## 140th Annual Bok Kai Parade

Marysville, Ca – The Chinese Lunar New Year, Bok Kai Parade and Festival welcomes the Year of the Rat.

The Bok Kai parade's rich history is believed to have started as far back as the 1850s. Always held on the weekend closest to the second day of the second month of the Lunar calendar it is the longest continually held parade in California. The parade honors Bok Eye, considered to be the god of the North and is said to be the Chinese water god whose powers have prevented Marysville from flooding since

1880. Bok Kai's powers include overseeing waterways, irrigation and rain. It has never rained during the parade.

The parade starts at 11:00 a.m. at the corner of 6th and D Streets on Saturday, February 22. The Grand Marshall for the 2020 parade is Frank Booth. Following the parade there are many entertainment venues, with a Lion Dance performance at 4:00 on 113 C Street.

On Sunday the 23rd Bomb Day activities will take place in China Town at 1st and C Street. Also known as Bok Kai's birth-

day a tradition that began in the 1880's.

Bok Kai Parade Ambassador is Carson Kam. Carson Kam has lived in Marysville with family for almost two years now. He is attending his last semester at Cal Berkeley as a grad student in Economics. He did his undergrad studies at University of Central Florida. Carson was born in Florida and is a first generation born Chinese American. He is the youngest of four in his family. He hopes to stay in the Northwest part of the country after graduation.

## Commercial Apartment Fire on McRae Way, Yuba City

Yuba City, Ca.

On Monday, February 10th, at approximately 4:50 AM, Yuba City Fire Department personnel were dispatched to 385 McRae Way for an apartment fire. Fire personnel was initially advised of 4 apartment units already involved. Upon arrival at the scene, fire personnel found heavy fire involvement in a two-story apartment building, with several other adjacent apartment units and buildings threatened. Fire personnel performed fire attack operations and were able to confine the fire to the eastern portion of 385 McRae. The fire was contained within 2 hours, resulting in major fire damage to a total of 9 units in the apartment complex.

Due to the nature of this fire, all Yuba City Fire Apparatus responded on first-alarm and second-alarm. The McRae Way

incident resulted in strong cooperation and collaboration with numerous agencies, including our mutual and automatic aid partners. Yuba City Police, Sutter County Fire, Marysville Fire, Linda Fire, Red Cross, and the Trauma Interventions Program (TIP) all played significant roles in mitigating this incident. Fire personnel remained throughout the night performing overhaul, salvage, and maintaining the chain of custody for the Fire Investigation. We are all very thankful there were no civilian injuries or fatalities.

The Trauma Intervention Program (TIP) and Red Cross were requested to assist with temporary shelter and care of the displaced residents. A total of 30 adults and 10 children were displaced from the 9 damaged units and an additional, 30-35 people in the remaining apart-

ment complex were also displaced due to the damage and subsequent termination of gas and electricity. A temporary shelter was established at the Main Exhibit Hall at the Yuba-Sutter Fairgrounds for those who were displaced and were unable to locate temporary housing. The Red Cross advised that the shelter will remain open until all individuals in the shelter have located temporary housing.

The fire is currently under investigation by Yuba City Fire Investigators.

And finally, the City and the entire community sincerely thank all first responders (including our Yuba City Police Department) who performed exceptionally well in extinguishing the fire as quickly as possible and evacuating all residents without any injuries or fatalities.

## Your Water Your Money

*by Lou Binninger*

Incumbent Yuba Water Agency (YWA) director Charlie Mathews was interviewed recently on the Yuba Sutter Political Spotlight. It can be viewed on the Spotlight's Facebook page.

Mathews is an agri-businessman who operates a rice-growing and dryer operation based in Yuba County. YWA's board is comprised of the five County Supervisors and two at-large citizens elected from North and South Yuba County. Mathews is in the North.

Four years ago, Mathews' concern was that the financial affairs of YWA were not transparent and therefore the agency was not answerable to the citizens of Yuba County. If people are not fully informed of the workings of the agency they cannot have an educated response according to Mathews.

In his first campaign, Mathews also worked to put an initiative on the ballot to distribute some of the agency's funds more equitably among other water agencies and farmer/water pumpers (beneficiaries from selling water). The initiative was blocked from the ballot by a YWA legal move undermining any opportunity of the voters to have a say in how YWA revenues were spent.

Recently, Mathews and former Marysville City Councilman Dale Whitmore recommended a plan to clean-up Ellis Lake using Yuba River water that would eliminate the long-standing algae problem caused by pumping mineral-laden ground water. The two men offered to pay (Mathews \$10,000 / Whitmore \$1,500) to restart and operate an existing pump located at the Yuba River.

Mathews was critical of a nonsensical plan devised by EKI Environment and Water who he believes conducted a flawed and biased study favoring placing 25 aerators in the lake bottom and treating the lake with chemicals. EKI's nearly \$700,000 project would not clean the lake enough for any water contact by people.

## CA Corruption and Dysfunction

*by Lou Binninger*

The government in California is not only corrupt and incompetent but very expensive at every level. It is grossly overstaffed and routinely under performs.

Thousands of employees get overgenerous salaries/retirement for mediocre service. In fact, they don't work very often when holidays, vacation, family leave, sick days, personal days etc. are deducted. Taxpayers are being ripped-off.

California has the highest marginal income tax rates in the nation at 13.3%. Nearby Nevada, Washington and Texas have no state income tax. Oregon is 9.90%, Arizona 4.50%, Utah 4.95% and Idaho is 6.95%.

DMV fees for some cars are the price of a cheap used car in past years. DMV's greatest success has been wrongly registering thousands of people from foreign countries to vote Democrat. If you need to go to the DMV office take a novel, lunch and medications.

Sutter County Supervisors thought the best they could do for a County Administrator was a discredited Thousand Oaks City Manager that was unanimously canned there for unethical behavior. He was so richly paid (more than \$300,000 annually with all the perks) here that he could afford to commute from Ventura County 400 miles away.

He showed-up enough to keep his job until he could find work elsewhere. Sutter County was a cheap trick for him to clean-up his reputation and return to SoCal. That was an expensive date thanks to Sutter County Supervisors getting played.

Yuba County Administrator Robert Bendorf, and his wife Melanie like working in Yuba County, but not enough to live there. They reside in Placer County. If Melanie is elected Yuba County judge then they will be paid nearly a half million tax dollars an-

## THE Brownsville Bailiwick & Beyond

On March 3 there will be several elections, some local, some not so. In order to have things working well, it is important to stay involved, take part in making decisions, or not complain. At Yuba Feather Community Services that annual election of board members will take place soon after 7 pm at the community center. On

the board of nine members, each year three come up for reelection or replacement. In addition, there have been a couple of members resign. It is important to take part in the organization that operates the community center, park, amphitheater and fields. Come cast your vote.

The plans for 4 Peddler's Fairs are in the works for this summer. Three in Brownsville and one in Forbestown. The three dates in Brownsville will be May 23, July 4 and September 5 and will be held at the Brownsville Mercan-

tile and Books & More parking lots. The date in Forbestown will be August 1 and will be held at the Forbestown Park. If you are interested in selling at any or all of these events please contact Christine mills at 530-675-9225 or irish-shopgirl.12@gmail.com to reserve your space or for more information.

The weather sure has been spring like. But don't be fooled, winter is not over yet. It's just hiding, waiting to leap out again. My daffodils have bloomed and I have seen snow on their little heads more than once.

Look Back in Time – In 1906 forty pupils attended Forbestown school (now you can visit the Yuba Feather museum in Forbestown and see a replica of Forbestown school).

Hope to see you in Brownsville soon.

## Food and Farm News

### Coronavirus outbreak disrupts trade missions

Concerns about the coronavirus outbreak in China have led some farm groups to postpone trade missions to the country. Heeding the advice of market representatives in China, the California Prune Board, for example, will not take a delegation of growers to China and Hong Kong this spring to promote the product. China's efforts to contain the public health crisis also call into question whether it will be able to meet its obligations under the U.S.-China Phase 1 trade agreement, which takes effect Friday.

### Environmental footprint of California dairy farms shrinks

New research in the Journal of Dairy Science finds that the climate footprint of milk production in California shrank dramatically between 1964 and 2014. This is attributed to improved nutrition and more efficient use of water, among other factors. One San Joaquin Valley dairy farmer said that although there's still work to do, the numbers show dairies have come a long way.

### Technology on the rise in the field--and the farm office

A recent agricultural-technology summit in Modesto focused not just on the flashy, but also the mundane. One farm-tech officer spoke of the need to use technology to track finances in real time, as a way to help farmers make more informed decisions about money. Getting the next generation interested in the business is the focus of one educator who helps teens find internships with equipment makers.

### Farm Bureau leader helps kick off World Ag Expo

Billed as the world's largest agricultural equipment show, the World Ag Expo opened a three-day run in Tulare Tuesday. More than 100,000 visitors from 65 countries will explore displays of equipment, technology and services for farms and ranches. Opening the show, American Farm Bureau President Zippy Duvall described agriculture as the most exciting and important business in the world.

## FISHIN' TALK

by Boots Johnson

*Dan "Boots" Johnson has fished and hunted in California for more than 75 years. Anyone with questions or comments can email him at boots3@syix.com*

All this nice weather we have been having lately sure makes a person want to get out on the water and catch a fish or two. Speaking of water, we advise to stay away from the Feather River with your boat at this time. The River is low, very low and muddy due to the ditch construction north of Yuba City. I am willing to bet even a jet boat would be in trouble.

The spring like weather at Lake Almanor has got the bite going at this time. The bite is not hot yet but bank anglers and trollers are catching fish.

Englebright Reservoir is still the place to go for rainbow trout. Run-off from the Yuba River has been minimal so far this February which has no muddy water entering the lake. In fact, the water is clear as a bell at this time. Best bet is to troll with flashers and a night crawler.

We are told a monster carp was pulled out of Ellis Lake recently. An attempt to get more info has not been successful.

A report from Lake Almanor at Chester tells us the warmer weather has gotten the fish active here. The scenery is out-

standing with this beautiful lake sitting in a valley surrounded by mountains covered in snow and the tall active volcano called Mount Lassen in the background. Wow! What a picture it is.

Thinking back there is nothing which will turn off the bite this time of year like the north wind and full moon nights. When this happens you might as well stay in the sack and catch a few more sleep because nine out of ten times that is what the fish will do.

Collin's Lake either already has or is about to start their planting of trout for the upcoming

season. Some of the fish placed in the reservoir will be trophy fish. If it was I and I caught one of the big ones I would take a quick picture and turn it loose. Planted fish which get that size are not on my table fare due to soft fat mushy flesh.

Scott's Flat Reservoir above Nevada City is still on the must go list. Rainbow trout are still just waiting for your flashers and worms or lures. Reports tell us limits of 14 to 18 inch fish are common.

Closing thought: "Attitude is the difference between an ordeal and an adventure."

# Mark Your Calendar for the Stonyford Rodeo

Mark Your Calendar for the Stonyford Rodeo

The 77th Stonyford Rodeo will again be a three day event. Please mark your calendar to start your weekend of fun on Friday, May 1 through

Sunday, May 3. Friday, our weekend of rodeo will kickoff at 5 p.m. and likely end around 7 p.m. On Saturday join us and participate in our annual parade at 10 a.m. This parade is a traditional

event that first began in 1939. It's a colorful conglomeration of old cars, sheriff's posses, unique floats, rodeo queens, and the Corkill Wild Bunch. The Corkill Wild Bunch are a group of fifty or so men and women from all over America who have been gathering in Stonyford to entertain parade onlookers with their zany, themed costumes and dance since 1987.

Saturday's rodeo begins at 1 p.m. and ends around 4 p.m. Sunday's performance begin at

noon and consists entirely of amateur events. This is the day to support our young and older, local rodeo athletes who compete in steer riding, team roping, mutton bustin' and barrel racing events. It is also an opportunity to participate in some of the family fun events planned.

Online tickets, parade entries, amateur entries and information will be available on our website: [www.stonycreekhorsemen.org](http://www.stonycreekhorsemen.org).

## Yuba County Tobacco Education Team Educates Public on Vaping Laws

Marysville, Ca.

The nationwide ban on flavored e-cigarettes went into effect Thursday, Feb. 6, and while the goal is to curb smoking among teens, public health officials have concerns. This ban takes aim at flavors enticing to kids like mint and fruit, but does not include menthol and tobacco-flavored vaping products. The ban also only covers cartridge-based products with refillable tank models (like Juul and Suorin). Over the next week, the Tobacco Education team through Yuba County Public Health will visit local businesses to educate them on which products are included in the federal ban, and to offer support through the transition. But what the Tobacco Education team is already seeing crop up in local schools is the Puff Bar, a disposable device that holds around 300 puffs—with nicotine levels equal to about a pack and a half of cigarettes. This bar is not refillable, so it's not covered under the ban. The ban also does not include flavored cigarillos, blunt wraps and cigars, which are popular because they are cheap and come in many flavors. Even before the federal ban went into effect, the Tobacco Education team has found disposable cartridges around parks and confiscated from local schools. Because Yuba County has a higher smoking rate than that of the state (15 percent of adults smoke in Yuba County, versus 11 percent overall in the state), officials encourage parents to famil-

iarize themselves with these devices. "While this federal ban is a step in the right direction, teens are still finding vaping products with high nicotine levels," Tobacco Education Project Director Carin Watts said. "We also want the community overall to understand the extreme health risks that come with the use of tobacco products." Nicotine use leads to a greater risk of respiratory diseases, cancers, stroke, heart disease, as well as discolored and unhealthy teeth. Particularly during developing years, nicotine can rewire the brain, and can worsen impulsivity, learning difficulties, anxiety and mood swings. According to Flavors Hook Kids (Tobacco Free California): --A recent sudden lung illness outbreak from vaping has affected more than 1,000 people, the youngest being 13

years old. --Teens are seven times more likely to vape nicotine than adults. --Marijuana vaping among youth has

increased by 58 percent in a single year. --Kids report vaping as early as 12 years old.

**The Gentleman**

Starring: **Matthew McConaughey, Charlie Hunnam, and Michelle Dockery.** Rated: R, Runtime: 1 hr 53 min.

A young American earns a scholarship to Oxford University in England. He finds that he is more inclined to a criminal lifestyle than a scholarly one and builds an empire that runs smoothly until he decides to sell it and go into retirement.

The Gentleman, earns two out of five, Underground Growing Monkeys. The story is told in a narrative style that is interesting and strives a little too hard to be edgy and cool. The acting is engaging and nice to watch. The cinematography is very well done. The Gentleman, is not a horrible movie, just not worth the price of full admission and the cost of fuel to get to the theater. A counterpoint is that you get to sit in a comfortable seat with a friend and escape the world for a couple of hours. So enjoy either way.

### COMBINED NOTICE OF FINDING OF NO SIGNIFICANT IMPACT AND INTENT TO REQUEST RELEASE OF FUNDS

January 18, 2020  
Yuba County Community Development Dept.  
915 8th Street, Suite 123  
Marysville, CA 95901  
(530) 749-5430

**This Notice shall satisfy the above-cited two separate but related procedural notification requirements.**

#### REQUEST FOR RELEASE OF FUNDS

On or about March 3, 2020, Yuba County will submit a request to the State of California, Department of Housing and Community Development (HCD) for the release of Community Development Block Grant (CDBG) Program Income Reuse Funds under Title I of the Housing and Community Development Act of 1974 (PL93-383), as amended, to undertake a program known as Owner-Occupied Rehabilitation Program (OOR Program), for the purpose of providing financing to income-eligible single-family households to rehabilitate homes within the incorporated and unincorporated areas of the County of Yuba, CA. During the program period of March, 2020 through March, 2022 the OOR Program will utilize CDBG Program Income reuse funds, in the amount of \$360,000, to provide both grants and loans to rehabilitate a maximum of 24 homes/units. The Area of Consideration for this program is the incorporated and unincorporated areas of the County of Yuba, CA.

#### FINDING OF NO SIGNIFICANT IMPACT

The activities proposed are categorically excluded from the National Environmental Policy Act requirements under U.S. Department of Housing and Urban Development regulations at 24 CFR Part 58.35(a). The County of Yuba has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Broad-Level Tiered Environmental Review Record (BLT-ERR) on file at the Yuba County Community Development and Services Agency (CDSA) at 915 8th Street, Suite 123, Marysville, CA and may be examined or copied weekdays 7:30 a.m. to 4:30 p.m. The County of Yuba will use the Appendix A format to supplement this BLT-ERR with additional site-specific reviews further addressing Historic Preservation, Airport Clear Zones, Flood Insurance, and Flood Management prior to approving any loan or grant under this program.

#### PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the BLT-ERR to Kevin Mallen, Yuba County Community Development and Services Agency, 915 8th Street, Suite 123, Marysville, CA 95901. All comments received by March 3, 2020 will be considered by the County of Yuba Community Development and Services Agency prior to authorizing submission of a request for release of funds. Commenters should specify which part of this Notice they are addressing.

#### ENVIRONMENTAL CERTIFICATION

The County of Yuba certifies to the HCD that Kevin Mallen, in his capacity as Director of Community Development and Services Agency, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. The States approval of the certification satisfies its responsibilities under NEPA and related laws and authorities, and allows the County of Yuba to use Program funds.

#### OBJECTIONS TO RELEASE OF FUNDS

The State will consider objections to its release of funds and the County of Yuba's environmental certification, received by March 3, 2020, or a period of fifteen days from its receipt of the request only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer or other officer of the County approved by the State; (b) the County has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient or other participants in the project have committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by the State; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58) and shall be addressed to the California Department of Housing and Community Development, Contract Management Section, P.O. Box 952054, Sacramento, CA 94252-2054. Potential objectors should contact HCD to verify the actual last day of the objection period.

You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. **NOTICE TO PROPERTY OWNER:** The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call **800-280-2832** for information regarding the trustee's sale or visit this Internet Web site <http://www.qualityloan.com>, using the file number assigned to this foreclosure by the Trustee: **CA-19-870563-JB**. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. The undersigned Trustee disclaims any liability for any incorrectness of the property address or other common designation, if any, shown herein. If no street address or other common designation is shown, directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale.

If the sale is set aside for any reason, including if the Trustee is unable to convey title, the Purchaser at the sale shall be entitled only to a return of the monies paid to the Trustee. This shall be the Purchaser's sole and exclusive remedy. The purchaser shall have no further recourse against the Trustor, the Trustee, the Beneficiary, the Beneficiary's Agent, or the Beneficiary's Attorney. If you have previously been discharged through bankruptcy, you may have been released of personal liability for this loan in which case this letter is intended to exercise the note holders right's against the real property only. IF YOU NEED AN EXPLANATION OF THE NATURE OF THE PROCEEDING AGAINST YOU, YOU SHOULD CONTACT A LAWYER.** Affinia Default Services, LLC, as the duly appointed Trustee, under and pursuant to the power of sale contained in that certain Deed of Trust Recorded 05/30/2008 as Document No.: 2008R-008211, of Official Records in the office of the Recorder of Yuba County, California, executed by: CURT E. CARROLL, A SINGLE MAN, as Trustor, WILL SELL AT PUBLIC AUCTION TO THE HIGHEST BIDDER FOR CASH (payable in full at time of sale by cash, a cashier's check drawn by a state or national bank, a check drawn by a state or federal credit union, or a check drawn by a state or federal savings and loan association, savings association, or savings bank specified in section 5102 of the Financial Code and authorized to do business in this state). All right, title and interest conveyed to and now held by it under said Deed of Trust in the property situated in said County and state, and as more fully described in the above

referenced Deed of Trust. Sale Date & Time: 03/12/2020 at 09:00 AM Sale Location: Yuba County Courthouse, The Fifth Street Entrance, 215 Fifth St., Marysville, CA 95901 The street address and other common designation, if any, of the real property described above is purported to be: **1941 PLUMAS ARBOGA ROAD (Unincorporated Area), MARYSVILLE, CA 95901** The undersigned Trustee disclaims any liability for any incorrectness of the street address and other common designation, if any, shown herein. Said sale will be made in an "AS IS" condition, but without covenant or warranty, expressed or implied, regarding title, possession, or encumbrances, to pay the remaining principal sum of the note(s) secured by said Deed of Trust, with interest thereon, as provided in said note(s), advances, if any, under the terms of the Deed of Trust, estimated fees, charges and expenses of the Trustee and of the trusts created by said Deed of Trust, to-wit: \$277,946.32 (Estimated). Accrued interest and additional advances, if any, will increase this figure prior to sale. It is possible that at the time of sale the opening bid may be less than the total indebtedness due. **NOTICE TO POTENTIAL BIDDERS:** If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. **NOTICE TO PROPERTY OWNER:** The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call, 1-800-280-2832 for information regarding the trustee's sale or visit this Internet Web site, [www.auction.com](http://www.auction.com), for information regarding the sale of this property, using the file number assigned to this case, T.S.# 9948-2069. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the internet Web site. The best way to verify postponement information is to attend the scheduled sale. If the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Trustee and the successful bidder shall have no further recourse. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 916-939-0772 or visit this Internet Web site [www.nationwideposting.com](http://www.nationwideposting.com), using the file number assigned to this case PFI-191361. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. ## Y-S Transit Route Modified in S. Yuba City

Marysville, Ca. – Effective Tuesday, February 18, 2020, Yuba Sutter Transit will make a minor modification to Route 2B in south Yuba City to eliminate the unprotected left-hand turn from Bunce Road to Lincoln Road. Instead of the current routing, Route 2B buses traveling south on Clark Road will turn left on Richland Road, right on Railroad Avenue and left on Lincoln. The current bus stop on the southwest corner of Bunce and Richland will be moved to the southeast corner of Richland and Bunce. A notice has been posted at the existing bus stop. No other bus stops or route segments will be affected, and these changes will be reflected in the Yuba-Sutter Transit Ride Guide when it is next updated. For more information and up-to-date service bulletins, call Yuba-Sutter Transit at (530) 742-2877 or visit our website at [www.yubasuttertransit.com](http://www.yubasuttertransit.com).

## Which of These Costly Homeseller Mistakes Will You Make When You Sell Your Home?

- A new report has just been released which reveals 7 costly mistakes that most homeowners make when selling their home, and a 9 Step System that can help you sell your home fast and for the most amount of money.

This industry report shows clearly how the traditional ways of selling homes have become increasingly less and less effective in today's market. The fact of the matter is that fully three quarters of homesellers don't get what they want for their homes and become disillusioned and - worse - financially disadvantaged when they put their homes on the market.

As this report uncovers, most homesellers make 7

## Your Water Your Money

The Mathews – Whitmore plan would be practical and inexpensive since the Yuba River water is free and the lake would function like a natural lake with an inlet and outlet of river water. Unfortunately, the city council is going forward spending hundreds of thousands of taxpayer dollars for the EKI contraption.

Mathews' interview on Facebook is an opportunity for some insight into the inner workings of YWA that are normally sheltered from the public's view. Charlie's farmer/citizen/businessman perspective has disrupted a board that tends to always agree with its director.

WW II Army General George S. Patton liked to say "If everyone is thinking alike, then somebody isn't thinking."

Mathews said that for ten years the agency board had two members elected from an advisory council made-up from local water and reclamation districts, utilities and municipalities for two-year terms rather than two at-large community members. The former approach offered the board a higher level of water and flood control expertise.

The change to at-large members eliminated the expertise and substituted another political job for ex-supervisors who had the name recognition to get elected by the voters.

Mathews said when he was elected YWA had about \$50 million in the bank and while on the board YWA has made \$55 million in loans and grants. Now, there is \$150 million in reserves.

However, Mathews says the board still is not transparent. It gives money away via a 3-person pod committee that meets on Thursday with a final board vote on Tuesday. Mathews says the pod recommendations are "rubberstamped" by the YWA board without any public input. He thinks it is a rushed and not properly vetted approach.

Mathews contends that citizens and other elected officials need to have more of a say in how millions of dollars are distributed. He reports that before he came on the board YWA funds were being poorly invested with half its revenue sitting in a no-interest checking account and the remaining monies earning just 2% interest. Mathews feels that today YWA is doing a better job earning interest on its funds.

Mathews' view on YWA being awash in millions of power and water sales dollars is – "When you have extra income, it's hard to be frugal. But just because you have extra income it does not give you the right to not be frugal."

Mathews wants "every decision to be business-based" and he is not convinced that is occurring. He wants YWA directors to be more responsible stewards for Yuba County citizens.

Regarding his "Your Water Your Money" campaign slogan, Mathews said when he ran four years ago, YWA directors thought that it was "their water and their money." He believes "the culture still needs changing."

LETTERS TO THE EDITOR / OPINIONS

Measure C

The new bond if passed could add another 20% to our taxes which in my case was added in 4 parts over 4 years time for just a single bond because the initial tax and 3 that fol-

lowed could not cover all the interest. That bond was passed 10 years ago after passed by 3 of the 4 counties to which it was presented. As usual, most of those voting

did not have to pay for it themselves, not being property owners. I own a small farm in Sutter.

County Supervisors Bear Responsibility

The North Yuba Water District was formed on July 22, 1952 as an independent special district. It is a multi-county agency, as a portion of its northern boundary extends into Butte County. Yuba County's LAFCO has jurisdiction over this district. At this time the water district is:

- Proceeding to build an undersized pipe with support from the Yuba Water Agency
- Trying to avoid CEQA documentation for its Forbestown Ditch Piping Project
- Is in an argument with South Feather over water sales
- Ignoring a request from South Feather to start a dialog over their 2005 agreement
- Has the General Manager denying district documents to a duly elected director, that would be provided to any other director
- Being sued by one of its own directors
- Is not transparent and ignores questions about its activities
- Paying a publicist \$40,000 to improve its public relations image
- Has earned a widespread reputation for having governance problems
- In the last nine years, has had a number of "short" seasons and complete failures to provide water to its irrigation customers.
- Is publicly attacking private citizens through its tax-payer funded newsletter

One could characterize the North Yuba Water District as troubled. Not just troubled but engaging in actions of questionable legality. The Yuba County Board of Supervisors, having jurisdiction over this troubled water district, bears the responsibility to see this district properly functions for the benefit of all of its customers.

It is not the job of the district's customers or private citizens to undertake correcting the way this water district is being mismanaged. That responsibility falls squarely on the shoulders of the County Supervisors.

It is this Board of Supervisor's responsibility to address and fix the troubled North Yuba Water District.

Live Oak City Administration Alarmed  
By Dis-Incorporation Campaign

by Rick Dais

In 2009 Live Oak water well #5 was decommissioned over nitrate issues. Eleven years later and over a million dollars in cost overruns; a replacement well #7, is nowhere near completion! The City staff doesn't seem to be in much of a hurry.

In contrast, at 10 a.m. on January 30 this author collected some dis-incorporation papers from the local Sutter County LAFCO. By 11:08 a.m. Live Oak City staff was already raising the alarm. Nice to know they have a pulse after all.

Why the great concern on the part of Live Oak staff? If the dis-incorporation is approved by Live Oak citizens after a mandatory election, Live Oak City Hall and our ill-fated Live Oak City Council will disappear. Sutter County will then assume all functions carried out by the City of Live Oak. The dis-incorporation process is still in early infancy. Hopefully a lot more public debate will ensue. After all this is an election year.

Voters should note the County already provides our two main

services; fire and law enforcement. The latest Comprehensive Annual Financial Report indicates Sutter County performs these two critical functions way more economically than Live Oak provides less critical services such as Parks and Recreation.

More information on the dis-incorporation proposal will be forthcoming. I and others look forward to talking with the hard working citizens of Live Oak about this exciting development. I can be reached at (530) 844.4757

Vote NO  
Taxes and Bonds

Vote NO; It's the neighborly thing to do. Voting NO on taxes and bonds encourages our elected officials to use creative problem solving. When we vote to approve bonds and other methods of taxation, we are voting to force our neighbors to pay or risk the loss of their property.

When the Yuba County Supervisors were unable to use disputed Measure K funds, they buckled down, put their heads together and figured out how to pay for the public safety improvements they wanted without the Measure K sales tax, demonstrating that if there is a NO VOTE, officials will find a way.

The cost of a bond is double the asked amount

and paid over 30+ years; a \$15M bond will cost about \$30M. Yuba College is already collecting four bonds and is asking for a 5th. Plumas Lake School District levied a special tax and now wants a bond; Wheatland Union High School is asking for a 2nd bond. And at current growth rates, WUHS will probably be asking for a 3rd in the next 10 years to build another school.

Voting NO will protect

your neighbors' pocket-books, and force officials to think outside the box. Is there a donation button on any of their websites? Let's join together and VOTE NO on ALL BONDS and TAXES, regardless of how charismatic the official, how earnest the plea, or how noble the cause. Ignore the scare tactics. Do the neighborly thing . . . VOTE NO

CA Corruption and Dysfunction

nually and live in Placer or anywhere but Yuba.

Those were the good old days when highly-paid community leaders liked the area enough to dwell there.

The Sacramento Bee reported in June that taxpayers paid more than \$21,000 for former Caltrans director Laurie Berman to commute to Sacramento from San Diego for a year. The state paid for Berman's flights and most of the rent for a Sacramento apartment, along with thousands of dollars more in Lyft rides, rental cars and meals. Berman retired in June.

Berman's successor in her previous San Diego Caltrans post, Ryan Chamberlain, also billed the state for regular Sacramento travel. Chamberlain received about \$20,000 for flights to and from the capital from March 2018 through March 2019 and was reimbursed about \$3,000 in car rentals.

Yuba County Administrator Bendorf gave us the flawed Measure

K 1% sales tax increase that was invalidated by Yuba Superior Court Judge Berrier's ruling. Bendorf and Yuba County Supervisors chose to appeal Berrier's ruling costing county taxpayers \$10,000 a day until the case is ruled upon in Sacramento.

That \$10,000 a day could have been used by hard-working families for children's clothes and medical care, for mortgages etc. More than \$4 million dollars have been taken by the county from some of the poorest people in California in what amounts to government fraud.

Yuba County Supervisor Gary Bradford was the most outspoken proponent of Measure K, falsely claiming that the monies from K were dedicated to public safety and to a special restricted fund. Bradford may have been easily confused by Bendorf or he knew the truth and chose to deceive his constituents.

Bradford claims to be a conservative but has never found a tax he

didn't support including the plethora of bond measures on the current ballot. In fact, he opposed the 2016 Prop 6 gas tax repeal. The repeal was defeated leading to gas tax funds being diverted from road upgrades to be used for the bullet train and mass transit.

Even Assemblyman Gallagher and Senator Nielsen, both Republicans, said there were ample funds in the budget to maintain the roads without SB1 that hiked fuel taxes and DMV fees. Californians are paying 10 times the DMV fees compared to the same vehicles registered in some states due to SB1.

Gas prices in states like Missouri and Tennessee are in the \$1.70's and \$1.80 per gallon compared to over \$3.18 in Marysville, CA. And, Bradford endorsed that.

Thinking about not voting? Those choosing not to vote give their choice to others and this is the California they get.

# “Organ Madness” Organ Festival Coming to Yuba-Sutter Two Concerts - Six Organists

Marysville, Ca. – Get ready for an organ extravaganza. The well-established Yuba-Sutter organ concert series resumes on Saturday, February 22nd at 3pm at First Lutheran Church in Yuba City with a birthday tribute to series producer, Marian Metson. Marian has assembled a star-studded cast of organists to help her ring in the start of her ninth decade. The performers will include Ryan Enright – Titular Organist, St. John’s Lutheran Church Sacramento, Helen Mendenhall – Former Accompanist Sacramento Children’s Choir, Rex Rallanka – Director of Music Cathedral of the Blessed Sacrament, David Rothe – Professor Emeritus Chico State and, of course, Marian.

Marian Metson was the organist at First Lutheran from 1994-2010. During her tenure at the Church, there was a successful concert series that attracted top organists from around the country. Due to a generous anonymous gift, she has been able to reinstate the series. The birthday tribute concert to Marian will be held on Saturday, February 22nd at 3:00pm at First Lutheran Church, 850 Cooper Avenue in Yuba City. The concert is Free, but donations will be accepted for the upkeep of the organ.

But wait, there’s more...a second concert will be held on Tuesday, March 2nd at 7:30pm also at First Lutheran. The special guest organist will be David Higgs, one of America’s leading concert organists. Mr. Higgs is Chair of the Organ Department of the Eastman School of Music and has been a member of the faculty since 1992. He performs extensively throughout the United States and abroad and has inaugurated many important new instruments including St. Stephen’s Cathedral, Vienna; the Meyerson Symphony Center, Dallas; St. Albans Cathedral, England; and the Church of St. Ignatius Loyola in New York City. A native of New York City, Mr. Higgs has performed classical music as well as rock, gospel and soul music. He earned the Bachelor and Master of Music degrees at the Manhattan School of Music. Mr. Higgs has recorded for Delos International, Pro Organo, Arsis, Loft, and Gothic records. Donations will be accepted.

The highly regarded First Lutheran Church organ was built by internationally renowned organ builder Munetaka Yokota, who went on to build organs at universities in Sweden and in Rochester and Ithaca, New York in addition to Chico State. Yokota is revered in esoteric organ circles.

“We were able to collaborate with Chico State where the organ builder had built his first instrument and attract some of the finest organists available,” said Marian. “So now we have an opportunity for our community to once again hear a world class organist playing on a world class instrument right here in Yuba-Sutter,” she added.

For additional information, contact David Read at 530-749-8065 or david@yuba-sutterarts.org.

## United Way Building Volunteer Pool

Yuba-Sutter-Colusa United Way is seeking interested area residents and groups to be a part of its “Volunteer Pool” for future fundraising and community service events.

In order to fund its operation and wide array of community donations, including to its 27 Partner Agencies, the non-profit has three fundraising events.

In addition, YSC United Way also has projects to raise monies for specific causes, such as its Summer Cash for Food Drive and the Yuba-Sutter-Colusa Turkey Drive.

And finally, the free Community Resource Fair draws some 600 residents to meet with around 70 local non-profit and government agencies which provide low-cost and no-cost programs and services for low income families.

Adults, ages 18+, are invited to add their names to the volunteer list. Organized adult and youth groups are also welcome.

If you are interested personally or if you have an organization which may want to assist, please call the YSC United Way office week-

days between 8:30 and 4:00 at (530) 743-1847 or email terry@yscunit-edway.org.

Here is a list of 2020 events:

-April 25 “An Elegant Soiree Wine & Culinary Extravaganza”

-May 16 “Community Resource Fair”

-June/July “Cash for Food Drive”

-September 20 “Golden Autumn Wine Festival”

-October 31 “Spooktacular River Run”

-November on 11 dates “Yuba-Sutter-Colusa Turkey Drive”

## Your One Minute News Digest

by Don Rae

Garamendi introduces a bill to swat down rail oil tankers. While such might be a problem, it would be more productive of his time if he would introduce something to help us all – like considering using vacant military bases to house the homeless and help them out.

All the money thrown at the Homeless problem currently is wasted. The Democrats do not want to solve the problem. For some perverse reason, they want homelessness to increase. Did you note that coronavirus folks are being housed at military bases? Change the current laws to force homeless to be removed to military bases and treated for what ails them.

Nostalgia. Especially then thinking of how well the City of Marysville (and any other governmental body) is governed. Lots of salaries and benefits with continuing demands for more taxes. Think back to 2014 when a Marysville consultant was hired – with your money – to guide the “Bounce Back Plan.” The company didn’t do the job. Whatever happened to “Bounce Back”? Government projects are nothing more than money pits. Your money down the drain without a benefit of any kind for you.

And to continue the concern. The State wants to take over PG&E?

Imagine what a disaster that would be.

Pelosi did her best impression of a 2-year old temper tantrum by tearing up her copy of the State of the Union speech. She now says it was a spontaneous act. What a liar. She was seen on camera making small tears in the document well before the speech was over, thus showing intent.

Liberals are hilarious. They want to take God out of the public arena but tell us that we must take all illegal invaders because it is the Christian thing to do.

Having personally talked to Mitt Romney before, we can say he’s not the sharpest pencil in the box.

The mainstream media is so enamored about LTC Vindman that they ran nearly two full page stories from different news outlets lamenting his dismissal. Good grief. You would think he is Kobe Bryant.

CBS news recently reported “a 50% decline in the number of chinstrap penguins residing on Elephant Island and a 75% decline of those living on Penguin Island” all because of ..... drumroll please ..... global warming! Ironically, a scientific journal article from a 1991 study claimed that the chinstrap penguin population increased during the 1900s because of global warming. So apparently global warming can both increase and decrease the penguin population. Can’t the climate community get their story straight! Check out Trump’s recent statement on the subject at Davos: “We must reject the perennial prophets of doom and their predictions of the apocalypse. They are

the heirs of yesterday’s foolish fortunetelling.” PS - Congratulations to the mainstream media for publishing that statement even though it was in paragraph 7 of the Davos article – which hardly anyone reads that far in an article.

Democratic hopeful – and consistent liar – Elizabeth Warren wants a 9 year old transgender to select her Secretary of Education should Warren be elected President. Is she really that insane?

Watching the AT&T golf tournament at Pebble Beach is instructive as well as enjoyable. Did you happen to notice that the ocean has not risen to cover the course? Haven’t all the “experts” predicted our coast would be inundated long before now?

California’s gas tax will increase another 3 cents to 50.3 cents a gallon starting July 2020. This is an automatic gas tax increase that was part of SB 1. How much do you want to bet that little or none of the money goes to fixing roads and bridges? To make matters worse, the March primary will have 231 tax increases and bond measures, statewide and locally. The November election, easily, will double that. Can you afford it? Escape to Idaho, Texas or Arizona—Free States.

We’ve said it again and again. Any gun control measure is unconstitutional until the 2nd Amendment is repealed. Buying ammunition in California is now subject to a background check. Hopefully someone individually or as part of a class action needs to file in court to stop this continuing assault on our freedoms.

## “The Theater Art Gallery” Sutter Performing Arts Association’s

Yuba City, Ca. Beginning March 4 and throughout the month, The Theater Art Gallery in Yuba City welcomes painter **VERN HILL** and ceramicist **PAUL SPOTO** as our featured artists in March. Spend an evening at our gallery enjoying the **Artist Reception Thursday, March 5, from 5 - 7 pm**. The event is free with complimentary refreshments. Come and chat with the artists as you view their creative work. The art show and sale continues through March 28. The gallery is located next to the Sutter Theater at 756 Plumas Street, downtown Yuba City. Hours: Wed - Sat, 12 to 5 pm. Call 908-5704 or 329-1733. Visit us at <https://www.suttertheater.org/the-theater-gallery> or on Facebook.

Born in Montana, **VERN HILL** came to Yuba City in 1948 to visit his aunt Rachel. Two years later, he joined the U.S. Navy for a two-year stint, and then he enrolled in art classes at Yuba College. There he

met Phyllis who became his portrait model and wife, a year later. Vern finished his BA degree at San Jose State University and became a Registered Occupational Therapist. In 1966 he and Phyllis came back to the area, moving into the historic Howard House on East Butte Road where they raised four children. After retiring as a State Vocational Rehabilitation Counselor for Yuba, Sutter, and Colusa counties, Vern renewed his interest in painting during a trip to Costa Rica, visiting his daughter Julie and her husband Rick. Julie invited him “to come paint with me,” which he did in 2011 and has been painting ever since.

Ceramic artist **PAUL SPOTO** was born and raised in Yuba City and has lived in Sutter county his entire life. In 2010 he started working with clay, creating his first piece to test a wood stove he built. Throwing on the potter’s wheel came easily to him, and the tactile sensation of working with clay is

something he really enjoys. Paul fires most of his work in a kiln using propane, but occasionally he uses a wood kiln. Both propane and wood allow him to create glazes with brilliant colors. He prefers creating functional pieces, so that his ceramics can be used daily. Paul joined The Theater Art Gallery as a resident artist in 2014, and his beautiful ceramic pieces have an earthy yet elegant quality in an array of colors.

The Theater Art Gallery is open every week, Wednesday through Saturday, from noon to 5:00 pm. Call 908-5704 or 329-1733. Our friendly staff welcome you and admission is always free. Proceeds from The Theater Art Gallery benefit the Sutter Performing Arts Association’s effort to renovate the Sutter Theater, turning it into a viable community center. For more information, please visit our website at: <https://www.suttertheater.org/the-theater-gallery> or visit us on Facebook.

## Fenix Drum and Dance Company Live in Concert at Yuba Sutter Arts' Burrows Theater

Marysville, Ca.

Have you ever been to a music, theater or dance performance and thought, "Gee, I wish I could do that." Well here is your chance to not only witness a unique performance, but to learn what goes into bringing it to life on stage.

Yuba Sutter Arts is pleased to welcome back to its Burrows Theater, the Fenix Drum and Dance Company from Sacramento. Fenix is a performing troupe specializing in drumming and dance from West Africa, the Congo and the Caribbean. Their high energy multi-generational, multi-ethnic group highlights the richness and complexity of traditional dance and music of the African diaspora.

The concert will be held on Saturday, February 29th in The Burrows Theater at 630 E Street in Marysville. Doors open at 6:30pm and the concert starts at 7:00. Tickets are \$15 for General Admission. Refreshments will be available.

The program Fenix will present is a "journey" which begins in Africa and then travels across the ocean to the Caribbean and the Americas. It will literally take the audience from Africa to the Americas through a narrative told with music, drumming and dance that traces the history of African Americans from Africa to the New World. It is an interactive program that educates as well as entertains.

Now here's the part where you can be part of the show. Yuba Sutter Arts will host Fenix Drum and Dance classes on Friday evening, February 28th at

6pm and again on Saturday morning, February 29th at 11am. The cost for the two-hour class is \$20 and includes admission to the performance Saturday evening. Learn some of the basic drum and dance techniques that make any Fenix performance an exceptional experience and then you will help to make the magic happen on stage Saturday night.

Olivia Yasmin James, Artistic Director and Founder of Fenix, has been studying West African and Afro-Caribbean dance and drumming since she was nine years old. With a solid background in classical ballet, jazz, tap, and hip-hop, she strives to take traditional dance to a new level. She has studied extensively with master traditional teachers both in the United States and in West Africa. Olivia is a registered teaching artist

with Sacramento Metropolitan Arts Commission and is also a teaching artist for Yuba Sutter Arts in both its Jump STArts and Poetry Out Loud programs.

"We are always looking for ways to bring new cultural experiences to Yuba-Sutter that represents our melting pot of cultures," said David Read, Executive Director of Yuba Sutter Arts. "Olivia and the entire Fenix Drum and Dance ensemble have been great partners with us for a variety of projects," he added.

Come support live world music in the community and enjoy these very gifted musicians and dancers. Plenty of free parking is available on the streets adjacent to the theatre and at the Umpqua Bank and Bank of America parking lots directly across the street.

## Corona Virus and the Markets

With the Corona Virus making the main stream news, investors may be asking how much influence could the outbreak effect markets as the situation unfolds. As of this writing, over 41,000 cases worldwide have been reported with 910 deaths and 3,350 recovered. By the time you read this those numbers will have likely have vastly increased. The vast majority of cases and deaths have occurred in mainland China, the location of origin but the virus has spread to dozens of countries worldwide

The last serious virus that received worldwide attention was the SARS virus, a version of the corona virus family which broke out in China in the spring of 2003. 8,098 confirmed cases were reported with 774 deaths. Gross Domestic Product (GDP) in China fell about 1% as a result of SARS but overall markets held gains throughout the crisis with the MSCI World Index staging a gain of 21.56% in the six months following (Marketwatch).

That said there are many factors that could have influenced markets in the respective time period so conclusions are difficult to draw from the markets past performance.

Today China is a much larger player on the world stage having grown to the second largest economy in the world, behind

only the United States in GDP. The current strain of Corona is more virulent, affecting 3 times as many people in the few short weeks since the outbreak hit the news-wires. SARS, compared to this new strain appeared to be more deadly however, killing about 9.5% of people infected, while the death rate of this strain is about 2%.

Advance medicines and quarantine methods may have a lot to do with the lower mortality percentages. Being a more aggressive strain based on the number of people infected compared to SARS, just how far and how long the crisis will persist is unknown.

The fact is the virus is spreading exponentially, a reality of the nature of the beginning stages of contagious diseases. The more people that become sick, the more they themselves end up exposing other people through proximity or direct person to person contact.

As investors, we must take things into consideration both pragmatically and at the same time with foresight as to what COULD happen. Considering it is estimated that up to 42.9 million people fell ill during the 2018-2019 regular flu season, 647,000 people were hospitalized and 61,200 died, we have to put things in perspective. More people die from the regular cold and flu season yearly compared to Sars and Corona (so far).

It's not so much about the actual damage the illness might do to the population but more the FEAR of the virus. With fear comes less travel and less comingling by consumers which translates to reduced spending. This is what causes the real damage to economies and subsequently the markets they

represent. Indeed some of the photos coming out of China of some of the large metropolises looking like ghost towns is concerning.

The fact that the Lunar New Year is also happening in China. This popular holiday season has a significant contribution to China's GDP due to the massive travel and celebration the holiday usually fosters. With many Chinese people staying home it will certainly put a dent in consumer statistics. Considering tariffs are also taking a dent out of China's economic growth, this outbreak couldn't have come at a worse time.

Concluding, if the Chinese economy falters big time, it may have more of an effect on stocks worldwide than is currently being priced into the markets. Unless Corona is soon contained, a lingering presence could rattle markets long term with severe consequences being possible. Keep in mind no one can forecast market direction at any time and past performance does not in any way indicate future movements in the markets.

## \$8,000 in College Scholarships offered by Rotary Club of Marysville

Marysville, Ca.

The Rotary Club of Marysville announced that the club is now accepting applications for two distinct scholarship opportunities.

The first scholarship is for graduating seniors at Marysville High School and Marysville Charter Academy of the Arts who will be attending any public university, private college, community college or vocational technical school.

Marysville Rotary will provide up to six \$1,000 awards in this category. Two of the six scholarships will be set aside for students attending Yuba College.

The following selection criteria will be used:

1) attend a two- or four-year college or vocational technical school, 2) have a minimum GPA of 3.0, 3) be pursuing either an academic or vocational goal, 4) provide evidence of service above self in either community or school clubs or organizations. Need is not a criterion.

Applications for that scholarship are available through the scholarship coordinators at the schools.

The second scholarship opportunity is one \$2,000 award for a Yuba College student transferring to a four-year college or university.

For that award, the following selection criteria will be used: 1) be

currently attending Yuba College, 2) have a minimum GPA of 3.0, 3) be pursuing either academic or vocational goals, 4) provide evidence of service above self in either community or school clubs or organizations. Need is not a criterion.

Applications for that scholarship are available at the Financial Aid office at Yuba College.

Interested students can apply to both of these scholarship opportunities by mailing the application to: Rotary Club of Marysville, PO Box 630, Marysville, CA, 95901. The application deadline is April 1.

## United Way's "An Elegant Soiree" Coming to Hard Rock Casino in April

The Yuba-Sutter-Colusa United Way's premiere food, wine and entertainment event, the 21st Annual "An Elegant Soirée Wine and Culinary Extravaganza," will be held at Hard Rock Hotel and Casino Sacramento at Fire Mountain on Saturday, April 25 beginning at 6:00 p.m.

"The theme for this year's event is 'walking the Hollywood Red Carpet,' which will bring some exciting features for a fun night," said YSC United Way Executive Director.

The elegantly designed wine and food tasting event will feature samplings of about 70 tasting options, including premier local wines, northern California wines, international wines and several craft beers. Gourmet hors d'oeuvres will be served

by 15 to 20 area restaurants and bakeries. In addition, there will be a no-host bar, a large raffle with some 100 items and a live wine and vacation auction!

"The evening's entertainment is new and exciting," Harlan said.

Harlan is referring to the band, "Todd Morgan and the Emblems," that has created a song playlist and a sound with influences from every faction and era of American popular music. From jazz, blues, swing, classic rock and roll, soul, funk and even country, to present-day pop and rock, they've created a familiar, yet fresh and unique sound.

The evening's Master of Ceremonies is Robert Bendorf, Yuba County CAO and United Way President of the United Way board of directors.

Josh Harris is the auctioneer!

Following the main event, at about 8:45 p.m., there will be a dance MC'd by Eric Pomeroy of Superior Entertainment.

Dress is generally business, formal or costumes fitting this year's Hollywood theme.

Guests must be at least 21 years of age to attend.

For more information or to purchase tickets or sponsor, please call the Yuba-Sutter-Colusa United Way office at 530-743-1847 or visit their website at [www.yscunitedway.org](http://www.yscunitedway.org) and click on the "Events" page.

All proceeds benefit the Yuba-Sutter-Colusa United Way and its 27 local non-profit Partner Agencies and the premier of their new "Born Learning Academy."

## Assault with Firearm

Camptonville, Ca. — On Tuesday 2/11/2020 at approximately 10:30 p.m., Yuba County Sheriff's Department was contacted by Nevada County Sheriff's Department regarding a gunshot wound victim receiving treatment at a Nevada County Fire Station after reportedly being shot approximately one hour earlier on Alleghany Road in Camptonville, Yuba County.

The victim, a 36-year-old male transient, was transported by air to a Sacramento area hospital with a single gunshot wound to the abdomen; he has since been treated and released. The shooting was reported to have

occurred outside a residence in the 15000 block of Alleghany Road in Camptonville, following a verbal dispute between the victim and three unidentified white males, when one of the suspects discharged a single shot from a handgun that struck the victim.

Yuba County Detec-

tives responded and assumed the investigation, which remains active and ongoing at this time. If anyone has any further information about the incident, they are encouraged to contact the

Yuba County Sheriff's Department Investigations Unit at 530-749-7777.

## Director Flohr Denied District Documents

In December of 2018, Director elect Gretchen Flohr made a request of the North Yuba Water District General Manager Jeff Maupin for internal District files relevant to the Forbestown Ditch piping project. She was denied these documents.

In a recent letter to the Editor, Nancy Casey states, "Director Flohr is privy to district information that can be obtained directly from the manager...". After taking office, Director Flohr asked many times and was consistently and summarily refused documents. Ms. Casey is confused and factually wrong in her statement.

The North Yuba Water District is continuing to build an undersized pipe that will only carry 3,700 acre feet of the 23,700 acre feet the district has permits for. What is going to happen to the 20,000 acre feet that cannot fit down this pipe? The district will not say. See: [nywd.info](http://nywd.info)

Dear Mr. Maupin,

Please prepare copies of all CEQA documentation draft and complete pertaining to the Forbestown Ditch Pipeline Project. If this project has qualified for a Categorical Exemption- please provide all documentation relating to that determination. I will be picking all of that up on Tuesday when I arrive for our meeting. If there is no CEQA documentation for this project, please prepare a statement for me regarding that.

I am working on getting up to speed on important activities of NYWD.

Thank you for your assistance with this.  
Kind wishes,

## 2020 Scholastic Art & Writing Awards Ceremony at the Burrows Theater

Marysville, Ca. – February is a busy month at Yuba Sutter Arts as we recognize high school student artistic achievements. The recent Poetry Out Loud competitions resulted in two new County Champions being chosen to represent our community at the state finals March 15 and 16. Next up are the Scholastic Art & Writing Awards. This program is a collaboration between Yuba Sutter Arts and the Sutter County Museum. The Museum manages the “Art” part of the program and Yuba Sutter Arts handles the “Writing” piece. Collectively, these two organizations are the Northern California Regional Affiliates for seven counties; Colusa, Nevada, Placer, Sierra, Sutter, Yolo, and Yuba counties.

Now in its third year as the Northern California affiliate for the Writing Awards program, Yuba Sutter Arts received over 90 writing submissions, a third more than last year’s intake. The Museum received over 100 submissions of 2-D and 3-D art. And, yes, this is Scholastic like the publishing company that puts on the book fairs at schools reminiscent of that old-time bookstore experience.

The Scholastic Art & Writing Awards ceremony will be held on Saturday, February 22 from 3-5pm at the Burrows Theater, 630 E Street in Marysville. The Gallery at Yuba Sutter Arts will have many of the art submissions on display and there will be a few select readings by the writing award winners during the awards ceremony in the Burrows Theater. This is a free event and the public is invited. Refreshments will be served. The keynote speaker has yet to be named.

Since 1923, the Scholastic Art & Writing Awards have recognized the vision, ingenuity, and talent of our nation’s youth. Join us as we celebrate the winners at this annual gathering of students, educators, supporters and the general public. Scholastic Awards alumni include Andy Warhol, Sylvia Plath, Truman Capote, Lena Dunham, Robert Redford, Joyce Carol Oates, and many others.

Earning a Scholastic art or writing award is often the first moment of validation for a young artist or writer and can function as a catalyst that leads to a lifelong commitment to develop and apply their creative gift—no matter what career or path they choose. The program helps celebrate the accomplishments of creative students, extending opportunities for recognition, exhibition, publication, and scholarships to teenagers who demonstrate exceptional aptitude in writing and art.

Please join us as we honor the achievements of creative teens. We feel that now, more than ever, it is important to recognize creative accomplishments and provide students with the support and resources they need to make creativity a lifelong pursuit. We hope you’ll join us at the ceremony and help honor these remarkable young thinkers.
