GRIDLEY CA (MPG) - For those who are not aware, there's something for all ages going on at the Butte County Library. Even better, it's all free and open to the public.

Right now the Summer Reading programs at the Gridley and Biggs Branches are in full swing. Children 0-17 can sign up for the program and for every seven books and/or activities they complete, they can pick out a free new book!

Each Friday, the Gridley library hosts Story Time at 10 am and invites children ages 0-5 to come join the

fun singing songs, listening to stories read aloud, and participating in a craft activity. On Friday, June 21st, nearly 20 youngsters turned out to hear Ms. Christy Williford read "The Carrot Seed," lead the "Happy if you know it" dance and make lady-bug magnets. Children are encouraged to be active, learn to enjoy reading and be creative, all while having loads of fun. On the 3rd Friday of the month, the Toy Van

from Valley Oak Children's Services visits. Children ages 0-5 can check out a toy to take home for a month. Play Time is the last Friday of the month and encourages children

Gallagher Secures Additional Funding for Schools Affected by Camp Fire

By Curtis Grima

SACRAMENTO, CA (MPG) -The Legislature passed budget language (AB/SB 75), which will provide three years of backfill for schools affected by the 2018 Camp Fire. Assemblyman James Gallagher (R-Yuba City) requested the inclusion of this funding, submitting requests to legislative budget committees and the administration.

"The Local Control Funding Formula provides a base amount of funding tied to each district's average daily attendance. Therefore, if students are temporarily displaced due to a fire, it could have huge financial implications for a school district," said Assemblyman Gallagher. "Our schools and the teachers that continue to selflessly serve our students amidst their own losses need to have assurances that the fire will not negatively impact their funding. Not only will this give families assurances and support as they rebuild their lives, but it is crucial to the economic recovery of our region," he added.

While the original draft of the budget bill did not include backfill for affected charter schools, Gallagher successfully pushed for amendments to ensure that they also would receive at least three years of financial support. Additionally, the legislation allows Paradise Unified School District to request the Fiscal Crisis and Management Assistance Team to conduct an evaluation of the need for additional funding and statutory changes for the 2021-22 fiscal year.

"We are incredibly grateful for the support of the charter school community on the Ridge. This funding ensures all our schools will be able to rebuild and return, providing the school choice that has been so important to families. School choice is a motivating factor for families to stay and rebuild, a goal we are all working towards together," said Casey Taylor, Executive Director of Achieve Charter School.

Assemblyman James Gallagher represents the 3rd Assembly District, which encompasses all of Glenn, Sutter, Tehama and Yuba counties as well as portions of Butte and Colusa counties.

Gridley's Children's Hope Holds 5th Annual Color Run

By Josh Porcayo

GRIDLEY, CA (MPG) - Over one hundred people signed up and participated in the 5th Annual Children's Hope Foster Family Agency Color Run on Saturday, June 22, 2019 at Daddow Park in Gridley. Participants ran a 5K route throughout the city of Gridley starting at one end of Daddow Park and ending at the opposite side of the park. Festivities kicked off with about fifteen minutes of Zumba dancing with Gridley Fitness instructor, Crystal. Color run participants danced and let loose to get their muscles warmed up.

The annual "Color me for Foster Kids!" color run is an opportunity to bring families together in a health driven and fun outdoor activity. As a result,

the agency is able to raise money to help foster children with financial needs. The money raised will help pay for medical care,

crisis counseling, educational needs, medications not covered by state provided medical care, and extracurricular activities

for foster children.

The New Pi-Line

The new Pi-Line Honoring Publisher W.D. Burleson By Josh F.W. Cook

Summer is upon us. It is wise to remember that swimming in local ditches and canals is a dangerous proposition. If you know people, little kids or grown-ups, who do not know how to swim you should make sure that they learn how. Anytime we talk about water safety one is quickly compelled to say something about Mrs. Schor, the woman for whom they named the municipal pool in Biggs. She taught thousands of young people in our community how to swim. She's quite legendary amongst those who went through her water safety and swimming curriculum. If you watch any of the Navy SEAL movies, what the Navy SEALs do is slightly less strenuous

and intense than what Mrs. Schor used to put six-year-olds through at the Biggs pool.

They are going to rename the sports stadium in Oakland again from).com to Ring Central.com. It seems as if every few years they rename the stadium and put up new roadsigns. Naming stadiums is a big-money affair. I think that the United States Geological Survey (The official map-making agency of our government) should go through and find every Deer Creek, Cold Creek and Long Lake and allow people to sponsor new names for them. Gets really confusing when you're talking to someone about where to go hiking or fishing and they say "yeah go to Long Lake up past deer Creek". There are literally more than 1000 Long Lakes near Deer Creeks. Another annoyance is the number of creeks named Dry Creeks; it's an oxymoron and it shows a lack of creativity. Let's rename things.

Another place we find ourselves with a drastic lack of creativity is in the snack food section of our local bodegas. For some reason the candy

companies keep taking candy and re-branding it as the other candy. There are now like 17 flavors of M&M's and almost every imaginable combination of caramel, peanut butter, cookie chunks, sprinkles, hazelnut spread, fudge, nougat and other things now in an orange Reese's wrapper. H.B. Reese was a dairy farmer who invented peanut butter cups. He died in 1956, but his brand is the number one seller today. There's a corporate guy at the Hershey's chocolate company named Jack Wilder and it's been his genius idea to rebrand everything in an effort to keep candy sales up. It is working. According to some reputable business magazines, 62% of American households have purchased an orange colored Reese's product in the last year with sales of \$2.6 billion. In blind taste tests people actually say the exact same candy is more enjoyable when it is branded Reese's. About once a week I say to myself I should've studied psychology instead of agriculture when I went to college. ★

Camp Fire Survivors Move to FEMA Housing in Burn Area

A Special Release

SACRAMENTO, CA (MPG) - Individuals and families who lost their homes in last November's Camp Fire are beginning to move back to the burn area. FEMA has leased space at the first available commercial housing site located within the burn area. Survivors will start moving into their new FEMA travel trailers the week of June 24th.

FEMA is developing other temporary housing solutions across Butte County as well, which will eventually house approximately 1,000 households. One of those communities is Silver Dollar Fairgrounds in Chico. Survivors started moving into that site the week of June 10th. To date, FEMA has disbursed nearly \$85.5 million in financial assistance to almost 8,000 homeowners and renters in Butte, Los Angeles and Ventura counties. More than \$80 million of the total amount disbursed has gone to Butte County survivors where the Camp Fire destroyed approximately 19,000 structures.

"FEMA is committed, as an agency, to provide housing for eligible Camp Fire survivors," said Federal Coordinating Officer David Samaniego. "It's our hope this will bring some comfort and stability to survivors as they continue to recover."

FEMA's program for temporary

housing may provide survivors with assistance for up to 18 months from the date a Presidential Disaster Declaration is approved. However, the license for housing survivors in all disasters depends on when the survivor is approved for temporary housing by FEMA. From that time on, the survivors would reside in the unit on a month-by-month, case-by-case basis.

Once a survivor takes possession of a FEMA unit, he/she is required to do three things every 30 days:

1) Demonstrate a continued need for housing assistance. 2) Recertify their eligibility. 3) Show he/she is making progress toward a permanent housing solution.

Members of the media requiring additional information, or those who would like access to one of the housing sites, are asked to call the FEMA News Desk at (916) 718-8540.

All FEMA disaster assistance will be provided without discrimination on the grounds of race, color, sex (including sexual harassment), religion, national origin, age, disability, limited English proficiency, economic status, or retaliation. If you believe your civil rights are being violated, call 800-621-3362 or 800-462-7585(TTY/TDD).

The Lighthouse Fire Station Music Camp

By Bonnie Schnepel

GRIDLEY, CA (MPG) - A Music Camp will be held July 15-19 from 3-5 p.m. at Gridley Christian Church. The music camp will end with a dress rehearsal on Saturday, July 20th at 1:00 p.m. There will be two performances on Sunday, July 21st at 10:30 a.m. and 4:30 p.m. Children ages 4 and older will learn in this

short mini-musical that God wants us to prepare ourselves for the fiery battles that come in life by putting on the armor of God.

A wonderful week is all planned out that includes: singing, choreography, sign language, crafts, snacks, song bells, Bible lessons, and simple rhythmic instruction. It is an action-packed two hours that goes by very quickly.

Each child attends the music camp for FREE. However, donations are gratefully accepted. Each family will be given one FREE CD of the musical. Gridley Christian Church is located on the corner of Hazel and Washington Streets next to Sav Mor Market. to play and socialize with each other, while giving parents the chance to network. The Gridley Friends of the Library, who works in tandem with the Gridley branch to support library patronage and activities, will be hosting its quarterly book sale from July 9th till the 13th. In addition to the regular book sale where you can fill a paper grocery bag full of books of your choice, for just \$5, there will be a Children's book giveaway! Donations of gently used and like-new

books have been donated to the Paradise Unified School District, but the PUSD has no place to store them. Instead, they are donating the overflow to Butte County Libraries in hopes that local children will be able to enjoy them. Gridley Friends of the Library would like to remind the community that there are adult activities at the Library as well. The third Friday of Each month, the library hosts a Ladies' Night Out Movie, with light refreshments provided. Bingo is another great option for those looking for something to

do on hot summer days. Just pick up a bingo card at either the Gridley or Biggs branch, fill out the five squares and return to the library with your contact info to be entered into a drawing for a \$10 gift card. Recently, the GFOL received a \$600-dollar donation in the memory of long-time Gridley librarian Doris Long. They plan to use the funds to help support the wonderful programs offered by the Gridley branch of the Butte County Library and promote the wonderful world of reading in the youth of the community. ★

By Seti Long

GRIDLEY, CA (MPG) - Come summertime, Gridley's Olympic sized pool becomes packed with Gators—Gridley Gators! This year marks the 50th anniversary of

semi-centennial as they host the annual Gridley Gator Swim Invitational this weekend, from June 28th-30th at the Gridley Pool. The Gators plan to have a poolside pancake breakfast both Saturday and Sunday from 7 -10 am. The breakfast is sponsored by Gator parents and the Knights of Columbus, and just \$5 will get you pancakes, sausage and OJ. Saturday June 29th at 6:00 pm, the Gators wish to invite all Gator Alumni to join them at their Gator BBQ and Silent Auction, again a poolside party.

the swim club that started in 1969 as the "Go-Fish." In the summer of '69, swimming lessons offered at the recently completed community pool quickly led to the foundation of the swim team. Between the 1975 and 1976 swim seasons, the "Go-Fish" traded their name and red, white and blue suits in favor of the more intimidating name of "Gators" and green and gold garb. Since then, generations of swimmers have come up through the lanes. In honor of those that swam before, the Gators are planning to celebrate their

Amie Adams-Mills (Gator head coach), her son Cash Mills(10 year swimmer age 15), Brady Rodgers (3rd year swimmer age 6), Misha Rodgers (Gridley Gator President) & Aaron Rodgers (10 year swimmer age 14). Photo Courtesy of Misha Rogers

The Gridley invitational is the club's largest fundraiser of the season and provides the team with the opportunity to take part in a diverse swim competition, while of course, having healthy fun. Proceeds from the event not only benefit the club but solidify the only summer athletic program available within the Gridley community. Here's to 50 more years. ★

## Gridley and Biggs Majors Softball All-Stars Show Success in Tournament

By Joshua Porcayo

ORLAND, CA (MPG) - Gridley and Biggs/Richvale Little League softball All-Star tournaments were full of success stories. Although each team came up short of their ultimate goal, winning their bracket, and winning the District 47 tournament, each team walked off the field feeling great about their runs in the tournaments. Each team in the Majors and Minors tournament competed in four games, winning two and losing two.

After defeating Chico in a wild thriller on Saturday, June 15th, Gridley Majors headed back to Orland to face Willows on Tuesday, June 18th. Gridley would fall 6-2 to Willows in a pitching dominant game. Gridley then faced off against Biggs/Richvale in the losers bracket the following day on Wednesday, June 19th. Gridley went on to win that game 10-0, winning the losers bracket.

The victory set up a rematch between Gridley and Willows. This time, Gridley changed strategies and battled hard with Willows with a 1-1

score into the 6th inning. In the top of the sixth inning, Willows took a 2-1 lead off a 1-2 count blooper over the third baseman's head scoring a runner from second base. In the bottom of the sixth inning Gridley's Kirtan Kalkat hit a deep fly ball to right center. In an attempt to tie the game she rounded third base headed for home plate. Kalkat ultimately got thrown out at the plate, despite her best efforts for her team to even the score up at 2-2. Willows would go on to win by a score of 2-1 and win the Pool A bracket.

Biggs/Richvale Majors got their tournament started on Saturday, June 15th, in Orland against Willows. Biggs/Richvale would fall by a score of 8-2. They would hit the field again in Orland on Monday, June 17th, against Chico, and eliminate the Chico team from the tournament with a score of 20-11. On Tuesday, June 18th, Biggs/Richvale was at it again against Orland with a 17-7 victory. Unfortunately, Biggs/Richvale would fall to Gridley the next day and be eliminated from the tournament. ★

## Locals Make Huge Impact at Lions All-Star Football Victory

By Joshua Porcayo

CHICO, CA (MPG) - The 42nd annual Lions All-Star football game kicked off the evening of Saturday, June 22, 2019. Local Gridley and Biggs recently graduated football players participated in the annual game at Chico High School in a matchup between the North and South conferences. The South team, made up of players from high schools like Gridley, Biggs, Chico, Pleasant Valley, Paradise, Las Plumas, Oroville, Hamilton, Durham, and Willows, showcased local stars George Becker (Gridley), Riley Dunning (Gridley), Jorge Moran (Gridley), and Dustin Long (Biggs). The South has won one time in the past ten years of playing in the annual Lions game, until this year's game.

Gridley and Biggs players had a tremendous impact in the overall success of the game for the South. During the first possession for the offense, Dunning completed a 47-yard option pass down the right sideline to set up an opening drive score. After a few carries from Long, Moran punched it in from the 1-yard line for the first points of the game. While on defense Long recovered a

fumble from the North to set up great field possession for the South that eventually led to another score. At the conclusion of the first half the South led the North by a score of 13-6.

In the second half, the defense from both sides really stepped up. After the North scored a second touchdown in the third quarter, Moran picked off an attempted 2-point conversion to deny the lead for the North. After that score, the defenses from both teams shut down the offense for the rest of the game. On the last possession for the North, Becker broke through the offensive

line and sacked the North quarterback for a loss to help secure the win for the South.

In a quick phone interview with Coach Kemmis, he expressed his feelings about the performance of his former players and Dustin Long's. Coach Kemmis said he was "extremely proud to see Becker as a team captain, Dunning make a huge play on the first possession for the offense, and Moran punch it in for the first score of the game. That's something that makes a coach extremely proud to watch." He also spoke about the performance of Biggs'

Dustin Long, who Kemmis never had the honor to coach. "Long was the best defensive player on the field that night, making some impactful defensive plays."

George Becker will head off to Eastern Washington

University in Cheney, Washington this fall on a full ride football scholarship. Dustin Long has committed to the College of the Siskiyous to play football. Jorge Moran is planning to pursue his football career at the California State

University, Sacramento as a walk on. Riley Dunning is considering walking on with Butte College.

Congratulations to these fantastic athletes and good luck with your future careers. ★

# Gridley and Biggs Minors Softball All-Stars Battle in Tournament

By Joshua Porcayo

**CHICO, CA (MPG)** - Biggs/Richvale Minors started their tournament on Saturday, June 15th, in Chico against Palermo. They would fall to Palermo by a score of 22-14, bumping them down into the loser's bracket, and forcing them to play the next

day. On Sunday, June 16th, Biggs/Richvale took the field against Orland in a thriller, winning 11-10. The girls would again come back to play the following day, this time against Durham. The Biggs/Richvale team would defeat Durham by a score of 25-9 and would again continue their pursuit the following day. On

Wednesday, June 19th, Biggs/Richvale and Gridley would face off in a battle to the end. Biggs would fall by a score of 13-11 to Gridley and be eliminated from the tournament.

Gridley Minors also started their tournament play on Saturday, June 15th, in Chico against Willows. Gridley would win the game

by a score of 6-3. Their second game of the tournament was on Monday, June 17th, against Lake Oroville. Gridley would fall to Lake Oroville 10-1 and move into the loser's bracket. Gridley would defeat Biggs/Richvale from the tournament on Wednesday, June 19th, to play Chico the following day. On Thursday,

June 20th, Gridley's tournament run would end with a loss to Chico 8-4.

Success is most often measured by winning the competition or raising the trophy high. But most often than not, especially in Little League, success can be measured by players who make in game adjustments to best their competition. A

successful coach is not one who always wins, but one who teaches the fundamentals of the game and sees his or her players giving all they have for the betterment of the team.

Congratulations to a successful season to Biggs/Richvale and Gridley Majors and Minors All-Star teams. ★

# Gridley Thumbs and Roots

By Barbara Ott

Summer Solstice memory of Mary Turner of Biggs. Mary Turner, her husband Bill and her sister LaVerna kept the Flower Bowl at the Butte County Fair thriving for many years. Her yard is full of plants in containers and in the ground. On receiving day at the Flower-Bowl the Turners would come with

horse trailers full of plants. Huge species size roses, fuchsias, butterfly bushes, ficus, others that I don't recall. The supervisors of the Flower Bowl made a special needs day for receiving Mary's entries, she had polio and was in a wheelchair. It never slowed her down.

Upon the request of Bill Turner, members of Green Thumb Garden Club took plants home to care for them. These plants will be entered in the Fair in Mary's memory. The Fair will also dedicate space in the Flower-Bowl as a gratitude display for the Turner Family.

Last year I had a long conversation with Mary about the importance of community involvement that the Fair plant entries

gave her. I found out her method when she called me asking about the divisions and classes for plants and flowers that had changed. She knew every division and class number and what type of plant was involved. She made a point to have most of the plants and cut flowers in the Fair Book.

If you have a container plant that you love either indoor or outdoor, enter it this year in memory of Mary. Go to the Butte County Fair website, Menu item, Fair 2019, click on Art, Home Art, Plants Still Exhibits and you will find the book and see what division or class your entries falls into, or call me at the Fair for help in signing up. Thank you, Mary Turner for years of dedicated gardening. ★

GRIDLEY UNITED  
METHODIST CHURCH

**NOTICE:** God will be on vacation from June 1 to August 31. In case of emergency contact.....???

Summer is upon us, and like so many others, we make plans for vacation. But strange as it may seem, God doesn't make vacation plans.

He doesn't turn off the lights, stop the newspaper, or make flight reservations two weeks in advance to distance himself from earth and its problems. He is 'on-call' and 'online' 24

hours a day.

What are our plans for this summer? Do we arrange for picnics, travel, etc., on the Lord's Day so we may have time elsewhere for job and family? Do we backslide just a little each summer because it's expected that the numbers in attendance at worship will be less during the summer months?

Suppose we called on God and got the answering service with a message telling us to try later or take two aspirin and try in the morning? Panic and fear would instantly creep into our heads and our world would be thrown into turmoil.

Our fellow Christians need us during the lazy days of summer just like the cold days of winter. We must remember that our job

descriptions as Christians call for around-the-clock attention to the world, our fellow humans, and all of God's creation.

As we approach these days of sun and sand, let us keep in mind new ways to beat the heat of life, the sting of struggle, and the bites of the pests of strife and failure. Let's arrange activities to revive our lives and regain our strength to face a new field of endeavor. Remember God will be with us 24/7 no matter the season.

Come join the Gridley United Methodist Church this summer as we continue our time with God no matter the season. We are located on the corner of Magnolia and Haskell Streets. Our worship time is every Sunday at 10 am. ★

## Slim Randles' HOME COUNTRY

*Sometimes heaven comes in small doses.*

spot in the mountains.

He slid open one of the turret windows and let the warm breeze of early summer caress his magnificent mustache.

"That does it!" he said.

He closed the window, climbed down the ladder and went out to saddle Ol' Snort. In a few minutes the two of them were heading along a little trail near Thompson Ridge, feeling the warm breeze, wondering how many more of these evenings they would share. Steve and Snort were both getting years on them, but they have this evening. They have this ride. They are together now.

And it was like taking a dry bath in paradise.

Steve reached down and

patted Snort on the neck. "You know, O.S.," Steve said, "can you think of a luckier man/horse combination than us? I can't. Not right at the moment, anyway."

Snort was used to listening to Steve, but blissfully he wasn't required to do anything but walk along this mountain trail enjoying the evening.

"What do you think, old boy?"

Ol' Snort reached his head out and blew his nose.

"I knew you felt the same way," said Steve, smiling.

Sometimes heaven comes in small doses.

## FIREWORKS SAFETY

The Fire Fighters from Gridley Fire Department/CAL FIRE would like to offer these tips for the safe and responsible use of fireworks:

- Purchase only "Safe and Sane" fireworks approved by the State Fire Marshal and use them ONLY in areas where it is legal to do so. In Butte County those areas are within the city limits of Gridley and Oroville.
- Remember, most fireworks injuries occur to children – always have an adult present.
- Most fireworks caused injuries are to hands and eyes and can be very serious – resulting in the loss of one of more fingers, a hand, or your eyesight. Light one at a time and keep a safe distance away.
- NEVER point fireworks at another person.
- NEVER use near dry grass or other flammable materials.
- NEVER attempt to re-light or modify fireworks.
- Have a bucket of water, sand or garden hose available at firing sites.

The following professional displays are offered in Butte County:

- City of Biggs 4th of July Fireworks
- Silver Dollar Speedway 4th of July Fireworks
- Lake Oroville Fireworks Display. View from Spillway Launch Ramp and top of Dam. ★

## The Climate Trap for Democrats

The more the climate debate changes, the more it stays the same.

Polls show that the public is worried about climate change, but that doesn't mean it is ready to bear any burden or pay any price to combat it.

If President Donald Trump claws his way to victory again in Pennsylvania and the Upper Midwest, his path will likely go through abortion and climate change, two issues on which the Democrats are most confident in their righteousness and willing to embrace radical policies that appeal to their own voters much more than anyone else.

Joe Biden, the relative moderate, is subject to these forces. He dumped his long-time support for the Hyde Amendment prohibiting federal funding of abortion and released a climate plan that, even if more modest than the "Green New Deal" (a low bar), is clearly derived from it.

There's no doubt that climate is a top-tier issue for

Democrats. In a CNN poll, 96 percent of Democrats say it's very important that candidates support "taking aggressive action to slow the effects of climate change." It's doubtful that mom, baseball and apple pie would poll any higher.

Among the broader public, according to a survey by climate change programs at Yale and George Mason universities, 70 percent believe that climate change is happening, and 57 percent believe that humans are causing it.

It's easy to overinterpret these numbers, though. An Associated Press/University of Chicago poll asked people how much they were actually willing to pay to fight climate change, and 57 percent said at least \$1 a month, or not even the cost of a cup of coffee at Starbucks.

The political experience of other advanced democracies is a flashing red light. In Australia last month, the liberal opposition lost what was supposed to be "the climate change" election, against all expectations. Polling showed that about 60 percent of Australians thought the government should address climate change "even if this involves significant costs." It turned out that it was one thing to tell that to pollsters and another to vote to make it happen.

In France, gas and diesel hikes as part of a

government plan to reduce carbon emissions by 75 percent sparked the yellow vest movement in car-dependent suburbs and towns, and had to be ignominiously reversed.

The politics of climate change will be problematic for the duration, for several reasons. The voters most opposed to the costs of climate action tend to be "deplorables" most easily dismissed by center-left parties at their own peril: voters in rural Queensland in Australia, economically distressed residents of unfashionable rural and semiurban areas of France, working-class voters in the Rust Belt in the U.S.

Bearing real costs for the sake of the climate will always be a sucker's game for any one country so long as there isn't a global mandate for emission reductions.

Finally, whatever the costs, no one is going to feel any climate benefits anytime soon, or likely ever. The supposed upside of plausible policies adopted by the U.S. would be minuscule changes in the global temperature decades from now.

All this should counsel caution rather than apocalyptic rhetoric and policies, although Trump has every reason to hope it doesn't.

## Dear Dietitian

# Vegs and Calcium

Commentary by  
Leanne McCrate

Dear Dietitian,

I read your last column on calcium where you recommended that we get the mineral in our diet

rather than pills. Is it better to get calcium from plant foods or dairy products?

Just wondering

Dear Wondering,

Calcium is the most abundant mineral in the body, accounting for 39% total body minerals.

Most of us know that calcium is needed for strong bones and teeth, but did you know it is also needed for blood clotting? Calcium initiates the release of blood-clotting agents from your platelets. Other functions include regulation of heartbeat and nerve function.

While there are many calcium-rich foods including tofu, navy beans, and fortified juices and plant milks, this column will focus on dairy and green

vegetables. For adults, the Recommended Daily Allowance (RDA) for calcium is 1,000 mg up to age 50. That amount increases to 1,200 mg per day for women over 50 and men older than 70.

Dairy sources of calcium include milk, yogurt, and cheese. The calcium in these foods has a high

bioavailability, meaning it is easily absorbed by the body. There are many delicious-tasting yogurts on the market today, some of which are in my refrigerator. I was surprised to learn that a 5.3 oz portion (about ½ cup) only provides 15% (150 mg) of the Daily Value (DV) for calcium. In comparison, 1 cup of plain, non-fat yogurt contains 45% DV (450 mg). In order to maximize your calcium intake, start with a plain, fat-free yogurt, then sweeten it with your favorite fruit. Or simply eat two cartons of the smaller, pre-packaged yogurts.

Dark, green leafy vegetables, such as kale, collards, turnip greens, mustard greens, and broccoli are good sources of calcium. The calcium in these foods is just as good as the calcium in dairy products, but you will need to consume larger portions of these vegetables compared to

dairy. This is a good thing since these vegetables are also rich in folic acid and fiber. For example, 2 cups cooked broccoli provides 360 mg calcium, or 36% DV. It is important to note that the presence of oxalic acid limits the availability of calcium in rhubarb, spinach, chard, and beet greens. This simply means your body doesn't absorb as much of the calcium in these foods as it does in the aforementioned group of vegetables.

The bottom line is to keep it simple. Choose calcium-rich foods that you like. Be sure to get these products in your diet every single day. And don't forget about vitamin D because it is needed for calcium absorption. This mighty vitamin can be made from sunlight exposure, and it is also found in fortified milk, juice, and some cereals.

Good health to you!

# Hot Fireworks Season in Store for Area

By David Dickstein

**SACRAMENTO REGION, CA (MPG)** - Baseball, hot dogs, apple pie and ... crazy bugs?

If TNT Fireworks has its way this Fourth of July, area revelers will embrace cracked creepy-crawlies as a new symbol of Americana for the nation's 243rd birthday. Crazy Bug Fountain is one of nine fireworks debuting this season by the two largest distributors of consumer fireworks.

The pyro-passionate period runs June 28 through July 4 in Sacramento County. Roseville, Rocklin and Lincoln in Placer County are also among the 295 jurisdictions that allow consumer fireworks in the Golden State.

TNT is rolling out a handful of new fountains in addition to Crazy Bug, which, despite its name, shows promise as a sane addition to your private display. Priced at \$29.99, the fun-labeled firework features a multi-effect performance of colorful sparks and crackling flowers. Rounding out TNT's newbies are crackle-charged Laser Master, \$24.99; effect-loaded Freedom, \$19.99; colorful Main Squeeze, \$14.99; whistle-happy Hot Point, \$14.99; and spaced-out USA Rocket Fountain, a buy-one-get-one for \$8.99.

Phantom Fireworks is coming out with three new fountains this season. Sold as a

bundle for \$39.99, the trio makes up Phantom's newly branded "Super Hero Series," not to be confused with superhero The Phantom. Each has a different shape and name, and valiant sounding they are: Professor Flame, Iron Master and Majestic Lightning.

Returning from last year's impressive freshman class are Phantom's delightful Red White & Blue Jubilee (\$25.99) and long-lasting Illuminati Triangle, still a solid deal at \$39.99 with a Brew Haha or Dragon's Tears fountain thrown in. TNT's response is an exceptionally strong sophomore lineup, headlined by the dazzling Tasmanian

Cyclone (\$39.99), super-charged Wild Side (\$25.99) and intense Electrolytes (\$29.99 for two).

A third player, Discount Fireworks Superstore, will have a few stands in the area. Brands carried by DFS include Winda, Black Cat, Showtime, Brothers and Freedom.

Because state-approved consumer fireworks can only be sold in California by non-profit organizations, hundreds of the county's 501c3s are banking on big profits from pyrotechnics peddled to the patriotic and philanthropic. Volunteers will be braving the summer heat to do such good as sending kids to church

camp, suiting up youth sports teams and getting adolescents off drugs.

Working in the groups' favor this year is the day on which the Fourth of July falls. A Thursday Independence Day is a friend to the fireworks industry, contrary to a Wednesday which is traditionally a one-day holiday for America's workforce. U.S. resellers generally reported flat sales in 2018 due to the hump day holiday.

"Thursday is a great day for the Fourth of July," said Cathy Castilone, Sacramento-based vice president of American Promotional Events, the wholesale distributor for state-approved TNT fireworks. "Many people take the next day off when the fourth is on a Thursday."

The competition concurs. Jeff Kreman, Phantom's Northern California regional manager, said he expects sales to increase from last year.

"A lot of companies will give employees Friday off, and when the Fourth falls on a four-day weekend sales are good," said Kreman, also based in Sacramento.

Be sure to check local laws and take all safety measures before buying and lighting.
