Friends,

Every year, I have the honor of nominating outstanding students from our district to the U.S. Air Force Academy, U.S. Military Academy, U.S. Naval Academy, and the U.S. Merchant Marine Academy. The honor of attending a service academy comes with an obligation and commitment to serve in the military for at least 5 years upon graduating.

Junior high students, high school students, parents, and teachers are invited to a Service Academy Fair I will be hosting on Tuesday, October 17th. If you're interested in attending a service academy and want to speak with academy representatives, please be sure to attend.
