## Grand Jury Releases New Status Review

Superior Court of  
California News Release

**SACRAMENTO COUNTY, CA (MPG)** - When required to respond to a Sacramento County Grand Jury report showing a less than robust record of leadership at the onset of the COVID-19 pandemic, the Grand Jury found that the Board of Supervisors has opted to dodge and deflect. But the Grand Jury's deep concern, plainly stated in that February 2022 report, continues.

In the Grand Jury's newly issued Status Review, it finds that the Board's responses to the Grand Jury report reflect the Board's continuing refusal to acknowledge or accept responsibility for any deficiencies of leadership, accountability or engagement at the outset of the 2020 countywide emergency.

The Grand Jury in its February 2022 report called out the Board for lack of oversight and leadership during the first five critical months of the COVID-19 pandemic. The Grand Jury conducted extensive research and interviews which found: 1) the Board of Supervisors handed off essential decision-making and CARES Act funding responsibility to its County Executive, or his designee; 2) the Board did not receive timely reports on allocation of CARES Act funds; 3) it failed to demand regular public updates on County pandemic activities; and 4) the Board failed to provide public forums to assess the vast array of needs and challenges faced by residents across Sacramento County.

The record of Board sessions speaks for itself: No actions were taken to publicly account for use of emergency funding, engaging with local residents and businesses, and even with its own agency heads, and is documented in the Grand Jury report.

It was this pattern of lack of leadership, engagement and oversight that was contained in the Grand Jury's report, and the basis of its findings and recommendations. The Grand Jury found that in the Board's response, it unfortunately cloaks itself in bureaucratic, misleading, and at times inaccurate statements.

The Board of Supervisors' position that there is 'nothing to see here' reflects the precise leadership and accountability deficiencies

## Sacramento County Recommended Budget Approved

By Kim Nava,  
Sacramento County

**SACRAMENTO COUNTY, CA (MPG)** - The Sacramento County Board of Supervisors voted unanimously on June 9 to approve the \$7.3 billion recommended budget for Fiscal Year (FY) 2022-23.

"Sacramento County's FY 2022-23 budget works to address many of the needs of our community and includes additional investments in programs and services related to homelessness, mental health, substance abuse and social services for some of the most vulnerable people among us, while maintaining vital and essential existing services," said District Five Supervisor and Board Chair Don Nottoli.

The \$7.3 billion budget consists of \$2.8 billion in Enterprise and Special Revenue Fund appropriations (utility rates, fees and other dedicated revenue), \$3.5 billion in General Fund appropriations (\$936 million in discretionary resources, \$1.1 billion in restricted funds, and the remaining \$1.4 billion with Federal, State and fee revenue dedicated to specific purposes), and \$1.1 billion in Restricted Funds.

"This approved budget reflects substantial investments in new and enhanced programs based on the Board's priorities and a survey of Sacramento residents," said County Executive Ann Edwards. "In addition to increased funding addressing

homelessness, social services and improving the condition of County roads, we were able to set aside more money in the County's 'rainy day' reserve funds."

The recommended budget recognized new or enhanced areas of growth, including annual commitments of: Addressing Homelessness – \$5.3 million to fund new programs and services addressing homelessness in the County; Road Pavement Rehabilitation Projects – \$20 million in one-time Net County Cost transferred from the General Fund to the Roads Fund to fund pavement maintenance and rehabilitation on roads throughout the unincorporated County. Substance Use Disorder Residential Treatment

– \$10 million for the Department of Health Services to procure an additional 156 beds annually for substance use disorder residential treatment; Crisis Stabilization Units – \$5 million for the Department of Health Services to establish a pool for behavioral health crisis stabilization units, which is a service the County is required to provide to Medi-Cal beneficiaries; Mental Health Services Act Full Service Partnership – \$7.5 million in MHSA and Federal match for the Department of Health Services to procure Full Service Partnership programming as a requirement in fulfilling a permanent supportive housing commitments; School-Based Mental

# Practice Fireworks Safety This Fourth of July Season

City of Rancho Cordova

**RANCHO CORDOVA, CA (MPG)** - The City of Rancho Cordova, RCPD and Sacramento Metro Fire District encourage residents to be safe when using fireworks this Fourth of July season.

The unsafe use of fireworks can have devastating effects, including fire-related property damage and severe injuries. And, with news of the drought, the risk of fire is extremely high.

A "social host" ordinance has been in effect since June 2021. Now, you could face up to a year in county jail and up to a \$1,000 fine for illegal fireworks that are used at your property or gathering.

Keep your loved ones and community safe by following key safety tips and know how to report illegal fireworks use.

**Fireworks 101:** All legal fireworks in California are called Safe and Sane Fireworks and must bear the State Fire Marshal's seal; Safe and Sane Fireworks may be sold only at licensed and permitted businesses from noon on June 28, 2022 through 10 PM on July 4, 2022; In Rancho Cordova, use of fireworks is allowed only between noon on June 28, 2022 through 10 PM on July 4, 2022, and only between 8 AM and 10 PM daily during this period; Fireworks that explode or leave the ground are illegal in California; It is illegal for anyone under 18 years of age to use fireworks, and it is also illegal to sell, give or deliver fireworks to anyone under 18; It is illegal to point or throw a firework into a crowd or at people; Fireworks are not allowed in any public park.

**Safety Tips:** Always have a bucket of water nearby to dispose of fireworks and leave in the water overnight before disposing; Always have a hose connected to water available in case of fire; Do not use fireworks near dry grass or other flammable materials. Mow your lawn more frequently to reduce fire hazards; Do not use fireworks while under a canopy, covered balcony, covered patio or under a tree or bushes; Never attempt to relight or "fix" fireworks; Pets can become frightened by the loud sounds of fireworks. Keep your pets indoors, or if you take a pet with you, keep him or her leashed and under your direct control at all times; Leave the fireworks to the pros! # Sacramento County to Launch First 'Safe Stay' Site

By Janna Haynes, Sacramento County

**SACRAMENTO COUNTY, CA (MPG)** - The Board of Supervisors approved Sacramento County's first proposed "Safe Stay Community" for persons experiencing homelessness. The new concept community will open at 8144 Florin Road, on the corner of Power Inn and Florin at the former site of a now razed grocery store. The site will house up to 100 Pallet sleeping cabins - both single and double occupancy, bathrooms, and communal gathering spaces. At any point in time, it can shelter up to 125 people.

The Board originally heard this item at its April 26 meeting but voted to delay the item six weeks to allow for more community outreach and engagement.

Safe stay communities are temporary shelter settings for unhoused community members. These communities are built as a safer and more sanitary environment and offer critical services oriented towards exiting to permanent housing. Each site will include 24/7 security, case management services, on-site power, sanitation and food services. The County will develop good neighbor policies for the operator and occupants.

"This is an important first step in implementing Safe Stay Communities throughout the County," said District 2 Supervisor, Patrick Kennedy. "This project will ensure people experiencing homelessness in the area

will be put in a stable environment and are connected to services to help get their lives in order. We are fully committed to making this and other Safe Stay Communities a success for our neighborhoods, business districts and our homeless neighbors."

Guests for every Safe Stay Community will be brought in from the immediate neighborhood, not only providing direct relief to the community, but providing local and dignified shelter in an area the guest is familiar with.

The County is concurrently standing up Encampment Services Teams who will connect people living unsheltered into the communities and are already providing deeper connections to County behavioral health services, connection to benefits like CalFresh, CalWorks, Medi-Cal, etc., linkages to longer-term shelters, and flexible funding to help support individuals' transition into permanent housing. Ultimately, all sites should be considered as a stepping stone to stabilize and support individuals on a pathway to permanent housing.

"It is vital that we get this right, both in terms of ensuring the surrounding community feels listened to, and to best serve our unsheltered constituents," said First District Supervisor Phil Serna who represents the north side of Florin Road in the area where the Safe Stay campus is proposed. "It is absolutely incumbent that the 'Safe Stay' campus be a great neighbor to nearby residents, businesses, educational campuses, and places of worship.

It's why that as the third vote to approve the county's first 'Safe Stay' site, I was insistent critical 'good neighbor' policy elements be adopted," said Supervisor Serna.

While homelessness can be successfully addressed by providing stable, affordable housing, combined with appropriate support services, this approach can take many years. Safe Stay Communities provide immediate safe and hygienic locations for persons experiencing homelessness to live and access services. The communities also provide a consistent location for service providers and outreach workers to engage on a more regular basis with occupants.

Additionally, some of the broader community benefits anticipated by having this safe space community include a reduction in trash and debris, the mitigation of environmental and health hazards, and the ability to restore land previously occupied by unsanctioned encampments to its intended use.

Work will begin on the site in the near future, including the assembly of the cabins, followed by additional infrastructure, such as electricity and sewer, through the summer/fall - we anticipate moving guests sometime in November if there are no delays. For more information on Safe Stay Communities, read our "Safe Stay Community FAQs."

# Former Shell Gas Station Manager Overwhelmed by Support

By Patrick Larenas

**RANCHO CORDOVA, CA (MPG)** - On Monday, June 13, Rancho Cordova Shell gas station manager John Szczecina made national news when he accidentally set premium gas to sell for 69 cents a gallon and was subsequently fired for the loss of \$16,000 incurred to the business in a span of 3 hours.

Later that week, Szczecina's sister, Paula Jackson, tried to make things right by setting up a GoFundMe campaign after considering the possibility that not only could the mistake cause John his job, but also that he might be sued. "Please contribute," she wrote online, "even a few dollars per person could erase this huge deficit for

him which is a small deficit for all of US."

The business owners of the station located at Sunrise Boulevard and White Rock Road did not respond as to where the company stood on paying the amount back.

When donations over \$20,825 were raised for something most people took for an honest mistake, Szczecina became overwhelmed with so many sympathizing with his cause. "Wow, I am overwhelmed... I didn't think it would take off like a rocket like that," said Szczecina, "Thank you very much for helping me out."

As of June 20, the amount raised climbed to \$24,087 and donations to this fund are no longer accepted. ★

For details, read the County Executive's Budget Letter or view the budget documents on the Office of Budget and Debt Management website.

# 4th of July Reminder: Keep it Safe, Keep it Legal

By Janna Haynes, Sacramento County

SACRAMENTO COUNTY, CA (MPG) - With Independence Day coming up, please remember to know the risks of fireworks, only use legal fireworks and stay safe when using. If you see or suspect illegal firework usage, please report it! See reporting contact information below.

The County has teamed up with our cities, fire and law enforcement jurisdictions to educate our community members on how to celebrate safely, how to spot a safe and sane firework and how to report illegal fireworks usage. In addition, many jurisdictions are enforcing stricter penalties this year for illegal fireworks usage.

Sacramento County Board of Supervisors adopted a social host ordinance that levies fines, starting at \$1,000, against property owners that either use or allow use of illegal fireworks on their property, in addition to fines for use in places like the American River Parkway. Read more about the Social Host Ordinance.

Calls for service throughout the County increase dramatically on July 4, and emergency response resources are stretched extremely thin. During the holiday weekend, please use 9-1-1 for emergencies only – like an active fire or injury or immediate threat to persons or property. Each jurisdiction has provided an alternative method to report illegal fireworks sale and usage.

Together, we can ensure that Independence Day celebrations are fun,

safe and do not cause undue injury or fire in our communities.

### Know the Risks

The unsafe use of fireworks can cause severe burns, amputations, blinding and even death; Damaging fires may occur when children use fireworks unsupervised by adults; Parents are responsible for any property damage or injuries caused by all fireworks.

The Report provides a roadmap toward improved County governance to better serve its residents. The Grand

# And Another Thing 'High Flight'

By Bob McGarvey

Virgin Galactic and SpaceX are two of the space craft which a couple of the today's billionaires have sent into space and back, with pretty wealthy civilians who pay \$200,000.00 or more to ride into space. They are able to see the earth with a beautiful view, and are weightless for a few minutes. I grew up with many other kids who used their imaginations. Back then, it was either only in your mind, or in a science fiction book or movie. We have now sent people to circle the moon, land on it, and then come back to earth. Now we've seen our thoughts from the past about going into space come true.

Apollo 11 was the spacecraft that first landed humans on the Moon. Commander Neil Armstrong and lunar module pilot Buzz Aldrin, both Americans, landed the Apollo Lunar Module Eagle on the Moon on July 20, 1969, at 20:17 UTC. It was almost unreal that something like that could happen. Landing a man on the moon in the 1960s was President John F. Kennedy's goal when he talked about what he believed our country could do.

As I have read about what has been done, and also read about what others have said about flying, I remembered a poem which was made by a very young aviator and poet John Gillespie Magee, Jr. He was an American who died as a result of a mid-air collision over Lincolnshire during World War II. He was serving in the Royal Canadian Air Force, which he joined before the United States officially entered the war. He is most famous for his poem "High Flight." He wrote it when he was 19 years old. He was also still 19 when he died in that mid-air collision.

In part of his poem, he wrote "The high un-trespassed sanctity of space... ." The sanctity of human life, the quality of deserving respect for life and the world in which we live, all seemed to come out of what that young aviator was saying. To me, that is what is missing in so many young people of today. They seem to miss the importance of life and the world in which they live in today. Here is "High Flight,"

"Oh! I have slipped the surly bonds of Earth

And danced the skies on laughter-silvered wings.

Sunward I've climbed, and joined the tumbling mirth

Of sun-split clouds, - and done a hundred things

You have not dreamed of - wheeled and soared and swung

High in the sunlit silence. Hov'ring there,

I've chased the shouting wind along, and flung

My eager craft through footless halls of air ...

Up, up the long, delirious burning blue I've topped the wind-swept heights with easy grace

Where never lark, or even eagle flew - And, while with silent, lifting mind I've trod

The high un-trespassed sanctity of space,

Put out my hand, and touched the face of God."

I wish that John Gillespie Magee, Jr. would have been able to live and see the Apollo and other programs of today.

From Bob McGarvey, *God bless, and we'll see you next time.* ★

## SUSAN BREMER • 10/24/1948 – 3/6/2022

Susan Louise Bremer was born to Ray Sannar and Melba Biles on October 24, 1948. Susan departed this earth on March 6, 2022, after a long battle with Covid. Susan married her soul mate, Frank G. Bremer, III February 3, 1968.

Frank preceded her in death but was always in her heart. Susan, or Gramma, as everyone called her, loved her friends, reading, history, gardening, boating, and most of all spoiling her grandchildren.

Gramma never missed any of her grandkids' sporting events. She was always ready to go on any adventure, especially if her grandkids were there. One of her favorite things to do was sleep on the top of the houseboat under the stars. Gramma was full of life and made friends everywhere she went. She was there for

anyone who needed her, no matter what the task. Gramma always told the truth, even if it was not what you wanted to hear. She was the strongest person I know. Gramma worked for many years as a dental assistant and loved working with her patients. In recent years she enjoyed her retirement by traveling all over watching Dan coach Ben's baseball teams. She also enjoyed

spending time with her good friends and reconnecting with old friends. Gramma's knowledge, wisdom and unconditional love will be greatly missed. "Love You More" Susan is survived by her children Russell Bremer, Stephanie Jacobson and Michelle Bowers, her sons-in-law Daniel Bowers and Kim Jacobson, daughter-in-law Angela Carson, grandchildren Frank Owen, Garrett Bremer, Lucas Bowers, Billy Cummings, Taylor Bremer, Danielle Bowers, Shania Bremer, Allison Jacobson and Benjamin Bowers and great grandchildren Isabella Bremer, Weston Reeves, Dallas Owen, Makenna Owen and Suzzanne Owen. She was preceded in death by her husband Frank G. Bremer, III, her mother, Melba Biles, her brother Bruce Sannar, her father Ray Sannar, and her niece Angel Sannar.

**RESOLUTION OF THE INTENTION TO LEVY ASSESSMENTS FOR FISCAL YEAR 2022/23, PRELIMINARILY APPROVING ENGINEER'S REPORT, AND PROVIDING FOR NOTICE OF HEARING FOR THE INDEPENDENCE AT MATHER LANDSCAPING AND LIGHTING ASSESSMENT DISTRICT**

WHEREAS, the Board of Directors of the Cordova Recreation and Park District (the "District"), acting as the legislative body of the Independence at Mather Landscaping and Lighting Assessment District, has previously ordered through Resolution 00-8 the formation of an assessment district pursuant to the provisions of the Landscaping and Lighting Act of 1972, known as the Independence at Mather Landscaping and Lighting Assessment District, for the purpose of financing certain park and recreational improvements, and for the purpose of funding maintenance operations of the District; and

WHEREAS, *Streets and Highways Code* sections 22622, 22623 and 22661 authorize the preparation of an Engineer's Report on an annual basis which shall describe any proposed new improvements or any substantial changes in existing improvements, set forth an estimate of the costs of any improvements and/or annual maintenance costs for the park and recreational improvements specified in the Engineer's Report, specify a diagram for the assessment district and specify the amount to be assessed upon various types of assessable lands within the assessment district; and

WHEREAS, an Engineer's Report for Fiscal Year 2022/23 as authorized by the Board of Directors has been presented to the Board of Directors for its consideration and approval, which Engineer's Report generally describes the general nature, location, and extent of the new improvements or any substantial changes in existing improvements, provides an estimate of the costs of any proposed new improvements or substantial changes in existing improvements and refurbishments, specifies the costs of maintenance of park and recreational improvements within the district, and sets forth a diagram for the assessment district; and

WHEREAS, the Board of Directors has adopted a Resolution approving and filing an Engineer's Report for Fiscal Year 2022/23 as required by *Streets and Highways Code* section 22623, which Engineer's Report sets forth plans and specifications for the improvements or any substantial changes in existing improvements, an estimate of the costs of these improvements, an estimate of the cost of maintenance with respect to such improvements, a diagram of the assessment district, and a description of the net amount to be assessed upon assessable lands within the assessment district which Engineer's Report is incorporated herein by this reference.

NOW, THEREFORE, BE IT RESOLVED that the Board of Directors hereby declares its intention to levy and collect assessments pursuant to *Streets and Highways Code* section 22624 as follows:

- a. The Board of Directors of the Cordova Recreation and Park District, acting as the Board of Directors of the Independence at Mather Landscaping and Lighting Assessment District, hereby adopts the Preliminary Engineer's Report dated June 15, 2022, and files said Engineer's Report with the Clerk of this Board as approved pursuant to the requirements of *California Streets and Highways Code* section 22623.
- b. Said assessments will be levied and collected within the boundaries of the Independence at Mather Landscaping and Lighting Assessment District, the boundaries of which are specifically described in the Engineer's Report. A full and detailed description of the boundaries of the Assessment District and the parcels of land within the district is contained within the approved Engineer's Report.
- c. The Board of Directors declares its intent to levy and collect assessments for the Fiscal Year 2022/23 within said district at an assessment rate of \$190.14 per year per single family residential parcel as set forth in the Engineer's Report. These assessments are based on the same formula as those levied in fiscal years 2000/01 through 2021/22. The total number of parcels projected to be assessed and an estimate of total annual assessment revenue are contained within the Engineer's Report.
- d. Ongoing maintenance, improvements and/or refurbishments within said assessment district to be funded by said assessments are detailed within the Engineer's Report which is incorporated herein by this reference.
- e. Reference is hereby made to the Engineer's Report which is on file with the Clerk of the Board for a complete description of the proposed improvements and maintenance to be undertaken in Fiscal Year 2022/23 and the cost thereof, and the proposed assessments upon assessable lots and parcels of land within the proposed assessment district.

# Defendant Convicted of Kidnapping, Three Sexual Assaults

Sac County DA News Release

**SACRAMENTO COUNTY, CA (MPG)** - Manuel Sicario was convicted by a jury of kidnap for the purpose of rape, assault with the intent to commit rape, sexual battery, attempted sexual battery, annoying or molesting a child and indecent exposure.

The jury also found true allegations that Sicario kidnapped the victim; the victim was particularly vulnerable; Sicario's crimes were carried out with planning, sophistication, and professionalism; and Sicario engaged in a violent conduct that indicates a serious danger to society.

On August 10, 2019, the 15-year-old victim was at Sutter's Landing when Sicario walked up next to her and began to masturbate. As Sicario masturbated, he pulled the victim towards him. The victim was able to pull away from him and flee. She did not call the police. On August 18, 2019, the second victim was at Sutter's Landing when Sicario came near her and began to strip down to his underwear. The victim was so uncomfortable with Sicario's behavior that she took a video of him. When the victim turned her back on Sicario, he immediately jumped on her.

Sicario straddled the victim and tried to grope her. The victim was able to throw Sicario off of her, run away and call 911. The third victim was jogging on the bike path at Sutter's Landing when she encountered Sicario standing on the bike path. When she tried to pass him, Sicario grabbed her, dragged her down the bike path and took her under the I-80 overpass. Sicario threw the victim to the ground exposed himself. He then held one of the victim's hands down as he pulled her clothes to expose her body. The victim tried to fight off Sicario during the entire attack. When Sicario covered the victim's mouth to prevent her from screaming, the victim bit his hand so hard that he let her go for a minute. The victim ran away screaming for help. Law enforcement took the second victim's video of Sicario and released it to the public, resulting in numerous tips. The tips included the first victim reporting that she was assaulted by the suspect as well. Sicario was located in Tulare County and arrested on August 28, 2019.

Sicario faces a maximum sentence of 32 years to life in prison. Sentencing is set for July 6, 2022, at 1:30 p.m. in Department 10 before the Honorable Ernest Sawtelle. ★

# Defendant Convicted of Charges Stemming from Domestic Violence Assault

Sac County DA News Release

**SACRAMENTO COUNTY, CA (MPG)** - Michael Dwyer was convicted by a jury of kidnapping, kidnapping for carjacking, domestic violence, evading an officer with willful disregard, and making terrorist threats.

Dwyer and the victim were estranged. On July 15, 2016, the victim opened her garage door and Dwyer immediately rushed into the garage. Dwyer punched the victim in the head, took her phone, duct taped her mouth shut, and tied her hands with zip ties. He forced her back into her house and threatened to kill her, her children, and her parents. Dwyer then threw the victim in the trunk of her car and drove her to his residence. While tied up in the trunk, the victim pressed random buttons on her iWatch until she got a hold of someone who called 911. Officers were not able to find the victim since Dwyer had taken her to his residence. At the house, Dwyer forced the victim into his bathtub, tied her legs with zip ties, and water boarded her because he wanted her to

admit she was having an affair. He also showed her a curling iron and told her he would stick it inside of her and burn her. After begging Dwyer to loosen the ties on her hands, he cut the ties on her hands, but tied her to a chair. He then swallowed a cupful of pills. When Dwyer passed out, the victim was able to cut the zip ties off and get her phone before running out of the house. Officers saw the victim running down the street with no shoes and duct tape still around her neck. Before officers could get all the information from the victim, Dwyer pulled out of his garage in the victim's car and fled. Officers chased Dwyer who was speeding in excess of 100mph while running red lights and stop signs. The pursuit ended when Dwyer lost control of the victim's car. The Sacramento Police Department, Elk Grove Police Department and CHP all worked together to investigate this case.

Dwyer faces a maximum sentence of 18 years and 8 months to life in prison. Sentencing is set for July 6, 2022, at 1:30 p.m. in Department 20 before the Honorable Michael Sweet. ★

# Cooley Awarded Legislator of the Year by Judges Association

**Office of Assemblyman Ken Cooley**

**SACRAMENTO, CA (MPG)** -Assemblyman Ken Cooley (D-Rancho Cordova) was honored to receive the 2022 Scales of Justice award presented by the California Judges Association.

The California Judges Association was established in 1929 and is the professional association representing the interests of the judiciary of the State of California. Members include judges of the Superior Courts and Courts of Appeal, Commissioners of State courts and State Bar Court judges.

"It is quite an honor - a high point of my legal career," said

Assemblyman Ken Cooley.

The "Scales of Justice Award" is given to a select few legislators in recognition of their contribution to the courts and the people they serve.

"Early in my career - another judge, U.S. Supreme Court Justice Anthony M. Kennedy - sent me a letter that has shaped my view of public service since 2003. It said 'Congratulations to you and all of your colleagues for working to reinvigorate the principle of participatory democracy. Self-government must not be an abstract ideal, but must be a reality, and we must be unceasing in our efforts to make it more effective and respected by our people'. This was a private letter from US Supreme Court Justice

Anthony M. Kennedy (who taught constitutional law at McGeorge School of Law in the 1980's) to me dated June 18, 2003, in anticipation of the founding of the City of Rancho Cordova on July 1, 2003," said Assemblyman Ken Cooley.

*Assemblyman Ken Cooley represents the communities of Arden-Arcade, Carmichael, Citrus Heights, Rancho Cordova, Rancho Murietta, Rosemont, Wilton and other portions of unincorporated Sacramento County. For more information, please visit <http://asmcd.org/members/a08/>*

You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, prior-

ty, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. **NOTICE TO PROPERTY OWNER:** The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 800-280-2832 for information regarding the trustee's sale or visit this internet website <http://www.qualityloan.com>, using the file number assigned to this foreclosure by the Trustee: CA-22-898813-JB. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the internet website. The best way to verify postponement information is to attend the scheduled sale. **NOTICE TO TENANT:** You may have a right

to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call 800-280-2832, or visit this internet website <http://www.qualityloan.com>, using the file number assigned to this foreclosure by the Trustee: CA-22-898813-JB to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that

the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. The undersigned Trustee disclaims any liability for any incorrectness of the property address or other common designation, if any, shown herein. If no street address or other common designation is shown, directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale. If the sale is set aside for any reason, including if the Trustee is unable to convey title,

the Purchaser at the sale shall be entitled only to a return of the monies paid to the Trustee. This shall be the Purchaser's sole and exclusive remedy. The purchaser shall have no further recourse against the Trustor, the Trustee, the Beneficiary, the Beneficiary's Agent, or the Beneficiary's Attorney. If you have previously been discharged through bankruptcy, you may have been released of personal liability for this loan in which case this letter is intended to exercise the note holders right's against the real property only.

# Sustain Your Game

We all go through the good, the bad, and even the ugly of life. We face some bad times and feel like it never be good again. But there are ways to manage stress, avoid stagnation and beat burn-out. What if I told you the average US worker spends 25% of their day reading and responding to their email and 40% of the population believe work and life balance is unattainable. But Alan Stein Jr. doesn't agree. He is a basketball coach turned business consultant, and shares high-performance secrets and shows you how you can build the mental fortitude necessary to stay on top of you game in "Sustain Your Game." So what makes the best? According to Stein, ultimately the best are where they are because of the mindset, habits and rituals they have both in their respective "arenas" and also in private during the unseen hours. Success isn't something that happens to you. It's something you attract and you create. Successful people do the little things better than everyone because they know all the big things arise from them. The highest performers in all walks of life have taken full ownership. Based on his years as a successful basketball performance coach...training superstars like Kevin Durant and Kobe Bryant, and trainer to major companies like Pepsi and Arnex, he brings the keys to lasting unimaginable success. Here are a few approaches to ponder.

1. Stress comes from the desire for things to be different than they are in the present moment. You can lower stress by merely accepting what is...without resistance. Learn to be OK with what is happening (even if it's not your preference) and focus on how you will respond.
2. Get crystal clear on your core values and who you strive to become. Make decisions...and create your schedule...based on those answers. Learn to say 'yes' to the things that are in alignment with your values (not based off emotions and feelings).
3. Your emotions are designed to inform you, not direct you. They are merely information. Learn to accept all emotions (even the unpleasant ones) and let them flow through you. It's OK to feel upset, frustrated, angry or disappointed. It's not OK to behave accordingly.
4. The things you say silently to yourself are the most important things you say every day. Learn to be kind and compassionate with yourself. When you make a mistake or fall short of a goal, speak to yourself with the same love and grace you would a close friend.
5. Learn to detach from outcomes and external validation and enjoy the process. If you can love the work, love the reps, and love the journey...then you've won before you've started! Let achievement and accolades be a welcomed bonus...not the be all and end all.
6. Remember, if 'nothing changes...nothing changes.' Change is a requirement to growth and growth is a requirement to fulfillment. Don't resist change, lean into it!
