## Affording the Affordable

*61% of Renters Unable to Afford Modest Two-Bedroom Apartment*

The housing bubble burst and the ensuing foreclosure crisis have not made housing more affordable to lower-income households. . One million low- income households in California do not have access to an affordable home, and not one county or legislative district in the state has an adequate supply of homes affordable to extremely low-income households.

**SACRAMENTO REGION, CA (MPG)** - A new report released today finds that the typical renter in California earns nearly 30% less than what is required to rent a modest, two-bedroom apartment.

The typical renter in California earns \$18.50 an hour, which is \$7.54 less than the \$26.04 hourly wage needed to afford a modest unit at Fair Market Rent.

\$26.04 is California's 2014 Housing Wage, revealed in *Out of Reach 2014*, a report jointly released by the National Low Income

Housing Coalition, a Washington, DC-based research and advocacy organization, and Housing California.

Every year, *Out of Reach* provides this figure, referred to as the Housing Wage, and other housing affordability data for every state, metropolitan area, combined non-metropolitan area, and county in the country.

An estimated 61% of renters in California do not earn enough to afford a two-bedroom apartment at the Fair Market Rent.

"California is short one million affordable

homes for working families. Unless we act to replace the state housing finance tools we've lost as bond funds dried up and redevelopment was eliminated, record-setting rent increases and increased homelessness will be the new normal in California. It's time for action to dedicate a long-term source of state funding to build affordable homes for Californians in need, including families, seniors, veterans, and people with

## American River Parkway to Receive Annual Spring Clean Up

*Volunteers Encouraged  
to Register for Scouring  
of Nine Sites Along  
Riverbank*

**SACRAMENTO, CA (MPG)** -- In concert with Earth Month and for the 9th consecutive year, the American River Parkway Foundation will conduct a spring clean-up on April 5th courtesy of a band of volunteers.

The Parkway's Spring Clean-Up will take place from 9 a.m. to noon Saturday, April 5th. The event is organized by the non-profit American River Parkway Foundation, and will incorporate volunteer groups scouring riverbanks for garbage at nine sites along the American River. Those sites include Discovery Park, Northgate at Highway 160,

Howe Avenue, Paradise Beach, Watt Avenue, Ancil Hoffman Park, River Bend Park, El Manto at Rossmoor Bar, and Sunrise Boulevard.

Each year approximately 8 million people visit the American River Parkway. That is an average of 22,000 visitors daily. With these visitors also come large amounts of litter. Through these annual clean-ups, ARPF volunteers are able to keep the Parkway a beautiful and scenic community treasure. This popular annual event will not only serve to refresh the riverbank's appearance, but by eliminating trash it will help to restore natural habitat for plants and animals and prevent river pollution from foreign toxins.

Due to the extremely low water levels, debris along the dry riverbeds will be easily assessable. Many of these items have been covered with water for the past few years. This is the first of many large-scale volunteer events of the year for ARPF, which exists to "support the preservation and enjoyment of the American River Parkway by fostering environmental education, stewardship and volunteer opportunities" along the 23-mile section of the American River, that begins at the confluence of the Sacramento River and extends east to the Nimbus Fish Hatchery. Cyclists, runners, picnic-goers, water enthusiasts and nature lovers are some of the groups who enjoy the parkway for various recreational activities.

## Get Ready for a Highway 50 Headache

By Jan Dalske

**SACRAMENTO REGION, CA (MPG)** - Caltrans is scheduled to rehabilitate a section of U.S. Highway 50, known as the W/X Viaduct, in 2014. Built in 1968, this section of freeway is comprised of two 2,530 foot-long parallel structures that carry six lanes of traffic over city streets, freight, and light rail lines in downtown Sacramento. These structures have extensive cracking on the deck and are in need of rehabilitation in order to enhance safety, reduce recurring maintenance costs, and increase the life of the concrete decks.

The project broadly includes: 1) Placing a 4-inch concrete deck on top of the existing deck and tying it to the girders 2) Repairing cracks in the existing deck 3) Adding steel column

# Rancho Cordova Staff Member Wins Award

**RANCHO CORDOVA, CA (MPG)** - David Gassaway, Assistant to the City Manager in Rancho Cordova, is the recipient of the prestigious President's Award that is presented annually by the Municipal Management Association of Northern California (MMANC).

The 2013 President, Christina Gilmore who is the Assistant to the Los Gatos Town Manager, said she selected Gassaway because of "his firm commitment to MMANC's mission to grow the next generation of local government leaders and because he brings great enthusiasm, organization, and innovative ideas to everything he does."

During his two-year tenure as Region 3 Chair, Gassaway increased the Region's membership 30 percent, coordinated the Sacramento Legislative Update event, was a member of the Annual Conference Committee, and organized the 2013 Winter Forum. MMANC's members include local government management professionals located throughout the 49 counties of Northern California. It is the oldest and one of the largest organizations of its kind in the nation. ★

# Folsom Cordova Staff Members Shave Heads for Childhood Cancer Research

*From Zak Ford; Folsom Cordova School Board President*

**RANCHO CORDOVA, CA (MGP)** - On March 10, I coordinated a "Folsom Cordova Community" team that shaved our heads to raise money for childhood cancer research at a local St. Baldrick's event. The team consisted of three Cordova High staff members - two teachers (Brian Botsford and Suzanne Borth) and vice principal Jonathan Johnson. It also consisted of a Mather Heights Elementary fourth grader, Pete Muniz, two friends from outside the area, and me.

I had considered participating in a St. Baldrick's event the past couple of years. In late February, I checked into it and noticed that there were a few Rancho Cordova children battling cancer in the Folsom Cordova Unified School District that were St. Baldrick's "honorees" this year. After seeing this, I realized I had to participate this year. I reached out to some district staff members and we created the "Folsom Cordova Community" team. Together, the seven of us raised nearly \$6,000.

We are hoping to put together a bigger team next year and have our own event somewhere within the school district. ★

disabilities," said Sen. Mark DeSaulnier, Chair of the Senate Transportation and Housing Committee and author of the California Homes and Jobs Act. "SB 391 is a critical part of the solution to spur creation of affordable homes and reduce the number of homeless Californians."

Working at the minimum wage in California, a family must have 3.3 wage earners working full-time, or one full-time earner working 130 hours to afford a modest two-bedroom apartment. Even with the upcoming two-part minimum wage increase in California, too many workers will be left without an affordable home.

The national Housing Wage is \$18.92 in 2014. This year, California is the second most-expensive state in the nation for renters.

With the elimination of

redevelopment that provided \$1 billion in state investment for affordable homes each year and the exhaustion of funds from the state's voter-approved housing bonds, California's affordability crisis will only grow worse unless legislators act to identify new sources of state investment.

An important piece of the solution to California's affordable homes crisis is the California Homes and Jobs Act (SB 391), which dedicates investment to public-private partnerships that will build 10,000 safe and affordable single-family homes and apartments each year for Californians in need. This state investment of approximately \$500 million per year would leverage another \$2.79 billion in federal, local, and bank dollars to build affordable rental and for-sale homes for families, seniors, veterans, and people with disabilities. At the same time, this investment would

reduce homelessness, and result in significant savings to taxpayers. SB 391 is a wise investment for all of California, creating 29,000 jobs annually, primarily in the beleaguered construction sector and help businesses attract and retain the talent that fuels California's economy.

The California Homes and Jobs Act is endorsed by more than 600 organizations and hundreds of individuals who know that building homes and creating jobs is a business imperative, a public-safety issue, and critical to helping California's budget live within its means. ★

# Assemblyman Cooley Honors District Attorney Scully with 2014 Woman of the Year Award

SACRAMENTO, CA (MPG) - On March 17th Assemblyman Ken Cooley (D-Rancho Cordova) awarded Sacramento County District Attorney Jan Scully with the California State Assembly's 2014 Woman of the Year Award. Earlier this year, Assemblyman Cooley nominated Scully for the award for her work as Sacramento's chief criminal prosecutor and as a principal victim rights advocate in the region.

"20 years ago, in her first year as Sacramento County District Attorney, Jan was selected as "Woman of the Year" by the late Assemblywoman Barbara Alby. It is a great privilege to honor Jan as Woman of the Year on the Floor of the Assembly again as she closes out two decades of outstanding service to the people of Sacramento," said Cooley.

"Jan has spent her entire life in Sacramento, and has dedicated her career as a prosecutor to putting criminals behind bars and protecting her community," said Cooley. "Her more than 30 years of service has made Sacramento a truly safer place. From prosecuting child abusers and murderers to establishing greater ties with the community, this honor only touches on the outstanding work she has done for us."

After graduating from law school in 1979, Scully began working as a deputy district attorney in Sacramento County. During her career, she supervised various prosecution teams including sexual assault, child abuse, and felony trials. Scully was first elected as the Sacramento County District Attorney in November 1994, and over the past 20 years has led her office in building stronger ties with residents and community leaders, focusing to

help solve quality-of-life issues.

"It is truly an honor to receive this award and I thank Assemblyman Cooley for his nomination and ongoing support of my work as district attorney," said Scully. "I am proud to be among the many women who have broken new ground, forged new paths and served to inspire future women leaders across all sectors and segments of our society."

In 1995, Scully established a Citizens Cabinet, a group of community leaders who advised her on matters of policies and programs. In 2001, she established the District Attorney Multi-Cultural Community Council, with community leaders from the area's diverse ethnic, racial, and cultural communities, to help bridge the gap between their communities and the criminal justice system. In addition, Scully's leadership in community engagement received national

attention for her Community Prosecution Unit's success in working with local coalitions to reduce crime at the neighborhood-level.

"Jan Scully has an outstanding record of putting bad people behind bars and making the results of their actions less grievous for their victims. She has always spent the extra time needed to better work with and engage her community," said Cooley. "She is truly a role model for young women, and us all, to be more thoughtful in our roles as citizens, and act on issues that will make our neighborhoods and community better than they are."

Led by the California Legislative Women's Caucus, the Woman of the Year ceremony highlights the work of woman leaders in California, and continues the importance of recognizing their contributions during Women's History Month. ★

By Bob McGarvey

Actually it seems like spring sprang a little early this year – I think it arrived sometime in January. Winter is usually wet and cold. It rained during the first week of December, the fountain at my house froze right after that, and then the rain stopped for 52 days. Then the weather warmed up and it never really got cold like that December freeze again. We have been fortunate to get some rain again, but I think the plants, trees, and animals were as confused as I was with the weird weather. March 20th was the first day of spring and even though the weather isn't what we are used to at this time of the year (and we have no choice), we might as well be happy with what we have. According to J. Petit Senn, "Happiness is where we find it, but rarely where we seek it."

The American River Parkway is a wonderful part of Rancho Cordova and even though the changing weather has affected the flow of the river and the plant life along the river, the Parkway is only going to be as good and as beautiful as we make it. This year, the Spring Clean-Up will be Saturday, April 5th. Information about the eight sites and the clean-up can

## Spring Has Sprung ...

be found at <http://www.arpf.org>. "Weather" you like it or not, volunteers are the life blood of keeping the American River Parkway clean. There are some who camp along the river and abuse the Parkway with contaminations of many sorts. Think of how all 28 miles of the Parkway would look if the tons of trash weren't picked up by the volunteers. It would be very sad indeed.

In addition to new flowers, new leaves on trees, and the new birth of many animals, spring also seems to bring a continued campaign for candidates for almost all State and Federal offices. I said almost because United States Senators are elected for six years and don't have to campaign as much as the others do. In addition to Senators, when was the last time you heard about a judicial campaign? Some judges are elected for 12 years! For all intents and purposes, all other campaigns have been expanded to two year free-for-alls between candidates of all political parties. That includes the Presidential campaign.

Instead of what seems to be a perpetual political campaign for almost all political offices that you hear about, what if campaigns were limited to two-thirds of the year or three-quarters of the year? I thought about one-half of a year for campaigns, but some candidates are chosen for the November elections in the June primary elections so one-half of a year wouldn't work for them. Now we are talking about all campaigns being limited to the year of the election.

If this would happen, let's see how that could affect some jobs. The President would not have to worry about campaigning for the next six years because they could not be elected for another term. Therefore, the President would have all six years to work and do the job they were hired to do. They would even have the ability to focus on the points and goals that got them elected! Currently, it seems the first two years the President is both learning the job and working; then next two years, they are campaigning. If they are re-elected, they have two years to work and then both work and campaign for their party's next candidate.

Congressmen are elected in November and in January, we start getting emails asking for money for their next campaign – this is the same for California Assembly Members. When the people of California changed the term limits to 12 years for the State Assembly (six two-year terms) and 12 years for the State Senators (three four-year terms), it changed the dynamics of some State offices. We will have to see how that works out, but it may work out better because the elected officials will have time to learn and do their jobs before they are lame ducks. When you think about it, there are very few times at a carnival when there isn't a line of ducks that are targets. Seems to fit doesn't it? ★

From Vice Mayor Bob McGarvey, God bless, and see you next time.

casings for seismic strengthening.4)Improved traffic operations throughout the project area. The service life of the structure decks will be extended to about 20 years, which will significantly reduce maintenance expenditures. The completed project will also provide widening at the shoulders, new joint seals, new concrete barriers and railings, energy-efficient lighting standards, and enhanced safety. Project Schedule: The project is broadly organized into two Stages: Stage 1 – May 2 – 22, 2014: Eastbound Highway 50 Stage 2 – May 28 – June 17, 2014: Westbound Highway 50. Two-way traffic will flow on the opposite side of the roadwork.

The following ramp closures will occur: Stage 1: 11th Street On-Ramp, 16th Street On-Ramp, Southbound Highway 99 connector ramp from eastbound Highway 50, Eastbound Business 80 connector ramp from eastbound Highway 50, Stage 2: 16th Street Off-Ramp, 10th Street Off-Ramp, Connector Ramp from westbound Business 80 to westbound Highway 50, Connector Ramp from northbound Highway 99 to westbound Highway 50.

Here is some key information: Where is the work happening? The closure will take place in Sacramento on the elevated section of U.S. Highway 50 known as the W/X Viaduct, south of downtown, between 18th and

There will be significant traffic delays on the Viaduct, as well as on other freeways and roadways serving the Sacramento area. Plan your commute route now using the alternate route maps to avoid confusion when the project starts.

24th Streets. When does the project start? Traffic-interfering work on the project will occur in two stages: •Stage 1: May 2 – 22 (Eastbound US Highway 50) •Stage 2: May 28 – June 17 (Westbound US Highway 50) Non-traffic interfering work will take place through the spring, summer and fall of 2014.

Will the whole highway be closed? Only one direction of the freeway will be closed at a time. Two-way traffic will be diverted to the westbound lanes of

Highway 50. Alternate routes are available here for maps showing alternate routes and detours to go around the project work. Will the highway be closed at night too? Work will continue 24 hours a day on each side of the highway until it is resurfaced.

Will there be any ramp closures? During Stage 1 (May 2 – 22), the following ramps will be closed: •11th Street On-Ramp •16th Street On-Ramp •Connector ramp from eastbound Highway 50 to southbound

Highway 99 •Connector ramp from eastbound Highway 50 to eastbound Business 80.

During Stage 2, the following ramps will be closed: •16th Street Off-Ramp •10th Street Off-Ramp •Connector ramp from westbound Business 80 to westbound Highway 50 •Connector Ramp from northbound Highway 99 to westbound Highway 50.

Why is this project happening? Age and heavy use have caused

extensive wear and cracking. The roadbed, which was built in 1968, needs to be completely resurfaced in order to reduce recurring maintenance costs, and increase the life of the concrete deck. The existing highway deck will be sealed with a protective coat to minimize future cracking and a new four-inch thick slab of concrete will be applied and secured to the girders.

What impact will this project have on traffic? There will be significant traffic delays on the Viaduct, as well as on other freeways and roadways serving the Sacramento area. Plan your commute route now using the alternate route maps to avoid confusion when the project starts. Commuters can help to reduce traffic congestion by temporarily changing work schedules to avoid rush hour, carpooling, reducing unnecessary trips, and using other forms of transportation such as biking, walking, or Sacramento Regional Transit (Light Rail and bus) system.

Is the W/X Viaduct structure safe? The W/X Viaduct is safe to drive on. There are no structural problems — only the top surface deck needs work to be resurfaced. Although there are no safety problems with the Viaduct, the completed project will also enhance future safety and traffic operations by creating wider shoulders and installing new joint seals, new concrete

barriers and railings, new energy efficient lighting standards, and steel column casings for seismic strengthening.

Will there be construction during the State Fair? No – there will be no closure during the month of July.

Will there be closures over Memorial Day Weekend? The highway will be open over Memorial Day Weekend. Work on the eastbound side is scheduled to be completed by May 22nd, before the Memorial Day Weekend. Westbound work will resume after the weekend, on May 28th.

What is the easiest way to get updates about the project? Sign up for news updates about the project. •Facebook: [www.facebook.com/Fix50WX](#) •Twitter: [@Fix\\_50](#)

What does the non-traffic interfering work include? Some work will take place underneath the viaduct to strengthen the supporting columns for earthquake preparedness. This work will not require any road closures.

What will Highway 50 look like after the closure? The existing highway deck will be sealed with a protective coat to minimize future cracking and a new four-inch thick slab of concrete will be applied and secured to the structure. The completed project will include wider shoulders, new joint seals, new concrete barriers and railing, new energy-efficient lighting, and steel column casings for seismic strengthening. ★

Slim Randles' HOME COUNTRY

The Grinding and Filling of Fang for Fun and Profit

In less than a minute, Dr. O'Dontal had Herb seated, numbed, and ready for work. Herb's labored breathing had returned to normal, even if his speech patterns hadn't.

"At what o' the clock did the infliction attack, good sirrah?"

"Lfft'ent mmst," said Herb.

"You should've used the phone to let me know, Herb. Oh, that's right. What was I thinking?"

Well, you're here now, let's see what we can do."

"Wonk oo."

"You're welcome. Open wide. Little more. Cast open the gates, Leander! Let us gaze upon the source of woe!"

Perry worked his way through dental school as a Shakespearean actor, and didn't make it out of there unfazed.

"Aha, brothers of mine on this field of battle today, I glimpse with fearful eye the seat of our alarm. It's a tooth, by Cuspid!"

Perry dove into the fray with drill and pick. Snicker-snick! GRRRR and fill. Rinse and spit.

"And so, Leander, take these, the pills that weave up the raveled sleeve of pain. Do so in remembrance of this day, this meeting, this sceptered isle of dental chair. Those who weren't here with us this day will forever cast envious eyes upon us, for they will say this was our finest hour, the culmination of drill and yawn ... the grinding and filling of fang for fun and profit.

Arise, sweet prince, and fulfill your destiny!"

It's almost worth getting a toothache.

SCOE Accepting Entries for \$500 Scholarship Program

WE SUPPORT OUR MILITARY

SACRAMENTO COUNTY, CA (MPG) - The Sacramento County Office of Education (SCOE) is accepting submissions for an essay contest designed to honor local military veterans. The winning high school student will receive a \$500 college scholarship courtesy of SAFE Credit Union.

Every year, SCOE honors the many contributions of local veterans who left high school to serve in the U.S. military during World War II, the Korean

War or the Vietnam War through the Operation Recognition program. Qualifying veterans who received an honorable discharge may contact SCOE to receive their high school diplomas. Diplomas are also presented to Japanese American citizens who were forced to leave high school due to WW II internment.

The 2014 Operation Recognition Scholarship essay theme is "How Our Veterans Exemplify Courage and Sacrifice."

Contestants must be high school juniors or seniors who are currently attending public high schools in Sacramento County. The completed 500 word essay, with a cover letter, must be received by the Sacramento County Office of Education by April 25, 2014.

Essays will be judged on how well the student understood,

developed and presented the theme. The winning entrant must be able to attend the Operation Recognition diploma ceremony at 6:30 p.m. on May 20, 2014 to read his or her essay, join in honoring the diploma recipients, and receive the scholarship award from a SAFE Credit Union representative.

# CORDOVA HIGH SCHOOL SPORTS

## Girls Softball Opens 49th Season

By Rod Borba

**RANCHO CORDOVA, CA (MPG)** - Last Saturday, Cordova Girls Softball opened their 49th season to a large crowd of player, parents and grand parents at their home of Mills Middle School. A crowd of about 1000 people enjoyed a perfect day and opening ceremonies which included a parade and ended with a group picture of the whole league.

In the morning light the dew and fog rose from the ground as the first families arrived to ready for the big day. Supporters and families rallied as the teams lined up for that parade, anticipating the smiles of the young ladies, some experienced, many trying the sport for the first day. One tball Mom Anne allen said,” Kami had a blast!!!! She had over 25 people out to support her”. Memories are made everyday at girls softball.

Cordova Girls Softball, celebrating its 49th season, represents the community of Anatolia, Gold River, Sun River, Rancho Cordova, Mather, Stone Creek and Lincoln Village. This season with 21 teams the league is the nearly the largest the league as ever registered. Also as an ASA league, Cordova is home to the Cordova Fury program which currently has two 16U team.

On this day all teams played and cheered as they started the season. The air at the fields were full of cheering

girls and fans mix with the smell of the outstanding snack bar. During the opening ceremonies many tributes were made to outstanding players and fundraising efforts. The Oakland Raiderettes presented a check to Cordova Girls softball for \$12,000 for their effort in selling over 800 tickets to games. This is a program sponsored by the Raiders to allow organization to fundraise. Rod Borba, league President announced that Cordova is the number one group selling tickets.

Also in the ceremony, the league, recognized and awarded Renee Cho for her 2013 achievement of being 3rd

in the nation for MLB Hit, Pitch and Run and receiving an all expenses trip to New York City to last years MLB All Star game to compete. This year Cordova softball recognized 4 girls with a plaque for being in the league for 10 years, Mya Fields, Peyton Cardoza, Madelkine Cariveau, Kai’lee Cole. All these girls plus the Mayor of Rancho Cordova, Dan Skoglund delivered the first pitch and started our countdown to our 50th season. Have fun was the theme of the day and that they did. ★

## Lancer Baseball Looking for Improvement

By Mike Bush

**RANCHO CORDOVA, CA (MPG)** - Seven seniors highlight this year’s Cordova High School

Lancer head coach Guy Anderson, entering his 42nd pitcher/infielder Trevor Tipton, second baseman/outfielder Jeremy Lindquist, pitcher/outfielder Tylor Myers, outfielder Ian Covey, first baseman/outfielder Nigel Robinson, pitcher/third baseman/catcher Zackary Tapia, infielder Dominic Gentry and outfielder Jerome Brown returning for their final season.

“We’ve got a good shortstop in Gentry,” said Anderson of Gentry, who batted .340 Tipton has proven to be versatile on the hill and playing the middle of the infield at second base and shortstop, Anderson notes.

“Trevor is doing a good job,” said Anderson of Tipton.

Gentry and Tapia are the Lancers’ team captains who can also play in the infield and outfield. Brown batted .341 last season.

Riley Robson, who started as a sophomore last season, returns as one of the Lancers’ pitchers and second base. Robson batted .340 last season for Cordova, which went 5-10 in the Capital Athletic League and 12-14-1 overall.

Another returning player who started as a sophomore last season is James Nixon, who batted .500 last season.

Jarrett Harris also returns to this year’s team. Now a sophomore, Harris was promoted as a freshman to the varsity Lancers last season.

Add in a mixture of juniors, plus two underclassmen on the roster, and Cordova is looking

for improvement, and compete, in the tough CAL. The Lancers are jellying, and Anderson feels it’s going to take one game at a time.

“We’re still young,” said Anderson, whose team is 3-4. “The first part of the year is taking and see who can play. I’m real pleased with the progress of the team.”

Two underclassmen on the team is sophomore pitcher/third baseman Jarrett Harris and freshman catcher/infielder Logan Appino, who has started behind the dish for most of the Lancers’ games this season.

“I’ve got some guys whose dads have played for me before,” said Anderson, who is three games shy of winning his 900th getting spirited, which is what I was looking for, getting a little bit more energy.”

Cordova enters its final season into the CAL for baseball and all sports. When the 2014-14 school year starts in August, Cordova returns to the Sierra Valley Conference, which is now Division IV. When the Lancers were in the SVC from 1996 to 2010, it was D-II.

But Anderson is thinking about this season. He feels the Lancers’ pre-season schedule will have them ready for CAL action, which starts today – Friday – at Mira Loma. Cordova plays its first CAL home game on Monday against Rio Americano, and Wednesday host El Camino. All games are scheduled to start at 4 career varsity win. “Overall, they are getting spirited, which is what I was looking for, getting a little bit more energy.” Cordova enters its final season into the CAL for baseball and all sports.

In a March 21 non-league game at the Lancers’ field, Cordova had five hits, but Appino went 2-for-3 with a double and an RBI. Robinson, Tapia and Robson had a hit each. Brown had four stolen bases in the game.

### Christian Brothers 6, Cordova 4 (10 innings)

On March 18, also a home game, the Lancers tied the game in the bottom of the sixth. Neither team scored in the seven to send the game into extra innings tied at The Falcons scored two runs in the top of the 10th scoreless in the bottom of the frame to secure the win.

Robson carried the load for Cordova in this game. He pitched eight innings, striking out four Falcon batters.

At the plate, Robson went 4-for-5 with a double and two RBIs. Tipton went 3-for-4 with an RBI, and Tapia was 2-for-5.

Robinson, Appino, Gentry, Brown and Brandon Buck had a hit each for the Lancers, who had 14 hits in the game. ★
