Pharma Approves mRNA COVID Shots in Babies

Liberty Council Press Release

WASHINGTON, D.C. (MPG) - On June 17, 2022, the U.S. Food and Drug Administration (FDA) granted emergency use authorization (EUA) for mRNA COVID shots to be injected into babies as young as six months of age. All this despite the evidence that these shots are not safe or effective for babies and toddlers. Nor are they necessary for this young age.

For the Moderna COVID-19 injection, the FDA amended the EUA to include use of the vaccine in individuals 6 months through 17 years of age. The vaccine had been authorized for use in adults 18 years of age and older. For the Pfizer-BioNTech COVID-19 Vaccine, the FDA amended the EUA to include use of the vaccine in individuals 6 months through 4 years of age. The vaccine had been authorized for use in individuals 5 years of age and older.

The announcement came just two days after the FDA Vaccines and Related Biological Products Advisory Committee voted unanimously to recommend that the agency authorize the mRNA COVID injections for children under five years of age and as young as six months. Previously, only children five years of age and older were allowed to get jabbed, and only with the Pfizer injection, while people 18 years of age and older were allowed to take Moderna. Now, infants can have their DNA permanently destroyed with either brand, thanks to the FDA.

Then on June 18, the Centers for Disease Control and Prevention (CDC) Director Rochelle P. Walensky, endorsed the Advisory Committee on Immunization Practices’ recommendation that all children six months through five years of age should receive a COVID-19 shot.

Research shows that there is no benefit

to children receiving a COVID shot and the injections can cause potential harm, adverse effects and death. According to Pfizer’s own study trial data, the chance of death in children from the shot is 107 times higher than death from COVID.

In addition, an analysis by two Israeli researchers shows that at least 58 life-threatening adverse events from the shots in infants and toddlers under three years old were reported to VAERS. The most common serious adverse events were life-threatening bleeding, anaphylactic shock, anticholinergic syndrome, encephalitis, hypoglycemia, and neuroleptic syndrome. In most of the reported cases, these children had multiple injuries. During the analysis, cases were removed in which it was stated that the exposure to the COVID shot was through breastfeeding.

The FDA’s briefing document released before the FDA’s committee meeting last week claimed that the vaccine efficacy in children under five years is 80.3 percent. However, even though the study to “determine” this included 1,678 children who received three doses of the formulation, the stated 80.3 percent efficacy claim is based only on “10 symptomatic COVID-19 cases identified from seven days after the third dose and accrued as of April 29, 2022” (emphasis added).

A recent study also suggests that the effectiveness of COVID-19 shots in children is low in the beginning and wanes rapidly to statistical insignificance. Moreover, the data suggests that vaccine effectiveness in children actually becomes negative within several months after the second dose.

Liberty Counsel Founder and Chairman Mat Staver said, “There is no significant benefit and all risk to inject a baby with an experimental COVID shot. The FDA has discredited itself.” ★

Homeless Action Plan Passes

approximately 39% of families with children experiencing homelessness have a Black head of household. Additionally, local data reflecting persons identifying as American Indian/Alaskan Native are not accessing homeless services in proportion to the number of people believed to be experiencing homelessness from that community.

Through the County budget and the American Rescue Plan Act (ARPA) funding, the County has made significant investments in programs that align with these strategies. The LHAP will serve as the countywide strategic plan, reflecting the collective efforts of the County, City of Sacramento, the CoC and other collaborative partners.

What happens now?

With this approval, the Department of

Human Assistance (DHA) will submit an application for the County allocation of HHAP-3 funding on or before June 30, 2022. Notification of award is expected by Sept. 28, 2022. Efforts under HHAP are intended to be invested in evidence-based solutions that resolve or prevent homelessness and which align with the LHAP. The plan document will be updated over time with measurable action steps as County, CoC, and City investments are made and new projects and programs are implemented, including those funded under HHAP-3.

Stay Comfortable and Save Money

SMUD News Release

SACRAMENTO, CA (MPG) - As the mercury rises in Sacramento, residents are seeking ways to stay comfortable in their homes without breaking their budget. While SMUD customers enjoy some of the lowest rates in California, air conditioning needs can drive customer usage and bills during these hot summer months, so SMUD is offering tips on how to stay comfortable in your home while also saving money.

Summer rates start June 1, but it's easy to keep energy use in check without giving up cooling comfort. One of the easiest ways to save is to pay attention to when you are using energy. Energy rates are cheapest during off-peak hours before 5 p.m. and after 8 p.m. That means customers can save by minimizing energy use during the week between 5 p.m. to 8 p.m.

Another easy step is to prevent your home from heating up, which can reduce immediate cooling costs and help save on long-term costs from wear and tear on cooling equipment. SMUD has also partnered

with the Sacramento Tree Foundation to provide free trees to shade and cool your home.

SMUD has more energy-saving solutions on its website and offers additional tips to save:

- In the summer, use fans and close blinds on windows that get direct sun.
- Swap out light bulbs for LEDs.
- Change your air filter and clean your HVAC unit.
- Use a programmable/smart thermostat to help control HVAC use.
- For every 2 degrees that you turn up your thermostat, you can save 5-10 percent on cooling costs.
- Avoid using multiple large appliances at the same time, especially during peak hours.
- On hot days BBQ outside or use small cooking appliances like crock pots and microwaves to help keep your house cool.
- Customers can also get customized tips, manage their bills and set up alerts on the website. ★

Supreme Court Gives Business a 'Tort Wars' Win

By Dan Walters
CALMatters.org

"Tort wars" is the term Capitol insiders apply to the perennial political conflict over the rules governing personal injury lawsuits.

Lawyers who file such suits seek to expand opportunities for litigation, often in concert with other interests, such as unions and environmental activists.

Business and employer groups and their insurers resist such expansion and occasionally propose ways to reduce exposure.

The conflict plays out in the Legislature, in the courts and in ballot measures with countless billions of dollars at stake in outcomes. Earlier this year, a 44-year-long dispute over medical malpractice compensation was resolved in a compromise that averted a ballot measure battle.

However, there are many other fronts in tort wars, including one that resulted in a U.S. Supreme Court ruling last week.

In 2003, just four days after California voters decided to remove him from office, then-Gov. Gray Davis handed personal injury lawyers and unions a major victory by signing legislation called the Private Attorneys General Act (PAGA). It enabled workers who had disputes

with their employers to file class action lawsuits even if they had signed pre-employment agreements to submit such disputes to arbitration.

Advocates said it was needed to protect workers' rights and make up for the state labor department's inability to keep up with disputes over wages and other working conditions. Business and employer groups said it gave greedy lawyers a license to demand big settlements of cases and earn big contingency fees.

Ultimately, business interests spent millions of dollars to qualify a ballot measure that would gut PAGA. The initiative petitions have been submitted for signature-counting, but probably too late for the 2022 ballot. Most likely it will go to voters in 2024.

Meanwhile, a case challenging PAGA's provisions has been winding through state and federal courts and the U.S. Supreme Court last week declared that some important features are void because they conflict with the Federal Arbitration Act, which encourages civil disputes to be arbitrated rather than litigated.

The case involved Viking River Cruises and one of its employees, former sales representative Angie Moriana. Essentially, the Supreme Court declared that California's Supreme Court had erred in a previous PAGA case and state courts had applied that erroneous decision, involving the division of individual and class action complaints, to Moriana's case.

The decision was not unexpected, given the tenor

of oral arguments, but surprisingly did not reflect the court's much-discussed 6-3 ideological split. The vote was 8-1 with only the court's most conservative member, Clarence Thomas, fully dissenting, saying state issues should be left to state legislatures and courts.

Predictably, even a Supreme Court decision does not end the battle over PAGA because it was decided on technical legal points rather than the broader issue.

Unions, lawyers and their political allies immediately pledged to write new legislation to get around the Supreme Court decree. Sen. Dave Cortese, a San Jose Democrat who chairs the state Senate's labor committee, said the ruling "has provided a roadmap as to how we can create for employees a new pathway to legal standing as well as safeguard the protections that state law puts in place for our workers."

Because the Supreme Court did not strike down all of PAGA, the business coalition backing the ballot measure, dubbed the California Fair Pay and Employer Accountability Act, pledged to continue its campaign. "Even with the SCOTUS ruling on Viking River Cruises, PAGA will still be an avenue for shakedown claims against businesses where trial attorneys take a huge portion of the recovery, leaving employees with a reduced amount," it said.

Defendant Sentenced for Human Trafficking, Pimping/Pandering

Sac County DA News Release

SACRAMENTO COUNTY, CA (MPG) - The Honorable Ernest Sawtelle sentenced Johnnie Cokley to 55 years and eight months in prison.

On May 11, 2022, a jury convicted Cokley of assault with a deadly weapon, human trafficking, pimping, pandering, kidnapping, two counts of felony evasion and being a felon in possession of ammunition. The jury found true four allegations that Cokley caused

great bodily injury. An allegation that Cokley has a prior strike conviction for carjacking was also found true.

On March 22, 2020, a female with a life-threatening stab wound to her stomach appeared at a Sacramento Fire Department firehouse. The victim was transported to a hospital, where she reported to a sheriff's deputy that Johnnie Cokley had stabbed her. The victim later explained that she had been trafficked by Cokley for almost one year and was trying to get away

from him when she was stabbed. An arrest warrant was issued for Cokley. On April 9, 2020, detectives attempted to stop Cokley while he was driving his car. Cokley fled and sped through a residential area until he abandoned his car and fled on foot, evading arrest. Deputies located multiple boxes of firearm ammunition in Cokley's car. Two days later, Cokley was located again and fled from deputies by car. Cokley drove erratically onto the freeway before leaving that car in a community center parking lot and

fleeing on foot. Cokley was found in a nearby apartment complex and taken into custody.

A lengthy investigation uncovered contacts the victim and Cokley had with law enforcement in California and Phoenix, Arizona from June 2019 to March 2020, all related to prostitution. The Phoenix investigation revealed a surveillance video of Cokley beating the victim to the point of unconsciousness at a convenience store and leaving her there. This investigation helped to establish a timeline

of the relationship and Cokley was engaging in a continuing course of pimping, pandering and human trafficking over an extended period of time. The victim testified that Cokley stabbed her and that they had a pimp/prostitute relationship. She also testified that Cokley kidnapped her in a shopping center parking lot in an attempt to get her back under his control.

Cokley has prior convictions for vehicle theft, resisting officers, domestic violence and felon in possession of a firearm. ★

SACRAMENTO COUNTY, CA (MPG) - Deante Whitaker was convicted by a jury of the first-degree murder of George Kouklis. The jury also found true a use of deadly weapon allegation.

On August 24, 2019, Whitaker was driving on North 16th Street by Capitol Casino when the victim, a local homeless man, walked in front of his car. Whitaker stopped and the victim yelled at him. Whitaker then drove around the victim and proceeded

to drive around the block. When Whitaker saw the victim standing at the same intersection, he drove right into him. The victim was launched across several lanes of traffic, suffered blunt force trauma and died the next day. Whitaker was arrested a little over a week later after calling to report his license plates were stolen.

Whitaker faces a maximum of sentence of 26 years to life in prison. Sentencing is set for August 5, 2022, in Department 12 before the Honorable Maryanne Gilliard. ★

Defendant Sentenced for Child Sexual Assault

Sac County DA News Release

SACRAMENTO, CA (MPG) - The Honorable Laurel White sentenced David Belmares to 68 years to life in prison.

On April 29, 2022, a jury convicted David Belmares of 9 counts of child sexual assault and his brother, Jared Belmares, was convicted of 4 counts of child sexual assault.

A family member of the defendants operated a foster care and daycare out of her home. Over a period of years between 2011 – 2013, the defendants molested

children who were in the daycare. At the time of the abuse, the defendants were adults and the children were all under the age of 10 years old. Both defendants had previously molested several young girls who were in foster care at the home from 2008-2011, but information about the daycare abuse did not come to light until later disclosures by the children.

Jared Belmares faces a maximum sentence of 40 years in prison. He will be sentenced on July 15, 2022, at 9:00 a.m. in Department 33 before the Honorable Laurel White. ★

Defendant Convicted of Sexually Assaulting 4 Children in Daycare

Sac County DA News Release

SACRAMENTO COUNTY, CA (MPG) - Miguel Orozco pled to sexual

penetration or oral copulation of a child under 10 years of age and multiple counts of lewd and lascivious acts with a child under 14 years of age.

Orozco's girlfriend was running a daycare out of her apartment. Between 2006 and 2012, Orozco sexually assaulted four children he had access to through his

girlfriend's daycare. Two of the victims were 4 years old when the abuse started, the third victim was 5 years old and the fourth victim was 7 years old.

Orozco faces a maximum sentence of 22 years to life in prison. Sentencing is set for July 13, at 1:35 p.m. in Department 63 before the Honorable Carlton Davis. ★

You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 800-280-2832 for information regarding the trustee's sale or visit this internet website http://www.qualityloan.com, using the file number assigned to this foreclosure by the Trustee: CA-22-898813-JB. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the internet website. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT: You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call 800-280-2832, or visit this internet website http://www.qualityloan.com, using the file number assigned to this foreclosure by the Trustee: CA-22-898813-JB to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. The undersigned Trustee disclaims any liability for any incorrectness of the property address or other common designation, if any, shown herein. If no street address or other common designation is shown, directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale. If the sale is set aside for any reason, including if the Trustee is unable to convey title, the Purchaser at the sale shall be entitled only to a return of the monies paid to the Trustee. This shall be the Purchaser's sole and exclusive remedy. The purchaser shall have no further recourse against the Trustor, the Trustee, the Beneficiary, the Beneficiary's Agent, or the Beneficiary's Attorney. Skinner Band Bids Farewell

MPG Staff

CARMICHAEL, CA (MPG) - A band central to Carmichael Community life for more than 40 years will stage a final performance on July 16. Part of the summer concert series, the John Skinner Band show will farewell a Sacramento tradition.

The band's leader, trumpeter John Skinner, died unexpectedly in 2017. "Since then, we kept things going with another leader," explains Skinner's widow, singer Susan Skinner. "But the pandemic cancelled every job possibility for more than two years. We're satisfied to make July 16 our last hurrah. It'll be a happy celebration. I believe John would applaud going out with a big bang."

Over the decades, Skinner ensembles ranged from big band groups to seven-piece combos. With a playlist that included swing, Latin and rock 'n roll classics, dancing was a huge part of the Skinner tradition. "The July 16 agenda is to fill the park dance floor," says Susan Skinner. "We'll plan to accommodate everyone."

Hundreds of Sacramento musicians cut pro-teeth on Skinner gigs. The band will reach out to alumni to come with horns on the 16th. "In the final number, we'll invite all Skinner alumni on stage," says Susan Skinner. "It'll be a finale no one will forget."

"My husband's favorite gigs were weeks-long engagements at the State

Fair. And he loved Friday at Town and Country Village. Those nights had most of Sacramento dancing in the parking lot. California Governor Pete Wilson hired us for most State shindigs. His wife Gayle sometimes sat in with the band and she sang great. John was a Vietnam

veteran and he loved playing patriotic dates, like our July 4 concerts.

"We've performed in airport hangars, casinos, museums and railway yards. When Sacramento Tower Bridge was illuminated around 1990, we were hired to 'You Light Up My Life.'

We played countless weddings and family celebrations. John had fond memories of contracting bands for Bob Hope, Anne Murray, Natalie Cole and Luciano Pavarotti. But we loved public concerts best.

"The band was a staple for summer in Carmichael. John marked

our 40th season at the park with a \$400 dollar donation to the Park District. He played his last solo there at our 2017 concert, just days before he died. On July 16, our eight-piece band will include me and John's daughter, Kathryn. We Band members will represent around

200 years of Skinner Band history. John's guys were dear friends. We hope to see lots of them among our July 16 audience."

Skinner Band Concert downbeat is 6:30 PM. For more information, call 916 481-0334 or visit John Skinner Band on Facebook. ★

‘Speak on It,’ Mike Brown is ‘Here to Win’

Kings formally introduce new head coach

Story and photo by Shaun Holkko, sports editor

SACRAMENTO, CA (MPG) - Hours after parading through the streets of San Francisco to celebrate the Golden State Warriors’ fourth championship in eight years, Mike Brown was formally introduced Tuesday afternoon as the new coach of the Sacramento Kings.

Brown is the 20th head coach in Sacramento franchise history and the 12th since Rick Adelman departed the organization in 2006. Adelman is currently the only Sacramento coach to lead the team to a winning record. The Basketball Hall of Famer had a (.633) regular season winning percentage along with eight playoff appearances in eight years.

“I’m excited about being here,” Brown said at his introductory press conference. “The fan base is tremendous. I remember back in the day, them damn cowbells just use to ring in my ear and use to drive me crazy. I hope we get back to that point because now I’d love to hear them cowbells every game.”

“I’d be the first one raising the roof and telling everybody to get up and ring those things all day long. The fans, they’re extremely passionate, they’re knowledgeable and I’m just looking forward to being around them.”

Brown has been as an NBA head coach on three

separate occasions, with the Los Angeles Lakers (2011-12) and twice with the Cleveland Cavaliers (2005-10 & 13-14). In seven full seasons as the leading man, Brown has led his teams to the playoffs six times, without a single first round elimination. Brown was named the NBA Coach of the Year in 2009 after leading Cleveland to a 66-16 record and a trip to the Eastern Conference Finals.

“We conducted a very

robust, thorough, comprehensive process and we wanted to ensure that we

found the right coach,” said Kings general manager Monte McNair. “We

did a lot of research, and it came down to really three key things for us: experience, successful head coaching experience; relationships, the ability to build relationships across the organization; and leadership, as a head coach and leadership for everything that we’re trying to do here.”

During seven plus seasons as a head coach in the league, Brown has a winning record in both the regular season (.616) and playoffs (.566). The

52-year-old spent the last six seasons as an assistant coach with the Warriors, adding three rings to the one he earned as an assistant with the San Antonio Spurs in 2003.

“We gotta get one for the thumb, I only got four!” Brown said to a media member while pounding the table with a laugh and a smile.

Brown expressed three areas of focus as he enters his new role: 1. An alignment of trusts within the organization. 2. A set of values upheld by leadership. 3. An embracement of your role.

“I was brought here to bring some leadership in a lot of different areas,” Brown said. “I’ve been with a lot of different teams in my 30 years, and I’ve experienced what I believe is something that can get organizations over the top, not just in one year, but year in and year out, and that’s having a winning culture. Every organization out there in my opinion has a soul. A strong soul in my opinion equates to a winning culture.”

It’s well chronicled that the Kings’ active playoff drought is the longest in NBA history at 16 seasons. Some new coaches may try and avoid questions about it, but not Brown.

“There ain’t no elephant in the room, you can speak on it,” Brown said. “We’re going to embrace that. I’m not coming here to ‘have fun and be excited enjoying the area.’ I’m coming here to win!” ★
