RANCHO CORDOVA, CA (MPG) - The 4th Annual Rancho Cordova Arts Members Exhibit opened at the MACC on Thursday, June 2. The show runs through Saturday, June 18 with 110 pieces by 69 artists. Juror for this show was Natalie Nelson, art director at the Pence Gallery in Davis. "She was blown away," said Cheryl Gleason, MACC Event Coordinator and Curator, "She said it was great to see such a variety of

art, it was so excellent to meet, by looking at your names, new artists that she was completely and utterly unfamiliar with. And I said, 'Well, welcome to Rancho.'"

Gleason revealed the winners and handed out ribbons at the reception on the evening of June 3, in four categories: youth, 2-dimensional, 3-dimensional, and mixed media. Chris Biddle, a new member of Rancho Cordova Arts, took Best of Show for his work titled EL1601 - Edge Lit Acrylic Night Light. Youth

County's Response to Homelessness

Sac County News Release

SACRAMENTO COUNTY, CA (MPG) - Sacramento County is actively engaged in multiple strategies to provide services that unhoused residents need to transition into safe, stable housing.

In Fiscal Year 2021/2022 alone, we have invested nearly \$50 million in homeless specific programs, services, shelter, re-housing and data infrastructure to serve our community, with funding from the American Rescue Plan Act (ARPA), the Mental Health Services Act (MHSA) and the County's General Fund, among others.

Notable projects this year include:

Safe Stay community developments - providing on-site services, security and re-housing to move people from unsheltered homelessness into housing and other supportive services while providing much needed respite to the neighborhoods through a reduction in trash, tents, violence and blight.

Encampment Service teams: Comprised of Outreach navigators, re-housing staff and clinical staff to

provide behavioral health assessments and referrals for those living in encampments.

Additional investment of the construction of Marisol Village - an affordable housing project slated to add an additional 116 units to the final project.

Invested three years of funding to greatly expand Coordinated Access (CAS), a powerful

collaboration designed to ensure that homeless persons and persons at risk of homelessness are matched, as quickly as possible, with the services that will most effectively end their homelessness. This funding provides for increased coverage at 211, and new field-based staff to assist households into crisis support services and rehousing.

Landlord Engagement and Re-Housing Supports: conducting outreach and educational events to recruit landlords and expand the availability of rental units; investment in incentives such as sign-on bonuses, move-in assistance, vacancy loss payments, etc. to support landlord retention; and increasing flexible

RANCHO CORDOVA, CA (MPG) - The opening of the Cordova Community Pool, as a body of water, at Hagan Community Park last year has already begun to affect the migration patterns of some very peculiar species. Latest of these creatures seeking Hagan's clear, blue waters were a school of mermaids sighted on May 20th-22nd.

The spectacle of beauty and splashing, which was previously identified as Mermaid Weekend in Sacramento, has each year coalesced into a larger amassing now known as The California Mermaid Convention. Those in Rancho Cordova who sought to observe and befriend their aquatic kindred were impressed to watch this deep-sea finned lineup and their offspring basking under

Cordova's warm sun.

The mermaids at Hagan rallied their support for The American River Parkway Foundation because of the importance this waterway has in providing a friendly, amphibious setting to enjoy, and also to educate terrestrials on environmental stewardship.

Drought Requires Changes

The new regulation bans irrigating turf at commercial, industrial, and institutional properties, such as grass in front of or next to large industrial or commercial buildings. Photo courtesy of Diana Ivanova | Dreamstime.com

California Water Boards News Release

SACRAMENTO, CA (MPG) - In response to Governor Gavin Newsom's March 28 Executive Order the State Water Resources Control Board adopted an emergency water conservation regulation that will ensure more aggressive conservation by local water agencies across the state.

The new regulation bans irrigating turf at commercial, industrial, and institutional properties, such as grass in front of or next to large industrial or commercial buildings. The ban does not include watering turf that is used for recreation or other community purposes, water used at residences or water to maintain trees. The regulation also requires all urban water suppliers to implement conservation actions under Level 2 of their Water Shortage Contingency Plans.

In March 2022, the state's urban retail water suppliers reported average water use statewide that was nearly 19% greater than in March 2020, lowering the state's cumulative water savings since July 2021 to 3.7%. On May 23, 2022, Governor Newsom convened leaders from the state's largest urban water suppliers imploring them to take more aggressive action to combat drought.

"The severity of this drought requires all Californians to save water in every possible way," said Joaquin Esquivel, chair of the State Water Board. "The regulation compels water systems and local authorities to implement a range of additional critical conservation measures as we enter the hot and dry summer months."

Level 2 water shortage contingency plans are meant to address up to a 20% shortage of water supplies. In addition to implementing Level 2 actions, the regulation requires urban water suppliers to fast-track supply and demand assessments to plan for potential

extended dry conditions.

Level 2 actions often include things such as: Limiting outdoor irrigation to certain days or hours; Increasing patrolling to identify water waste; Enforcing water-use prohibitions; Increasing communication about the importance of water conservation.

Some water suppliers already have imposed strong new restrictions on customers' water use in accordance with their drought management plans. However, about half of the state's 436 water suppliers (both urban water retailers and wholesalers) have not yet activated Level 2, and 36 have not submitted drought plans. The emergency regulation will require suppliers without drought plans to take certain conservation actions, such as conducting outreach to customers about conservation, restricting outdoor irrigation to two days a week and enforcing against wasteful water practices.

The approved regulation will be submitted to the Office of Administrative Law (OAL) for approval, which typically occurs within 10 calendar days. The ban on non-functional turf becomes effective upon OAL approval and the Level 2 requirements for urban water suppliers are proposed to take effect on June 10, 2022.

The regulation will give suppliers new options to reduce water waste if they choose to use them. A violation of the non-functional turf irrigation provision, for example, would be an infraction and subject to a fine of up to \$500.

People who see water waste should report it at savewater.ca.gov.

The State Water Board's mission is to preserve, enhance and restore the quality of California's water resources and drinking water for the protection of the environment, public health and all beneficial uses, and to ensure proper allocation and efficient use for present and future generations. ★

Tall Club Takes Friendship to New Heights

Over 50 active members of the Sacramento Tall Club celebrate the club's 40th anniversary posing for a group photograph at their recent annual member appreciation picnic at Hagan Park in Rancho Cordova along the Sacramento River. By Thomas J. Sullivan

SACRAMENTO REGION, CA (MPG) - For many of the over eighty members of the Sacramento Tall Club (STC), the year 2022 is a time to celebrate their 40th anniversary, with a fond look back, and an eye out to attract a new generation of younger members who may be looking for a new social outlet.

The Sacramento Tall Club is a social club for men 6'2" (and taller) and women 5'10" (and taller). STC, founded in 1982, is a member of Tall Clubs International (TCI), an international organization of Tall Clubs.

"We were in our 30s and 40s, just starting out in our professional careers, when STC was founded in the 1980s," said Harry Leman who handles social media and marketing for STC. Leman has been an STC member since 1989.

"As we have become older, we now want to encourage a new generation to meet other special tall friends."

"So, it's time for a reboot. We've launched "STC 2.0", putting the word out through social media that there's a social club for a new generation of the vertically gifted," Leman said.

While time and tech may have changed many aspects of the world around us since the 1980s, the physical challenges which often face tall people have not, he said.

"Whether we take a Lyft ride in a compact car with a small back seat, or struggle to find adequate leg room on most commercial airline flights, we've all been there," Leman said.

STC offers its members opportunities

to socialize with men and women who share a common physical attribute, being tall. Membership is also an opportunity for professional networking and new friendships from all walks of life, since being tall is all that we have in common, at first meeting. Leman said.

Photos of past STC events can be found on both their Facebook and Meetup pages. A calendar of upcoming events is posted on MeetUp, and prospective members are welcome to join STC members at any event.

"STC is open to both singles and couples. We're an active group of people who are tall and love getting together and having fun," said their president, Bob Huggett. "Anyone at least 21 years of age may join if they meet the club's height requirements."

"We host events which satisfy the variety of tastes and interests of our members. We try to have get-togethers at fun places such as bar and grills, interesting restaurants, night clubs, and whatever else we can think of that's likely to be fun and enjoyable," Huggett said.

"Without the height, we're just average people, and there's nothing really special about us. In the club, that's a common trait we have: We're all tall," Huggett said. "It costs nothing to attend your first event, look us up."

Call the Sacramento Tall Club at (916) 469-8255 to learn more about membership and social events or visit their web page at sacramentotallclub.org. Search Sacramento Tall Club 2.0 on Google to view a calendar of upcoming social events, Leman said. ★

And Another Thing

I learned when I was very young that music can be a feeling

collected in Davis. The district will employ additional surveillance's there and inspect to receive more positive tests in Sacramento and Yolo County. With the mosquitos coming out again, be sure you have pest prevention with you when you go out for the movies in the park this month for example. Other times are important too, but when you just sit there and watch the movie you are really quite a target for mosquitos.

On Sunday, June 4, 2022 at 3pm, the citizens of Rancho Cordova were able to go to a free concert at the Cordova High Performing Arts Center. The program was performed by the Symphony d'Oro Rancho Cordova. The music was truly beautiful, memorable, and it was a program I have never seen or heard before. It was called "Beethoven and The Beatles". What an unbelievable combination of different kinds of music. Ludwig van Beethoven was an extraordinary composer who was loved when he was alive, and after 250 years his music is still performed and enjoyed worldwide.

The Beatles music was rock music of course, but John, Paul, George, and Ringo composed and played music which was popular when it was new, but they composed music which

has been played around the world. For example, I remember hearing that music when it was played by the Boston Pops. All of the music we heard on June 4, 2022 was greatly received by the audience.

Pete Nowlen is our Symphony d'Oro Rancho Cordova Maestro who, after conducting the musicians, spoke to the audience at the end of the program about the music. Everything in the program was greatly appreciated and enjoyed. The Symphony o'Oro receives moral and financial support from both the city and the people of Rancho Cordova.

I learned when I was very young that music can be a feeling, and not necessarily something you can touch. My mother taught my sister and I about harmony. We learned how it sounds when we sang before either of us began going to school.

An American novelist, Sarah Dessen said, "Music is a total constant. That's why we have such a strong visceral connection to it, you know? Because a song take you back instantly to a moment, or a place, or even a person. No matter what else has changed in you or the world, that one song says the same, just like that moment." *From Bob McGarvey, God bless, and we'll see you next time.* ★

**City of Rancho Cordova, Planning Department
Notice of Intent to Adopt a
Mitigated Negative Declaration**

DATE: June 10, 2022
TO: Responsible Agencies, Interested Parties, and Organizations
SUBJECT: **SFPP Bradshaw Terminal Renewable Diesel and Bio By Rail Design Review and Non-Conforming Use Permit Project — CITY OF RANCHO CORDOVA, SACRAMENTO COUNTY**

The City of Rancho Cordova Planning Department (City) is the California Environmental Quality Act (CEQA) Lead Agency for the proposed SFPP Bradshaw Terminal Renewable By Rail Minor Design Review and Non-Conforming Use Permit Project (Proposed Project). The City has directed the preparation of an Initial Study (IS) Mitigated Negative Declaration (MND) in compliance with CEQA.

Project Location: The Project occurs within portions of the existing approximately 27.6-acre Bradshaw Terminal within APNs 068-0160-100 and 068-0160-099 located at the southeast corner of Folsom Boulevard and Bradshaw Road, in the City of Rancho Cordova.

The Project also occurs within portions of the existing Sacramento Regional Transit (SacRT) right of way within APNs 068-0160-001, 077-0010-001, and 077-0010-020 located south of and adjacent to Folsom Boulevard between Rautier Road and Bradshaw Road.

Project Description: SFPP, L.P. (SFPP), a subsidiary of Kinder Morgan, proposes to expand its Bradshaw Terminal to allow for renewable diesel (RD) and biodiesel operations. The SFPP Bradshaw Terminal Renewable By Rail Project (project) would include new rail infrastructure at Bradshaw Terminal and within the existing Sacramento Regional Transit (SacRT) and Union Pacific Railroad (UPRR) rail corridor. Within the existing rail corridor, a new rail runaround would be installed to spot approximately 22 railcars on SacRT right-of-way for railcar delivery purposes.

Within the Bradshaw Terminal, the project would have approximately 22 railcar storage/offload locations with rail spots dedicated for biodiesel and RD offloading. The rail system would be able to offload approximately 20,000 barrels per day (bpd) of total product to include 1,240 bpd of biodiesel. The Bradshaw Terminal would normally receive one (1) rail delivery per day, up to 5 days per week (M-F).

The project would also include a new 80,000-barrel (bb) RD storage tank and a new insulated biodiesel tank with approximately 15,000-bbl working capacity. Both tanks would be installed within the existing secondary containment area; however, the containment area would be modified slightly for the new volumes.

Additionally, the project would include a new two-lane truck blending and loading rack. The truck rack would be capable of blending biodiesel with CARB diesel or RD. Truck loading may take place up to 7 days per week. The project's proposed fuel throughput would result in 112 new truck loads per day, for 224 new truck trips per day.

Potentially Significant Environmental Impacts: Potentially significant impacts to biological resources, cultural resources, hazards/hazardous materials, tribal cultural resources, and mandatory findings of significance were identified in the Initial Study. All impacts would be reduced to a less than significant level with the implementation of identified mitigation measures.

Hazardous Waste Sites: Pursuant to Section 15087(c)(6) of the Guidelines for California Environmental Quality Act, the City of Rancho Cordova acknowledges the Project site is part of a designated hazardous waste site.

IS/MND Document Review and Availability: The public review and comment period for the Draft IS/MND will extend for 30 days starting June 10, 2022 and ending July 11, 2022. The Draft IS/MND can be viewed and/or downloaded at the following website: <https://www.cityofranchocordova.org/departments/community-development/planning/planning-division-document-library>

Comments/Questions: Comments and/or questions regarding the IS/MND may be directed to:

County's Response to Homelessness

Continued from page 1

rental subsidies to improve the efficacy of voucher and homeless housing subsidy programs.

Funding 60 beds through December 2024 to support the Parkway Navigation team, prioritizing those exiting the portion of the Parkway between Interstate 5 and Highway 160. The Salvation Army will provide 24/7 staffing, food, laundry, case management and re-housing supports, with an annual goal of rehousing 180 people who previously lived on the Parkway.

Mental Health Services Act (MHSA) Housing Program adding 60 units that provide a continuum of interventions including homelessness prevention, flexible housing funds, rapid rehousing, and permanent supportive housing for persons experiencing both homelessness and mental health issues. These units are on top of a recent \$27.3 million in No Place Like Home (NPLH) funding to build/renovate 137 additional dedicated apartments. Another \$9.5 million in NPLH funding is currently under State review to build an additional 37 dedicated apartments.

Additionally, working with our partners in all our cities is crucial to address the issue. Sacramento County and the City of Sacramento in particular must remain focused on addressing issues together, taking into account our responsibility to constituents, stakeholders and our homeless neighbors.

The County and City of Sacramento have collaborated for the past several years to identify and pursue opportunities to partner on projects that will serve the homeless population in the most efficient and effective way possible. While there are many good ideas to address the immediate and long-term needs around homelessness, not every project is feasible.

For example, the City and County were recently exploring a large site to

potentially purchase and renovate as shelter with on-site wrap around services for people experiencing homelessness. After careful consideration, the County decided not to pursue the project for multiple reasons, including the cost of the real estate, the limitations imposed by the property owner that would interfere with provision of critical services and the relatively small number of people who would be served for such a large investment. The County has multiple sheltering projects under consideration for a similar or lesser amount of funding that will serve greater numbers of people over the long term and result in permanent exits from homelessness.

Critical to our success is the ability to partner with the City of Sacramento – and the other six cities in our jurisdiction – but also weighing the benefits and drawbacks of every dollar spent with the end goal of reaching every person experiencing homelessness. The County is ready to support projects and programs that are aligned with evidence-based approaches to addressing homelessness.

Sacramento is facing an unprecedented crisis of homelessness in our community. This crisis cannot be pinpointed to one specific cause, rather a myriad of complicated issues including a housing affordability gap, the impacts of COVID-19 and the overwhelming need for mental health and drug and alcohol rehabilitation services.

The Point-in-Time count results will likely show a significant increase in unhoused residents in Sacramento County. Now more than ever, the County and cities can work side by side to address this crisis. Together we are stronger, more effective and more capable of success.

CASE NO. 34-2022-00318372

A Petition for Probate has been filed by Emily Calanchini, in the Superior Court of California, County of Sacramento, requesting Emily Calanchini be appointed as personal representatives to administer the estate of the decedent.

The petition requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.

The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the executor to take many actions without obtaining court approval. Before taking certain very important actions, however, the executor will be required to give notice to interested persons unless they have waived notice or have consented to the proposed action.) A hearing on the petition will be held in this court as follows August 23, 2022, 9:00 a.m. in Dept 129.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the deceased, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the executor to take many actions without obtaining court approval. Before taking certain very important actions, however, the executor will be required to give notice to interested persons unless they have waived notice or have consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A hearing on the petition will be held in this court as follows August 4, 2022, 9:00 a.m. in Dept 129. IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the deceased, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk. The name, address and telephone number of the Petitioner is: Zachariah R. Warnings to the Restrained Person

If you do not obey these orders, you can be arrested and charged with a crime. You may have to go to jail or prison, pay a fine of up to \$1,000, or both. Taking or hiding a child in violation of this order is subject to state and federal criminal penalties.

You cannot have guns, firearms, or ammunition. If the box in item 5a is checked, the court issued a temporary restraining order, which means you cannot own, have, possess, buy or try to buy, receive or try to receive, or otherwise get guns, other firearms, or ammunition while the order is in effect.

Service of order by mail. If the judge makes a restraining order at the hearing that has the same orders as in this form, you will get a copy of that order by mail at your last known address, which is written in item 2. If this address is not correct, or to find out if the orders were made permanent, contact the court.

Instruction for Law Enforcement

Applicable only if the box in item 5a is checked. Enforcing the restraining order. This order is effective when made. It is enforceable in all 50

states, the District of Columbia, all tribal lands, and all U.S. territories, commonwealths, and possessions and shall be enforced as if it were an order of that jurisdiction by any law enforcement agency that has received the order, is shown a copy of the order, or has verified its existence on the California Law Enforcement Telecommunications System (CLETS). If proof of service on the restrained person has not been received and the restrained person was not present at the court hearing, the law enforcement agency shall advise the restrained person of the terms of the order and then shall enforce it.

Conflicting orders Priorities for Enforcement.

If more than one restraining order has been issued protecting the protected person from the restrained person, the orders must be enforced in the following order (see Pen. Code, § 136.2

and Fam. Code, §§ 6383(h)(2), 6405(b)).

1. EPO: If one of the orders is an Emergency Protective Order (form EPO-001) and it is more restrictive than other restraining or protective orders, it has precedence in enforcement over all other orders.

2. No-Contact Order: If there is no EPO, a no-contact order that is included in a restraining or protective order has precedence in enforcement over any other restraining or protective order.

3. Criminal Order: If none of the orders includes a no-contact order, a domestic violence protective order issued in a criminal case takes precedence in enforcement over any conflicting civil court order. Any nonconflicting terms of the civil restraining order remain in effect and enforceable.

4. Family, Juvenile, or Civil Order: If more than one family, juvenile, or other civil restrain-

ing or protective order has been issued, the one that was issued last must be enforced.

Certificate of Compliance with VAWA for Temporary Orders

This temporary protective order meets all full faith and credit requirements of the Violence Against Women Act, 18 U.S.C. § 2265 (1994) (VAWA) upon notice of the restrained person.

This court has jurisdiction over the parties and the subject matter; the restrained person has been or will be afforded notice and a timely opportunity to be heard as provided by the laws of this jurisdiction. This order is valid and entitled to enforcement in all jurisdictions throughout the 50 United States, the District of Columbia, all tribal lands, and all U.S. territories, commonwealths, and possessions and shall be enforced as if it were an order of that jurisdiction.

Stay Comfortable and Save Money

SMUD News Release

SACRAMENTO, CA (MPG) - As the mercury rises in Sacramento, residents are seeking ways to stay comfortable in their homes without breaking their budget. While SMUD customers enjoy some of the lowest rates in California, air conditioning needs can drive customer usage and bills during these hot summer months, so SMUD is offering tips on how to stay comfortable in your home while also saving money.

Summer rates start June 1, but it's easy to keep energy use in check without giving up cooling comfort. One of the easiest ways to save is to pay attention to when you are using energy. Energy rates are cheapest during off-peak hours before 5 p.m. and after 8 p.m. That means customers can save by minimizing energy use during the week between 5 p.m. to 8 p.m.

Another easy step is to prevent your home from heating up, which can reduce immediate cooling costs and help save on long-term costs from wear and tear on cooling equipment. SMUD has also

partnered with the Sacramento Tree Foundation to provide free trees to shade and cool your home.

SMUD has more energy-saving solutions on its website and offers additional tips to save:

- In the summer, use fans and close blinds on windows that get direct sun.
- Swap out light bulbs for LEDs.
- Change your air filter and clean your HVAC unit.
- Use a programmable/smart thermostat to help control HVAC use.
- For every 2 degrees that you turn up your thermostat, you can save 5-10 percent on cooling costs.
- Avoid using multiple large appliances at the same time, especially during peak hours.
- On hot days BBQ outside or use small cooking appliances like crock pots and microwaves to help keep your house cool.
- Customers can also get customized tips, manage their bills and set up alerts on the website. ★
