

TOY & GIFT Ideas

woom 6 ORIGINAL bike

www.woom.com

Ages 18 months – 14 years

If your child screams any time the tablet gets taken away or the TV gets turned off, the woom ORIGINAL Bike is for you! woom Bikes are specifically designed with kids in mind and offer the best riding experience for all ages. These bikes are super lightweight, available in 7 colors, and have sizes for kids aged 18 months–14 years. Learning to ride a bike and perfecting those bike-handling skills couldn't be easier, safer or more intuitive. Who knew riding a bike could be so much fun? Its cleverly designed age-specific geometry offers good control over the bike and gives young riders maximum safety while exploring new horizons. Prices range depending on bike size. Variety of helmets available.

Tech Deck 25th Anniversary Pack

Age 6+

Ride, flip and grind down memory lane! This special anniversary pack has 8 fingerboards with the coolest graphics and shapes from Tech Deck's 25-year history. Each board has legit graphics from the biggest skate brands (i.e. World Industries, Flip, Blin, Toy Machine). Use the included sticker pack and skate tool to customize your board just like the pros. Includes exclusive and limited-edition silver Tech Deck Dude.

Ollyball Eco Pak

www.ollyball.com

Age 4+

Let them play ball **INSIDE THE HOUSE** with Ollyball! The award-winning family brand of eco-friendly and sustainably-made full-force balls for indoor and outdoor activities is super fun and distracts kids from their screens (as opposed to the other way around!).

The ball weighs less than an ounce and is made to absorb shock. The inflation device is a simple straw-like item that inflates and deflates the ball over and over again for continuous fun!

Smile Zemi Tablet from JustSystems

www.smile-zemi.com

Grades 1 – 5

Smile Zemi is the first tablet-based educational learning system tailored to meet the needs of elementary school children and specifically designed to improve academic performance aligned with Common Core State Standards. Smile Zemi features a professionally developed curriculum and materials, including instructional videos, exercises, and quizzes to help students most effectively study math and English language arts (ELA) on their own. Subscription required. **Smile Zemi is a closed system, so your child won't have access to Internet distractions, video-sharing sites or gaming apps!**

Canal Toys Photo Creator

Age 8+

Capture photos and instantly print them with the Photo_Creator! This easy-to-use camera includes three different functions in one device – a digital camera, instant printer, and a video camera! Use the back or front facing lenses to capture photos or selfies. You can even choose between 20+ funny effects to add onto your photos. The thermal printing capability means no ink and no film! Print over 250 black and white photos and save full color digital versions on your computer with the included USB cable. Includes one camera, one wrist strap, one USB cable, 4 paper rolls, 4 markers, and 90+ stickers!

12-inch Batman Adventures Figure (Spin Master)

Age 3+

Gear up to protect Gotham City with this 12" Batman figure featuring 17 points of articulation for epic and dynamic poses. This figure transforms into an amored-up Batman equipped with all the necessary tools to complete his missions, including 12 pieces of armor and 6 crime-fighting accessories.

Learn 'N Fold Learning Tower by Little Partners

www.littlepartners.com

Ages 2 – 6

The folding Learning Tower has been safely designed with the guiding principles of hands-on learning in mind, bringing your little one confidently and securely to counter height to work and play alongside parents, caregivers, siblings and friends.

Perfect for any space your child needs a boost, the compact design locks securely when needed and stores away easily when not in use — no tools required! Supports up to 150 lbs.
