## Bulldogs Boys Win Title

Gridley freshman pitcher Tanner Abbott (5) throws a pitch in the Bulldogs 8-0 victory in the CIF Northern Section Division III Section Championship on Saturday, May 20 over West Valley.

GRIDLEY, CA (MPG) - For the first time since the 2018 spring season, the Gridley Bulldogs baseball program hoisted a CIF Northern Section plaque as they beat West Valley 8-0 in the NSCIF Division III Championship on Saturday, May 20.

When the Herald visited the baseball team as they practiced in Farmers Hall in the middle of the March due to the infestation of rainy weather, a goal was

to win the section title, but now that goal changed to not ending their season.

Gridley head coach and alumnus Javier Solis told the Herald in the gym that

it would be a dream to win the section title for the Bulldogs.

Gridley (15-5) senior captain Michael Ryan, who played four years on the varsity level expressed to the Herald that he would do anything to win a section title with the Gridley G on his hat.

Both Solis and Ryan along with all of the other Bulldogs can check that off their list as they weren't going to give up the home field advantage they had in the title game.

## CHP Shifts into Overdrive to Halt Reckless Driving

CHP News Release

SACRAMENTO, CA (MPG)

- The California Highway Patrol (CHP) is accelerating its efforts to halt illegal street racing and sideshows plaguing the state's roadways and destroying the lives of innocent victims. To increase awareness about the devastation and destruction caused by this illegal and dangerous driving behavior, the CHP unveiled a new multi-media campaign while standing amid a three-dimensional installation featuring an actual crashed vehicle along Melrose Avenue in Los Angeles.

The billboard, a striking visual reminder, is just one of the more than 50 displays being erected throughout the state reminding drivers about illegal street racing and sideshows, "Thrills That Kill." The public can expect to see the billboard campaign through the summer months in areas of California that have seen a high number of illegal street racing and side show activity. Among the locations: Los Angeles, the Bay Area, and the Central San Joaquin Valley.

Illegal sideshows have been occurring at an alarming rate in California, and they continue to get bigger and more dangerous. In 2021, the CHP responded to more than 7,300 incidents statewide with nearly 123,000 participants. While the number of incidents decreased by approximately 50 percent last year, there is still a significant amount of work to be done to keep California's communities, and those who use our roads, safe.

"Illegal street racing and sideshows put lives at risk, upset the quality of our neighborhoods, cause damage to private and public property, and in some cases, have resulted in the death of innocent people," CHP Deputy Commissioner Troy Lukkes said. "Through our ongoing efforts we want to send the message throughout California that this dangerous and illegal activity will not be tolerated."

Over a 5-year period, illegal street racing and sideshow activities have resulted in 264 crashes. Of those incidents attributed to this reckless behavior, 30

### Red Suspenders Day Recap

By Seti Long

GRIDLEY, CA (MPG) - Another fantastic Red Suspenders Day has been logged in the books.

Early Saturday, May 20th, various Gridley Little League teams, fueled by pancakes and maple syrup after the Little League Pancake breakfast, took on the Waste Management team in the annual bed races. The Napa Butte Auto and Waste Management sponsored beds were pushed down Virginia Streets to the delightful cheers of those in attendance as this incredibly entertaining event primed RSD goers for the parade. Team Owls would take The win!

By Josh F.W. Cook

Another community gathering type fest is now in the history books, and Red Suspenders Day was a success. My grandchildren enjoyed the festivities; therefore, it was successful. This column makes it a policy to avoid telling people how to run their community festivities. Still, just as a point of consideration for next year, perhaps the whole get arrested for charity thing needs to be explained a bit better. While having lunch with a business associate who is new to the area, I was approached by a CAL FIRE firefighter who announced I was under arrest. The person I was

meeting started to gather their stuff and head for the door, and the Gridley Subway workers started pointing and speaking in hushed tones. I was offered \$40 for some option I did not understand (perhaps next year, I will have a pretend lawyer) or \$50, and I could finish my lunch and avoid being dragged away to a pretend jail cell. As I was writing a check and trying to explain that this is not really an arrest, this is just something we do as part of a community fundraiser; it dawned on me that for people new to the area, those of us who volunteer for these types of shenanigans have become quite used to pretend “arresting” people and wearing odd clothing (red suspenders). So perhaps an educational campaign next year before the big event warning people that the game is afoot and what the rules are, now on to the question of who did this to me. Someone in the inner circle of community-minded

busybodies got me - big time. They coordinated getting my name on the list and finding out where I was having lunch. So if anyone has any information about the people or persons who put me on the Chamber of Commerce Red Suspenders Day arrest list, I will give you a \$50 reward for letting me know who it was. Give me a name.

Reading the play-by-play reports from new local government reporter Cindy Scott has, so far, been entertaining as well as informative. She has been sending in some fabulous color commentary as of late; between her missives and the Live Oak/Biggs/ Gridley High School sports “fame and glory” reports, I feel as if I can cancel one of my television streaming services.

# “Swing for the Schools” Golf Tournament is Now Registering

Maddie Daddow, Cate Panteleoni, Charis Panteleoni and Emily Luna want your support this year at the annual Gridley Education Foundation Golf Tournament! Photo provided by Libby Tolman

By Seti Long

GRIDLEY, CA (MPG) - Got a killer long drive or tight short game? Gridley Education Foundation is looking for participants and sponsors for its “Swing for the Schools” annual golf tournament and luncheon.

For roughly the last 20 years, the tournament has been one of the principal fundraisers of the GEF. Monies raised support Gridley schools and students through the purchase of needed sports equipment or uniforms that don’t fall within the funding cycle of the school, scholarships, and even stand-up desks with the intention of giving students a break from the monotony of desks.

In addition to the registration fee of \$150, participants and non-participants can sponsor a hole on the green for \$150, advertise their support with a 5-cart sponsorship (name on 5 golfcarts) for \$300, or be a “Friend of the Foundation” which includes company recognition on a hole and on the program for \$175 - \$500. For \$700, a team of 4 can play on the private course with recognition on hole, and \$1000 will earn you the “Title

Sponsor” position, which includes 4 players, recognition on a hole and at the event. Contests included under the tournament’s registration fee are “closest to the pin”, “men & women’s accuracy drive”, a “putting contest”, and more.

Additional contests run by students directly benefiting their groups or teams will be available to participate in for an additional charge. For example, the GHS Volleyball team will be running a “pipe game” and the GHS baseball team will hold a “longest drive” contest.

Participation in the GEF Tournament is limited due to the size of the private golf course and is typically held to 125 golfers. The dress code is PTGCC (Peach Tree Golf and Country Club) - shirts with collars, tucked, with no blue jeans.

Deadline for registration is June 1st, 2023, and approaching quickly. The tournament will be held June 19th, starting promptly at 8:00 am at Peach Tree Golf and Country Club, located at 2043 Simpson Dantoni Rd., Marysville, Calif.

For more information, to register, or simply donate to the GEF, please contact Art Cota at 530-365-1612 or email at art-cota@att.net. ★

Meanwhile, gleaming chrome and mirror-finish paint jobs could be seen up and down Virginia Street - an array of classic cars on display at the Gridley Red Susenders Day Car, Truck and Motorcycle show. Vehicles contended for a place within the following categories: Best Engine: 1st - '55 Chevy Bel Air, 2nd - White Chevelle, 3rd - '38 Chevy Rat Rod; Best Interior: 1st - '66 Mustang GT 350, 2nd - '64 Pontiac GTO, 3rd - '62 Chevy Impala; Best Paint: 1st - '38 Chevy Master Deluxe, 2nd - '56 Chevy, 3rd - '72 El Camino; Best In Show: 1st - Willy's CJ 2A, 2nd - '64 Chevy Malibu, 3rd - '57 Ford Retractable Skyliner; Best Motorcycle: 1st - HD Night

Rod, 2nd - '74 V2 250 Track Bike. People's Choice: '66 Mustang GT 350.

At 11:00, the retired Gridley Police Department motorcycle cop and current councilman, James Roberts, cleared the route on his motorcycle, with Beale Air Force Color Guard behind him. Mrs. Kari Wheeler of eXp Realty sang the national anthem beautifully and the parade commenced.

Announcing an assortment of sparkling red engines and apparatus, flashing red lights and sirens, marching bands, glittering queens, and delightful community groups were M.C.'s Jeff Unck and Bob Bowling. The Trueax family served as a proxy for Grand Marshal for the late Bob Trueax. He was

a huge supporter and active in the Gridley Area Chamber of Commerce for over 20 years. Also recognized was Fireman of the Year for 2023, Perry Nunez.

This year's Red Susenders Days winning parade entries were 1st - SavMor, 2nd - Dancing Mexican horses, 3rd - Orchard Hospital, 4th - Sycamore School Band.

Over a hundred vendors and an outstanding food court were there for guests to enjoy after the morning's events and between the fireman's games.

Getting an early start due to public demand, local firemen began their battle at 12:30 instead of 1:00, pitting hose vs hose team against each other to see which team could blast the metal barrel

past the midline and into opposing team territory. In essence, the challenge is a fireman's version of tug of war. Between battles, Ladder Truck 74's extended Ladder would turn its nozzle on, and children would dance in the street under its spray.

Securing the title of winner of the 2023 RSD Fireman's Games were the 3-man "A-Team", who proudly took the glory away from our own station 74's team, the "7 Slayers". In good fun, A-Team member and Oroville's Station 63's Paul Herman said, "It was awesome - hard fought." He continued, "We beat them in their game, at their battalion, on their own engine." Bragging rights were secured for at least a few months, and our local guys

will have a little "fire" lit under them for next year!

The Gridley Area Chamber of Commerce would like to thank the following sponsors. Platinum Sponsors: Kid's Castle, Orchard Hospital, Kinco, Ben Toilet Rentals, The Gridley Herald, Waste Management, and Deer Creek Broadcasting. Gold Sponsors: Butte Auto Parts, Absolute Concrete, Gridley Moose Lodge and Gridley Rotary Club. Silver Sponsors: Railhouse Pub & Grill and Emergitek. By Barbara Ott

On the dog walk around the grass at Eagle Meadows I've been watching the thousands of polliwogs swim in vast swarms, pods, groups whatever they are called in great groups. Recently, I got to see the thousands of tiny little frogs they became. I saw a bug hop across the pathway, then

another one and I realized they were tiny frogs running for their lives. Lawn mowing was happening and they were hopping everywhere trying to stay alive. The edge of the grass was teeming with the movement of frogs about a quarter of an inch long. Some brave high energy frogs were trying to go across the hot dusty path back to the safety of their birth place in the canal. That wasn't going all that well, fortunately not too many were trying that method of escape. Most were hopping over and under each other then returning to the grass. It was sad and interesting at the same time. The other observation I made was the amount of bird song I was hearing. There are

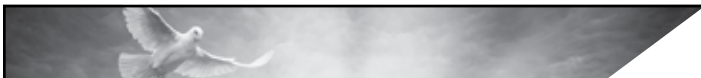

little birds there that run on the ground and look like sand pipers, they definitely were on the outskirts slurping up frogs. No matter how harsh nature can be I always marvel at the process and tenacity of life. On the home front I'm plants cut back and making things a bit tidier. I have about 40 to 50 little and medium sized plants to take to the plant sale put on by Gridley Green Thumb Garden Club at Red Suspenders Day. Come by Rotary Park and pick up some great plants. Billy Quenga of Grocery Outlet donated about 50 bareroot roses, come get some at great prices. If you haven't mulched your plants do it now to help with heat protection and water conservation. ★

**TRUSTEE SALE (CONT)**

\$252,549.30. In the event that the deed of trust described in this Notice of Trustee's Sale is secured by real property containing from one to four single-family residences, the following notices are provided pursuant to the provisions of Civil Code section 2924f: NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE

TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee's sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 916-939-0772 or visit this internet website www.nationwideposting.com, using the file number assigned to this case 2023-10628. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not be immediately reflected in the telephone information or on the internet website. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT: You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction.

There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call 916-939-0772, or visit this internet website www.nationwideposting.com, using the file number assigned to this case 2023-10628 to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid, by remitting the funds and affidavit or declaration described in Section 2924m(c) of the Civil Code, so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. # Thoughts to Ponder Slim Randles' HOME COUNTRY

by Kathy Neal

Gridley United Methodist Church

What is God saving you for? How many times has God saved you or pulled you back from the brink of destruction in order to keep and use you for His plans?

Think about it were you saved as a child from something stupid you tried? How about driving in your car or traveling on a bus, train, or plane. Over and over, you count the ways you've been kept alive or from terrible harm. Why? Because God has a need for you and your skills.

Just like God saved special people in the ancient world in order to carry out His promises and plans. He still needs human bodies today to do His work.

He saved Noah to sail a big boat to save creation. He saved Moses from death as a baby in Egypt so he could bring out two million Hebrews from bondage. He saved Joseph so the Hebrews could survive.

Some people have actually seen God's messengers of help during accidents, floods, earthquakes, and other situations. People who appear out of nowhere to

help and leave just as mysteriously as they came. God at work!

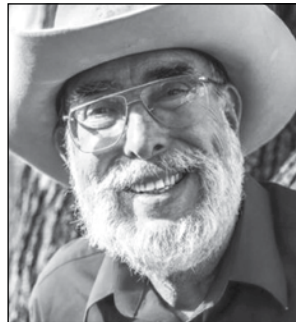

God takes care of His children, no matter how or what they do in dumb ways. Take it from me, I know. Near misses here and there, that would have ended my life sooner than my older

years. It was always Him at work.

Take time and try to recall times you have been kept out of harm's way. Now just say, "Thank you, Lord! I know it was You." Now ask: "What do You have in mind for me?" Because you've told us that You know the plans You have for us, to bless and care for us. So....What do You want me to do? *(Just remember when you ask and truly believe you will get an answer to what God has planned. Be prepared!)*

It may not be as large as building an ark, rescuing two million people, or facing down a Pharaoh. But then again only God knows.

*Come to the Gridley United Methodist Church to help you reach God's plans for you. We meet every Sunday at 10 am. We are located at 285 Magnolia Street.* ★

Slim Randles

Steve looked out from the turret of his cabin and watched the sun set behind the mountain. Branding is over for the spring, and he was able to get away from the ranch for a few days, so here he was, in his private castle, sipping private coffee, looking down at his private horse eating hay in his private corral.

For a man who has spent most of his life in someone else's bunkhouse, a suite at the Ritz couldn't be more wonderful than this little hole-up spot in the mountains.

## Sometimes Heaven Comes in Small Doses

He slid open one of the turret windows and let the warm breeze of early summer caress his magnificent mustache.

"That does it!" he said.

He closed the window, climbed down the ladder and went out to saddle Ol' Snort. In a few minutes the two of them were heading along a little trail near Thompson Ridge, feeling the warm breeze, wondering how many more of these evenings they would share. Steve and Snort were both getting years on them, but they have this evening. They have this ride. They are together now.

And it was like taking a dry bath in paradise.

Steve reached down and patted Snort on the neck.

"You know, O.S.," Steve said, "can you think of a luckier man/horse combination than us? I can't. Not right at the moment, anyway."

Snort was used to listening to Steve, but blissfully he wasn't required to do anything but walk along this mountain trail enjoying the evening.

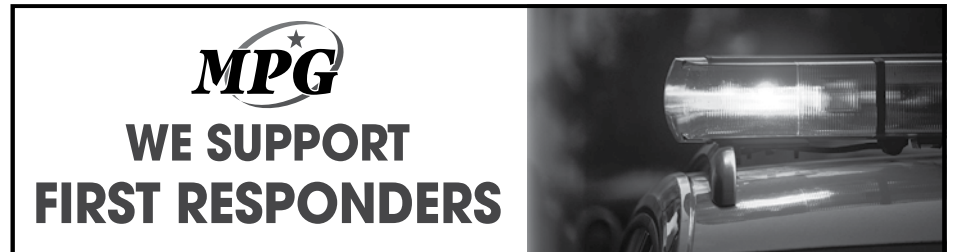

"What do you think, old boy?"

Ol' Snort reached his head out and blew his nose.

"I knew you felt the same way," said Steve, smiling.

Sometimes heaven comes in small doses.

*Brought to you by books written by Edward Abbey. Ed may be gone, but his published legacy is always amazing.* ★

Notice to Potential Bidders If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a Trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a Trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same Lender may hold more than one mortgage or Deed of Trust on the property. Notice to Property Owner The sale date shown on this Notice of Sale may be postponed one

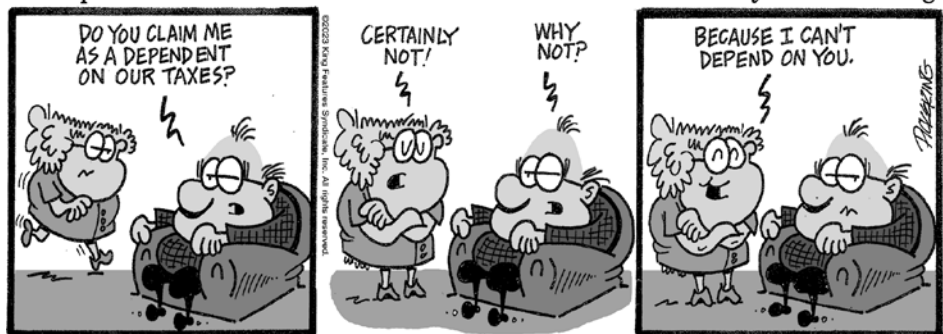

or more times by the Mortgagee, Beneficiary, Trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about Trustee Sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call Nationwide Posting & Publication at 916.939.0772 for information regarding the Trustee's Sale or visit the Internet Website [www.nationwideposting.com](http://www.nationwideposting.com) for information regarding the sale of this property, using the file number assigned to this case, CA07001651-22-1. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Website. The best way to verify postponement information is to attend the scheduled sale. Notice to Tenant NOTICE TO TENANT FOR FORECLOSURES AFTER JANUARY 1, 2021 You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call 916.939.0772, or visit this internet website [www.nationwideposting.com](http://www.nationwideposting.com), using the file number assigned to this case CA07001651-22-1 to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. # Lady Bulldogs Shutout by Panthers in Playoffs to End Season

Story and photos  
by Steven Bryla

**REDDING, CA (MPG)** - The Gridley girls' softball season came to an end as they lost in the opening round of the CIF Northern Section Division IV Softball playoffs to the University Prep Panthers on Tuesday, May 16.

This was the second consecutive year where Gridley has made it to the postseason and been knocked out in the opening round.

Lady Bulldogs head coach Tammy Carr told the Herald they had a chance in the first inning to score a run after having a base runner on from a hit, but weren't able to get the run in.

The Panthers are one of the premier teams in the Northern Section as they were ranked in the top three behind East Nicolaus and flip flopped with West Valley in different MaxPreps polls.

University Prep junior pitcher Gracie Hornbuckle held the Gridley lineup in check as she surrendered two hits and struck out seven Lady Bulldogs.

Carr expressed to the Herald that Gridley (14-7) gave their best effort, but ultimately later on in the fourth inning, Panthers freshman outfielder Madisyn Rubalcava put the game further out of reach as she hit a three-run home run to extend their lead 8-0.

"Our team has great hitters, but we weren't able to just get

the bats going," Carr said. She added they were able to get the ball in play, it was just continuously at the reach where University Prep was able to make a play.

Carr added that this game was Lady Bulldogs junior pitcher Maddie Garcia's best game this season as far as staying in the zone and working hard.

Garcia has been the lone pitcher in the circle for Gridley for the last few weeks as she gave up 11 hits and nine earned runs in the loss to the Panthers.

In Carr's two seasons at the top of the program, she has endured two postseason trips that she gives a lot of credit to previous coaches that have kept the program growing.

Carr expressed that some of her favorite memories this season included the tournament in Anderson the girls went to in the middle of March where they went 2-1 with the lone loss to the eventual NSCIF D-IV champion West Valley.

The Lady Bulldogs sent off seven of their players to graduation this year. One of the biggest positives for Gridley coming into next season is the pitching staff will not be new.

The luxury of both pitchers in Garcia and sophomore pitcher Reese Stevens having the experience of going through a season together gives them a

lot of time in the offseason to improve on their skills.

Carr added that there will be a few starters from this seasons roster included by junior infielders Alyssa Thompson and Serenity Rossiter, junior outfielder Alexis Porcsyo along with Garcia and Stevens switching back and forth between the circle and first base.

"We have some good things going on," Carr said. "We're looking to strengthen the program."

Carr added that as the year ended, she is going to continue to look for new ways to improve her coaching style as there is no such thing as a perfect coach, but there is always room for improvement.

Carr wanted to thank the Softball Sponsors for their continued support of the program.

# Bulldogs Win D-III Title, Dreams Fulfilled with Win

*Continued from page 1*

Gridley freshman pitcher Tanner Abbott had the ball for the Bulldogs on the mound and let West Valley know their season was ending there.

Abbott pitched seven innings in the shutout and gave up three hits and struck out 11 Eagles. One of the biggest leaps for the freshman pitcher was getting ahead of the count early.

Abbott had 16 first-pitch-strikes against West Valley of the 23 batters he faced and allowed him to get comfortable to throw any pitch throughout the at-bat with confidence.

"It gave me the edge of being ahead and making them think of what I was throwing as they were behind in the count guessing," Abbott said.

In the bottom of the first, Gridley had the first four runners reach base as junior second baseman Emmet Smallwood was hit by a pitch to bring in Ryan to give the Bulldogs a 1-0 lead.

Solis told the Herald postgame he told his team early in the season they were going to use small ball throughout the season and the championship game was no different.

Gridley junior shortstop Andrew Santillan was signaled to lay down a bunt with the bases

loaded and one out.

Santillan laid down the perfect bunt as it rolled down the first baseline along the inner part of where the infield grass and dirt meet all the way up and stayed fair as West Valley hoped it would push foul.

The Bulldogs benefited with one run initially off bunt but because the Eagles waited so long for the ball to go foul, Solis was able to send a second runner home to score to give Gridley an early 3-0 lead.

The Bulldogs went through their entire lineup in the first inning and continued the train in the second inning as they tacked on four more runs in the second

inning and ran through the line up for a second time in a row.

Gridley had an 8-0 lead after two, as much as that sound comfortable, the coaching staff and multiple Bulldogs were not going to take the foot off the gas as it was heard to "keep the foot on the pedal" religiously throughout the game.

Gridley junior catcher Bryar McWilliams told the Herald they have been consistently an early scoring team throughout the year.

McWilliams added that they worked on trying to hit the ball to the opposite side of the field from their time off between May 17-19.

"We made sure we worked on hitting the ball to the right side of the field instead of pulling the ball," McWilliams said.

With a great show off support from the Gridley community, the big game drew former and future Bulldogs in the baseball program including former legendary head coach Dan Crabtree, who Solis played for in his time at Gridley.

Solis was all smiles through the post game as he reflected on his time being eliminated in the first round of playoffs as a one seed his senior season and said it was a great feeling to bring a title back to Gridley.

"The time and work these guys put in to accomplish their goal is amazing," Solis said.

He added that as a team they made baseball fun for one another throughout the entire season.

The Bulldogs move onto the CIF NorCal Regionals and they find out who and where they play on Monday, May 29 when the brackets are announced. ★

**GRIDLEY, CA (MPG)** - How do you spell perseverance? AnaGloria Luevano. Early in the 2023 track season, head coach Jaime Luevano gave everyone on the team a chance to try different events to see what each athlete can do. AnaGloria decided to try hurdles. In her first meet in Rocklin, Luevano placed 7th at the Zebras Invitational with 20.30 in the 110m hurdles. Each week, she kept getting stronger and faster while working on her technique. Fast forward 8 weeks later, and

her time improved to 17.19, a personal record, and earned third place in the Northern Section finals. 2nd place also finished at the same time. However, that runner leaned slightly more than AnaGloria. The moment the announcer called AnaGloria's place, her face and body language dropped to sheer disappointment and later turned to anger. Did she give up? Not a chance. The junior athlete elevated herself from despair and used her anger to fuel her in the 300m hurdles. "Ana, you have to start quicker," were the last words she heard

from Coach Allard just before getting set in the blocks. The gun fired and off she went towards the first hurdle reaching it 2nd behind Tannah Taff of West Valley. As the race progressed around the 200m curve, AnaGloria was in third position behind Taff and Giselle Rodriguez-Sanchez of Fall River. With just 3 hurdles remaining, AnaGloria turned on the jets moving into second. At the final hurdle, her form was perfect as she passed Rodriguez-Sanchez at the line with a personal record of 47.60 giving her the title of Champion.

"I knew I had to lean because I remembered from the last race," an excited Luevano yelled after catching her breath. The expression on her face was a huge contrast compared to 20 minutes earlier as she made her way to receive her medal. The highlight was when Coach Luevano, her father and first-year head coach for the Bulldogs embraced her with a big hug. The joy those two had was a moment to remember for sure as that's how you spell perseverance... AnaGloria Luevano. She will represent Gridley and

the Northern Section at the State Meet on May 26 & 27 in Clovis, California. The other Bulldog competitors at the Northern Section Finals were Sidney Allard, Brian Brown, and Shmaas Khan. In her second-year appearance for the finals, Allard jumped 33' 4.25" in the triple jump. Brown and Khan tied for 5th, in the high jump at 5'8". Shmaas also had a PR in the 110 hurdles with a time of 16.37 and finished 5th overall. His PR improved from the week previous at the Division 2 finals with 17.10. ★
