SACRAMENTO, CA (MPG) - ABC10, in partnership with SchoolsFirst Federal Credit Union and Sacramento State's College of Education, is proud to announce 7th-8th Grade Teacher Sarah Montenegro of Martin Luther King Jr.

Technology Academy as Teacher of the Month for July 2022. In place for 20 years, Teacher of the Month is one of ABC10's signature community enrichment initiatives designed to highlight local teachers making a difference in the lives of their students and families. After being interviewed recently by ABC10's Mark S. Allen, a seven-time Emmy Award winning member of the news team, an uplifting story about Ms. Montenegro will air multiple times during the month

of July. The first time the story will air is on Tuesday, July 12 during ABC10's morning newscast between 5-7 a.m. and again that same evening during ABC10 News at 5 p.m.

A middle school teacher for the last six years at Martin Luther King Jr. Technology Academy in Sacramento, Ms. Montenegro teaches English Language Arts to 7th & 8th graders. Recently voted as "Teacher of the Year" at the school located in the Twin Rivers Unified School District, Ms. Montenegro is respected and held in high esteem by her colleagues and students alike. She is known for her compassion, professionalism, willingness to help, and "spunky" attitude, all while also navigating and overcoming the unexpected challenges of the COVID-19 pandemic.

When asked about why teachers matter, she highlighted many

compelling impact points and concluded with this: "Most importantly, in my opinion, is that in addition to being committed teachers to our students, we are also a listening ear, a shoulder to cry on, and a cheerleader in their corner, and in this way, we have the capacity and privilege to significantly change student lives."

As part of being recognized as Teacher of the Month, Ms. Montenegro will receive \$1,000 from SchoolsFirst Federal Credit Union plus will be eligible for the title of Esquire IMAX ABC10's Teacher of the Year award – that includes a \$5,000 prize – which will be announced at a special awards program later in the year.

More about information about Ms. Montenegro is available here. To nominate a local teacher in the greater

California State Fair News Release

CAL EXPO, CA (MPG) - Opening weekend of the CA State Fair & Food Festival was a roaring success, drawing tens of thousands of visitors after a two-year pandemic pause. Fairgoers of all ages enjoyed rides and games, food and drink, live music, livestock, exhibits, and more.

"We're very excited that the opening weekend was so well received by our guests, who helped celebrate California with an exciting, successful, and safe start," said Rick Pickering, Cal Expo General Manager and CEO.

The exciting thrills coming from the rides and the positive buzz from first-ever California Cannabis Exhibit, were among the main attractions on opening weekend. As of Sunday afternoon 8,225, unlimited ride wristbands have been sold; 14,000 fast passes sold; over 10,000 ride tickets were sold. Amongst all the thrilling rides, the White-Water Flume ride was the most popular with over 8,500 riders, understandably considering the hot temperatures.

Country Fair Cinnamon Rolls wins back-to-back Best of Show in the Food Festival Completion, this time with its Cinnamon Toast Caramel Roll. Other big winners are first-time vendors at the CA State Fair & Food Festival, Bula Pies Fiji for its Chicken Curry hand pie, and Cakes by Jeff won awards for two of his delicious, sweet treats. Soul on a Roll and Wing Mahal also won ribbons.

The clear bag policy that we've implemented - similar to Golden 1, River Cats & Sac Republic, helped eager fairgoers get through the gates quickly and safely so they could start enjoying the fun.

"On Thursday, we honor our military, veterans and first responders for Appreciation day," said Pickering. "I want to thank all of our law enforcement officers and security team, who are doing an exceptional job helping to keep the state fair the safest place families can be this summer".

The CA State Fair & Food Festival runs daily through Sunday, July 31st at Cal Expo. You can also check out all the attractions online at CalExpostatefair.com or download the CA State Fair app to help map out each visit to this year's fair. ★

Local Family is a Living Trophy in Sprint Car Racing

**Story and photos
by Cecilia Feser**

RIO LINDA, CA (MPG) - Fathers usually want to see their sons following in the family business. Lewis Butler won big when his championship son followed him into the racing circuit in 360 Sprint Car, #57. Together they own BRB Racing. Lewis started racing Sprint Cars at an early age, and then his son Bobby started at the young age of 5 years.

Bobby started his career at the very track Jeff Gordon raced at, winning his very first Junior Novice midget race at Cracker Jack Speedway in Rio Linda CA. At 7 years of age, he moved to Junior Stock Cars then up to Senior Stock Cars in 1996. "The drive and spirit he showed us, we knew he was going to do something

big in his career," Dad Lewis explained to me.

Bobby kept racing through the years, 'climbing the family ladder.'

In 2007 Bobby was racing the WESTCAR series, full time, in an 8-race season. This brought him the number two spot in point

standings. Unfortunately, this sport has its dangers and in 2008 tragedy struck the family. Bobby's

SACRAMENTO REGION, CA (MPG) - A new face at the Sacramento State Fair this year at the Valley Sculpture Artists (VSA) booth is Raad Alnahat, an immigrant from Iraq who will be filling the VSA demonstration spot Chris Thompson held at the fair for many years.

Alnahat has many credentials and will be demonstrating his unique process of combining sculpture and ceramics to construct large figures during the two weeks of the fair. He will show his particular process for how he constructs larger format forms. His work reflects his culture, featuring works from biblical days. After Israel, Iraq has the most biblical history of any country in the world.

One of Alnahat’s pieces is a six-foot tall, 250-pound statue of the last great king of Assyria. King Ashurbanipal of the Neo-Assyrian Empire reigned for 38 years from 669 BC to his death in 631 BC in Nineveh. The four intricate sections of his piece include the head, a lion and an engraved tablet with writing in four languages.

Alnahat studied in Iraq, receiving his Certificate of Fine Arts in Baghdad in 1985, specializing in sculpture. He has taught painting, ceramics, and calligraphy for over 10 years and participated in many galleries and exhibits in Iraq, including his own personal exhibit 1987. He shared in an email that he had to leave Nineveh, Iraq in 2008 because of the war. He traveled to Turkey and lived there for two years showing his work in

numerous galleries as well as teaching calligraphy.

“I came to the United States in 2010 with my family and began studying

all forms of art to improve myself, but I mostly enjoyed ceramics because it relates closely to my style. I studied at American

River College and one of my large sculptures stands in their Art department today. Through my work in ceramics, I was

able to combine ceramics with sculpture. My work is mostly influenced from our history in Iraq such as the Babylonian empire,

Assyrian empire, etc.” Alnahat will be demonstrating his unique style daily at the VSA booth from 1 p.m.to 4 p.m. ★

Desmond Speaks at Lunch Bunch

District 3 Supervisor Rich Desmond speaks at the Lunch Bunch on Thursday, July 7 at Pancake Palace in Rio Linda.

Story and photo by Cecilia Feser

RIO LINDA, CA (MPG) - Bread was broken again once again last week at the monthly Rio Linda Lunch Bunch held at Pancake Palace.

This morning’s host for the monthly meet and greet was Charlea Moore. District 3 Supervisor Rich Desmond was the guest speaker. But before he took the spotlight everyone chatted and introduced themselves around a great meal.

Dean and his daughter Kaitlyn were there representing Knight Watch Protective Services. Flyers are passed out at these brunches to let others know about your businesses.

Linda Martin was there, with flyers for upcoming events at the Aerospace Museum. Top Gun is back in everyone’s thoughts with the new Top Gun: Maverick movie. Her event is called Top Gun Twilight Open Cockpit night. The event will be on August 20 from 5-9 p.m. A look inside the cockpits of several fighting planes will be available. The cockpit tours will be available along with lots of same theme related activities for big and little kids. For more information on upcoming Aerospace Museum events go to: <http://www.aerospacceca.org>.

It was then time for Supervisor Desmond to come up and talk about what is new in his district. Road conditions were mentioned. How the money gets divided up for roads, homelessness and the runaway housing prices was discussed as well.

Plans the districts has for “trying” to deal with each issue was also on the agenda. As soon as Desmond mentioned homelessness, all the hands went up. All

the things you hear about this subject was said. “They don’t want help, they leave trash all over and they are scary due to the mental issues and the drugs.” Supervisor Desmond told the audience he understands as he has seen and dealt with these issues as a Highway Patrol officer.

“There is no silver bullet to the un-housed,” Desmond said.

The county and city groups need to work together on projects. Desmond asked that we have compassion towards the homeless because they are prime targets for crime. In general, there needs to be consequences for crimes the homeless commit and the crimes committed on the homeless.

As he was finishing up Moore asked him, “Why is there a noticeable difference in who gets the funds and attention?” He said, “because they are louder.” To which Charlea said, “No one is louder than us in Rio Linda, just ask Sue Frost! Our roads, the homeless issue increases every day. It sure seems to me that the more affluent the neighborhood, the more gets done. We have an equity problem here in Rio Linda!”

Supervisor Desmond agreed that “everywhere” has the same issues. Everyone feels they are not being considered as much as they feel they should. They are always working to make everyone happy. “Thank you,” he said as he finished to much applause.

With that, the meeting was over and it was again time for meet and greets. “Everything takes time,” seems to be the answer for most local issues. All you can do is just hang in there and keep our loud voices heard every chance we can.

Have a splendid week! ★

Sacramento County Approves Second ‘Safe Stay’ Site

By Janna Haynes,
Sacramento County

SACRAMENTO COUNTY, CA (MPG) - The Sacramento County Board of Supervisors approved Sacramento County’s second proposed “Safe Stay Community” for persons experiencing homelessness. The second community will open at 7001 East Parkway in part of the parking lot of the current County Department of Health Services building. The site will house up to 45 Pallet sleeping cabins – both single and double occupancy, bathrooms, and communal gathering spaces. At any point in time, it can shelter up to 55 people.

The first location, at 8144 Florin Road (near Power Inn) was approved on June 8 by the Board and will have 100 sleeping shelters that can accommodate up to 125 at any given time. Both locations will be operated by an experienced provider that will handle on-site staff and manage neighbor relations and the day to day needs of the community.

These communities are built as a safer and more sanitary environment and offer critical services oriented towards exiting to permanent housing. Each site will include 24/7 security, case management services, on-site power, sanitation and food services. The County will develop good neighbor policies for the operator and occupants as well as create an oversight committee made up of County staff, community members and those with lived experience to help further guide progress in the County response.

“I am thrilled to have a second location approved and ready to build in District 2,” said District 2 Supervisor Patrick Kennedy. “The need in our area is great. These new Safe Stay Communities will go a long way to help those in South Sacramento experiencing

homelessness with stable shelter, drug and alcohol services, mental health services, job training, and a connection to other vital services that will lead to a healthy lifestyle and self-sufficiency while providing relief to the businesses and residents in the community that have experienced the impacts of homelessness.”

Guests for every Safe Stay Community will be brought in from the immediate neighborhood, not only providing direct relief to the community, but providing local and dignified shelter in an area the guest is familiar with.

The East Parkway location will likely move on a parallel timeline as the Florin and Power Inn location and will hopefully welcome guests early next year.

While homelessness can be successfully addressed by providing stable, affordable housing, combined with appropriate support services, this approach can take many years. Safe Stay Communities provide immediate safe and hygienic locations for persons experiencing homelessness to live and access services. The communities also provide a consistent location for service providers and outreach workers to engage on a more regular basis with occupants.

Additionally, some of the broader community benefits anticipated by having this safe space community include a reduction in trash and debris, the mitigation of environmental and health hazards, and the ability to restore land previously occupied by unsanctioned encampments to its intended use.

For more information on Safe Stay Communities, read our “Safe Stay Community FAQs.”

By County
Supervisor Sue Frost

Through the generosity of the The Rio Linda News, this column serves to provide an update about matters affecting the community of Rio Linda.

Two months ago I wrote a commentary in the Rio Linda News to explain that the Sacramento County Board of Supervisors would be holding a vote in July on whether or not to place a local tax measure on the November ballot that would allow the County to open up Cannabis retail stores in the unincorporated parts of Sacramento County like Rio Linda & Elverta and receive an extra tax from those businesses. I asked the community to write to me to let me know their thoughts on this, and I promised to report back after the vote. On July 12th that vote took place, so I would like to use this opportunity to fill you in on what happened.

After I wrote that commentary, I was flooded with responses. Broadly speaking, the responses I received on social media were largely in favor of allowing a November vote, and the responses I received via phone calls, e-mails, and physical letters were largely opposed to it. My main takeaway was that the community was fairly evenly split on this issue, which tracks with the responses I have received over the years

RIO LINDA COMMUNITY UPDATE

Update on Cannabis Sales in Sacramento County

when I ask about this topic in my yearly community survey.

A few days before the meeting when the final language of the proposal was given to me, I was rather conflicted on what I would do as I could sympathize with both points of view. Those who wanted me to vote in support noted the medicinal benefits of cannabis and how the people should be allowed to vote on the issue - and those who wanted me to vote in opposition noted the public health and public safety concerns. But as I reviewed the proposal, two major things stuck out to me that swayed me to vote in opposition.

First, while the proposal would only allow this cannabis tax in the unincorporated portions of the county, it allowed every citizen, whether they lived in the unincorporated portions or not, to vote on this. That struck me as extremely unfair, especially given that only roughly one third of the people in the county live in the unincorporated area. So a strong majority of the unincorporated residents may oppose this, but it could still pass. For good reason, we don’t allow residents of Nevada to vote for California Governor, and we don’t allow residents of Canada to vote for the President of the United States - and we shouldn’t allow residents of Sacramento City to vote for an issue that only impacts the unincorporated areas.

Second, the money that

would be collected by this tax would have gone directly into the county general fund, and could be spent on whatever the Supervisors deemed fit. There are no guarantees that the money would be spent to help solve problems that would sprout up as a result of opening these stores in our local communities - problems like the need for extra law enforcement, and the need for more education to the youth about cannabis. I believe that when taxes are imposed, it is the duty of the government to very clearly define where that money will go. Government has a transparency problem, and levying taxes without any explanation on how it will be spent only furthers that problem.

The vote to place it on the November ballot needed four votes in order to pass, but it only received three votes so it failed. Immediately afterwards, one supervisor proposed that at the end of July we should revisit this issue and try to fix some of these issues that were presented in the meeting. At that meeting I will once again come with an open mind, and do my best to represent the best interests of my constituents.

Sacramento County Supervisor Sue Frost represents the 4th District, which includes the communities of Citrus Heights, Folsom, Orangevale, Antelope, North Highlands, Rio Linda, Elverta, and Rancho Murieta. ★

Prismatic Communications News Release

SACRAMENTO REGION, CA (MPG) - Following the success of *Amaluna* in 2020, *Cirque du Soleil* is excited to announce its return to Sacramento with its internationally-acclaimed production *Alegria*. From July 28 to August 28, audiences are invited under the Big Top at Sutter Health Park (400 Ballpark Dr.) to experience the pure theatrical magic of *Alegria* – an entirely redesigned fan favorite.

Undeniably the most iconic *Cirque du Soleil* production, *Alegria* is an all-time classic reimagined for a new generation to fall in love with. An uplifting immersive experience, *Alegria* whisks audiences away to a mystical world sprinkled with visual poetry and acrobatic extravagance.

At the heart of a once-glorious kingdom

that has lost its king, *Alegria* witnesses the power struggle at play between the old order and a new movement yearning for hope and renewal.

With its unforgettable soundtrack, exciting acrobatics, surreal costume designs, vibrant sets, and playful humor, *Alegria* joyfully touches the soul and lives up to its global reputation of quintessential *Cirque du Soleil* spectacle.

In A New Light

Alegria ('joy' in Spanish) first premiered in 1994 and has since become

one of the most beloved *Cirque du Soleil* shows, mesmerizing over 14 million spectators in 255 cities across 40 countries in over 19 years of touring. Its Grammy Award-nominated soundtrack – including the iconic title track '*Alegria*' – is still the most purchased and streamed *Cirque du Soleil* album to date.

In 2019, in celebration of its 25th anniversary, *Alegria* was restaged under the Big Top in a whole new light, ensuring that all its components – stage direction, music, acrobatics, sets, costumes, lighting, and makeup designs – would be as inspiring for today's audiences as they were at the time of the original creation. Reenergized by a cast of 53 acrobats, clowns, musicians, and singers, *Alegria* remains timeless and imbued with a joyous magical feeling.

The revival of *Alegria* is the 44th

Cirque du Soleil original production since 1984, and its 19th presented under the Big Top.

Cirque du Soleil wishes to thank SAP, its official partner, and Champagne Nicolas Feuillatte, the official Premiere partner of *Alegria*.
