# Low and Slow, With Passion

By Alona Thomas

**RANCHO CORDOVA, CA (MPG)** - Mark Barros, a longtime resident of Rancho Cordova, is a gregarious, engaging gentleman with a mission in life, to spread the word about

real Barbeque. After a devastating loss in his family, his wife Kathy felt he needed to have an activity to help him heal. She brought home a Weber BBQ cookbook and as they say, the rest is history. He immediately found his outlet and now has

five BBQs in his backyard and working on adding more.

The last eight years he has studied all the different styles. He has trained and schooled to become a certified judge of grilling and barbeque.

As an Environmental Specialist for the University of California, he says BBQ is his hobby, but his unbridled enthusiasm makes him a true ambassador of the

# Rancho Cordova Responds to New State Law on Plumbing Fixtures

**RANCHO CORDOVA, CA (MPG)** - The City of Rancho Cordova is being required to inspect interior plumbing fixtures due to California Senate Bill 407 (2009) that took effect on January 1, 2014.

California Senate Bill 407 applies to property owners of single-family homes built before 1994 that have a building permit for an interior addition, alteration, or improvement, multi-family properties, and commercial properties. This law requires property owners to install plumbing fixtures that conserve water, such as toilets, faucets, and shower heads. The deadlines to install the plumbing fixtures are scheduled over the next five years.

"It is difficult for an average citizen to keep up with all new state and federal laws and mandates," said Chief Building Official Cyrus Abhar. "We do

our best to guide our customers to navigate their way through the maze of new regulations."

### What plumbing fixtures must be replaced?

1. Any toilet manufactured to use more than 1.6 gallons of water per flush.
2. Any urinal manufactured to use more than one gallon of water per flush.
3. Any showerhead manufactured to have a flow capacity of more than 2.5 gallons of water per minute.
4. Any interior faucet that emits more than 2.2 gallons of water per minute.

### Single-Family Home Guidelines

The bill applies to all single-family homes built before 1994 in Rancho Cordova. As of January 1, 2014, all plumbing fixtures that do not conserve

water in these homes must be replaced when a property owner has a building permit for an interior addition, alteration, or improvement.

Rancho Cordova's Building and Safety Division will inspect interior plumbing fixtures when these projects are completed. Property owners have two options during this inspection:

1. The City can inspect all interior plumbing fixtures in the home; or,
2. The City can inspect interior plumbing fixtures only in the project area, such as a sink in a kitchen remodel. However, the property owner will have to sign a "Self-Certification of Compliance." This document says that all interior plumbing fixtures in the home, including those that weren't inspected by the City, conserve water.

All other single-family homes

built before 1994 in Rancho Cordova must install plumbing fixtures that conserve water by January 1, 2017.

Also after January 1, 2017, a seller must disclose in writing to the prospective purchaser if the property has plumbing fixtures that don't conserve water.

### Multi-Family and Commercial Guidelines

As of January 1, 2014, multi-family and commercial properties that have a building permit and meet certain project requirements, such as total construction is more than \$150,000, must replace all plumbing fixtures that do not conserve water. Visit [SB407.CityOfRanchoCordova.org](http://SB407.CityOfRanchoCordova.org) to view the additional requirements.

Rancho Cordova's Building and Safety Division will inspect interior plumbing fixtures when these projects are completed.

All other multi-family and commercial properties in Rancho Cordova must install plumbing fixtures that conserve water by January 1, 2019.

Also after January 1, 2019, a seller must disclose in writing to the prospective purchaser if the property has plumbing fixtures that don't conserve water.

### How will this affect me?

All plumbing fixtures that do not conserve water need to be replaced by the property owner. Once the water-conserving plumbing fixtures are installed, the City building inspector will finalize the permit.

For further information or questions, please visit [SB407.CityOfRanchoCordova.org](http://SB407.CityOfRanchoCordova.org) or contact the Building and Safety Division at (916) 851-8760. ★

# Bob Marks; Low and Slow, With Passion

Continued from Page 1

art. He calls his love, Gunsmoke Barbeque. A couple of months ago I got to be a part of his creative efforts.

The first course was grilled shrimp with Mark's own cilantro oil and capers sauce. As he prepared the dish he shared his hard earned knowledge. His tool

of choice is the Weber Smoky Mountain. This combination of grill and smoker is designed to

be versatile. It has a temperature gauge which is monitored throughout the cooking process and always kept between 225 to 250 degrees. Mark is adamant about the temperature. He recommends keeping a diary of each cooking adventure to use for a reference in the future.

He prepared the smoker using Kingsford 100% charcoal avail-

even cooking. When the coals are ready he spreads them using welding gloves. His tools of choice are fireplace grade implements. Timers are set at each station, he risks nothing. He

prefers cherry wood for ribs, brisket and pork shoulder. These meats are cooked indirectly at the low temp very slowly. The tri tip was perfect in 20 minutes and served with an avocado

dipping sauce. He loves creating sauces and has found that he now enjoys the Latin influences for barbeque. Grilled Green beans that had been blanched marinated with garlic olive oil, lemon

and herbs accompanied this terrific dinner.

Mark agrees that true barbeque is labor intensive. For him it is not only a hobby, but a sport and a time to meditate. His wife is his mentor and he gives her the credit for teaching him the basics but encouraging experimentation.

This year he organized Rockin' Ribs at the Rancho Cordova Moose Lodge. This first time effort had 10 teams competing, with an attendance of 200 people including city officials. It was a real community event and he is making plans for next year to make it even better. They are called grill jockeys and pit bosses and they are passionate about their calling. Mark is a member of this special group and we are lucky that he is in our 'hood. Alona's hobby is food and all the fun it brings. This includes discovering foodie gems, sharing travel adventures and pleasurable times. Contact grcommunity-foodie@gmail.com

## Union Gospel Mission Sacramento

For more than 50 years, Union Gospel Mission has been serving Sacramento's homeless with shelter, meals, clothing, a rehabilitation program and a life-changing Gospel message. Founded in 1962 by concerned Christians for men in need, the Mission now serves women and children, too, and is an amazing testament to the good that comes with committed volunteers, inspired leadership and the community's support.

## Do You Suffer From Chronic Pain?

Before Symmetry      After Symmetry

Poor Posture      Equals NO PAIN

**SYMMETRY**

The diagram illustrates the concept of symmetry in posture. It features a central figure of a person standing with arms raised, positioned above the word 'SYMMETRY'. To the left, a large black arrow points left, labeled 'Before Symmetry' and 'Poor Posture'. To the right, a large black arrow points right, labeled 'After Symmetry' and 'Equals NO PAIN'. The entire diagram is set against a background of a blue sky with white clouds.

Harlene, is a beautiful yellow Labrador retriever. Ann Dunn, of Gold River, daughter Jane, adopted Harlene who started out her life as a guide dog for the blind. She was raised and trained by a couple. Apparently, she wouldn't follow too many commands without a treat, because of this she couldn't be a full fledged guide dog. Jane called the Guide Dog for the Blind in San Rafael. They said they had a dog like she wanted and invited Jane to come to see her. Jane brought her entire family to San Rafael where they met Harlene and fell in love with her. Because Harlene was a guide dog it wasn't as easy as just making a trip to the facility and picking her up. The organization sent a representative to Jane's house to check HER out, along with the kids and the entire family. After the rep gave

Jane's family a thumbs up, Harlene had a new home! The kids thought Harlene was kind of an odd name, but Jane's family unanimously decided that Harlene was her name and they wouldn't change it. In fact it had a nice ring with "Queen," so they called her Harlene the Labrador Queen," and she's every bit that! Harlene raced during the annual Snow fest event at Tahoe Donner in Truckee one year. The only reason she didn't get

first place is because a spectator leaned over the fence with a camera to take her picture and like any gregarious yellow Labrador, true to form, she stopped/ hesitated thinking he may have a treat for her. She was second! ★ *Kay Burton is a longtime columnist and supporter of the SSPCA and other rescue groups. To share your family pet story with our readers, email: Kayburton1@comcast.net*

By Bob McGarvey

The City of Rancho Cordova began its ripple 10 years ago. And like any ripple, it multiplied and expanded many times over. The people who live here and work here have given their part in the successes that we have seen. We have been very fortunate in the last few years that our ripple didn't have to turn into a tidal wave like it did for other cities, counties, states, or countries. We have seen our ripple reach out very quickly both locally and across the country. Everything from the International Festival, to Kids Day in the park, to the

**“A Ripple in Our Lives”**  
Children's Museum. Our City is recognized for its accomplishments by the League of California Cities and the National League of Cities. Our City was the first government entity to be recognized by "Fortune Magazine" as one of the best places to work in the United States. We have received the position of number 12 in the top 25 places to work for the past two years. The citizens of the City of Rancho Cordova were hoping (by a 78% vote) for many things when they voted for cityhood in 2002. Since we incorporated on July 1, 2003, many of those hopes have been reached. The ripple effects of that vote will continue longer than any of us can imagine. It will be like the small wave you can see when you toss a rock into still water, or at times it could (like the dictionary says) "sound like water running over a rough surface." It may work out in the future that our children, grandchildren, and great grandchildren will be able to enjoy the result of the ripple that we began in the history of the City of Rancho Cordova. Another ripple effect can be seen in the past, and possibly today. Dennis Rodman is back in North Korea training the national basketball team there, and you may wonder what that has to do with you, me, or the people in North Korea. Probably very little today, but I can remember what a ripple effect playing table tennis had between mainland China and the United States of America back in the 70s. You can always hope that in a few years, there may be another such ripple effect. I hope you all had a very Happy New Year, and that all the waves from the ripples that we will be "riding" in 2014 will be smooth. ★ *From Vice Mayor Bob McGarvey, God bless, and see you next time.*

# Historic Old Sacramento Foundation

## Hiring for Underground Tour Guide Openings

**SACRAMENTO REGION, CA (MPG)**  
- Looking for an interactive, engaging and fun part-time job in 2014? The Historic Old Sacramento Foundation (HOSF) is currently accepting applications for paid tour guide positions for its popular Old Sacramento Underground tour program that will resume in late March or early April 2014 (exact date TBD). In addition to the paid tour guide job openings, volunteer opportunities are available as well.

HOSF is looking to fill a minimum of six paid tour guide positions to staff the coveted Old Sacramento Underground tour program, which will start its fifth consecutive season in 2014. The underground tour program takes visitors into the city's underground and hollow sidewalk areas created when the streets were raised in the 1860s and 1870s due to devastating floods.

All available positions for the underground tours are part-time and include evening and weekend shifts. Applicants with public speaking or theatrical experience, a background in history or prior tour guide experience are strongly encouraged to apply. Interested applicants can review job requirements and/or download an online application at [www.historicoldsac.org](http://www.historicoldsac.org) and resumes can be sent to [tokmcalpin@cityofsacramento.org](mailto:tokmcalpin@cityofsacramento.org). The deadline to submit applications is January 27, 2014. No phone calls please.

The Old Sacramento Underground tour program is offered by the Historic Old Sacramento Foundation in partnership with the City of Sacramento, California State Parks, Old Sacramento Business Association and participating merchants and businesses.

The Historic Old Sacramento Foundation (HOSF) is a 501(c)3 public benefit corporation. Old Sacramento is a living historic district. The mission of HOSF is to convey the importance of historic Sacramento as a place that connects our past to our present and future through engaging and entertaining events, activities and programs. More information is available at [www.historicoldsac.org](http://www.historicoldsac.org)

Department of Toxic Substances Control

December 2013

# Public Notice

The mission of DTSC is to protect California's people and environment from harmful effects of toxic substances through the restoration of contaminated resources, enforcement, regulation and pollution prevention

**EMERGENCY PERMIT  
AMPAC FINE CHEMICALS  
RANCHO CORDOVA, CALIFORNIA  
November 13, 2013 to February 12, 2014**

The Department of Toxic Substances Control (DTSC) has issued an Emergency Permit to AMPAC Fine Chemicals (AMPAC) to store and treat hazardous waste. The hazardous waste to be treated consists of approximately 30 gallons of an intermediate product from the manufacture of a pharmaceutical. AMPAC has determined that the component has the potential to form Diazomethane, a shock sensitive compound, cannot be transported to a hazardous waste disposal site. Treatment will consist of deactivating the hazardous compound on-site. AMPAC has requested an emergency permit for storage, in the event that treatment and disposal is not completed with the allowed 90-day accumulation time.

DTSC requires an Emergency Permit because AMPAC does not have a permit for this type of hazardous waste treatment. It is unsafe to ship these items and there are no alternatives available.

Since this is a high priority threat to human health and the environment, DTSC issued this Emergency Permit to AMPAC effective November 13, 2013 through February 12, 2014. The Emergency Permit includes measures to minimize any adverse impacts to the community and the environment.

**CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA):** DTSC has determined that this Emergency Permit is exempt from the requirements of CEQA under Title 22, CCR, Section 66270.61 (d), actions necessary to prevent or mitigate an emergency. DTSC filed a Notice of Exemption which starts a 45-day time period for any legal challenges to DTSC's CEQA determination for this Emergency Permit.

**NOTICE TO READERS** California law requires that contractors taking jobs that total \$500 or more (labor and/ or materials) be licensed by the Contractors State License Board. State law also requires that contractors include their license numbers on all advertising. Check your contractor's status at [www.cslb.ca.gov](http://www.cslb.ca.gov) or 800-321-CSLB (2752). Unlicensed persons taking jobs that total less than \$500 must state in their advertisements that they are not licensed by the Contractors State License Board.

DISCLAIMER

Be wary of out of area companies. Check with the local Better Business Bureau before you send any money for fees or services. Read and understand any contracts before you sign. Shop around for rates.

SAN JUAN UNIFIED SCHOOL DISTRICT  
NOTICE OF PUBLIC HEARING

PROPOSED EASEMENT FOR PUBLIC UTILITIES

NOTICE IS HEREBY GIVEN that, pursuant to Education Code section 17556, et seq., the Board of Education of the San Juan Unified School District ("Board") has adopted a Resolution of Intent to convey to SMUD, in an exclusive manner, certain property within the La Entrada School site (hereinafter referred to as "Property") for the construction, use, operation and maintenance of underground utility conduits. A public hearing will be held during the regular meeting of the Board on January 14, 2014, at 6:30 p.m. or as soon thereafter as practicable, in the District Administrative Offices located at 3738 Walnut Avenue, Carmichael, California, 95608, on the question of conveyance of the Property. Copies of the Resolution of Intent to Convey Property for Public Utilities and Calling a Public Hearing in Connection Therewith are posted at the Sylvan Oaks Library, the Fair Oaks Library, and on the website.

At the public hearing described above, any interested person may be heard on the matter of conveying the aforementioned Property. At the time and place of the public hearing, if no legal protest is entered, the Board may adopt a resolution by a two-thirds vote of its members authorizing and directing the execution of a Grant Deed conveying the Property to SMUD.

NOTICE OF PUBLIC HEARING

RE: Establishment of Community Facilities District  
CORDOVA RECREATION AND PARK DISTRICT  
Community Facilities District No. 2014-01  
(Montelena)

Notice is hereby given that, on November 20, 2013, the Board of Directors (the “Board of Directors”) of the Cordova Recreation and Park District (the “District”) adopted its “ Resolution of the Board of Directors of the Cordova Recreation and Park District of Intention To Establish Community Facilities District” (the “Resolution of Intention”), in which it declared its intention to establish “Cordova Recreation and Park District Community Facilities District No. 2014-01 (Montelena)” (the “CFD”) under the Mello-Roos Community Facilities Act of 1982, constituting Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing at Section 53311, of the California Government Code (the “Act”). Under the Act and the Resolution of Intention, the Board of Directors gives notice as follows:

1. The text of the Resolution of Intention, with Exhibits A and B thereto, as adopted by the Board of Directors, is on file with Clerk of the Board and reference is made thereto for the particular provisions thereof. The text of the Resolution of Intention is summarized as follows:

a. Under the Act, the Board of Directors is undertaking proceedings for the establishment of the CFD, the boundaries of which are shown on a map on file with the Clerk of the Board.

b. The purpose of the CFD is to provide for the financing of the municipal services (the “Services”) as more fully described in the Resolution of Intention and Exhibit A thereto.

c. The method of financing the Services is through the imposition and levy of a special tax (the “Special Tax”) to be apportioned on the properties in the CFD under the rate and method of apportionment described in the Resolution of Intention and Exhibit B thereto. The Special Tax requires the approval of two-thirds of landowner votes voted at a special election called for that purpose by the Board of Directors, with each landowner having one vote for each acre or portion of acre such owner owns in the CFD.

d. The Resolution of Intention directed the preparation of a CFD Report that shows the Services by type that are required to adequately meet the needs of the CFD and the estimated costs of the Services. The CFD Report will be made a permanent part of the record of the public hearing specified below. Reference is made to the CFD Report as filed with the Clerk.

e. As set forth below, the Board of Directors will hold a public hearing on the establishment of the CFD with its Services and Special Tax.

2. The time and place established under the Resolution of Intention for the public hearing required under the Act are Wednesday, January 15, 2014, at 6:30 p.m. or as soon as possible thereafter, in the Board Chambers, 2729 Prospect Park Drive, Rancho Cordova, California.

3. At the hearing, the testimony of all interested persons or taxpayers for or against the establishment of the CFD, the extent of the CFD or the furnishing of the specified Services will be heard. Any person interested may file a protest in writing as provided in Section 53323 of the Act. If 50% or more of the registered voters, or six registered voters, whichever is more, residing in the territory proposed to be included in the CFD, or the owners of one-half or more of the area of land in the territory proposed to be included in the CFD and not exempt from the special tax, file written protests against the establishment of the CFD and the protests are not withdrawn to reduce the value of the protests to less than a majority, the Board of Directors shall take no further action to create the CFD or levy the special taxes for a period of one year from the date of decision of the Board of Directors, and if the majority protests of the registered voters or landowners are only against the furnishing of a type or types of Services within the CFD, or against levying a specified special tax, those types of Services or the specified special tax will be eliminated from the proceedings to form the CFD.

4. The proposed voting procedure shall be by special mail or hand-delivered ballot to the property owners within the territory proposed to be included in the CFD.

Dated: as of November 20, 2013

SPECIAL ADVERTORIAL

U.S. residents set to get new infrared heaters to save up to 50% on heating bills for only \$159 and free shipping

Compared to the Suggested Retail Price of \$399.95 this is a great opportunity for our residents to own one of the highest quality, energy saving, cool-to-the-touch, portable infrared heaters available today, and stop spending a fortune on heating bills. The first 785 callers who beat the 48-hour deadline are getting these money saving portable infrared heaters.

■Simply Plug it in: Saving money on heating bills is very easy with an iHeater infrared heater. Today's distribution is intended to help those in need of keeping warm this winter without spending too much on heating bills.

If you or a loved one has difficulty paying for heating bills, then this distribution of brand new portable infrared heaters is your chance to make life a little easier. These infrared heaters warm the room evenly and efficiently without drying out the air. They never get hot to the touch, like other heaters, so they are safe for pets and children.

These revolutionary infrared heaters are changing the lives for many that find it difficult to pay for the high cost of heating a home. Infrared heat warms in a way similar to the warmth we feel from the sun, it's been described by many as “bone warming” heat. It is completely safe and does not deplete oxygen from the air, which would make you tired, nor dry out the air, which irritates your skin. The iHeater brand is said to be the most sought after brand of infrared heaters. iHeaters have been selling strong for many years, they have in-house customer service located in Indianapolis, Indiana. The iHeater infrared heating elements are backed by a lifetime warranty and don't burn out, like other low-end brands of infrared heaters that use bulbs.

Similar infrared heaters of this quality are expensive, the suggested retail on this unit is \$399.95, but state residents are being urged to call the Toll Free hotline listed below because the first 785 callers who beat the 48-hour deadline will be able to claim one of these infrared iHeaters and have it delivered directly to their door for only \$159 and the shipping is free. This is an extraordinary opportunity for those in need of help on winter heating bills. “We're preparing ourselves for all the calls because a program like this, for a new infrared heater of this quality, has never been released before. So if the lines are busy, keep trying. We'll answer every call in the order they are received” Brinkman said.

Call toll free:

1-800-921-5970

The Toll Free Distribution Hotlines open at 9:00 am this morning for US residents only. You must be one of the first 785 callers who beat the 48-hour deadline to have your infrared heater delivered to your door for only \$159 and free shipping. ( suggested retail: \$399.95 )

# The First Tee of Greater Sacramento's Golf Hall of Fame Names 2013 Inductees

**SACRAMENTO, CA (MPG)** - Two-time LPGA Tour winner Barbara Romack, Bing Maloney Head Golf Professional Elliott “Bus” Pendleton, “Mother of Sacramento Junior Golf” Irene Kaminsky and Sacramento Bee golf writer Ed Burt are this year’s First Tee of Greater Sacramento Golf Hall of Fame inductees.

The First Tee of Greater Sacramento Golf Hall of Fame recognizes those individuals who have had an everlasting impact on the landscape of golf in and around Sacramento. Tour players, club professionals, media personnel, great amateur players and volunteers make up this unique list. Former inductees include Bob Eastwood, Al Geiberger, Scott McCarron, Kevin Sutherland, Natalie Gulbis and over two dozen more.

Barbara Romack not only has one of the most illustrious amateur careers in the history of women’s golf, but is still the only amateur women’s golfer to ever be featured on the cover of *Sports Illustrated Magazine*. Romack won both the 1960 LPGA Tour Leesburg Open as well as the 1961 Tour Rock Cities Open, but it was her amateur career that was even more remarkable. She won the Canadian Amateur Championship (1953) and the USGA Women’s Amateur Championship (1954) and won the California State Amateur a

record four times (1952, 1954, 1956, 1958). Born and raised in Sacramento, Romack had a career golf record unmatched by any other woman locally. She learned the game early from Bing Maloney Head Golf Professional Bus Pendleton and then later from Haggin Oaks Head Golf Professional Tom LoPresti. In 1955, her golfing prowess earned an invitation from then-President Dwight Eisenhower for lunch. Romack is now retired and living in Florida.

Elliott “Bus” Pendleton was a head golf professional fixture at William Land GC and Bing Maloney GC for nearly four decades and had an undeniable impact on local public golf. Pendleton was born in 1907 and was an outstanding amateur player, winning the second annual California State Fair Golf Championship when it was

held at the Del Paso Country Club. It was at Del Paso where Pendleton was first introduced to golf. A native of Fort Bragg, he moved with his family to Sacramento in 1919. Shortly after arriving, he sold newspapers downtown during the week and on weekends caddied at Del Paso. Pendleton won his first tournament in 1922, a handicap event on the old Arcade course featuring sand greens. Two years later he opened a golf shop at the old Weinstock-Lubin department store at 12th and K streets. Pendleton took the head professional job at Land Park in 1935 and assumed additional duties as head pro at Bing Maloney when it opened in 1952. Bus paved a lot of roads for the success golf has today in the community. He’s also helped many others go on to successful careers in golf. Some of his pupils included Al Geiberger, Barbara Romack, Judy Ghilarducci, Frank Elston and Geoff Gorman, who would become president of the Ben Hogan Golf Co. Geiberger, the first touring pro ever to shoot a 59 and a success on the Senior PGA Tour, was his most famous pupil. Pendleton passed away in 1996 at the age of 89.

It is appropriate that the lady that people called “The Mother of Sacramento Junior Golf” be inducted along with some of her prized golfers that played in the tournaments she ran. Irene Kaminsky grew up a fan of the

game and dedicated her long life to creating tournaments and opportunities for junior golfers to learn the game of golf. She helped create the Sacramento Golf Council and was its very first woman member, acting as the Treasurer for over two decades. Says longtime Haggin Oaks Director of Golf, Ken Morton, Sr., “The impact and influence of Irene on junior golf here in Sacramento cannot possibly be overstated. Her

passion and ardent support for the young golfers in our community led to every significant local junior golf tournament and the creation of the Sacramento Golf Council. It is only appropriate that the tournament she founded, the Sacramento City Junior Championship, has a trophy with her name etched on it in perpetuity. Kaminsky passed away in the early 1980’s making it all the way into her 80’s.

Ed Burt got his start working for the *Marksville Appeal-Democrate* after he graduated high school but soon joined the *Sacramento Bee* staff in 1942 as a courthouse reporter. He worked his way up through the general assignment and copy desks until the avid sportsman landed his dream job as the golf writer. He remained the golf voice for the newspaper until his retirement in 1972. During his tenure, he received special awards from the Northern California Golf Association, the Sacramento Golf Club and the McClatchy Broadcasting 25-Year Club for his service to the area and local golfers alike. He covered every local golf event imaginable, from the Swing at Cancer (where he would later handle publicity in retirement) to interviewing Lawrence Welk about his golf game when he was here locally for an event. Burt’s contributions to celebrating and publicizing golf in the Greater Sacramento area were immeasurable. Probably saying it the best is a plaque Burt received from the Northern California Golf Association that read: “To Ed Burt for special recognition in sketching the game of golf and its golfers exactly as they go without prejudice to friend or foe.” Burt passed away in 1976 at the age of 69.

Started in 1983 as Sacramento Area Youth Golf Association (SAY Golf), The First Tee

of Greater Sacramento helps young people develop life skills and core values through the game of golf. Those core values are courtesy, perseverance, responsibility, respect, honesty, confidence, integrity, sportsmanship and judgment. TFTGS offers multiple programs designed for specific skill levels that allow young people to advance toward greater mastery of golf. But the central purpose extends far beyond hitting a ball onto a green and into the hole. Its well-established rules of etiquette and emphasis on sportsmanship-like conduct along with the high-level of hand-eye coordination required to play competently, provides an ideal backdrop to practicing self-discipline, setting goals and learning to respect others.
