ELK GROVE, CA (MPG) - Elk Grove showed its support for United States service members at American Legion Post 233's annual Veterans Day Parade.

Starting at the traditional time of 11:11 a.m. on Nov.

11, the parade traveled on Elk Grove Boulevard from the Cosumnes Community Services District headquarters before turning south on Elk Grove-Florin Road, heading to Elk Grove Park. Parade-goers lined the streets, finding the best vantage point to view the

City, CHP Awarded Road-Safety Grants

By Matthew Malone
Staff Writer

ELK GROVE, CA (MPG) - The city of Elk Grove has received nearly \$700,000 dedicated to improving the safety of the city's streets. Meanwhile, California Highway Patrol (CHP) announced that it has gotten a federal grant in support of efforts to reduce traffic deaths and injuries.

"We are thrilled to announce that the City of Elk Grove has been awarded a \$680,000 Safe Streets and Roads for All Grant from Caltrans!" the city of Elk Grove announced Nov. 13 in a statement on social media. The post said that the grant would allow the city to create a "comprehensive plan to collect and analyze traffic safety data, setting the stage for safer streets for all of us."

According to Caltrans, the Safe Streets and Roads for All (SS4A) Grant supports programs to prevent deaths and serious injuries on the road, which it calls "Vision Zero" or "Toward Zero Deaths" initiatives. Created by state legislation in 2021, SS4A supports the National Roadway Safety Strategy laid out by the federal Department of Transportation.

Elk Grove's announcement promised "robust community outreach efforts" to come and encouraged Elk Grove residents to "stay tuned" for future action.

CHP said its own grant award of \$2.5 million from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration, would fund a campaign to promote safe driving on the state's highways.

"Speeding and aggressive driving behaviors are a significant danger to the motoring public, pedestrians, and individuals using alternate forms of transportation," read a CHP news release published Nov. 9. "In federal fiscal year 2021-2022, speed was a factor in nearly 40% of all fatal and injury crashes in California. During this period, there were in excess of 28,000 speed-related crashes, resulting in over 400 deaths and more than 42,000 injuries."

In order to counter these trends, CHP said it would launch enhanced-enforcement and public-awareness campaigns statewide.

CHP used federal funding to support its education and enforcement efforts from April 2021 to July 2023, during which time it issued more than 48,000 citations to motorists exceeding 100 mph, according to the release, as well as posting ads on social media speaking out against speeding and aggressive driving. ★

Council Rezones Sites for Upcoming Projects

By Shaunna Boyd

ELK GROVE, CA (MPG) - At its Nov. 8 meeting, Elk Grove City Council approved a rezoning, design and permits for a proposed self-storage project on Elk Grove Boulevard. To make the zoning change possible, Council also increased the maximum zoning density for the planned Treasure Homes subdivision. The

residential zoning decision did not involve actual construction.

State law requires the addition of zoned housing capacity in order for land to be set aside for the planned Stathos Self Storage business.

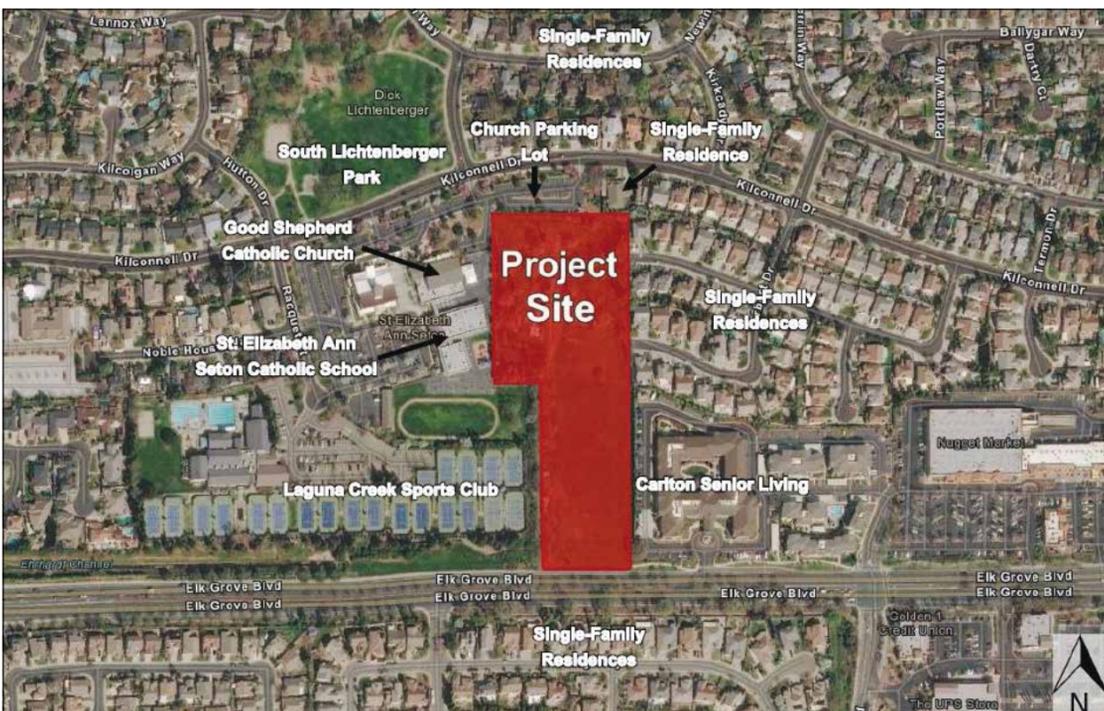

California's Senate Bill (SB) 330 prohibits rezoning residential areas for other uses (which the Stathos project would

require) unless there is a concurrent rezoning of another area to make up for that loss of potential residential units. Approval of the Stathos rezoning would result in the loss of 39 potential residential units, and the rezoning of Treasure Homes would increase residential capacity by 50 units, thus satisfying the SB 330 requirements.

The Treasure Homes site is located within the Laguna Ridge Specific Plan (LRSP) area, on the north side of Bilby Road, east of Bruceville Road. The site is vacant, with no existing buildings or trees. Council approved Treasure Homes' tentative subdivision map in 2018.

The current zoning is low density residential

Before the parade set off, opening ceremonies honored those who have served in the U.S. military. Volunteers read the names of Elk Grove's numerous veterans while local officials and parade participants listened. After the playing of taps by Baldwin Wong, a member of Veterans of Foreign Wars (VFW) Post 8358 and American Legion Post 233, the various parade participants prepared to march.

The entries included veterans organizations, such as American Legion, VFW and the Marine Corps League; local service and scouting organizations like the Elks, Girl Scouts and Boy Scouts; and a slew of

Council Rezones Sites for Upcoming Projects

(LDR) at RD-4, which allows four dwelling units per acre. The rezoning would change the site to RD-7, allowing seven dwellings per acre, which is still within the allowance for LDR.

Council voted 3-0 to approve the Treasure Homes rezoning. Mayor Bobbie Singh-Allen and Vice Mayor Kevin Spease were absent.

Council next considered the rezoning for the Stathos Self Storage project, as well as a design review, conditional use permit, and tree removal permit for the project.

The project site is approximately 7.7 undeveloped acres located on the north side of Elk Grove Boulevard just west of Bruceville Road. The site is surrounded mostly by residential parcels, with existing single-family homes to the north and south. To the east are a mix of low- and high-density residential units and a residential care facility. To the west are a school, church and racquet club, zoned for private open space and recreation.

The site is currently zoned as LDR at RD-5, which allows five dwellings per acre. The proposed rezoning would change the property designation to

employment center (EC), for an industrial office park.

The Stathos Self Storage applicant plans to relocate his self-storage business to this location because he has a sale agreement in place to sell his existing Laguna Self Storage facility on Dwight Road for use as a parking lot for a possible Elk Grove station project — a component of the proposed Valley Rail Sacramento Extension Project, which would construct a new passenger rail service between Stockton and Sacramento. That project is a joint venture between The San Joaquin Joint Powers Authority (managing Amtrak San Joaquin) and the San Joaquin Regional Rail Commission (managing the Altamont Corridor Express). The city contends that the development of the future Elk Grove station would provide a significant benefit to Elk Grove residents, and approval of this new self-storage location would facilitate that project.

The project will include a new personal self-storage facility with associated improvements, including parking, lighting, security camera system, emergency vehicle access gate, and a new driveway from Elk Grove Boulevard.

Landscaping on the site will include tree plantings to mitigate the removal of the 72 existing trees. A 25-foot landscape setback at the back edge of the site will include grassy swales for storm drain and bio-retention facilities and a line of trees along the boundary wall. City staff determined that the self-storage facility would have minimal impacts on surrounding neighborhoods and is consistent with surrounding land uses.

The project applicant, Ryan Smith, spoke at the meeting, stating that he has been a business owner in Elk Grove for more than 20 years and is excited to begin his third business in the city.

During public comment, Guadalupe Ramirez, who lives on a property adjacent to the project site, said she wants assurance that the 25-foot landscape setback will not be accessible to the public, saying it could bring the potential for loitering or crime along the edge of their neighborhood. She was also concerned that the emergency vehicle gate would allow public access, especially to children from the neighborhood who might be able to squeeze through small spaces onto the site.

Staff confirmed that there will be no public

access to the landscape setback and the emergency vehicle access gate will be restricted, with the final design to be approved by the city.

During Council comments, Councilmember Sergio Robles said he understands that it makes sense for the city to approve this project to accommodate plans for the train station, but he

would prefer a storage facility be constructed in another location instead of in the middle of an existing residential area. Rather than considering various rezoning for new projects, he said the city council should be encouraging projects that are appropriate for the current zoning.

“I just want to make sure that we’re mindful

of the land that we have, especially when we have so little of it left now,” Robles said. “We have limited land, and we want to just make sure that we’re planning stuff around the areas in a methodical manner.”

Council voted 3-0 to approve the rezoning, design and permits for the Stathos Self Storage project. ★

Accrued interest and additional advances, if any, will increase this figure prior to sale. It is possible that at the time of sale the opening bid may be less than the total indebtedness due. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call, (916) 939-0772 for information regarding the trustee's sale or visit this internet website, www.nationwideposting.com, for information regarding the sale of this property, using the file number assigned to this case, T.S.# 22-04500CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the internet website. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT: You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call (916) 939-0772, or visit this internet website www.nationwideposting.com, using the file number assigned to this case 22-04500CA to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. File No.:22-04500CA If the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Trustee and the successful bidder shall have no further recourse. Elk Grove PD Awarded Grant From Office of Traffic Safety

Elk Grove Police Department Press Release

ELK GROVE, CA (MPG) - The Elk Grove Police Department was awarded a \$305,000.00 grant from the California Office of Traffic Safety (OTS). The grant will support our ongoing enforcement and education programs to help reduce the number of serious injuries and deaths on our roads.

"We will be able to increase our efforts in making our roads safer for everyone and focus on critical areas such as distracted driving, impaired driving, and speeding" Elk Grove Police Traffic Lieutenant Jason Bolfango said.

The grant will provide additional programs and resources, including:

- DUI checkpoints and patrols focused on stopping suspected impaired drivers.
- High-visibility distracted driving enforcement operations targeting drivers in violation of California's hands-free cell phone law.
- Enforcement operations focused on the

most dangerous driver behaviors that put the safety of people biking or walking at risk.

- Enforcement operations focused on top violations that cause crashes: speeding, failure to yield, stop sign and/or red-light running, and improper turning or lane changes.
- Community presentations on traffic safety issues such as distracted driving, impaired driving, speeding and bicycle and pedestrian safety.
- Collaborative enforcement efforts with neighboring agencies.
- Officer training and/or recertification: Standard Field Sobriety Test (SFST), Advanced Roadside Impaired Driving Enforcement (ARIDE) and Drug Recognition Expert (DRE).

The grant program will run through September 2024.

Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration. ★

Military Spouses Also 'Volunteer'

Spiritual Care

BY NORRIS BURKES

This Veteran's Day I'd like to challenge you to spread your thanks-for-serving sentiment toward the spouse of a veteran.

That's because each year, I can't help but think of the day in 2008 when I brought a documentary home for my wife, Becky.

My wife doesn't especially care for documentaries, particularly the news this one brought. "Baghdad ER" is a documentary that HBO.com says "captures the humanity, hardships and heroism of the U.S. military and medical personnel of the 86th Combat Support Hospital."

"I want us to watch this movie together," I said.

There was nothing subtle in my approach. Becky saw that I was carrying some news of my own. Before she could respond, I answered the question I read on her face.

"The Air Force needs a chaplain volunteer for their hospital at

Balad Air Base in Iraq. The hospital is specifically requesting a 'hospital-trained chaplain' for a four-month deployment."

I hurried to add: "It's a Level I trauma center, which does over 1,200 surgical procedures each month. They help everyone — military, civilians and contractors as well as Iraqi soldiers, police, civilians and even detainees."

She stared into me, stuck on one word: "volunteer."

The thoughts of the military spouse upon hearing the word "volunteer" aren't normally as altruistic as those of the military member.

Who could blame her if she suddenly exclaimed, "What makes you think I'm not the volunteer here? I would be volunteering for four months of solo parenting! I'll be volunteering to be single for four months!"

Instead, Becky simply said, "We'll watch it after dinner."

Afterward, we talked about the mutual meaning of the word "volunteer." We talked about everything from kids to car problems.

We talked about updating our wills. I tried to soothe her with the fact that there hasn't been a chaplain

killed in the line of duty since the Vietnam War.

Not surprisingly, she found that factoid devoid of comfort.

I told her the pay would be great — especially with hazardous duty pay.

Again, I got nowhere, not even when I mentioned the extra \$3.33 per day separation pay.

"Why do you want to do this?" she asked.

Ah, the "why" of a thing.

"If I retired, I wouldn't have to go." I said giving a commonly offered solution in the conflict between military members and their spouses.

She wasn't biting.

"Why?" she repeated. "Why do you want to go?"

"I want to go because I want to help," I said, unable to state it more profoundly than that. "They need hospital chaplains. I'm one. I can't sit here while they declare they need someone. It's a need I know how to fill."

After nearly a week of discussion, she said, "You need to go. You need to feel you've done your share. I understand."

It was at that point I composed my

e-mail accepting the assignment.

I called her to the computer and let her proofread the e-mail.

Then I asked her to do a difficult thing.

"I want us to share this decision. Would you be willing to press the 'send' button?"

Her index finger hovered over the keyboard in hesitation. Then, she clicked "send" with a definitive push.

She did understand.

So this month, I have a favor to ask. As you offer a grateful handshake to a veteran, turn to the spouse and say, "Thanks for your understanding."

After all, most of them have certainly done more than they ever "volunteered" to do.

Sac-Joaquin Section Div I Playoffs

Trail, Wolfpack Drop One-Sided Second Round Games

By John Hull
Citizen Sports Editor

#4 Inderkum 50, #4 Monterey Trail 21

SACRAMENTO COUNTY, CA (MPG) - Inderkum and Monterey Trail came into the Nov. 10 Sac-Joaquin Section Division I second round playoff game at Mark Macres Stadium with lots of similarities. Both went 6-0 in their respective conferences this season with just one or two tough opponents. The rest were, well, just not at the same level.

Both schools, with Monterey Trail's possible exception of close wins over Laguna Creek and Grant, scored early and often in most of their conference games. They boasted big statistical games in those blowouts. But perhaps no one had the numbers this season that the Tigers' Rick Cole had. He

He led Inderkum's quick strike offense to an average of 53 points a game through both his legs and his arm. Coming into Friday's game he had 44 TD passes on the season. He added four more of those scores to his 2023 resume and ran in two more to lead the Tigers into a Division I semi-final showdown with Folsom thanks to a 50-21 romp over Monterey Trail.

But, that game started out looking at anything except a blow-out. In fact, perhaps for the first time in the Mustangs' 19 seasons of football, they took the opening kickoff and spent ALL the first quarter on offense. It took 20 plays for Monterey Trail to start at its own two yardline, the opening kickoff was fumbled out of bounds, and end up at the Inderkum one before the horn sounded ending the period.

D'Adrien Sanders scored on the first play of quarter number two and after Arjan Banwait's extra point it was 7-0, Mustangs.

Almost as soon and Cole and friends got the ball for the first time, they scored. In fact it took Inderkum one minute and four seconds to drive 76 plays and score. Cole hooked with Lono Chouteau on a 34-yard play and the game was tied.

That's when the night started getting long with the Mustangs. A blocked punt gave the Tigers just a 35-yard field to take the lead for good at 14-7. With time running out in the first half, though, Monterey Trail had perhaps its best opportunity to swing momentum its way when Joseph Barrientos found Arik Phillips open on a 43-yard pass play to put the ball on the Inderkum 15 with one minute left on the clock.

Coach T.J. Ewing said rather than run the ball out of

their veer formation for a possible score right before half-time, they were out of time outs.

"We could have maybe squeezed out a play or two, but we were out of time outs," he explained.

That's when the dagger struck. Barrientos in trying to pass the ball to the left flat after rolling right threw a ball that Tiger safety Baron Johnson timed perfectly at the 10 yardline and ran untouched 90 yards for a touchdown and a 21-7 lead at intermission.

"That kid made a phenomenal play," Ewing said. "That was their safety that ran into the flats and snagged it. That's talent and this team has a lot of that."

Ewing complimented Cole and his teammates on their talent and desire to get the job done in the game.

"Coach (Justin) Reber and Coach (Reginald) Harris and those guys got their guys ready," Ewing said. "They are just committed. That's what we've got to do is get more guys committed. I commend our guys for scrapping and putting it together and coming back and playing hard as heck. We appreciate all our senior guys who played awesome and we appreciate them."

On the season for Inderkum Cole has completed 64 percent of his passes for 2,382 yards, 48 touchdowns and only four interceptions. His quarterback rating is now 129.9. In the Tigers' opponent this Friday there will be another quality quarterback in Folsom's Ryder Lyons. He has virtually the same quarterback rating as Cole (129.4) with 28 TD passes and only four interceptions. Lyons has completed 69 percent of his passes this season for 2,535 yards.

Sac-Joaquin Section D-VI Playoffs

Pride Rolls Over D-Backs to Get Into Semifinals

By Alejandro Barron
Citizen Sports Intern

SACRAMENTO, CA (MPG) - The first matchup between Sierra Valley

Conference rivals, Bradshaw Christian and Union Mine on Sept. X, went in favor of the Pride thanks to a muffed snap, two fourth down

stops and two fumble recoveries. Then their Nov. 10 playoff matchup was more of the same for the Pride to move on to the semifinals of the

CIF Sac-Joaquin Section Division VI Playoffs.

Five turnovers allowed for the Pride to take advantage of these mistakes, putting the Diamondbacks away by a score of 41-7 for their second win over their conference rival this season.

"All year long our defense has been the backbone of our team," Pride head coach Drew Rickert said. "I think what we've given up has been minimal all year long. They fly to the ball, they play hard and they're very well coached."

To start this matchup, both teams had two straight turnovers as the Pride fumbled on their first two drives while the Diamondbacks failed to convert on fourth down and threw an interception that was picked off by Gabriel Viegas.

Luckily for the Pride, they made the necessary adjustments to open the scoring and eventually the floodgates to put up 41.

"We started hitting on all cylinders, running the ball real well, we threw the ball when we

needed to, we blocked well tonight," Rickert said. "We were moving and doing the right things, we just got sloppy with the ball after that we played real well."

The scoring was opened on a rushing touchdown from Brandon Burden for his first of two touchdowns on the night. Nathan Zeppieri had two scores, as well. He would be wide open in the endzone for a TD reception, as the Pride is a primarily running team, plus he rushed for a touchdown.

Quarterback and free safety Ethan Rickert had quite a night as he threw for a touchdown, scored on a quarterback sneak and picked off a pass to contribute to the five turnovers from the Diamondbacks. The final dagger came on a rushing touchdown from Mateo Mujica in the fourth quarter to go up 41-7.

Playing a team twice in a season can be difficult but the Pride made the necessary adjustments and came out hungry to beat the

Diamondbacks.

"Union Mine is a good team and we really wanted to beat them again and it was nice because there's motivation like league," Rickert said. "It's nice to beat them twice and the players were hungry and wanted to beat them"

This has been a special season for the Pride because this is their 16th consecutive trip to the playoffs with Rickert being part of all of those playoff berths. Rickert also reached the milestone of 150 wins as a head coach and they took a step forward towards a sixth section title. The Pride is 5-2 in Section championship games.

The Pride will take on the Sonora Wildcats, who came up just short in last year's Section championship game. This is the Pride's fourth straight semifinal appearance (not taking into account the canceled 2020 season) and they look to finally get over the hump to win their first section title since 2015. ★

By Mike Curry
Special to the Citizen

HAPPY VALLEY, ORE, (MPG) - During the last week of July, the University of Oregon's Hayward Field hosted the USATF National Junior Olympics Track and Field Championships. Golden State Throwers (GST), a local throwing team coached by Mike Curry, centered just south of Elk Grove in Herald, continued their team dominance in 2023 by taking home 10 national medals, a good follow up from 2022's 12 medals. The Junior Olympics medals the top eight places naming them to All-American status.

Seven Elk Grove Unified School District athletes placed in the top 10 in the nation, with four winning medals and earning All American awards. The overall team produced 13 athletes in the top 10 and one national champion.

The age group 17/18-year-old girls results in the hammer throw include: Angela Schykerynec of Orland High School who became the 2023 National Champion in the hammer throw at 171'1". Second place went to Jean Ikenaga of Granite Bay High School placed third at 147'8". In 7th place was Ronan Gallagher of Folsom High School at 137'7". Adriana Lopez of Pleasant Grove High School was eighth at 136'10" and rounding out the top 10 was Marielle Winuk of Pleasant Grove High School in 9th place at 133'4". This was a great follow up result for the GST girls from the 2022 Nationals where a mostly different group of the teams girls place 1st 2nd 3rd and 4th. Also, worth noting that Angela Schykerynec won the high school 20-pound weight throw national title at 61'8,5" in the New York Nike Nationals, breaking the California record in March, 2023.

Local College Football Roundup Hornets Beat Cal Poly in Shootout for Seventh Win

Sacramento State and Cal Poly combined for 1,077 yards of total offense Nov. 11 before the Hornets shut down the Mustangs in the fourth quarter and took its Big Sky Conference contest, 41-30 at Fred Anderson Stadium. Courtesy Hornet Sports

Sacramento State 41, Cal Poly 30

SACRAMENTO, CA (MPG) - Quarterback Carson Conklin threw for a career-high 313 yards in his first career start, Marcus Fulcher added 121 yards on the ground, and Jared Gipson hauled in five catches for 154 yards as Sacramento State pulled away in the second half for a 41-30 victory over Cal Poly on Saturday afternoon at Hornet Stadium.

The Hornets improved to 7-3 overall and 4-3 in Big Sky Conference play, winning their fourth straight — and fifth in the last six — in the series with the Mustangs, who fell to 3-7 overall and 1-6 in league play.

Conklin, Fulcher, and Gipson combined to become the first Hornet trio to have 300 yards passing, 100 yards rushing, and 100 yards receiving in a game since Jake Dunningway (328 passing), Cameron Skattebo (117 rushing), and Marshell Martin (117 receiving) against Northern Arizona on Oct. 23, 2021. Conklin became the first Hornet freshman to throw for over 300 yards in a game since Nate Ketteringham in 2015.

In addition, Elijah Tau-Tolliver added 99 yards on nine carries and added a pair of scores for Sacramento State, which had four different players find the end zone on the day. He now has a team-high seven scores on the ground this season.

Gipson's 154 yards came on just five catches and were the most by a Hornet since Elijah Dotson had 158 against Northern Colorado in 2019. Conklin finished 17-of-26 through the air with three touchdowns to Carlos Hill, Devin Gandy, and Marshell Martin IV.

Fulcher picked up three-fourths of his rushing yards in the first half, tallying 94 yards on 12 carries. He now has 1,322 career rushing yards which moves him into 19th place in school history.

Cal Poly provided its own offensive fireworks as quarterback Sam Huard completed 37-of-58 passes for 483 yards and a pair of touchdowns. Huard set a school record for completions and finished the game with the second-most passing yards by a Mustangs. He was intercepted twice with both coming from junior nickelback Gavin Davis-Smith.

UC-Davis 21, Idaho State 14

POCATELLA, ID. (MPG) - Lan Larison amassed 264 yards on the ground and scored all three touchdowns en route to a UC Davis 21-14 victory over Idaho State Saturday afternoon in Holt Arena.

After the regular season road finale, the Aggies improve to 6-4 overall and 4-3 in Big Sky Conference play. The Bengals drop to 3-7 on the season and 3-4 in league competition.

Larison scored three rushing touchdowns for the second game in a row and for the third time this season.

The Idaho native became the first Aggie since Matt Massari to rush for over 200 yards twice in the same season. Massari posted totals of 237 and 221 in 2002.

In a clash between father and son head coaches Dan and Cody Hawkins, the Ags totaled 268 yards on the ground of their 394 offensive yards on the game, while ISU passed for 333 and managed 410 on the afternoon.

UCD quarterback Miles Hastings threw for 126 yards on 14-for-23 passing and Samuel Gbatu, Jr. led the receivers with 62 yards on four catches.

Zach Kennedy was disruptive all day for the Aggie defense, registering eight total tackles, including six solo stops, four for loss and three sacks. Kavar Bains paced the Ags with nine total tackles.

Larison scored the eventual game-winner for the Ags as he found paydirt from 23 yards out with 2:05 remaining in the game. A Lamont Shamburger interception deep in Aggie territory sealed the victory with 26 seconds remaining.

The Aggies and Bengals concluded the half even at seven. It was a tale of two different offenses as UCD rushed for 109 yards and held ISU to just one. The Bengals did put up 252 passing yards before the intermission.

Larison accounted for the lone Aggie score in the first half as he took a direct snap and pummeled in from three yards out. He totaled 106 yards on 15 carries in the half.

ISU opened the half with a score, but after a Jackson Cloyd interception deep in Bengal territory, Larison took another direct snap from 12-yards out to even the score at 14.

The Aggies cap off the regular season when they host Sacramento State in the Causeway Classic. The annual contest is scheduled for Saturday, Nov. 18, with kickoff slated for noon at UC Davis Health Stadium.
