Hailing Volunteers

Max McGregor (center), Dick Laursen (second from left) and other supporters were recently commended for volunteer effort at the Effie Yeaw nature Center.

Susan Maxwell Skinner

CARMICHAEL, CA (MPG) - Effie Yeaw Nature Center recently honored top volunteers with an awards luncheon.

Located in Ancil Hoffman park, the non-profit facility lost County funding nine years ago. Its educational mission is now spearheaded by

the American River Natural History Association. Center doors stay open with the assistance of supporter donations and 250 nature-loving volunteers.

One of two helpers surpassing 1000-hours of selfless service was 17-year-old Max McGregor from Sacramento. The home-schooled teenager has assisted in animal care

for three years and is the youngest of many volunteers to reach the 1000-hour mark. ARNHA board member Dick Laursen (90) also passed the grand milestone.

Located in Ancil Hoffman Park, the Effie Yeaw Nature Center and its 100-acre preserve see many thousands of visitors in all seasons of the year. For information, call (916) 489-4918. ★

Fresh Start's Role is to Support and Encourage

Story and photo
by **Trina L. Drotar**

SACRAMENTO REGION, CA (MPG) - In 2018, Assistance League Sacramento, an all-volunteer organization of over 285 members, celebrated 50 years of service to the local community through a variety of philanthropic programs that are funded in large part by its resale thrift shop, Fabulous Finds on Fulton. Programs, which are completely local, date back to 1967 when Eyes Right was established. At least one new program has been launched in each decade since. The organization's newest programs, Fresh Start and Reaching Out, were established in 2017.

Charlotte Stott chairs the Fresh Start committee of 50 volunteers. After reviewing several studies on community needs, which included support for victims of sex trafficking and foster youth aging out of residential care, the group chose to partner with Community Against

Charlotte Stott and Melinda Avey display a starter kit from one of Sacramento Assistance League's two new programs.

Sexual Harm (CASH) and its RESET diversion program. The program supports training and offers peer mentoring through its eight week, no fee program.

Stott explained that Fresh Start's role is to support and encourage the women participating in the program. At four weeks, the mid-way point, women receive a "way to go gift" of lip balm,

hand sanitizer, and a note. Upon graduation, women receive a bag with earrings, lipstick, and acknowledgment of their effort. The gifts, Stott said, tell the women that they matter.

Fresh Start also assists by providing hygiene products and a change of clothing including sweat pants, bra, and a top. Three apartment starter kits are provided each

quarter, and this month, the volunteers began providing bags with various items including tissues.

"We provide small birthday gifts and cards hand signed by committee volunteers," said Stott.

To assist foster youth aging out of the system, Fresh Start provides apartment starter kits to EA Family Services

Black Child Legacy Campaign Nationally Recognized

By **Andrea Hansen,
Sacramento County**

SACRAMENTO COUNTY, CA (MPG) - On March 2, 2019, The National Association of Counties Health Steering Committee unanimously approved a resolution in support of the Sacramento County Black Child Legacy Campaign.

Sacramento County Supervisor Phil Serna (District 1) presented a resolution in support of the campaign aimed at reducing deaths of African American children by 10 to 20 percent by the year 2020 in Sacramento County. Supervisor Serna shared with the Steering Committee promising results over the past six years of the community-driven movement aimed at reducing black infant mortality.

"The fact that Sacramento County is successfully saving young lives is resonating at a national level," said Supervisor Serna. "It's clear we're perceived as a model to address disparate childhood deaths in the African American community, and I couldn't be more proud of our effort," he continued.

On January 29, the Steering Committee on African American Child Deaths, which is managed by The Center at Sierra Health Foundation, along with the Sacramento County Child Death Review Team and the departments of Child, Family and Adult Services, Human Assistance, Probation as well as First 5 Sacramento went before the Sacramento County Board of Supervisors to present a report of the FY 2017-2018 progress of the Black Child Legacy Campaign. Those in the county-wide initiative were proud to share that in three of the four leading causes the rate of child deaths in the African American community has decreased due to County investments.

If you are interested in becoming involved with or learning more about the Black Child Legacy Campaign, connect with your Community Incubator Lead, join the Community Leadership Roundtable or Steering Committee, or become a communication vendor.

The Black Child Legacy Campaign is funded by The County of Sacramento, the City of Sacramento, First5 Sacramento, the Board of State and Community Corrections, the Obama Foundation and Health Net and is managed by The Center.

Old Sac Launches "Gold Fever" Games

A New Season of Popular Old Sacramento Underground Tours & Interactive Games

Come out and play "Gold Fever!" Photo courtesy Sacramento History Museum.

By Traci Rockefeller Cusack

SACRAMENTO, CA (MPG) - The Sacramento History Museum is proud to announce a new season of popular, fun and interpretive tour offerings at the Old Sacramento Waterfront. The new season officially kicks off the weekend of April 6 & 7, 2019 for both the Gold Fever! games and Old Sacramento Underground tours, which is celebrating its 10th season this year.

Guests to the Old Sacramento Waterfront can experience what it was like to catch gold fever while getting actively involved in the intriguing Gold Fever! games. Participants take on personas of characters in history – or “real-life rascals” – who scratched and clawed their way to make this area the center of the Gold Rush. Never

the same experience twice, Gold Fever! games relive Sacramento’s early days when gold fever ruled amid horrible disasters that threatened fates and fortunes. To spice things up even more, elements of chance are introduced that could change the fate of tour guests. Through the course of the lively tours that meander through the historic district, visitors discover if they successfully escaped the many floods, if they managed to keep their gold dust (or lost it all at the gambling tables) and if they survived the fires, disease and occasional steamboat explosion. Gold Fever! games last approximately one hour, are great fun for all ages, and cost \$12 for adults and \$8 for children 6 to 17 (children ages five and under are free).

Celebrating its 10th season, Old Sacramento Underground tours give

guests the unique opportunity to explore what has been hidden beneath the city for more than 150 years, while uncovering the facts and legends that lie below historic buildings and sidewalks. Tour guests explore excavated foundations, enclosed pathways and interesting archaeology exhibits while hearing sounds of 1860 street life. Entertaining and knowledgeable tour guides lead the way while recounting tales of the devastation, perseverance, and determination that led to California’s only successful street-raising project. Tours of the underground last approximately one hour and cost \$18 for adults, \$12 for youths (ages 6-17) and are free for children five and under.

All tour tickets include complimentary admission to the Sacramento History Museum. Guests who

book an Old Sacramento Underground tour and Gold Fever! game at the same time (even if the tours take place on different days) receive special combo pricing as follows: \$25 for adults and \$15 for youths. Old Sacramento Underground tour guests check-in at the Sacramento History Museum (101 Second Street) whereas Gold Fever! game participants check in at the Sacramento Visitors Center (1002 Second Street). Tour dates and times fluctuate with the seasons and during holiday weekends; please visit the website for the most updated schedule. For more information or to purchase advance tickets for Gold Fever! games and Old Sacramento Underground tours, please visit www.sachistorymuseum.org.

State Pays for Pregnancy Centers' Win

Press Release from Liberty Counsel

LOS ANGELES, CA - A California federal district court has ordered the state of California to pay Liberty Counsel \$399,000 for attorneys' fees and costs regarding the victory in *Mountain Right to Life v. Becerra*, which now prohibits the state from enforcing the California Reproductive FACT Act, a law which compelled pro-life crisis pregnancy centers to promote abortion.

After the Supreme Court ruled in *National Institute of Family and Life Advocates (NIFLA) v. Becerra* that crisis pregnancy centers cannot be forced to promote abortions, the state agreed the law was unconstitutional and a permanent injunction was entered blocking the law. Now California is required to pay \$399,000 to Liberty Counsel for attorney's fees and costs.

Liberty Counsel represents three pro-life crisis pregnancy centers in Southern California: Mountain Right to Life, known as the Pregnancy and Family Resource Center (San Bernardino), His Nesting Place (Long Beach) and Birth Choice of the Desert (La Quinta).

The three pro-life crisis pregnancy centers are faith-based and offer women pregnancy resources, counseling, advice and alternatives to

abortion. The California Reproductive FACT Act directly opposed their mission and forced them to endorse the government language promoting the abortion message on their front door, in their waiting room, online and in every advertisement for the crisis pregnancy center. The message had to be printed in 48-point font and in up to 13 languages or the centers could be fined \$500 for the first violation and \$1,000 for each additional violation.

“This is a great victory for children, mothers, and families,” said Mat Staver, Founder and Chairman of Liberty Counsel. “Pro-life pregnancy centers will no longer be compelled to speak a message that goes against their mission to save the lives of babies and women. The law violated freedom of speech. The First Amendment protects the right to speak and the right not to speak. Faith-based pro-life pregnancy centers cannot be forced to promote human genocide,” said Staver. The announcement was made February 12, 2019.

Liberty Counsel is an international nonprofit, litigation, education, and policy organization dedicated to advancing religious freedom, the sanctity of life, and the family since 1989, by providing pro bono assistance and representation on these and related topics. ★

Fresh Start's Role is to Support and Encourage

Continued from page 1
 and Aspiranet. According to the latter's website, 5000 youth age out annually in California and the agency supports 1900 by collaborating with community organizations like Assistance League Sacramento. Fresh Start plans to begin providing newborn essentials to young mothers who are in foster care.
 Relationships were built and established and Stott estimates that approximately 6000 people have been touched in one way or another through the efforts of Fresh Start.
 Reaching Out, a smaller committee of volunteers chaired by Melinda Avey, also provides apartment starter kits, along with a host of other assistance through its collaboration with Sacramento Steps Forward, an organization committed to ending homelessness in the region

through partnerships with agencies such as Assistance League.
 "We buy work boots," said Avey. "We pay deposit and application fees. We identify small needs."
 Sacramento Steps Forward, through partnerships with other organizations, may be able to secure housing for a currently homeless individual or family, but there are additional needs that they cannot provide. These, Avey explained, are the items that Reaching Out can assist with on short notice, such as the need for an application fee for a currently available apartment. When a request comes in, the committee votes to grant the request and Avey said, "makes it happen."
 "That is the benefit of being a non-profit, we can act immediately."
 Like Fresh Start, Reaching Out also provides apartment

starter kits. Kits, Avey said contain sheets, towels, pots and pans, shower curtain and rings, and other items that most folks might take for granted.
 "We give a welcome mat," she said, and the committee provides a clock. People living on the street lose track of time, she said.
 Feedback, said Avey, always includes mention of the welcome mat. Items are not random choices. The committee is guided by suggestions regarding sheet size and table settings that are requested to be for one or two, not four.
 The committee has also paid for a ticket to reunite a homeless individual and her father.

Time to "Kick Some Butts"

Call for Free Resources to Kick Butts

By Georgie Kramer

Cigarette smoking is still the leading cause of preventable death and disability in the United States and rural smoking rates are higher than those in more urban areas. Especially concerning to healthcare professionals is the recent rise in "vaping" or e-cigarette use. Most e-cigarettes contain nicotine which is the highly addictive drug found in cigarettes. Nicotine is also toxic to developing fetuses, adolescent brain development, and pregnant women, in particular. Some smokers use e-cigarettes to help them quit smoking cigarettes. However, the research shows that using e-cigarettes

Kick Butts Day is an annual event that aims to promote a future free of the death and disease caused by tobacco.

for cessation is just a change in smoking behavior, and rarely leads to stopping a nicotine addiction.
 Kick Butts Day on March 20, 2019 is an annual event that aims to promote a future free of the death and disease caused by tobacco. Quitting smoking – even for a day – is a great way to recognize Kick Butts Day. Free help to quit all nicotine products including vaping is available for all California residents. The California Smokers' Helpline (www.nobutts.org) offers telephone counseling in various languages, extra support via text message, self-help materials, online help, and referral to local programs.

MEMORIAL NOTICE

Dorothy Marie Houpt
 October 17, 1923 to January 25, 2019

Dorothy officially "got her ticket to heaven" as she would say, on January 25, 2019. She passed peacefully at her daughters home in Napa, CA. She had boundless love in her small frame and shared it generously.
 In 1953 she and husband Jack and their two children, Jerry and Gayle, moved to Carmichael. She resided in Carmichael until she reached 90 years of age, at which time she moved to Napa to live with her daughter.
 Dorothy was an avid gardener, and was particularly proud of her huge zinnia garden and she sold zinnias in her front yard for over ten years at a price everyone could afford. She donated all proceeds to local charities.
 Dorothy's goal in life was to be a wife,

mother, grandmother and great grandmother. She succeeded in all. She is survived by her son Jerry Houpt of Carmichael, daughter Gayle Nagel of Napa, four grandchildren, and ten great-grandchildren.
 Dorothy had many beloved friends and neighbors in Carmichael, and they all shared many happy times together.
 Dorothy's message to all is this.
"Death is not extinguishing the light. It is only putting out the lamp because dawn has come."
 If anyone wishes to make a tax deductible donation, please send memorial gifts to:

The Kiwanis Corner

By Sal Arrigo, Jr.

Who gets your community donations?

Many of you have generously given to the Kiwanis Club of Carmichael in supporting one or more of our fund-raising events. Did you ever ask yourself exactly what we do with the money? You trust us when we say the donations received from our See's holiday candy sales goes to the Visual and Performing Arts program at the San Juan Unified School District, and it certainly does. We advertise it as such, and it is true.

What then do we do with other money we raise through our several yearly fund-raisers? What does it mean when we tell you the funds from our annual crab feed or annual pancake breakfast goes to support the many programs of our club? What exactly does that mean to the community at large? Well, the club just provided much needed funds for the Mission Oaks Park

and Recreation Preschool program. This is one program; if you would have attended a recent meeting you would have witnessed both the El Camino High School Band and a local food bank receiving funding as well. Want more? We support the Special Olympics, Boys and Girls Scouts, Carmichael Park Christmas Tree Lighting and the Alzheimer's Association, and I assure you this is a very short list of recipients in our area.

I'd say that is a pretty diverse list! In fact, this is one of the favorite aspects within our club – giving money away! If you have ever been given a standing ovation, then you know how these many recipients feel. They are humbled; they are thankful, and the smiles that flash across their faces are priceless. I would say this is a moment that the entire club cherishes, but none of us takes any public credit for supporting so many worthwhile organizations. We internally recognize

members' efforts, but that is as far as it goes. Quite frankly, all the members would rather go unrecognized for their efforts, but a good slap on the back doesn't hurt either.

I say again to the Carmichael community, why aren't you joining our efforts? It would be so easy for me to list every organization we support, but there is no joy in that. I'd rather have you come and visit us to find out about those who are worthy of our contributions. There is no high pressure sales pitch nor will we ask you for your phone number or address, but we will ask for one favor – you let us tell you what we do, and then you decide if you would like to come back. It is that simple.

The Kiwanis Club of Carmichael meets every Wednesday morning at 7:00 am at the Elks Lodge on Cypress Ave. except for the fourth Wednesday when they meet at 7:00 pm at the Mission Oaks Community Center. www.carmichaelkiwanis.org ★

NOTICE OF PETITION TO ADMINISTER ESTATE OF RAMON VICTOR PEREYRA CASE No. 34-2019-00249889

To all heirs, beneficiaries, creditors, and contingent creditors of and persons who may be otherwise interested in the will or estate, or both of Ramon Victor Pereyra, deceased A Petition for Probate has been filed by Raymundo Pereyra, in the Superior Court of California, County of Sacramento, requesting Raymundo Pereyra, be appointed as personal representative to administer the estate of the decedent. The petition requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court. The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the executor to take many actions without obtaining court approval. Before taking certain very important actions, however, the executor will be required to give notice to interested persons unless they have waived notice or have consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority. A hearing on the petition will be held in this court as follows April 11, 2019 9:00 a.m. in Dept 129 at Superior Court of California, County of Sacramento 3341 Power Inn Road Sacramento, CA 95826. IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney. IF YOU ARE A CREDITOR or a contingent creditor of the deceased, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law. YOU MAY EXAMINE the file kept by the court. If you are interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk. CHEERS & JEERS

By Damian Holbrook

Cheers to The Real World for getting real-ish. The Atlanta-based 33rd season of the once-glorious cinema verite? series (which moves from MTV to Facebook Watch) is looking to cast some housemates who are as old as the show itself. That should help balance out the twenty-nothings who think the world revolves around them.

Cheers to Oddball Superhero Teams

Jeers to Netflix for pulling the plug on its Marvel shows. First it axed *The Defenders*, *Iron Fist*, *Luke Cage* and *Daredevil*. Now it's canceled *The Punisher* and *Jessica Jones* (with Krysten Ritter). Last time we saw this much carnage in the Marvel Universe, Thanos was snapping his fingers.

And while I share your admiration for Sela Ward, which for me stretches back even beyond the wonderful *Once and Again* to her Emmy-rewarded work on *Sisters*—can you believe her win was 25 years ago, in 1994?—*FBI's* not the sort of show that tends to ever get on the awards radar any more. Maybe next time. (Here's a thought: A cable network putting her and another longtime fave, Dana Delany, in a *Big Little Lies*—type scenario.)

ASK MATT

BY MATT ROUSH TV Guide Senior Critic

Why Don't We See More Sela Ward On FBI

Question: I am thrilled to see Sela Ward regularly on *FBI*. I have to admit that even though the show is not breaking new ground, it is very well made and very entertaining. However, I would like to see more of Sela Ward and Jeremy Sisto, in my opinion two of the finest actors TV has to offer, so I am a bit frustrated to see them having so little screen time. I've been

a fan of Ward since *Once and Again*. Would love to hear your thoughts. —David

Matt Roush: The upside for fine actors like these is that a Dick Wolf procedural means steady work—as Jeremy Sisto already knew from his stint in latter-day *Law & Order*, much as Sela Ward previously spent time in the procedural-franchise trenches on *CSI:NY*. I also wish both had more to do within this ensemble, but the field agents played by

Sacramento County DA Reports

Defendant Convicted of Child Sexual Assault, Special Allegation

DATE: March 7, 2019

CASE: Jon Humes

(Case #17FE004862)

PROSECUTOR: Deputy District Attorney TeriAnn Grimes, Special Assault & Child Abuse Unit

Jon Humes was convicted by a jury of seven counts of child sexual assault charges. The jury also found true a substantial sexual conduct allegation.

Humes was a family acquaintance of the victim. When the victim was 4 years old, Humes started sexually assaulting her. He bought the victim sex toys, sent her child pornography and continued to sexually assault her until she was 14 years old. In December 2015, the victim began cutting herself and was placed on a 5150 (involuntary psychiatric commitment) hold. At that time, she disclosed the abuse she had suffered for years.

Humes faces a maximum sentence of 37 years to life in prison. Sentencing is set for April 3, 2019, at 3:00 p.m. in Department 11 before the Honorable Trena Burger-Plavan.

Defendant Sentenced for Shooting at Downtown Club

DATE: March 5, 2019

CASE: Adrian Calderon

(Case #17FE014783)

PROSECUTOR: Deputy District Attorney Casey Sinclair, Gangs & Hate Crimes Unit

The Honorable Raoul Thorbourne sentenced Adrian Calderon to 35 years and 4 months in prison. On October 15, 2018, a jury convicted Calderon of attempted voluntary manslaughter with the personal use of a firearm, two counts of assault with a semi-automatic firearm and enhancements relating to using a firearm and causing great bodily injury. Calderon was also convicted of intimidating a witness and being a felon in possession of a firearm.

On August 11, 2017, Adrian

Calderon was at the Parlare nightclub when he got into an argument with another patron, who took a swing at Calderon. When the club security guard went to intervene, Calderon pulled out a firearm and shot the other patron at close range. The bullet went through the security guard's hand and into the neck of the patron, seriously injuring both victims. After Calderon was arrested and incarcerated, he had an accomplice contact the security guard to encourage him to change his story and to meet with the accomplice. The victim declined to meet with the accomplice and notified law enforcement. A subsequent investigation revealed jail calls and visits between Calderon and two accomplices detailing the plan to contact the security guard. A search of one of the accomplice's residence uncovered a letter written by Calderon to the victim asking him to state in court he was mistaken when he identified Calderon as the shooter. The letter also offered money, help finding employment and other benefits.

An allegation that Calderon has a prior strike conviction for assault with a firearm was also found true.

Former Coach, Radio Personality Sentenced for Child Sexual Assault

DATE: February 22, 2019

CASE: Gregory Kosanke

(Case #17FE013259)

PROSECUTOR: Principal Criminal Attorney Nancy Cochran, Special Assault & Child Abuse Unit

The Honorable Helena Gweon sentenced Gregory Kosanke to 6 years in state prison. On December 3, 2018, a jury convicted Kosanke of two counts of child sexual assault. Kosanke is a former park and recreation assistant basketball coach and a former radio personality. In March 2016, he sexually abused the young friend of one of his family members. During the pendency of sentencing, two additional victims came forward alleging Kosanke sexually assaulted them as well. He is pending a preliminary hearing in that case (#19FE000164) on February 28, 2019. ★

California Senior Legislature is Working for You

Commentary by Carl Burton, CSL

The California Senior Legislature (CSL) was created by legislation by assembly member Henry Mello in 1979. CSL is an official nonpartisan “shadow” legislature that works to improve the lives of older Californians. The idea behind the legislation that created the CSL was to help seniors in providing model legislation for older citizens and advocating for the needs of older adults in California.

Who is better suited than seniors to research and write legislation to help senior citizens in California? The California Senior Legislature (CSL) is the group doing

that work! California seniors know best what seniors need to live in a safe place and have a healthy lifestyle.

CSL member’s research issues around housing, transportation, health, social services, recreation, education, and identifying and stopping elder abuse and then submitting their proposed legislation to members of the regular California State legislature so they can propose legislation that address identified senior needs.

Since its establishment, the 40 CSL volunteer senior senators and 80 CSL volunteer senior assembly members, elected by their peers to represent all of California, have submitted over 300 proposals to the

California State Legislature and over 200 bills have become law. CSL success proves its usefulness in providing model legislation to help our aging population which will grow to more than double by 2030.

Now I urge all California taxpayers to support our work on behalf of our senior citizen population by making a tax-deductible contribution on their state income tax return, under Contribution Code 438 - the California Senior Citizen Advocacy Voluntary Contribution Tax Fund.

Thanks for your support,
Carl Burton, Assemblyman

Lost Someone You Love?

By Dave Crosson

Going on that lonesome journey is full of pain and struggles. It is different for everyone. It is a lone adventure none of us look forward to having but it is something everyone will experience. It is a time when we think we have learned a lot about life only to then realize we must learn more.

There is a perfect place one can find answers and connect with others who are experiencing much of the same emotions. Because my husband and I realized death can happen at any time, we wished to be more prepared so we attended a “Griefshare” gathering to

learn more about situations and struggles that come when one of us will pass on. Had we known of such a group years ago the following events and emotions we experienced would have been easier to foretell and deal with in our lives.

We did this because a few years back, we lost seven (7) members of our family in one year. It was a devastating time for us. Always being at the hospital, then the mortuary making arrangements and then the cemetery with the deep emotions because of the loss of someone we loved dearly. My husband even had time taking work off from his job.

The Griefshare leader

is an experienced holding these classes for the past six years. He is David Crosson who is also a Law Enforcement Chaplin for the Police Department and was a educator prior to his retirement.

The group welcomes anyone to attend and is open to help anyone who has lost a spouse or loved one or friend! It meets on Sunday at 10:30 a.m. at Sunrise Community Church on Greenback Lane in Fair Oaks just east of the cemetery. (Take elevator or upstairs to first room B201)

You can find a Griefshare group in your area at www.griefshare.org and insert your zip code. ★
