**RANCHO CORDOVA, CA (MPG)** - Starting out from Neal Orchard Senior Activities Center, volunteer Meals on Wheels driver Patrick Quinn picked up his hot pack and his cold pack for the nine senior participants to whom he would deliver that day. While the senior center serves hot meals on weekdays every week, patrons using Meals on Wheels are generally homebound. "I've worked a lot of volunteer places," Quinn said. "It's worth doing."

Most of Quinn's stops are fairly uneventful, but each is important. He gets out the individual hot meal and takes it along with a few grocery items to the door of the home. There he hands over the meal

# **River Cats are Triple-A National Champions**

Sacramento becomes the first team to win Triple-A Championship three times

### Special from Sacramento River Cats

**MEMPHIS, TN (MPG)** - The Sacramento River are the Triple-A National Champions after shutting out the International League Champion Columbus Clippers by a score of 4-0 on Tuesday night at AutoZone Park in Memphis, TN. Behind a stellar outing from left-hander, and eventual Most Valuable Player Caleb Baragar, the River Cats became the first franchise to take home their third Triple-A National Championship.

Baragar was nothing short of magnificent for a second straight time this postseason, compiling a combined 2-0 record with a 0.90 ERA in 10 innings, and dominating the Clippers' offense over his five frames on Tuesday night. Baragar gave up just two hits while fanning five batters to earn MVP honors.

The River Cats jumped on the Clippers early, knocking out Columbus starter Kyle Dowdy in the first inning and tagging the right-hander for three runs. Francisco Peña delivered an RBI-groundout, then a couple batters later Jacob Heyward delivered a two-RBI single to right field.

Peter Maris would add a solo blast in the sixth inning to expand the lead to four. The swing of the bat was his second home run of this postseason. Levi Michael and Abiatal Avelino would finish the night with three hits apiece to pace the Sacramento offense from the top of the order.

The Sacramento bullpen was nearly perfect on their way to the first shutout of the playoffs from the River Cats. Right-hander Ricardo Pinto delivered two perfect innings while striking out four. Flame-throwing righty Melvin Adon contributed a scoreless inning, allowing one hit to start the ninth. Then lefty Steven Okert would come on to induce a double play and strikeout the final batter to clinch the Championship for the River Cats.

The Sacramento River Cats finished off their 2019 regular season with a 73-67 record – the first winning record since becoming a San Francisco Giants' affiliate in 2015. The club won their first Pacific Northern division title since 2012, and became the first Giants Triple-A club to win their division since 1998. The River Cats went on defeat to defeat the Las Vegas Aviators in five games, then the Round Rock Express in a sweep to claim their first Pacific Coast League crown since 2008. In a year in which 85 players appeared Sacramento, the River Cats 20th season came to an end on September 17 with a Triple-A National Championship.

# Home of the Sacramento River Cats to be Renamed Sutter Health Park

### By Daniel Emmons, Sacramento River Cats

**SACRAMENTO REGION, CA (MPG)** - The Sacramento River Cats and Sutter Health announced a multi-year agreement that names the integrated healthcare network, headquartered in Sacramento and serving more than 100 Northern California communities, as the team's lead community partner. As part of the new agreement that will take effect after the 2019 season, the home of the Sacramento River Cats will be known as Sutter Health Park, and the team and Sutter Health will collaborate on a variety of community-focused projects to improve the total health and wellness of the Sacramento region.

"Sutter Health has been a long-time partner to the Sacramento River Catswhether it was their network doctors serving as team physicians or through their sponsorship of our Saturday night fireworks," said River Cats General Manager, Chip Maxson. "We are excited about this new opportunity where we can concentrate on a variety of community-focused projects on and off the field, while also lending the Sutter Health name to the home of the River Cats, a premier venue for fun, affordable and familyfriendly entertainment in the Sacramento region."

As part of its collaboration, the River Cats and Sutter Health will together expand its support of youth physical and mental health, as well as access to play and the outdoors across the region. Plans include providing field makeovers for youth baseball and softball fields and promotion of youth mental health awareness.

"Sutter Health is excited to expand our nearly 20-year community partnership with the River Cats. The organization is a fun, affordable and family-friendly community asset that we are proud to support," said Sutter Health Chief Operating Officer James Conforti. "Together we call this region home, and we are passionate about supporting our vibrant community. Communities are stronger when there is greater access to sports, athletics and outdoor activities, which are powerful ways to improve individual health and wellness." As part of the transition, the home of the Sacramento River Cats will become Sutter Health Park. It will serve as a community gathering space that actively promotes health and wellness beginning with the 2020 baseball season and throughout the year, and plans include health and wellness programming and local events from walks and runs, to health screenings, flu immunization clinics and more. During the season, attendees will see additional cause-related nights and non-profit community partners featured and supported in their community-related activities and programs.

Raley's, the inaugural community sponsor that made its commitment to support the tradition of local baseball with the Sacramento River Cats, will transition out of its role at the conclusion of the 2019 season. Like Raley's, Sutter Health is one of the Sacramento region's largest private employers, and both are proud to call the Sacramento region home.

"Twenty years ago, Raley's made a commitment to support our local baseball club, which was a defining moment for our region," said River Cats President Jeff Savage. "We are very grateful for their partnership over the years and all that we have accomplished together in support of our organization, our players and the larger community."

"The Sacramento River Cats and Raley's have made a special imprint in our community. They are a part of our city's history and will continue to shape our future," said City of West Sacramento Mayor Christopher Cabaldon. "We welcome Sutter Health into their new role with the River Cats and all the different ways it will champion greater community health."

"Our region becomes more dynamic as we create stronger connections between community health and well-being, economic development, and sports and entertainment," said City of Sacramento Mayor Darrell Steinberg. "By teaming up together, the Sacramento River Cats and Sutter Health will support new opportunities for our communities—from youth physical and mental health to education and wellness programs—that will have a lasting impact."

## *Continued from page 1* our great nation."

McGinness introduced Sergeant First Class Jeff Raver of the Northern California Recruiting Battalion, who enlisted in the army at the age of 21 because of the attack on 9/11. Sergeant Raver described the event as "one of the tragic stories for all of us, but something to remember." He said that just a month earlier he had taken a trip to the east coast with his brothers and they had "stood on top of those towers. So, a month later when that happened, it really hit home. That's why I serve." Sergeant Raver enlisted the very next day, September 12, 2001, and chose to ship out just 72 hours later. After getting through basic training, Sergeant Raver was deployed on his first tour in Afghanistan. "I was able and willing, and I decided to make that commitment."

The event's featured speaker was Colonel Stephanie Williams, Commander of the 940th Air Refueling Wing at Beale Air Force Base. Colonel Williams is a veteran of Operation Enduring Freedom and Iraqi Freedom, and she also commanded the 385th Air Expeditionary Group at Al Udeid Air Base, Qatar. On the morning of September 11, 2001, Colonel Williams was an active-duty international guard pilot starting "a normal day, I thought." After watching news footage of the airplanes crashing into the towers, she experienced "disbelief, shock. ... Ultimately seeing the towers collapse ... was very, very surreal. Even having served in active duty in the military for 10 years, it was surreal to see something like that."

At the time of the 9/11 attack, Colonel Williams said many members of the military had "served through mostly a peaceful period, but 9/11 was the start of something new to us. Think about the soldiers, sailors, marines, and airmen today. ... The vast majority joined after September 11, 2001." Colonel Williams said that our nation responded to the terror attack with "strength, honor, resilience, dedication, (and) focus."

To the Gold Star Families, Colonel Williams expressed gratitude: "[I'm] grateful to those who gave all to defend our freedom. ... Thank you for your family's sacrifice and service to our nation. ... Thank you for raising a hero."

Colonel Williams also thanked Move America Forward for hosting the event: "Having been deployed myself, it meant a lot to know that fellow Americans at home were thinking about me and were behind me and my teammates in what we were doing to defend freedom worldwide. ... Thank you for your tireless support of our military members."

Last week, there were many people from the news media who talked about what happened to our country 18 years ago. I didn't include it in my column, but it is too significant not to discuss how important 9/11/2001 was and still is to everyone in our country. We had the U.S., State and City flags at half-staff in front of our City Hall on September 11th, helping us remember those who died when the planes attacked the World Trade Center in New York City and the Pentagon in Washington, D.C., and the citizens who fought the terrorists on Flight 93, brought the plane down in Pennsylvania, and stopped many more deaths and destruction of the White House or the Capitol Building. There were also many news media that showed the ceremonies and speakers who thanked the first responders, including firefighters, police and military. As you may have heard, many of the first responders since 9/11 have died from the smoke, dust and chemicals that were the result of the buildings crashing down.

There have been many events in our country that we can celebrate, but when we were attacked in our own country by terrorists who killed almost 3,000 innocent people in one

A Memorial Bench and Plaque in Honor of Officer Mark Stasyuk

day, we all had to put our Lincoln said at the hands and mental thoughts together and work and hope together. I'm going to close with another thought. It is truly unfortunate that 9/11 was the last time I can remember when everyone in our nation came together and worked together to give each other some hope. It was also the last time I remember when all our members of Congress stood together, worked together, and actually agreed on something. It is a shame they can't work together every day and work for the good of the country.

On Monday, September 16, there was an unveiling of a memorial bench and plaque in honor of Officer Mark Stasyuk that Pep Boys in Rancho Cordova designed. It has been installed on their property. It is a beautiful bench that has a copy of the plaque. On the back and one side of the bench are signs of the City of Rancho Cordova, and a sign of Sacramento County is on the other side. On Tuesday, September 17, we held a barbecue at our police station for our team, and on Tuesday, September 24, there will be a United We Stand breakfast honoring Officer Stasyuk. Officer Stasyuk believed in the cause that all police officers believe in, and that is to protect their fellow citizens. He followed through when he lost his life protecting his partner and the people who were in the Pep Boys store. What President Abraham see you next time.

Gettysburg address when talking about the soldiers who died there also fits today when you look at the police officers who have died just this year around the country, and see how, "they take increased devotion to that cause for which they gave the last full measure of devotion."

I was very glad to see the beginning of this year's rainy season on Monday. My rain gauge in our backyard showed .15 inches of rain, and there is supposed to be a little bit more on Wednesday, September 18. At least that is what the weather forecasters said. I am ready for the rain, the cooler temperatures, and the changing colors of the trees in Rancho Cordova.

While writing this column, I looked up at the calendar and saw that today is the anniversary of when the U.S. Constitution was adopted (1787). So today is both Constitution and Citizenship Day. "William Randolph Hearst advocated a day to celebrate U.S. Citizenship in 1939. Citizenship Day is observed each year on September 17 to commemorate the signing of the Constitution on September 17, 1787, and 'recognize all who, by coming of age or by nationalization have become citizens." I looked at the Encyclopedia for that information, and there is much more that can be found.

## The California Endowment's President & CEO Statement on Governor Newsom Signing SB 419

### By Jeff Okey, The California Endowment

SACRAMENTO, CA (MPG) - "We commend Governor Gavin Newsom for signing into law SB 419, which will ban California's administrators from suspending students in grades 4-8 for "willful defiance." With his signature, the governor is acknowledging the overuse of school suspensions for minor or subjective reasons as well as chool suspensions' role in the crisis of school pushout among students of color. "Willful defiance is an undefined provision of the state education code that accounts for 16% of out of school suspensions statewide. Black students are much more likely than their white peers to be suspended for disruption or defiance for the same offenses, causing them to miss critical learning time and opportunities to grow. Disabled students and students experiencing trauma are also more likely to be suspended," said Ross. "Punitive discipline doesn't work. Research shows that suspended students are often pushed into dropping out of school and are more likely to be locked up in youth prisons. We need to put student's health and academic outcomes first. Following the success of 2014 legislation

that prevented more than 15,000 suspensions of K-3 students in the '14-'15 school year alone, SB 419 will help even more students benefit from research-based discipline practices that keep them in the classroom, create a welcoming school culture, improve behavior, and build resilience.

During the 2017-18 school year, more than 20,000 students in grades four through eight were suspended for defiance or disruption. While this bill ensures

"Across California, there is growing momentum to prioritize supportive, healing alternatives to suspensions in schools including restorative practices, positive behavioral intervention, and social emotional learning. This legislation would not have been possible without the tireless work of students and community leaders who fought to protect the education of students of color. We appreciate Gov. # Alzheimer's Association Honors Life of Biba Caggiano

### By Michele Boudreau, Alzheimer's Association

**SACRAMENTO REGION, CA (MPG)** - The Alzheimer's Association was saddened to learn of the passing of Biba Caggiano, the woman who is credited with sparking the culinary reinvention of Sacramento. She wrote cookbooks, hosted television cooking segments, and established one of the most well-loved restaurants in Sacramento, Biba.

Ms. Caggiano was living with Alzheimer's disease in the later years of her life, and was often seen at her namesake restaurant even as her cognitive health declined.

"Biba epitomized the idea of living your best life in the face of an Alzheimer's diagnosis," said David Pisani, Regional Director for the Alzheimer's Association in Sacramento. "We honor her spirit, and her ability to proudly engage with her beloved community throughout her storied life." The Alzheimer's Association offers sincere condolences to the Caggiano family. In Biba's memory and on behalf of the 5.7 million Americans living with Alzheimer's, we continue to aggressively pursue greater awareness, support for families and research that will slow, stop and, ultimately, cure Alzheimer's disease.

670,000 Californians are living with Alzheimer's disease, more than 23,000 of them in Sacramento County.

The Alzheimer's Association is the leading voluntary health organization in Alzheimer's care, support and research. It is the largest nonprofit funder of Alzheimer's research. The Association's mission is to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health. Its vision is a world without Alzheimer's. Visit alz.org or call 800.272.3900. ★

# **RANCHO SPORTS** Lancers Look Improved in Loss to Rosemont

### Story by James Darnell

RANCHO CORDOVA, CA (MPG) -Or the tough looking black jerseys. Perhaps it was because it was Friday The 13th and they were feeling more intimidating. Whatever the case, the Cordova Lancers' varsity football team showed more grit than it had all season to this point in a 41-13 loss against visiting Rosemont this past Friday on the Lancers' home field.

The Lancers (0-4) played inspired at the start of the game, as Cordova junior linebacker Tui Sigavata intercepted Wolverines

Masterson on Rosemont's opening possession, energizing the Maybe it was the full moon. Lancers' sideline as they would take over at the 50-yard line. Cordova would cap off a threeminute drive with senior signal caller Joey Estrada finding junior receiver James Feao on a screen pass that would go 15 yards to the house for the first points of the game, and the first points of the season for the Lancers. Cordova, who has been almost exclusively a run-heavy offense so far this season, came out throwing in an attempt to mix things up.

"We have to get people to stop

(4-0) senior quarterback Kyle loading the box on us," Lancers' head coach Jason Bumbaca said. "People are starting to load the box because we're a run heavy team. We have a quarterback who can throw the ball a little bit and have some athletes out wide, so we're trying to get them the ball. Throwing a quick hitch or a screen is just as good as a run."

Rosemont would counter with two straight scores of their own to take a 14-7 halftime lead, and would ultimately cease the momentum for the duration of the contest. Cordova would again make it a one score game in the third quarter after senior tailback Brandon Gray leaped

for a one-yard scoring plunge, shortening the Wolverines' lead to 20-13 after they had scored on their opening possession in the second half. From there however it was all Rosemont, as they would score 21 unanswered points to earn the victory.

Rosemont was led by Masterson, who went 16-of-24 for 201 yards, three touchdowns and two interceptions. As a team, the Wolverines rushed for 198 yards, including 13 carries for 92 yards from senior Zion Gedeon. Senior receiver DeMarco Brodnax was Masterson's favorite target on the night, hauling in 7:15 p.m.

over the top of his offensive line eight receptions for 106 yards and two scores, and also recovered a fumble in the first half that he would run in for another touchdown.

> Cordova's passing attack was all about the connection between Estrada and Feao, as all six of Estrada's completions in the contest went to Feao for 117 yards and the first quarter touchdown. Gray, in addition to his scoring run, would tote the rock 12 times for 51 yards in a solid outing.

### Ron Richardson, Folsom Lake College

RANCHO CORDOVA, CA (MPG) - The Falcons opened at the Butte Classic Tournament on Friday afternoon against Ohlone College and swept the Renegades in three sets, 25-23, 25-22, 25-17. While the sets scores were close, the Falcons were playing without 2018 Big 8 Conference kills leader Caitlin Dillon. In her absence, sophomore Yasmine Sowell-Scott stepped up to lead the team with 11 kills and assisted on 2 blocks. Freshman Julin Kenison had a big game, recording 9 kills, 2 blocks, and 12 digs, while sophomore Kaitlin Bullock was everywhere, tallying 8 kills, 8

digs, and 3 service aces.

In their second match, the Falcons promptly fell behind host Butte College by losing the first two sets (23-25, 20-25) before finding their mojo and taking the next three sets going away, 25-22, 25-14, and 15-5. Caitlin Dillon returned to the lineup and was a force all over the court, recording 13 kills, 12 digs, 2 blocks, and 5 service aces. Sophomore setter Kennedy Crawford had a monster game as well with 48 assists, 9 kills, and 8 digs. The Falcons improved their early season record to 6-1 and climbed six spots in the state rankings to #10. They will open Big 8 Conference play on Friday evening against defending state champion American River (4-5). \*

# Men's Soccer **Musters Two Draws**

### Ron Richardson, Folsom Lake College

RANCHO CORDOVA, CA (MPG) - The men's soccer also played at Las Positas on Friday, where they struggled to a 1-1 tie against the Hawks. The Falcons' only goal came from Dylan Huft early in the second half after a foul against Adam Ratto. Then midway through the half, the Hawks answered back with a counter to tie the score at 1-1. The two teams deadlocked for the remainder of the match with neither able to punch in the winner. Falcon midfielder Omar Ramirez earned "Man of the Match" for his intensity and effort on both sides of the ball.

On Saturday, the Falcons continued their road trip with an afternoon match at De Anza College in Cupertino.

The Falcons were on fire to open the match, but had the misfortune of hitting the post three times while netting a goal just once - by Abraham Iniguez and went to halftime with a 1-0 lead. Confident that more chances would come their way, the Falcons were shocked when the Dons managed two goals early in the second half for a 2-1 lead. For 25 minutes, the Falcons chased the ball trying for the tying goal, and finally got it in the final seconds of the match when Iniguez crossed to Tanner Boyea, who scored with a high-flying header to make it 2-2. Immediately after, the ref blew the whistle indicated the end of the match. The Falcons' record now stands at 4-0-2; they'll put that on the line on Tuesday afternoon against Taft College (2-2) at 4:00 pm at Falcon Stadium. ★

## Women's Soccer Stuns Las Positas With Late Goal

### Ron Richardson, Folsom Lake College

RANCHO CORDOVA, CA (MPG) - The Falcons traveled to Livermore on Friday and came home with a stunning 2-1 victory over Las Positas College. The Falcons fell behind in the first half in the first half! Early in

when the host Hawks took the second half, Falcon advantage of a rare miscue by Falcon goalkeeper Hunter Casperson for a 1-0 lead. Meanwhile, the Falcon offense was creating shots with regularity but couldn't get one past the Hawks' goalie, who recorded 11 saves

defender Hayley Semkiw stole a pass and bent a shot to the far post for the tying goal. The teams dueled throughout the half with neither able to break the tie until Michaela Clark sent a hard driver from 30 yards out in stoppage time for the 2-1 Falcon victory.  $\bigstar$

with her dachshund, Dixie, on her lap.

Oldest of three siblings, Wiltscire passes the time by reading and doing puzzles. She attributes reaching 100 to taking care of herself, and to genetics. "Both our parents were almost 100 years old when they passed away," Wiltscire said. "And I have Dixie, my baby. She's a good little one." Meals on Wheels also may provide food, called Ani-Meals, for participants' pets. This ensures that participants will not need to feed pets from their own meals.

Another of Quinn's deliveries was June Merowitz, 92. She said she has been receiving the hot meals for considerably more than a year. "That way I don't have to cook it myself, they bring it to me," Merowitz said. "I sit down and eat it and that's my main meal for the day. The food is delightful, the people who serve it are delightful, so I have nothing but compliments for it."

For seniors who are able to travel to senior centers, the All Seasons Café is open for lunch at 11:30 a.m., Monday through Friday, at the Neil Orchard Senior Center, 3480 Routier Rd. in Sacramento – phone (916) 366-3133. The Mission Oaks Community Center, 4701 Gibbons Dr., Carmichael, also has a café with weekday meals at 11:40 a.m.; phone (916) 359-1192. Everyone over 60 can receive a hot lunch at no fee, but must call in advance to ensure there will be enough meals.

"We always need volunteer drivers, especially since many volunteer drivers only drive once a week." Roberts said. "They are the direct contact between isolated seniors and the program. In addition to delivering nutritious meals, they can meet and socialize with seniors, brightening their day and helping them feel connected to their communities." Volunteer drivers drive their own vehicles and receive mileage reimbursement. For more information on volunteering, please contact Volunteer Services Specialist Victoria Cristobal at (916) 444-9533 or email volunteer@mowsac.org

# **A Legislative Sneak Attack**

### Commentary by Grassfire

A legislative SNEAK ATTACK is under way designed to pass the Equality Act in a piecemeal manner – with no public religious freedom as nothing more than an accountability.

With the main bill being held up in the Senate, Democrats are advancing the essence of the Equality Act which effectively criminalizes Christianity through multiple bills.

By embedding key components of the Equality Act in several pieces of mustpass legislation, the main points of the Act could soon become law. These bills could impact churches, religious organizations, and Christian schools - and anyone who dares to stand for traditional ideals of male and female. Here are some of the bills being used in this

SNEAK ATTACK strategy:

- Do No Harm Act (HR 1450) which guts the Religious Freedom Restoration Act (RFRA) in favor of protections for LGBT individuals
- Refund Equality Act (HR 3234, S 1564) which funnels millions to same-sex couples
- Customer Non-Discrimination Act (HR 2587) makes every public restroom open to same-sex or transgender individuals, while also gutting RFRA
- Stronger Abuse Prevention And Treatment Act (HR 2480) which guts parental rights and empowers adolescents to choose and pursue their gender without parental knowledge or consent.

### These bills specifically undermine religious liberties!

These SNEAK ATTACK bills follow a similar pattern to the full Equality Act legislation -- they specifically target people of faith and gut the Religious Freedom Restoration Act. By doing so, they put people of faith at risk by removing any religious exemption as it relates

to issues of sexual orientation or gender identity (SOGI) the workplace, the school, and public places.

The ACLU has gone so far as to equate excuse to discriminate. They say religious exemptions are being "used to license discrimination." This is outrageous.

To date, these SNEAK ATTACK bills have received almost no media coverage. But many of the sneak attack items have been attached to "must-pass" legislation and thus will slip through unaware unless citizens take action! Sneak Attack gives men the right to women's bathrooms

The Customer Non-Discrimination Act is particularly pernicious in that it amends the Civil Rights Act to include "sexual orientation" and "gender identity." As the LGBT organization Human Rights Campaign explains, this bill goes even further by redefining "public spaces" to include "retail stores, services such as banks and legal services, healthcare providers, and transportation services." Basically, every public space bathroom would be open to transgendered individuals, and healthcare providers would be required to comply.

There has been almost NO media coverage of these SNEAK ATTACK bills that effectively implement the Equality Act in piecemeal fashion. It's up to citizens like vou to sound the alarm.
