

LEWISBURG TO CELEBRATE

Good Neighbors

A BELOVED COMMUNITY EVENT

hosted by **Care** & the **CommUnityZone**

Representatives from a number of local agencies will be staffing booths and providing information on many of the wonderful initiatives already happening in the Susquehanna Valley. A variety of service opportunities, including health care, education, animal assistance, and more, will be represented so that individuals may find personally meaningful ways to give something back to the wider community that nurtures us all.

Enjoy eclectic music, eat delicious food, and enjoy a variety of activities, all while learning about our wonderful neighborhood.
