The San Diego Police Department (Southern Division)'s Thanksgiving Appreciation Luncheon was scheduled on Thursday, November 8 at Southern Division (1120 27th Street, San Diego, CA 92154). The cuisine included deep fried turkeys, ham, lumpia, tamales, pancit, salad, mash potato, fresh fruits, half sheet cakes, pies, brownies, corn bread, rice, and muffins from (Home Town Buffet, Filipino Grill, Souplantation, Tamales Ancira, Sprouts, Otay Farms Market, Costco, and Vons). The luncheon was festive and cuisine delicious.

The purpose of this community program is to show appreciation to officers for their commitment, hard work, and dedication in serving San Diego City communities and neighborhoods in the South Bay region. Southern Division's jurisdiction covers Otay Mesa-Nestor (OMN) community (Palm City, Otay Mesa-west, Egger Highlands, Nestor neighborhoods), Ocean View Hills, Otay Mesa, San Ysidro, which includes its border crossing (busiest in the world) that separates Tijuana, Mexico, from San Diego County, and the Tijuana River Valley. Southern Division serves an estimated population of 107,631 people (almost the total population of cities of Coronado and Imperial Beach, and National City combined) and encompasses 31.5 square miles.
