Serving up Something Sweet in Rio Linda

Meghan Schaefer opened Meg's Creamery in November 2022. The shop just celebrated its one-year anniversary.

Story and photos by Chrissy Rose
RIO LINDA, CA (MPG) - Leaning on the counter as she talked about how her dream of owning a small business had come true, Meghan Schaefer evoked the feelings of an old-fashioned drive-in and home-town wholesomeness.
Meg's Creamery just celebrated its one-year anniversary on November 4. For those who have lived in the area, they were long familiar with The Creamery that habited the same spot for years. Once the owner decided to close up shop in the summer of

2022, Meg heard opportunity knocking. She saw the posting for the space available on a Friday, took the weekend to think it over, then Monday made the call to become the next operator of The Creamery, which then became Meg's Creamery.
Meg's journey began when she moved from her childhood home in Nevada County to Sacramento to attend Sac State. After graduating in 2008 she stayed in the area thanks to the "small-town feel but cheaper energy rates." Meg entered the hospitality industry where she picked up valuable business management skills. By the time 2020 rolled around, she

was looking for a change – and that was even before the Covid 19 pandemic shut down the hospitality industry and forever changed the way hotels operate. When the opportunity arose for her to finally open her own small business, she didn't hesitate.
She's put her own stamp on the place since opening last November, in addition to adding her name to the creamery. Sandwiches and burritos are no longer served; she decided to focus almost exclusively on ice cream. However, during the winter months the menu does feature baked potatoes and soup offerings.

CHP Focused on Tackling Distracted Driving Epidemic

CHP News Release
SACRAMENTO, CA (MPG) - Every year, thousands of people are seriously injured or killed statewide in vehicle crashes caused by distracted drivers – crashes that are 100% preventable. To address the problem, the California Highway Patrol (CHP) is launching a statewide "Distracted Driving Education and Enforcement for Adult Drivers" traffic safety campaign, boosted by a \$350,000 federal grant.
The yearlong education and enforcement initiative continues through Sept. 30, 2024. Throughout the year, the CHP will conduct at least 90 enforcement operations targeting adult distracted drivers. In parallel with a CHP program targeted at teen drivers, the adult distracted driving campaign also includes 300 adult traffic safety presentations statewide.
"The CHP encourages drivers to make the conscious decision to drive distraction free every time they get behind the wheel of a vehicle," said CHP Commissioner Sean Duryee. "Every distraction, even for just a few seconds, increases your chances of being involved in a crash. Ultimately, it is never worth the potentially devastating consequences."
With multiple modes of communication and instant entertainment, cell phone use is the biggest driver distraction. Between 2019 and 2021, there were a total of 6,343 fatal and injury crashes within CHP jurisdiction stemming from distracted driving. During those same years, CHP officers issued more than 200,000 citations to drivers violating California's handsfree law.
Some of the most common types of adult distracted driving includes texting, talking on a cell phone, eating, grooming, operating a navigation system, and adjusting the radio.
Public education and increased enforcement are designed to encourage drivers to recognize the dangers of distracted driving and reduce the number of people impacted by this reckless, preventable behavior.
Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.
The mission of the CHP is to provide the highest level of Safety, Service, and Security. ★

Aero-Blast Honors Vets

Story and photo by Susan Maxwell Skinner

SACRAMENTO REGION, CA (MPG) - Veterans Day celebrations got off to an early start as 300 guests donned vintage threads to wine and dine at the Aerospace Museum of California.
With a backdrop of WW II aircraft, the Salute to Service fundraiser supported the non-profit McClellan facility, and its many educational programs.
Cocktails, dinner and dancing preceded the main event: a 20-minute explosion of fireworks staged by the world's largest pyrotechnic company. Pyro Spectaculars annually provides this blowout to honor veterans and support the museum. Gala supporters got front-row seats beside the hangar; much of greater Sacramento viewed the spectacle from afar.

VIP guests included museum board member Jeff Harris (left) Olympic gold medalist Jeff Float, Jan Float, museum executives Tom and Karen Jones, Berta Radcliffe and museum volunteer Dennis Cross

"At this place we recognize service every day of the year," noted museum director/curator Tom Jones. "But our amazing fireworks – with a backdrop of aircraft from major conflicts – seem a fitting way to honor our nation's heroes."
Gala sponsors included: Safe Credit Union, McClellan Park, Aerojet Rocketdyne, Boeing, SMUD, Lockheed Martin, General Davie and Linda Martin.
Anyone may visit the Aerospace Museum of California at 3200 Freedom Park Drive, McClellan. For hours and event information visit www.aerospaceca.org ★

SacRT Celebrates Its Light Rail Modernization Project and Groundbreaking

SacRT News Release

SACRAMENTO REGION, CA (MPG) - The Sacramento Regional Transit District (SacRT) recognized a significant milestone on November 8, 2023, with the celebration of the Light Rail Modernization Project and groundbreaking ceremony for Folsom 15-minute light rail service. This groundbreaking marks the beginning of construction for the passing track near Glenn/Robert G. Holderness Station, a pivotal step in enhancing the transit experience for Folsom area riders.

Starting January 2024, construction will require a temporary light rail service disruption between Historic Folsom and Iron Point stations. To minimize inconvenience, SacRT will offer shuttle bus service

during this period, ensuring riders can still access the impacted stations. For park-and-ride users, Iron Point Station will serve as the primary boarding point for downtown-bound trains. Construction is expected to last approximately six months.

Upon completion, the new passing track will allow for 15-minute light rail service frequency, compared to 30-minutes today, for Hazel, Iron Point, Glenn/Robert G. Holderness and Historic Folsom stations. Also, the new low-floor light rail trains will begin service along the Gold Line.

“As we embark on this transformative journey, we recognize the temporary disruptions and inconvenience this may cause our riders,” said SacRT General Manager/CEO Henry Li.

“We are working diligently to streamline the construction process and provide alternative transit options to mitigate any inconvenience for our valued passengers.”

“This construction project represents a significant leap forward in our efforts to modernize Sacramento’s transit system,” said SacRT Board Chair and Sacramento County Supervisor Patrick Kennedy. “The 15-minute Folsom light rail service will not only reduce travel time but also enhance the overall commuter experience, aligning with our commitment to providing efficient and accessible public transportation.”

“Efficient public transportation is a keystone for economic development, educational opportunities and a healthier future,”

Groundbreaking ceremony at Iron Point Station on Wednesday, November 8, 2023, which will connect Folsom with 15-minute light rail services. From left to right: SacRT Board Chair and Sacramento County Supervisor Patrick Kennedy, Assemblymember Kevin McCarty, Michael Cahill, President of Siemens Mobility in North America, Darren Suen, Chief of Staff for Assemblymember Stephanie Nguyen and Elk Grove Councilmember, Mike Kozlowski, SacRT Board Director and Folsom City Councilmember, and SacRT General Manager/CEO Henry Li. Photo courtesy of SacRT

said Congresswoman Doris Matsui. “Earlier this year, SacRT was awarded a \$45 million federal grant to advance the purchase of new low-floor light rail cars that will greatly improve accessibility and support more frequent service to the last seven miles of the Gold Line. We are excited to see the Light Rail Modernization Program come to fruition.”

“The Sacramento Regional Transit Light Rail Modernization Project extension to Folsom will provide residents with more options to travel through the Capital region, create jobs and boost the local economy, and increase safety by reducing traffic on local highways,” said Congressman Kevin Kiley. “I am glad to support this project that will help

residents of the Sacramento area, and I look forward to seeing the completed project in the coming years.”

“We are now on the path to alleviating congestion and creating a more efficient, accessible and sustainable transportation network for our community, thanks in part to the Solutions for Congested Corridors grant from the state in 2018, which secured \$20 million for this transformative project,” said Assemblymember Kevin McCarty. “I’m thrilled to see the positive impact it will have on the lives of our residents. Together we are shaping a brighter, more connected future for Sacramento.”

The Light Rail Modernization Project, including the addition of new low-floor trains and

station platform modifications, underscores SacRT’s commitment to sustainable, state-of-the-art public transportation solutions.

SacRT is currently in the testing process for 17 new low-floor trains, which were built at Siemens Mobility in south Sacramento. SacRT has an order of 36 trains with the option to purchase up to 76. SacRT has also been actively modifying station platforms along the Gold Line to meet the height requirements of the new low-floor trains. The trains are expected to be in service on the Gold Line by summer 2024.

For more information on the project and updates on service disruptions, please visit sacrt.com/modernization

Detectives Search for Storage Unit Burglar

Detectives seized approximately ten rifles, three shotguns, one handgun, over 50 rifle magazines, and over 100 handgun magazines; all items Erik Kennard is legally prohibited from possessing. Photo courtesy of Sacramento Sheriff’s Dept.

Sacramento Sheriff’s Dept. News Release

RIO LINDA, CA (MPG) - On June 15, 2023, a citizen went to his storage unit at a facility in Rio Linda and observed a blue 2019 Subaru Outback parked in front of his unit. He saw property stolen from his unit in the back of the vehicle. The citizen alerted staff, and they left the gates closed to prevent the vehicle from leaving. The suspect fled on foot, as the citizen video recorded him with his cell phone.

Deputies and a detective responded to the scene, returned the citizen’s property, and seized the vehicle as evidence.

Detectives determined that many of the recovered items in the vehicle came from two other storage unit burglaries that occurred at a facility in Antelope. They also found burglary tools and weapons, including an un-serialized 40 caliber handgun with a loaded 30 round magazine.

Detectives identified the suspect from the storage unit burglaries as Erik

Kennard. Kennard’s fingerprints had also been identified at other recent storage unit burglaries, bringing the number up to four.

On July 20, 2023, the Sheriff’s Special Enforcement Detail (SED) assisted detectives with serving a high-risk search warrant at Erik Kennard’s apartment in the Arden Arcade area. Detectives located clothing Erik Kennard wore during the burglaries, along with firearms and a large amount of stolen property belonging to multiple victims.

Kennard was located and arrested later that day at his storage unit. Detectives searched his unit and located a large quantity of stolen property, a stolen motorcycle, firearms, firearm magazines, ammunition, suppressors, metal knuckles, and lock picking equipment. The storage unit served as a storefront where the property was being sold.

As a result of this investigation, detectives have recovered property belonging to more than 20 burglary victims.

The victims’ burglarized storage units were in various areas, including Sacramento, Rio Linda, Antelope, Orangevale, Rancho Cordova, Folsom, and Roseville. Detectives have also seized approximately ten rifles, three shotguns, one handgun, over 50 rifle magazines, and over 100 handgun magazines; all items Erik Kennard is legally prohibited from possessing.

Erik Kennard was charged with four separate storage unit burglaries, along with charges involving conspiracy, and firearms possession by a convicted felon. However, Kennard was released on \$100,000 bond on September 30, 2023. He currently has an active felony warrant out of San Francisco for having a firearm.

If you have information about this storage unit burglary series, or recognize Erik Kennard from other storage unit burglaries, please call the Property Crimes Bureau at (916) 875-5388 or email them at propertycrimes@sacsheriff.com ★

Serving up Something Sweet in Rio Linda

Undecided? Take the wheel for a spin and let fate decide your dessert of choice at Meg’s Creamery. Photo by Chrissy Rose

Continued from page 1

Some of the most popular potatoes include your classic “Supreme Potato” with butter, sour cream, bacon bits, and green onions as well as the “Pepper Belly Potato” which is layered with chili and shredded cheese, sprinkled with Fritos, and finished off with sour cream and green onions.

Meg’s study of graphic design has come in handy with her creation of the shop’s logo, social media posts, and other artistic touches throughout the shop. As she notes, one of her favorite things about owning the ice cream shop is her ability to express some creativity – quite different from keeping hotels in top shape. She loves when kids recognize her around town, and shout, “Hi Meg!” And of course, she’s now in an industry that makes everyone happy.

The creamery features a large selection of ice cream flavors – everything from Maui Wau Sherbert to Kona Coffee – as well as gourmet sundaes, personalized ice cream sandwiches, multi-flavor milkshakes, and floats. The waffle cones are made from scratch, as are the caramel apples. The Winter Menu features such tasty treats as Caramel Apple Milkshake, Cinamon Roll Sundae, Frozen Hot Chocolate, and a Toffee Bunt a la mode.

And if you think the demand for ice cream in the cooler months has waned, you’d be wrong. Espresso Explosion was introduced last month and was gone in record time. As soon as there’s space in the freezer, she’ll be making it a permanent flavor. The ice cream shop will also be a drop-off location for Shriner’s Toy Drive; for any customer who brings in a new unwrapped toy

they’ll get 10% off their order. Patrons can also drop in during and after the Christmas Light Parade on December 9 for some free hot chocolate.

Meg’s offers the option to order pre-packaged single scoops in bulk for school, sport, or other fundraising events, and has a party room that accommodates 8-20 people. She hopes to plan and host more events in 2024 – ice cream socials, personalized flavors for schools, themed giveaways, etc.

When asked if there was anything else people should now about Meg’s Creamery, Meg simply responded with the shop’s tagline: “Ice cream is always a good idea.”

Meg’s Creamery is located in the same spot as The Creamery was at 924 Oak Lane in Rio Linda, and is open 12:00-8:00 Tuesday through Saturday, and 11:00-3:00 on Sundays. ★

Board Appoints Director of Water Resources

Sacramento County News Release

SACRAMENTO COUNTY, CA (MPG) - The Board of Supervisors, at its Nov. 7 meeting, concurred with the County Executive’s appointment of Matt Satow as Director of Water Resources, effective Nov. 27, 2023.

“Mr. Satow has worked collaboratively with diverse groups of stakeholders, property owners, developers, public works staff, elected officials, and State and Federal agencies to find solutions for a variety of challenges that come with delivering public works projects,” said Dave Defanti, Deputy County Executive for Community Services. “His wide-ranging experience in both the public and private sectors provides Mr. Satow with a variety of perspectives that will allow him to successfully take on the roles and responsibilities of the Director of Water Resources.”

Satow has more than 29 years of experience serving public service agencies, both as a public sector employee and as a private sector consultant, with more than 12 of those years being employed by the County of Sacramento.

He currently serves as Vice President for Dewberry Engineers and has held that position since 2019. In that role, he is responsible for overseeing the operations and growth across four offices and responsible for more than \$20 million in annual revenue.

Prior to his current role, Satow served as the Vice President/Chief Operating Officer for Drake Haglan & Associates. As the Chief Operating Officer, he was responsible for the operations and growth of a multi-disciplinary engineering company, covering Civil, Structures, Water/Wastewater, Construction Management, and Environmental.

Matt Satow, new Director of Water Resources. Photo courtesy of Sacramento County

During his tenure with the County of Sacramento, Satow worked in the Department of Transportation, starting as an Assistant Civil Engineer and advancing to Senior Civil Engineer before transitioning to the private sector. While with the County, he served as the County’s lead and point of contact for the County’s efforts to revitalize the Fulton Avenue Corridor, which included serving as the County’s representative at the Fulton Avenue Association Board meetings and coordinating various County services for the Fulton Avenue Association, including the Planning Department, Code Enforcement, Economic Development, Neighborhood Services, the Office of the County Executive, and the Board of Supervisors.

In addition to his professional experience, Satow possesses a Bachelor of Science Degree in Civil Engineering from California State University, Sacramento, and is a registered Professional Engineer (Civil) with the State of California. ★

SMF’s Nichol Named AXN’s Director of the Year

Sacramento County News Release

SACRAMENTO COUNTY, CA (MPG) - Airport Experience News (AXN) has selected Cindy Nichol, director of airports for the Sacramento County Department of Airports, as its Director of the Year, Medium Airports Division. Nichol oversees Sacramento International Airport (SMF), Mather Airport (MHR), a cargo and general aviation facility, as well as Executive Airport (SAC) and Franklin Field (F72), both general aviation airports.

“I am truly honored and humbled to receive this recognition,” said Nichol. “Throughout my career, I’ve always valued opportunities to contribute to the aviation industry. I believe that any achievement, especially in the aviation industry, is never a solitary effort. I would like to thank everyone who has worked with me and helped in making those contributions over the years.”

At the helm of SCDA since 2018, Nichol is currently leading the \$1.3 billion capital program, SMForward, to meet record passenger demand by adding gates and terminal space, parking, rental cars and other ground transportation. Prior to joining SMF, Nichol served as chief financial officer at the Port of Portland. She has also held finance leadership roles at San Francisco International Airport (SFO) and Leigh Fisher Associates/Jacobs Consultancy.

“Cindy Nichol is known throughout the industry for her extraordinary financial acumen. That, plus her role in leading

Cindy Nichol. Photo courtesy of Sacramento County

the SMForward project that will position SMF for the future, earned her this recognition from the AXN team,” said Melissa K. Montes, publisher and portfolio director of Airport Experience News. Nichol is also contributing to industry excellence through her roles on the ACI-NA Executive Committee, U.S. Policy Committee, and Board Finance Committee, and in her leadership position with the California Airports Council, Montes noted.

Nichol will be featured in a special Leadership Issue of Airport Experience News and will be honored at the 2024 Airport Experience Conference. ★

Defendant Sentenced for Child Endangerment Causing Death

Sacramento County DA News Release

SACRAMENTO COUNTY, CA (MPG) - The Honorable Shauna Franklin sentenced Roberto Escobar-Montes to 6 years’ state prison. On September 1, 2023, Escobar-Montes was convicted by a jury of two counts of child endangerment with circumstances likely to cause death and the enhancement that the death of a child resulted from these circumstances.

On November 28, 2021, Escobar-Montes was at home taking care of his children. He placed both of his babies (8-month- old Freyja and 2-year-old

Eros) in the bathtub and turned on the water. He left the room and began playing a pornographic video game in another part of the home, leaving the children alone in the bathtub for at least 12 minutes. When he stopped hearing Freyja, he came back to the bathroom and found she was floating face down in the tub which was ½ full of water. He grabbed the 2 year old, who was not drowning, out of the tub and turned off the water. Only then did he grab Freyja and unplug the drain. Freyja was without a heartbeat for 90 minutes despite life-saving efforts. She died a few days later from her drowning injuries. ★

Circle D Store Employee Stabbed on Auburn Boulevard

Sacramento County News Release

SACRAMENTO COUNTY, CA (MPG) - At approximately 7:45 PM on Wednesday, November 8, 2023, Sacramento County Sheriff’s deputies responded to the Circle D convenience store on Auburn Boulevard for a report of a stabbing. Upon their arrival, they located an adult male store employee with a stab wound to his upper chest. The victim was transported to a local area hospital by ambulance and is expected to survive.

Crime Scene Investigators responded to the scene and gathered evidence as deputies interviewed witnesses and attempted to locate any video near the incident. This

investigation is still ongoing, and detectives are asking anyone with information about this incident to contact the Sheriff’s Office at (916) 874-5115 or Sacramento Valley Crime Stoppers at (916) 443-HELP (4357). Tips leading to an arrest are eligible for a cash reward of up to \$1000, and tipsters remain anonymous. Tips are paid in cash, and you are never asked for identification. Contact Sacramento Valley Crime Stoppers at (916) 443-HELP (4357), 1-800-AA-CRIME, or **TIPS. Use the “P3 TIPS” app or online at www.sacvalleycrimestoppers.com.

Tip information may also be left anonymously at www.sacsheriff.com or by calling (916) 874-TIPS (8477). ★

Sacramento County Honors and Serves Our Veterans

Sacramento County News Release

SACRAMENTO COUNTY, CA (MPG) - Sacramento County extends its deepest gratitude and respect to the veterans of this region for their unwavering commitment, courage, and sacrifice in defending our nation. These brave men and women have selflessly dedicated their lives to preserving our freedoms and protecting the values we hold dear.

Sacramento County is proud to be home to more than 84,000 veterans. As this vital segment of our population continues to increase, Sacramento County Veterans Services, part of the Department of Human Assistance, encourages veterans to take advantage of the available benefits and resources that are in place to not only assist veterans but family members and dependents.

Benefits range from disability compensation (due to injuries/illness resulting from service-related activities) to VA Pension, which is monthly financial assistance to low-income, wartime Veterans over the age of 65 and/or those who are “totally disabled.” Surviving spouses may also receive benefits.

We assist local veterans in applying for benefits offered through the U.S. Department of Veterans Affairs, the State of California and local government entities.

Veterans Services is also responsible for administering the College Fee Waiver

Program for Veterans' Dependents. This program is afforded to spouses, unmarried surviving spouses, and children of service-connected disabled or service related deceased veterans. Eligible dependents are not required to pay "mandatory system wide" tuition and fees while attending either a California community college, a campus of the California State University (Cal State) system, or a campus of the University of California (UC) system. This program not only provides eligible dependents with the incentive but also the opportunity to pursue their goals.

Some of the services we assist with are:

Service-Connected Disability Compensation Benefits; Non-Service-Connected Disability Pension Benefits; Dependency Indemnity Compensation (DIC) Benefits; Death Pension Benefits; Aid & Attendance Entitlement; VA Medical Care Eligibility & Access; Vocational Rehabilitation Benefits; California College Fee Waiver Program; VA Life Insurance; State Veterans Homes; Requests for Military Records; Discharge Upgrade Information; Burial Benefits; Other Ancillary Benefits & Programs

Visit:

Sacramento Country Day School Receives Grant for Tech-focused Learning

Consolidated Communications News Release

SACRAMENTO, CA (MPG) - Sacramento Country Day School was recently awarded a \$5,000 grant to support its program to create a more efficient and automated vehicle from Consolidated Communication's Consolidated Connects Educational Grant Program. The program directs support to K-12 schools within the company's service area in support of innovative, technology-focused learning programs that advance creative student learning, develop 21st century skills and promote critical thinking.

Grant funding will support the school's effort to bridge a gap between the physical skills, and the technology and innovation

that is taught in multiple classes. Incorporating the subjects of Computer Science, Advanced Topics in Science, and Robotics and Engineering, students at Sacramento Country Day School will seek to create a more efficient and automated vehicle.

"We are excited to expand our engineering opportunities through the support of Consolidated Communications, aligning with our commitment to shaping future leaders," shared Lee Thomsen, head of school for Sacramento Country Day School.

This program will expand student's classroom knowledge of automation and physics, applying this knowledge on a larger scale. Students currently apply these principles to robotics kits successfully, using sensors to help the robot navigate its environment. Using a go-kart frame,

Michael Unti, director of technology at Sacramento Country Day School, sits on the go-kart used with sensors for tracking performance, efficiency and safety by his students. The company's educational grant program provides support of the program to create a more efficient and automated vehicle. Photo courtesy of Consolidated Communications

Sacramento Country Day School leadership and Consolidated Communications representatives, including (from the left) head of school Lee Thomsen and Eric Mauck with Consolidated Communications, Michael Unti, director of technology (holding check) and Curtis Barkve (far right) with Consolidated Communications celebrate the donation with students on November 8, 2023. Photo courtesy of Consolidated Communications

students will use data science to improve performance, and power tools to upgrade and improve the vehicle. This includes tracking performance with sensors, seeking to improve rotation, efficiency and safety, as well as decrease wind resistance.

"Consolidated Communications is proud to support such an enriching program for local students at Sacramento Country Day School to gain hands-on skills and real-world experiences," said Ron Fischer, senior director of operations for Consolidated. "Just as we invest in our local broadband networks, our Consolidated Connects Educational Grant

Program is another investment in the youth in our communities. We are committed to making our communities stronger through support of education programs like this, which help students learn, grow and thrive."

Sacramento Country Day School is dedicated to inspiring intellectual discovery and engaging a diverse community to think critically, live creatively, and act compassionately. Small class sizes and a dynamic learning environment offer our students opportunities to discover and joyfully pursue their unique strengths.

Consolidated Communications Holdings, Inc.

(NASDAQ: CNSL) is dedicated to moving people, businesses and communities forward by delivering the most reliable fiber communications solutions. Consumers, businesses and wireless and wireline carriers depend on Consolidated for a wide range of high-speed internet, data, phone, security, cloud and wholesale carrier solutions. With a network spanning more than 57,500 fiber route miles, Consolidated is a top 10 U.S. fiber provider, turning technology into solutions that are backed by exceptional customer support. 13th Annual Haulin Hoofs Helping U 2023 Canned Food Drive

Saturday December 2nd - Noon
Rain Date Saturday December 9th - Noon

The Horses are coming!!

We will be in your neighborhood collecting canned foods for **"RUBY'S BASKET"**. You can drop off your canned foods at the Rio Linda Library parking lot or meet us along our route. We will be all dressed up in the holiday spirit, singing Christmas carols and handing out candy. We will have a truck following us collecting donation along the way. See you there!!!
