YUBA - SUTTER REGION, CA (MPG) - The Feather River Tea Party Patriots, in cooperation with Stephanie Ruscigno, U.S. Army veteran, hosted a unique and informative event – the Veterans PTSD Town Hall.

Open to anyone suffering from Post-Traumatic Stress Disorder (PTSD), the event was mostly attended by veterans who wanted to know more about cutting edge science and treatments for the disorder from a pair of doctors out of Maine, that call themselves The Integrative Docs.

Doctors Richard Matthews, a Board-Certified Chiropractic Neurologist and Dr. Ruth Moore, an Integrative Health Practitioner and Cognitive Behaviorist, make up The Integrative Docs duo, who specialize in reducing the effects of stress responses in the body and promoting health and wellness through complementary and alternative medicines and treatments. Dr. Matthews and Dr. Moore collaborate and travel or present via zoom, scientific data, research, and treatments that can help those suffering from PTSD understand the disease.

As stated in the Integrative Doc's

power point presentation to the veterans that evening, "PTSD is not a mental health condition, but a neurobiological injury, much like Traumatic Brain Injury (TBI)." The presentation went on to illustrate how PTSD appears on and can be diagnosed by functional Magnetic Resonance Imaging (fMRI) and Positron Emissions Tomography (PET) scans. Dr. Matthews and Dr. Moore discussed allostatic load, adrenal fatigue and provided those in attendance with a foundation for self-care and tools for creating H.O.P.E for wellness: Honoring yourself;

County Clears Way for Affordable Housing

*By Rachel Rosenbaum,
Yuba County*

YUBA COUNTY, CA (MPG) - A five-year effort to construct a 41-unit permanent supportive housing apartment and a 108-unit family apartment complex in West Linda took a giant stride forward, with the Board of Supervisors recently approving the sale of county-owned land to the Regional Housing Authority's respective limited partnerships.

The two planned projects – part of a partnership between the County, the Housing Authority, and Pacific West Communities Inc. – will begin construction in late spring in an area between Cedar Lane Elementary School and Feather River Boulevard.

Yuba County Community Development and Services Agency also secured grant funding for roadway improvements to include curbs, gutters, and sidewalks, as well as the addition of bike lanes, for streets surrounding the Cedar Lane property. The two Regional Housing Authority projects plus the county road improvements together represent a total investment of \$57 million in the West Linda community.

Historically, California counties have struggled to meet affordable housing requirements established by the state. The approved project creates housing opportunities for individuals and families earning up to 60 percent of the Area Medium Income (a one-person household with an income of no more than \$29,400). The Cedar Lane Project helps the County move closer to meeting the affordable housing construction requirements.

Here is a breakdown of notable actions related to this project:

Yuba County acquired a 13.7-acre property south of Cedar Lane Elementary School in 2016. The property's location to existing public sewer and water services, public transportation and proximity to the elementary school made it an ideal property for affordable housing.

In partnership with Regional Housing Authority, Yuba County Community Development and Services Agency secured \$7.2 million in grant funding in for road improvement projects for all surrounding streets (Alicia Avenue, Garden Avenue, Cedar Lane, and Feather River Boulevard), with construction expected to start this spring. Breakaway Roping Comes to the Stonyford Rodeo

*By Roy Stewart,
SCHA Press Release*

STONYFORD, CA (MPG) - Women's Professional Rodeo Association (WPRA) Breakaway Roping will be added to this year's Stonyford Rodeo, which will be a three-day outing on April 30, May 1, and 2, 2021.

Breakaway Roping is similar to regular calf roping, except that the calf is not thrown and tied. In this event, the contestant's rope-end is tied to the saddle horn with light string. Once the calf is roped and the horse has made a quick stop, the calf continues until the rope breaks away and signals the end of the run. A white flag is affixed to the end of the rope tied to the rider's saddle horn, which lets the timer easily see and record the breakaway time. The rider with the quickest time is the winner.

Roping has become very popular and lucrative: The top contestant exceeded \$17,000 in winnings, with the next five exceeding \$15,000, as of 04/02/2021.

If our fans like this new event, which will be on Friday and Saturday, it will likely become a permanent add to our rodeo.

Tickets are now available

at www.stonycreekhorsemen.org. They will be available on or before April 15 at the following locations: Stonyford General Store, Stonyford; Carl's Feed, Willows; Boot Barn, Chico & Yuba City; Bucke's Feed & Grain, Orland; Marie's Lakeshore Feed, Clearlake; Rainbow Ag, Lakeport; and Ace Hardware, Arbuckle.

Pre-rodeo ticket prices are \$10 for adults and \$6 for children, ages 7-12. At the rodeo gate, ticket prices are \$15 for adults and \$7 for children, ages 7-12. The pre-rodeo cheaper prices are only available until April 28, so get your ticket now and save money. Tickets for the May 2, 2021, amateur events can only be purchased at the rodeo gate on that Sunday. Ticket prices are \$5 for persons aged 13 and older; children 12 and younger are free. ★

A Conversation about the Importance of Public Art

This month's conversation will focus on the importance of public art to the vitality of a community. MPG file photo

By David Read,
Yuba Sutter Arts

MARYSVILLE, CA (MPG) - Last year, Yuba Sutter Arts & Culture began hosting a series of community "conversations" on various timely and relevant topics. This month's conversation will focus on the importance of public art to the vitality of a community. The panel is made up of individuals with a vested interest in promoting and supporting public art.

The Public Art Leadership Conversation will be a virtual event streamed live on Yuba Sutter Arts & Culture's Facebook page at 6PM on Wednesday, April 21st. It will also be available for viewing afterwards on Facebook and the Yuba Sutter Arts & Culture YouTube channel.

Confirmed participants include Marysville City Councilman, Stuart Gilchrist, Yuba City Councilman, Shon Harris, Wheatland City Manager, Jim Goodwin, Yuba County Supervisor,

Don Blaser, Yuba County Supervisor, and Yuba-Sutter Chamber of Commerce CEO, Marni Sanders. Pending participants include muralist, Shane Grammar who is known for his series of large-scale portraits on building remnants in Paradise after the fire and David Sobon, founder of the Wide Open Walls mural festival in Sacramento.

According to The Americans for the Arts publication, Why Public Art Matters (2018), "Art in public spaces plays a distinguishing role in our country's history and culture. It reflects and reveals our society, enhances meaning in our civic spaces, and adds uniqueness to our communities. Public art humanizes the built environment. It provides an intersection between past, present, and future between disciplines and ideas. Public art matters because our communities gain cultural, social, and economic value through public art. Public art impacts

five community values: Economic Growth and Sustainability, Attachment and Cultural Identity, Artists as Contributors, Social Cohesion and Cultural Understanding, and Public Health and Belonging. While YSAC has commissioned many public murals over the past five or six years, our community still lags far behind in terms of what we should have and how we prioritize public art. Join us for this provocative conversation on April 21st. For more information about other 2021 programs during our 40th anniversary year, contact Yuba Sutter Arts at 530-742-ARTS or email david@yubasutterarts.org.

Yuba Sutter Arts & Culture is a non-profit organization whose mission is to provide arts programming, education, advocacy, assistance and service to artists, organizations and residents of Yuba and Sutter Counties. The official agency for Yuba and Sutter of the California Arts Council, its programs include the Yuba Sutter Youth Choir, Arts in Education, Veterans Initiative in the Arts, Applause Kids! performing arts program, Very Special Arts Festival, Art Crawl, Open Mic Nights, Harvest the Arts, Arts in Corrections, Solo Sessions, Third Sunday Jazz Jam, Art Everywhere and much, much more! ★

Gallagher Statement on Wildfire Package, Newsom Visit to Butte

James Gallagher

By Curtis Grima,
Office of Assemblyman
James Gallagher

SACRAMENTO, CA (MPG) - Assemblyman James Gallagher (R-Yuba City) issued the following statement in reaction to Governor Gavin Newsom signing the wildfire legislation into law and touring wildfire preparedness work in Butte County:

"I'm glad that the Governor is taking a tour in Butte County today to learn directly from experts on the ground about wildfire prevention. Specifically, I hope that he learns more about how environmental red tape (CEQA) held up a critical

fuel reduction project in Berry Creek before the area was savaged by the North Complex fire last year. If the Governor is serious about solutions, he could support my legislation to remove roadblocks like this that stop critical fire prevention projects.

The legislation being signed today, while significant, is unfortunately not enough to address the urgent crisis of fuels buildup in our wildlands. Here is the breakdown:

\$125 million in the package is really just a payback for money that was supposed to be allocated to forestry management last year. This isn't 'new' money for fire prevention.

Approximately \$188 million is new General Fund money for management practices including thinning, brush clearance and prescribed fire. This is a good development but nowhere near what is required to remove the fuel load that has built up after decades of doing nothing. By comparison, my proposal in AB 297 would appropriate \$500 million.

Almost \$100 million is for State Parks, Fish & Wildlife and conservancies with no real guarantee that the money will go toward fuel reduction. Furthermore, it is focused on State owned lands, which represents only 3% of the lands with dangerous fuels.

So, in reality the wildfire package only allocates an additional \$188 million to forestry management practices. By contrast the Governor is proposing to spend \$1 billion building electric charging infrastructure, supported by a grid that is currently experiencing blackouts and sparking fires.

I'll leave it to you to determine if these are the right priorities."

Organizing needs; Prioritizing your schedule; Empowering your life.

Dr. Moore who practices at Downeast Wellness Holistic Health Services and treats many struggling with disorders besides PTSD says that “You don’t have to be a slave to your stress. You don’t have to be a slave to your condition. It’s understanding that you have hope, or creating hope, or embracing hope, [it] means that you are seeing things from a different perspective. Ultimately, our happiness, our stress levels – it all depends on the mindset or the perception we have.” A pivotal concept in her practice, she continues, “in mind-body medicine, our minds have the power to heal our bodies.”

responsibility, accountability, and some of our constitutional freedoms.” Dr. Matthews and Dr. Moore educate that although PTSD cannot be cured, it can be mitigated through neurolinguistic reprogramming, behavioral therapy, autonomic nervous system balancing therapy and coaching. They promote healthy diet, physical exercise, stretching and breathing exercises, along with holistic practices of using essential oils, acupuncture, mindfulness and more to treat PTSD.

Ruscigno, who helped bring the Integrative Docs to the forum, has benefited personally from the resources and information that is shared nationwide by Dr. Moore and Dr. Matthews. It has become a passion for her to spread this life-changing information to veterans and anyone struggling with mental or physical health issues that could benefit from it. “I believe the Integrative Docs message needs to get out. How many suicides prevented and lives-lived more fully?” she questioned. Ruscigno secured the Integrative Docs’ expert advice with a personal financial donation, so that the nearly 60 veterans and the Feather River Tea Party Patriots in attendance at the PTSD Town Hall could benefit from the science.

The feedback from those in attendance was profound. Ruscigno shares that a woman, who asked to remain anonymous said, “the affirmation she got was both comforting and encouraging. Tears welled.” Others in attendance reported they planned to get MRI’s for diagnostic purposes as soon as possible. U.S. Navy Vet, Jonathan Bibbins said, “Awesome presentation. Bringing a conscience to the needs of veterans warriors is necessary.” He ended with “I look forward to your next presentation.”

Assemblywoman Dahle and Senator Dahle Statement on California Correction Center Closure

Commentary by Assemblywoman Megan Dahle

“As the two elected state representatives for Lassen County, we were shocked and appalled by CDCR’s announcement to close CCC.

We received no prior notice regarding the decision by CDCR. The lack of transparency and opportunity for public input in making such a significant decision is abhorrent. This decision completely undermines the little trust our constituents had left in this administration and proves yet again that the leaders of our state agencies couldn’t care less about the livelihood of residents of the North State.

The impact of this decision on our North State communities will be devastating. Our communities have already suffered a dramatic increase in unemployment due to the COVID-19 pandemic. We

have one of the highest unemployment rates in the nation. Now, without warning or notice to the public, the state has arbitrarily dictated that it will be upending the livelihood of over 1,000 employees and their families. Constituents of the North State deserve better from their government. The fact employees were notified of the closure through a press release is unacceptable.

This gross misstep by a state agency is a slap in the face to hardworking employees, and correctional officers and their families, who have served on the frontlines during this pandemic and sacrificed a great deal to ensure our communities remain safe.

The unilateral actions taken by CDCR and the Newsom administration represent a complete degradation of our representative government. We demand CDCR, Secretary Kathleen Allison and the Newsom

administration reveal the process and data used to arrive at the decision to close CCC. At the very least, they owe this to the public and their employees.

To ensure the leaders of the state agency that perpetrated this action are held accountable, we are pursuing Public Records Act Requests to expose the secretive channels through which they came to this decision.

To the employees, families, and community impacted by the announced closure; you have our word that we will not rest until we bring to light why and how the governor’s administration arrived at this decision. Please reach out to our offices for any immediate assistance you may need.”

Forced Vaccinations

Commentary by Doug LaMalfa

Whether you like vaccines or not, getting the COVID vaccine – or any vaccine for that matter – should remain a personal choice and NOT be a requirement for getting your personal freedom back.

It's a matter of privacy and personal liberty – two rights that we MUST protect in this

nation. And people who choose to exercise those rights must not be discriminated against.

Unfortunately, there are those who disagree... which is why I recently introduced two bills in Congress that will protect people from being discriminated against by businesses, employers and the government because they medically cannot or because they have made the personal choice to not get the shots.

This is a critical test of our nation's dedication to personal freedom and protection against creating second class citizens.

We've been here before – in the wake of tragedy, the government asked us to willingly sacrifice our own freedoms for what

we expected would be increased safety.

It calls to mind a quote by Benjamin Franklin: "Those who would give up essential Liberty, to purchase a little temporary Safety, deserve neither Liberty nor Safety."

Taking away people's freedom to choose to not get an injection is a dangerous path that will only lead to the loss of more personal freedoms down the road. That's proven to be true time and time again throughout our history. Let's not make this mistake again.

I'm standing firm in the fight against the creation of vaccine passports and discrimination against those who cannot or choose not to participate. ★

Oroville Resident Arrested for Selling Suspected Fentanyl

BCSO Press Release

OROVILLE, CA (MPG) - On the evening of April 5, a minor victim called the Butte County Sheriff's Office (BCSO) and reported her three juvenile friends had overdosed on Xanax pills. BCSO deputies and medical personnel responded to a residence in the Palermo area and contacted three juvenile victims. The three juvenile victims were transported to a local hospital for treatment.

Over the past week detectives from the Felony Investigations Unit, Butte Interagency Narcotics Task Force, Special Enforcement Unit, and the Sheriff's Office Marine Unit conducted follow-up related to the aforementioned overdose. During the follow-up investigation, detectives determined the pills the juveniles overdosed on were suspected counterfeit Xanax pills that likely contained Fentanyl.

On April 6, detectives served a search warrant at a residence on Baldwin Avenue in Palermo. During the service of the search warrant detectives obtained evidence related to this

investigation. On April 7, detectives identified the individual who sold the juveniles the suspected counterfeit Xanax pills as Knowa Massey, age 18, of Oroville.

On the evening of April 7, detectives, with assistance of the Oroville Police Department, served a search warrant at Massey's residence, which is located near the 100 block of Grand Avenue, Oroville. During the service of the search warrant, detectives located a large quantity of counterfeit Xanax pills that detectives suspect contain Fentanyl. Detectives also located cocaine and marijuana packaged for sale. During the subsequent investigation, detectives located additional evidence which confirmed Massey was the individual who sold the counterfeit Xanax pills to the juveniles. Detectives also located evidence Massey knew the pills he sold to the juveniles were extremely potent.

Massey was placed under arrest for the following felony counts: Possession of cocaine for sale, possession of a narcotic substance for sale, three counts of

child endangerment, selling a controlled substance to minor victims, committing felonies which caused great bodily injury, and a misdemeanor count of possession of marijuana for sale. Massey was booked into the Butte County Jail on the evening of April 7. Massey is scheduled to be arraigned at the Butte County Superior Court on April 9, at 3 PM.

The Butte County Sheriff's Office wants to remind the public that medications not obtained from legitimate pharmacists and illicit drugs like methamphetamine, marijuana, cocaine, and counterfeit pills can be laced with Fentanyl. Illicit drugs containing Fentanyl could result in death if ingested. Fentanyl, a synthetic opioid, can be up to 100 times more potent than morphine.

The Sheriff's Office is asking anyone with additional information about Massey to contact detectives at 530-538-7671. The Sheriff's Office is asking anyone with information about illegal narcotics sales to contact the Butte Interagency Narcotics Task Force at 530-538-2261. ★

Commissioner sets out to Define Farmers' Insurance Gaps

With California farmers and ranchers finding increasing difficulty in purchasing wildfire insurance, the state insurance commissioner directed insurance companies Tuesday to provide data about the availability of commercial coverage for businesses including farms and ranches. The California Farm Bureau welcomed the action, saying it hoped the request from Insurance Commissioner Ricardo Lara will lead to more sustainable coverage for farmers and ranchers.

Water Shortages Stress Klamath Basin Farms

Farmers in the Klamath Basin expect to receive a water allocation this week from the U.S. Bureau of Reclamation—and all indications point to extreme shortage. Drought and regulations protecting fish species mean farmers may have little or no water from the federal Klamath Project. A leading farmer in the basin says this second dry year, combined with the COVID-19 pandemic, will have a "compounding effect" that will hit the community hard.

Grape Growers Face Drought, Wildfire Concerns

As grapevines along the North Coast begin pushing out new growth, farmers face the prospects of preparing for drought while trying to recover from wildfire. Farmers say they may have to reduce crops on some vines due to lack of rainfall, which one Napa County grower says would be a "bitter pill" after losing grapes to smoke exposure last year. Preseason work by farmers includes creating buffer zones to reduce the chance of wildfire spreading into vineyards.

Farmers Respond as Restaurants, Cafeterias Begin to Reopen

The gradual reopening of restaurants, schools and other facilities brings changes for farmers who had sold crops to food-service outlets. Sales abruptly halted a year ago due to the pandemic. Many farmers shifted to sell subscription food boxes or other alternatives. Now, they're having to decide how strong those markets will remain when restaurants and cafeterias reopen. One farmer says "we all have to stay nimble" as markets adjust. ★

Chico Resident Arrested for Assault with a Deadly Weapon

BCSO Press Release

OROVILLE, CA (MPG) - On the morning of April 7, a victim called the Butte County Sheriff's Office (BCSO) and reported he was being held at gunpoint by a male later identified as William Hostetler, age 56, of Chico. The victim informed BCSO dispatch while attempting to access his property located near the 700 block of Potters Ravine Road, Oroville, Hostetler contacted the victim and pointed a firearm at him. While the victim was on the telephone with BCSO dispatch, the victim reported Hostetler used his vehicle to "ram" the victim's vehicle. Deputies arrived in the area, contacted the victim and located evidence which corroborated the victim's statements.

Deputies immediately began attempting to locate Hostetler. Around 12:20 p.m., deputies assigned to the Chico area located Hostetler at an apartment complex located in the 1600 block of Forest Avenue, Chico. Deputies contacted Hostetler and located evidence Hostetler had used his vehicle to "ram" the victim's vehicle. Deputies placed Hostetler under arrest.

While investigating the incident, deputies located multiple large marijuana grows near the 700 block of Potters Ravine Road. Detectives determined one of the marijuana grows belonged to Hostetler. Detectives obtained a search warrant for two parcels on Potters Ravine Road and for Hostetler's apartment in Chico.

Designated Area Deputies and detectives from the Felony Investigations

Unit, Special Enforcement Unit, and Butte Interagency Narcotics Task Force assisted with the service of the search warrants. During a search of the apartment, detectives located approximately eight firearms and numerous firearm parts. Two of the firearms were illegal assault rifles. Detectives also located approximately 100 bags of packaged marijuana and evidence of marijuana sales. During a search of the two parcels near the 700 block of Potters Ravine Road, detectives located approximately 3,000 marijuana plants and an additional firearm.

During the investigation, deputies and detectives obtained evidence Hostetler was involved in the illegal cultivation of marijuana. Detectives located evidence Hostetler recently began arguing with neighbors and other individuals who were cultivating marijuana in the area of Potters Ravine Road.

Based on the evidence obtained during the initial investigation, Hostetler was placed under arrest. Hostetler later posted bail. BCSO will be submitting the case against Hostetler to the District Attorney's Office for review for the following charges: A felony count of assault with a deadly weapon, a felony count of possession of assault weapons, misdemeanor counts of illegal cultivation of marijuana and possession of marijuana for sale, and a misdemeanor count of brandishing a firearm. The Sheriff's Office is asking anyone with additional information about this investigation to contact detectives at 530-538-7671. ★

JUDGE OF THE SUPERIOR COURT.**

April 2, 9, 16, 23, 2021.

**NOTICE OF PETITION
TO ADMINISTER
ESTATE OF:
DUANE ALSON WEIR
CASE NO.
PRPB21-00038**

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the WILL or estate, or both of DUANE ALSON WEIR.

A PETITION FOR PROBATE has been filed by JULIAN ANTHONY GONZALES in the Superior Court of California, County of Yuba.

THE PETITION FOR PROBATE requests that JULIAN ANTHONY GONZALES be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's WILL and codicils, if any, be admitted to probate. The WILL and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held in this court as follows: 05/17/21 at 9:00AM in Dept. 4 located at 215 5TH STREET, MARYSVILLE, CA 95901

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) **four months** from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) **60 days** from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

YOUR ONE MINUTE NEWS DIGEST

by Don Rae

- Today's political elites and bureaucrats would do well to listen to the words of the Chief Engineer of the Turlock (California) Irrigation District. In 1935 he admonished his employees thusly: "Remember above all else that we are here to help the public, not tell it what we want it to do." Sage advice for today's leaders. This type of policy scares us more than turkeys in November. Will we see it practiced?
- The CDC claims there is a serious public health threat of racism in this country. They are absolutely correct. Those who scream racism are sick. Cure them.
- Biden said his gun control proposals would not violate the 2nd

amendment. Lie. He said there is an epidemic of gun violence. Not so. He said his proposals will save lives. Doubtful and un-provable. He knows all this but blathers on anyway. No conscience. None.

- The policies of the District of Columbia relating to the citizens who broke into the capital building (the peoples' house) are so egregious it makes one think about blowing up the White House.
- Kids by the hundreds are crossing the southern border unaccompanied or in the clutches of coyotes. Where are the parents? In a word, the parents are engaging in massive child abuse and should be held accountable. Horrible people.

- According to all accounts, California's snowpack is dismal. Some 50% of average, they say. But wait. At the measuring point it was 83% of normal. These figures were in the same article in the mainstream media. What are we to believe?
- MLB runs from George because a law which makes it easier to vote? And because some sort of ID will be required? Consider your support of MLB.
- Tiger was going 83 in a 45 zone. He smashed up with gusto. But, says the Sheriff, no probable cause to see if he was impaired. Really? The rich and famous are wrapped up in a cocoon of protection.
- Recall the photos of huge

stacks of books being burned in Germany. By who? Nazi youth. Today's cancel culture is the same.

- Pete Buttigieg is Transportation Secretary in the Biden Administration. He tweeted recently: "You should not have to own a car to prosper in this country, no matter what kind of community you live in." Huh? What does that mean? Anyway, could you envision bicycling from Colusa to Marysville in a daily commute? Buttigieg has broken the glass ceiling of incompetence and smashed the Peter Principle to bits.
- Mt Etna on Sicily has been erupting furiously for weeks. Joining it is a volcano in the St. Vincent Islands off the coast of Venezuela. Think of the CO2 they are throwing into the atmosphere. All that stuff has been wiping out the progress the greenies have been making. Now what are you going to do about that fact, Greta the ignorant and Gore the Dope?
- Why do celebrities run

successfully for public office? Because they are used to lying to our faces by being someone they are not in their "art." And we believe them. Now Caitlyn Jenner is thinking about making a run for Governor in California as a Republican. It is possible "she" has been lying to "herself" and to us for decades. Good criteria for a budding politician.

- Why are American taxpayers giving money to illegal aliens? Knock it off.
- Lightfoot, the imbecile mayor of Chicago, says she is endorsing as much gun control as possible. Why? Disarm us so we can't deal with those who are trying to exercise complete control over us. Sorry, Lightfoot. Any gun control is against the 2nd Amendment of the Constitution which you vowed upon taking office to defend. Hypocrisy and illegality. Democratic behaviors.
- Hooow can the homeless be increasing when evictions are prohibited? ★

NOTICE OF TRUSTEE'S SALE UNDER DEED OF TRUST TITLE ORDER NUMBER: P-460254 LOAN: P01149 FILE: PFI-201522 A.P.N.: 050-180-013-000 YOU ARE IN DEFAULT UNDER A DEED OF TRUST DATED 10/26/2015. UNLESS YOU TAKE ACTION TO PROTECT YOUR PROPERTY, IT MAY BE SOLD AT A PUBLIC SALE. IF YOU NEED AN EXPLANATION OF THE NATURE OF THE PROCEEDING AGAINST YOU, YOU SHOULD CONTACT A LAWYER.

NOTICE is hereby given that PLACER FORECLOSURE, INC., as trustee, or successor trustee, or substituted trustee pursuant to the Deed of Trust executed by: SAINT FORD, AN UNMARRIED MAN ALSO KNOWN AS SAYNT FORD Recorded 10/29/2015 as Instrument No. 2015-013074 in book , page of Official Records in the office of the Recorder of YUBA County, California, and pursuant to the Notice of Default and Election to Sell thereunder recorded 1/4/2021 in Book, Page, as Instrument No. 2021-000019 of said Official Records, **WILL SELL on 05/13/2021 the front entrance to the County Courthouse, 215 5th St., Marysville, CA 95901 at 01:30PM AT PUBLIC AUCTION TO THE HIGHEST BIDDER FOR CASH** (payable at the time of sale in lawful money of the United States), all right, title and interest conveyed to and now held by it under said Deed of Trust in the property situated in said County and State hereinafter described: As more fully described on said Deed of Trust. The property address and other common designation, if any, of the real property described above is purported to be: **17635 PONDEROSA WAY, BROWNSVILLE, CA 95919** The undersigned Trustee disclaims any liability for any incorrectness of the street address or other common designation, if any, shown herein. Total amount of the unpaid balance of the obligation secured by the property to be sold and reasonable estimated costs, expenses and advances at the time of the initial publication of the Notice of Sale is: \$103,807.23 In addition to cash, the trustee will accept a cashier's check drawn on a state or national

bank, a check drawn by a state or federal credit union, or a check drawn by a state or federal savings and loan association, or savings association, or savings bank specified in Section 5102 of the Financial Code and authorized to do business in this state. In the event tender other than cash is accepted the Trustee may withhold the issuance of the Trustee's Deed until funds become available to the payee or endorsee as a matter of right. Said sale will be made, but without covenant or warranty, express or implied, regarding title, possession, or encumbrances, to satisfy the indebtedness secured by said Deed, advances thereunder, with interest as provided therein, and the unpaid principal balance of the Note secured by said Deed with interest thereon as provided in said Note, fees, charges and expenses of the trustee and the trusts created by said Deed of Trust.

NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property.

NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, ben-

eficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 916-939-0772 or visit this Internet Website www.nationwideposting.com, using the file number assigned to this case PFI-201522. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Website. The best way to verify postponement information is to attend the scheduled sale. Germaine Burrows is Stonyford Rodeo Parade Grand Marshall

By Roy Stewart, SCHA

STONYFORD, CA (MPG) - Germaine Burrows, a long-time resident of Stonyford, has been selected to preside over the 2021 Stonyford Rodeo Parade as Grand Marshal. The 2021 Stonyford Rodeo will also be dedicated to her. Germaine worked for the Mendocino Forest, where she retired after 30-plus years. She is a proud mother, grandmother and great grandmother, with two sons, three granddaughters, two grandsons, and one brand new great-granddaughter. She has been a dedicated, working member of the Stony Creek Horsemen's Association since the early 1990s.

She began her rodeo work by assisting her mother, the late Eleanor Bill, in making and selling Indian Tacos. Later she began working in the bar. She is currently a Director of the association and manages the large campgrounds behind the arena. Germaine and her dedicated crew begin their rodeo work on the preceding Wednesday, when they open the campgrounds and begin greeting folks and

Germaine Burrows and her horse, Lucky.

making sure they are safe, comfortable and ready for the big weekend of rodeo that starts on Friday.

Go to www.stonycreekhorsemen.org for more information on the parade and rodeo. ★

Cause of Death Unknown for Suspect Barricaded in Attic

Yuba City Police Department

YUBA CITY, CA (MPG) - On April 19, 2021 at approximately 4:22 pm, Yuba City Police received a report of a family disturbance and violation of a restraining order in the 800 block of Spiva Ave., in Yuba City. Officers arrived on scene and contacted family members who were waiting outside. During the initial investigation it was determined the suspect, a male, 39 years of age from Yuba City was inside the residence armed with a hammer and being violent toward family members. The suspect could be seen damaging several items inside the residence by officers. The suspect was also throwing various household items out of the windows, forcing officers to back away from the residence. The suspect refused to exit the residence after several requests by officers. Crisis negotiators arrived on scene and attempted to talk with the suspect and de-escalate the situation to no avail.

The suspect is known to the Yuba City Police Department from several prior contacts and has several arrests for violent offenses. Based on the history of the suspect and being armed with a hammer, the Yuba-Sutter Regional SWAT Team

was activated. A search warrant and arrest warrant were authored and signed by a Sutter County Superior Court Judge. After several hours of attempted negotiations with the suspect it was determined he had barricaded himself in the attic of the residence. Chemical agents and less lethal munitions were deployed into the residence to get the suspect to surrender. The suspect did not surrender and the SWAT team entered the residence. The suspect was located inside the attic at approximately 8:10 pm and apprehended. No officers used firearms in this incident.

The suspect was provided medical aid on scene and transported to Rideout/Adventist Hospital. After several hours of receiving medical treatment, the suspect was pronounced deceased. The cause of death is unknown pending an autopsy.

Per protocol, the investigation has been turned over to the Yuba-Sutter Regional Officer Involved Shooting Team due to the nature of this incident. The suspect is not being identified at this time based on notification of next of kin by the Sutter County Sheriff/Coroner. Based on the ongoing investigation, no further information is available at this time. ★

Two Sutter County Men Arrested for Homicide

From Sutter County Sheriff's Office

SUTTER COUNTY, CA (MPG) - On March 6th, the Sutter County Sheriff's Office, with the assistance of the Yuba City Police Department, responded to a report of a shooting incident in the 1400 block of Countryside Dr. and Littlejohn Dr. Initial reports were that a vehicle pulled up to the side of the house and fired numerous rounds into the backyard of a residence, where a gathering was taking place. As a result of the investigation, 26-year-old Alex Rangel Romero and 20-year-old Miguel Angel Hernandez-Castro, both of Yuba City, were found deceased at the residence. Three additional victims were also injured and taken to Rideout Memorial Hospital for treatment of gunshot wounds.

On April 2nd, the Sheriff's Office received notification from the Department of Justice regarding DNA profiles from evidence recovered at the scene of the shooting. The Sheriff's Office conducted additional follow up, and on

April 6th arrested 19-year-old Jorden McDaniel of Yuba City, 19-year-old Dominick Sanchez of Marysville, and 21-year-old Julio Nuno of Yuba City, for charges relating to firearms possession and participation in criminal street gang.

Additional DNA samples were obtained and further analyzed by the Department of Justice, directly linking McDaniel and Sanchez to evidence collected at the scene of the shooting.

McDaniel and Sanchez have been booked on additional charges of alleged 187 of the California Penal Code- Homicide. At least one of the firearms seized on April 6th is believed to be directly related to the shooting and is being examined further for ballistic comparisons. This investigation is still ongoing and additional charges may be forthcoming.

"Our detectives have been working diligently on this case. These types of investigations are challenging, and I sincerely hope we can support those that have been victimized, while sending a clear message this type of criminal

behavior will not be tolerated in our community." Sheriff Barnes said. ★

Shooting Incident Under Investigation

By Leslie Williams, Yuba County Sheriff's Department

OLIVEHURST, CA. (MPG) -Yuba County Detectives are investigating a shooting that occurred on Wednesday 4/14/2021 at approximately 2:45 p.m., in the area of Beverly Drive and Ardmore Avenue in Olivehurst. Yuba County Sheriff's Dispatch Center received several 911 calls reporting shots fired in the roadway with callers advising it appeared to be multiple teenage juveniles with several cars involved.

Deputies responded to the area to locate one vehicle allegedly involved in the shooting, a white Honda Accord, had crashed. Three teens from that vehicle remained in the

area and were later transported to a local hospital to be evaluated and treated for minor injuries sustained in the vehicle accident. It was determined that a fourth juvenile ran from that vehicle prior to deputies' arrival and was no longer at the scene. No victims of gunshot wounds were located; but bullet shell casings were found in the street and collected for evidence.

Further investigation lead to the identity of a 14-year-old male juvenile suspect from Olivehurst who was arrested later that night for 246PC/Negligent Discharge of a Firearm and 245(a)(2)PC Assault with a Firearm. The case remains active and ongoing at this time, and we will update as further information becomes available. ★
