

North Hills Monthly

Your Premier Community Magazine™

2018 Media Kit

WHO WE ARE

North Hills Monthly, your premier community magazine™, has been serving the North Hills community for over 18 years. Each month, we reach more than 60,000 readers with stories that focus on the people and places that make Pittsburgh's northern suburbs unique. Every issue is filled with fascinating personality profiles, health, family and education trends, news about community events, and incisive columns written by experienced professionals.

As the premier source of community news for people who live, work and play in the North Hills, our mission is to provide our readers with well-written, informative and entertaining articles about the place they call home. We don't run 'canned' information or consider press releases 'news.' Our writers live in and know the area and its people well, which enables us to target our editorial specifically to the communities we serve.

In addition to original feature stories and professional columns, readers also pick us up to enjoy the following columns: Community Events, New & Notable, and our Worship Directory.

WE HAVE GONE SOCIAL

We personally invite you to "Like & Follow" us through social media, an added benefit for utilizing our publication. What better way than through social media? Our profiles will feature current and past advertisers, and we will promote them through contests.

Why social media?

- To extend our brand as well as our advertisers brands to an even larger audience.
- To receive quick response times with any questions that needed to be asked.
- To drive even more traffic to our advertiser's websites.
- The list is endless...

About Us

WHERE WE GO

North Hills Monthly is the best medium with which to reach Pittsburgh's northern suburbs. We cover all of northern Allegheny and southern Butler counties, including every community from Butler to the North Side, from Fox Chapel to Sewickley Township. We publish a guaranteed minimum of 20,000 issues monthly.

Our magazine is distributed in hundreds of high-traffic areas in the North Hills, including local hospitals, grocery stores, restaurants, retail and commercial businesses and corporate offices.

WHY YOU SHOULD ADVERTISE WITH US

North Hills' residents pick up our magazine and they frequent the businesses of our advertisers. For this reason, many of our advertisers have been with us since our first issue, and we continue to add new advertisers every day. We offer financial incentives for clients who choose to advertise with us when we run special sections, such as in our Annual Education Issue or in our Holiday Shopper section. Each magazine is printed full-color on glossy paper.

Advertorials: Clients who advertise in one of our special sections will receive advertorial space in which to feature their businesses. Advertorials are written by the client, or can be written by NHM staff for an additional fee. Advertisers who commit to a longer contract will receive a discount on their ad and advertorial space.

First Persons: These 600 or 800-word advertorials are written by the client and include a photo, showcase the client's business and are provided at a special rate. Clients can choose to spotlight a specific product, store, service or procedure in a way that educates the reader and sets the business apart from its competition. We also offer a Premier First Person, which is a two page 1,100-word article, written by the client, which includes 2 photos or a half-page ad.
