Park Cleanup Unites Community

Community Park Cleanup Day Volunteers drink their Kona ice drinks after the work was done.

CITRUS HEIGHTS, CA (MPG) - The Residents Empowerment Association of Citrus Heights (REACH) in coordination with the Sunrise Recreation and Park District hosted their first Community Park Cleanup Day at San Juan Park on Saturday, June 17. More than 30 volunteers showed up to work between 10 AM and 12 PM. The group picked up trash, maintained trees, and painted small structures located inside the park boundary. The event ended with everyone enjoying a Kona Ice and a BBQ hot dog lunch.

The Sunrise Recreation and Park District chose San Juan Park (5509 Mariposa Ave.) for the event due

to its modest size and accessibility. Citrus Heights has 25 parks, covering about 312 acres, within city limits. "We thought this was the ideal spot to hold our first multi-neighborhood association cleanup event," said

REACH Treasurer Tom Scheeler.

REACH is a non-profit organization consisting of a board of directors and representatives from all 11 neighborhood associations that make up Citrus Heights. The umbrella organization serves to bring the neighborhood groups together, which function independently from one another.

Tom is also the current president of Area 5 - Park Oaks. He cited how the pandemic has drastically hampered the organization's ability to provide consistent outreach support and bring people together, especially the city's senior residents. "Our goal for today was to get people out of their homes and involved in a project together where they could meet new people

Grand Jury Releases New Status Review

Superior Court of California News Release

SACRAMENTO COUNTY, CA (MPG) - When required to respond to a Sacramento County Grand Jury report showing a less than robust record of leadership at the onset of the COVID-19 pandemic, the Grand Jury found that the Board of Supervisors has opted to dodge and deflect. But the Grand Jury's deep concern, plainly stated in that February 2022 report, continues.

In the Grand Jury's newly issued Status Review, it finds that the Board's responses to the Grand Jury report reflect the Board's continuing refusal to acknowledge or accept responsibility for any deficiencies of leadership, accountability or engagement at the outset of the 2020 countywide emergency.

The Grand Jury in its February 2022 report called out the Board for lack of oversight and leadership during the first five critical months of the COVID-19 pandemic. The Grand Jury conducted extensive research and interviews which found: 1) the Board of Supervisors handed off essential decision-making and CARES Act funding responsibility to its County Executive, or his designee; 2) the Board did not receive timely reports on allocation of CARES Act funds; 3) it failed to demand regular public updates on County pandemic activities; and 4) the Board failed to provide public forums to assess the vast array of needs and challenges faced by residents across Sacramento County.

The record of Board sessions speaks for itself: No actions were taken to publicly account for use of emergency funding, engaging with local residents and businesses, and even with its own agency heads, and is documented in the Grand Jury report.

It was this pattern of lack of leadership, engagement and oversight that was contained in the Grand Jury's report, and the basis of its findings and recommendations. The Grand Jury found that in the Board's response, it unfortunately cloaks itself in bureaucratic, misleading, and at times inaccurate statements.

Sacramento County Recommended Budget Approved

By Kim Nava,
Sacramento County

SACRAMENTO COUNTY, CA (MPG) - The Sacramento County Board of Supervisors voted unanimously on June 9 to approve the \$7.3 billion recommended budget for Fiscal Year (FY) 2022-23.

"Sacramento County's FY 2022-23 budget works to address many of the needs of our community and includes additional investments in programs and services related to homelessness, mental health, substance abuse and social services for some of the most vulnerable people among us, while maintaining vital and essential existing services," said District Five Supervisor and Board Chair Don Nottoli.

The \$7.3 billion budget consists of \$2.8 billion in Enterprise and Special Revenue Fund appropriations (utility rates, fees and other dedicated revenue), \$3.5 billion in General Fund appropriations (\$936 million in discretionary resources, \$1.1 billion in restricted funds, and the remaining \$1.4 billion with Federal, State and fee revenue dedicated to specific

purposes), and \$1.1 billion in Restricted Funds.

"This approved budget reflects substantial investments in new and enhanced programs based on the Board's priorities and a survey of Sacramento residents," said County Executive Ann Edwards. "In addition to increased funding addressing homelessness, social services and improving the condition of County roads, we were able to set aside more money in the County's 'rainy day' reserve funds."

The recommended budget recognized new or enhanced areas of growth, including annual commitments of: Addressing Homelessness - \$5.3 million to fund new programs and services addressing homelessness in the County; Road Pavement Rehabilitation Projects - \$20 million in one-time Net County Cost transferred from the General Fund to the Roads Fund to fund pavement maintenance and rehabilitation on roads throughout the unincorporated County. Substance Use Disorder Residential Treatment - \$10 million for the Department of Health Services to procure

an additional 156 beds annually for substance use disorder residential treatment; Crisis Stabilization Units - \$5 million for the Department of Health Services to establish a pool for behavioral health crisis stabilization units, which is a service the County is required to provide to Medi-Cal beneficiaries; Mental Health Services Act Full Service Partnership - \$7.5 million in MHSA and Federal match for the Department of Health Services to procure Full Service Partnership programming as a requirement in fulfilling permanent supportive housing commitments; School-Based Mental Health Program - \$4.3 million of Medi-Cal funding for the Department of Health Services to provide increased support to the school-based mental health program, with a planned site expansion to 40 sites; Child, Family and Adult Services - \$19.1 million to support Child Family and Adult Services' programs, including \$5.4 million to provide enhanced security services at the Centralized Placement Support Unit; Afghan Refugee Assistance

- \$3 million in Net County Cost for the Department of Human Assistance to provide services to support new Afghan arrivals in adjusting to their new environment.

During budget deliberations, the Board added additional items totaling \$2.6 million in appropriations, which included: \$1 million for additional scattered sites to house people experiencing homelessness; \$498,072 to provide a fourth staff position in Districts 1,3,4 and 5; \$450,000 for improvements at McFarland Ranch, American River Ranch and Dillard Ranch; \$167,881 to provide a position supporting homeless issues in District 2; \$150,000 to Visit Sacramento for a total annual contribution of \$500,000; \$106,690 to provide additional staffing for the Clerk of the Board's Office; \$100,000 to the Mack Road Partnership to purchase the South Sacramento Community Center property; \$75,000 to Splash for vernal pool education; \$25,000 for an additional \$5,000 in TOT District Funds for each District.

4th of July Reminder: Keep it Safe, Keep it Legal

By Janna Haynes,
Sacramento County

SACRAMENTO COUNTY, CA (MPG) - With Independence Day coming up, please remember to know the risks of fireworks, only use legal fireworks and stay safe when using. If you see or suspect illegal firework usage, please report it! See reporting contact information below.

The County has teamed up with our cities, fire and law enforcement jurisdictions to educate our community members on how to celebrate safely, how to spot a safe and sane firework and how to report illegal fireworks usage. In addition, many jurisdictions are enforcing stricter penalties this year for illegal fireworks usage.

Sacramento County Board of Supervisors adopted a social host ordinance that levies fines, starting at \$1,000, against property owners that either use or allow use of illegal fireworks on their property, in addition to fines for use in places like the American River Parkway. Read more about the Social Host Ordinance.

Calls for service throughout the County increase dramatically on July 4, and emergency response resources are stretched extremely thin. During the holiday weekend, please use 9-1-1 for emergencies only – like an active fire or injury or immediate threat to persons or property. Each jurisdiction has provided an alternative method to report illegal fireworks sale and usage.

Together, we can ensure that Independence

Day celebrations are fun, safe and do not cause undue injury or fire in our communities.

Know the Risks

The unsafe use of fireworks can cause severe burns, amputations, blinding and even death; Damaging fires may occur when children use fireworks unsupervised by adults; Parents are responsible for any property damage or injuries caused by all fireworks.

Keep it Legal

All legal fireworks in California are called Safe and Sane Fireworks and must bear the State Fire Marshal's seal; Safe and Sane Fireworks may only be used and sold from noon June 28th through midnight on July 4th; Any firework that goes up in the air or explodes is illegal and dangerous.

Keep It Safe

Always have a bucket of water to dispose of fireworks and leave in the water overnight before disposing; Always have a hose connected to water available in case of fire; Do not use fireworks near dry grass or other flammable materials; Do not use fireworks while under a canopy, covered balcony, covered patio or under a tree or bushes.

Park Cleanup Unites Community

Citrus Heights Vice Mayor Tim Schaefer and REACH Treasurer Tom Scheeler

Continued from page 1 and talk to their neighbors. We're hoping to continue to involve the neighborhood associations by doing more events like this."

REACH President Mike Nishimura has been active involved with the organization for the past 6-7 years. "We used to host a Community Camp at Rusch Park, but the pandemic affected our ability to engage with the community. Today is a new start for us and we hope it will lead to bigger and better things down the road."

Long-time Citrus Heights resident and Vice Mayor Tim Schaefer came out to pitch in and show support for REACH and the community cleanup effort. "One of the City Council's four objectives focuses on more neighborhood involvement (Enhance community vibrancy and engagement). Right now, we're taking steps to facilitate that and bring the community back together after a devastating last couple of years."

Reaching out to younger volunteers

Community Park Cleanup volunteers ranged in ages from teens to senior

citizens. Veronica Hunter is the Key Club coordinator at Mesa Verde High School and was looking for projects her students could support this summer. "I used to live in Citrus Heights and still have a lot of friends here. I came out to volunteer because I love the town and wanted to give back to the community."

Veronica was met by three Mesa Verde High School students Kyla Masters, Ariel Caballero, and Abby Jacobs. As Key Club members through their school, the students are required to participate in community service projects. Their efforts on Saturday, as well as the efforts of all cleanup volunteers, was much appreciated by park neighbors and did not go unnoticed.

REACH wants to thank everyone who participated and hopes to host similar events in the future. Please stay tuned. For more information about REACH, please contact Tom Scheeler at CityCitrusHeightsREACH@gmail.com. ★

The Board also set aside \$5 million to fund the new American River Parkway Homeless Reserve.

"I'm grateful to my colleagues and staff for supporting my proposal to assist the American Parkway Foundation in their well-coordinated efforts to proactively assist those living in the Parkway so we can save the Parkway," said District One Supervisor Phil Serna.

For details, read the County Executive's Budget Letter or view the

budget documents on the Office of Budget and Debt Management website.

The numbers on the Recommended Budget will change between now and September, when the County receives new information, including the impact of the State Budget and updated revenue totals. The Final Budget will come back to the Board of Supervisors in September for review and adoption.

'Kings and Queens Rise' Launch Co-Ed Youth Sports and Mentoring

Sacramento Kings News Release

SACRAMENTO, CA (MPG) - The fifth season of Kings and Queens Rise Co-Ed Youth Sports and Mentoring League launches this week through a partnership among the Sacramento Kings and The Center at Sierra Health Foundation's Build.Black. Coalition, Black Child Legacy Campaign and My Brother's Keeper Sacramento programs.

Kings and Queens Rise provides young people opportunities to engage in intercommunity activities, which help prevent and interrupt violence. The program is a caring and safe environment where mentors teach community building and sportsmanship.

"We helped launch the Kings and Queens Rise program based on the idea that we all share a collective responsibility in creating safe and supportive environments for our youth," said Sacramento Kings Chief Operating Officer Matina Kolokotronis. "Given the latest tragedies caused by gun violence and the compounded trauma, we know this work is more important than ever. We remain committed to providing youth with pathways for success and opportunities to build positive relationships."

"Kings and Queens Rise is part of the growing network of community-led violence prevention programs throughout Sacramento. The league provides young people opportunities to build community among themselves, across neighborhoods and with trusted adult coaches and mentors," said Chet P. Hewitt, president and CEO of Sierra Health Foundation and The Center, which

manages Kings and Queens Rise, Build.Black., the Black Child Legacy Campaign and My Brother's Keeper Sacramento. "We're proud to partner with the Sacramento Kings on these social and development experiences for youth that foster pride in themselves and their communities."

Part of the Sacramento Kings Jr. Kings program, the eight-week basketball season will tip-off on June 25 and run until August 13. Eight teams composed of youth from 4th through 10th grade will participate, one from each of the following neighborhoods: Arden Arcade, Del Paso Heights-North Sacramento, Foothill Farms-North Highlands, Fruitridge-Stockton, Marina Vista, Meadowview, Oak Park and Valley Hi. Games and practices take place throughout North and South Sacramento in community locations. The season will culminate with a tournament hosted by the Kings.

In addition to basketball, this year, Kings and Queens Rise includes a co-ed dance team of up to 30 youth as well as golf clinics and a mobile golf simulator for youth participants and coaches.

Grand Jury Releases New Status Review

Continued from page 1

there is 'nothing to see here' reflects the precise leadership and accountability deficiencies outlined in the Report. Sacramento County needs and deserves engaged, accountable leadership from Supervisors. This became clear during the pandemic.

The Report provides a roadmap toward improved County governance

to better serve its residents. The Grand Jury remains concerned that the Board's apparent refusal to acknowledge any deficiencies will leave the County ill-prepared and vulnerable to the next inevitable public emergency. The Grand Jury strongly urges the Board to carefully reconsider the recommendations contained in its Report. ★

By County Supervisor Sue Frost

Through the generosity of the *Citrus Heights Messenger*, this column serves to provide an update about matters affecting the community of Citrus Heights.

On June 9th, the Sacramento County Board of Supervisors voted unanimously to approve the \$7.3 billion recommended budget for Fiscal Year 2022-2023. As all of this money comes from our tax dollars, I wanted to take this opportunity to provide you with some of the major takeaways from the adopted budget.

Anyone who has followed since I was first elected to the Board of Supervisors knows that I have been a routine advocate for building up our budget reserves. Sacramento County has consistently been operating with budget reserves significantly smaller than any county of similar size - and ever since I have been on the Board of Supervisors our reserves have represented less than 1% of our operating budget. I am extremely pleased to report that we made an enormous contribution to our reserves by putting in \$92 million, which brings the total discretionary reserves to \$208 million. This brings our discretionary reserves to about 6% of our operating budget, and while we still have room to build this higher (the recommended amount is ~17%), this is an enormous step in the right direction.

Like virtually everyone in the County, the current state of homelessness in our community is constantly at the forefront of my mind. To that end, the County is investing a further \$5.3 million to fund new programs and services addressing homelessness in the County. We also are investing \$7.5 million (partly county funds, and partly a federal match) for the Department of Health Services to procure Full Service Partnership programming as a requirement in fulfilling permanent supportive housing commitments.

And we are putting in more money to try to solve the root causes of homelessness, by investing \$10 million for the Department of Health Services to procure an additional 156 beds annually for substance use disorder residential treatment. Further, we have dedicated \$5 million to fund solutions for homelessness on the American River Parkway.

Citrus Heights Community Update

Highs and Lows of the 2022-2023 County Budget

Another major concern for me is the current failing state of our county roads, and while I have written several times in the past about why this is happening (in short, a severe reduction in state and federal funds), the County needs to step to the plate and get things back on the right track. In this budget cycle, we are putting in \$20 million to fund pavement maintenance and rehabilitation on roads, above what we already put in.

I know that most readers have eagerly been following the ongoing debate around law enforcement in the County. While many have called for the reduction or

elimination of funding for the Sheriff's Department, the communication my office has constantly received from my constituents lead heavily towards providing the Sheriff with a necessary level of funding to be able to protect our community. As such, I am pleased to report that the budget provides the Sheriff with the level of funding that was requested, which is an increase both in budget, and in staff.

I don't want to sit here and pretend that this is a perfect budget, because it's not. The reality is that the County is going to be facing lean times in the years to come due to one time COVID funds from the federal government drying up. As I mentioned above, we still need to invest a significant more into reserves, and even though that's not a particularly sexy thing to spend money on, anyone who has run a business or managed our own personal budget knows how important it is. Still, we were able to achieve much good - and I can honestly say that I am more proud of this budget than I have been since I have been your county supervisor.

Thank you for reading - and as always, if you want to contact me, call me at 916-874-5491, or e-mail me at SupervisorFrost@sac-county.net.

Defendant Convicted of Kidnapping, 3 Sexual Assaults

Sac County DA News Release

SACRAMENTO COUNTY, CA (MPG) - Manuel Sicario was convicted by a jury of kidnapping for the purpose of rape, assault with the intent to commit rape, sexual battery, attempted sexual battery, annoying or molesting a child and indecent exposure.

The jury also found true allegations that Sicario kidnapped the victim; the victim was particularly vulnerable; Sicario's crimes were carried out with planning, sophistication, and professionalism; and Sicario engaged in a violent conduct that indicates a serious danger to society.

On August 10, 2019, the 15-year-old victim was at Sutter's Landing when Sicario walked up next to her and began to masturbate. As Sicario masturbated, he pulled the victim towards him. The victim was able to pull away from him and flee. She did not call the police. On August 18, 2019, the second victim was at Sutter's Landing when Sicario came near her and began to strip down to his underwear. The victim was so uncomfortable with Sicario's behavior that she took a video of him. When the victim turned her back on Sicario, he immediately jumped on her.

Sicario straddled the victim and tried to grope her. The victim was able to throw Sicario off of her, run away and call 911. The third victim was jogging on the bike path at Sutter's Landing when she encountered Sicario standing on the bike path. When she tried to pass him, Sicario grabbed her, dragged her down the bike path and took her under the I-80 overpass. Sicario threw the victim to the ground exposed himself. He then held one of the victim's hands down as he pulled her clothes to expose her body. The victim tried to fight off Sicario during the entire attack. When Sicario covered the victim's mouth to prevent her from screaming, the victim bit his hand so hard that he let her go for a minute. The victim ran away screaming for help. Law enforcement took the second victim's video of Sicario and released it to the public, resulting in numerous tips. The tips included the first victim reporting that she was assaulted by the suspect as well. Sicario was located in Tulare County and arrested on August 28, 2019.

Sicario faces a maximum sentence of 32 years to life in prison. Sentencing is set for July 6, 2022, at 1:30 p.m. in Department 10 before the Honorable Ernest Sawtelle. ★

Defendant Convicted of Charges Stemming from Domestic Violence Assault

Sac County DA News Release

SACRAMENTO COUNTY, CA (MPG) - Michael Dwyer was convicted by a jury of kidnapping, kidnapping for carjacking, domestic violence, evading an officer with willful disregard, and making terrorist threats.

Dwyer and the victim were estranged. On July 15, 2016, the victim opened her garage door and Dwyer immediately rushed into the garage. Dwyer punched the victim in the head, took her phone, duct taped her mouth shut, and tied her hands with zip ties. He forced her back into her house and threatened to kill her, her children, and her parents. Dwyer then threw the victim in the trunk of her car and drove her to his residence. While tied up in the trunk, the victim pressed random buttons on her iWatch until she got a hold of someone who called 911. Officers were not able to find the victim since Dwyer had taken her to his residence. At the house, Dwyer forced the victim into his bathtub, tied her legs with zip ties, and water boarded her because he wanted her to

admit she was having an affair. He also showed her a curling iron and told her he would stick it inside of her and burn her. After begging Dwyer to loosen the ties on her hands, he cut the ties on her hands, but tied her to a chair. He then swallowed a cupful of pills. When Dwyer passed out, the victim was able to cut the zip ties off and get her phone before running out of the house. Officers saw the victim running down the street with no shoes and duct tape still around her neck. Before officers could get all the information from the victim, Dwyer pulled out of his garage in the victim's car and fled. Officers chased Dwyer who was speeding in excess of 100mph while running red lights and stop signs. The pursuit ended when Dwyer lost control of the victim's car. The Sacramento Police Department, Elk Grove Police Department and CHP all worked together to investigate this case.

Dwyer faces a maximum sentence of 18 years and 8 months to life in prison. Sentencing is set for July 6, 2022, at 1:30 p.m. in Department 20 before the Honorable Michael Sweet. ★

CHP Arrests Teen for Attempted Murder

CHP News Release

SACRAMENTO, CA (MPG) - The California Highway Patrol (CHP) arrested a Sacramento teen on multiple felony charges stemming from the April 2022 shooting in a south Sacramento parking lot, which left a local man with serious injuries.

Since the April 22 incident,

CHP investigators worked to identify the suspected shooter and his accomplice. On Tuesday, June 7, officers from the CHP's South Sacramento Area office conducted an operation in which the alleged shooter, 16-year-old Joesuff Cochrun, was located and taken into custody without incident. He was booked into the Sacramento Youth Detention

An arrest warrant has been issued for a second suspect wanted in the shooting that occurred in the parking lot of the Employment Development Department at 2901 50th St. in Sacramento. 16-year-old

Larry Bernard Scott Jr., of Sacramento, is wanted on similar felony charges as the suspect in custody.

The involved vehicle, a gold 2000 Chevrolet Malibu, was located at a third residence in Sacramento and taken as evidence to be searched pursuant to a search warrant.

involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 800-280-2832 for information regarding the trustee's sale or visit this internet website <http://www.qualityloan.com>, using the file number assigned to this foreclosure by the Trustee: CA-22-898813-JB. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the internet website. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT: You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if

you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call 800-280-2832, or visit this internet website <http://www.qualityloan.com>, using the file number assigned to this foreclosure by the Trustee: CA-22-898813-JB to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. The undersigned Trustee disclaims any liability for any incorrectness of the property address or other common designation, if any, shown herein. If no street address or other common designation is shown, directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale. If the sale is set aside for any reason, including if the Trustee is unable to convey title, the Purchaser at the sale shall be entitled only to a return of the monies paid to the Trustee. This shall be the Purchaser's sole and exclusive remedy. The purchaser shall have no further recourse against the Trustor, the Trustee, the Beneficiary, the Beneficiary's Agent, or the Beneficiary's Attorney. If you have previously been discharged through bankruptcy, you may have been released of personal liability for this loan in which case this letter is intended to exercise the note holders right's against the real property only.

Get Floored with Just Perfect Floors!

Story and photo by MaryAnne Povey

SACRAMENTO REGION, CA (MPG) - Home improvement projects have been on the rise since 2020 and there's a good reason why – you can't go wrong investing in your home! And, in case you're wondering where to start, how about from the ground up? Updating your flooring is one of the top investments you can make that not only improves the aesthetics of your home, but the value too!

For many homeowners, the whole process can be overwhelming and so making the right decisions to get the "perfect floor" can be challenging unless you have a trusted professional like Just Perfect Floors to guide you through the process!

"There are so many options to consider when choosing the right floor," said Josh Penuel, owner of Just Perfect Floors, "getting the right flooring isn't difficult if you have the expertise to know what to recommend. It's what we love to do."

Josh and his wife Sarah are a "perfect" match in many ways, each with their area of expertise. Josh is the on-the-job installer and Sarah is the office manager/designer who will guide you from start to finish, including picking the perfect flooring to compliment your home.

The Penuels decided to start their own business in 2013 after Josh had been working in the industry for over 18 years. They saw a need to do more and raise the bar by providing better attention to detail, a higher level of expertise, and the flexibility to go the extra mile.

Just Perfect Floors husband and wife team Josh and Sarah Penuel will help you replace your flooring from start to finish.

When you call Just Perfect Floors, Sarah will get an overall idea of what you are hoping to achieve and schedule a free appointment with Josh. They will treat you with the highest level of professionalism, from start to finish.

Integrity, honesty, and dependability are the values of their family and business too. Their countless glowing reviews speak volumes as to what you get when you hire them for your flooring project.

"Sometimes, people will pick flooring that's not quite right or inexpensive and won't hold up. I can help them make good decisions that may cost slightly more, but will save them in the long run," Josh shared, "We're not the cheapest, nor the most expensive, but as they say, 'you get what you pay for.'" Josh will take the time to make sure you get what you need. Sometimes he can offer a simple repair, other times

he has saved homeowners big headaches by pointing out problems, like foundation issues, that need to be addressed before new flooring is installed.

Josh and his team are licensed and HEPA certified, which is BIG – meaning that when they do a job, they leave your home super clean. They get all the small particles of dust and debris out of the air while they are working. One customer who had a sensitivity to dust, "was amazed at how clean the place was during the whole process including having major foundation work done too."

"Our business has been blessed with good clients, and we are always happy to help others," said Josh, "If you're looking for a great job, give us a call. We will be happy to serve you."

Reverse mortgages are loans offered to homeowners who are 62 or older who have equity in their homes. The loan programs allow borrowers to defer payment on the loans until they pass away, sell the home, or move out. Homeowners, however, remain responsible for the payment of taxes, insurance, maintenance, and other items. Nonpayment of these items can lead to a default under the loan terms and ultimate loss of the home. FHA insured reverse mortgages have an up front and ongoing cost; ask your loan officer for details. These materials are not from, nor approved by HUD, FHA, or any governing agency. Licensed by the Dept of Financial Protection and Innovation under the CRMLA.

Medi-Cal Holding Seniors Back

By Ana B. Ibarra,
CalMatters.org

California living is expensive. So imagine having to get by on \$600 a month. That's essentially what some seniors and people with disabilities have to do in order to access Medi-Cal, the state's health insurance program for low-income residents.

Individuals with significant medical expenses — but whose income is too high to qualify for free Medi-Cal — may still access the program if they pay some of the costs.

That share of cost works like a monthly deductible; people are allowed to keep \$600 for personal use and must spend the rest of their income on health care expenses before their Medi-Cal coverage kicks in.

"If you make \$1,600 a month, \$1,000 has to go toward paying for your care," said Tiffany Huyenh-Cho, a staff attorney at Justice in Aging, an organization that is urging state lawmakers to update the income rule. Because people using this type of Medi-Cal usually have costly care, for some it's worth paying, but most can't afford it, she said.

In January of this year, the latest month for which state data is available, there were about 81,000 people who were enrolled in Medi-Cal but couldn't use it because they did not meet their share of the cost. The majority are over 65 or have a disability, data show.

Thirty-year-old Medi-Cal income limit leaves some seniors without needed care. Photo © Katarzyna Bialasiewicz | Dreamstime.com

Keith Wells, she recently applied for Medi-Cal. Her Social Security monthly income of \$2,000 puts her over the limit for free coverage. Keith is still waiting to get official word from the state on his mom's eligibility status, but isn't sure they'll be able to meet her share of the cost.

The dollar amount that people get to keep, \$600 for an individual and \$934 for a couple, hasn't changed since 1989, when the minimum wage was \$4.25 an hour.

"It was shocking to hear it hasn't been updated since then," Keith Wells said.

Older adults like Wells

also qualify for Medicare, the federal health insurance program for seniors and people with disabilities. But Medicare doesn't cover all her needs or at-home care. Wells, a former beauty shop owner, suffers the aftermath of a heart attack, which left her heart muscle damaged. She has chronic obstructive pulmonary disease (COPD), dementia and anxiety. Medi-Cal would supplement her Medicare coverage. About 1.4 million Californians are enrolled in both programs.

California has put forth sweeping and first-in-the-nation policies to expand health insurance coverage to more people. It has

one of the lowest uninsured rates in the country — about 6% of California residents don't have health insurance. Still, pockets of people continue to struggle to afford the coverage and care they need, meaning they go without it.

Aging advocates say older adults tend to live on fixed incomes but are sometimes subject to rules that haven't kept up with the current cost of living.

Aging and health advocates are now asking legislators and the governor's office to allow Medi-Cal recipients who need to pay a share of cost to keep more of their

income. Assembly Bill 1900 by Assemblymember Dr. Joaquin Arambula, a Fresno Democrat, proposes to raise the monthly limit from \$600 for an individual, which is about 55% of the federal poverty level, to \$1,562, or 138% of the federal poverty level.

This adjustment would require federal approval, according to the Department of Health Care Services, which oversees the Medi-Cal program.

Arambula's bill made it out of the Assembly last week and is now before the Senate. "This is simply a matter of fairness for Californians who are struggling to make ends meet and need access to

health care," Arambula said about his bill in the Assembly Health Committee hearing earlier this year.

Linda Nguy, a policy advocate with the Western Center on Law and Poverty, said it would be difficult to pass the bill if funding for it isn't included in this year's state budget. Funding for this proposal was not included in the governor's May revision of the budget.

However, the version of the budget released by the Legislature's Democratic leaders allocates \$31 million to reduce the share of cost for this population. The Legislature and Gov. Gavin Newsom must now come together and hammer out a final budget.

The Legislative Analyst's Office has estimated that this proposal would cost anywhere between \$53 million and \$151 million, of which half would be paid for by the state and the other half through federal funds. Without that funding, Arambula's bill would likely get stuck in the Senate's fiscal committee, Nguy said.

At least nine other states and the District of Columbia allow people who pay a share of cost for Medi-Cal (Medicaid in other states) to keep a higher amount for personal use than California does, according to the Kaiser Family Foundation.

CalMatters COVID and health care coverage is supported by grants from the Blue Shield of California Foundation, the California Health Care Foundation and the California Wellness Foundation. ★
