

Optimist Club of Imperial Beach

Kids 'n Kastles 2019

Imagination "Under the Sea"

Thank you for your registration in this year's Kids 'n Kastles competition. The event will be held Saturday July 13th 2019. We are a small part of the annual Sun and Sea Festival and are excited to welcome you to this year's event. It is the goal of the Optimist club to provide a safe and wonderful event during which children can explore their creative sides (in the sand) and enjoy the wonderful beach/festival. Attached are the rules and a map giving our location and a team schedule. Please respect the beach and leave no trace behind other than your beautiful sand creations. Recycle and use trash cans responsibly. We are awarding prizes to winners in 2 categories **SandCastles/Sculptures** and **Creatures of the Sea**. It is not a requirement to use Imagination "Under the Sea" theme. Just be prepared to tell us about your creation. Thank you again for your participation and please let others know about this awesome event.

Thank You,

Eric Syverson
