

#FRIENDS MATTER

WALK WITH US!

Saturday Morning, July 21

Mount Wanda, Martinez

Meet at the Park & Ride at the bottom of Mt. Wanda.

There may not be a cure for ALS, but there is a community that cares. **Friends Matter.** From our home to the Mendoza's, let's keep the lights burning bright! Be a part of the love! **Why?** Because on the walk of life there are many hardships along the way and we have an opportunity to make life a little easier for Osiel's journey.
