Graduations Aplenty for Clan Desmond

Supervisor Rich Desmond, his wife Lisa (center) and three graduating daughters celebrate their blended family's academic success with a stroll on Carmichael's historic Palm Drive. 2021 Graduates are Alex Desmond (St Francis High School), left; Taylor Munion (Sonoma State University); Bailey Munion (Rio Americano).

Story and photos by Susan Maxwell Skinner

CARMICHAEL, CA (MPG) - With three matriculating daughters, graduation day 2021 came in triplicate for County Supervisor Rich Desmond and his wife Lisa. The couple blended families following their 2017 marriage and five young people now share their Carmichael Colony home.

The process has been an adjustment. "The biggest challenge was getting enough room for us to feel we all had our own space," mom Lisa Desmond says. "But everybody's happy. Rich and I refer to them all as 'our kids'. They get along great. All the siblings and step-siblings are celebrating our three graduations."

Desmond's eldest daughter and his wife's two girls recently donned robes. With studies focused on psychology and criminology, Taylor Munion (22) got *magna cum*

laude honors for her Sonoma State University degree. Alex Desmond (18) this week graduated from St Francis Catholic High School and Bailey Munion (17) was among 450-plus Rio Americano students who threw caps skyward. "There's been a lot of parties," reports mom Lisa. "Everyone's excited and nervous, but our girls are totally ready to move on to their next adventures."

An insurance professional, the District 3 first-spouse studied psychology at San Francisco State University. Her daughters were teenagers when she met Carmichael native Desmond. The CHP officer had attended Jesuit High before entering Santa Clara University and graduating from McGeorge Law School. He was serving at CHP commanding level when a sister played matchmaker for the two divorcees. "Rich was smart and funny," Lisa noted. "I could see how much he loved

his kids. That was huge for me. We immediately knew we cared for each other; we just had to figure out how to blend our families and make things work."

Post-nuptial transition was smoothed when this millennial Brady bunch purchased the rambling home Rich's parents bought in 1952 to accommodate nine kids. "It's enormous," approves Lisa. "We have five bedrooms and space for everyone." Situated near Ancil Hoffman Park, the three-acre Desmond compound also includes homes of Lisa's sisters-in-law, Janie Desmond Ison and Madeline Berghoff and their respective spouses. "We all love having family next door," says Lisa. "Rich and his siblings are each other's best friends. We're planning a big family party for all our graduates."

Though 2021 diplomas hang on the wall, clan Desmond is not quite done

Violent Criminals Get Less Consequences under New Proposal

By Nghia Nguyen, Office of Senator Jim Nielsen

SACRAMENTO, CA (MPG) - The Democrat majority of the Senate passed a measure requiring the courts to dismiss sentence enhancements, thereby, resulting in shorter jail or prison time for convicted criminals. Senate Bill 81 (Skinner) further removes the discretion of judges and provides them no guidance when evaluating whether an enhancement should be dismissed.

Some of these enhancements like the Three Strikes law have been placed into law by the votes of the people.

"By eliminating the enhancements, the Legislature is sending the message that it is ok to do multiple crimes without consequences," said Senator Jim Nielsen (R-Red Bluff). "The criminals understand this message well."

"This legislation emboldens the criminals and ignores the rights of victims and the rest of society."

According to the San Diego District Attorney, "Senate Bill 81 serves to mandate dismissal of sentencing enhancements imposed by the original sentencing judge for many offenders by creating a new opaque legal concept - a presumption of dismissal unless the prosecution shows by clear and convincing evidence that the dismissal of the enhancement would endanger public safety."

This bill would likely eliminate all property crime enhancements, as such crimes are deemed "non-violent."

For example, embezzling or defrauding a person of \$5,000 or embezzling and defrauding their entire \$500,000 life savings would essentially have the same penalty.

"This is completely unfair and unjust for both the victim and the community at large," said Senator Nielsen.

Senate Bill 81 received 27 yes votes. No Republican voted for this measure. It now moves to the Assembly for additional hearings.

Elected to the State Senate in January 2013, Senator Nielsen represents the Fourth Senate District, which includes the counties of Butte, Colusa, Glenn, Placer, Sacramento, Sutter, Tehama and Yuba. To contact Senator Jim Nielsen, please call him at 916-651-4004, or via email at senator.nielsen@senate.ca.gov. Follow him @CASenatorJim. ★

Hot Memorial Gathering Salutes Heroes

Story and photo by Susan Maxwell Skinner

CARMICHAEL, CA (MPG) - Vietnam War veterans and supporters stood firm as the mercury rose on Carmichael Memorial Day Observances last weekend. The community tradition continued on one of the hottest days recorded so far this year.

Previously an occasion for big crowds, 2021 observances observed ongoing assembly rules. Fewer than 40 supporters (including a Scout color guard) sweated out the service in 100-plus Fahrenheit degrees at Koobs Nature Area. Others watched a livestream on Facebook.

Iraq War Army veteran Matt Cecatto spoke on the value of war service. "We stand here remembering the young men from this community who died for us in a strange place," said the Purple heart recipient. "We extend our gratitude to everyone who has served. There is no greater, more selfless act. It's my solemn duty as a veteran - who came home - to ensure that

we don't forget any name of anyone who gave their life." Carmichael rock artist Todd Morgan led the gathering in the patriotic "America" and the Vietnam-era pop anthem "Wonderful World." Boy Scout Troop 386 bugler Edward Stach (15) played Taps. With the

ringing of a bell, the 15 heroes immortalized by a Koobs Nature area plaque were named. These young men attended Carmichael's La Sierra High School and died serving in the Vietnam War. They are: Robert D. Anderson, Mark W.

A Busy Playmakers Summer

Local Non-Profit Offers Free Inclusive Sports for At-Risk Kids

Story by Shaunna Boyd

SACRAMENTO REGION, CA (MPG) - The Playmakers Organization is a local non-profit that offers free inclusive sports events for at-risk kids, including foster kids and kids with developmental differences. "Today, inclusiveness is more important than ever," said Playmakers founder Greg Roeszler (Coach Roz). The Playmakers goal is to provide resources and support to families while giving kids the opportunity to participate in sports. Coach Roz said, "Team experiences help in their overall development, giving kids a sense of team and a sense of accountability."

All kids deserve the chance to participate, play, and thrive - but not all kids have the same opportunities. At-risk kids are already more likely to be living in a home without a father figure, and Coach Roz explained that the risk increases even more if the child has a disability. Living in a single-parent home comes with challenges that make it more difficult to participate in team sports.

Foster children also face barriers to team sports. Frequent moves to new homes and schools create a lack of stability, making it nearly impossible for them to continue with a team sport. And foster families often can't afford the high cost of traditional team sports, nor the commitment to multiple practices each week.

To bridge this gap in opportunity, The Playmakers Organization has a busy summer planned, with activities and events that will reach more than 2,000 kids and their families. The summer will begin with football camps in Buffalo,

New York; Omaha, Nebraska; and Orange City, Iowa. Here in the Sacramento Region, the Playmaker River City Fun Day cornhole tournament will

be held July 10 at River City Church, and The Harrison Phillips Man of the Year Golf Tournament will be held in Rancho Murieta on July

11-12. The Mike McGlinchey Playmaker Football Camp will be on July 17 at the Fremont School for the Deaf, and the Izzie Lueken Soccer Camp will

be held August 7 (location to be determined).

New this year, Playmakers is launching an All-Inclusive Sports league with weekly games. With a baseball season, football season, and basketball season, participants will be able to engage with sports year-round. The practice and game will be held on the same day, and kids can attend as often as they are able. Coach Roz explained that kids will be able to come whenever they can and they'll have a uniform, a coach, a referee, teammates, and "people cheering for them."

To reach the kids most in need, Playmakers is partnering with Autism Speaks; Big Brothers Big Sisters; and Defending the Cause Regional Alliance, which coordinates with foster agencies and advocates for children in the foster system.

Since Playmakers is designed to support kids and enrich their lives, Coach Roz wanted them to have a voice in the organization's direction. The Playmakers Children's Board of Directors gives kids a unique opportunity to learn leadership skills and responsibility. He says the most important thing for all children is to have someone "just communicate with them and develop a relationship with them."

The league and camps are completely free to kids and their families. As a non-profit, Playmakers depends on generous donations from the community, and there are always various opportunities for volunteers and sponsors.

with caps and robes. Future graduates include Richard Desmond III (16), who begins his Jesuit junior year in fall. The Supervisor's youngest, Lilly (13) will enter 8th grade at Our lady of Assumption. "Rich and I have pushed all our kids toward higher education," confirms Lisa. "They all know they have to go to

college. We also want them to follow their goals and be happy. We're fantastically proud of them all."

Beyond managing a house that bulges with grads and future grads, mom and dad have each other to support. "I work from home and Rich puts in long hours at his new job," says his wife. "He's always flying out to

meetings. We try to eat dinners as a family – it was easier when he was with CHP – it's not always possible now he's Supervisor. He still insists we make time for each other. We go on dates and take little vacations without the kids. If we don't stay connected and on the same page as a couple, nothing will work for anyone." ★

SACRAMENTO REGION, CA (MPG) - For the first time in two years, Sacramento-area Teachers of the Year were honored at a River Cats game on Sunday, May 23, at Sutter Health Park. The celebration did not happen last year due to the pandemic. As a result, this year's event had a larger than normal slate of 27 honorees being celebrated for both the 2019-2020 and 2020-2021 school years.

SchoolsFirst FCU is sponsoring the celebration. "We are proud to serve the educational community throughout the Sacramento region, and are grateful of these deserving teachers who work tirelessly to contribute to the foundation of our community and a student's future. We are especially appreciative of all they've done to teach and support students and their families during this most difficult year," said SchoolsFirst Federal Credit Union's President and CEO, Bill Cheney. "It is an honor to partner with the Sacramento County Office of Education and the Sacramento River Cats organization to celebrate these leaders in education."

The Teachers of the Year recognized included:

2019-2020 School Year

Jessica Kahn, K-5th Grade (Counseling Enriched Program), White Rock Elementary; **Diane M. Beeken Boyd**, English, Mesa Verde High School; **Svetlana Popov**, Mathematics, Rio Americano High School

2020 - 2021 School Year

Monica Burlando, 3rd Grade, Misson

Avenue Open Elementary School; **Vicky Warren**, 9th - 12th Grade (Health, Art), Casa Roble Fundamental High School

Honorees were treated to two tickets to the Sunday River Cats game, food vouchers, and special swag. They also received special recognition in the stadium during the game. In addition, four of the teachers that were selected as Sacramento County Teachers of the Year, were honored on the field in a special pre-game recognition, including Belinda Foster, Lynda Bettencourt, Gewon Richards, and Julie Fong.

"Teachers dedicate their lives to supporting and nurturing our children and deserve recognition. We are grateful to the Sacramento River Cats and SchoolsFirst Federal Credit Union for leading the way in celebrating our area's top teachers and helping more people better understand their essential role in our community," said David W. Gordon, Sacramento County Superintendent of Schools.

SchoolsFirst FCU, the largest credit union in the country focused on serving school employees, is dedicated to improving the financial lives of its Members and providing World-Class Member service. California State Board of Equalization Adopts \$126.8 Billion in Assessed Property Value

By Peter Kim, California State Board of Equalization

SACRAMENTO, CA (MPG) - The California State Board of Equalization (BOE) unanimously adopted the \$126.8 billion in assessed property values of 341 companies within California, which include telephone, gas, and electric companies, independent power producers, regulated railroads, and intercounty pipelines. In the upcoming fiscal year, schools and local communities statewide will receive a total of approximately \$1.99 billion in property tax revenue resulting from the Board exercising one of its core constitutional functions.

“The BOE’s critical role protects the tax dollars

schools and local communities depend on every day,” said BOE Chairman Antonio Vazquez. “On behalf of the entire Board, I commend BOE staff for their expertise and hard work as today’s action translates to funding teachers, public safety officials, parks, and roads across California.”

Whereas most property in California is assessed by the 58 County Assessors, the BOE serves as the “59th assessor” by directly assessing certain public utilities, regulated railroads, and intercounty pipelines throughout the state. Also, since these properties are not subject to Proposition 13, the BOE annually determines the market value or the “unitary value” of property that includes improvements, personal property, and land.

The BOE develops the fair market value by considering market conditions, use of and income generated by the property, replacement costs, investments in the property, regulatory climate, depreciation, and other factors as of the January 1 lien date.

For fiscal year 2021-22, there was a 6.7% increase in the total value from last year in the amount of \$7.9 billion which will generate approximately more than \$124 million additional tax dollars. County governments will use the values set by the BOE to levy the local property taxes.

The entire list of assessed property values and more information on the State-Assessed Properties Program is available on the BOE website. ★

COVID origin dissent 'suppressed' by intelligence community, House GOP report finds | 24 May 2021 | U.S. intelligence failures related to the COVID-19 global pandemic include suppression of dissenting views on the origin of the virus, a recent report by House Republicans on the intelligence oversight panel concluded. "We believe the [intelligence community] failed to properly support policymakers with timely products and analysis. Moreover, evidence shows that [its] failures continued in the pandemic's aftermath," the minority's report stated in the annex to a study that linked China's Wuhan Institute of Virology (WIV) to the pandemic's outbreak. "Specifically, Republican members are aware of allegations that [U.S. intelligence agencies] suppressed dissenting views related to the origins of the pandemic and that the community relied upon 'outside' experts with concerning yet undisclosed entanglements," the report said.

Leaked Documents Show Mystery Disease Outbreak at Wuhan Lab in 2019 - Report | 24 May 2021 | The Wall Street Journal (WSJ), citing an alleged previously undisclosed U.S. intelligence report Sunday, claimed three researchers working for the Wuhan Institute of Virology (WIV) were hospitalized with coronavirus-like symptoms in November 2019. Other anonymous sources in the WSJ report alleged the U.S. has quietly amassed even more evidence that supports the theory of the Chinese coronavirus originating at the Chinese virology lab. The virus began infecting people in Wuhan city in late 2019, multiple studies have concluded; no evidence exists of prior infections by the virus anywhere else before those identified in Wuhan.

9/11 Cover-up Director Appointed to Chair COVID Cover-up Group - Zelikow was the author of the Bush administration's 2002 National Security Strategy, which laid out the case for pre-emptive war, which was used to invade Iraq. | 25 May 2021 | Deep-state fixer and cover-upper Philip Zelikow, former Executive Director of the 9/11 Commission, will be chairing the COVID Commission Planning Group, according to the University of Virginia, whose Miller Center for Public Affairs will serve as the group's base to "help America and the world learn from this pandemic and safeguard against future threats." Zelikow's "non-partisan" group includes Event 201 participants, the Johns Hopkins Center for Health Security at the Bloomberg School of Public Health and it's being funded by Schmidt Futures, which is Eric Schmidt-Goolag-Alphabet-Bilderberg, the Skoll Foundation, which is the eBay FAANGster insider philanthropy group, the Rockefeller Foundation and Stand Together, which is Charles Koch's philanthropic organization. Zelikow's hope is that their work will feed into a future National COVID Commission.

Chinese Propaganda Outlet Paid Millions to American Newspapers and Magazines, Records Show - China Daily pays to place interviews with pro-China Quincy Institute scholar | 25 May 2021 | A news agency controlled by the Chinese Communist Party paid millions of dollars to American newspapers and magazines over the past six months, even as U.S. officials have sounded the alarm on Beijing's propaganda activities. China Daily paid more than 1.6 million for advertising campaigns in Time magazine, the Los Angeles Times, Financial Times, and Foreign Policy magazine, according to disclosures filed with the Justice Department. The Beijing-controlled news agency paid another 1 million to American newspapers, including the L.A. Times, Chicago Tribune, and Houston Chronicle, to print copies of its own publications.

San Jose shooter was on feds' radar in 2016, questioned about hatred of his job | 27 May 2021 | The suspected gunman who [allegedly] killed eight people and himself Wednesday at a transit rail yard in San Jose, California, was found to have harbored a hatred for his workplace when he was detained by federal officials several years ago. Upon returning from an August 2016 trip to the Philippines, Samuel Cassidy, 57, was found with books about terrorism and notes about how much he hated the Valley Transportation Authority, according to a Department of Homeland Security memo obtained by the Wall Street Journal. Customs and Border Protection officials reportedly found a black memo book "filled with lots of notes about how he hates the VTA." His baggage and electronic media were also inspected, the DHS memo said. ★

Newsom Paints Rosy, but Flawed, Economic Picture

By Dan Walters
CALMatters

There is a seamless connection between what Gavin Newsom is saying and doing as governor and his campaign to survive a recall, encapsulated in the slogan "California Comeback."

Newsom's much-revised state budget, unveiled this month, is centered on a "\$100 Billion California Comeback Plan" that would, he says, put the COVID-19 pandemic and its economic fallout in the rearview mirror.

Last week, when new employment data were released by the federal Bureau of Labor Statistics, Newsom immediately hailed them as proof that under his leadership, the state is booming again.

"California is continuing to lead the nation's economic recovery, adding 101,800 jobs in April — 38% of all the jobs created throughout the entire country," Newsom crowed. "Over the past three months, California has created 390,300 jobs. But we're not letting up; the California Comeback Plan is the biggest economic recovery package in the state's history and will provide historic investments in small businesses and workers to bring California roaring back."

A closer examination of the latest employment numbers, however, indicates that — as politicians are wont to do — Newsom is cherrypicking the most favorable economic indicator while ignoring others that are less positive.

One of the latter is the state's unemployment rate of 8.3% in April, unchanged from the March level despite the supposed surge in new jobs. It's still markedly higher than the national jobless rate of 6.1% and is the nation's second highest behind Hawaii's 8.5%.

California's unemployment rate had been the nation's third highest in March, but New York improved enough to displace California in April. Four states were tied for having the nation's lowest jobless rates of 2.8% in April. Arch-rival Texas was slightly higher than the national rate at 6.7%.

The data point cited by Newsom, that California added 101,800 jobs in April, 38% of the nation's job gains, is also somewhat iffy.

The California Center for Jobs & the Economy, a business-supported research organization, points out that the jobs number is a "seasonally adjusted" estimate, rather than a hard count, noting that the federal agency "so far has revised their adjustment formula three times in an effort to overlay seasonal factors to data that is overwhelmingly driven instead by the pandemic."

"The underlying unadjusted numbers instead show California gaining a stronger 151,500 nonfarm jobs, and the U.S. doing far better with a gain of

1,089,000," the center's analysis continued. "Using the adjusted data, California had 38% of the national jobs gain. Using the more relevant unadjusted, California had 14%. As of the April numbers, California has regained 48% of the non-farm jobs lost to the state shutdowns. The U.S. in total has regained 63%."

Newsom's Employment Development Department (EDD) simultaneously released its version of the federal jobs report, which demonstrated just how much ground California must regain to return to pre-pandemic levels.

EDD said that just 38,600 more Californians were employed in April than in March while 1.6 million remained unemployed — and that doesn't count those who have dropped out of the state's workforce.

The employment situation is especially daunting in Southern California. The Los Angeles region had the highest unemployment rate of any major U.S. metropolitan area in April at 11.7%, dragging down the state as a whole.

So, it would seem, California is recovering, bit by bit, the more than three million jobs lost when Newsom, under emergency decrees, closed large segments of the state's economy a year ago to battle the pandemic. However, we still have a very long way to go before he can legitimately claim a California Comeback.

The initial Annual Percentage Rate (APR) is currently 4.25% for a new Home Equity Line of Credit (HELOC), and is fixed for the first 5 years of the loan which is called the draw period. After the initial 5 year period, the APR can change once based on the value of an Index and Margin. The Index is the weekly average yield on U.S. Treasury Securities adjusted to a constant maturity of 10 years and the margin is 3.50%. The current APR for the repayment period is 5.125%. The maximum APR that can apply any time during your HELOC is 10%. A qualifying transaction consists of the following conditions: (1) the initial APR assumes a maximum HELOC of \$150,000, and a total maximum Loan-to-Value (LTV) of 70% including the new HELOC and any existing 1st Deed of Trust loan on your residence; (2) your residence securing the HELOC must be a single-family home that you occupy as your primary residence; (3) if the 1st Deed of Trust loan is with a lender other than El Dorado Savings Bank, that loan may not exceed \$200,000 and may not be a revolving line of credit. Additional property restrictions and requirements apply. All loans are subject to a current appraisal. Property insurance is required and flood insurance may be required. Rates, APR, terms and conditions are subject to change without notice. Other conditions apply. A \$25 early closure fee will be assessed if the line of credit is closed within three years from the date of opening. An annual fee of \$85 will be assessed on the first anniversary of the HELOC and annually thereafter during the draw period. Ask for a copy of our "Fixed Rate Home Equity Line of Credit Disclosure Notice" for additional important information. Other HELOC loans are available under different terms.

NOTICE OF PETITION TO ADMINISTER ESTATE
 NOTICE OF PETITION TO ADMINISTER ESTATE OF RONALD LESTER VAN SANT CASE No. 34-2021-00299599
 To all heirs, beneficiaries, creditors, and contingent creditors of and persons who may be otherwise interested in the will or estate, or both of Ronald Lester Van Sant, deceased A Petition for Probate has been filed by Toby J. Van Sant, in the Superior Court of California, County of Sacramento, requesting Toby J. Van Sant

be appointed as personal representative to administer the estate of the decedent. The petition requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court. The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the executor to take many actions without obtaining court approval. Before taking certain very important actions, however, the executor will be required to give notice to interested persons unless they have waived notice or have consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority. Dave Ramsey Says Fatal Collision on Manzanita Avenue

By A.J. McTaggart, California Highway Patrol

On May 27, 2021, at approximately 8:00 PM, North Sacramento CHP Area units were dispatched to a call of a collision that occurred in the area of Manzanita Avenue at Moldrow Drive. Upon arrival on scene, units discovered a 19-year-old male from Sacramento was riding a silver and blue bicycle on Manzanita Avenue northbound at Moldrow Drive. Witnesses at the scene of the collision said the bicyclist held on to the back of a pickup truck, reached speeds upward of 40 MPH, went off the right portion of the roadway, and

collided with a tree. The 19-year-old male was pronounced deceased at the scene of the collision by emergency medical personnel. The cause is still under investigation and alcohol and/or drug intoxication was not suspected of any of the drivers involved in the collision.

Any persons who may have witnessed this collision or who can provide any additional information should call Officer A.J. Being on the Same Page is Vital to your Family's Future

Dear Dave,
My wife and I are in our 20s, and together we make about \$80,000 a year. Our first baby is due in early 2022, so being debt-free has become a top priority in my mind. Right now, we have two cars. The one I drive is paid off and has a lot of miles on it, but it's in really good shape. We still owe \$30,000 on the other one, and the rest of our debt is about \$90,000 in student loans. My wife puts 40,000 miles a year on the other car traveling for work. I talked to her the other day about us moving down a little in car, but

she's particular about what she drives. I even found out she has her eye on a newer vehicle that costs about \$48,000. I don't know what to do. Can you help?

— Zach

Dear Zach

Okay, let's start slow. I'm glad you've seen the wisdom in getting control of your money and getting out of debt. That's the first step toward financial peace.

Now, where the car thing is concerned, there's not a chance in the world I'd do this. And honestly, I don't give a crap what your wife is particular about. You guys are broke! You're up to your eyeballs in debt, and now she's talking about buying a \$48,000 car — when you still owe \$30,000 on one — then putting 40,000 miles a year on it and destroying its value quicker than you can say “fast.”

This whole idea and attitude is dumber than a rock. Absolutely not! You may

have seen the light where your finances are concerned, but it sounds like your wife is still in the dark and needs to grow up some. You two should have a long, serious talk about things, and get on the same page financially — especially with a baby on the way. Your family's future depends on it.

I hope I wasn't unclear.

Understanding Hospice!

Toni King

Hello Toni:

As a certified case manager and critical care unit RN, I am advising adult children who are desperately seeking advice for their parents that are closing in on

end-of-life issues. Those that have serious health care issues should be offered every option for proper planning as end-of-life care...most appropriately... hospice!

Can you explain hospice for your readers as I am sure this will help those who are seeking answers for their frail loved ones and give the caregiver some well needed rest?

Thanks in Advance...Susan from Denver Susan:

HOSPICE ... is a subject no one wants to discuss to their elderly family member when they are ill but can seriously help a family when their loved one is terminally ill as the illness takes a toll on the caregiver and the patient.

Many people wait too long to begin hospice benefits and believe hospice is for the last days to help a person die peacefully. Many doctors and individuals wait too long to order and receive hospice.

Hospice can give hope along this journey with education, medication to manage symptoms, support to the patient and family, and counseling services for the patient, family members and care givers.

Health care professionals in the hospice system consist of physicians, nurses, social workers, spiritual counselors, certified nursing assistants and volunteers. A hospice provider comes to where the patient lives to provide the care.

In the Medicare & You handbook, it explains what hospice is in Medicare terms and what Medicare covers for hospice under Part A of Medicare. A doctor that orders hospice must certify that you are terminally ill and have 6 (six) months or less to live. When you agree to hospice care, you are agreeing to comfort care (palliative care) instead of care to cure your illness. You also must sign a statement

choosing hospice care instead of other Medicare-covered treatments for your terminal illness.

Hospice can be recertified every 6 months by a hospice medical director or hospice doctor if you are still terminally ill. Original Medicare will be billed for your hospice care.

Hospice will cover all medical care for the terminal illness and Medicare will pay for health problems that are not related to your terminal illness (co pays will apply). Medicare-certified hospice care is usually given in your home or other facility where you live, like a nursing home.

For those who are enrolled in a Medicare Advantage plan, when you are receiving hospice, the hospice benefit will be paid for by Original Medicare, not your Medicare Advantage plan. You will pay your co pay for any medical care that is not associated with the terminal illness.

Medicare costs under Hospice:

- You pay nothing for hospice care (Medicare pays)
- You pay a copayment of up to \$5 per prescription for outpatient prescription drugs for pain and symptom management.
- You pay 5% of the Medicare-approved amount for inpatient respite care.

You can choose to walk through this journey helpless or have control over your end-of-life plan of care. Know that hospice provides comfort, dignity, protection of your wishes, love, and support.

Talk with a geriatric case manager or geriatric doctor if you have some concerns or need some advice with your loved one's terminal healthcare issue.

Anyone for Pavilion Painting?

Boy Scout Troop 328 and friends volunteer for a painting job in Carmichael Park. Supervisors are Braden Bill (left) and Mike Rockenstein (right).

Story and photo by Susan Maxwell Skinner

CARMICHAEL, CA (MPG) - A few cans of paint and a half a dozen Boy Scouts were all it took to lick a Carmichael Park tennis pavilion into shape last weekend. The 11-year-olds – and siblings – worked toward citizenship merit badges that require at least eight hours of community work.

Supervised by assistant Scout Master Braden Bill and Carmichael Park Board Chair Michael Rockenstein, Carmichael's Troop 328 volunteers scamped up ladders and sloshed paint

around. The Scouts plan several more park maintenance projects to fulfill their requisite volunteer hours. Park District Administrator Mike Blondino later pronounced the spruced-up shelter to be "looking realty great."

Supervisor and dad Michael Rockenstein reported that the kids enjoyed the work. "Helping the park district is a great way for Scouts to receive service time," he said. "They love working with brushes and rollers. Their paint job was even, there were no spills and the boys cleaned up beautifully after the job."

The Exciting New World of Snap On Dentures!

There are millions of people...
 in the US who struggle daily with dentures. A majority suffer from discomfort as a result of loose or ill-fitting dentures. Many prosthetic wearers simply withdraw from any type of social engagement as a result of having to wear their dentures.

Whether you are new to dentures or have worn them for years, a snap on denture is a great solution to uncomfortable chewing and slippery painful dentures. There are several types of snap on dentures available, including snap on partials. If you already wear a conventional denture or partial denture, we can sometimes use your denture to accommodate the snaps to fit on your new dental implants.

If you are interested in learning more about improving your quality of life with an implant retained snap on denture or partial, please contact us for a **FREE CONSULTATION** today!

Now there is a solution to these issues: Implants with "Snap On" Dentures!
