**RANCHO CORDOVA, CA (MPG)** - The classroom is called the Dojo, the students are Ninjas, the teachers are Senseis, but there is no fighting at Code Ninjas. Instead, kids 7 to 14 learn computer coding, program development with lots of other activities. Code Ninjas held its one year anniversary ribbon cutting on February 1, with a crowd of kids and parents who stayed to see demonstrations and let their children show them around.

Students can progress from white belt to black belt, from writing game using Scratch® to producing a fully custom developed game from concept to delivery. “Kids need rewards,” said Brian Faulconer, owner of the franchise with his wife Lori. “Your traditional course to learn how to do computer programming is pretty boring to most kids. So we tie it to games, game development and game creation.” When kids find out

they can actually make computer games, it creates excitement for

## Grant Applications Now Open for City's Community Enhancement Fund

By Danielle Hale,  
City of Rancho  
Cordova

**RANCHO CORDOVA, CA (MPG)** - The City of Rancho Cordova is now accepting grant applications for the 2020/2021 fiscal year, and applicants will have until March 20, 2020 to submit their proposals. The City will accept applications from individual residents, organizations, businesses, and community partners who are interested in enhancing the Rancho Cordova community. The grants awarded in this call for applications are part of the estimated \$8.8 million budget in 2020/2021 for the City's Community Enhancement Fund. The City's Community Enhancement Fund is funded by the Measure H, ½ cent local sales tax measure approved by voters in November 2014.

Of the estimated \$8.8 million, the City anticipates awarding \$2 million in community grants in the categories of arts, culture, history, entertainment, and sports; education; and for other projects. The remaining funds are allocated to other community priorities, such as community development, economic development, public safety, public works, and more. The actual budget may vary based on final approved funding allocations.

Grant applications that include a project or program operating on a K-12 school site must request the endorsement of the applicable school superintendent(s) and must be submitted to the school district representative with the draft grant proposal no later than March 6, 2020.

After applications are received by the City, staff will review each application and supplemental materials and will share the initial review of applications with City Council in April. Applicants may be contacted to present their project during the May 2020 City Council meetings. Funding decisions could be made as early as May and formally adopted in early June 2020. City staff intends to notify all applicants of the funding decisions by late June 2020.

The grant application can be found on the City's website at [www.cityofrancho-cordova.org/CommunityEnhancementFund](http://www.cityofrancho-cordova.org/CommunityEnhancementFund).

## Coronavirus Update and Reminder About the Flu

By Brenda Bongiorno,  
Sacramento County

**SACRAMENTO COUNTY, CA (MPG)** - Sacramento County Public Health is closely monitoring the 2019 Novel Coronavirus (2019-nCoV) that originated in Wuhan, China and has spread to other parts of the world, including the U.S. Currently, there are no confirmed cases of 2019-nCoV in Sacramento County, and exposure risk of 2019-nCoV remains low in Northern California.

Working with the Centers for Disease Control and Prevention (CDC), the California Department of Public Health and the local medical community, Sacramento County Public Health has a plan in place to identify, isolate, test and investigate any potential cases of 2019-nCoV in Sacramento County.

Sacramento County Health Officer, Dr. Olivia Kasirye, reminds residents, “Currently the risk of exposure to the 2019 Novel Coronavirus (2019-nCoV) is low. Community healthcare providers are monitoring for acute respiratory illness cases and gathering recent travel information for specimen testing per CDC guidance. Like we do for other reportable communicable diseases, we are prepared and are conducting surveillance on this new virus strain.”

Symptoms of the 2019 Novel Coronavirus (2019-nCoV) are very similar to the flu, including: runny nose, headache, cough, sore throat, fever and shortness of breath.

To help prevent the spread of 2019 Novel Coronavirus (2019-nCoV), practice every day preventative actions:

Wash your hands often

with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer;

Avoid touching your eyes, nose and mouth with unwashed hands;

Avoid close contact with people who are sick;

Stay home when you are sick;

Cover your cough or sneeze with a tissue, then throw the tissue in the trash;

Clean and disinfect frequently touched objects and surfaces;

People experiencing worsening flu symptoms should seek medical attention – call ahead if recently traveled to China or have had contact with a person with confirmed 2019-nCoV while they were ill.

While the 2019 Novel Coronavirus (2019-nCoV) is concerning, what poses a much greater and more

imminent risk in our community is the flu virus. According to the CDC, the flu virus caused roughly 61,000 flu deaths in the U.S. in the 2017-18 season.

You can protect yourself, your family and the community from getting the flu, simply by getting the flu shot. It's quick, it's easy, it's not too late and the shot provides the best protection against getting the flu. For immunization services, contact the Sacramento County Public Health (SCPH) Immunization Assistance Program at 916-875-SHOT (7468) or use the HealthMap Flu Vaccine Finder.

The CDC website shares updated travel health information and frequent updates on the outbreak. To stay up-to-date on what is happening in Sacramento County, sign up for email and text updates or follow us on Facebook or Twitter. ★

# The Tibetan Monks of Gaden Shartse Monastery Tour

By Jesse Gilliam,  
Sierra Friends of Tibet Auburn

**SACRAMENTO REGION, CA (MPG)** - Sierra Friends of Tibet Auburn, in conjunction with the General Gomez Arts and Events center, is pleased to announce the return of the Tibetan Monks from Gaden Shartse Monastery's Sacred Arts and Healing Arts Tour February 24 - March 4 2020 presented at the General Gomez Arts and Event Center.

This much anticipated event (beginning Feb 24 at 6pm) will provide a variety of Tibetan cultural presentations for 10 days giving area residents and visitors a chance to experience first-hand the unique culture of the Tibetan people and the rich traditions of Tibet and Tibetan Buddhism. This will include the creation of a beautiful Sand Mandala, carefully constructed over the course of their 10 day visit, following ancient Buddhist symbolic designs. Each grain of sand will be carefully laid down by hand using techniques unchanged for millennia. The public will be able to observe and enjoy this moving and meditative process as the monks work. Come throughout the 10 days to fully experience the ever changing work in process. The Gomez Arts and Events Center will be open daily for Mandala viewing from 10:00 am until 6:00pm.

When the mandala is finished, there will be a special ritual to bless the mandala and mark its completion. Following

the blessing the mandala will be ritually dissolved (always a 'standing room only' event), highlighting by example the Buddhist view of impermanence. The sand is then swept up into a pile with small portions of the sand being offered as gifts to members of the audience. The rest of the sand is taken to a body of water where, after a short ceremony, it will be poured into the water as a blessing to purify the environment and all the beings that inhabit it.

- Other events will include:
- Dharma Teachings
  - Public Talks
  - Group and Individual Healings
  - Workshops and Family Events
  - Land - Home - Business Blessings

# Code Ninjas Celebrates First Anniversary

Code Ninjas owners Lori and Brian Faulkoner had a large turnout for their one year anniversary celebration. "Our programs that are for adults will be released a little later this year," Brian Faulkoner said. Photo by Margaret Snider

learning new skills. Technology is entering every field.

"AJ, my oldest that's 10, loves doing the computer coding and programming and he really focuses and delves deep into it," said Shawn (Sheddy) Shedenhelm. "My younger son (Connor, 8) has a shorter attention span and he'll code for a bit, he enjoys it . . . but he likes the connections and circuit breakers so he's learning how to connect to the flow of electricity."

With all the emphasis on STEM – Science, Technology, Engineering, and Mathematics – it's the technology part that has a shortage of workforce, Brian Faulkoner said. "We're trying to get them prepared, right now, with the skills and the computer programming languages. Most of (those subjects) they would never get exposed to until college, probably, or later in high school, if they went to a high school that had these courses, which is not a lot."

Shedenhelm said that his son AJ does much better in school now that he attends Code Ninjas. AJ takes a computer class at St. Peter's Lutheran School in Elk Grove. "He finishes his entire 55 minute lesson in 15 minutes," Shedenhelm said. "He'll get up and he'll actually help the other students. He's in there right now giving demonstrations because he has found a calling."

Alex Wilson, 11, started in Code Ninjas last summer. "I just like doing the JavaScript camp," Alex said. "I go to the summer camps for HTML and such and it's quite fun." Alex attends William Brooks Elementary School in El Dorado Hills. Elena Wilson, Alex's

mother, was impressed with the helpfulness of the Code Ninjas staff. "They do an amazing job, they have very nice staff . . . really wanting to help kids and get them excited, so we were very happy to discover this."

The safe environment requires parents and adults to be outside, looking in through the wide glass windows. "It's a no adult zone and it's safe," Shedenhelm said. "We were able to go to the chiropractor this morning while they were here working . . . it gives a great deal of flexibility, it's a safe environment, a very educational environment."

Code Ninjas is located at 3187 Zinfandel Dr., in Capital Village, Rancho Cordova. During the school year, hours are 3 – 7 p.m. Monday – Friday, and 9 a.m. to 1 p.m. on Saturdays. Related coding camps are held throughout the summer months. "We have some programs that cost \$10 to come in for a couple hours so we've got something for everyone," Brian Faulkoner said. Senseis are either engineering students, computer science majors, or going into teaching.

AJ Shedenhelm has been attending Code Ninjas since it opened in January 2019. "I like it, and now I'm an orange belt," AJ said. "It's getting harder and harder on the way, but it's really fun."

Brian Faulkoner is a nationally licensed medical laboratory scientist and entrepreneur and manages the laboratory systems for Sutter Health. Lori has a wealth of experience in early childhood education and small business management. # Mattress Fundraiser Returning to Cordova High School

Cordova High School band and football parents and kids gather to talk about the upcoming mattress fundraiser at the main gym on February 29.

Story and Photo by Margaret Snider

**RANCHO CORDOVA, CA (MPG)** - The second ever Cordova High School mattress fundraiser will benefit football this year as well as band. It will be from 10 a.m. – 5 p.m., Saturday, February 29, in the Main Gym at Cordova High School, 2239 Chase Dr., Rancho Cordova.

Kevin Sims, Cordova High School band and orchestra director, said he heard about this program years ago. The band tried it out. "It was really surprising how easy it was on our end to run the

fundraiser," Sims said.

Heather Ford, franchise owner for this region's Custom Fundraising Solutions, said that at any point in time 10 out of every 100 people need a mattress. "Our prices are up to 30-50% lower than most mattress retail stores," Ford said. "We don't have the overhead a store would have, we don't pay for commercial advertising. We are like a literal mobile mattress store... The beds are ordered brand new, just like it would be in a store. They are whatever size you want." Well-known brands, 25 to 30

beds, and accessories will be there for customers to try out. From 30-50% of the proceeds of sales will directly benefit the school programs. Delivery is provided within about a 50 mile radius, and old mattresses will be removed. Financing is available.

"We're hoping to use the money to supplement our program needs," Sims said. "Like kids that need strings or reeds, or sticks, or instruments that they can't provide. The football coach, Jason Bumbaca, is using it to buy new uniforms for the kids."

# A Classic Comes to Life at White Rock Elementary School

The Jungle Book provided a unique experience for the teachers and the community. Photos provided by City of Rancho Cordova

By Danielle Hale, City of Rancho Cordova

**RANCHO CORDOVA, CA (MPG)** - "The Jungle Book" came to life at White Rock Elementary School! Students, teachers and parents alike worked hard to bring one of the classics to the Rancho Cordova community on January 30 and 31.

Through a Community Enhancement Fund grant, the Sacramento Theatre Company provided theatre classes for all 476 students at White Rock Elementary. This created an opportunity not only for the students to participate and cultivate their skills and interest in theatre, but it also provided a unique experience for the teachers and the community.

"Being a part of Jungle Book Kids, I have learned how to get along with others and you can also learn how to work with what you have," said Ryan-Rae, a fifth-grader who played the part of Zizzy Vulture and a Wolf.

In fact, the theatre classes shed light on different ways the teachers could integrate theatre arts exercises and activities into their core curriculum classes, such as science, English and social studies. Parents and other community members also participated by building sets for "The Jungle Book," and created props and costumes.

"White Rock is excited to partner with Sacramento Theatre Company to bring Jungle Book Kids to our school. Not only does it bring joy to the students and families, but it helps White Rock as an active member of the community," said Canen Peterson, Principal of White Rock Elementary School.

# And Another Thing

*Some events are more important to those who were alive when they happened*

History has popped up again with some events that are more important to those who were alive when they happened than for those who just see the event as a page in their history text. In 2018, we recognized the 100th anniversary of the end of World War I and Mather Air Force Base's part in it. Germany formally surrendered on the 11th hour of the 11th day of the 11th month of 1918. It was the first global conflict. In 1919, the American Legion was formed, and also in 1919, the 19th Amendment was passed by Congress and ratified in 1920. This year (2020), we are commemorating the 75th anniversary of the end of World War II. It was perhaps the most devastating war in the history of mankind, according to

many experts who studied and wrote about the past. It took place between 1939 and 1945, and more than 100 million people from more than 30 countries were involved in that global war. Many generations of today are the ones who didn't live during those historical events, and they connect with the Gulf War, and 9/11 (September 11, 2001), and the wars in Iraq and Afghanistan. But those latest events are now also history. The Gulf War, for example, happened 29 years ago.

Part of our history in Rancho Cordova was Highway 50. But I am talking about the old highway 50 that was Folsom Boulevard. It was called "Blood Alley" then due to the number of accidents that occurred along the boulevard while it was the primary highway, and Sunday afternoon was the time when many Rancho Cordova residents either stayed home or stayed away until a lot

of the traffic coming back from Lake Tahoe had gone through Rancho Cordova. When they built Highway 50 as we know it today, it almost made Folsom Boulevard look like a ghost town road because of the traffic that wasn't there.

This year, we will have our Memorial Day Observance in the Cordova High School Performing Arts Center, just as we did last Veterans Day. There will be many veterans and their families there to be honored for all the wonderful things they have done in war and in peace to protect us and our country. Some may not understand why the ceremonies are held every year, but they would understand "a little bit better" I think if the veterans hadn't stopped the aggressors from overseas or in New York City on 9/11.

*From Councilman Bob McGarvey, God bless, and we'll see you next time.* ★

# Waived Dog and Cat Adoption Fees for CA Veterans

Pets for Vets Act – a win for both veterans seeking companion animals and shelter pets in need of a home. Photo courtesy Pixabay

By Allison Harris, Sacramento County

SACRAMENTO COUNTY, CA (MPG) - Veterans interested in adopting a dog or cat from California public animal shelters are now

eligible for waived adoption fees through the Pets for Vets Act – a win for both veterans seeking companion animals and shelter pets in need of a home.

The new law became effective Jan. 1, 2020 and prohibits any California public shelter from charging an adoption fee for a dog or cat to individuals who present eligible identification in the form of a valid driver's license or ID card with the word "VETERAN" printed on its face. Although the bill waives adoption fees, licensing and other fees may apply depending on the shelter. The bill also limits the number of dogs and cats adopted from that public animal shelter by an eligible veteran to one dog and

cat each six month period.

Sacramento County's Bradshaw Animal Shelter currently offers \$25 adoption fees for dogs, cats and rabbits which include spay and neuter surgery, vaccines and microchipping. With the new law in effect, the shelter is honoring the waived adoption fees for veterans with eligible identification.

"Standard adoption counseling is still applied to make sure a good match is made between the animal and the adopter," said David Dickinson, Director of Bradshaw Animal Shelter.

Once the adoption process is complete, the adopter is responsible for paying required licensing fees and obeying local

animal regulations and ordinances.

Those interested in adopting a pet can visit the shelter during open hours Tuesday and Thursday 12:30 p.m. to 6:30 p.m., Wednesday and Friday 12:30 p.m. to 5:30 p.m., Saturday and Sunday 12:00 p.m. to 4:30 p.m. at 3839 Bradshaw Road, Sacramento, CA 95827. The shelter also operates an offsite adoption center inside Petco located at 8840 Madison Ave in Fair Oaks, CA which is open daily 11:30 a.m. to 6:00 p.m.

For a list of available adoptable pets, visit the Bradshaw Animal Shelter's website. Can't adopt? Consider volunteering, fostering a shelter animal or donating to the Bradshaw Animal Shelter today. ★

You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same Lender may hold more than one mortgage or Deed of Trust on the property. ## NOTICE OF PETITION TO ADMINISTER ESTATE

NOTICE OF PETITION TO ADMINISTER ESTATE OF HELEN V. TORRES  
CASE No. 2019-00269015  
To all heirs, beneficiaries, creditors, and contingent creditors of and persons who may be otherwise interested in the will or estate, or both of Helen V. Torres, deceased A Petition for Probate has been filed by Arthur Granillo, in the Superior Court of California, County of Sacramento, requesting Arthur Granillo, be appointed as personal representative to administer the estate of the decedent. The petition requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court. The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the executor to take many actions without obtaining court approval. Before taking certain very important actions, however, the executor will be required to give notice to interested persons unless they have waived notice or have consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority. A hearing on the petition will be held in this court as follows March 18, 2020 9:00 a.m. in Dept 129 at Superior Court of California, County of Sacramento 3341 Power Inn Road Sacramento, CA 95826. IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney. IF YOU ARE A CREDITOR or a contingent creditor of the deceased, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. ## Holiday Weekend Wrap

### Basketball Teams Both Lose at Delta

#### Women's Basketball

By Ronald Richardson

The Falcons had the tough task of facing the #1 ranked team in all of California – Delta College, with a record of 24-1 – on Thursday night in Stockton and fell to the Mustangs, 81-49. The Falcons again struggled with their outside shooting, especially from three-point territory, where they made just 1 of 16. A large part of that can be attributed to the stingy Mustang defense, which tallied 24 steals. Leading

scorers for the Falcons were Taylor Sexton and Mo Peters with 10 points apiece. The Falcons saw their record fall to 15-12 and 6-7 in Big 8 play. They have just one regular-season game remaining, against Sierra College (19-6, 9-3) on Tuesday night at Falcon Gym. ★

#### Men's Basketball

The men had a rough night on Thursday, losing to at Delta College 104-70. Unfortunately, no stats or details are currently available. ★

## Baseball Wins One of Three in Los Angeles

#### Men's Baseball

The Falcons played three games at L.A. Valley College over the weekend, resulting in their first loss of 2020 on Thursday afternoon, 5-4. The Falcons had fallen behind 4-0, then rallied to tie the game in the sixth. The score remained tied until the bottom of the ninth inning, when the Monarchs capitalized on a leadoff walk with a sacrifice bunt, a single, another walk to load the bases, and a walk-off hit batter. Offensively, Troy Shields had two hits including his third home run of the season. Pitcher Skylar Wells came on in early relief of starter Braeden Proud to pitch 5-1/3 innings of scoreless relief.

On Friday afternoon, the Falcons used strong pitching performances from starter Trevor Johnson (5 innings, 2 earned runs)

and five relievers (4 innings, 0 runs, 1 hit) to win, 6-2. Right fielder Hiyato Niki was 3-for-4 with a double, and Alex Schroeder and Trey Furrey both recorded two hits including a double each.

In the series finale on Saturday morning, the Falcon offense was relegated to 8 singles as they managed to score just one run in a frustrating 3-1 loss. Freshman starter Hunter Hayes went five-plus innings and was charged with just one run, but the Falcons couldn't put together enough hits to support his effort. All of the Monarchs' runs scored on one swing of the bat, a three-run home run in the sixth inning. With the loss, the Falcons fell to 9-2, still the best start in FLC baseball history. They'll face Mendocino (3-6) on Tuesday afternoon at Falcon Field (the Lake) at 2:00 pm. ★

**RANCHO CORDOVA, CA (MPG)** - The Cordova Lady Lancers varsity basketball team wrapped up their regular season slate with two consecutive wins following a loss at West Campus on February 7, which ultimately resulted in the two schools each holding a share of a Greater Sacramento League Title this season.

Both West Campus and Cordova finished 9-1 in the GSL, with the two league rivals

splitting their two regular season meetings this winter. Even so, being able to hang a league championship banner within the Cordova gym is a tremendous feat.

Led by head coach Kimberly Little and junior do-it-all guard/forward Emika Love, the Lady Lancers (17-10 overall) earned a No. 12 seed in the CIF Sac Joaquin Section Division II playoffs. That in turn secured a date with No. 5 seed Vista del Lago (18-9 overall) this past Tuesday, February 18. ★

#### Boys Basketball

##### RANCHO CORDOVA, CA (MPG)

The Cordova boys varsity basketball team entered the CIF Sac Joaquin Section Division II playoffs on a roll, winners of three straight games.

The Lancers (14-14 overall, 8-2 Greater Sacramento League) finished second in league behind Florin (23-5 overall, 9-1 GSL), earning themselves the No. 15 seed and a play-in game this past Tuesday, February 18 against No. 18 seed Mira Loma (9-16 overall). Final score was 63-46.

Fletcher Johnson, Cordova will look to advance past the first round following last year's early exit. But as long as standout senior

point guard Isaiah Bolden is on the floor, the Lancers will have a shot to beat anyone they face this post-season. ★

## First Ever Championship for Cordova Girls Soccer!

The Cordova Girls Soccer team celebrates as Champions in the Greater Sacramento League.

#### Story and photos by Rick Sloan

**RANCHO CORDOVA, CA (MPG)** - It's been 40 years since the advent of Title IX that Cordova Girls Soccer first started back in 1980. The program has seen its ups and downs over the years but since Head Coach Jay Ramey took the helm last year, it has definitely been on the up and up. On Wednesday, February 12, 2020 the Cordova Girls Soccer team stepped on to the field to battle the Vikings of Valley High School for the last regular scheduled league competition.

When they stepped off the field as the referee sounded the final whistle, they stood as no other team in school history has ever stood before, as Champions.

The 4-1 victory over Valley completed the Lady Lancer's regular season league play with a record of 9-1, putting them in a tie for first with West Campus and a share of the championship. Each match against West Campus ended with a single goal difference. Three of Cordova's four goals against Valley came off the foot of senior forward Annette Medina. Medina kicked her final goal late in the match, sealing the contest and making history for the girls' soccer program. Germaine Fountain, one of the players on the first ever team had this to say about the team's accomplishment, "Congratulations to the many young ladies over the years, we are proud of you, it's been a long time coming."

After the game, the pride on Coach Ramey's face was quite evident. He was seen embracing co-captain Adriana Flores, his Senior Lancer goalkeeper. When asked about his goalkeeper, Ramey had to take a moment before speaking; he stated "Adriana

volunteered to move from the field to between the posts. She has not played much at this position and had to work really hard. She was fearless all year, allowing only 4 goals to slip past her during league play".

The Lancers went into the match without their leader and co-captain, Senior Gabby Maduri, 2019 Greater Sacramento League's Defender of the Year. Even though Gabby was not able to play in the championship match, Coach Ramey said, "She was still the biggest fan on the sidelines, barking orders and keeping her teammates focused". "Gabby is going to be an excellent coach someday," said Ramey.

Coach Ramey was extremely proud of all his players this year. They practiced hard, played even harder and never gave up. Lancers graduating this year are Maduri, Logan Lammi, Karime Quevedo, Flores, Medina and Jewels Melendez. Their play and leadership will be missed.

The future of Cordova Girls Soccer seems bright. They have a young team with many returning and seasoned players. Along with the six Seniors, this year's squad featured 9 Junior players, two Sophomores and three Freshmen. Starting every game this year was 2019 All-League player Junior Maritza Negrete. Maritza's play was a major part of this year's success. She will certainly be a welcome sight when she returns next year.

I want to personally congratulate Coach Jay Ramey, his coaching staff and all his players for their remarkable accomplishment this year. I wish them much success as they head into the playoffs for what will be only the sixth time in Lancer history. ★
