# Taste of Carmichael to Benefit Children, Families, Community

Story by Jacqueline Fox

**CARMICHAEL, CA (MPG)** - The long list of non-profit organizations and the countless number of children and their families who will benefit from your attendance at the annual Carmichael Kiwanis Club's Taste of Carmichael event should be motivation enough.

But should you need further prodding, consider the fact that more than four dozen of the region's restaurants and purveyors of fine wines and craft brews are on tap for this year's event, and every penny raised goes right back into the community via the Kiwanis Club's long list of private and non-profit beneficiaries.

For \$40, you can eat and drink an evening away, knowing that all that imbibing will serve to ensure, for example, that children in the San Juan Unified School District have access to performing and visual arts, as well as learning incentive programs through grants funded through Kiwanis. Support for the event will also make it possible for parents of children admitted to the hospital to take up temporary residency in the Kiwanis Family House at UC Davis, where sliding-scale payments are made available in order to give parents in need of long-term housing an affordable alternative to hotels.

"Every dollar from we generate from the fundraiser goes to the Carmichael Kiwanis Club, which has a theme of 'Serving the Children of the World,'" said Linda Martin, President of Kiwanis Club of Carmichael. "We are 100 percent into service, so all the money goes to help the children in the community, whether that's through arts programs, nature centers or donations to hospitals. It's the community, children and families who are serviced."

Funding also goes to support service organizations such as the Salvation Army, Loaves & Fishes, Boys Scouts of America, the Alzheimer's Association, the American River Parkway, the Koobs Nature Area, The Red Cross of Sacramento and way too many

Linda Martin (L) Donna Miller (R) and the rest of the Carmichael Kiwanis Club's team invite everyone out to this year's Taste of Carmichael for great food and great fun. There will be plenty of wonderful foods and desserts, along with wine and drinks. (See how to purchase tickets at the end of the story.) Staff photos

more to list.

"A lot of people don't know much about Kiwanis and what we do," said Martin. "But the truth is we are one of the oldest service organizations out there providing funding for children and community programs, as well as support to many larger non-profits across the country and around the world. We do a great deal to promote and support community programs focused on providing opportunities for the betterment of children's lives and the lives of their families."

In fact, the Carmichael Kiwanis said Martin, is the largest club in the network of Kiwanis International, with 100 members. Globally, Kiwanis has roughly

650,000 members in more than 80 nations and provides a combined \$1 million in community funding to communities across the globe each year.

Newcomers to Taste of Carmichael this year include three from the new Milagro Centre, including Mesa Mercado, Fish

Face Poke Bar and River City Brewing. Regulars will include Raleys/Bel Air and their widely anticipated seafood, wine and cheese fair, as well as Lido Café, Nothing Bundt Cakes, El Papagayo, Chocolate Fountains, Serritella's, Terra d'Oro, Vino

# Crumbling Roadways Face Trickle-In Funding

## SB 1 Transportation Funds Will Be Protected, But Take years to Trickle In

Story by Jacqueline Fox

**CARMICHAEL, CA (MPG)** - Funding for the repair and replacement of roads and highways across the county will begin trickling in next year following the implementation of a planned 12 cent increase in gas prices at the pump in November. But don't expect to see those potholes filled right away.

A good chunk of the revenue earmarked for road and transportation projects under SB 1, Gov. Jerry Brown's controversial transportation funding packaged passed in April, is expected to deliver \$7.5 million for the county in 2018, the first full year of implementation through the gas price hike. Future funding is phased in over the next four years. A significant portion of the initial funds received, however, and subsequent money, will be used to repay a portion of loans borrowed from the county's transportation pot in previous years, according to Sacramento County's Director of Transportation, Michael Penrose, who addressed issues regarding

transportation and SB 1 funding during a community forum in Carmichael Tuesday.

Documents show an allocation of \$685 million from SB 1 funding over the next five years will be used to repay existing

loans. Potholes also will be competing against other road and infrastructure projects, such as bridge repairs and major highway fixes. But there is a bright side: All funding generated from SB 1 taxes and

fees, Penrose said, will be both protected and grown over time. With protections in place, and creation of an index for the funding over the next five years, Penrose said he the county stands to see close to an additional \$28 million in revenue by 2027.

"We won't see it all come in at once,"

# Climb Aboard the Elks Fourth of July Parade

## Now Accepting Sponsorships and Float Applications

Story by Jacqueline Fox

**CARMICHAEL, CA (MPG)** - The Carmichael Elks Lodge is calling for applications for sponsorships and float entries for what is arguably one of the highest-attended Independence Day parades and celebrations in the region.

The Elks 59th Fourth of July Parade delivers everything you'd want or expect in a parade: vintage car clubs, fancy horses, marching bands, princesses doing the light-bulb wave, and, how cool is this, the one day a year you get to sleep on Carmichael's main drag without fear of getting a trespassing ticket. And floats, plenty of floats, each representing area businesses and community service organizations and clubs.

"It's such an uplifting, red, white and blue feeling, and I don't mean that it's political, because it isn't. This parade is for everybody," said Elks Lodge Secretary, Jim Warrick who oversees the annual production.

More than 10,000 spectators are anticipated to attend this year's parade, themed *Proud to Be An American*. Thousands of them will be in lawn chairs and sleeping bags the night before, camping out for a good seat on the two-mile route, which begins at Marconi Avenue and Fair Oaks Boulevard, and terminates at Cypress and Manzanita avenues.

The parade was started by Warrick's father, Barnie, a former charter member of the Elks Lodge and an event promoter. As

You can plan your float or parade entry so you can "Clown Around" with friends and neighbors in the annual parade. MPG file photo

the younger Warrick puts it, the club was new and his dad was charged with organizing its first community event. When Warrick Sr. found out about a family from Carmichael getting into a car accident on their way to a 4th of July event that previous year, he came up with the idea for a parade with the hope of convincing locals to stay close to home on Independence Day.

"That story really touched my dad," said Warrick, who added that he was in the first parade (and many since). "I was 10 years old. I was there. It's a great tradition and, although dad passed away in 1982, the tradition lives on."

This year's Grand Marshall is Allan Davis. He and his late wife,

Nancy Emerson-Davis are behind the development of the rapidly expanding Milagro Centre on Fair Oaks Boulevard, and other successful projects in the area. Emerson-Davis was the daughter of the late Sacramento developer, Joe Benvenuti who is credited for establishing the developmental footprint for much of the capital region.

"Allan personifies the desire to enhance our community," Warrick said. "He's chosen to make Carmichael a better place."

"I'm very excited to be selected as this year's grand marshal," said Davis. "This is a terrific community event and I would encourage anyone with a business to sign up to participate in it with me. The Elks club relies on the support of sponsors to put this amazing, free event on every year."

Sponsorships are critical, as the entire costs for the parade, as well as the after party hosted by the Elks Club, run close to \$3,000, which includes fees for marketing, insurance, payments to the Highway Patrol to cover road closures, food for the party, payment to the band, and much more.

A \$100 Gold-level sponsorships

includes what Warrick called "a prestigious front of the parade position in a classic car." There also are \$50 and \$20 sponsorship level options available. All sponsors will be recognized in marketing collateral for the event, the Elks and event Facebook pages and day of speeches. Local

TV media and print coverage are anticipated again this year.

The Elks Lodge party includes a barbecue with hamburgers, hot dogs and "Elks beans," which Warrick says are as much a parade tradition as the floats and vintage Cadillacs. The Elks Lodge swimming pool also will be open and there will be a children's play area. The Crystal Image Band returns to the main hall to rock the party prior to fireworks at dusk.

"This band is just fantastic," says Warrick. "They've played this event many times and we're thrilled to have them back."

Carmichael Chamber of Commerce Executive Director, Linda Melody will be announcing

the parade again this year. She also is encouraging the business community to sponsor the event, consider getting their float on, or both.

"This is my second year announcing the parade and it's so exciting to be able to do that," Melody said. "It's such a great community gathering of our local businesses and service organizations, not to mention all of the attendees. It really is an event not to be missed."

## Mail Carrier Canned Food Drive is May 13th

**USPS Postal Service  
Special Release**

**SACRAMENTO REGION, CA (MPG)**

- Each year on the second Saturday in May, letter carriers across the country collect non-perishable food donations from our customers. These donations go directly to local food pantries to provide food to people who need our help.

Last year we collected over 80 million pounds of food nationally, feeding an estimated 64 million people. Over the course of its 24 year history the drive has collected 1.5 billion pounds of food thanks to a postal service universal delivery network that spans the entire Nation,

including Puerto Rico, Guam and the U.S. Virgin Islands.

The need for food donations is great. Currently, 49 million Americans are unsure where their next meal is coming from. Thirteen million are children who feel hunger's impact on their overall health and ability to perform in school. More than 5 million seniors over age 60 are food insecure, with many who live on fixed incomes often too embarrassed to ask for help.

Our food drive timing is crucial. Food Banks and pantries often receive the majority of their donations during the Thanksgiving and Christmas holiday seasons. By spring-time many pantries are depleted

entering the summer low on supplies at a time when many school breakfast and lunch programs are not available to children in need.

Participating in this year's Letter carriers stamp out hunger Food Drive is easy. Just leave a non-perishable food donation in a bag by your mail box on Saturday, May 13th and your letter carrier will do the rest. With your help, letter carriers and the US postal service have collected over 1.5 billion pounds of food in the United States over our first 24 years as a national food drive. Please help us in our fight to end hunger as we celebrate our 25th anniversary year in America's great day of giving. ★

Each year presents many interesting local entries. MPG file photo

*SB 1 Transportation Funds Will Be Protected, But Take years to Trickle In*

*Continued from page 1*

but it is estimated right now that unincorporated Sacramento County could receive up to 7.5 million in additional money in the first year," Penrose explained during the forum, which Peters dubbed "Roads 101."

Penrose acknowledge there are challenges to overturn SB 1 by several community groups and at least one lawmaker. He also recognized justification for widespread community skepticism over previous diversion of transportation dollars for other projects, but explained that SB1 carries a companion bill, ACA 5, which essentially protects funds collected under SB1 from being diverted away from county transportation needs.

Revenue generated from various channels, including the 12 cent increase on gas and vehicle licensing fee increases in 2018, are expected to generate close to \$28 million in additional revenue over the next decade, because they will be both protected and tied to an investment-based index account. Voters will be asked to approve ACA 5 in November of 2018. Penrose said historically similar measures have been widely approved.

"ACA 5 carries constitutional protections that the dollars that are collected through SB1 can't be redirected," Penrose said. "People who have been watching these funds for years and years have seen the state at different times take these transportation funds to do other things."

Road repairs, including the ongoing fix of some 40,000 potholes annually, as well as replacement projects across the county's roughly 450-mile roadway lane system, Penrose said, are the top priority under SB1. The \$450 million maintenance backlog, he added, has been intensified by Mother Nature, as the county just experienced its wettest and coldest winter on record.

"We do pothole sweeps twice a year," Penrose said. "This year, in the pothole sweep, there were 9,000 potholes done. This year has just been incredible with the rains and the transition we've seen in the pavement. We

seemed to have come apart in January."

Basic street and sidewalk repairs and subsequent maintenance sweeps across residential sections of the county and some of its major thoroughfares, Penrose said, have taken a backseat to freeway and major road infrastructure projects for decades. For all of its controversy, SB1, he said, intends to reverse that.

"For years and years we haven't had enough revenue to address the maintenance needs," Penrose said. "The given revenue that we have had we've tried very hard to prioritize the allocation and use of those funds, and in many cases, what you'll have seen is that we've been making a lot of investments on the major roads, the four and six lane roads that carry a lot of traffic. And those, in general, are in better condition than a lot of our neighborhoods. We just flat out don't have enough revenue to get to the whole thing."

In addition to gas price hikes, the state and county also receive grants through development fees, as well as grants from the federal government and the Active Transportation Program (ATP). However, much of that funding comes with a caveat, primarily that it be used only for major highway and bridge repairs, with little left over for local needs.

"We can't use federal funds for the minor roads, so in the neighborhoods we have to look to our local revenues to be able to do the repairs on our minor roads, and that's where you see the squeeze," Penrose said.

Where SB 1 money comes from is one thing, how and when it will be allocated is another. Funds will be directed by the Sacramento Transportation Authority to the county, which in turn allocates funds directly to the cities in the county and unincorporated areas. But there are several areas under the allocation table that the county will have to compete for or attempt to pull funding from, including a \$200 million fund for a state-local partnership and a \$25 million account for local planning grants.

"It's going to a whole bunch of accounts," Penrose said. "There will be allocations of funds to the state, the locals, the cities, and some of it will be loan repayment. I can say that historically, Sacramento has done a good job of applying for and receiving grants."

Peters used the example of the ongoing construction and beautification project currently underway on Fair Oaks Boulevard in Carmichael to illustrate how difficult it is to obtain funding for street and road projects, and how varying stakeholders (business owners and residents) each have different priorities.

The Fair Oaks corridor plan, Peters explained, involved several phases, including road

Noceto, Wreckless Blenders and more.

"Railey's and Bel Air are amazing," Martin said. "They have been one of our biggest supporters each year and I can't say enough about how great they are. Every year they bring out about 15 people with them, including team members from Pacific Seafood, and they do a seafood, wine and cheese booth that is just amazing."

Sacramento's Todd Morgan and the Emblems will be making a return appearance at Taste of Carmichael, belting out electrifying blues, rockabilly and pop originals. Carmichael's own Vintage Fare is also on the entertainment bill this year, bringing a nostalgic if not timely 1960s-era style repertoire of folk harmonies to the stage.

show, a raffle and other giveaways at the event, as well as information and representation from some of the service groups served by Kiwanis. Tickets for this year's festivities are \$40.00 and may be purchased at the door or in advance. ★

## Proposed SB 1 Funding Allocation Accounts:

- \$1.5 billion for state highways
- \$1.5 billion for local roads
- \$750 million for transit operations and capital
- \$685 million in loan repayments
- \$400 million for state bridges
- \$300 million for goods movement/freight projects
- \$250 million for the new "Solutions for Congested Corridors" program
- \$200 million for state-local partnership
- \$100 million for the active Transportation grants
- \$25 million for Freeway Service Patrol
- \$25 million for local planning grants
- \$7 million for UC and USC Transportation Research

repair, underground power pole work, sidewalk repair and landscaping, as well as competition for funding to make it all happen.

"We have to compete for it, it's federal, its' state... it's crazy, and it takes a lot of work from the department (of transportation) to put it all together and compete for it," Peters said. ★

### Sheriff Community Meeting

The Sheriff's Department holds regular community meetings to share information about trends in crime and recent activities. These sessions are open to the public and residents are encouraged to attend.

The Carmichael meeting will be held on Tuesday, May 16, 6 p.m., at the Del Campo High School Library, 4925 Dewey Drive.

Becoming involved by participating in Neighborhood Watch, attending these meetings, and learning about recent criminal activities makes us all more cognizant about how to better secure our property and make our communities safer.

### Family Fun at the County Fair

The 2017 Sacramento County Fair will be held May 25 -29 at Cal Expo. Activities include a carnival, food, barn animals, music, and shopping.

General Admission is only \$6. Children age 12 and under are admitted free.

Separate special entertainment includes Lil Monster Truck Tour, Bull Riding, and a Tractor Pull. For more information about hours, general admission entertainment plus tickets for the special entertainment, please visit sacfair.com.

### Alcohol Ban keeps Parkway Family Friendly

If you are planning to enjoy the American River Parkway over the Memorial Day holiday weekend, please note there will be a complete ban on alcohol consumption and possession both on land and in the water between Hazel and Watt avenues (an exception exists for Ancil Hoffman Golf Course).

In past years summer holiday weekends had become major problems along the American River due to excessive alcohol consumption making the parkway less of a family friendly outing because of fights, public nudity, profanity and littering.

Besides Memorial Day weekend, the restriction is also applicable for the holiday weekends of Independence Day as well as Labor Day. In addition, the Board of Supervisors delegated authority to the Director of Regional Parks in consultation with the County Executive the ability to prohibit alcohol in the Parkway on any additional days between Memorial Day and Labor Day when such a ban is needed to maintain order to address excessive alcohol consumption encouraged by social media.

### Crowdfunding real estate?

Dear Dave,  
I'd like to get involved in real estate investing, but I don't have a lot of cash at present. What do you think of the idea of crowdfunding as a way to invest in real estate?  
- Adam

Dear Adam,  
I've got a bunch of real estate, and I love it. But I wouldn't go the crowdfunding route as a way to get started in real estate investing. I wouldn't give someone money to buy real estate in a crowdfunding scenario, either. The late Beverly Sills had a great saying: "There are no shortcuts to anyplace worth going." Investing in real estate is

wonderful when you do it right. Get out of debt first, pay cash, and find great bargains. When you get in a hurry, and do dumb stuff like go into debt or get mixed up with partnerships in the process, real estate's a horrible investment.

I admire your ambition, Adam. But I would advise you to follow my lead on this one. You'll be glad you did!

### How late is too late?

Dear Dave,  
How late is too late to get life insurance?  
- Anonymous

Dear Anonymous,  
It's pretty easy to get term life insurance – the only kind of life insurance I recommend – up until around age 70. Depending on your overall health situation, there are a few affordable policies available past that point. But once you get into your seventies and beyond it can be difficult to

find reasonably priced coverage. I recommend that most people have 10 to 12 times their annual income wrapped up in a good, level term life insurance policy. But honestly, you shouldn't need life insurance at 70 or older. If you've been wise with your money, and saved and invested, you should be self-insured by that point. This means having plenty of cash in the bank to cover burial expenses and enough for a spouse to live on after you're gone.

## Less Toxic Alternatives for Pest Control

SACRAMENTO

STORMWATER QUALITY PARTNERSHIP

Now that we're getting into the "spring of things", are you seeing more bugs crawling in and around your home or garden? Although pesticides are commonly used to get rid of pests, they can pollute our creeks and rivers. Toxic chemicals in pesticides can be washed away by rain water or sprinkler runoff sending those pollutants into a nearby storm drain. Once in the drain, those toxins end up in a nearby creek or river, which is home to many plants and aquatic life.

Before you reach for that can of bug spray to defend your garden, please consider these less toxic steps to ward off pests:

### Know your Friends

Many bugs are not pests and may actually be beneficial because they control other bugs or pollinate flowers. For example ladybugs, both adults and larvae, are known primarily as predators of aphids. Parasitoid wasps are also keen hunters of aphids and caterpillars. You may not like spiders, but they can also be the best sentry to keep your plants safe. Knowing which bugs are friends or pests is the first step in managing pests wisely. The UC Statewide Integrated Pest Management Program ([www.ipm.ucanr.edu](http://www.ipm.ucanr.edu)) offers ideas about natural enemies to pervasive pests.

### Less Is More

Chemicals in your yard kill both good and bad bugs. For pest or weeds, use less-toxic or non-toxic methods to keep garden-friendly bugs on your side and unwanted bugs under control. The Our Water Our World Program offers simple ideas online at [ourwaterourworld.org](http://ourwaterourworld.org). You can also look for convenient eco-friendly options at your local garden or hardware supply store. The Our Water Our World Program partners with stores to help consumers find less-toxic products for use in their homes and gardens.

### Attraction is Essential

Attract and keep beneficial bugs in your yard and let them do the work for you! You should plant flowers and shrubs that attract good bugs to your garden. There won't be a need for chemicals when the good bugs can keep the "bad bugs" under control. Unwanted bugs will always be in your garden but a healthy garden filled with good bugs will minimize pests. The UC Statewide Integrated Pest Management Program ([www.ipm.ucanr.edu](http://www.ipm.ucanr.edu)) has dozens of ideas for finding the right plants to control pests around your home and in the garden.

### Choose Plants Wisely

Select pest and disease resistant plants as well as plants that attract good bugs to keep a healthy balance of garden friends close by. Plants like rosemary, zinnia and coyote brush make great additions to the yard. Plants that are native to your area will adapt best to the climate, making them stronger and healthier.

**NOTICE TO READERS**  
 California law requires that contractors taking jobs that total \$500 or more (labor and/or materials) be licensed by the Contractors State License Board. State law also requires that contractors include their license numbers on all advertising. Check your contractor's status at www.cslb.ca.gov or 800-321-CSLB (2752). Unlicensed persons taking jobs that total less than \$500 must state in their advertisements that they are not licensed by the Contractors State License Board.  
**DISCLAIMER**  
 Be wary of out of area companies. Check with the local Better Business Bureau before you send any money for fees or services. Read and understand any contracts before you sign. Shop around for rates.

\*The initial Annual Percentage Rate (APR) is currently 4.25% for a new Home Equity Line of Credit (HELOC), and is fixed for the first 5 years of the loan which is called the draw period. After the initial 5 year period, the APR can change once based on the value of an Index and Margin. The Index is the weekly average yield on U.S. Treasury Securities adjusted to a constant maturity of 10 years and the margin is 3.50%. The current APR for the repayment period is 5.875%. The maximum APR that can apply any time during your HELOC is 10%. A qualifying transaction consists of the following conditions: (1) the initial APR assumes a maximum HELOC of \$100,000, and a total maximum Loan-to-Value (LTV) of 70% including the new HELOC and any existing 1st Deed of Trust loan on your residence; (2) your residence securing the HELOC must be a single-family home that you occupy as your primary residence; (3) if the 1st Deed of Trust loan is with a lender other than El Dorado Savings Bank, that loan may not exceed \$200,000 and may not be a revolving line of credit. Additional property restrictions and requirements apply. All loans are subject to a current appraisal. Property insurance is required and flood insurance may be required. Rates, APR, terms and conditions are subject to change without notice. Other conditions apply. A \$375 early closure fee will be assessed if the line of credit is closed within three years from the date of opening. An annual fee of \$50 will be assessed on the first anniversary of the HELOC and annually thereafter during the draw period. Ask for a copy of our "Fixed Rate Home Equity Line of Credit Disclosure Notice" for additional important information. Other HELOC loans are available under different terms.

### LEGAL NOTICE

#### RESOLUTION NO. 2845

##### RESOLUTION BEFORE THE SAN JUAN UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION TO SIGN A RESOLUTION (To Convey an Easement for Public Utilities)

WHEREAS, section 17556, et seq. of the Education Code authorizes the San Juan Unified School District ("District") to dedicate or convey an easement/real property to municipal corporations for public streets or highways and to a public corporation, to lay, construct, reconstruct, maintain and operate water, sewer, gas, or storm drain facilities or ditches, electric or telephone lines, and access roads used in connection therewith, either with or without consideration and without a vote of the electors of the District being taken;

WHEREAS, the District desires to dedicate a permanent easement for utility access and maintenance to the County of Sacramento for the purpose of maintaining storm-water facilities at Bella Vista High School, located at 8301 Madison Avenue, Fair Oaks, CA 95628. The proposed easement is specifically described in Exhibit "A" attached hereto and incorporated herein by the reference (hereinafter referred to as the "Easement"); and

WHEREAS, the District desires to give notice of its intent to dedicate to the County of Sacramento the Easement described above and to call a public hearing in connection therewith.

NOW, THEREFORE, the Board of Education of San Juan Unified School District does hereby resolve as follows:

**Section 1.** The foregoing recitals are hereby adopted as true and correct.

**Section 2.** The District declares its intent to dedicate and convey the Easement to the County of Sacramento, as described and depicted in Exhibit "A" for the purposes set forth in the Grant of Easement Document attached herewith.

**Section 3.** The Superintendent or a designee thereof is hereby directed to give notice that on May 23, 2017 at 6:30 p.m. or as soon thereafter as practicable, at the District Board Room, located at 3738 Walnut Avenue, Carmichael, CA, the board will hold a public hearing on the question of making the conveyance of the Easement to the County of Sacramento. The public hearing shall be held during a regularly scheduled public meeting of the board. Notice of the public hearing shall be given by posting copies of this resolution, signed by the majority of the board, in three public places within the District at least ten (10) days prior to the hearing, and by publishing the notice once in a newspaper of general circulation in the District, at least five (5) days prior to the hearing. At the time and place of the hearing, if no legal protest is entered, the board may adopt a resolution by a two-thirds vote of all its members authorizing and directing the conveyance of the Easement to the County of Sacramento.

The foregoing resolution was adopted by the Governing Board of the San Juan Unified School District at a meeting of the board on May 23, 2017, by the following vote:

#### NOTICE OF PETITION TO ADMINISTER ESTATE

NOTICE OF PETITION TO ADMINISTER ESTATE OF MARGARET MARY ANN CALLAHAN CASE No. 34-2017-00211097

To all heirs, beneficiaries, creditors, and contingent creditors of and persons who may be otherwise interested in the will or estate, or both of Margaret Mary Ann Callahan. A Petition for Probate has been filed by Patrick J. Callahan in the Superior Court of California, County of Sacramento, requesting that Patrick J. Callahan, be appointed as personal representative to administer the estate of the decedent. The petition requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court. The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the executor to take many actions without obtaining court approval. Before taking certain very important actions, however, the executor will be required to give notice to interested persons unless they have waived notice or have consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority. IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law. YOU MAY EXAMINE the file kept by the court. If you are interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk. The name, address and telephone number of the attorney for Petitioner is: David R. Lou was there every step of the way to answer questions and joined us on our discovery call to help us get clarification and address questions we hadn't thought off. Lou helped us bridge that gap we didn't know how to cross to make our dream a reality. My wife and I took a slower approach to sign our franchise agreement. However, we are very confident in our franchise choice

# California Pioneer History Day Returns Our Heritage Matters

Free wagon rides will be available at California Pioneer History Day at Marshall Gold Discovery State Park in Coloma, on May 20. Photo by Patrick Twomey, Zmefotos Photography

By Margaret Snider

**COLOMA, CA (MPG)** - On May 20, 2017, California Pioneer History Day is coming back to Marshall Gold Discovery State Historic Park in Coloma. Admission is free, State parking fee is \$8 per car. The event opens at 9 a.m. and closes at 3 p.m., with parade at 10 a.m. It is sponsored by the California Pioneer Heritage Foundation and The Church of Jesus Christ of Latter-day Saints. Visitors are encouraged to get into the spirit with period costume, if they wish.

Last year more than 5,000 people enjoyed the Day and new features have been added, to include a larger area of activities and events in the park. A log cabin will actually be erected during the day in real time, and will be donated to the Park.

Historic displays and exhibits will demonstrate how the pioneers met their needs, how they traveled and cooked and laundered their clothes. There will be periodic black powder musket firings, and the firing of a replica of the cannon purchased from Captain John Sutter in 1848. Special occasional firings of

Entertainment will be continuous from after the introductions and presentations at 10 a.m. until closing at 3 p.m. Photo by Patrick Twomey, Zmefotos Photography

the "Candy Cannon" will shoot candy to gathered kids, who can also join in with pioneer games. There will be free wagon rides.

Visitors can try their skills making bricks, candles, dolls and other crafts, try quilting and roast a biscuit on a stick. Families can bring food to eat at the picnic area or purchase food at several food stands.

After the parade at 10 a.m., certificates of special recognition will be presented at the stage area, and VIPs introduced.

Then will come the entertainment, which will be continuous from around 10:30 a.m. until 3 p.m. Jeri Clinger, co-founder with her husband Richard of the Galena Street East singing and dancing troop, is one of the

organizers of the entertainment for California Pioneer History Day. "Singers will sing songs of that period, ones they might have been singing at some of the mining camps," Clinger said. There will be dancing, musical numbers, and other types of entertainment in two locations on the grounds

The setting at the Marshall Gold Discovery State Historic Park in Coloma is the historic spot of John Sutter's sawmill, where gold was discovered in 1848. "It's a very family oriented day," Clinger said. "It's ideal to help people in California feel the pioneer heritage here."

Come early to beat the crowds. For more information, please see <http://californiapioneer.org/cphd>. ★

## FAIR OAKS CEMETERY

19th ANNUAL

# MEMORIAL DAY EVENT

SATURDAY, MAY 27TH, 2017 @ 10:00AM

## 100th Year Anniversary

The Fair Oaks Cemetery District and the Memorial Day Ceremony Committee are finalizing plans for one of the most popular and inspiring Memorial Day events in the area.

The Nineteenth Annual Memorial Day and Avenue of Flags Ceremony will be held Saturday, May 27, at the Fair Oaks Cemetery, located at 7780 Olive Street, Fair Oaks. The formal ceremonies start at 10 AM. This year's theme is to remember the 100th year Anniversary of the United States' entry into the "Great War" and to honor our Veterans of World War 1, "The War to end all wars," of whom there are eighty-six known veterans buried in the Fair Oaks Cemetery.

Chairman of the Fair Oaks Cemetery District Memorial Day Committee, Tom Askins will be the Master of Ceremonies. The main speaker(s) will focus on the history, facts and results of the United States entry into this war.

The Fair Oaks Cemetery will be decorated with hundreds of flags lining its roadways as "The Avenue of Flags." We will also be adding more names to the Veterans Memorial Wall. The laying of the wreath at the memorial in honor of over eighteen hundred veterans who are buried in the cemetery, will be done by VFW Post 6158 and American Legion Post 383.

The musical program will consist of Pipers, a Drummer and Recorded Music by a local Disc Jockey. Refreshments will be served at the conclusion of the ceremony by the Orangevale/ Fair Oaks Grange & Fair Oaks Historical Society.

The Fair Oaks Cemetery's Memorial Day Ceremony is a fine example of how we, the community, remember loved ones and say thank you to our veterans and their families for their sacrifices.

# Grand Opening of State-of-the-Art, Water-Wise Demonstration Gardens at Howe Park

By SSWD

**SACRAMENTO, CA (MPG)** - The public is invited to the Grand Opening Ceremony and Celebration of the Gardens at Howe Park, the Sacramento region's newest water-wise demonstration garden, on Saturday, May 13 at 10:00 a.m. at Howe Park in Sacramento.

The celebration will include a ribbon-cutting ceremony, guided tours, workshop demonstration on high-efficiency sprinklers and free gift bags filled with gardening tools for the first 100 attendees.

"We're excited to open our newest demonstrations gardens and highlight the variety of ways people can have beautiful landscapes that are river-friendly and low-water," said Greg Bundesen, Sacramento Suburban Water District's (SSWD) Water Conservation Supervisor.

The Gardens at Howe Park are

truly unique in that they showcase four, state-of-the-art, low-water use demonstration landscapes, including:

**Sensible Switchover** – represents the layout of most Sacramento residential front yards but features low-water plants and low-maintenance solutions perfect for our region's climate.

**Wilder Wonders** – a wilder, less structured garden filled with color and texture that is designed to provide food and shelter for birds, butterflies and bees.

**Water Works** – a working rain garden that shows how plants can take in, filter and hold water in the soil.

**Effortless Edibles** – featuring low-water edibles and aromatics that can provide lots of goodies for your table, and color for your home.

Each of the gardens will feature informational signage that identifies all of the landscape's water-efficient features and plants used.

SSWD customers helped transform the site during hands-on workshops on sustainable landscaping techniques taught by EcoLandscape California instructors.

The project is presented in partnership by SSWD, Fulton-El Camino Recreation and Park District and EcoLandscape California, which served as project manager and provided instruction for hands-on workshops, and is part of the District's ongoing commitment to promoting wise water use and investing in the community.

For more information about the Grand Opening celebration for the new Gardens at Howe Park, visit [sswd.org](http://sswd.org). ★

# IRS Tips on What to do After the Tax-Filing Deadline

**SACRAMENTO, CA (MPG)** - Tax day has come and gone for most people, but some taxpayers may still be dealing with their taxes. The IRS offers these tips for handling some typical after-tax-day issues:

**Didn't File by April 18?**

There is no penalty for filing a late return after the tax deadline if the taxpayer receives a refund. Penalties and interest only accrue on unfiled returns if taxes are not paid by April 18. Anyone who did not file and owes tax should file a return as soon as they can and pay as much as possible to reduce penalties and interest. IRS Free File is available on [IRS.gov](http://IRS.gov) to prepare and file returns electronically through October 16.

**"Where's My Refund?"**

The "Where's My Refund?" tool is available on [IRS.gov](http://IRS.gov), IRS2Go and by phone at 800-829-1954. Taxpayers need specific information to use the "Where's My Refund?" tool. That information includes the primary Social Security number on the return, the filing status (Single, Married Filing Jointly, etc.) and the amount of refund.

**Changing Withholding?**

Events – like a change in marital status – during the year may change the exemptions, adjustments, deductions or credits a taxpayer expects to claim on next year's return. Employees can use the IRS's online Withholding Calculator to figure and then adjust their withholding by filling out a new Form W-4, normally with

the company's personnel office. Taxpayers who do not have taxes withheld from their pay or don't have enough tax withheld, may need to make estimated tax payments. Taxpayers who are self-employed normally need to make estimated payments that can be adjusted to avoid a balance due in the future.

**Need to View a Tax Account Balance or Make a Payment?**

Taxpayers who owe taxes can view their balance, pay with IRS Direct Pay, by debit or credit card or apply for an online payment agreement. Before accessing your tax account online, you must authenticate your identity through the Secure Access process. Several other electronic payment options are available on [IRS.gov/payments](http://IRS.gov/payments). They are secure and easy and taxpayers receive immediate confirmation when they submit their payment.

**Need to Fix an Error on a Return?**

Form 1040X, Amended U.S. Individual Income Tax Return, must be filed by paper and is available on [IRS.gov/forms](http://IRS.gov/forms) at any time. Do not file an amended return before the original return has been processed. Taxpayers should file an amended tax return to change the filing status, or correct income, deductions or credits. The IRS generally corrects math errors and mails a request for any missing documents. Use "Where's My Amended Return?" tool to track the status of your amended return. It will take up to three weeks after mailing the

return to show up in the IRS system. Processing can take up to 16 weeks.

**Need Help Responding to an IRS Notice or Letter?**

An IRS notice or letter will explain the reason for the contact and give instructions on how to handle the issue. Most questions can be answered by visiting the "Understanding Your Notice or IRS Letter," on [IRS.gov](http://IRS.gov). Taxpayers can call the phone number included in the notice if they still have questions. Taxpayers have fundamental rights under the law. The "Taxpayer Bill of Rights" presents these rights in 10 categories. This helps taxpayers when they interact with the IRS. Publication 1, Your Rights as a Taxpayer, highlights a list of taxpayer rights and the agency's obligations to protect them. If normal IRS channels don't solve the problem, the Taxpayer Advocate Service is available at 877-777-4778.

**Watch Out for Scams**

Aggressive and threatening phone calls by criminals impersonating IRS agents remain an ongoing threat to taxpayers. The IRS will never contact a taxpayer via e-mail, text or social media. Any e-mail that appears to be from the IRS about a refund or tax problem is probably an attempt by scammers to steal information. Forward the e-mail to [phishing@irs.gov](mailto:phishing@irs.gov). The first IRS contact with taxpayers on a tax issue will be by mail. *Source: Internal Revenue Service* ★

**WasteRight Sacramento**  
Commercial Food Waste in its Right Place

**Sacramento Area Businesses Begin Food Waste Recycling Program**

Local restaurants and food providers get on board with WasteRight Sacramento to comply with new state law – Assembly Bill 1826

Local businesses are tackling greenhouse gas emissions with WasteRight Sacramento, a new program to help businesses recycle food waste. All business that produce four (4) cubic yards or more per week of organic waste are required to recycle this material. Businesses such as restaurants, bakeries, grocery stores, hotels, schools, and food distributors, are in some cases now regulated by this new law.

Organic waste, including food waste, are recyclable through composting, mulching, animal feed and by using anaerobic digestion to produce renewable energy. All of these methods to reuse organics contribute to a strong and sustainable economy in the Sacramento region.

Annually, commercial waste haulers in the Sacramento area collect approximately 450,000 tons of commercial garbage. Organic waste, including food waste, makes up 15% of that amount, and is the largest single contributing source to landfills. As food waste decomposes in the landfill it releases potent greenhouse gasses, especially methane that contributes to climate change.

The California Department of Resources Recycling and Recovery notes that 15 percent of America's food waste could annually feed more than 25 million people.

**FOOD WASTE CAN BE USED FOR**  
Compost, Mulch, Energy, Food Banks (sometimes)

**Sacramento Businesses Contribute 48% of food waste disposed** (of 26,000 tons)

**WHY we CARE**  
Organic waste is the single largest material disposed of in our landfills and a major generator of greenhouse gases. Wasteright's goal is to divert food waste for sustainable use instead of sending it to a landfill. Let's make it happen!

**WHAT IS FOOD WASTE?**  
Food waste includes:  
• Fruit  
• Vegetables  
• Meat  
• Bread  
• Coffee grounds  
• Tea bags

**WHAT IS ORGANIC WASTE?**  
Organic waste also includes, plant debris and:  
• Food-soiled paper products such as:  
• Napkins  
• Towels  
• Tissues  
• Paper plates

**BUSINESS INCENTIVES**

# Happy Mother's Day from First 5 CA

**Commentary**  
by Diane Levin  
Chief Deputy Director,  
First 5 California

To all of you looking for the ideal Mother's Day present for the mother of your young children, First 5 California has some helpful suggestions to make that day and every day after extra special.

There's nothing that would make a mom happier than to know that her children are getting off to the best start in life. The research is clear that critical brain growth and other developmental milestones take place during the critical earliest months and years of a child's life. Talking, reading, and singing during these early years forms billions of neural connections and can put your child on the pathway for lifelong success.

So in addition to making her favorite breakfast or bringing a bouquet of flowers, consider:

- Serenading her and your young child with her favorite song, or make one up on the spot. Singing to your baby and toddler supports their brain development, helps in rhythmic development, brings a sense of calm and strengthens familial bonds. Ukulele not required.
- Reciting some poetry or reading from her favorite childhood book. Reading to your children on a regular basis throughout their first years of life will build their vocabularies and language skills and help them gain a lifelong appreciation for reading.
- Recounting to her and your child how you first met and knew she was the one. Talking to your baby or toddler is one of the best ways to help them get ahead in life. Research confirms that children who are talked to regularly throughout their early years of life by

the time they are four years old, will have heard 30 million more words than those children who were not spoken or read to during these early years.

- Telling your family the many ways you love them in your home language or another language. Young children's brains are wired to pick up languages and they are born with the ability to identify sounds from every language – a key component in language learning. Dual language learners demonstrate greater working memory, reasoning, and problem solving.

## Bipartisan Group of Senators Seek \$100 Million for Levee Repairs Following the Failure of Oroville Dam Spillway

SACRAMENTO, CA (MPG) - On behalf of their constituents whose lives and properties are continuously impacted by potential flooding, Senators Jim Nielsen (R-Tehama), Cathleen Galgiani (D-Stockton), Bill Dodd (D-Napa) and Dr. Richard Pan (D-Sacramento) requested \$100 million for critical and serious levee repairs in the state budget.

Following is an excerpt from their letter to Senator Bob Wickowski, Chairman of the

Senate Budget Subcommittee No.2:

"The significant amount of rainfall received this year and the severe damage to the Oroville Dam spillways have caused substantial damage to flood control structures that need to be addressed as soon as possible. Furthermore, the need for a consistent and reliable source of funding to reduce flood-risk in our state is vital to the protection of human life and property.

"Our levees have suffered significant damage that could prevent them from functioning properly in the next high-water event unless emergency repairs are completed this year.

"This requested funding investment in our water infrastructure will save lives, protect property, and save the state billions in avoided emergency repairs."

# The Exciting New World of Snap On Dentures!

There are millions of people in the US who struggle daily with dentures. A majority suffer from discomfort as a result of loose or ill-fitting dentures. Many prosthetic wearers simply withdraw from any type of social engagement as a result of having to wear their dentures.

## Now there is a solution to these issues: Implants with "Snap On" Dentures!

Whether you are new to dentures or have worn them for years, a snap on denture is a great solution to uncomfortable chewing and slippery painful dentures. There are several types of snap on dentures available, including snap on partials. If you already wear a conventional denture or partial denture, we can sometimes use your denture to accommodate the snaps to fit on your new dental implants.

If you are interested in learning more about improving your quality of life with an implant retained snap on denture or partial, please contact us for a **FREE CONSULTATION** today!
