Port Master Plan Update Board Workshop

The Port of San Diego invites the public to attend a Board of Port Commissioners Workshop on the Port Master Plan Update. The Port has been conducting an Integrated Planning initiative that spans 6,000 acres of land and water with the goal of setting a blueprint for future baywide planning and development.

This workshop will provide an opportunity for the public and stakeholders to review the proposed draft goals for the **Resiliency and Safety Element**, **Natural Resources Element**, and **Coastal Access and Recreation Element**. Attendees will have an opportunity to provide public comment on the draft goals directly to the Board at the workshop.

**Thursday, May 25,
2017 | 11:00 a.m.**
