Fireworks Enforcement *CHPD Planning for a Safe and Sane Holiday*

CHPD is posting information on their social media pages to educate the public about the use of "safe and sane" fireworks.
Photo MPG file photo

Story by Shaunna Boyd

CITRUS HEIGHTS, CA (MPG) - With the Fourth of July holiday approaching, CHPD Lieutenant Kris Frey updated the Council about the department's 2020 Fireworks Enforcement Plan. "Understandably, our community is wanting to enjoy this holiday weekend after experiencing months of being sheltered in their homes due to COVID-19. The main focus of our plan this year is to make sure that the community, while they're out, is remaining safe. And we still want to make sure that they're taking the necessary precautions, to include safe distancing while they're experiencing their holiday events," said Lt. Frey. "Our mission this year with the enforcement plan is to provide additional resources in order to identify and deter the use of illegal fireworks."

The CHPD has planned a proactive

approach. They compiled data from the last three years to determine the times with highest volume of illegal fireworks reports on July 3 and 4, so that teams can be prepared during peak hours. There will also be a particular focus on locations that are typical problem areas.

Officers will undergo additional training to educate them about the laws regarding illegal fireworks. On July 3 and 4, multiple fireworks enforcement teams will be deployed throughout the city, the drone team will be utilized, and CHPD will partner with Sac Metro Fire to deploy arson investigators.

Lt. Frey said that most of the illegal fireworks in the city come into California from neighboring states. Legal fireworks can be purchased from 21 "safe and sane" firework stands that have been given permits in the city. The stands opened on July 28 and will

remain open until July 5. Fireworks can be purchased from noon to 10:00 PM – the same time period that the fireworks can be legally set off.

CHPD is posting information on their social media pages to educate the public about the use of "safe and sane" fireworks and to request citizens report illegal fireworks. Residents can call the non-emergency number (916-727-5500) to report an address where illegal fireworks are being used; if residents know of a specific address where illegal fireworks are frequently used, they can report it to the crime tip line (916-727-5524).

Mayor Slowey said, "The reality is, even with all the resources deployed, people are going to hear some illegal fireworks, they're going to see some illegal fireworks. You guys can't be everywhere, so that's why we're relying on the public for assistance to track some of this down." ★

Explore Parks and Have Fun with Agents of Discovery

By Ken Casparis,
Sacramento County

SACRAMENTO COUNTY, CA (MPG) - This July, Agents of Discovery, an interactive, augmented reality game is coming to two Sacramento County Regional Parks, Gibson Ranch Regional Park and River Bend Park.

Sacramento County's Department of Regional Parks, in partnership with California Parks and Recreation Society and as part of the Parks Make Life Better campaign, is bringing this app to park visitors, free of charge, from July 1 – 31. While in participating parks, users will be encouraged to explore new areas to find "challenges" that will... well, challenge their knowledge of the parks!

"Our staff has been working hard to set up challenges to make this experience as fun and educational for visitors as possible," said Liz Bellas, Director of Regional Parks. "Agents of Discovery will help teach people of all ages about our local parks and open spaces while demonstrating the benefits of parks and recreation."

If you've ever played games like Pokémon GO or Harry Potter Wizards Unite, you're likely familiar with augmented reality. This technology combines visuals and audio from the game with the user's actual environment in real-time.

When users enter the active park area, they will begin receiving tips through the app that will help them find and complete the challenges.

Agents of Discovery Tips
and Disclaimers:

While Agents of Discovery is best downloaded and played using WiFi, it is also accessible using cellular data; Under "Missions" search for the park you plan on visiting, either "River Bend Park" or "Gibson Ranch Regional Park" and download mission prior to visiting; Make sure GPS is enabled; Be aware and cautious of possible traffic, other people, and obstacles that may be in your way when playing Agents of Discovery.

Joseph James DeAngelo Jr., 74, pleaded guilty to

Genetic Genealogy (IGG) in 2018, more than three decades after he raped and murdered his last victim in 1986.

DeAngelo also admitted to 161 uncharged crimes related to 61 uncharged victims, including attempted murder, kidnapping to

City Council Addresses Complaints, Discrimination

Story by Shaunna Boyd

CITRUS HEIGHTS, CA (MPG) - As the COVID-19 pandemic continues, the June 25 meeting of the Citrus Heights City Council was held again through teleconference to comply with social distancing recommendations.

COVID-19 has severely disrupted the local economy, so City staff recommended the approval of two COVID Relief Actions: an ordinance providing an automatic five-year extension to the entitlements of unexpired development projects within the city and a resolution encouraging the business use of outdoor space by temporarily relaxing City regulations regarding outdoor dining, signage, and parking. The Council unanimously approved both the Relief Actions.

During Public Comment, Brendan Quinn stated that he recently emailed the Council asking what is being done “to combat systemic racism by reforming Citrus Heights PD policies.” He said a response from Councilmember Bret Daniels stated that nothing is being done because there is no systemic racism in the Citrus Heights Police Department (CHPD). Quinn’s public comment disputed that claim, citing PoliceScorecard.org, which gave Citrus Heights an “F,” based on statistics showing that Black people in Citrus Heights were 3.4 times more likely than whites to be targets of deadly force from 2016 – 2018.

Quinn reaffirmed his stance that the CHPD does have a problem with systemic racism and asked,

again, what actions the Council is taking to reform police behavior in the city: “If I am to stay here, spend money here, and raise another generation here, I need assurance that this Council will take action. Police reform is sweeping the country and if we do not catch up, Citrus Heights will be on the wrong side of history.”

In response, Mayor Jeff Slowey said, “My only comment is, as we all know, numbers can tell many stories. Personally, I think it’s disingenuous to take a specific timeframe and pull numbers. If you would really want to talk numbers, talk about the entire inception to now of the Police Department, and those are completely different numbers. So, I’m just going to leave it at that. I think we have a great Police Department.” ★

Golden State Killer Pleads Guilty

Continued from page 1

The decision by prosecutors to accept DeAngelo’s offer to plead guilty to the 26 charged crimes and admit the uncharged crimes was made in consultation with the victims and their family members. The totality of the circumstances, including the age of the victims, the age of witnesses and the death of other key witnesses, and the age of the defendant, were taken into consideration.

This six-county joint prosecution resulted in a guilty plea of:

13 counts of first-degree murder with special circumstances allegations of multiple murders and murder during the commission of rape, robbery, and burglary.

13 felony counts of kidnapping to commit robbery with sentencing enhancements for personal use of a firearm and personal use of a knife during the commission of the offenses.

DeAngelo also admitted to the uncharged crimes of: Attempted murder, kidnapping to commit robbery, rape, robbery, first-degree burglary, false imprisonment and criminal threats.

DeAngelo’s crime spree began in 1975 when he was working as a police officer

Joseph James DeAngelo Jr.,

with the Exeter Police Department. The crimes, which continued long after he was fired from the Auburn Police Department in 1979, escalated from peeping through windows to stalking to rape and serial murder.

The hearing was relocated to the Sacramento State Ballroom to accommodate the large number of victims and their family members in attendance and to ensure social distancing in light of the current COVID-19 pandemic.

“The investigation, identification and prosecution of the East Area Rapist/ Golden State Killer has been a long journey for justice – a journey marked by passion, persistence and sheer determination,” said Sacramento County District Attorney Anne Marie Schubert. “Through

the revolutionary tool of Investigative Genetic Genealogy, this serial rapist and murderer was not only identified and brought to justice but will spend the rest of his life in prison. It is my sincere hope that today brings healing to victims, their families and communities harmed by the atrocious crimes committed by Joseph DeAngelo.”

Joseph DeAngelo will be sentenced to life in state prison without the possibility of parole. The sentence will run consecutive and concurrent to his sentence for the first-degree murders to which he has pled. His sentencing hearing will commence on August 17, 2020. Victims will be given the opportunity to deliver victim impact statements prior to DeAngelo’s sentencing on August 21, 2020. The sentencing hearing location will be announced at a later date.

His crimes earned him the nicknames of the Visalia Ransacker, the East Area Rapist, the Original Night Stalker, and the Golden State Killer. It was not until April 2018 that Sacramento authorities announced that Investigative Genetic Genealogy had identified DeAngelo as the person responsible. ★

Governor and Democrats Ignore Millions of Californians in Budget Deal

By Nghia Nguyen,
Office of Senator Jim Nielsen

SACRAMENTO, CA (MPG) - The Legislature sent the Governor a budget that increases billions of dollars in taxes, prevents funding for charter schools and jeopardizes public safety. This deal was cobbled together with little public input – an agreement that lacked transparency. Senator Jim Nielsen (R-Tehama), Vice Chair of the Senate Budget Committee, issued the following statement:

“I do appreciate the pro Tem, the Speaker and the Governor for their continued support in Paradise to fund the promised \$7.3 Million to the Paradise Irrigation District.

This money will help bring clean water to survivors of the Camp Fire.

“It is, however, disappointing that this budget came together without public discussion or representation. Citing concerns with Covid-19, the conference committee – a forum for bipartisan discussions – was scrapped.

“There is no excuse for the denial of public input and lack of transparency. By cutting out the minority party, the Governor and Democratic lawmakers have denied millions of Californians the opportunity for their voices to be heard through their representatives in discussions and negotiations.

“Californians deserve to have a voice in their government.” ★

Tax Initiative for Certain Commercial and Industrial Real Property is Withdrawn

Office of California
Secretary of State

SACRAMENTO, CA (MPG) - Secretary of State Alex Padilla announced that an initiative eligible for the November 3, 2020 General Election ballot has been withdrawn by the proponents.

The Attorney General’s official title and summary of the initiative is as follows:

REQUIRES CERTAIN COMMERCIAL AND INDUSTRIAL REAL PROPERTY TO BE TAXED BASED ON FAIR-MARKET VALUE. DEDICATES PORTION OF ANY INCREASED REVENUE TO EDUCATION AND LOCAL SERVICES. INITIATIVE CONSTITUTIONAL AMENDMENT.

Taxes certain commercial and industrial real property based on fair-market value—rather than, under current law, the purchase price with limited inflation. Exempts agricultural property and certain small businesses. Dedicates portion of any increased revenue to local services and to supplement, not replace, state’s minimum-funding guarantee to schools. Provides tax exemption for \$500,000 worth of tangible personal property used for business and

all personal property used for certain small businesses. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government: **Net increase in annual property tax revenues of \$6.5 billion to \$10.5 billion in most years, depending on the strength of real estate markets. After paying for county administrative costs and back-filling state income tax losses related to the measure, the remaining \$6 billion to \$10 billion would be allocated to schools (40 percent) and other local governments (60 percent). (17-0055.)**

The measure previously became eligible for the ballot on October 16, 2018, through a random sample verification of signatures.

Pursuant to Elections Code 9604(b), proponents may withdraw an initiative any time before the Secretary of State certifies it as qualified. The 131-day qualification deadline for the November 3, 2020, General Election is June 25.

The proponents of this initiative, Anthony Thigpenn, Helen Hutchison, and Benjamin McBride did not provide any contact information.

For more information about how an initiative qualifies for the ballot in California, go to www.sos.ca.gov/ ★

FUN FOURTH HAPPY (BANG BANG) 4 TH OF JULY!!!

It's here and time to celebrate the birth of our nation or Independence Day when the Continental Congress voted in favor of independence. It actually happened on July 2, 1776 when the Declaration of Independence was adopted. But what's a couple of days anyway. And it's been a federal holiday since 1941. So it is that the United States and Great Britain parted ways. Here are a few fun facts connected with that fateful day.

Only John Hancock signed the Declaration of Independence on July 4, 1776. All the others signed later. The Declaration was signed by 56 men from 13 colonies. The average age of the signers was 45 from the youngest Thomas Lynch from South Carolina at 27 to the oldest Benjamin Franklin from Pennsylvania at 70. One out of eight signers was

educated at Harvard...7 total. The only two signers who later became President of the United States were John Adams and Thomas Jefferson. The stars on the original American flag were in a circle so all colonies would appear equal. President John Adams, Thomas Jefferson and James Monroe all died on the fourth.

Adams and Jefferson died on the same day within hours of each other in 1826. Benjamin Franklin proposed the turkey as the national bird, but was overruled by John Adams and Thomas Jefferson who recommended the Bald Eagle. In 1776, there were 2.5 million people living in the new nation. Today the population is near 330 million.

Fireworks are part of the tradition of celebrating this national holiday. And so is barbecue from hot dogs to chicken and ribs. Every 4 th of July the Liberty Bell in Philadelphia is tapped (not actually rung) thirteen times in honor of the original thirteen colonies. Traditions place the origins of the song "Yankee Doodle" as a pre-revolutionary War song originally sung by British military officers to mock the disheveled, disorganized

colonial "Yankees" with whom they served in the French and Indian war. Its believed the tune comes from the nursery rhyme Lucy Locket. The tune of the National Anthem was originally used by an English drinking song called "To Anacreon in Heaven." The words have nothing to do with consumption of alcohol but the melody of Francis Key had in mind when he wrote those words did originate decades earlier as the melody for a song praise of wine.

It's always amazing to me how traditions are born and then evolve over the years. This 4 th of July will be a more somber and reflective celebration with the covid 19 virus running rampant. I urge you to be vigilant and do what it takes to beat this cruel virus by physical distancing, washing hands as many times as you can, and please wear a mask in public when lots of folks are about. That mask may save your life or the life of someone you care about or even a perfect stranger. It's not fun, but neither is the coronavirus. Enjoy and stay safe.

HAPPY FOURTH OF JULY!!!

Regional Campaign Urges Citrus Heights to Sort Smart and Recycle Right

City of Citrus Heights

CITRUS HEIGHTS, CA (MPG) - With more people working from home and shopping online, curbside recycling carts have never been fuller. Citrus Heights has seen an uptick in the amount of curbside recyclables collected in April and May. But too often, what ends up in the recycling bin doesn't belong there.

To reduce cart contamination, Citrus Heights is partnering with the cities of Elk Grove, Rancho Cordova, Galt, Sacramento, and the County of Sacramento on an educational campaign to make sure curbside recyclables stay recyclable, and out of the landfill.

"Recycling is important for our environment, but it's only effective if we sort smart and recycle right," said Mary Poole, operations manager for the City of Citrus Heights. "The challenges faced across the region are very similar, so it makes sense for us to work with our neighboring cities on the Sort Smart campaign, to continue diverting materials from the landfill."

The website for the Sort Smart recycling campaign (www.SortSmart.org) connects residents with information specific to their own city guidelines, like those in Citrus Heights. The outreach efforts take aim at the most common recycling errors in all jurisdictions, including:

1. Empty and Dry. Prevent contamination from food-soiled items by making sure that recyclables are empty and dry. Garbage and containers filled with

Sort Smart and Recycle Right! Otherwise your efforts aren't really helping. Photo: City of Citrus Heights

food make the cart unacceptable for recycling. A quick shake, a wipe with a spatula or towel will do the trick.

2. Sort Smart. While throwing items in the garbage should be a last resort, there are some items that are not accepted in the recycling cart. For example, cartons, shredded paper, and greasy pizza boxes cannot be processed by recycling facilities. Check the Sort Smart website to see what is acceptable in Citrus Heights.

3. Keep it Loose – No Bags. Once you've properly sorted out your recyclables, place them directly in the recycle bin. Please do not bag them. Bagged items are treated like garbage and end up in the landfill. Residents are encouraged to reuse plastic bags, bubble wrap, resealable plastic bags and other film plastics,

then put in the garbage cart when they are no longer useful.

"Planning for this campaign began in 2019, but the message resonates now even more with the increase in the residential waste stream," says Jerome Council, Integrated Waste General Manager for the City of Sacramento. "All the partners in this effort have the tools to help their residents find out what is recyclable and what can contaminate a cart. The web site will connect visitors to information quickly so they can make good choices on what to put in the garbage and what can be recycled."

The City of Citrus Heights is encouraging the community to learn about sorting smart by visiting www.SortSmart.org. If you have questions after visiting the campaign's website, contact the City's General Services Division at (916) 727-4770. ★

Dave Ramsey Says

the reason is they don't understand all the benefits – financial and otherwise – that come with giving every dollar a name.

The financial benefit is a no-brainer, so it's the perfect place to start. I've been teaching people to live on a budget for many years. The reason? It never fails. People who make, and live by, a zero-based budget every month are much more likely to win with money over time. It's not always easy when you're first getting started, but it's worth it.

There's also an emotional benefit to consider. I can't think of many things more stressful than running out of money before the end of the month. If you don't keep a detailed accounting of every dollar that comes in, and where it goes, you're inviting an incredible amount of fear and uncertainty into your life.

Another benefit is where relationships are concerned. Money problems and fights over money are the leading causes of divorce in America. I've seen how proper budgeting principles can bring a sense of

healing, hope, and restoration to families. During budget meetings, couples learn to talk to each other like never before. They open up, share their dreams and fears, learn how to draw boundaries, and plan for the future. And this benefit isn't just for the married crowd. Folks who are single can develop more personal discipline, and find accountability, that has an impact on their relationships, too.

It's tempting to think the idea of "on paper, on purpose" is nothing but a catchphrase. But it's so much more. Budgeting is absolutely the key to gaining control of your finances!

Many Benefits to Budgeting

Dear Dave,
Some friends recently introduced me to your ideas for handling money. I've got to admit a lot of it makes sense, but I'm not sure why you're so adamant about budgeting. Can't you get a good idea of your finances by checking your accounts and balances online regularly?
– Parker

Dear Parker,
This is a great topic, especially for those who are new to the idea of getting serious about their finances and gaining control of their money. A lot of folks wonder why I'm so intense about budgeting on paper, on purpose, every month. Part of

Those Used To Be the Days

By Rev. James L. Snyder

Being limited as to travel and outside activities can sometimes get rather boring. You can be inactive only so long, and then you get in that car that drives you to crazy land.

My wife keeps herself quite busy and I certainly cannot keep up with her. She cannot sit down for very long and rest.

This is where I come in as the husband. I sit down and rest for her so she can go about and keep busy. I must say I am very good at resting for her.

While rummaging through some stuff, she discovered a box of old photographs of our family.

“Do you know who that person is?” My wife asked.

I looked at it and could not imagine who that person was.

“No, it doesn’t look familiar to me at all.”

My wife just stared at me and said, “Take another look.”

I could not figure out who that picture was and I could not imagine the location of where that picture was taken.

“That is a picture of you just before we got married. Now do you remember?”

There was a picture of a young man with hair and as skinny as a lamp pole. I

just could not see that that was a picture of me. Now, I am old, and my hair is starting to retire and, let’s say, I’m not skinny.

“Are you sure that’s a picture of me?”

“I should know because I’m the one that took the picture.”

If that’s what I looked like back then, what has happened to me?

“I sure have changed, haven’t I?”

There were pictures of our wedding, which I really could not remember. Oh yes, I remember getting married, but I did not know we were that young. Is it legal to get married when you are that young?

Looking at those wedding pictures, I said something perhaps I should not have said, “Now, I know why you married me. I was so handsome back then.”

Looking at me for a moment, she finally said, “No, I married you for your money.”

We look at each other for a moment, and then both of us broke out in hysterical laughter. I may have had good looks back then, but I certainly did not have any money.

Of course, today I have neither good looks nor money.

Then there were the

pictures of our children as they were born. I had forgotten how young they were when they were born.

Then there was that wonderful picture of all of us as a family. My wife, our three children and I are setting together for this photograph.

Wow! It does not seem possible that that is what we look like way back when.

We spent the rest of the evening picking up pictures and saying, “Do you remember this picture?” Of course, my wife could remember more of the pictures than I could. I was however, getting a good picture of what our life was back then, how things have changed.

That evening I thought of what the apostle Paul said. “Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed” (1 Corinthians 15:51).

God has a wonderful change in store for those who put their faith and trust in him.

Pastor Ray's Encouraging Words

Move Forward in Faith

and get the people moving! Forward march!” I like that. “...get the people moving.” Don’t think about it. Don’t talk about it. Just move forward.

Question: in what way do you need to move forward? What is your personal Red Sea? What is it that scares you to death, that frightens you? The loss of a loved one? Poor health? The possibility of losing your job? Getting back out into the public after the Coronavirus? What is it that’s got you worried? That looks unpredictable? That seems overwhelming? That’s your Red Sea. And you’ve got one. And what would God say to you today? He’d say, “Move forward. Move against your fear. Do the thing you fear the most.” God told Moses, “Quit praying and get the people moving!” What is it you need to stop praying about and start doing?

Sometimes prayer’s the wrong thing. Sometimes prayer can be an excuse for procrastinating. God says,

“When are you going to do this?” “Oh, I’m praying about it, Lord. I’m praying about it.” God says, “Quit praying about it and act on it. Do what you know to do.” That’s the problem with most of us sometimes. We already know what to do, we just don’t do it. Why?

We don’t move against the fear. Now what is it that you need to quit praying about and you just need to start doing? Something you already know is God’s will. “Well, I’m going to work on this relationship. I’m going to go try a reconciliation. I’m going to put God first in my finances and trust Him there.”

It’s very easy for “one of these days” is none of these days. You say, “One of these days, I’m really going to get serious for God. I’ll, I’ll...” Don’t wait. Move against your fears today.

God Will Lift Your Burdens

By Marlys Johnsen Norris,
Christian Author

Every one has burdens to carry in life. God’s Word tells us to take them to the Lord and leave them with Him. It is no secret what God can miraculously do to remove them from someone’s life forever. God speaks to us in His Word – **“Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.” (Phil. 4:6-7)**

We all are struggling with the onset of the corona virus and the many ways it has changed our lives regardless of where we live or work. Never in our lives have we had our government dictate so many things we must do in our lives. Medical people have encouraged us to do certain things to spare us from experiencing this terrible illness that causes some to die prematurely.

Unfortunately some people disregard the warnings and do what-ever they want to do. Who gives them a right to break the laws of our land? They may be causing the virus to spread even more faster than

it would otherwise. Others are doing their best to follow the rules and guidelines. Still others are not respecting others and robbing, ransacking and destroying properties of others with no regard for anything or anyone. They all need to be placed in prison cells for years.

Police are now under attack throughout our country and they have been the ones who have brought peace and justice into our lives for years and especially when these kinds of situations arise. Policemen doing their job arresting people caught breaking the laws who have taken off running away after they were arrested. Then, a distance away, they tried to stop them and they were shot in the back to stop them. It did but unfortunately the bullet hit and they were killed. How is true justice awarded? Regretfully the consequences came!

There is no such thing as “peace at any price”. No matter what there is a price to pay for someone always!

The initial Annual Percentage Rate (APR) is currently 4.25% for a new Home Equity Line of Credit (HELOC), and is fixed for the first 5 years of the loan which is called the draw period. After the initial 5 year period, the APR can change once based on the value of an Index and Margin. The Index is the weekly average yield on U.S. Treasury Securities adjusted to a constant maturity of 10 years and the margin is 3.50%. The current APR for the repayment period is 4.25%. The maximum APR that can apply any time during your HELOC is 10%. A qualifying transaction consists of the following conditions: (1) the initial APR assumes a maximum HELOC of \$100,000, and a total maximum Loan-to-Value (LTV) of 70% including the new HELOC and any existing 1st Deed of Trust loan on your residence; (2) your residence securing the HELOC must be a single-family home that you occupy as your primary residence; (3) if the 1st Deed of Trust loan is with a lender other than El Dorado Savings Bank, that loan may not exceed \$200,000 and may not be a revolving line of credit. Additional property restrictions and requirements apply. All loans are subject to a current appraisal. Property insurance is required and flood insurance may be required. Rates, APR, terms and conditions are subject to change without notice. Other conditions apply. A \$255 early closure fee will be assessed if the line of credit is closed within three years from the date of opening. An annual fee of \$75 will be assessed on the first anniversary of the HELOC and annually thereafter during the draw period. Ask for a copy of our "Fixed Rate Home Equity Line of Credit Disclosure Notice" for additional important information. Other HELOC loans are available under different terms.

DEMAND JUSTICE

Victims of sexual abuse by Catholic clergy have rights.

While nothing can undo you or your loved one's pain of abuse, many states are giving victims a short time to recover compensation from their abusers and the institutions that enabled them.

If you or someone you love were sexually assaulted by a priest or clergy member, you no longer need to suffer in silence.

TOGETHER WE CAN HOLD THEM ACCOUNTABLE.

COVID-19 Temporary Outdoor Dining Permit

Overview
Due to social distancing requirements of the Governor's executive order, the County understands that some restaurant establishments will seek alternatives to their existing indoor and outdoor configurations by extending operations to new outdoor areas including walkways, parking lots, landscaping or other required open space areas. On May 19, 2020, the Sacramento County Board of Supervisors Adopted a Resolution (Resolution No. 2020-0309) finding an Overriding Public Interest to allow the Planning Director to issue temporary permits to restaurants to allow for temporary outdoor dining areas.

Purpose of the Temporary Outdoor Dining Permit:

- Allow businesses and shopping centers to meet requirements for social distancing while facilitating restaurant establishments to resume operations.
- Prevent conflicts with other adjacent businesses or residential uses and ensure outdoor dining area will not significantly interfere with pedestrian or vehicular traffic or otherwise constitute a health and safety risk.
- Provide flexible outdoor operations allowances where they may not be otherwise permitted by County Code.

Expiration
Upon approval, the initial permit is good for a maximum of 90 days and so long as the emergency order is in effect. The permit may be extended upon request so long as the emergency order is still in effect and no complaints regarding violations of the permit conditions have been reported.

Fee
The application and permit is free of charge. County costs are being reimbursed through COVID-19 Recovery Funds.

Procedures
Fill out the application form available at:
www.planning.saccounty.net

Under the "What's New" section on home page (right side of page) click on the "COVID-19 Temporary Dining Permit (May 2020)" link.

Please send a complete application form to:
