Cordova High Celebrates Graduates in a Car Parade

RANCHO CORDOVA, CA (MPG) - Cordova High School seniors came back to campus, to be celebrated by staff and local dignitaries in a safe and socially distanced way on May 14. Nearly every senior student came to school in a car parade that lasted from 9 am to 1 pm. Seniors and their families decorated cars and rolled onto campus, and past a line of teachers holding signs and cheering for them. They were given their cap and gown,

and diploma covers by the teachers and the CHS Ornamental Horticulture department made bouquets for all the students as well.

Shout out to our community partners for helping make the day so special. The City of Rancho Cordova and Rancho Cordova PD handed out swag bags for all the seniors, and gave each student a customized face mask with the Lancer logo and graduation yard sign. Plus the city put up custom banners

on the light posts, proudly announcing CHS graduates. Drive by the school to see them!

What did students and participants have to say about the day? Here are some of their words:

Vitalant Calls on Donors to Help Patients Now

**By Drew Fowler,
Vitalant Communications**

SACRAMENTO REGION, CA (MPG) - Vitalant – the nation’s largest nonprofit, independent blood collector – serving the local community here in Northern California, has declared a critical shortage of blood as supplies have been significantly impacted by the coronavirus pandemic. Shelter-in-place orders led to 762 blood drives canceled since early March in this area alone, resulting in a loss of 25,194 uncollected blood donations. That, coupled with a resumption of surgeries and other medical procedures as stay-at-home restrictions were lifted, has caused a 25 percent increase in the need for blood during the past several weeks.

All blood types are critically needed right now, with an especially high need for type O, A-negative and B-negative red blood cells. In addition, platelets are always needed by patients for cancer treatments, surgeries and emergencies. Because of its short shelf life – only 5 days – the supply of platelets must be continually replenished.

Donors are strongly urged to give blood as soon as possible by going online to vitalant.org or calling 877-258-4825 (877-25-VITAL).

“We strive to maintain a 4-day supply of blood just to provide what patients need, and currently we’re at less than half that for certain blood types,” said Dr. Ralph Vassallo, Chief Medical Officer at Vitalant. “It’s absolutely vital – a matter of life or death for some – to have enough blood collected and readily available on hospital shelves when patients need it.”

In Sacramento and the Chico/Redding areas, Vitalant must collect over 8000 blood donations per month to meet patients’ transfusion needs. Every two seconds, someone needs blood. Vitalant urgently needs donors to make an appointment to ensure a stable blood supply.

Vitalant recently released its Because of You, Life Doesn’t Stop campaign, calling on all donors to take action now and give blood or convalescent plasma to meet immediate and ongoing needs. Recovered COVID-19 patients have immune-boosting antibodies to the SARS-CoV-2 coronavirus in their plasma, which can be given to patients currently fighting COVID-19.

“The public responded when thousands of blood

Sac County New Health Order and Stage 2 Variance

**Sacramento County
Public Information Office**

SACRAMENTO COUNTY, CA (MPG) - Sacramento County was given the approval by California Department of Public Health (CDPH) to move further into “Stage 2” of California’s Roadmap to Modify the COVID-19 Stay-at-Home Order. The Variance Attestation approval for Sacramento County was officially posted on the CDPH website late on Wednesday, May 20. Today, as a reflection of the approved attestation document, the County released its May 22, 2020, Sacramento County Public Health Order effective at 11:59 a.m., and has been revised to outline which sectors have approval to move forward with opening in accordance

with State guidelines.

This Health Order supersedes previous orders and is in effect until it is rescinded or amended by the Sacramento County Health Officer to coincide with the State’s movement through the stages in its Resilience Roadmap.

“County Public Health staff has been working to ensure a coordinated system with healthcare partners to identify possible cases, coordinate testing, and lead contact tracing to identify those possibly exposed for infection control. Our Public Health system, along with the public’s compliance with the health orders leading to this point, are responsible for the County being able to move further into Stage 2,” said Dr. Peter Beilenson, Director

of Health Services.

Once Sacramento County business sectors approved for Stage 2 reopening have implemented the state’s reopening requirements, they will be allowed to resume modified operations with social distancing, and include, for example: dine-in restaurants, shopping malls, micro-enterprise retail/storefronts, car washes, pet grooming, day care, outdoor museums and open gallery spaces, and small offices when telework is not possible.

However, unless bars, breweries and wineries provide in-house dining, they will not be permitted to reopen beyond takeout and delivery. Additionally, CDPH is not approving the opening of any gyms or small fitness studios of any kind and does not

permit in Stage 2 gatherings of any kind in any County. Read the State Variance document and the County’s Health Order with readiness checklists for complete details on what is permitted.

“Businesses are responsible for reviewing and understanding the guidance that’s been provided, and they are required to post readiness checklists certifying their ability and commitment to reopen safely. Working in partnership with our business community, we’re ensuring compliance with the County’s Health Order so that our residents continue to stay healthy as the local economy reactivates,” said Board Chairman and District 1 Supervisor Phil Serna.

You Could Have an Uncashed Sac County Check

By Ken Casparis, Sacramento County

SACRAMENTO COUNTY, CA (MPG) - Currently, the County has more than 11,000 uncashed checks, totaling more than \$3.2 million. How does this happen and could this be your unclaimed money?

If a Sacramento County issued check goes six months without being cashed by the rightful payee, the information becomes available in a PDF document on the Unclaimed County Warrants (checks) webpage. The data is also searchable on the County's Open Data portal.

Think you might have an uncashed check with Sacramento County? Here are quick and easy ways to find out:

From the Unclaimed County Warrants webpage, scroll through the check numbers on the Unclaimed Warrant listing PDF document (use the Find feature [Ctrl+F] to search names or other terms in the PDF).

Go to the Sacramento County Open Data portal. Once on the portal, click the "Finance" icon; click the "County Outstanding Checks" link; and click "Data" tab. Then click on the column "filter" cone-shaped icons for specific value sorting, or the column headings for alpha/numeric listings to get ascending or descending sorts.

If you find your name or business on the data listing, go to the Unclaimed County Warrants webpage to find out about the documentation and information needed to validate that you are the rightful payee to receive the funds.

More Unclaimed Monies

The Department of Revenue Recovery (DRR) has unclaimed payments that are a result of not having a current address for the recipient. On the Open Data portal, under the Finance category, check out the Revenue Recovery Unclaimed Payments data and search for your name. If you locate a claim due to you, contact DRR at (916) 875-7815, and provide the following information:

Claimant's Name; Date of Birth; Address (Current and Previous); Phone Number; Amount of the claim; DRR Account Number; Court Docket Number; Date of Order; Defendant's Name; Proof of Identity (Driver's License or ID Card); Proof of Payment: Copy of check, money order receipt or credit card confirmation number; Information regarding the incident (case information)

Sacramento County makes this data easily available on its websites, Open Data Portal and other measures to ensure the information is accessible and the monies go to the rightful payees. ★

God in the Bullpen: The Randy Lerch Story

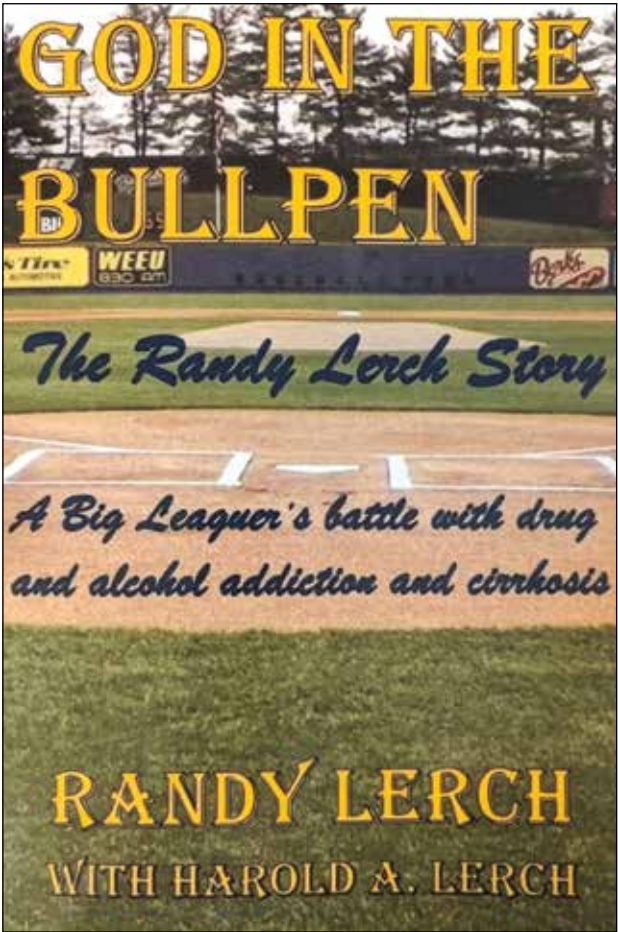

Rancho Cordova Sports Hall of Fame

RANCHO CORDOVA, CA (MPG) - Former Cordova Lancer, Randy Lerch who was recently inducted into the Sacramento Sports Hall of Fame will be discussing his new book, God in the Bullpen: The Randy Lerch Story on the virtual Crowdcast Platform on Saturday, June 6th at 3 pm.

Barry M. Bloom a writer for Forbes said... "God in the Bullpen is perhaps the greatest tell-all baseball book since the late Jim Bouton wrote 'Ball Four' in 1970."

In God in the Bullpen, Lerch tells his own story of addiction from what baseball players colloquially call "greenies" to alcoholism to cocaine that nearly blew out his liver and cost him his life. It was only then he gained control, stopped drinking, and is finally healthy now at the age of 65.

God in the Bullpen is a harrowing tale of how easily one can lose a promising career and is certainly germane today in this time of the coronavirus when many people are self-isolating, confronted by their own bad

habits and foibles. Lerch tells the story because he doesn't want youngsters now to make the same mistake.

Be sure to tune in and hear Randy's story first-hand from the man himself. Randy

will be in conversation with California Capital Film Office, Executive Director, Ricky Borba.

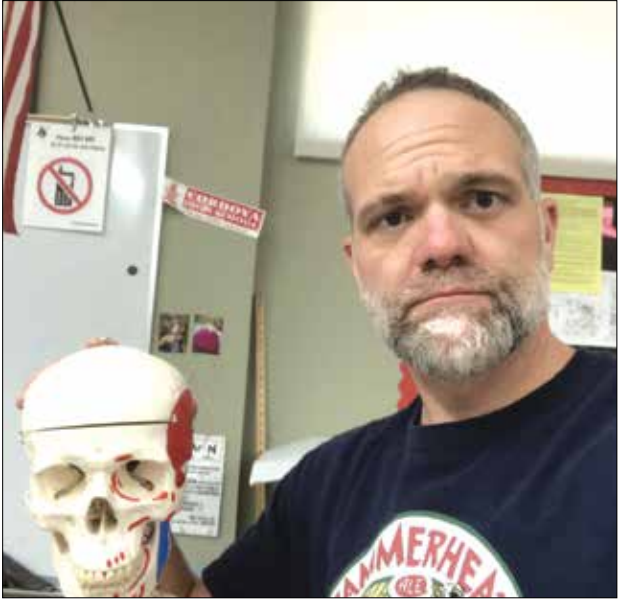

This event is free although we do encourage you to purchase a personally signed copy of Randy's book. ★

And Another Thing

I can't thank them enough for honoring our veterans and their families

By Bob McGarvey

As I said in the past, I was able to begin our Veterans Day ceremonies in Rancho Cordova on November 11, 2006 in front of the Veterans Memorial Plaza at the Sacramento VA Medical Center at Mather. Doctor O'Neil was the Hospital Director, and veterans from 17 counties in Northern California came to that hospital. When veterans needed surgery or other more complex items, they came to the VA Medical Center at Mather. There are clinics in some of the cities and counties in which some of the outpatients are taken care of.

At any rate, the Rancho Cordova Veterans Day and Memorial Day committee began and is still operating the ceremonies today. There are many veterans, like Veteran Bob Burns, who helped us create the themes

for the Veterans Day and Memorial Day ceremonies. Different individuals and organizations have helped, and I can't say how much we appreciate all they have done. Volunteers continue to join our committee and help as much as they can. This Memorial Day, the Cordova Community Council, which joined my committee a few years ago, helped and joined the other volunteers come up with the idea of placing the 300-flag tribute on Folsom Boulevard. The other ideas were great, and I can't thank them enough for honoring our veterans and their families for all they have done. The names of those who helped were on the front page of the May 22nd edition of The Grapevine Independent.

My wife and I watched KVIE on May 14th and May 21st about Mark Twain. I know I have quoted Mark Twain at

different times because he had such an interesting way of looking at life. It was different than we thought as the story went through his life. He said so much more and did more than I ever knew. But it made many people see how life can be different. For example, when he said, "Kindness is the language which the deaf can hear and the blind can see." I think that that one quote describes how we began having to stay home for weeks. It was easier during the first week or two. Then, many people began to realize that they are being forced to stay home, and that being kind is harder than we may think. Just try to remember that, "The best way to cheer yourself up is to try to cheer somebody else up." Again, that was Mark Twain.

From Councilman Bob McGarvey, God bless, and we'll see you next time. ★

Applicant Review Panel Submits the Remaining Pool of 60 Applicants for 2020 Citizens Redistricting Commission

By Drake Baglietto, 2020 Citizens Redistricting Commission

SACRAMENTO, CA (MPG) - The Applicant Review Panel (panel) has announced that it concluded the last of its public meetings on May 7, and selected 60 of the most qualified applicants to move forward in the selection process for the 14-member 2020 Citizens Redistricting Commission (Commission). The panel submitted the list of the 60 remaining applicants to the California State Legislature, where leadership has the option of removing up to 24 names from the list – eight from each sub-pool.

Over the course of the last few months, the panel held candidate interviews, many remotely due to the COVID-19 pandemic. The final public meeting narrowed the pool of applicants to 20 Democrats, 20 Republicans, and 20 from neither of those parties.

“The panel has now concluded its critical step of the process to form California’s second citizen-led redistricting Commission,” said Christopher Dawson, panel Counsel. “During the meetings, the panel members remarked how impressed they were by the caliber, passion, and commitment of the candidates, and identified 60 of the most qualified applicants who have demonstrated strong analytical skills, an ability to be impartial and an appreciation for California’s diversity. We are confident that these remaining 60 can draw fair and legal districts for the good of our state and its future.”

The final pool of 60 is a diverse group coming

from all regions of the state and with different backgrounds. Each offers different skills, experiences, and perspectives that will benefit the new 2020 Citizens Redistricting Commission. For the complete list of the 60 remaining applicants, please visit ShapeCaliforniasFuture.auditor.ca.gov.

The legislative leaders have until June 30, 2020, to exercise their strikes (eight total strikes allowed for each sub-pool) and submit a list of remaining applicants to the California State Auditor. From the remaining list of applicants, the California State Auditor will then randomly select the first eight commissioners. Those eight commissioners will select the remaining six that will, in total, make up the 14-member Commission. The Commission will include, in total, five Democrats, five Republicans, and four members from neither of those parties.

The 14-member Commission will redraw the lines for California’s Congressional, State Senate, State Assembly, and State Board of Equalization districts, based on information gathered during the 2020 census. The Commission must draw the districts in conformity with strict, non-partisan rules designed to create districts of relatively equal population that will provide fair representation for all Californians.

For more information and to view the video and transcripts of all meetings – including the final meeting – please visit ShapeCaliforniasFuture.auditor.ca.gov/arp.html#previous_meetings.

About the 2020 Citizens Redistricting Commission

Every ten years, after the federal government publishes updated census information, California must redraw the boundaries of its Congressional, State Senate, State Assembly, and State Board of Equalization districts. In 2008, California voters passed the Voters FIRST Act authorizing the creation of an independent Commission comprised of 14 members. The 2020 Commission will include five Democrats, five Republicans, and four who are either registered without, or “independent” of, any political party (decline-to-state or no party preference) or with another party. The Commission is responsible for drawing the lines of each district.

The Applicant Review Panel was responsible for reviewing the application materials submitted by individuals who applied to serve on the 2020 Citizens Redistricting Commission and identifying the most qualified applicants. The panel was randomly selected and established as required by law for the sole purpose of identifying 60 of the most qualified applicants. The panel’s members consisted of three independent auditors – one who is registered with the Democratic Party, one who is registered with the Republican Party, and one who is registered with another party or without a party preference. After selecting the 60 names, the panel was disbanded. For more information on the Applicant Review Panel, please visit shapecaliforniasfuture.auditor.ca.gov/arp.html. ★

RANCHO CORDOVA, CA (MPG) - The City of Rancho Cordova is proud to announce the winners of the 2020 Pride Scholarships, Atziry Chavez and Matthew Hontz II, both graduating seniors from Cordova High School (CHS). The Pride Scholarship program is funded by employees of the City of Rancho Cordova and awards \$500 to graduating seniors for demonstrating community pride.

“I strive to be helpful to all those around me, which is how I would describe the vast majority of the people in this diverse city,” Atziry said when describing Rancho Cordova.

In addition to being on the CHS wrestling team, she was also Miss Rancho Cordova in 2019 and actively volunteers with local community organizations. She also helped her wrestling team purchase new uniforms through a Community Enhancement Fund grant from the City of Rancho Cordova. After graduation, Atziry plans to attend the University of California, Davis.

Matthew was the grade-level Class President throughout his four years at CHS and is a volunteer for the Rancho Cordova Food Locker.

“Encouraging others to take part and give back to the community they have resided in, has become essential for my educational goals,” said Matthew.

After graduation, Matthew hopes to continue to be a student leader at the University of California, Santa Barbara.

Congratulations, Atziry and Matthew! To learn more about the Pride Scholarship program, visit CityofRanchoCordova.org/scholarship. ★

Bill Helping Small Businesses Unanimously Passes Senate Governmental Organization Committee

By Blake Zante,
Office of Senator
Andreas Borgeas

SACRAMENTO, CA (MPG) - Senator Andreas Borgeas presented Senate Bill 1457 in the Senate Governmental Organization Committee, which passed 14-0. The bill would require state agencies to work with small businesses and establish policies to waive or reduce penalties and fines for small businesses. “Senate Bill 1457 will provide regulatory relief for small businesses impacted by the economic fallout as a result of the

Coronavirus pandemic,” said Senator Borgeas. “Now more than ever, California should provide regulatory relief and allow state agencies to waive or reduce civil penalties for small businesses operating reasonably and in good faith.” The United Chamber Advocacy Network (UCAN), a coalition of seven local chambers of commerce in Northern California representing over 4,000 members, testified in support of the bill. As many small businesses struggle to survive due to recent closures and stay-at-home orders,

California should consider reducing the financial burdens imposed on small businesses as a result of unintended mistakes corrected in good faith. *Senator Borgeas represents the 8th Senate District, which encompasses all or portions of Amador, Calaveras, Fresno, Inyo, Madera, Mariposa, Mono, Sacramento, Stanislaus, Tulare, and Tuolumne Counties. For additional information about Senator Borgeas, please visit his website at www.senate.ca.gov/borgeas or sign up for his monthly newsletter.*

Sac County New Health Order and Stage 2 Variance

Continued from page 1
For Sacramento County, its Health Officer, Dr. Olivia Kasirye, attested to criteria laid out by the state, including: stability of COVID-19 cases/deaths in the county; protection of essential healthcare workers and first responders; adequate testing and containment capacity; hospital capacity; support for vulnerable populations; and requirements for Stage 2 timelines and triggers for adjustments. Therefore, the public and business owners must closely follow the state’s reopening guidance and the County’s Health Order to help curb a surge of new COVID-19 cases, which would return the past restrictions and closures. Sacramento County is recommending the CDPH guidance on the use of cloth face coverings whenever social distancing cannot be maintained indoors or outdoors. While wearing a face covering, the public should find ways to maintain social distancing requirements of six feet or more, practice good hand hygiene, and stay home if ill. The cloth face coverings recommended

are not medical grade respirators, such as N95 and surgical masks. A cloth face covering should cover the nose, mouth and chin, and be made of soft or permeable material, without holes or one-way valve that allows respiratory droplet release. Examples of allowable face covering include scarf, bandana, or neck gaiter. The Health Order includes provisions for exercising and while using modes of public transit, as well as exceptions for children and some individuals – read the details for Face Coverings in the May 22 Health Order. The best defense against COVID-19 continues to be: Staying at home and physical distancing; Washing hands frequently; Avoiding touching eyes, nose and mouth with unwashed hands; Avoiding being around people with COVID-19 symptoms. For questions about the Public Health Order, call the Public Health hotline at (916) 875-2400. For more information about the County’s response to COVID-19, visit Sacramento County’s COVID-19 webpage.

“Words cannot express how truly proud and honored I am to work with our teachers and staff ... standing together as we clapped, cheered, and praised our seniors was so incredibly powerful - to see the happiness in our families was an experience I will never forget. Given the daily challenges we work through to support our deserving students is inspiring and the intentional approach to lifting up our seniors through this celebration made all the difference.”

~ Jerad Hyden, Principal CHS

“I value our partnership and I am very happy that we could participate in celebrating our graduating students.”

~ Cyrus Abhar, City Manager

“This was such a special event put on by the school. It was truly an honor to be able to be part of it from the PTSA and as a senior parent. I really appreciate all that the staff has done for the students.”

~Darla Murphy, PTSA President and parent of a senior

“The fact that the staff put this together for these kids was amazing. Thank you all for adding that special touch for the Class of 2020 especially for those who won't be able to walk the stage because their next station in life will have already started and they will be gone. This was the best possible outcome for all involved. Thank you Cordova HS Staff and Faculty for this heartwarming experience.”

~ Faith Harris, parent of a senior

“The drive-thru made me feel bittersweet because it was a reminder of a near end to a huge chapter. My favorite part was seeing all the proud teachers and finding a way to celebrate in a time of uncertainty. I love CHS because diversity and culture are unique and hard to find.”

~ Gerlyn Hinahon, CHS student

“My favorite part about the drive-through celebration was witnessing a close family comprising of teachers, administrators, and staff honoring the

class of 2020. The environment and atmosphere were such a cohesive bond with posters, decorations, and awards. Witnessing Cordova High represented as a family was an amazing sight. The complete scale and symbolism of the celebration are forever embedded as one of the most memorable experiences at Cordova High School.”

~ Matthew Hontz, CHS student

“I felt joy seeing all the smiling eyes, tears filled with emotion, and the Cordova Pride exhibited by students, staff, families, and the community. I am humbled by the amount of gratitude families expressed and the enthusiasm of our staff.”

~Heidy Naderi, CHS Administrative Assistant

“My favorite part about yesterday's event was being able to congratulate our students!! It was hard not to give them a HUGE high five or hug because they deserve it!! I really liked seeing them smile and seeing them

feel proud of what they had accomplished.”

~Michael Wegsteen, CHS Math Teacher

“For me, CHS has been a place where I feel I belong and a place that legitimately makes a difference. I love that we provide a program with IB that I feel advances a student's ability to learn. I love that I teach a class in which I can see evidence of student growth. I love being part of a school with a long tradition. I love knowing staff that does a lot to enhance students' lives and truly serve our students.”

~ Jennifer Old, CHS Social Science Teacher

“I love how resilient our students and staff are. I get to connect with amazing students and help them grow into adults. We grow through challenges together and it creates a stronger community than I've seen at other campuses.”

~ Kelly Samuelson, CHS Science Teacher

“My favorite part was seeing my colleagues and students in person and being able to wave and yell hello and see the kids' smiles. I saw all seven of my advanced French students and a number of my TOK kids too, which made my day. I love the CHS community and how caring and genuine everyone is. The Lancer Family is hands down the best!”
