City of Rancho Cordova News Release

RANCHO CORDOVA, CA (MPG) - Each year, City of Rancho Cordova employees raise funds for the city's Pride Scholarship program to support graduating seniors in our community as they move onto their next chapter. We are proud to announce this year's winners, Ayden Gregory and Sophia Trujillo, who were recognized on May 11, 2023, at Senior Awards Night at Cordova High School (CHS).

Ayden has been a Rancho Cordova resident nearly all of his life and has participated in a wide array of clubs and activities at CHS including a business academy class, orchestra, Track and Field and Cross Country. He also served over 100 community

hours in Key Club, where he served as Media Director, President and Vice President.

"Throughout not only my experience in Key Club, but through high school in general, I have developed a much larger desire to make a difference in my community and to be a helping hand for all kinds of people no matter what organization I am involved in," said Ayden.

In addition to his involvement at CHS, Ayden started his own photography business and photographs for the City of Rancho Cordova at local community events. He plans to continue his education at California Polytechnic State University, San Luis Obispo and eventually wants to work in the marketing industry.

Sophia is also a graduating senior

at CHS and is a leader both on and off the field. She is active in Student Government and served as the Associated Student Body (ASB) President and participates in the CHS Link Crew program which helps students in the freshman class transition into high school. Throughout all four years at CHS, Sophia has also played varsity soccer and recently won defensive player of the year in her league.

"We all know what it's like to be new at something. This is why I make it my duty now as a senior and the Associated Student Body President to instill confidence and insight onto the new students as they are thrust into this challenging environment, taking extra care to connect with them and

Sacramento County Led Workshop on Homelessness

Sacramento County News Release

SACRAMENTO COUNTY, CA (MPG) - On May 23, 2023, the Sacramento County Department of Homeless Services and Housing (DHS) led a workshop on homelessness at the Board of Supervisors meeting to educate and inform the Board, stakeholders, advocates and any interested residents of Sacramento County about the County's response to homelessness. The workshop included presentations by DHS, Regional Parks, Sheriff Homeless Outreach Team and the City of Sacramento, as well as input from critical agency partners Sacramento Steps Forward (SSF) and Sacramento Housing and Re-development Agency (SHRA).

DHS presented some vital information about the diversity of the homeless population, both in race and ethnicity, as well as age, gender, familial make-up, resources and chronic issues. The County also shared examples of various populations in a series of human-centric vignettes, designed to bring personal, humanizing stories that combat generalizations and harmful stereotypes. DHS also shared outcomes of County-funded programs from Fiscal Year 22/23, including encampment outreach, sheltering and rehousing services and programs.

DHS also acknowledged that while the road to homelessness is rarely a single issue, it often is a symptom of compounding issues such as unstable family life, lack of income, chronic health conditions, behavioral health challenges, involvement in the justice system, and many more. However, the only universal characteristic of people experiencing homelessness is that they lack a permanent home; therefore, to truly address the homelessness crisis, we need to increase access to and availability of safe and affordable housing wrapped with appropriate, client-centered supportive services.

While the Board has been increasing investments in diverse programs since 2017, the increase in homeless rates and the complexity of the challenges faced by the homeless population and the community necessitated the need for a singularly focused staff to work on this issue and to

Sacramento Suburban Kiwanis Club Hosts Arts Fiesta

By Thomas J. Sullivan

SACRAMENTO REGION, CA (MPG) - Don't miss the upcoming 65th Sacramento Suburban Kiwanis Art Fiesta in air-conditioned comfort at its new location at the Scottish Rite Masonic Center at 6151 H Street in the capital city on Saturday, June 10, from 10 am to 6 pm and Sunday, June 11, from 10 am to 5 pm.

Meet the artists, browse the fine art pieces, and purchase quality art for yourself, your family and friends. Jewelry, painting, photography, pottery, metal work, woodwork, glass, and fine textiles are just some of the styles you'll find on display.

Previously held outdoors at the Pavilions Shopping Center in Sacramento, where high June temperatures were often common, the Suburban Kiwanis Art Fiesta has moved to a new venue, and a different weekend this year, said its president, Caren Daniels Lagomarsino. Parking and admission for the event are free.

"We're very excited about our new location, which will be especially cool inside with plenty of space for our participating artists," she said.

The Sacramento Suburban Kiwanis Club, chartered in 1958, is a community service organization, dedicated to serving the Arden-Arcade community in Sacramento. Its annual Art Fiesta is the longest-running annual art show of its type located west of the Mississippi River. It's also a juried art show, which ensures that all artistic work presented is authentic, with genuine products and original creations.

"The Art Fiesta provides a wonderful opportunity to expose the whole family to local art while supporting these local artists and helping the Sac Suburban Kiwanis fund its many community and youth-assistance programs," Lagomarsino said.

setting at the Scottish Rite Masonic Center. Local food trucks and beverage vendors are slated for the event including Top Notch Food Spot, a hot dog cart, Zintzuni, offering Mexican cuisine; "Party at Pops", offering Southern-style cuisine and sellers of shaved ice and herbal-infused lemonade.

"We're tying the Kiwanis' mission into our event this year in a new way, by offering the non-profit partners with whom we work the opportunity to display information about their organizations and the many shared projects on which we jointly work," Lagomarsino said.

One of the Sacramento Suburban Kiwanis Club's newest non-profit partnerships is with the group Wide Open Walls, which promotes diversity through artistic expression. Participating mural artists have painted large scale

works throughout Sacramento including three in Citrus Heights.

"We think art should be part of our daily life and want art to reach a much wider audience," Lagomarsino said.

The Sacramento Suburban Kiwanis Club is part of Kiwanis International, a global organization of volunteers dedicated to improving the world, one child

and one community at a time.

The club supports four high school Key Clubs (El Camino Fundamental, Rio Americano, Mira Loma, and Rosemont) in Sacramento County. Key Clubs teach leadership, communication, and community service skills.

Kiwanis, and its family of clubs, nearly 600,000 members strong, help raise more than \$107

million annually and dedicates more than 18 million volunteer hours to strengthen communities and serve children.

Local nonprofits supported by the club include Kiwanis Family House, Boy Scout Troop #53, Sierra Arden Food Closet, the American Legion and Auxiliary Boys and Girls State, Wellspring Women's Center, Sacramento Crisis Nursery, Easter Seals and Just for Kids, a program for children who have an immediate family member diagnosed with cancer, just to name a few.

The Sacramento Suburban Kiwanis meets on the first and third Wednesday of the month at 12:10 pm at Seasons 52 at Arden Fair Mall in the Sonoma Room, 1689 Arden Way, Suite 1065 in Sacramento. If you would like to visit the Kiwanis for lunch, or need more information on membership, call 916-972-7337.

Members of every age attend regular meetings, experience fellowship, raise funds for various causes and participate in service projects that help their local communities.

Kiwanians around the world have come together in partnership with UNICEF to eliminate maternal and neonatal tetanus. Members make an impact throughout the world by participating in Kiwanis International's new global campaign for children, The Eliminate Project, which focuses on ending maternal/neonatal tetanus.

Visit www.kiwanis.org/foundation/impact-and-programs/the-eliminate-project to help Kiwanis finish the fight.

The free 65th Suburban Kiwanis Art Fiesta at the Scottish Rite Masonic Center at 6151 H Street in downtown Sacramento will be held Saturday, June 10, from 10 am to 6 pm and Sunday, June 11, from 10 am to 5 pm.

SacRT Awarded \$45 Million by FTA for New Light Rail Vehicles

SacRT News Release

SACRAMENTO, CA (MPG) - The Sacramento Regional Transit District (SacRT) was awarded on May 5, 2023, a \$45.1 million grant from the Federal Transit Administration (FTA) to support the purchase of 16 new light rail vehicles.

The grant through the FY22/23 Rail Vehicle Replacement Program, a new program created by the Bipartisan Infrastructure Law, will help SacRT towards the purchase of 16 new low-floor light rail vehicles from Siemens Mobility in south Sacramento. SacRT is one of six transit agencies nationwide and the only in FTA Region 9 to receive this grant. SacRT previously purchased 28 new low-floor light rail trains from Siemens Mobility and has a contract to order up to 76. Those vehicles are currently undergoing a testing process before they can be put into service early next year. With the order of an additional 16 new low-floor trains, SacRT will have 44 new low-floor vehicles, which is close to two-thirds of all the vehicles needed to operate on our light rail system.

SacRT has secured more than \$350 million for our Light Rail Modernization Project, which includes the purchase of new low-floor trains, modifications to station platforms and adding a passing track to provide 15-minute service to Folsom area stations.

"The Bipartisan Infrastructure Law is delivering federal dollars across the nation – and here in Sacramento our innovators at SacRT are ready to capitalize on its benefits for the community," said Congresswoman Doris Matsui (CA-07). "I was proud to fight for this infusion of federal funds that will replace 35-year-old light rail vehicles with new modern trains built right here in Sacramento by Siemens Mobility. This \$45 million grant is helping us build Sacramento's

future and will enable us to continue leading the way on sustainable, clean, and equitable public transportation."

"Sacramento Regional Transit is crucial for mobility in the Sacramento region, but the current light rail cars have reached the end of their useful life, said Congressman Ami Bera (CA-06). "I am proud to have helped secure funding through the Bipartisan Infrastructure Law for a new fleet of low-floor cars that will enhance the rider experience and make light rail accessible to all, including those with mobility restrictions, parents with strollers, and cyclists."

"As we celebrate SacRT's 50 years of service to the region—we can also look to the future," Senator Alex Padilla said. "I have been proud to support and see SacRT's efforts over the finish line to secure federal funding

for new, modern light rail cars. Today's grant announcement is a major investment in regional mobility, making light rail cleaner, safer, and more accessible for everyone."

"I want to thank Senator Padilla and Representatives Matsui and Bera for championing the Bipartisan Infrastructure Law that created this new grant program, said SacRT Board Chair and Sacramento County Supervisor Patrick Kennedy. "This significant funding award will help accelerate SacRT's light rail modernization program and puts us one step closer to replacing our aging light rail fleet with entirely new and modern, low-floor vehicles that will improve accessibility for all riders. These new vehicles are being built by Siemens, right here in Sacramento, so this is also a significant boost to the economic

prosperity of the region."

"We are very grateful to the Federal Transit Administration, FTA Administrator Nuria Fernandez and FTA Region 9 Administrator Ray Tellis for their extraordinary leadership for recognizing how important it is to replace our aging fleet of light rail vehicles," said SacRT General Manager/CEO Henry Li. "We also owe our gratitude to Senator Alex Padilla, Representative Doris Matsui and Representative Ami Bera for supporting this grant opportunity and SacRT in general. We are a stronger community because of the work they do on our behalf, and we will be even better when these new, modern low-floor light rail trains are in service early next year."

This new FTA funding along with other grant funding from the Sacramento Area of

Governments (SACOG) and the state is being used for the new purchase of 16 low-floor light rail trains.

At the end of April, the state of California awarded SacRT \$8.5 million in grant funding through the Transit and Intercity Rail Capital Program (TIRCP) to help support improved train technology, including real-time train arrival, passenger announcement system and more. Furthermore, this week the SACOG Transportation Committee approved their 2023 Regional Funding recommendations which include nearly \$6.5 million for SacRT's Light Rail vehicles replacements and \$5 million for station conversions to accommodate the new vehicles. New low-floor light rail trains are expected to be in service on the Gold line by summer 2024. Learn more at sacrt.com/modernization. ★

 deeply moved as she saw these women's reactions to themselves when looking in the mirror, it brought her to tears. She expressed that she was honored and full of gratitude to have contributed to these ladies feeling as vibrant on the outside as they still feel on the inside.

Often, in our society, as our youth fades, we may begin to feel invisible. To see the looks of joy and sparkle in the eyes of these strong, beautiful women who have lived such full lives brought tears to the eyes of those there to witness

the magical experience.

After being pampered, there was a professional photo session with local photographer, Rachelle Foster. Rachelle did a beautiful job of capturing treasured moments between mothers and daughters. She not only captured the outer beauty of our lovely ladies, but the inner beauty that shines through every day as well!

Here at Golden Pond, one of our main goals is facilitating meaningful moments in the lives of our residents. We care, we care a lot. It's kind of our thing! ★

SAFE Grants Support 'Farm to Wellness' Program for Veterans

SAFE Credit Union News Release

SACRAMENTO REGION, CA (MPG) - SAFE Credit Union is proud to once again support the creators of "farm to wellness" programs exclusively offered to veterans in the Sacramento region.

The credit union is awarding a \$10,000 grant to Rancho Cordova-based Soil Born Farms – providers of job training and therapeutic experiences for veterans at its 55-acre American River Ranch farm.

"Sacramento is rich in agricultural history and farm to fork practices. Our foundation at SAFE is rooted in supporting our military and veterans," says SAFE President and CEO Faye Nabhani. "It is amazing and rewarding for us to be able to substantively support both of these efforts with this grant."

SAFE annually awards Community Sustainability Grant Program grants to two nonprofits dedicated to impacting the lives of veterans in area communities. The credit union opened in 1940 as the Sacramento Air Depot Federal Credit Union, initially serving members of the military and their families.

The grant marks the second time the credit union has backed the veterans program and farm that fosters connections among food, health and the environment. SAFE is also awarding \$20,000 to Volunteers of America Northern California and Northern Nevada for its

program assisting homeless veterans.

Soil Born Farms Founder and Co-Director Shawn Harrison says the organization plans to use the funding to provide support for two veterans enrolled in the farm's Veteran Apprentice Program and to expand the organization's Veteran Field Days, where veterans are immersed in agricultural practices for the day.

Harrison says the grant from SAFE allows the nonprofit to conduct slower and more thoughtful programming with local veterans.

"The funding from SAFE Credit Union allows us to create a more gradual immersion into the farm experience for a diversity of veterans who may have little to no previous exposure to sustainable agriculture," says Harrison. "This will pay long-term dividends both for the health and wellbeing for our veterans, as well as improved food security for our community. If we can gain traction with this program, volunteer veteran farmers and gardeners will increasingly assist our

team in producing more nutritious food for people in our community."

Army veteran and Rancho Cordova resident Bryce Wilson, who served as a radio communications specialist from 2007-12, including two combat tours and one overseas training exercise with the Royal Thai Armed Forces, completed Soil Born Farm's apprenticeship program and now works there as a farmer.

"The apprenticeship program allowed me to rediscover the potential I had as a person, that I was more than a soldier," says Wilson who handles orchard maintenance and fruit production.

"It allowed me to grow as an individual and helped me to reintegrate back into the community."

The farm – which grows a diversity of vegetable, herbs, flowers, and tree fruit – also educates youth and adults about how to curate Sacramento's local food system while encouraging healthy lifestyles and nurturing the environment. Read more about Soil Born Farm's educational programs and marketplace here or at <https://soil-born.org/feed-people/online-marketplace/>.

SAFE annually awards up to \$120,000 in grants in four phases focusing on its three pillars of philanthropy: veterans, healthcare, and education. Click here, or <https://www.safecu.org/community/community-impact/funding>, for more information on SAFE Credit Union's grants program ★

How Will California Deal With Budget Deficits That Seem Here To Stay?

By Dan Walters, CALMatters.org

A little more than two weeks remain before the June 15 constitutional deadline for enacting a 2023-24 state budget.

It's as certain as anything in politics can be that the Legislature will pass something it calls a budget. If lawmakers missed the deadline, they could lose their paychecks.

It's equally certain that whatever they enact will not be the final plan for the 2023-24 fiscal year that begins July 1. Due to declines in revenue, the state faces not only a multi-billion-dollar deficit in the forthcoming year but the likelihood of continuing gaps for several years thereafter.

There is, moreover, neither consensus on the scope of the deficit nor agreement on how the governor and legislators respond. Meanwhile, those in the Capitol are besieged by pleas by those with stakes in the budget to protect their projects and programs and demands for even greater allocations.

When Gov. Gavin Newsom introduced his first version of the budget in January, he said the state had a \$22.5 billion deficit, and then increased the shortfall by another \$9 billion in the revised budget

proposal this month.

Immediately, however, the Legislature's budget analyst, Gabe Petek, told his bosses that it's really \$34.5 billion and, more ominously, declared that the state faces continuing deficits averaging \$18 billion for several more years.

It is, in the parlance of fiscal mavens, a "structural deficit," meaning it's baked into the state's finances regardless of underlying economic conditions. All of the competing versions of the state's fiscal situation also assume that California does not experience a recession in the near future.

Were a recession to strike, the deficits could grow by tens of billions of dollars because California's revenue system is dangerously dependent on taxing the incomes of the state's wealthiest residents, as Newsom's budget acknowledges.

"California's progressive tax system, where nearly half of all personal income tax in the state is paid by the top 1% of earners, has contributed to extreme budget volatility over the years," the May revision says. "Maintaining budget stability requires long-term planning in the face of these revenue fluctuations."

In light of that statement and Petek's rather gloomy long-term projections, will Newsom and the Legislature respond responsibly? Or will they take the easy way out, paper over the current deficit with creative bookkeeping and backdoor borrowing, and ignore the structural deficit until it becomes a crisis?

Newsom's budget is

essentially a short-term response, dipping the usual bag of fiscal tricks to produce a budget that would be balanced on paper – assuming his deficit estimate of \$31.5 billion is accurate.

Both Senate and the Assembly leaderships have adopted budget frameworks that purport to protect vital services but differ in approach. The Assembly's version would reshuffle appropriations while the Senate's would cover the gap by raising corporate income taxes, arguing that a tax hike would merely recapture money large corporations gained from the Trump-era federal tax overhaul.

Although Newsom immediately rejected a corporate tax increase, if the deficit is as wide and chronic as Petek projects, budget stakeholders will intensify their demands for tax increases of some kind.

In recent elections, California voters have rejected proposed increases in property taxes and personal income taxes on the wealthy. Newsom opposed the income tax increase, is now opposing the Senate's proposed corporate tax, and also has rejected periodic bills to impose a wealth tax.

"A wealth tax is not part of the conversation," Newsom said of this year's version. "Wealth taxes are going nowhere in California."

This year's budget dance will kick off a political tussle over spending and taxes that will likely continue for the remainder of Newsom's governorship.

Dan Walters has been a journalist for more than 60 years, spending all but a few of those years working for California newspapers. ★

DRAFT REMEDIAL ACTION PLAN FOR AEROJET AREA 49000 FOR REVIEW RANCHO CORDOVA, CALIFORNIA PUBLIC COMMENT PERIOD: JUNE 8, 2023 - JULY 13, 2023

WHAT IS BEING PROPOSED? A draft Remedial Action Plan (RAP) has been prepared for Aerojet Area 49000, located immediately west of Nimbus Road and south of Folsom Boulevard, in Rancho Cordova, California 95670 (Site). The Site is a 71-acre portion of the Aerojet Superfund Site. The Site was recently purchased by NorthPoint Development, LLC (NorthPoint). NorthPoint plans to construct a total of five (5) warehouses and four (4) stormwater detention basins for the proposed Rancho Cordova Logistics Center development.

The Site was previously investigated and remediated as part of the Perimeter Groundwater Operable Unit (PGOU) of the Aerojet Superfund Site. Land use restrictions were placed following remediation, including restrictions on groundwater use and requirements for soil vapor mitigation for new buildings if the Site was redeveloped in the future. The Department of Toxic Substances Control (DTSC) is the lead agency administering, executing, and enforcing the land use covenants (LUCs) that specify these restrictions.

This RAP proposes the LUC-required soil vapor mitigation for Buildings 1 and 2, the only buildings planned for construction at this time. Buildings 3, 4, and 5 are scheduled for possible construction later and not included in this RAP.

If approved, the DTSC would oversee the proposed remedial activities for soil vapor mitigation at Area 49000. We invite you to review and comment on the draft RAP, which describes the history and investigation of the Site, assesses different vapor mitigation methods, and recommends a specific course of action.

HOW DO I PARTICIPATE? DTSC will accept public comments on the draft RAP for the Area 49000 beginning June 8, 2023 - July 13, 2023. Please send all written comments to Susan Scudder, Project Manager at 8800 Cal Center Drive, Sacramento, California 95826; or via email to Susan.Scudder@dtsc.ca.gov. All comments must be received by July 13, 2023.

A virtual public meeting and hearing will be held via Zoom on Wednesday, June 28, 2023, starting at 6 pm. The meeting will include a presentation and question-and-answer session, followed by the public hearing. Public comments will be taken at the hearing and DTSC will respond to these comments in writing. To register, go to <https://tinyurl.com/283jv5hs>.

CALIFORNIA ENVIRONMENTAL QUALITY ACT: To evaluate potential environmental impacts from the RAP Cleanup we utilized the 2021 Easton Research Park West Initial Study/Mitigated Negative Declaration (IS/MND). DTSC will file a Notice of Determination (NOD) with the Office of Planning and Research/State Clearinghouse after RAP approval. The City of Rancho Cordova approved the Easton Research Park West Project and IS/MND on November 15, 2021 (State Clearinghouse Number 2021090544).

And Another Thing Could You Say Happy Memorial Day?

By Bob McGarvey

The ceremonies at our Memorial Day last Monday were honoring all Veterans and their families. Some of the Veterans of the Vietnam War were still here and were at the ceremony. Other Vietnam Veterans gave their lives to protect people in Vietnam. I hope some of you were able to come to our program at the Cordova Performing Arts Center and thank the Veterans for their bravery.

Could you say Happy Memorial Day? It is difficult for some people to stay happy on that day. Many people I have talked to seem to think that Memorial Day is only for somber thoughts or somber ceremonies. Actually you can get more than that because that day can be a time of joy in which we are thankful for the life we live today. That is provided by the sacrifices of generations of Veterans. We can take time to reflect on the men and women who gave it all for us. It can be a way to memorialize

this for yourself and your family as you thank the Veterans.

Other things are just beginning when you read this column. For example, there will be five movies you can see in The Village Green park this year because there are five Fridays in June. Hopefully, you can see some of them or maybe all of them. Another thing that will happen is everyone coming together in Rancho Cordova as we all celebrate 20 years as a city on July 1, 2023. Then July 3rd and 4th can be days of joy and celebrate with others in this country of the United States of America. Again it is a place in the world where people can appreciate what they have.

This is a smaller article than most, but there are some things that I need to do. I am happy about our 20 year birthday as a city, and enjoy and appreciate everything we have in our country.

From Bob McGarvey, God bless, and see you next time. ★

Sacramento County Led Workshop on Homelessness

be publicly accountable and accessible.

In late 2022, the Board created DSHS, which became official in January of 2023 and will assume most of the budget and programs from existing departments on July 1, 2023. Part of DSHS's mission as a newly created department is to increase the diversity and accountability of its programs and outcomes.

The goals for year one are to increase communication from the County both internally to County employees and externally to those living unsheltered, advocates, stakeholders, residents and business owners.

This includes increasing engagement in the community, both with those being served and those wanting more information about the department, the County and the overall work being done to address homelessness in the region.

DSHS is committed to sharing outcomes. Reporting out data on the number of people that have engaged with our programs and services, the number of people currently being served and results of those that have exited programs and services.

The County is also making a concerted effort to be better storytellers, both in sharing the successes of our clients and

programs, but also in our own journalistic reporting. While the County has historically relied on trusted reporting from its local media partners, the need for accuracy and consistency has never been greater. To this end, the County will use its own communication channels to their fullest extent and work to position County staff and trusted partners as the source of information, not the media. The County will also endeavor to not just share the wins and successes, but also the process and the lessons learned from shortfalls.

In conjunction with the workshop, the County and staff from the City of Sacramento also reported on the six-month status update of the City/County Partnership Agreement.

Homelessness is a Countywide issue that impacts everyone. Meaningfully addressing the various aspects of each person's homelessness requires creative collaboration and sustainable solutions. On June 7, staff will provide a more in-depth look at the funding surrounding homelessness Countywide. The County is investing more than ever in creating and managing diverse programs, dynamic partnerships and impactful solutions that will work towards the mission of ensuring homelessness is rare overall and brief when it occurs. ★

Jurassic World Live Tour Roars into Sacramento This Summer

News Release

SACRAMENTO, CA (MPG)

- Jurassic World Live Tour, an exhilarating and unpredictable live, family entertainment experience that brings the wonder and thrills of Jurassic World to generations of fans, will be roaring into Sacramento for the first time ever this summer playing Golden 1 Center for six action-packed performances from June 30-July 2, 2023.

With unrivaled arena production quality, Jurassic World comes to life against a backdrop of captivating scenery where dinosaurs from the iconic franchise, including fan-favorite Velociraptor Blue and a Tyrannosaurus rex more than 40 feet in length, take centre stage. The

production features more than 24 film-accurate, life-sized dinosaurs, with scale, speed and ferocity, operated by animatronics and performers. Fans of the popular Netflix animated series Jurassic World: Camp Cretaceous will also recognize Bumpy, the friendly and food motivated dinosaur, as she goes from baby to adult fairly quickly.

Jurassic World's unmistakable score combined with projection and practical scenery transforms the arena into the dense jungles of Isla Nublar, where real Gyrospheres roll through the valley and scientists work to unravel a corrupt plan and save anew dinosaur from a terrible fate. With pulse-pounding stunts and an original, authentic storyline, Jurassic World Live Tour is

guaranteed to make memories that will last another 65 million years.

Guests will be able to start the adventure early with a special Pre-show Experience included with all ticket purchases. By arriving one hour before showtime, audience members can see their favourite Jurassic World dinosaurs and vehicles up close and personal, including fun photo opps with Triceratops, Stegosaurus, Baby Bumpy, and the iconic Jurassic World Jeep and Gyrosphere.

Family friendly ticket pricing is available and can be purchased online at Ticketmaster.com or visit the venue box office during open hours on event days. *Ticket pricing is subject to change based on market demand. ★

The Goats Are Back... and Other Fire Prevention Measures

The Department of Regional Parks has lined up sheep and goat grazing for hundreds of acres of undeveloped lands which manned crews cannot access. Photo courtesy of Sacramento County

Sacramento County News Release

SACRAMENTO COUNTY, CA (MPG) - We've got some exciting news! The Sacramento County Department of Regional Parks has initiated its multi-pronged plan to reduce fire risk, defend wildlife habitats and protect our natural resources and the neighborhoods adjacent to the parks.

For its 2023 Fire Fuel Reduction Action Plan, the Department of Regional Parks has lined up sheep and goat grazing contracts, is utilizing maintenance crews to maintain fire breaks, and is issuing fuel break maintenance permits to properties bordering Park properties.

"We're seeing more vegetation than we have in past years thanks to the strong winter storms that passed through," said Liz Bellas, Director of Regional Parks. "Our fire fuel reduction work is going to be particularly critical this year as this vegetation dries out in the late spring."

To decrease the number and size potential of wildfires in our parks system, the techniques used will be applicable for each area and will include:

Firebreaks - A combination of mowing, soil discing and targeted herbicides will be used where appropriate to create perimeters around open fields, along fence lines and behind neighborhoods. This work is scheduled to be completed by the end of June.

Ladder Fuel Hand-Crews - In limited, hard-to-reach areas, hand-crews will remove vegetation that allows the potential for a fire to climb up or move into urban areas.

Grazing - There are hundreds of acres of undeveloped or protected land in our Regional Parks. Goats and sheep are ideal for vegetation management and are great at eating down weeds, bushes and grass that manned crews cannot get to. Grazing is expected to occur through the end of June.

Annual Encroachment Permits - Residents who live adjacent to Regional Parks' properties are able to apply for free annual encroachment permits to maintain a fire break behind their property line. These allow residents to string-trim grass and weeds for up to 50 feet beyond their private property line. To request a permit, provide your name, address and contact information to Regional Parks at park-sinfo@SacCounty.gov.

Additionally, the Ranger Division will continue its increased education and enforcement efforts related to illegal fires and cooking along the parkway in an effort to reduce the number of new fire outbreaks.

Visitors to Sacramento County Regional Parks should be aware of the following regulations:

Open flame fires are NOT allowed, and barbecuing is only permitted in designated picnic areas.

Smoking is only allowed in developed picnic areas, asphalt surfaces, golf courses and levee tops along the American River Parkway.

Visit the Regional Parks website to learn more about the 2023 Fire Fuel Reduction Action Plan for Sacramento County Parks. If you see a fire burning in our Regional Parks, please call 9-1-1. ★

12 Cordova Athletes to Perform at the College Level!

Cordova's 2023 graduating athletes heading off to play in college. Left to right: Stephen Nefsky, Maile Ford, Mariah Hopkins, Eden Leiana Hobart, Kevin Lewis, Alyssa Soliven, Kaeli Savorn and Cassidy Seifert. Not pictured: Louis Griffin, Ayden Gregory, Matt Gardner and Eli Campbell.

Story and photo by Rick Sloan

RANCHO CORDOVA, CA (MPG) - This is always a very proud moment. I sometimes follow athletes for their entire four years of high school. When it comes down to the end of their high school sports it's such a privilege to see them heading off to college and continuing their athletic

endeavors. Each of these individuals has performed at the highest level during their time at Cordova High and their achievements have brought great honor to their school, families, coaches, teammates, faculty, alumni and Lancer fans.

This year we have 12 students that have chosen colleges nationwide. This year's college bound athletes are Kaeli

Savorn: American River College Volleyball "Beavers", Stephen Nefsky: William Jessup Golf "Warriors", Cassidy Seifert: Longwood University (Virginia) Softball "Lancers", Eden Leiana Hobart: Consumnes River College Softball, "Hawks", Mariah Hopkins: Dominican University Softball "Penguins", Kevin Lewis: Crown College (Minnesota) Football "Polars",

Maile Ford: William Jessup Soccer "Warriors", Alyssa Soliven: Folsom Lake College Softball "Falcons", Louis Griffin: Feather River College Basketball "Golden Eagles", Ayden Gregory: Cal Poly Cross Country "Mustangs", Matt Gardner: Cal Poly Cross Country "Mustangs", and Eli Campbell: Sacramento City College Baseball "Panthers".

Congratulations to these gifted athletes, students, young men and women. I look forward to photographing you once again as you're inducted into the Rancho Cordova Sports Hall of Fame. Good Luck - Make Us Proud.
