## A Promise to Our Veterans

*RCPP Expands Program to Send Local Veterans to College*

### City of Rancho Cordova

**RANCHO CORDOVA, CA (MPG)** - Meet Lindsay Alberg, a single parent with two children living in the City of Rancho Cordova. She served our country in the U.S. Army for 14 ½ years before being medically retired and is a 100 percent disabled veteran.

While in the military, Alberg started her degree program in criminal justice. Due to health issues related to her service, she was facing starting over with a new career path.

Alberg received an email about the Rancho Cordova Promise Program, a partnership between the City of Rancho Cordova and Folsom Lake College, expanding to support local veterans.

"I'm a single parent with a new mortgage but decided to take a leap of faith,"

said Alberg. "I quit my job and went back to school full time, and thankfully am able to do that because of the Rancho Cordova Promise Program."

The first-in-the-region Promise Program began in 2016 in the City of Rancho Cordova. More than 370 graduating high school seniors in Rancho Cordova have participated in the program, which provides eligible students with funding that can be applied toward tuition and fees, textbooks, transportation, or other expenses. Funding for this program is provided by the city through a Community Enhancement Fund grant.

New during the 2020-2021 school year, the city and Folsom Lake College expanded the Rancho Cordova Promise Program to eligible Rancho Cordova veterans. Ten veterans are currently

participating in the program.

"Rancho Cordova is a vibrant community that values its strong military history and the many veterans who choose to call it home," said Rancho Cordova Mayor David Sander, Ph.D. "The City of Rancho Cordova is proud to thank our veterans for their service and recognize the sacrifices they've made by ensuring they have greater access to higher education through the Rancho Cordova Promise Program. By sending students and now veterans to college, we help create a well-educated workforce that advances our local economy."

Enrollment for the spring 2021 semester begins on November 23rd. For more information about the Rancho Cordova Promise Program, visit [flc.losrios.edu](http://flc.losrios.edu). ★

## His Mission to Sniff Out Pests and Disease

Kernul

By Kim Nava,  
Sacramento County

**SACRAMENTO COUNTY, CA (MPG)** - To protect against possible crop contamination from the interstate and international shipping of fruits, vegetables and plants, tight controls have been established among trading partners for product inspection and certification. But for those who do not follow the rules, California has K9 detectors on the front-line, and Sacramento County has a new pup on the block.

Like most of the Agricultural Detector K9's in California, "Kernul" was rescued from an animal shelter and given a very important job: to protect the California economy and environment from devastating agricultural pests.

Kernul's handler is Michelle King, who worked hard for the opportunity to become a K9 Handler. After a few years of excellent performance as an Inspector for the Sacramento County Department of Agriculture Pest Exclusion program, she landed this very exclusive role.

King's first task was to attend a 10-week course at the United States Department of Agriculture (USDA) National Detector Dog Training Center, where she was matched up with Kernul, who was certified through AKC Canine Partners as a "Canine Good Citizen."

"Kernul had a personality that was very sweet and sensitive, and possessed a very strong drive for treats," said King. "He was a perfect match for me, and together we excelled at everything we were challenged with."

When the team returned to Sacramento at the beginning of November 2019, they began their on-the-job training. Kernul's first few months were spent memorizing the scents of target items such as nursery plants, flowers, bulbs, seeds, roots and a large variety of fruits and vegetables. Michelle worked on strengthened relationships with parcel shipping facilities and strategized the best places to intercept contraband.

The two are now an expert team; one of 13 Agricultural Detector K9 pairs in California. Almost daily, the unit discovers unmarked packages containing non-native pests and diseases, harmful to our environment and agricultural systems. The good news is that Kernul has a nose for this type of work! When he's not working, he likes to snuggle, swim, jog and play ball. ★

## Alternatives to 9-1-1 for Mental Health Response

By Kim Nava,  
Sacramento County

**SACRAMENTO COUNTY, CA (MPG)** - Sacramento County Behavioral Health Services is seeking community input on alternatives to calling 911 in a behavioral health or quality of life crisis. The public is invited to provide comments sharing their thoughts and suggestions in this online survey. The survey will be available online through Friday, Nov. 13.

The Alternatives to 911 pilot program stemmed from a Board of Supervisors discussion in September budget hearings. District Two Supervisor Patrick Kennedy directed Health Services staff to propose alternatives to law enforcement responses to quality of life issues that can be better addressed by mental health professionals.

"It's important to develop a more appropriate and robust system for

care for individuals in crisis," said Kennedy. "We need to meet the needs of people outside of the criminal justice system and take a public health approach to their quality of life issues, both in the moment of

crisis and long term."

The goal of the program is to increase mental health response to calls for service; decrease law enforcement need to respond to mental health distress, crisis or other quality of life issues;

decrease unnecessary emergency department visits and psychiatric hospitalizations; and decrease relapse into crisis by linking to ongoing outpatient mental health services.

"The direction from the Board was very clear on this pilot program: to minimize law enforcement involvement and provide greater efficacy while responding to mental health crises in the community," said District One Supervisor and Board Chair Phil Serna. "It is important to get input from the community and develop a program based on that feedback, and I encourage people to provide their thoughts on the matter."

County staff will continue to obtain community input through December, review and analyze proposed models, assess cost and provide a proposal for a pilot program to the Board of Supervisors in February 2021. ★

# A Call to Action

Story and photos by Shaunna Boyd

**SACRAMENTO REGION, CA (MPG)** - The Playmakers Organization is a local non-profit that serves at-risk kids and kids with developmental differences. Playmakers founder Greg Roeszler (known as Coach Roz) started the organization in 2009 with the goal of using inclusive sports to coach character and leadership, while also providing kids with mentoring and academic support.

Coach Roz mentored Folsom local Jordan Richards—who now plays safety for the Baltimore Ravens—when he played youth football in the region. Richards joined Playmakers to give kids the same opportunities he received. And he introduced Coach Roz to Harrison Phillips—now defensive tackle with the Buffalo Bills—when Phillips was a freshman football player at Stanford in 2015. Phillips and Roz quickly formed a friendship, and Phillips became a Playmaker as well.

Together, Roz and Phillips wrote a book about their journey and their plans to take Playmakers nationwide—Beyond Coaching: Building Character and Leadership.

Coach Roz has previously written two books about the Playmakers method. His first book, Coaching Character and Leadership: A Playbook for Parents, focused on how a single parent can partner with a coach to positively affect their child’s behavior and help them develop character. The second book, Coaching for a Bigger Win: A Playbook for Coaches, taught coaches how to expand their influence to be a positive presence in the lives of the kids they coach.

This new book builds on that foundation with the goal of creating a “national fraternity of Playmakers coaches all working under the umbrella of coaching character,” said Roz, who sees the book as a call to action. It’s written as an introduction to the coaching clinics they plan to host across the country, with coaches as “the catalyst of a systemic change.” Roz writes: “We could use the most effective laboratory invented (the field of play) to make life changes in our society. We could be treating each other better, respectfully. We could be developing

(Left to right) Playmakers founder Coach Roz, Harrison Phillips of the Buffalo Bills, and Jordan Richards of the Baltimore Ravens use football to teach kids about character. Roz and Phillips recently authored a book together about the Playmakers journey — *Beyond Coaching: Building Character and Leadership*.

Playmakers gives kids the opportunity to have fun playing sports while also encouraging their academic and emotional development.

character-based, empathic, understanding leaders who would put our society in a better place.”

Beyond Coaching also “speaks more directly to helping at-risk kids and kids with developmental differences and the

need to relationally connect to those kids and their families,” said Roz. He explained that 70% of such kids don’t have a father in their lives, and “they are more on an island than other kids.” He affirmed that reaching out and supporting kids in need is “inclusive and it’s the right thing to do.” If a coach can teach his young athletes about character, compassion, and the importance of service to others, “everybody wins,” said Roz.

It was Phillips’ idea that they write the book together to detail their journey and motivate others to join their mission. In the book, Phillips explains that he wanted to write a book “about the amazing things we are learning through the children we work with.”

For Phillips, “the dream is to work with thousands and thousands of children with developmental differences and special needs, bringing them nothing but joy, new experiences, inclusion, friendship, and teaching them to pay it forward.”

Roz explained that “coaches around the country have a voice and platform to communicate character and values at a level far beyond their comprehension.” But in youth sports, Roz sees far too much value put on winning the game: “That’s the wrong message. ... The right message is teaching fun of the game, love of the game, and respect for each other.” Coaching character is a “greater and more impactful message,” said Roz.

Phillips writes, “I want to be that supportive, reassuring voice to kids to help spark them to live the life they deserve! The world gets out of the way for people who know where they are going. I want to help them take the first step.”

In the truest sense, the book Roz and Phillips have written is about love—love of football, love for the kids, and the love, admiration, and respect they have for each other. Playmakers is about “teaching them to love the game and love each other,” said Roz, and the goal of the book is to motivate coaches to reinvent their coaching style to show kids how to become not just good athletes, but good people.

The book is available on ThePlaymakers.org and Amazon.com. You can follow The Playmakers Organization on social media on Twitter, Facebook, and Instagram. ★

# CHP Welcomes New Officers Equipped with Real-Life Experience

Pledge of Allegiance. Photo credit CHP

By Jaimee Coffee, CHP

**SACRAMENTO, CA (MPG)** - The California Highway Patrol (CHP) congratulates its 77 new officers who were sworn in today during an unprecedented socially distant graduation ceremony at the CHP Academy. The graduating class begins their new career with more hands-on experience than any class in Academy history. As concerns of the COVID-19 pandemic intensified, the CHP closed its live-in Academy in West Sacramento on March 20, 2020. All cadets were sent home and assigned to work in CHP Area offices located as close to their residences as practicable. Prior to leaving, the seven women and 70 men of Cadet Training Class (CTC) III-19, who started October 21, 2019, had completed 23 weeks of their 29-week training at the Academy. During the six months spent working in CHP Area offices throughout the state, cadets had an unprecedented opportunity to observe a wide variety of activities and tasks, enhancing their classroom work. On ride-alongs with officers, they experienced a CHP officer's shift in the field and learned firsthand how to complete crash reports and assist the public. They also learned the administrative side of the job – filing reports, answering the phone, and performing general tasks that may be unfamiliar to many officers. On September

14, 2020, all members of CTC III-19 who left in March returned to the Academy for their final weeks of training with enhanced health and safety protocols. "We are all so proud of this class," CHP Commissioner Warren Stanley said. "These cadets faced the uncertainty of the pandemic with resolve and returned to the Academy energized about their new careers, benefiting from a wealth of real-life experience that no other cadets have had." At the CHP Academy, cadet training starts with nobility in policing, leadership, professionalism and ethics, and cultural diversity. Training also includes mental illness response and crisis intervention techniques. Cadet instruction covers patrol operations, crash investigation, first aid, and the arrest of suspected violators, including those who drive under the influence of alcohol or drugs. The cadets also receive training in traffic control, report writing, recovery of stolen vehicles, assisting the motoring public, issuing citations, emergency scene management, and knowledge of various codes including the Vehicle Code, Penal Code, and Health and Safety Code. Upon graduation, the cadets are assigned to CHP Area offices throughout the state. The mission of the CHP is to provide the highest level of Safety, Service, and Security. ★

# River City Food Bank Named Nonprofit of the Year by Asm. Cooley

By Patrick Larenas

**SACRAMENTO REGION, CA (MPG)** - The Office of Assemblyman Ken Cooley (D) awarded River City Food Bank 501(c)(3) the 2020 Nonprofit of the Year recognition on Friday, October 30. Cooley joined the Arden Arcade food distribution facility located at St. Matthew's Episcopal Church to tour and witness the services rendered to those struggling with food insecurity. Families and individuals gathered at the open house while the Assemblyman took the early moments of the morning to reflect on the symbolism portrayed on the Capitol building's pediment which inspires legislators to honor nonprofits. The statues he referred to depicted men on horseback fending off natural threats such as a mauling grizzly bear and a charging buffalo for Athena, goddess of wisdom and warfare, surrounded by the embodiments of Education, Justice, Industry and Mining. Organizations such as River City Food Bank said Cooley are subduing the great challenges that nature now presents humanity: "that has been the mission of the food bank," to tame the raw forces of nature on behalf of the communities served. The Covid-19 pandemic has been such a challenge as the food distribution facility saw a 32 percent increase this year. According to the Office of Assemblyman Ken Cooley, "As employees continue

to be laid off or are forced to stay home to care for their children, and begin to deplete their financial reserves, the need for food assistance is skyrocketing." River City Food Bank executive director Amanda McCarthy said, "the partnership here with the Episcopal Diocese has been really ideal since this area is practically a grocery store desert... and we make sure that at least 50 percent of what we provide is fresh produce." She said residents, and especially refugees, without means for transportation, greatly benefit from the food bank's presence there. Mike Wiley board of director and past president of River City Food Bank said they are very honored to receive the California Legislature Assembly Certificate of Recognition from the 8th District Assemblyman. "This is the first time since its founding in 1968 that we have received the Nonprofit of the Year recognition," he said. River City Food Bank's main distribution center is located in midtown at 1800 28th Street Sacramento, CA 95816 (916) 446-2627. Food distribution hours for midtown are Tuesday–Thursday: 10:30a.m.–1:30p.m. and at Arden Arcade: Friday-Saturday 10:30a.m.–1:30p.m. River City Food Bank Center at St. Matthew's is located on 2300 Edison Ave. Sacramento, CA 95821. Kids and families didn’t let Covid-19 scare them too much because trick-or-treating can be so much fun—even with social restrictions.

The expedition at City Hall brought

family cars filled with kids to several rows of decorated booths from local organizations, businesses and individuals providing goodies for the safe and fun route. All participating community members wore masks to ensure health guidelines were observed, handing the candy through car windows to maintain social distancing. # Critical Recycled Water Project Now Complete in Sacramento

By Sharon Sargeant, Regional San

**SACRAMENTO, CA. (MPG)** - The Sacramento Regional County Sanitation (Regional San) was recognized this week by the National Association of Clean Water Agencies (NACWA) with a Peak Performance Award. These awards are presented to water utilities that have achieved excellence in operational performance and permit compliance. Regional San received a Gold Award, which is presented to facilities with no permit violations for the entire calendar year. This is Regional San’s second consecutive year receiving a Gold award.

“Regional San is honored to receive this distinction for a second year,” said Prabhakar Somavarapu, Regional San’s District Engineer. “The Gold Award acknowledges our ongoing commitment to environmental stewardship and

demonstrates how we’re working every day to protect public health and the environment.”

Utilities recognized in the Peak Performance Awards represent the top performers in the country in terms of going above and beyond in their mission to ensure clean water for their regions.

“Our public utility members are the backbone of the communities they serve, providing safe, reliable access to clean water services day-in and day-out,” said NACWA CEO Adam Krantz. “This year has seen unprecedented challenges in the wake of the pandemic, and the Peak Performance Award winners have more than risen to the occasion.”

## ASK THE DMV

What you need to know about accessing DMV services online

In response to the COVID-19 pandemic, the DMV is prioritizing customer and employee safety and increasing the number of transactions that can be completed without a visit to a DMV field office. The DMV has several channels to better serve customers, including self-service options online or at DMV kiosks, the ability to complete transactions online or over the phone with help from a DMV representative, or via a DMV business partner so that customers can “visit” the DMV by other means. The following questions address the most convenient ways to access DMV services and complete essential transactions without stepping foot in a field office.

**Q: HOW CAN I RENEW MY EXPIRING VEHICLE REGISTRATION?**

**A:** In an effort to keep customers and employees safe during the COVID-19 pandemic, the California Department of Motor Vehicles is encouraging Californians to utilize online services for all vehicle registration renewals. Most online registration services are self-serve, meaning you can complete them on your own from start to finish. Others are “assisted”, meaning they are done with help from a virtual DMV representative. Online registration is convenient and safe. Customers can avoid a trip to a DMV office by visiting [dmv.ca.gov](http://dmv.ca.gov) and clicking on “Vehicle Registration” at the top of the page.

Additionally, for even greater convenience, DMV customers can visit a DMV Now kiosk to complete their vehicle registration renewal instantly, including printing tags on the spot. With hundreds of locations throughout the state, customers can also use a DMV Now kiosk to submit proof of insurance, receive a driver or vehicle record, and much more. To locate a DMV Now kiosk nearest you, please visit: [www.cadmvnowkiosk.com/kiosks](http://www.cadmvnowkiosk.com/kiosks). Customers can also find DMV business partners, such as AAA and others, to complete selected transactions by visiting [dmv.ca.gov](http://dmv.ca.gov) and clicking on “Locations” to find nearby options.

Please note that some customers who opt to renew their registration by mail may experience delays in receiving their valid registration card and sticker due to COVID-19 impacts on DMV mail sorting operations. Online and DMV Now kiosk registration renewals are not subject to any processing delays at this time.

Learn more about online registration renewals at [www.dmv.ca.gov/online](http://www.dmv.ca.gov/online).

**Q: I WOULD PREFER TO VISIT THE DMV IN PERSON, IS THAT AN OPTION FOR ME?**

**A:** The health and safety of all customers and Californians is top priority for the DMV during the COVID-19 pandemic, and the DMV has reopened its field offices to assist customers with appointments and selected service needs that must be completed in a field office. The DMV is urging customers to use their expanded online services and DMV Now Kiosks to complete transactions, including driver’s license and vehicle registration renewals.

There are hundreds of DMV Now kiosks locations throughout the state which can help customers complete their vehicle registration renewal, submit proof of insurance, receive a driver or vehicle record, and more. To locate a DMV Now kiosk nearest you, please visit: [www.cadmvnowkiosk.com/kiosks](http://www.cadmvnowkiosk.com/kiosks). Customers can also find DMV business partners to complete selected transactions by visiting [dmv.ca.gov](http://dmv.ca.gov) and clicking on “Locations” to find nearby partners.

Customers who come into a DMV office during this time for service needs that must be completed in a DMV field office during the COVID-19 pandemic will find increased health and safety protocols, including the use of infrared thermometers to conduct temperature checks before scheduled appointments for customers, and before a shift starts for employees. Additionally, all employees and customers are required to wear a face covering while inside an office and during a behind-the-wheel drive test exam, and practice six feet of physical distancing. Customers should anticipate longer than usual wait times while these preventive measures are in place.

Visit the DMV’s online portal to use the DMV’s Service Advisor tool to learn what options are available to you at [www.dmv.ca.gov/online](http://www.dmv.ca.gov/online).

Ask Toni

Group Health Insurance . . . Who Pays First with Medicare?

Toni King

Toni, I am 67 and have group health insurance through my current employer. I have talked with friends, my company HR, and my insurance agent. I am receiving answers from “I don’t know” to “I’m not sure but I think ...”. My company health insurance has a \$2,500 deductible. If I have a medical claim and I have Medicare Part A and my employer medical insurance, who will pay the claim first and how much will I have to pay? Also, should I have enrolled in Medicare Part B since I am still working?

I have just started following your Medicare column in our local paper and am finding you are answering problems, I never knew I could have. Thank You so much. ~ Roxanne, New Orleans

Roxanne,

Let’s start with discussing enrolling in Medicare Part B when working with an employer group health plan. On page 22 of the 2018 Medicare & You handbook, it discusses “Should I Get Part B” with employer or union coverage and states... “If you or your spouse is still working, and you have health coverage through that employer or union, contact your employer or union benefits administrator to find out how your coverage works with Medicare ... It might be to your advantage to delay Part B enrollment.”

To answer about enrolling in Medicare Part B, it is optional because when you leave your or your spouse’s employer group health plan, then you can enroll in Medicare Part B with a Special Enrollment Period.

Now let’s talk about who will pay your claim first and this depends on how many employees are on your company’s group health plan:

- 1. **Your employer has 20 or more employees.** Your group health plan will generally be primary. Should your group health plan not pay all the bill, you may need to ask the health

care provider or your doctor to send the remainder of the bill to Medicare if you are enrolled in Medicare Parts A and/or B for secondary payment. Should there be any cost your health insurance or Medicare didn’t cover, you will have to pay the balance.

**Your employer has 20 or more employees.** The employer must offer their employees 65 and older the same health benefits, under the same conditions that the company offers employees under 65. If the employer offers coverage to under 65 employees’ spouses, the employers must offer over 65 employees’ spouses the same coverage.

**Medicare will generally pay second if the following applies:**

- If your employer joins forces with other employers or employer organizations i.e., unions, to sponsor a multi-employer plan (group health plan). Sometimes employers with less than 100 employees will band together to form a multi- employer plan. Medicare pays second.

- 2. **Your employer has less than 20 employees.** Medicare pays first.

- 3. **You and Retiree Insurance** (insurance from your or your spouse’s former employer): Medicare pays first.

Always verify with your Human Resources if the Insurance Company will pay first when the employees or employees’ spouses are over 65 and on company health benefits. One thing to know is that if you should go outside your employer’s network, it is possible that neither the company’s plan nor Medicare will pay.

**If Trump concedes election, Republicans will ‘never’ elect another president** | 08 Nov 2020 | Sen. Lindsey Graham (R-S.C.) warned that President Trump should not concede defeat in the 2020 presidential election in part because Republicans will “never” be able to elect another president from their party again. “If Republicans don’t challenge and change the U.S. election system, there will never be another Republican president elected again,” Graham said Sunday on Fox News. “President Trump should not concede. We’re down to less – 10,000 votes in Georgia. He’s going to win North Carolina. We have gone from 93,000 votes to less than 20,000 votes in Arizona, where more –more votes to be counted.” Every major news network and The Associated Press on Saturday projected Joe Biden as the winner of the 2020 race for the White House. Trump has said he will not concede, alleging widespread voter fraud led to tens of thousands of illegal ballots being cast against him.

**Rep. Doug Collins to lead Trump campaign’s Georgia recount effort** | 08 Nov 2020 | Georgia Rep. Doug Collins – who just lost his bid for a Senate seat – will lead the Trump campaign’s recount effort in the state that was too close to call. The move was announced Sunday night and the recount in The Peach State will begin when “the canvassing has concluded,” according to President Trump’s campaign. “Republicans stand by the ideal that every eligible voter should be able to vote legally and have it be counted,” Collins said in a statement. Collins and the Trump campaign both claimed that ballots were “improperly harvested” in Georgia.

**Trump Campaign to Name David Bossie to Lead Legal Election Fight - Report** | 06 Nov 2020 | President Donald Trump’s re-election campaign is expected to name seasoned conservative operative David Bossie to lead its post-2020 presidential election legal efforts, according to reports. The *New York Times*, CBS News, and ABC News all reported the development Friday afternoon as the Trump campaign continues to wage legal battles in key battleground states over concerns of voter fraud and inadequate observation of ballot counting in the November 3rd election.

**Candace Owens targets Facebook 3rd-party fact-checkers with lawsuit** | 06 Nov 2020 | Conservative activist Candace Owens said Thursday that she plans to sue Facebook’s third-party fact-checkers over perceived censorship of her social media posts. “It is time to fact-check the fact-checkers,” Owens said in a video posted to her Twitter account. “I’m going to put these suckers through discovery and figure out what the relationship is that they have with Facebook.” Owens gave an example of an instance that she alleged crossed the line. “Quite literally a doctor gave his opinion about COVID-19, which I shared, and Facebook issued a strike on my account because they said only information that they agree with about COVID-19...was acceptable,” she said.

**Supreme Court Orders Pennsylvania to Separate Late-Arriving Ballots** – Alito orders that ‘all such ballots, if counted, be counted separately’ | 07 Nov 2020 | U.S. Supreme Court Justice Samuel Alito late Friday ordered Pennsylvania election officials to segregate and separately count ballots that arrived after Election Day. Alito granted a request by the state’s Republican party to separate mail-in ballots received between 8 p.m. Nov. 3 and 5 p.m. Nov. 6 from those that arrived by 8p.m. Nov. 3, in accordance with state guidance. He ordered that those segregated ballots must be kept “in a secure, safe and sealed container separate from other voted ballots.” The justice, however, did not order the counties to stop counting but instead ordered “all such ballots, if counted, be counted separately.” Alito also directed any responses to the application by 2 p.m. Nov. 7. The Republican Party of Pennsylvania had filed a request earlier on Friday asking the court for an order to log, segregate, and not take any actions over mail-in ballots received after Election Day.

**Two ‘Bomb Threats’ Force Trump Supporters to Move Locations of Detroit Rally; Detroit Police Arrest Trump Unity Bridge Driver, Falsely Accuse Him of Having Two Outstanding Warrants** | 06 Nov 2020 | WalkAway founder Brandon Straka and other local Michigan grassroots groups organized a rally to show their support for President Trump in front of the TCF Center in Detroit, where the process of ‘counting’ absentee ballots took place for the past 3 days. Shortly after Trump supporters arrived, they were told by Detroit Police that they had to leave because there was a bomb threat at the TCF Center. The group moved to the Detroit City Hall, where they reorganized and began to show their support for President Trump when they were told to move AGAIN because there was another bomb threat... Avid Trump supporter Scott Hagerstrom was with Rob Cortis, when he arrested. Hagerstrom told us that although the police told them there was a bomb threat at Detroit City Hall, none of the workers inside City Hall were being evacuated.

**Fixed ‘computer glitch’ turns losing Republican into a winner in Oakland County** | 06 Nov 2020 | (MI) A ‘computer error’ led election officials in Oakland County to hand an upset victory Wednesday to a Democrat, only to switch the win back to an incumbent Republican a day later. In Oakland County’s 15th County Commission District – representing Rochester and Rochester Hills – the initial count gave a 104-vote margin to the Democrat, Melanie Hartman, amounting to a razor-thin majority of 50.08%. That stunned the incumbent, Adam Kochenderfer, giving him a sure sense that he’d lost in a district long deemed a Republican stronghold. “Apparently, there was a technical glitch in Rochester Hills. And so I actually ended up winning by a little over 1,100 votes,” said a chuckling Kochenderfer. The margin was 1,127 votes, to be exact. That gave him a 51.67% share of the total (with 48.23% going to his opponent, Hartman).

**GOP Claims Software Error Switched 6,000 Republican Votes to Democratic, Used in 47 Michigan Counties** | 06 Nov 2020 | Republican National Committee Chairwoman Ronna McDaniel and other GOP officials said the fight over the presidential election isn’t over, saying that 47 counties in Michigan may have used software that was detected to have allocated votes to Democrat Joe Biden instead of President Donald Trump in one county. “In Antrim County, ballots were counted for Democrats that were meant for Republicans causing a 6,000-vote swing against our candidates,” Michigan GOP Chairwoman Laura Cox said in a news conference Friday. “The county clerk came forward and said tabulating software glitched and caused a miscalculation of the votes.” Cox added: “Since then, we have now discovered that 47 counties use this same software in the same capacity. Antrim County had to hand count all of the ballots, and these counties that use this software needs to closely examine their results for similar discrepancies.”

**New blacklist of 'Trump sycophants' inspired by AOC being compiled** | 06 Nov 2020 | At the behest of ‘squad’ member and New York Congresswoman Alexandria Ocasio-Cortez (D), a blacklist of “Trump sycophants” – entitled “The Trump Accountability Project” – is archiving the names of individuals who “elected, served, funded, supported, and represented” President Donald Trump. “Is anyone archiving these Trump sycophants for when they try to downplay or deny their complicity in the future? I foresee decent probability of many deleted Tweets, writings, photos in the future,” the US representative tweeted Friday afternoon. “Yes, we are,” answered former Obama administration staffer Michael Simon, citing the Trump Accountability Project. “Every Administration staffer, campaign staffer, bundler, lawyer who represented them – everyone.” On the website’s landing page, it urges urges that “[w]e must never forget those who helped further the Trump agenda,” The site is a self-described “permanent record” of those who elected the president, including Trump campaign staffers, Republican National Committee members, and affiliated PACs in 2016 or 2020.

**Nevada Republican Party sends criminal referral to DOJ alleging thousands of cases of voter fraud** | 05 Nov 2020 | The Nevada Republican Party announced Thursday evening that it has sent a criminal referral to U.S. Attorney General William Barr with allegations that the state had 3,602 cases of voter fraud. The criminal complaint comes as news outlets have yet to announce a projected winner in the race between President Trump and Democratic nominee Joe Biden, with the Trump campaign and the GOP having already filed multiple unsuccessful legal challenges in the Southwestern state. “Our lawyers just sent a criminal referral to AG Barr regarding at least 3,062 instances of voter fraud,” the Nevada Republican Party wrote in a tweet. “We expect that number to grow substantially. Thousands of individuals have been identified who appear to have violated the law by casting ballots after they moved from NV.” ★

# Sacramento Blankets for Sacramento Kids Readies for Holiday Giveaway

# How Long will Newsom have One-Man Rule?

The Kindergarten Project accepts blanket kits for kids. Photo: SBSK

By Claire Gliddon, SBSK

**SACRAMENTO REGION, CA (MPG)** - Every September, SBSK picks the 7 lowest-income elementary schools and finds out how many kindergarteners they have, and they make double fleece blankets (about 40” x 60”) for ALL of them, and a little fleece pouch with a Beanie Baby in it to go with each blanket. SBSK gives these to the kids right before Christmas break. (Even during this time of distance learning, the teachers will get these to their students.) Some of these kids live in their cars or in places without heat. And this is ALL they get for Christmas. It is WILDLY popular with the teachers AND the kids! Spread the word, too! We’ve done this for 7 years and hope to continue doing it, as long as we can get Beanie Babies. In 2020, SBSK will need 998 blankets and Beanie Babies.

No pressure, no timelines, no meetings...just people who enjoy blanket-making and helping a whole lot of children at the same time. Sacramento Blankets for Sacramento Kids (SBSK) is a nonprofit organization that gets volunteers to make handmade blankets (sew, quilt, crochet, knit, no-sew fleece) for children in need from infants to 18-year-olds. They do this all year long! But they also have a “special” project they do around this time of year. ★

By Dan Walters CALMatters

California has been a one-party state for the last decade, with Democratic governors and supermajorities in both legislative houses doing pretty much as they pleased without paying any attention to the relative handful of Republican legislators. However, one-party rule gave way to one-man rule eight months ago when Gov. Gavin Newsom declared an emergency due to the COVID-19 pandemic, thus empowering himself to govern by decree and suspend any laws that stood in his way. Democratic legislators were fully complicit, even suspending their proceedings and abandoning Sacramento for months. Eventually, however, even they chafed a bit at Newsom’s seeming endless string of emergency orders. In effect, some of those orders essentially made new law and while Democratic lawmakers stood by, two Republican legislators, Kevin Kiley and James Gallagher, filed suit, alleging that Newsom had gone too far. Last week, Sutter County Superior Court Judge Sarah Heckman sided with the Republicans, declaring that Newsom’s order changing procedures for the

November election, including a mandate that every voter be sent a mail ballot, crossed the line. Although the Legislature later ratified the election changes, Heckman wrote that it was still important to place limits on a governor’s powers under the California Emergency Services Act. Heckman indicated that in her final ruling, she would permanently enjoin Newsom from issuing any order “which amends, alters, or changes existing statutory law or makes new statutory law or legislative policy.” “The doctrine of the separation of powers prohibits any of the three branches of government exercising the complete power constitutionally vested in another or exercising power in a way which undermines the authority and independence of another,” Heckman, who was elected in 2012, wrote. The law empowering a governor to declare an emergency and suspend laws that impeded a rapid response was clearly aimed at some immediate catastrophe such as a flood, an earthquake or a riot. It envisioned something like then-Gov. Pete Wilson’s suspension of contract bidding laws to quickly rebuild a major freeway after the 1994 Northridge Earthquake. COVID-19 required a rapid response, but it’s also something that could last, in one form or another, for years. Conceivably, Newsom could continue governing under his emergency decree for the remainder of his first four-year term. Even before pandemic struck, Newsom was prone to sidestepping laws that could impede whatever he might want to do. He boasts, for instance, of ignoring state law when, as mayor of San Francisco, he unilaterally authorized same-sex marriages. More recently, he declared that there would be no executions of murderers during his governorship even though California’s death penalty is still law — one that voters refused to repeal just four years ago. Newsom claims moral imperative as justification for his acts, but if elected officials ignore laws they don’t happen to like or find inconvenient, they undermine the concept of governance under law and encourage disrespect for legal authority. Ironically, this is the same governor who demands that 40 million Californians obey his pandemic decrees, such as shutting down small businesses. Judge Heckman’s order will certainly be appealed and the issue will probably wind up in the state Supreme Court. Newsom press secretary Jesse Melgar said Newsom and his advisers “strongly disagree” with “specific limitations” on the governor’s emergency authority. Meanwhile, it’s time for the entire Legislature, not just Kiley and Gallagher, to reassert its co-equal authority rather than allowing Newsom to operate indefinitely as a one-man band. The law that gives Newsom the authority to declare an emergency also allows the Legislature, on its own, to end such an order. *Dan Walters has been a journalist for nearly 60 years, spending all but a few of those years working for California newspapers* ★

# Sacramento Native Checks in with Naval Command in Europe

**By Megan Brown,  
Navy Office of  
Community Outreach**

**NAPLES, ITALY (MPG)** - Six years ago, Lieutenant Kevin Skelly joined the Navy because he always wanted to fly and wanted to be fulfilled in his job, and has now checked onboard Commander, U.S. Naval Forces Europe-Africa.

Skelly is a naval flight officer responsible for flying an EP-3 plane.

“I’m the quarterback of the plane, running the mission and putting the plane in areas to be successful,” said Skelly.

“I just got out here in 6th Fleet, but it’s been great going out of my comfort zone, living overseas for three years and seeing a whole new part of the

Navy,” said Skelly. “I’m excited to work as a staff officer and see a different part of the Navy. The travel, food and wine in Italy doesn’t hurt either.

Skelly is a 2008 Rio Americano High School graduate, a 2012 Cal Poly San Luis Obispo graduate and a native of Sacramento, California.

According to Skelly, the values required to succeed in the Navy are similar to those found in Sacramento.

“California is a very diverse area with so many different geographic areas not too far from each other,” said Skelly. “I think that prepared me for going all over the world and seeing the different cultures. Also, my parents always told me to treat people with respect, so I try to live by that.”

With more than 90 percent of all trade traveling by sea, and 95 percent of the world’s international phone and internet traffic carried through fiber optic cables lying on the ocean floor, Navy officials continue to emphasize that the prosperity and security of

the United States is directly linked to a strong and ready Navy.

The Commander, U.S. Naval Forces Europe-Africa (NAVEUR-NAFAP) area of responsibility (AOR) covers approximately half of the Atlantic Ocean, from the North

Pole to Antarctica; as well as the Adriatic, Baltic, Barents, Black, Caspian, Mediterranean and North Seas.

“I am confident we will maximize the Navy we have today while delivering the Navy that our nation will rely upon tomorrow,” said Gilday. “And we will do so with urgency. Our fleet will be a potent, formidable force that competes around the world every day, deterring those who would challenge us while reassuring our allies and partners.”

There are many opportunities for sailors to earn recognition in their command, community and careers. Skelly is most proud of commissioning as an officer, getting his wings, getting fully qualified as a Senior Evaluator

and Mission Commander, and receiving a chief coin.

As a member of the U.S. Navy, Skelly, as well as other sailors, know they are a part of a service tradition providing unforgettable experiences through leadership development, world affairs and humanitarian assistance. Their efforts will have a lasting effect around the globe and for generations of sailors who will follow.

“Being in the Navy means respecting something bigger than myself,” said Skelly. “Serving my country has been such an honor and something I’ll never forget. Also, it’s been really cool meeting people from all over the U.S. and seeing how they were raised and what they believe in.” ★

You can locate these nonprofit groups at the California Legal Services Web site (www.lawhelpcalifornia.org), the California Courts Online Self-Help Center (www.courtinfo.ca.gov/selfhelp), or by contacting your local court or county bar association. NOTE: The court has a statutory lien for waived fees and costs on any settlement or arbitration award of \$10,000 or more in a civil case. The court's lien must be paid before the court will dismiss the case. AVISO! Lo han demandado. Si no responde dentro de 30 dias, la corte puede decidir en su contra sin escuchar su version. Lea la informacion a continuacion. Tiene 30 DIAS DE CALENDARIO despues de que le entreguen esta citacion y papeles legales para presentar una respuesta por escrito en esta corte y hacer que se entregue una copia al demandante. Una carta o una llamada telefonica no lo protegen. Su respuesta por escrito tiene que estar en formato legal correcto si desea que procesen su caso en la corte. Es posible que haya un formulario que usted pueda usar para su respuesta. Puede encontrar estos formularios de la corte y mas informacion en el Centro de Ayuda de las Cortes de California (www.sucorte.ca.gov) en la biblioteca de leyes de su condado o en la corte que le quede mas cerca. Si no puede pagar la cuota de presentacion, pida al secretario de la corte que le de un formulario de exencion de pago de cuotas. Si no presenta su respuesta a tiempo, podra perder el caso por incumplimiento y la corte le podra quitar su sueldo, dinero y bienes sin mas advertencia. Hay otros requisitos legales. Es recomendable que llame a un abogado inmediatamente. Si no conoce a un abogado, puede llamar a un servicio de remision a abogados. Si no puede pagar a un abogado, es posible que cumpla con los requisitos para obtener servicios legales gratuitos de un programa de servicios legales sin fines de lucro. Puede encontrar estos grupos sin fines de lucro en el sitio web de California Legal Services (www.lawhelpcalifornia.org), en el Centro de Ayuda de las Cortes de California, (www.sucorte.ca.gov) o poniendose en contacto con la corte o el colegio de abogados locales. AVISO: Por ley, la corte tiene derecho a reclamar las cuotas y los costos exentos por imponer un gravamen sobre cualquier recuperacion de \$10,000 o mas de valor recibida mediante un acuerdo o una concesion de arbitraje en un caso de derecho civil. Tiene que pagar el gravamen de la corte antes de que la corte pueda desear el caso. **TRUSTEE SALE NOTICES**

T.S. No. 087934-CA APN: 076-0204-011-0000 NOTICE OF TRUSTEE'S SALE IMPORTANT NOTICE TO PROPERTY OWNER: YOU ARE IN DEFAULT UNDER A DEED OF TRUST, DATED 7/15/2005. UNLESS YOU TAKE ACTION TO PROTECT YOUR PROPERTY, IT MAY BE SOLD AT A PUBLIC SALE. IF YOU NEED AN EXPLANATION OF THE NATURE OF THE PROCEEDING AGAINST YOU, YOU SHOULD CONTACT A LAWYER ON 12/3/2020 at 1:30 PM. CLEAR RECON CORP, as duly appointed trustee under and pursuant to Deed of Trust recorded 7/21/2005 in Book 20050721 Page 0680 of Official Records in the office of the County Recorder of Sacramento County, State

of CALIFORNIA executed by: MERLE E. CUNNINGHAM AND BETTY J. CUNNINGHAM, HUSBAND AND WIFE, AS JOINT TENANTS WILL SELL AT PUBLIC AUCTION TO HIGHEST BIDDER FOR CASH, CASHIER'S CHECK DRAWN ON A STATE OR NATIONAL BANK, A CHECK DRAWN BY A STATE OR FEDERAL CREDIT UNION, OR A CHECK DRAWN BY A STATE OR FEDERAL SAVINGS AND LOAN ASSOCIATION, SAVINGS ASSOCIATION, OR SAVINGS BANK SPECIFIED IN SECTION 5102 OF THE FINANCIAL CODE AND AUTHORIZED TO DO BUSINESS IN THIS STATE: OUTSIDE THE EAST MAIN ENTRANCE TO THE COUNTY COURTHOUSE, 720 9TH ST., SACRAMENTO, CA 95814 all right, title and interest conveyed to and now held by it under said Deed of Trust in the property situated in said County and State described as: MORE ACCURATELY DESCRIBED IN SAID DEED OF TRUST. The street address and other common designation, if any, of the real property described above is purported to be: 2701 LOS AMIGOS DR RANCHO CORDOVA, CA 95670 The undersigned Trustee disclaims any liability for any incorrectness of the street address and other common designation, if any, shown herein. Said sale will be held, but without covenant or warranty, express or implied, regarding title, possession, condition, or encumbrances, including fees, charges and expenses of the Trustee and of the trusts created by said Deed of Trust, to pay the remaining principal sums of the note(s) secured by said Deed of Trust. The total amount of the unpaid balance of the obligation secured by the property to be sold and reasonable estimated costs, expenses and advances at the time of the initial publication of the Notice of Sale is: \$405,060.58 If the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Trustee, and the successful bidder shall have no further recourse. The beneficiary under said Deed of Trust heretofore executed and delivered to the undersigned a written Declaration of Default and Demand for Sale, and a written Notice of Default and Election to Sell. The undersigned or its predecessor caused said Notice of Default and Election to Sell to be recorded in the county where the real property is located. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (844) 477-7869 or visit this Internet Web site WWW.STOXPOSTING.COM, using the file number assigned to this case 087934-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale.
