

Midland Park Father's Guild

**It is time to take action. We need to repair our schools.
We can't look for other people to fix our problems.**

**Contractors, Carpenters, Painters, Plumbers,
Electricians and workers from all trades built America.
Right here in Midland Park we have residents who work in all these trades
and more. With everyone's expertise we can fix our schools.**

We will not accept "No, you can't".

**If you think we can repair our schools and show town pride
join us in creating the Midland Park Father's Guild.**

**The Father's Guild will raise money and make repairs to our schools, change
toilet seats and light bulbs paint and do light carpentry.**

**We will be at the disposal of the principals to use us as needed.
If it is just to hang a smart-board then that is what we will do.**

**We are not a political group or trying to convince people to vote
one way or another. Just men willing to give their time**

We will simply do what is needed to fix what is broken.
