

Dog Walker Watch

According to the Humane Society of the United States and the ASPCA, there are more than 75 million dog owners across the nation. That's dozens, if not hundreds, of neighbors walking their dog throughout the community at all times of the day, all days of the week, in all weather conditions, who are often preoccupied with texting, chatting, emailing and listening to music.

Dog Walker Watch encourages these neighbors to assist local law enforcement as extra eyes and ears while out walking their dog. The program enhances the partnership between police and community while providing resources for neighbors to be more aware and how to effectively observe and report suspicious activity.
