Sweet, Happy Houses

Story and photos by Seti Long

GRIDLEY, CA (MPG) - The doors of the cafeteria stayed open late the evening of Thursday, December 14th, as McKinley School families and children snuck inside for a fun holiday treat. Two teachers, Mrs. Bozzo and Mrs. Francis invited both their morning and afternoon kindergarten classes and their families to a special gingerbread making night. The teachers prepped frosting and pre-made bags of goodies to be used as decorations for the empty milk cartons that would function as the gingerbread house's frames. Graham crackers would be used as siding for the ginger-re-treats that students from room 5 and room 2 would build. Families trickled in between 5:00-7:00 pm,

John Whitney's house is full of love - proven by the candy-cane heart shaped entrance into his gingerbread home.

picked up starter kits at the door, and made their way to festively decorated tables, complete with hand sanitizing stations. The evidence of the fun was everywhere - literally. While some children managed to stay somewhat clean, others, and even

their parents, ended up getting white frosting all over the place. Mrs. Francis, who formerly taught for the Biggs School District, says that gingerbread making had been part of Biggs school holiday celebrations for years and she thought it would be a great activity for those at McKinley. Therefore, she posed the idea to fellow K-teacher Mrs. Bozzo and the two went for it with the school's approval. Since this was the first time holding the event, Mrs. Bozzo said that they "really wanted to see how the turn out would be" not knowing how well it would be received. Gesturing to the cafeteria filled with laughing, sugar coated children decorating graham cracker ginger-bread houses with their families, she says "This is great!" CHP Begins Maximum Enforcement for Holiday Weekend

CHP News Release

SACRAMENTO, CA (MPG) - The California Highway Patrol (CHP) is gearing up to launch its annual Christmas Day Maximum Enforcement Period (MEP). This additional enforcement initiative aims to enhance the safety of the public on California's roads during the busy travel period. The MEP begins at 6:01 p.m. on Friday, Dec. 22, and continues through 11:59 p.m. on Monday, Dec. 25. While the primary focus of the MEP is on speed enforcement, CHP officers will also be vigilant for impaired drivers. Throughout this period, all available officers will be deployed on the roadways, intensifying enforcement efforts, and assisting motorists. "As we celebrate the joy of the season, let's make a collective commitment to prioritize safety on our roads," said CHP Commissioner Sean Duryee. "Your loved ones are waiting for you at home—buckle up, drive responsibly, and have a plan that includes a safe, sober ride before you head out for the evening." The annual surge in holiday travel brings with it an increased risk of crashes and alcohol-related incidents on our roadways. Poor choices behind the wheel such as speeding, driving under the influence (DUI), or distracted driving can have tragic results. During last year's Christmas MEP, 26 people were killed in crashes within the CHP's jurisdiction and nearly half of all the vehicle occupants killed were not wearing a seat belt. Additionally, during last year's Christmas MEP, CHP officers made 639 arrests for DUI - the equivalent of one arrest for DUI nearly every seven minutes throughout the holiday weekend. Celebrate responsibly to help ensure everyone reaches their destination safely. Always designate a sober driver or use public transportation, rideshare services, or taxi. The CHP encourages the public to call 9-1-1 to report impaired drivers, excessive speeding, and unsafe behavior on the roadways. The life you save could be your own. The mission of the CHP is to provide the highest level of Safety, Service, and Security. ★

The New Pi-Line

By Josh F.W. Cook

One of the most meaningful parts of my life is Jesus Christ, his teachings, his example, and the lasting impact Christianity has had for good in the world. We celebrate Christmas as a way to remember the story of His miraculous birth in Israel. One of the great Christmas traditions is reading the account of Jesus’ birth in the Bible book of Luke. For your ease and convenience in sharing the story of Christmas, I have pasted the narrative that changed the world forever below. Merry Christmas to you and your family.

In those days, Caesar Augustus issued a decree that a census should be taken of the entire Roman world. (This was the first census that took place while Quirinius was

governor of Syria.) And everyone went to their own town to register. So Joseph also went up from the town of Nazareth in Galilee to Judea, to Bethlehem, the town of David, because he belonged to the house and line of David. He went there to register with Mary, who was pledged to be married to him and was expecting a child. While they were there, the time came for the baby to be born, and she gave birth to her firstborn, a son. She wrapped him in clothes and placed him in a manger because there was no guest room available for them. And there were shepherds living out in the fields nearby, keeping watch over their flocks at night. An angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were terrified. But the angel said to them, “Do not be afraid. I bring you good news that will cause great joy for all the people. Today, in the town of David, a Savior has been born to you; he is the Messiah, the Lord. This will be a sign to you: You will find a baby wrapped in cloths and lying in a manger.” Suddenly, a great company of the heavenly host

appeared with the angel, praising God and saying, “Glory to God in the highest heaven, and on earth peace to those on whom his favor rests.” When the angels had left them and gone into heaven, the shepherds said to one another, “Let’s go to Bethlehem and see this thing that has happened, which the Lord has told us about.” So they hurried off and found Mary and Joseph and the baby, who was lying in the manger. When they had seen him, they spread the word concerning what had been told them about this child, and all who heard it were amazed at what the shepherds said to them. But Mary treasured up all these things and pondered them in her heart. The shepherds returned, glorifying and praising God for all the things they had heard and seen, which were just as they had been told. On the eighth day, he was named Jesus, the name the angel had given him before he was conceived.

Teachers, students, and families from McKinley Schools Room 5 and Room 2 celebrate the season with a gingerbread making night.

room 5, said that his favorite part of making his gingerbread house was the door. Using two candy-canes, the young man made a heart shaped entrance. When asked if it was because his house was “full of love”, his smile stretched from ear-to-ear, and he replied “yes!”

At the end of the very successful evening, families carried their sweet masterpieces to their vehicles.

Of the inaugural McKinley Gingerbread Night, Mrs. Francis said, “I just wanted to bring some positivity and something different to the school - bring the community together and the families together.” She continues, “I love it! It makes me happy to see the kids happy and their families here.”

The educators shared that they hoped more classrooms would join in the event in future years, making this the beginning of a long-standing gingerbread celebration.

New Penny, Same Memories

Children love the exotic candies available and the Penny Candy Store, from rainbow suckers to gummy tarantulas!

Story and photos by Seti Long

LIVE OAK, CA (MPG) - The Penny Candy Store has been a landmark in the Live Oak community and a must-stop for travelers for over 40 years.

The candy store’s cheerful striped exterior and vintage signage beckons passersby to stop-in for a Hawaiian snow or a bag of candy, still available for a \$.01. But recently, a new sign hung outside the store. “For Sale” it reads.

After celebrating its 20th anniversary, previous owner Palmira Nava was ready to sell the business and try her hand at something new.

And sell it did to an ambitious and exuberant local, Lorrie Brummett.

Brummett shares the fateful way the store became hers.

Tired of commuting to Sacramento and wishing to be closer to home and family, Brummett was looking for a change and something to do in her retirement years. She happened to walk into her home and saw a newspaper lying on the counter. She picked it up and saw the store for sale. Next thing she knew, she owned a candy store. “And we don’t even get the paper – that’s the strange thing,” she said. “It was meant to be!”

Brumett says she has been “living” at the store since she purchased it, spending long hours getting to know the business, organizing, and forming a plan for her new venture.

As Brummett chatted with the Herald, guests shopped, reminiscing about past memories, or in Judy Mayhew’s case, her aunt’s peanut brittle. “I saw this and had to have it,” she said, putting a package of the brittle in her basket, sharing how it was hard to find and that it brought back precious memories. “It’s not just about the candy”, said Brummett, smiling.

The store is not only a place for sugary treats,

From gummy snakes to artisan chocolates, the Live Oak Penny Candy Store has something for everyone’s taste!

but sweet and sentimental memories.

Although Brummett has changes planned, she says, she “[wants to] keep the memories, keep the fun. I want to keep that sense of wonder and joy,” that children and adults experience as they grab their baskets and start filling them with candy.

Some future changes include the store’s layout as she groups candies together and brings in a larger selection of sugar-free items, the addition of a sundae/milkshake bar, and more.

Thanks to a COVID-19 small business grant procured by the previous owner, both the inside and outside of the building will get a facelift. Plans are to

install new floors, a new roof, and refresh the exterior and interior paint, keeping the red and white aesthetic.

The Penny Candy Store will soon be launching a website, so that those out of the area can purchase their favorite, hard-to-find candies and have them shipped to their doors. Keep an eye on their Facebook page for updates!

Brummett has dedicated herself to continuing the legacy of the Penny Candy Store and says of her new position as the local candy dealer, “I love it!!”

Smiles at Lost and Found!

GRIDLEY, CA (MPG) - Recently, a special little elf went missing.

At the Gridley Area Chamber of Commerce’s Winter Wonderland and Parade of Lights, a well-loved elf disappeared. Despite the efforts of the little girl’s family and the community to find it by sharing pictures of the lost elf on Facebook, little Carrina’s Sharrock’s elf remained missing.

As many know, Santa has been visiting the area, working with CALFIRE to tour our communities and heard about the missing elf and heartbroken girl.

According to CALFIRE/Gridley Fire Department, Kris Kringle asked Station 74 to help.

Since the elf had vanished, a new elf was selected for the little girl by Santa. It arrived at the Sharrock home via special delivery thanks to CALFIRE Station 74.

CALFIRE/Gridley Fire Department’s Zach Downing said, “As a community service organization, any opportunity to positively impact the citizens we serve is important to us. We are grateful that we were able to help the family.” He added, “Honestly, the look of joy on her face is why we all do what we do.”

Carrina and her family gratefully accepted the new elf into their family. Her father Adam Sharrock said that his daughter was obviously upset when she lost her elf, but that he and his wife Seraphin wanted to turn the event into a

learning experience for their child.

“If it was found, we would’ve explained how great of a community we have. Obviously, the fire department doing what they did hit that point right

out of the park. We all are eternally grateful to them for taking the time out of their day to do something like this.” He continues, “It was certainly touching and renewed my faith in humanity.” ★

GRIDLEY, CA (MPG) - Once again, Gridley High School’s leadership class lent their time and talents to their annual Christmas Light Display.

Another tradition born out of the Covid-19 lockdown; the GHS Christmas Light Display celebrates its 5th year.

The event has grown since its heartfelt-and-humble beginnings. It has also morphed from a drive-thru to a walk-thru event.

Leadership students have purchased lights, blow-ups, and even a snow machine – a crowd favorite – in order to turn the Butte County Fairgrounds Courtyard Stage area into a free, glowing, wintery wonderland. Each year, the class adds more displays, and

the event grows richer in holiday cheer.

On the evenings of December 14th - 16th, leadership students invited the public to enjoy unique scenes from their favorite movies, graciously accepting donations at the entrance. Displays featured scenes from Charlie Brown, the movies Elf, Frosty the Snowman, the Grinch, Nightmare before Christmas, and The Polar Express.

Leadership Advisor Jennifer Davidson-Link says that attendance was up this year, and the leadership class would like to thank everyone who attended. “We appreciate the generous donations we received throughout the event. They help to cover the cost of our new additions each year. It’s a tradition we hope to continue to grow for years to come!” ★

Don’t Be Afraid To Start Small

Dear Dave,

I’d like to slowly start a business online while working my regular job. But even though I’m in pretty good financial shape, I don’t have much money left at the end of the month. I have no debt except for my house, and I also have nine months of expenses in my emergency fund. How can I start my business without borrowing the money?

– Kristin

Dear Kristin,

I like where your head is. Start and run your business with cash. Period. Even if it takes a little while to get

Dave Ramsey Says

things off the ground. That should be a guideline for every entrepreneur.

But guess what? You may have more money on hand than you think. You’re a little heavy on your emergency fund right now. I recommend people have three to six months of expenses set aside for emergencies. You could back your emergency fund down to six months of expenses, and move the extra over to an account designated for your business. After that, grow it slowly each month until you have enough to open your doors. You’d be surprised how much cash will pile up, even if you save just a little bit at a time.

The big thing, Kirsten, is don’t be afraid to start small. Don’t despise humble beginnings. Some of the best and most successful companies in America started as micro-businesses or cottage industries. I literally started my company

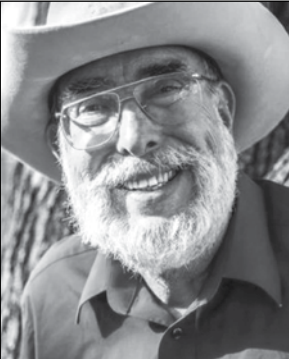

on a card table in my living room. It’s easier and safer in a lot of ways. So, I love the wisdom you’re showing by wanting to keep your full-time job while starting the business online.

So, yeah. Take three or four months of expenses out of your emergency fund, and move it to a designated business account. Watch your budget carefully, and keep spending to a minimum. Above all, don’t take your business into debt. Grow it at the speed of cash. The best, most successful businesses don’t outrun their money and other resources!

– Dave

Slim Randles’ HOME COUNTRY

Slim Randles

Now before you can sneak away, here comes that pharaoh of the feed-store, that baron of the bunkhouse, that titan of the tack room ... Windy Wilson.

Well, t’other day I meandered around town until I crept in to Sarah’s bookstore. You know the one. Has that sign on them bookshelves says “Love and other Fiction.” Been meanin’ to ask her ‘bout that one a these days. Oh, Alphonse Wilson here ‘course.

Well, Miz Sarah shore is a sweetie and I like droppin’ on in there ever now and then. Wellsir, this day, I was huntin’ a Farmer’s Almanac for the new year. You know how it is ... hate to do somethin’ stoo-pid like plant cabbages in the wrong bowels of somethin’ like that.

Wellsir, Sarah kinda looks me up and down, and I got glad as could be about bein’ a upright fine-lookin’ beast, and then she rears back and asks me to put on this yere Santa suit and talk to the kiddies later that day. She said she’d even give me that almanac for doin’ it.

“Say Merry Christmas”

Well, hot dingles, campers! I got the suit and them fakeroo whiskers slapped ‘em on and took up my perch right there next to them history shelves.

I didn’t notice anything strange ‘til I was ‘bout three kids in, you know. Then I noticed ol’ Sarah had got the Santa elf fever her ownself!

Yep, she come over and stationed herself right next to good ol’ Santa. That’s me, you know. Wellsir, the very next tike that come up was this cute little girl and she hopped up in ol’ Santa’s lap. So I nacherly sent seasonings greetings across to ‘er.

I said, “Hello there, young lady. Do you wish to convey an appurtenance of Christmas time wishes to all of us at this conflagration?”

And she says “Huh?” kinda like she didn’t understand. Then Sarah whispers to her “Say Merry Christmas.”

And she says Merry Christmas, Santa.

“Tell Santa what you want for Christmas,” said Sarah. And the kidlet says, “Oh ... I want a doggie!”

“I see! Says I. You desire to bask in the unabashed affections of our four-legged companeros.”

“No” she says, “... I want a doggie.”

“Well a-course you do.,

says I. I looked at her mama and she gives me the nod.

You know how it’s a adult duty to apertain responsibility, so’s I look down and says, “Now you realize, a-course, that havin’ a dog means providin’ it with ampulatory nourishment and care. And there may be some ... excretatory surprises to be remediated.”

The girl looked up at her mother. And her mama says she’ll hafta feed it and clean up after it.

And that little angel says, “I will, Santa!”

So as to put the Santa visit into terminatin’ remembrances, I said and a felicious cerebellum of the sanctified parturition-atin’ occurrence to you, my dear.”

And she looked up at me and says “Merry Christmas!”

I musta done a good job of it, too, ‘cuz when the guys come in from the Mule Barn, I heard Sarah tell ‘em next year she was a-goin’ to charge admission.

And you can tell ‘em I said so!

Gridley Thumbs and Roots

By Barbara Ott

Leaf raking has begun. I’m getting a lot of the leaves up while they are golden. I can’t let them go to muck. I no longer can rake a lot of rotten leaves. Sadly, I can only work for short periods of time to maintain my strength. This is very frustrating but I’ve been pushing back for a long time and doing the work

for longer than I should. Then I am out of commission for days. This is not smart. I’m accepting my limitations, so I can continue working over-time. That means I have to rake fresher leaves in a timely manner. Being stubborn can get you only so far.

Next is getting my new bulbs into the ground. I’m doing this a bit late. They should still develop nice blooms come spring even though I’m getting them in late. I’m going to try to grown saffron. I have the fall blooming crocus that makes saffron. My granddaughter likes to do fancy cooking and wanted some saffron so I’m inspired to see if I can get a wee bit of pollen from these flowers

that is known as saffron.

Here we are at the Winter Solstice. The time of the longest period of night in the year. A time of inner contemplation and quiet. A time when light is treasured instead of resented. The seeds in the earth are getting ready to wake up as the ground warms later on. It is the time that begins the renewal of earth and its inhabitants. In California we have gentler winters but still it is a time to seek warmth from the environment and from other people. It is a time for rich stews and soups with crusty bread. Soon it will be the time to plant seeds for spring. I love the cycles of the sun and all that they bring. ★

Thoughts to Ponder

by Kathy Neal

Gridley United Methodist Church

Three men, wise men from the East followed a light, a star for at least two years in order to find a way to see the new King of the Jews. They studied patterns, prophesies, and data that told of this big event. They traveled, they moved, they stepped forward to find the gift so blessed that all humanity needed to find it.

Wise men seek and wise men find the light, the way, and the truth. So can we if you are looking for a better way of life, go to the Light that leads the way, Jesus. If you are waiting for a brighter day and peace, go to the Light, Jesus. If you have been told that there is a better way to survive this broken world, “Go To The Light.”

A single candle in a window can guide you home. Just think about a Heavenly Light that could lead you to your eternal home. Wow! God gave you a perfect gift thru the True Light, the True Way, and the True Truth. Follow God’s guiding light like the Wise Men did over 2,000 years ago. They found their way and offered precious gifts to the King and Lord of all creation.

Once we find that light, it is up to us to be the light that shines forth in God’s love. If you want God to close or open doors, let go of the doorknob. Jesus always told His followers they should, Ask, Seek, and Find. When He came knocking on doors He promised to come

in and abide. The reason we have to open the door for Him to enter is that there is no doorknob on the outside of the door. We have to open it from within and welcome Him.

As with light, we have to put up the candle of welcome, the lantern of safety, and the glow of comfort. We must shine from within with God’s glory.

Hang your lights on your tree and home, but don’t forget to allow people to see your glow within your person. Who knows, you may just lead another person out of darkness towards God’s beauty as the Star guided Wise Men.

Join us for our regular service at 10 am. Also join us for our Christmas Eve service at 6 pm to honor the birth of the Light, Jesus. ★

Almond Farmers Remain Optimistic Despite Recent Challenges

California almond growers have faced tough economic conditions in recent years as production costs soared while earnings plummeted. Yet the Almond Board of California maintains that the long-term outlook for the tree nut remains positive, even as the industry struggles through some growing pains. At the recent 2023 Almond Conference in Sacramento, industry leaders said changing times and shifts in consumer behavior mean the sector will need to evolve and innovate to remain competitive and drive global demand for the state’s 3.5-billion-pound crop.

Shannon Douglass Becomes First Woman to Lead California Farm Bureau

Shannon Douglass, a diversified farmer from Glenn County, has been elected as the new president of the California Farm Bureau. Douglass, who served three terms as first vice president, becomes the first woman to head the organization, which was founded in 1919. The election took place at the organization’s 105th Annual Meeting Dec. 1-6, in Reno, Nevada. Douglass is an owner of Douglass Ranch in Orland, which raises cattle and grows walnuts, corn and forage crops. She succeeds Jamie Johansson, a Butte County olive and citrus fruit grower who served three terms as president.

Farm Bureau Joins Coalition Backing Tax-Reform Initiative

The California Farm Bureau has endorsed a 2024 ballot initiative that would give voters the final decision on approving new local and state taxes. The Taxpayer Protection and Government Accountability Act is backed by a coalition that also includes the Howard Jarvis Taxpayers Association, the California Business Roundtable, the California Business Properties Association and other supporters. The new measure would require all new taxes passed by the California Legislature be approved by voters and would reaffirm a two-thirds voter approval for all new local special tax increases.

One cord is the amount of tightly piled wood in a stack 4 feet high by 4 feet wide by 8 feet long.

All regulations on the permit and map for personal use firewood must be followed. Firewood may not be cut from active timber sales or Congressionally-designated Wilderness or special areas. It is illegal to cut green trees. Firewood collection is generally prohibited in recreation sites, unless authorized by a local Ranger District.

Ranger Districts will sometimes have areas where they would like the public's help to clear out wood as personal use firewood.

Currently the Mount Hough Ranger District has personal use firewood available at Whitehorse Campground in the Bucks Lake area. These are hazard trees felled recently by firefighters. The campground gate is open and the wood is available until it is gone or snow begins to restrict access, whichever occurs first.

Beckwourth Ranger District would like to encourage woodcutters to help clear firewood near roads northwest of Lake Davis before Walker Mine.

There is a fee for commercial firewood permits. For more information on commercial firewood permits, please contact the local Ranger District office.

Woodcutters are advised to take precautions for personal safety and to avoid road and resource damage.

Plan your trip – check the weather, bring plenty of warm clothes, water, emergency food, first aid kit, a shovel and rope or tie downs if needed to safely secure the load. Make sure to have a full tank of gas when you leave and are prepared for changing conditions. Let someone know where you are going, the route you are taking and when you plan to be back.

Keep vehicles on designated roads and be aware of changing weather and road conditions. Wet dirt roads can quickly turn to mud, making it possible to get stuck and causing damage to road, soil and water resources. If there are puddles in the road, mud flipping off the tires or you can see your ruts in the rear-view mirror, turn around.

Avoid traveling in the forest during storms or windy conditions. Falling and downed trees, as well as landslides, can block roads with little to no warning.

Spotlight Please! Light Up Gridley Winners Are ...

Each year, the chamber holds a Christmas light contest and certain houses shine brighter than others – literally. Image by Jill Wellington from Pixabay

By Seti Long

GRIDLEY, CA (MPG) - The Gridley Area Chamber of Commerce threw down the gauntlet to the citizens of Gridley, challenging them to put forth their best efforts, and lights, blow-ups, and holiday props, in the annual Light Up Gridley Contest.

Each year, the chamber holds a Christmas light contest and certain houses shine brighter than others – literally. Bedazzled and decked with Christmas decorations of all sorts, locals know where to go to get a great light show.

The Chamber named the following locations the winners of their Light Up Gridley Christmas light contest, listing them from 1st to 3rd: First place: 435 Paradox Street; Second place: 440 Washing Street; Third place: 613 Little Avenue.

The Chamber will be awarding the lucky winners prizes of \$200 for 1st, \$150 for 2nd, and \$100 for 3rd.

The Gridley Area Chamber of Commerce would like to thank all those who participated and helped Light up Gridley for the holiday season! ★

SPARKY'S CORNER

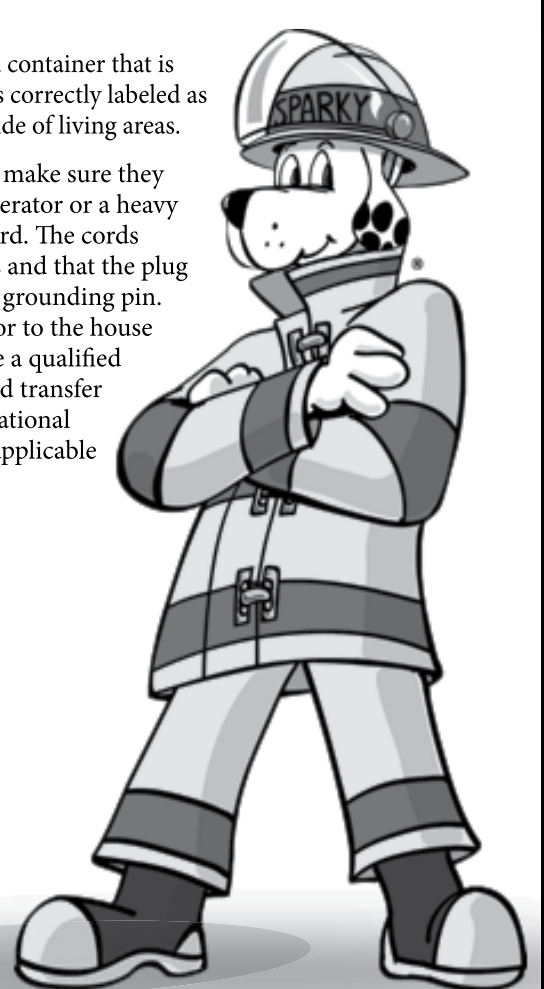

Generator Safety

Downed utility lines, power company blackouts, heavy snow falls or summer storms can all lead to power outages. Many people turn to a portable generator for a temporary solution without knowing the risks.

- Generators should be used in well ventilated locations outside at least 5 feet away from all doors, windows, and vent openings. Measure the 5-foot distance from the generator exhaust system to the building.
- Never use a generator in an attached garage, even with the door open.
- Place generators so that exhaust fumes can't enter the home through windows, doors or other openings in the building. The exhaust must be directed away from the building.
- Make sure to install carbon monoxide (CO) alarms in your home. Follow manufacturer's instructions for correct placement and mounting height.
- Turn off generators and let them cool down before refueling. Never refuel a generator while it is hot.
- Store fuel for the generator in a container that is intended for the purpose and is correctly labeled as such. Store the containers outside of living areas.

When plugging in appliances, make sure they are plugged directly into the generator or a heavy duty outdoor-rated extension cord. The cords should be checked for cuts, tears and that the plug has all three prongs, especially a grounding pin. If you must connect the generator to the house wiring to power appliances, have a qualified electrician install a properly rated transfer switch in accordance with the National Electrical Code® (NEC) and all applicable state and local electrical codes.

BCOE Receives Bipartisan Grant

BCOE News Release

BUTTE COUNTY, CA (MPG) - The Butte County Office of Education, in collaboration with the Oroville Union High School District, Palermo Union Elementary School District, Pioneer Union Elementary School District, and Golden Feather Union Elementary School District, proudly announces the recent achievement of receiving the Bipartisan Safer Communities Act-Stronger Connections Grant.

This significant grant, aimed at enhancing the capabilities of Local Educational Agencies (LEA), will further empower our educational institutions to build safer and healthier learning environments. The program’s primary focus is on preventing and addressing acts of violence, bullying, and harassment, nurturing mental health needs, and fostering a positive school climate and culture.

Dr. Corey Willenberg, superintendent of Oroville Union High School District, stated, “The Oroville Union High School

District is a proud partner in the Safer Communities Act-Stronger Connections Grant. Collaboration with the Butte County Office of Education and school districts in Butte County allows us to provide much-needed services to our students that address barriers that prevent students from learning and accessing learning.”

The multi-district team will provide crucial support for universal and supplemental services while laying the groundwork for interventions to reinforce the goals and actions outlined in the consortium’s Local Control and Accountability Plans (LCAPs). Although the member schools in the consortium are demographically unique, they share a common challenge of facing multiple disasters, community violence, high crime rates, and challenges such as chronic absenteeism and elevated Adverse Childhood Experiences (ACEs) scores. Despite these obstacles, we stand united, committed to overcoming these hurdles and providing the support our community needs.

The grant is especially important for the small, rural school districts that will be able to provide assistance to students in need. “This grant offers the opportunity for small rural districts to obtain services that larger districts have had access to for some time,” shares Patsy Oxford, superintendent of Pioneer Union Elementary School District. “This will have a huge impact on our students, staff, families, and the community as a whole. We are very excited and grateful to be a part of this project.”

The impact on our students has been profound, leading to increased efforts to disconnect from school, elevated feelings of sadness and hopelessness, and challenges such as heightened rates of suicide and substance abuse. The Bipartisan Safer Communities Act-Stronger Connections Grant will be instrumental in addressing these challenges by creating a sustainable solution, including a locally-sourced workforce to build the vital mental health infrastructure needed in our community.

“The Golden Feather Union Elementary School District is excited about the positive impact this grant will have on students at the Concow School at Spring Valley campus. Onboarding a dedicated wellness coach at Spring Valley aligns with our mission to enhance the holistic well-being of our school community,” shares Josh Peete, superintendent of the Golden Feather Union Elementary School District.

This grant marks a new chapter in our collective journey toward fostering hope and resilience. By establishing a paradigm shift in mental health support delivery within our community, we are confident that we will exceed the growing needs of our students, staff, and community. This grant will facilitate the creation of a locally sourced workforce dedicated to building the necessary mental health infrastructure.

The goal is to transform the delivery of mental health support by establishing a new paradigm within our community. The team will also

leverage the California Educators Together platform to provide school staff with a repository of resources and training modules.

Michelle Zevely, associate superintendent of student programs & educational support at the Butte County Office of Education, expressed, “This grant represents a transformative moment for our educational community. It propels us towards our commitment to fostering resilience, promoting mental well-being, and building a foundation for success for every member of our community.”

In celebrating this achievement, the Butte County Office of Education and its partner districts extend a warm invitation to members of the press and community to join in commemorating this milestone. Together, we look forward to building safer, healthier, and more supportive learning environments where students feel connected and have a profound sense of belonging. Your support is invaluable as we work towards a brighter, more resilient future. ★

NOTICE OF PETITION TO ADMINISTER ESTATE

NOTICE OF PETITION TO ADMINISTER ESTATE OF EDGAR GORDON GUTHREY, IV CASE NO. 23PR00590

To all heirs, beneficiaries, creditors, and contingent creditors of and persons who may be otherwise interested in the will or estate of Edgar Gordon Guthrey, IV.

A Petition for Probate has been filed by Edith Guthrey, in the Superior Court of California, County of Butte, requesting Edith Guthrey be appointed as personal representative(s) to administer the estate of the decedent. The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the executor to take many actions without obtaining court approval. Before taking certain very important actions, however, the executor will be required to give notice to interested persons unless they have waived notice or have consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A hearing on the petition will be held in this court as follows: January 23, 2024, 9:00 a.m. in Dept 1. Superior Court of California, County of Butte, 1775 Concord Avenue, Chico, CA 95928.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the deceased, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk. The name, address and telephone number of the Attorney for Petitioner is: Areta Guthrey, 7207 Yarrow Way, Citrus Heights, CA 95610; 707-363-4482

Jury Convicts Skimmer/Scammer of 43 Fraud Counts

Butte County District Attorney News Release

BUTTE COUNTY, CA (MPG) - A Butte County jury, on December 13th, took less than two hours to convict Alexandru Bambaloi, 30, of Vallejo, of 43 felony counts of identity theft after a three-day jury trial. The 43 felony counts related to the theft of nearly 4,400 individuals’ ATM card numbers at the Walmart store in Chico.

Butte County District Attorney Mike Ramsey said the case began in July of 2022 when Chico Police responded to Walmart because an ATM “skimming” device had been located on one of the checkout

stands. Ramsey explained the device was designed to look identical to a real payment terminal, and that criminals would place it over top of the legitimate device to secretly steal the card numbers and PINs from unsuspecting shoppers. Ramsey said once the device was found, Chico PD assigned a detective who had investigated numerous ATM skimming operations and had special skimmer expertise.

Working with Walmart security personnel and other local agencies, Chico PD learned that a “crew” of two skimming suspects had been targeting multiple Walmart locations in the Bay Area and the Northstate over several months. By

obtaining surveillance and other evidence, Chico detectives were able to positively identify the two men as Robert Miclescu, 23, and Alexandru Bambaloi, 30, both Romanian nationals living in Vallejo.

After being arrested and charged, Miclescu quickly pleaded guilty to all charges and was sentenced to 5 years in county jail followed by 11 years of probationary supervision in the community. Bambaloi however elected to fight the charges, claiming he was not in Chico at the time of the skimmer scams. Ramsey said Bambaloi wore a Covid mask and a baseball hat while committing his crimes, which made

identity a challenge. However, Ramsey explained his office was able to present compelling evidence that tied Bambaloi to the crimes, including evidence located during a search warrant at his house which included nearly \$13,000 in cash hidden in a shed, as well as two gift cards that had been “cloned” with stolen ATM numbers. Investigators also were able to tie him to a vehicle used in some of the skimming activities. Ramsey noted it took the jury over 30 minutes to read all 43 of their verdicts to the judge after their deliberations.

Ramsey said that in the past year, there has been a considerable increase in the number of

ATM skimming cases occurring in Butte County, and his office along with other local law enforcement agencies have been continuously working to locate, arrest, and prosecute these suspects. Ramsey said the type of skimming fraud that is occurring is organized, large-scale, and tied to international organized crime, which makes it difficult to detect and prosecute. Despite these challenges, his office has successfully prosecuted multiple ATM fraudsters this year, including Bambaloi.

Bambaloi will be sentenced on January 4, 2024, at 9:30 a.m., where he will face up to a maximum of 31 years in county jail.

If the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Trustee, and the successful bidder shall have no further recourse. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to

NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 916-939-0772 or visit this Internet Website www.nationwideposting.com, using the file number assigned to this case 132202-1. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Website. The best way to verify postponement information is to attend the scheduled sale. Boys’ Basketball Takes Third in Colusa, Girls Finish Seventh in Sutter

Story and photos
by Steven Bryla

42ND ANNUAL GEORGIA RACZNAK REDHAWK CLASSIC (Colusa)

COLUSA, CA (MPG) - The Gridley boys’ basketball team finished in third place in the Colusa tournament last weekend as they continue to grow as a team.

Gridley went 2-1 in the tournament, as they opened with a big 35-point victory over Yreka last Thursday before dropping a close game against Sutter (former Butte View League rival) that was back-and-forth the entire game.

The Bulldogs closed out the tournament with a 56-49 victory over BVL foe Corning to take third place in the tournament.

Gridley Head Coach Nathan Link expressed to the Herald that the Bulldogs responded well to adversity throughout the tournament, and most notably when they opened the game against Corning down by 11 points in the first few minutes of the game.

Additionally, adversity struck in the game against Sutter when sophomore guard Bikram Kullar went out with an ankle injury.

Link told the Herald that Kullar is listed day-to-day and will likely return next week when Gridley plays in the Dixon tournament.

Kullar’s older brother, senior forward Aaron was the only Bulldogs recipient of a place on the all-tournament team.

Gridley (8-4) had a perfect record on the season (7-0) against Northern Section teams after the conclusion of the Colusa tournament.

Link expressed to the Herald that they are progressing to gel as a team. The Bulldogs are off to their best start since the 2019-20 season.

Gridley traveled back to Colusa on Monday night to play the RedHawks in a non-league matchup before they hosted the defending CIF Sac-Joaquin Section Division IV champions

Gridley senior guard Brian Brown (0) goes for a layup against Sutter in the Bulldogs 48-47 defeat on Friday, December 15.

Gridley junior forward Brook Marr (2) puts the ball up towards the basket in the Lady Bulldogs 67-38 defeat to Chico on Thursday, December 14.

from Marysville on Wednesday evening.

SUTTER TOURNAMENT

SUTTER, CA (MPG) - The Gridley Bulldogs girls’ basketball team

went 1-2 in a competitive field of teams at the Sutter tournament where they were able to add to their strength of schedule for later on in the season.

In the first game of the tournament, Gridley lost 67-38, but the Lady Bulldogs contended with Chico for a lot of the first half before the lead got out ahead of them.

In the second game of the tournament against Colusa, Gridley found themselves in a huge deficit as high as 14 points in the early part of the game.

The Lady Bulldogs fought their way through the entire game and got the game within two possessions late in the fourth quarter when Colusa was up 34-30.

The RedHawks eventually pushed the lead to nine in the final couple minutes before securing the 39-34 victory.

Gridley beat Sutter for seventh place in the tournament as the Lady Bulldogs controlled the game despite trailing by one entering the fourth quarter before winning the tournament finale 50-40.

Gridley played 10 games within the first 16 days of December. Lady Bulldogs expressed to the Herald that the girls have rarely had the opportunity to rest their bodies with all of the physical play they have endured in the early half of the season.

Although Becca McCray said it’s good for Gridley by the time BVL play comes around, the competition level of teams they are going up against prior to BVL play will have the Lady Bulldogs more than prepared for league.

Despite playing a back-to-back against Colusa and Marysville on the road this past Tuesday and Wednesday night, Gridley will play in Lincoln’s second tournament hosted this season where they play a Sacramento perennial power in Inderkum and a competitive Foothill squad.

Lady Bulldogs junior forward Brook Marr was named to the All-Tournament team for Gridley. ★

Bulldogs Shutout by Honkers, Lions and Falcons Tie

Gridley at Yuba City

YUBA CITY, CA (MPG) - The Yuba City Honkers’ two early goals held up as they beat the Gridley Bulldogs in a non-league matchup on Tuesday, December 12.

Yuba City snuck past the Gridley defense on the opening kick of the game and lit up the scoreboard with an early goal to take a 1-0 lead in the match.

The Bulldogs were able to gain their composure back and played the rest of the night lights-out on the defensive end.

The Honkers added to their lead in the 15th minute as they scored off a penalty kick to take a 2-0 lead, and that would end the scoring on the night, but both teams had opportunities and great shots on the goals.

Gridley Head Coach Jesse Barajas told Messenger Publishing Group that Yuba City came out with a lot of quick passes and his team backed off quite a bit.

Honkers Head Coach Erik Soli expressed to MPG that the win over Gridley builds Yuba City’s confidence and his players brought it as they played hard in the victory.

“We came out strong and that early goal didn’t dictate the game: we kept bringing the pressure after that,” Soli said. “It gave us momentum, and our kids didn’t let up after the early score.”

Soli added that everyone on his roster made the right moves, and they were able to control the ball well throughout the game.

Gridley lost their following match on December 14 to Pleasant Valley, as they surrendered two second half goals.

Gridley senior captain Gregorio Ramirez (10) goes to steal the ball in the Bulldogs 2-0 loss to Yuba City on Tuesday, December 12.

Barajas told MPG they are working hard as a team, and are going to attempt to make another Northern Section/State tournament run like last season.

The Bulldogs hosted Colusa on Tuesday and traveled to Anderson on Wednesday to finish their 2023 schedule.

The Honkers opened Capital Valley Conference play on December 14, with a 5-0 loss to Woodcreek. Yuba City had two chances this week to win their first CVC game since the 2020-21 season as they hosted Antelope on Tuesday and traveled down the road for in-town rival River Valley last night.

Live Oak at River Valley

YUBA CITY, CA (MPG) - The River Valley Falcons and the Live Oak Lions tied 1-1 in a non-league matchup on Tuesday, December 12.

The chilly nightcap had players on both sides making sure they were loose and constantly moving to avoid cramps.

River Valley got on the scoreboard early in the first half, as both squads were able to have equal time of possession of the ball, and the game was balanced as a whole.

Falcons Head Coach Abel Franco told MPG that his defense

was spot-on throughout the game against Live Oak.

River Valley junior midfielder Benjamin Barriga expressed to MPG that they didn’t allow the Lions to space out wide for long outlet passes into the open field.

Live Oak tied the game at one off a corner kick from Esteban Alvarado to Jesus Rivera for the equalizer.

Lions Head Coach Rudy Rosales told MPG they were successful on defense, and they are still working towards finding a main striker up on the front line.

Live Oak is experiencing injuries to some key components on the roster, but Rosales is not

using that as an excuse.

He added that it is the next guy up, and will be adding guys to those missed spots on the field, and a successful season for this team consists of all playing together with one another.

Live Oak lost their match against Williams 1-0 on December 14, and ended the 2023 part of their season with a road trip to Hamilton on Monday.

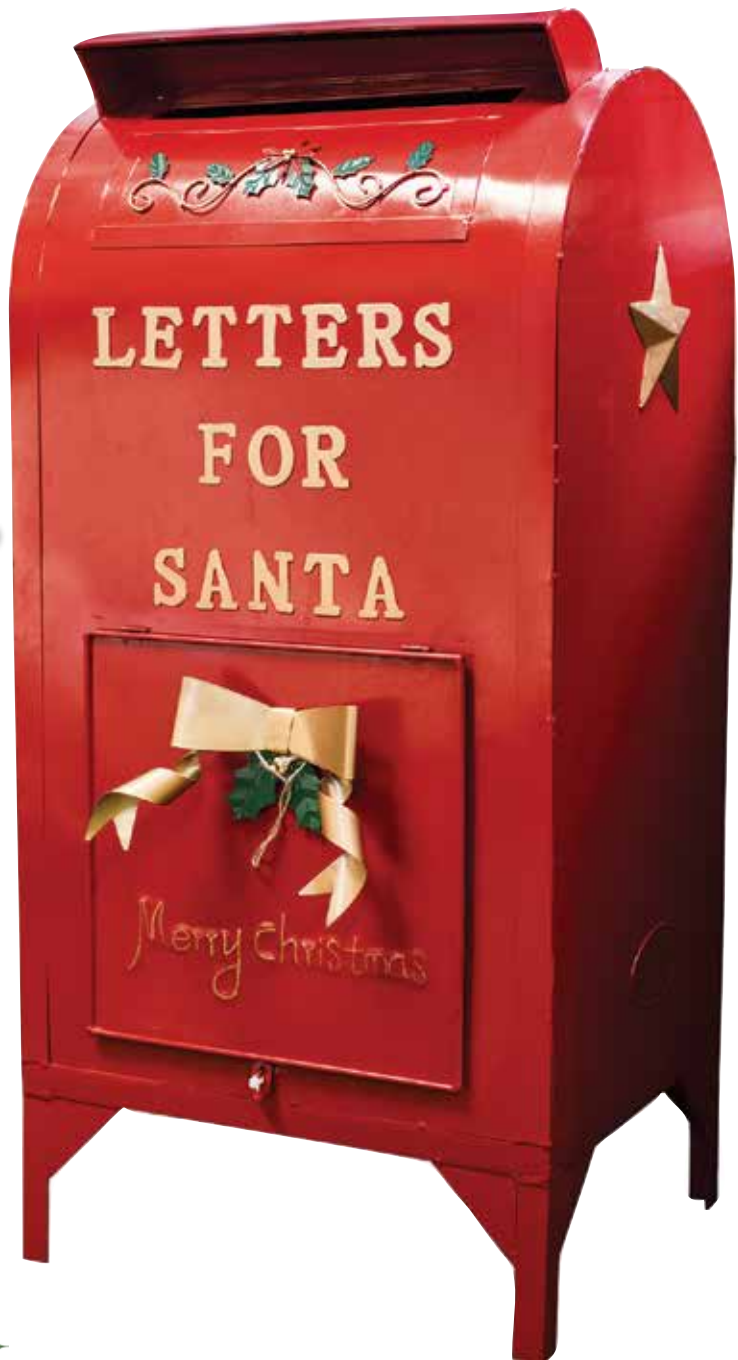

River Valley lost their CVC opener to Antelope 4-0, and hosted Placer on Tuesday night before they hosted Yuba City last night in the crosstown matchup to close out 2023. ★

Letters to Santa

The Gridley Herald Would Like to Thank All of the Participating Schools and Classes That Made This Special Section so Wonderful!

Hey Folks, Just a reminder - Yes, we have proofread all these letters, however we have NOT made any corrections because that would change the "originality" of their letter and the "meaning" from the child who sent it! Proceed with an open heart and enjoy the Magic of Christmas!
