

# Winter Weather Seminar

From the National Weather Service

Learn about winter weather in the Northland from National Weather Service

Meteorologists:

- The science behind the weather
- How we forecast it
- How to prepare for it
- And how to recover!
- \* And for those interested, we will give training on how you can become a citizen scientist and help us by becoming a weather reporter at 5:30 pm, PRIOR to the regular session.

**When: Tue., November 7th**

**5:30 pm- Winter reporting training**

**6:30 pm- Winter Weather Info**

**Where: Wolf Ridge Learning  
Center**

6282 Cranberry Rd, Finland, MN

**Free! No pre-registration!**

**All are welcome**
