Summer of Kindness Challenge

Win great prizes with an excellent summer family activity!

Recent history has shown us that just as easily as our country can come together in a time of crisis, it can be torn apart by meanness, violence, intolerance, and hatred. Fortunately, there is a local organization that focuses on how kindness can continue to be the inspiring link and the bridge that brings our region together as we work to find solutions and common ground.

Started in 1994 as Project Love, Values-in-Action has been providing social-emotional and character education programs to schools in northeast Ohio for 29 years. Through student workshops and seminars, the organization has trained over 1,300,000 students and 5,300 educators to lead with kindness, caring and respect.

To take kindness to the next level, Values-in-Action is currently presenting a movement aimed at bringing together communities, businesses, organizations, and schools by recognizing and sharing the acts of kindness around us in an effort to inspire a ground swell of positivity and goodness. Known as "Kindland," the movement relies on the power of the people to do, recognize, report, and share the acts of kindness happening everyday.

Ways to engage with the Kindland movement

- Spread the Kindland message: Take the Kindland pledge at www.BeKindland.com. It's an

easy way for anyone to show their commitment to kindness. Share the link and encourage others to take the pledge.

- Follow them on social media @BeKindland and share news about Kindland with your friends, family, and neighbors. Share kind stories and tag @BeKindland and include #Kindland.
- Post signage in your window or yard to show that you are a part of the movement that encourages kindness in northeast Ohio. Order free signage in the store at www.BeKindland.com.

Summer of Kindness Challenge

Values-in-Action is kicking off the 2023 "Summer of Kindness Challenge" where participants can win great prizes including a vacation, Browns tickets, Cavs tickets, grocery gift cards and more.

Entering is easy. On the back page of this issue of Today's Family there is a board with 20 challenges of kindness. Challenges include volunteering at a local animal shelter, supporting a lemonade stand, leave a kind message with sidewalk chalk, giving blood and more.

Between now and August 18, 2023, complete as many of the challenges as you can and mark them off as you go. For each act of kindness completed on the challenge board, participants will receive

an entry into the Summer of Kindness prize raffle. Completed challenge boards must be received by Friday, August 18 and either be emailed to amanda@projectlove.org OR mailed to Values-in-Action Foundation, Attn: Summer of Kindness, 6700 Beta Dr. Ste 120, Mayfield, OH, 44143. Save your challenge board and get started now at www.BeKindland.com!

Good luck and here's hoping for a truly great summer of kindness in northeast Ohio and around the world!

Walk to Remember event

Proceeds benefit programs of Hospice of the Western Reserve

The 12th annual Walk to Remember sponsored by Oswald Companies and ECHO will take place Sunday, June 11 at the Cleveland Metroparks Zoo. As Hospice of the Western Reserve's largest fundraiser of the year, the event brings the community together to celebrate the lives of loved ones. Registration is open at hospicewr.org/WTR and includes all-day admission to the Zoo and Rainforest plus a Walk to Remember keepsake. Those who are unable to attend in person may still support the event through online donations.

Admission is \$30 for adults and \$15 for children (ages 3–12). Wristbands are required for admission and will be distributed on the walk day beginning at 7 am. Registration will close at 11 am. All participants must enter the Zoo by noon. Teams may

begin walking at 8 am. Day of event registration will also be available.

Since 2012, the Walk to Remember has raised more than \$1.85 million to fund innovative HWR services not reimbursed through Medicare and private insurance. This includes pediatric hospice, customized programs for veterans, palliative care to manage symptoms earlier in a serious illness, children's grief support camps, expressive therapies, volunteer end-of-life doula support, a Pet Peace of Mind® program and much more.

Walkers are encouraged to invite family and friends, form a team and create custom T-shirts honoring their loved ones. Fundraising pages can be created on the registration site to track each team's progress, share pictures on social media and more. Get started at hospicewr.org/WTR.

For more information about supporting Walk to Remember, including several additional sponsorship opportunities, contact Monica Cowans at 216-383-3714, or by email at walk@hospicewr.org.

Rube Goldberg Exhibit

The World of Hilarious Invention!

Created by the Children's Museum of Pittsburgh in partnership with the Heirs of Rube Goldberg, Rube Goldberg: The World of Hilarious Invention! Exhibit (on view now through August 27, 2023) showcases Pulitzer Prize winning humorist and inventor Rube Goldberg's iconic contraptions and celebrates his humorous storytelling and inventive cartoons.

Inspired by Rube's original illustrations, the exhibit contains a collection of new 3D, life-size machines and hands-on, interactive components that connect Rube's iconic cartoon contraptions to the way things work in the physical world. These experiences provide insight into the legacy of Rube Goldberg and how classic engineering principles can be reimagined as entry points for deeper exploration of STEAM concepts for 21st century learning.

Visitors can activate and create crazy chain-reaction contraptions that use everyday objects to complete simple tasks in the most overcomplicated, inefficient, and hilarious ways possible! Rube Goldberg machines are many things, but they aren't

perfect. Find the fun in failure, stepping into the role of illustrator, storyteller, and inventor. Exhibition highlights include:

- See a Rube-inspired way to paint a picture in the 3D version of Ed Steckley's "An Epic Way to Paint a Picture"®
- Move balls and ramps to trigger chain reaction machines in Wall Machines, then figure out how they work by resetting each part.
- Be inspired by Rube Goldberg's drawing techniques to create your own hilarious cartoon in the Art Studio and then see how it looks at the Revolvometer.
- Pull ropes to start a series of musical chain reactions in the large-scale sound animation Music Machine.
- Step into one of Rube's iconic wearables, "Self-Operating Napkin."®, for a one-of-a-kind photo op.

Adults \$12; seniors (ages 60+) and students (ages 12+) \$10; children (ages 5-11) \$5; ages 4 and under and Maltz Museum members are free.

Dinosaurs of the Sahara exhibit now open at Science Center

Great Lakes Science Center will take guests back to the prehistoric era with Dinosaurs of the Sahara, a whole new dinosaur experience, making its world debut here from May 26 through September 4.

Created by Dr. Paul Sereno and the team at the University of Chicago's Fossil Lab, Dinosaurs of the Sahara brings the unique world of African dinosaurs to life with original fossils from the Sahara, one-of-a-kind mounted skeletons and flesh models, and a show-stopping giant 32-foot rearing long-necked Jobaria skeleton!

Guests will get to touch real fossils, including a SuperCroc skull, and relive the excitement and adventure of Dr. Sereno's recent ground-breaking Saharan expeditions with real footage from the field and an interactive dinosaur dig site. Get an up-close look at Africa's greatest predators, including spinosaurs and Africa's T-rex-sized predator, Carcharodontosaurus. Meet some of the most bizarre plant eating dinosaurs imaginable,

like Nigersaurus, nicknamed the Mesozoic cow, and see where and how these amazing creatures were discovered.

Look overhead at a pterosaur with a 12-foot wingspan and see mounted skeletons of the prehistoric predators Afrovenator and Sucho-mimus and skulls of other favorites like Spinosaurus and Rugops.

Since the early '90s, Sereno and his team have excavated more than 100 tons of fossils, bringing to light a menagerie of new species, many of which will be on exhibit.

Dinosaurs of the Sahara is included with general admission.
