CITRUS HEIGHTS, CA (MPG) - The votes have been tallied, and the results are in. Congratulations to this year's 2022 'Best of Citrus Heights' winners voted by the Citrus Heights Chamber of Commerce.

Some 357 contenders competed in 37 different honors, according to Chamber executive director Diane Ebbitt-Riehle who thanked sponsors, SMUD, the city of Citrus Heights, Dignity Health Mercy San Juan Medical Center and the San Juan Water District for their support.

Over 100 guests gathered at Future Honda at 6151 Auburn Boulevard in Citrus Heights for a gala awards presentation. The 'Best of Citrus Heights' program was suspended by the Chamber in 2021

due to the pandemic. Voting ended June 30th.

The 2022 'Best of Citrus Heights' honors the best businesses which are located in the city, or who are current members of the Citrus Heights Chamber of Commerce.

Each year, the Citrus Heights Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category.

"These are local companies that enhance the positive image of small businesses through service to their customers and our community," said Ebbitt-Riehle.

According to the Chamber, recognized exceptional companies "help make the Citrus Heights area a great place to live, work and play."

Various sources of information were gathered and analyzed to choose the winners in each category. Winners were determined based on the information gathered both internally by the Citrus Heights Award Program and data provided by third parties.

The Citrus Heights Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the Citrus Heights area.

Three first time winners included: Best Retail, Kelsee's Purse Thrift Shop; Best Beverage & Food, Just Tea It; and Best Automotive Parts & Repair, McElroy's Repair and Restoration.

New Highland Avenue Well Planned

By Thomas J. Sullivan

CITRUS HEIGHTS, CA (MPG) - A potential “sweet spot” in Citrus Heights will soon be tapped to provide an additional, reliable water supply source for customers in the Citrus Heights Water District.

Representative Ami Bera, M.D. (CA-07) and representatives of the Citrus Heights Water District celebrated the \$1.5 million recently secured for construction with a tour of the project site at 7725 Highland Avenue on August 1.

The new Highland well will be built on a one-acre lot recently sold to the CHWD by the First Apostolic Church-Faith Christian School. The location is bordered by Beam Lane, a private road and by Highland Avenue.

Pending construction of a groundwater aquifer at 7725 Highland Avenue will allow the district to forego up to 1,500-acre-feet per year (AFY) of its surface supplies and allow the injection of surface water into storage.

“The goal is not just to be able to tap into more underground water, but in a good year, the new Highland well will be designed to take water from the surface and inject it back into the underground aquifer,” said CHWD general manager Hilary Straus.

The new aquifer will help preserve water resources for the Sacramento region through aquifer storage and recovery (ASR) technology, Straus said.

management technique for actively storing water underground during wet periods for recovery when needed, usually during dry periods. Artificial Recharge (AR) is focused on actively moving water from the surface into ground water systems, according to the California Water Science Center.

While CHWD receives the bulk of its water from Folsom Lake, it has four active wells and two standby wells that are used to supplement surface water. With Folsom Lake looking more like a pond, and no way of knowing if the next rainy season will deliver, local water agencies, including CHWD, are finding they have to dig deep.

“Our region relies a lot on Folsom Lake and

Folsom Reservoir. We need projects like this where, in the rainy months, we can capture that water, and pump it down into the aquifer,” Representative Bera said.

“Highland Avenue is a location we’ve had our eye on for quite some time,” Straus said. According to its own studies, the Highland well location offered ideal geological characteristics for such water storage.

The goal is not just to be able to tap into more underground water, but in a good year, CHWD’s new Highland well will be designed to take water from the surface and inject it back into the underground aquifer, Strauss said.

Wells in Citrus Heights

tap into a water source inside a vast deep aquifer called the Mehrten Formation that is pressurized and less susceptible to the variations that come with extreme weather changes, according to CHWD.

With its additional new Highland Avenue storage, CHWD will have the opportunity to better be able to work with regional entities such as the Sacramento Groundwater Authority to increase regional supply reliability and implement the overall goals of the Sustainable Groundwater Management Act (SGMA).

Straus applauded the partnership between CHWD and the office of Rep. Bera to secure project funding for the Highland well.

District officials say the federal dollars, on top of local funding, will soon help get the shovels in the ground. Funding will support the design, drilling, and testing of Highland Avenue Well within the service area of the Citrus Heights Water District.

The congressional bill to provide project funding awaits an approval vote in the U.S. Senate, and signature by President Biden.

Rep. Bera secured the funding as a community-funded project request through the House Energy and Water Development, and Interior-Environment fiscal year 2023 Appropriations bills, which passed the U.S. House of Representatives on July 20, 2022.

The congressman has secured more than \$32 million to support 15 different community funding project requests for the Sacramento-region in the House fiscal year (FY) 2023 appropriations bills.

Citrus Heights Water District (CHWD) has served the community since 1920. Its service area consists of 12.8 square-miles of service line which provides drinking water to an estimated service area population of 67,000 customers via approximately 19,600 water service connections in Sacramento and Placer counties, including about 60 percent of the area within the boundaries of the City of Citrus Heights. ★

Toys 'R' Us Returns to Citrus Heights

Meet Geoffrey the Giraffe and you too can be a Toys 'R' Us kid!
Photo courtesy of Macy's

By Thomas J. Sullivan

CITRUS HEIGHTS, CA (MPG)

- If you grew up as a Toys 'R' Us kid, as many of us did, there's a good reason to celebrate.

A physical Toys 'R' Us store is opening inside every Macy's store across the country, including its long-time store in the Sunrise Mall in Citrus Heights.

WHP Global, which acquired a controlling stake in the beloved toy retailer in March 2022, has partnered with Macy's, Inc. to bring Toys 'R' Us shops into the department store's more than 400 physical brick and mortar stores and its online locations.

On the ground floor of

Macy's South, at 6041 Sunrise Mall, home of its women's, children's and infant's store at the Sunrise Mall, a new Toys 'R' Us section opened in late July.

It's a public preview of an approximately 2,500 square foot Toys 'R' Us store on level 1 inside Macy's which will open at the end of September, said Allison Edheimer, associate for external communications with Macy's Inc.

"The Toys 'R' Us brand will come to life in-store with playful colored fixtures as well as hands-on demonstration tables for customers to interact with various toy assortments," she said.

In September, customers can expect a 'shop-in-shop'

sales experience featuring sectioned toy aisles, interactive activities, and unique Toy 'R' Us branding, including a 'Geoffrey On A Bench' photo opportunity for families with its beloved mascot, Geoffrey the Giraffe.

To celebrate the openings, all Macy's stores, including Citrus Heights, will host nine days of in-store events beginning October 15 through October 23, which will include family-friendly activities and daily giveaways from brands like Barbie, LEGO, Play-Doh and more, Edheimer said.

The once-storied toy store went bankrupt and closed all its stores in 2018. Its former location on Greenback Lane has since re-opened as a Hobby Lobby arts and crafts store.

Toys 'R' Us has since established its own designated e-commerce section on Macys.com which customers can access now in addition to its own dedicated ToysRUs.com site.

"As a Toys 'R' Us kid, I could not be more excited to bring this beloved brand that so many of our customers know and love into Macy's online and to our stores across America," said Macy's chief merchandising officer, Nata Dvir, in a press statement.

The Toys 'R' Us store is located inside Macy's South at 6041 Sunrise Mall in Citrus Heights. Call (916) 728-1916 for more information. Mall hours are Monday through Saturday from 11 am to 8 pm and Sunday from noon to 6 pm. Visit: <https://www.sunrisemallonline.com/> for details. ★

Former Birdcage Starbucks Seeks New Tenant

Starbucks thanks its patrons for their support of the coffee shop which was located at 6121 Sunrise Boulevard in Citrus Heights.

Story and photo by Thomas J. Sullivan

CITRUS HEIGHTS, CA (MPG) - The site of a former popular Starbucks coffee shop at 6121 Sunrise Boulevard in Citrus Heights between Barnes & Noble Booksellers and Noodles and Company remains vacant, as the Gerrity Group, LLC, an asset management group in Solano Beach which manages the plaza seeks a new tenant.

Starbucks abruptly closed on October 3, 2021, where a notice posted by district manager Jackie Paduveris thanking past customers remains posted on its front door.

In a 2021 interview, Paduveris said that the store's closure in Birdcage was related to "its business model." Calls to both Starbucks corporate public relations team and to Paduveris were not returned.

News of the closure in 2021 came as a surprise to The Gerrity Group, in an earlier press account.

"It was a surprise to learn of the tenant's intent to close the business as of October 3, 2021, particularly because the store appeared to perform well, and there is considerable amount of term remaining on the lease," said Colby Young, Gerrity Group vice president. Starbucks had been a tenant in Marketplace-Birdcage in Citrus Heights for 24 years.

Does Starbucks still have an option to return and reopen?

"Starbucks has the right to operate for the remainder of their lease term," Young said.

Young said The Gerrity Group is actively searching for businesses to add to the diverse mix of restaurants, goods, and services which

Marketplace at Birdcage offers.

"I think a coffee shop or restaurant would be a great use for this space," he said.

Young said the Gerrity Group is "engaging and pursuing potential new tenants for this space and others daily. The opportunity to lease space at Birdcage fronting Sunrise Boulevard has drawn strong interest."

"The Gerrity team continues to work with interested businesses to ensure we provide the best shopping experience for our Citrus Heights community. I encourage anyone interested in opening their business at Birdcage to contact Chris Campbell with CBRE at (916) 446-6800," Young said.

Today, a black floor-to-ceiling metal mesh fence and curtain separates the closed Starbucks from the Barnes & Noble bookstore.

"When asked to show the former Starbucks, we can do so by appointment," said Sophia Garman, store manager for Barnes & Noble which adjoins the former coffee shop.

Garman said she has shown it to interested parties on behalf of the Gerrity Group from as far south as San Francisco. She remains optimistic that a new tenant will be found soon.

"Our customers periodically ask us whether we've heard any news whether or not Starbucks will return, or if another business may move in," she said.

"There's not much I can tell them or the general public at this time," Garman said. "I'm still hopeful the space won't be vacant too much longer before the upcoming holiday season." ★

which refers them to the new location at Marketplace at Birdcage.

"On behalf of our Citrus Heights team, we look forward to seeing you at our new location soon," Patelco tells its members.

The new branch, which is across from the Walmart grocery store, features a walk-up ATM machine.

Heather Villanueva, a Patelco spokesperson, said the credit union will lease the branch office location, which features both a digital self-service center to quickly take care of member's banking needs and nine private member services offices.

A digital media wall featuring Patelco's products, services and special offers is in a comfortable lounge and waiting area. Patelco offers its members checking and

savings accounts, loans and credit cards, investments and insurance.

According to Villanueva, the move by Patelco to a new and centrally located branch in the Marketplace at Birdcage shopping center "enhances the overall member experience of its members and also provides more modern banking amenities."

"The old branch location on Sunrise Boulevard had an open floor plan without much privacy for individual conversations with members," she explains.

New Patelco credit union branch office hours at Marketplace at Birdcage at 6100 Birdcage Lane, Suite 125 are Monday through Friday from 10 am to 5 pm and Saturdays from 10 am to 2 pm. Call Patelco at 800-358-8228 for further information. ★

Keep Pets Safe During Hot Weather

Sacramento County News Release

SACRAMENTO COUNTY, CA (MPG) - Every year, Sacramento County residents do their best to keep cool during the summer heat. Failing to keep cool in extreme temperatures can cause adverse health effects for residents – both humans and animals.

Unlike humans, cats and dogs cannot sweat to keep cool; they cool their bodies off through panting and the pads of their feet. As a pet owner, it's important to take measures to keep them cool during high temperatures.

Here are some tips for keeping your pet safe from the heat:

Never leave your pet in a parked car: Even cracking a window won't protect your pets. It is against the law in California and could be punishable by a fine or imprisonment. A car can reach 120 degrees in just minutes; even if the windows are slightly open the car can still reach 102 degrees. A dog's normal temperature is 101.5 degrees; at 120 degrees your pet can suffer from heat exhaustion and die and at 107 degrees brain damage occurs. Check out this video on how hot it gets in cars.

Avoid extreme heat: When temperatures get above the 90s, take your pet inside. For outdoor pets, be sure to provide them with plenty of fresh, cold water in a tip-proof water dish and shade for them to cool down.

Don't exercise with your pets when it is too hot: Older and certain long-haired dogs can be particularly susceptible to heat, and hot asphalt can burn their paws. Exercise in the early morning or cool evenings and make sure both of you have plenty of water.

Use sunscreen: Pets get sunburned just like people, and if your pet has light skin or fur, they can be particularly susceptible to a painful burn, and even skin cancer. Use sunscreen on sensitive areas, such as ears or nose to make sure your pets are protected.

Secure your dog during transport: Make sure your dog is secured safely in your vehicle. Cross-tethering your dog with a rope or containing them via a kennel in the bed of your truck will help prevent the dog from falling or jumping from the vehicle. Also, please note that truck beds can get hot when exposed to

the sun and that can severely burn dog footpads. Transporting animals on a public highway or public roadway without properly securing them could be punishable by a fine.

Be your pet's lifeguard: While swimming can help pets get exercise without overheating, always supervise pets when swimming either in a pool or in waterways. Dogs can get tired swimming, particularly in rivers where they have to fight against currents. To avoid drowning, make sure they wear life jackets and keep them out of the water when flows are high.

If pets have been exposed to high temperatures...

Be alert for signs of heat stress including heavy panting, glazed eyes, a rapid pulse, unsteadiness, staggering gait, vomiting, or a deep red or purple tongue.

Immediately move your pet to the shade to gradually lower their temperature. Apply cool (not cold) water to the pet, and provide lukewarm or cool water to drink. Take your pet to a veterinary hospital immediately. It could save their life.

For more tips on keeping pets safe in hot weather, visit the Hot Weather Pet Tips page. For other animal issues and pet owner resources, visit the Bradshaw Animal Shelter website.

Don't have a pet? The Bradshaw Animal Shelter has fully reopened to the public for all walk-in services, no appointments are necessary. To adopt, visit the shelter Tuesday through Sunday (except holidays) between 12 and 5 p.m., Wednesday between 12 and 6 p.m.

SacRT Takes You Back to School for FREE

SacRT News Release

SACRAMENTO, CA (MPG) - The Sacramento Regional Transit District (SacRT) is reminding students and families that with the RydeFreeRT program, students in transitional kindergarten through 12th grade can ride the entire SacRT transit network for free. The program includes SacRT buses, light rail and Smart Ride on demand microtransit services.

The RydeFreeRT program is available for any youth that live or go to school within SacRT's service area, which includes the cities of Sacramento, Elk Grove, Folsom, Citrus Heights, Rancho Cordova and parts of Sacramento County. Approximately 220,000 students in grades TK – 12th, home-schooled students, and foster and homeless youth are all eligible.

SacRT launched the RydeFreeRT program in October 2019, at that time, SacRT experienced a 127% increase in student ridership (pre-COVID-19). Over the last year, SacRT provided over 2.4 million free rides to youth across the region.

New RydeFreeRT cards for the 2022-2023 school year are distributed by schools and have a valid date from June 1, 2022, through June 30, 2023. For students that still need a RydeFreeRT card, visit SacRT's Customer Service and Sales Center located at 1225 R Street (adjacent to the 13th Street Light Rail Station) or Sacramento Public Libraries.

continued funding from the cities of Sacramento, Citrus Heights, Elk Grove, Folsom and Rancho Cordova as well as additional funding from the County of Sacramento, we are able to keep the RydeFreeRT program going into a fourth year,” said SacRT General Manager/CEO Henry Li. “The fare-free program helps our region's youth by removing the transportation barrier to education, jobs, and healthcare.”

“SacRT's award winning RydeFreeRT program for TK-12th grade students has benefited our community immensely and I could not be happier it is continuing for a fourth year,” said SacRT Chair and Citrus Heights Council Member Steve Miller. “With this program, we are increasing mobility options and school attendance, reducing congestion and greenhouse gases and creating new rider habits.”

“RydeFreeRT has become a model that many transit agencies across the nation are trying to replicate,” said SacRT Board

Member and Sacramento City Councilman Jay Schenirer. “This is an investment in our future - connecting youth to school, work, internships and other education and career opportunities. It's great to see so many young riders on public transit!”

“At Sac City Unified our focus is on providing equitable access to high quality education. The costs and challenges associated with transportation can often create a significant barrier to that access,” said SCUSD Chief Communications Officer Brian Heap. “The SacRT free transit program is a tremendous support tool for the district and our families. We have some middle and high schools where as many as one-third of students rely on SacRT to safely get them to and from school each day. Chronic absenteeism is a serious problem for schools, and we appreciate that our partnership with SacRT helps get more students to class every day.”

A Different Kind of Creditor?

Dear Dave,
My wife and I have plans to enter the mission field as soon as we have paid off our debt and get a full emergency fund in place. We only have about \$12,000 in credit card debt left, and we don't own a home, but my father does not want this debt to stand in our way. He has offered to pay off the credit cards, and make it a loan where we would pay him back over time. It is a tempting offer, but we both feel strange about accepting it. What do you think we should do?

- Brandon

Dear Brandon,
Your dad sounds like a generous, good-hearted man. But considering the goal you and your wife have, I want you to think

Dave Ramsey Says

for a minute about the spiritual implications of a situation like this.

Proverbs 22:7 says the borrower is slave to the lender. Now, the Bible doesn't say debt is a sin, but it definitely discourages debt, and it teaches us to live our lives differently than the rest of the world. That's the case when it comes to handling money, too.

If you do this, you'd be turning your dad into your creditor in a very real sense. That's going to make family dinners taste different, because you'll be eating with your lender instead of just good old dad. Money has a way of changing the family dynamic, and it's almost never for the good. Suddenly, you're getting raised eyebrows if you buy something for yourself, because even the nicest, most generous folks have opinions.

If it were me, I'd say thanks, but no thanks. There's no way I'd be in financial debt to my dad.

Now, if he were to offer to make paying off

your debt a gift – one that was given with no strings attached to help you two get into the mission field quicker – I'd be okay with that and I'd be deeply grateful and honored.

But I would never tell you to go into debt to a parent. Your dad is probably thinking it's better for you to be in debt to him rather than some uncaring bank or credit card company. But I just wouldn't want to do anything that might jeopardize your relationship.

Sacramento Kings and Curtis '50 Cent' Jackson Ink a Multi-Year Partnership

Sacramento Kings News Release

SACRAMENTO, CA (MPG) - On July 27, the Sacramento Kings announced a multi-year partnership with Grammy award-winning musician, two-time New York Times best-selling author, executive producer, entrepreneur and philanthropist Curtis "50 Cent" Jackson, his premium wine and spirits company Sire Spirits LLC and his charity, the G-Unity Foundation.

Continuing the Kings efforts to lift up and support diverse companies, Sire Spirits, a black-owned business, becomes the official premium champagne partner with their award-winning Le Chemin du Roi (fittingly translated as The Kings Path), a proud spirits partner with their award-winning Branson Cognac and presenting sponsor of one of Golden 1 Center's largest premium clubs, Rush, serving courtside and season ticket members. The club "Rush by Sire Spirits" will feature a breathtaking 500 bottle Le Chemin du Roi Champagne Wall.

"We are thrilled to partner with Curtis and bring Sire Spirits to Golden 1 Center for our fans and guests to enjoy," said Sacramento Kings Owner and Chairman Vivek Ranadivé. "This partnership continues the Kings commitment to supporting diverse entrepreneurs and aligns our shared passion for providing youth with the tools and opportunities they need to succeed. I am excited to work together to support the Sacramento community."

"I did this deal after meeting with Vivek Ranadivé and learning how he and the entire Kings organization genuinely shares my philosophy of promoting conscious capitalism," said Curtis "50 Cent" Jackson. "I very much look forward to meeting the Kings fans and expanding the reach of my G-Unity Foundation

and spirits brands in and around the city of Sacramento."

As part of this partnership, Jackson's G-Unity Foundation will team up with the Sacramento Kings Foundation to deeply invest in Sacramento youth throughout the season, including providing scholarships as part of the team's mentorship efforts. Founded by Jackson in 2003, the G-Unity Foundation supports programs that foster social and leadership skills in young people living in cities nationwide. Later this week, the two foundations will host a dinner for Kings and Queen Rise Co-Ed Youth Sports and Mentoring League players and coaches featuring a conversation between Jackson and Kings TV Play-by-Play Announcer and Host of Kings Pregame and Postgame Live Kyle Draper focused on Jackson's career path and the G-Unity Foundation. The event will also include a performance by the 916 Crew, games and giveaways for the youth.

During the season, Jackson plans to host high school students for a Kings game in an exclusive suite, participate in a sweepstakes for a road trip meet and greet and take part in an episode of Beyond the Paint, a Kings series that explores the cross section of sports, culture and social issues to share varying perspectives and experiences. Jackson will also work with the Sacramento Kings to create live entertainment experiences at Golden 1 Center.

Earlier this month, Jackson met with Kings rookies and took in a game with Ranadivé during Summer League in Las Vegas.

Jackson was represented in this deal by his General Counsel Stephen J. Savva and Mark Passler of Akerman, LLP.

Correctional Officer Pleads Guilty to Civil Rights Violations for Assaults on Inmates and Cover Up

U.S. Attorney's Office, Eastern District of California

SACRAMENTO, CA (MPG) - Arturo Pacheco, 40, of Elk Grove, pleaded guilty on July 25, 2022, to criminal civil rights violations for the on duty assault of two inmates entrusted to his care and to submitting false reports about those incidents in an attempt to cover them up, U.S. Attorney Phillip A. Talbert announced.

According to court documents, Pacheco was a correctional officer at California State Prison, Sacramento (CSP-Sacramento). On September 15, 2016, while escorting an inmate, Pacheco grabbed the legs of the inmate, pulling the legs out from under him. The inmate, whose hands were handcuffed behind his back, fell forward onto the concrete floor, breaking his jaw, several teeth, and suffering other injuries. That inmate was transported to UC Davis Medical Center where he received treatment for his injuries. Approximately two days later, the inmate suffered a pulmonary embolism and died. While the inmate was receiving treatment, Pacheco, a sergeant, and other correctional officers began falsifying reports to cover up the incident.

Following the death of the inmate, investigators uncovered a second incident involving Pacheco. In that incident, on May 19, 2016, Pacheco had, unprovoked, discharged a canister of pepper spray at short range

into the eyes of an inmate who was inside of a prison cell. Pacheco falsified his report in that case to make it appear as though his actions were justified in order to save the life of the inmate. In reality, the inmate was fully complying with commands, and any use of force at that time was unlawful.

As outlined in the factual basis to his plea agreement, Pacheco sent text messages to a friend after the May 2016 incident, commenting how "funny" the incident was and "[i]t's all about how u write ur report", "plus ur partners have ur back." As Pacheco said, "[b]lood, broken glass, n just u n ur partners. ... Green light!"

"Pacheco deprived inmates of their civil rights, abusing his position of authority as a correctional officer to harm them," said U.S. Attorney Talbert. "While Pacheco thought a 'green wall' or code of silence would protect him, he was wrong. His crimes have come to light and now he has admitted to his assaults and cover up. Those who violate the public's trust by harming inmates 'under the color of law' or by covering up wrongdoing must and will be held accountable."

"The FBI is deeply committed to protecting the rights of all Americans, and those rights do not stop behind the walls of our prisons," said Acting Special Agent in Charge Dennis Guertin. "Today's guilty plea is the result of an intensive investigation conducted by the FBI and our

partners at the California Department of Corrections and Rehabilitation and the United States Attorney's Office. Corruption and civil rights violations within our prisons are some of the most difficult to detect and investigate, and we encourage anyone who has knowledge of similar crimes to reach out to any FBI field office or submit information to tips.fbi.gov."

This case is the product of an investigation by the Federal Bureau of Investigation with the cooperation of the California Department of Corrections and Rehabilitation, Office of Internal Affairs. Assistant U.S. Attorneys Michael D. Anderson and Rosanne L. Rust are prosecuting the case.

Pacheco remains out of custody pending sentencing. Fellow former California State Prison, Sacramento correctional officer, Ashley M. Aurich, charged separately, is pending sentencing as well.

Pacheco is scheduled to be sentenced by U.S. District Judge William B. Shubb on October 17, 2022. Pacheco faces a maximum statutory penalty of 20 years in prison on each of the false reporting counts and 10 years in prison on each of the assault counts and a \$250,000 fine per count. The actual sentence, however, will be determined at the discretion of the court after consideration of any applicable statutory factors and the Federal Sentencing Guidelines, which take into account a number of variables. ★

 IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.
 IF YOU ARE A CREDITOR or a contingent creditor of the deceased, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. San Francisco's Shortstop Stops by SacTown

By Shaun Holkko,
sports editor

WEST SACRAMENTO, CA (MPG) - It's not often that you have a three-time All-Star and four-time Gold Glove Award winner rolling through Sacramento and suiting up for the River Cats.

However, the uncommon occurred last week as San Francisco Giants shortstop Brandon Crawford played for the Giants' Triple-A affiliate, the Sacramento River Cats. Crawford was in town for multiple days to get in some game-action before returning to San Francisco following a stint on the injured list with a knee injury.

"The past week's been pretty good," Crawford told the media before taking the field on Tuesday, August 2. "I had three or four days where I wasn't really feeling anything in the knee. I'm hoping to continue that."

The Mountain View native had been on the IL since July 16 after aggravating the knee that had previously sidelined him once before this season. Crawford aggravated the injury on June 21 during a 12-10 victory over the reigning World Series champions, the Atlanta Braves. He spent the minimum 10 days on the IL before returning on July 5.

Crawford may have rushed his return coming back after 10 days, because 11 days later, he was right back on the IL as the Giants continue to fight to keep their record above .500 following a National League West division title last season.

"I have to make sure the knee is feeling good before I come off the IL," Crawford said. "Last time I came off the IL and felt

good for a game, but the next week after that I wasn't feeling great. I feel like the only way to test it in a game like situation is to actually play a game. That's kind of what we decided would be best. Hopefully going forward the next couple months it feels pretty good."

Before his return from the IL, the 35-year-old recorded a .215 batting average with five home runs, 33 RBI, 29 runs scored and 10 doubles

in 72 games for San Francisco this season.

"We're not far out of the playoff race right now," Crawford explained. "Hopefully I can come back healthy, and Evan Longoria can come back healthy, and we can be at full strength for a little while. I think with the guys that we have, and we kept, we can make a push for the playoffs."

As for his time spent in Sacramento, this wasn't the

veteran's first time experiencing the Capitol of California.

"It's definitely convenient," Crawford said about Sutter Health Park being within driving distance of Oracle Park. "I've always enjoyed Sacramento. I've had family that's lived up here. I have definitely played one exhibition here. I can't remember if I've played two. It's nice to come back out."

Crawford returned to

the majors on Saturday, August 6. The timing couldn't have been any better for the man who was once a boy born in the Bay Area, as the Giants swept a two-game set on the road from their regional rivals, the Oakland Athletics, in the Battle of the Bay.

In eight at bats over the weekend, Crawford had three hits, two runs scored, one run batted in and one walk with three

strikeouts. The Giants won Saturday 7-3 and Sunday 6-4.

As of Monday morning, August 8, San Francisco (53-55) was 6.5 games back of their rival, the San Diego Padres (61-50), who currently hold the third and final Wild Card spot. Both teams will need a WC berth to get into the playoffs as the Los Angeles Dodgers (75-33) are currently running away with the NL West crown. ★
