

# JAY PEAK TRAIL GUIDE 2023+24

## SKI AREA BOUNDARY POLICY

- Know where the Ski Area Boundary is, and ski or ride on open trails and glades within the boundary.
- Woods and Backcountry areas beyond the Ski Area Boundary are not maintained or patrolled by Jay Peak Resort.
- Do not leave the Ski Area Boundary unless you are prepared for wilderness travel.
- If you go past the Ski Area Boundary, there may be no way back to Jay Peak Resort. If you pass beyond the Ski Area Boundary and become lost or injured, do not delay in calling Ski Patrol and/or 911 as your rescue could be lengthy.

## WOODS SKIING POLICY

- Glades are named trails that are opened and closed by ski patrol.
- Woods are in-bounds sections of forest that are not named on the map and are not opened or closed by Ski Patrol.
- Woods and glades are recommended for EXPERT skiers or riders in groups of 3 or more. Please do not ski or ride woods or glades after 3p.
- Woods skiers or riders must enter and exit from an open trail and cannot ski under or around traffic controlling ropes or fences.

**NO DOGS ALLOWED ON TRAILS**

## LEGEND

### CAUTION:

Jay Peak does not sweep all trails, glades, and chutes - ski/ride with care and do not ski/ride alone. Map not to scale. For directional use only.

**SKI PATROL: (802) 327.2187**

# YOUR RESPONSIBILITY CODE

Skiing and riding can be enjoyed in many ways. At resorts you may see people using alpine, snowboard, telemark, cross country, and other specialized equipment, such as that used by disabled skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing and riding that common sense and personal awareness can help reduce. Observe the code listed below and share with others the responsibility for a great experience.

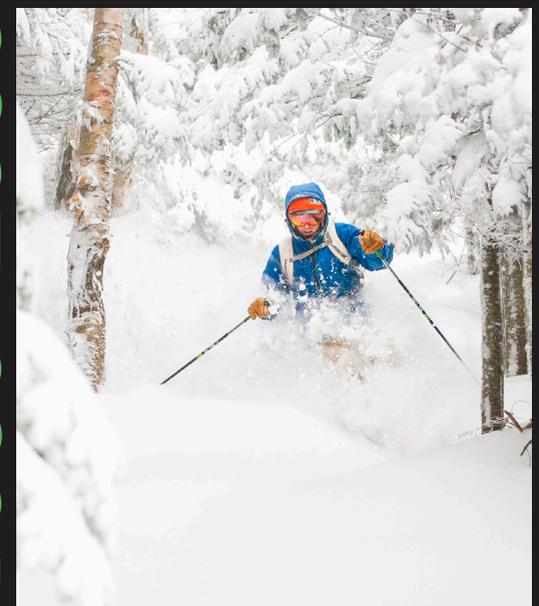

- 1** Always stay in control. You must be able to stop or avoid people or objects.
- 2** People ahead or downhill of you have the right-of-way. You must avoid them.
- 3** Stop only where you are visible from above and do not restrict traffic.
- 4** Look uphill and avoid others before starting downhill or entering a trail.
- 5** You must prevent runaway equipment.
- 6** Read and obey all signs, warnings, and hazard markings.
- 7** Keep off closed trails and out of closed areas.
- 8** You must be able to load, ride and unload lifts safely. If you need assistance, ask the lift attendant.
- 9** Do not use lifts or terrain when impaired by alcohol or drugs.
- 10** If you are involved in a collision or incident, share your contact information with each other and a ski area employee.

## KNOW THE CODE, IT'S YOUR RESPONSIBILITY. This is a partial list. Be safety-conscious.

Officially endorsed by: National Ski Areas Association / National Ski Patrol and Professional Ski Instructors of America
