GALT, CA (MPG) - A fundraiser at Squeeze Burger will support the medical care of a Galt dairy farmer following a debilitating heart attack.

Fred Denier, operating partner of Cal-Denier Dairy, suffered a massive heart attack on June 2, 2023, resulting in a traumatic brain injury

that has left him incapacitated and comatose.

To help cover the cost of his care, Squeeze Burger will host a fundraiser on June 27. On that day, 50% of proceeds from sales between 7 a.m. and 7 p.m. will be donated to Denier's medical care. Squeeze Burger is at 10550 Twin Cities Road.

Denier's family has also started a GoFundMe campaign.

The Herald spoke with family members of Denier, and Squeeze Burger owner Travis Hausauer about the fundraiser and Fred Denier's lifelong connection to the Galt community.

Denier's wife, Cathy Denier, said Hausauer proposed the fundraiser after she visited the restaurant to drop off a flier for the GoFundMe

GALT, CA (MPG) - The volunteers behind the Galt Senior Resource Center are looking to attract more volunteers to help with operations and to raise awareness of the information and help available for local older adults.

Tucked away in a corner of the Chabolla Community Center, the resource center consists of an office stocked with informational material on a range of issues affecting older adults, such as health concerns, transportation and housing, in both English and Spanish. The resources come from varying places, including the city, the county and individual organizations.

Galt Commission on Aging member Joan Werblun described the center as a "clearinghouse" for information.

"We're not the ones that get them the house, but we may have the information of where to go to find out," Werblun said in a recent interview.

The Commission on Aging, which acts as a forum for issues affecting older adults, has a close relationship with the resource center, and both operate as part of the city of Galt.

Fellow Commission on Aging member Libby Robbins said the center also holds seminars on topics like CPR, trip-and-fall hazards and Medicare.

In addition, the center hosts a game day on Thursdays to give attendees a chance to socialize over games of checkers, backgammon, bridge and many other options.

Werblun wanted more older adults, and people in their lives, to know about the center.

"This is the biggest gem of Galt, and it's hidden," Werblun said. "This is a hidden gem, really. There's so much information here and people to help you wade through it."

In addition to spreading the word about its services, the resource center is looking for more volunteers to staff it and help visitors find the assistance they need.

The commissioners said the center currently has about a dozen volunteers but could always use more.

GALT, CA (MPG) - Robert L. McCaffrey Middle School celebrated its eighth-graders at a promotion ceremony on June 6, seeing them off as they prepare for their next

adventure: high school.

Assistant Principal Joshua Saldade welcomed the students, families and school district officials. He also recognized recipients of the Top Dog and Student of the Year awards, and National Honor Society members. Top Dogs are

students who maintained a GPA of 3.83 or higher in eighth-grade.

Student Jordan Gold led the Pledge of Allegiance, and Jax St. Claire and Sunny Hurley sang "The Star-Spangled Banner."

Taking time to reflect on the past two years, students

Kaitlyn Cullers and Mariah Carter Scherr recounted the memories their class made at McCaffrey Middle School, naming the many fun activities they took part in.

Fighting Through Homelessness to Housing

Sacramento County News Release

SACRAMENTO COUNTY, CA (MPG) - Keri and Sandra look fondly at each other with a bond forged by two people who have shown up for each other during some hard times. Sandra went through other case managers but somehow when she met Keri, she knew that Keri would be the one to help her change her life.

"She loves her clients; you can just tell," Sandra said. "And she always tells the truth. I appreciate that."

Keri lowers her head in acknowledgment; it's true, she does love her clients. But she's quick to return the compliment: "Sandra always showed up. She always does the work. She is on it."

The mutual respect they have for one another might seem trivial, but it isn't. Missed connections and opportunities are the top reasons folks don't get housed. Lost paperwork, lost phones, lost and broken relationships.

Keri is a Community Health Worker with Community Health Works (CoHeWo), an outreach organization contracted by Sacramento County to do encampment outreach in the parkway, unincorporated county and with the multi-disciplinary teams in the City of Sacramento. CoHeWo outreach staff provide support and services ranging from helping to get an I.D. to rehousing, furnishing a new apartment or helping with a deposit. But more than anything, CoHeWo staff relentlessly show up with compassion

and a drive to make a difference in the lives of their clients.

Sandra lost her job driving for Lyft at the start of the COVID-19 pandemic. After 20 years as a security guard, she decided to make a change to a job that allowed her to set her own hours and income, and also pay for an apartment and a steady rotation of leased cars. When the pandemic hit, Lyft fired her. She sued for wrongful termination but the case was tied up for years. Her income vanished. Her ability to pay for her apartment and car: gone. She lost her home and her car within a matter of months and had very little money to live on. Sandra spent a few weeks on her daughter's couch, but the strained relationship wore out her welcome faster than expected.

Sandra bounced around between living in a tent on the river and near Township 9, living in the City Safe Ground, and eventually living in her car after winning her wrongful termination suit. She went through and graduated from several programs, including Salvation Army, Women's Empowerment and Mather Community Campus.

"Being homeless is a fight, every day," Sandra said. "People slashed my tent and stole my stuff. I try to keep to myself; I don't want trouble. It is dangerous out here as a woman alone."

One day, a border collie dog jumped into the back of her car. The dog refused to get out and had no collar. Sandra took her

to the nearest vet to scan her for a chip. With no chip detected and a seemingly instant bond, Sandra decided to keep her and name her Lady. Sandra scheduled her for spay surgery, but Lady got pregnant before that day came. Sandra was able to rehome all the puppies, except one: a spirited, split-nosed mix that stole her heart and captured the attention of everyone he met! Lucky became quite an attraction. His nasal cavities formed independently, creating a unique look.

When Keri took over Sandra's case, Sandra knew that somehow, this community health worker was different. She would be the one to get her into housing. Keri and Sandra looked for places to get shelter, but Sandra's situation proved difficult. Because of her two big dogs, Sandra's options were very limited. While some shelters now accept pets, pets have historically been a huge barrier to people getting shelter. Sacramento County has been working to change those restrictions with its Safe Stay shelter model that allows people to shelter, with their pets, in individual units. No one should have to choose between the safety of shelter and their pet.

Keri worked with Sandra for nearly six months before she was able to get her a referral into the Wong Center, now known as Mutual Housing's project "The Boulevard." The Boulevard is an affordable housing project with 127 units, 50 of them funded

Sandra finds lots of happiness through her canine companions. Photo courtesy of Sacramento County

by the Sacramento County Division of Behavioral Health to be used as Permanent Supportive Housing for clients exiting homelessness who also have behavioral health challenges. Applications can be extremely competitive, given the incredible need for affordable housing in the region.

Keri and Sandra worked tirelessly to get all the documents Sandra needed to qualify for her apartment: financial receipts, EBT documentation and Chime receipts. She was able to get into the lottery system for a unit.

"Getting an affordable housing unit requires so much work. You have to jump through a lot of hoops. So many people

don't want to do it, but I was willing to. I did the work. That is why I got in. I met so many people out on the river who really just want winter housing. But I was desperate for permanent housing."

On March 19, 2024, Sandra, Lady and Lucky moved into their brand-new apartment at The Boulevard. The County's contract with CoHeWo paid for furniture, towels, a microwave and cleaning supplies to get her started.

"I know I am lucky to be here, but I also know I earned this," Sandra said. "I did the work I needed to do. I showed up. I checked in every week. I never gave up. And I had Keri. She helped me so much."

Sandra is the supervisor

of the Garden Club at the Boulevard. She is responsible for making sure the garden is watered and the children stay out of it. At night, she volunteers her time as their security guard. She hopes that she will one day have another paid job doing what she enjoys. Sandra loves to draw, paint and make jewelry. Making skull jewelry is her favorite design. Everyone loves Lady and Lucky. Lucky, with his bizarre nose, is a great conversation starter.

Sandra lives a pretty quiet life. While she gets along with everyone, she still spends most of her time alone with her dogs and stays out of trouble: "I recognize a lot of people here from out on the streets. I am always thinking like a security guard."

For now, Sandra can stay at The Boulevard, but one of her main barriers to long-term housing is that she doesn't have any source of income. Focused on stabilizing her life, with a strong emphasis on her health, is her No. 1 priority. Sandra has had various forms of cancer for more than 30 years. Sandra is a survivor, but she knows the clock is ticking. Establishing a healthcare provider through CalAIM Enhanced Care Management (ECM) will get her the help she needs. Sandra's referral has been approved and she is just waiting for a primary care provider to be assigned.

"I'm positive God still has a plan for me," Sandra said. "I am not through yet." ★

Benefit June 27 for Dairyman After Heart Attack

Continued from page 1 campaign.

Hausauer said the event is a way of giving back to the community. He noted his long history with Fred Denier; the two have known each other since high school and participated together in FFA.

Fred Denier's involvement with agriculture continued a family tradition, with a father and grandfather both involved in the cattle industry.

"From an early age, his parents taught him (a strong work ethic). He was taking care of 80 calves," Cathy Denier said. "He was raising cattle long before he even worked on a dairy."

Starting in 1981, Fred Denier partnered with his brother, Richard Denier, to manage Cal-Denier.

Richard Denier said his long-term partnership with his brother caught the attention of a cattle broker that the two worked with.

"He said, 'Fred and you were one of the only two or three brothers combinations in the whole state that I can remember that actually got along.' ... Forty-three years we were together, and that's a long time for brothers to work together," Richard Denier said.

"I know he was really dedicated," Hausauer said. "He was very serious about anything he did, loved his family. I know he was involved in Boy Scouts, so he loved giving back to the community, too. He's just a hard worker. Most dairymen are hard workers if they're going to make it and Fred was one of them."

In addition, Fred Denier spent 15 years volunteering with the Cub Scouts and, as the Deniers' two sons grew up, with the Boy Scouts, serving as cubmaster and scoutmaster. Cathy Denier said her husband enjoyed the leadership skills and practical knowledge, such as knot-tying and camping, that he gained from the

Scouts. He helped with multiple Eagle Scout projects, including those of his sons, and accompanied the Scouts on community service activities.

Besides Scouting, Fred Denier was also a 4-H dairy group leader.

Learning about history, especially agricultural and military history, was one of Fred Denier's passions.

"The best part of him was his knowledge," Cathy Denier said, adding that he loved visiting dairies around the country to see their operations, as well as researching his Swiss heritage.

Cathy Denier said the family is looking at therapies that they hope will improve her husband's condition, but the options involve expensive treatment or transportation. The money raised will go toward this treatment.

Hausauer emphasized the family's need for funds.

"Fred's been part of the community;

he's given a lot back," Hausauer said. "Now this is our chance to give something back to them and their family in their time of need. Their medical expenses are exorbitant, and we just need to give them a little bit of hope, and this is one way to do it."

Richard Denier spoke appreciatively about his brother.

"He was the finest brother you could hope to have and the nicest person you would ever want to meet. He was a great dairyman and a wonderful person to work for," Richard Denier said. "I'd say, more importantly, he was a great dad and a devoted husband, as well."

Before his heart attack, Fred Denier was a likable man who was easy to work with and loyal to his community, Cathy Denier said.

"He was the best friend, the best husband. He was the best dad. He was the best dairy farmer," Cathy Denier added. ★

center in addition to serving on the commission, spoke about why he joined the center.

"I've been retired for a few years, and it was like, I really need to get out and socialize with some other people, and I'd like to do something where I can help people," McCall said.

He said that when someone visits the center, his goal is "to find out what their need is and any way we can help them."

Asked why locals should volunteer with the resource center, Werblun said that volunteers can use their own experiences to suggest courses of action for visitors.

"I think volunteers underestimate their own value," Werblun said. "You come to this with all the resources that you've learned about, and you draw on those when someone asks you a question."

Robbins said volunteering is a fun experience with a "lively bunch of people."

"When you do help somebody, you always feel so good about it," Robbins said.

The Galt Senior Resource Center is located in Chabolla Community Center at 600 Chabolla Ave. It is open from 10 a.m. to 3 p.m. Mondays and from 10 a.m. to 2 p.m. Tuesdays to Thursdays. For more information, call 209-294-3308. ★

K-ZAP Radio Launches 'Feed the Kitty' Donation Drive

K-ZAP News Release

SACRAMENTO, CA (MPG) - Sacramento's beloved K-ZAP, the all-volunteer LPFM rock/blues radio station broadcasting 24/7 at 93.3 FM in the metro Sacramento area, on the K-ZAP apps and streaming at k-zap.org, launched its "10 To Feed the Kitty" donation drive on June 9. The station is calling on its listeners to donate just \$10 each to help keep the lights on and the tunes rolling.

Founded by former staff members of the legendary Sacramento radio station KZAP, Dennis Newhall and Tom Cale, K-ZAP has been a staple in the Sacramento community since its return to

the airwaves on July 4, 2015. Now, as the station approaches its ninth anniversary, it is looking to the community for support to continue its mission

of providing quality rock/blues music to Sacramento and the world.

"We've been rocking Sacramento for nine years now, and we want to keep the party going," said Newhall, station general manager and owner. "With the '10 To Feed the Kitty' campaign, we're asking our listeners to help us reach our goal of raising \$100,000 by July 4. It's a small amount that can make a big difference."

The "10 To Feed the Kitty" donation drive will run from now until July 4. Listeners can donate online at k-zap.org/donate using their credit, debit card or Venmo. In addition to the online campaign, K-ZAP

will be promoting the drive at various events in the community, including the Carmichael Concerts in The Park on June 15 and the Red White & Blue Celebration at La Sierra Community Center on June 29.

"We're not asking for a lot, just \$10 from each of our listeners," said Peter Rizzo, promotions director and underwriter. "We know that a little can go a long way, and we're hoping that with the support of our community, we can continue to provide the best rock/blues music to Sacramento and the world."

Three Graduate from Galt Adventist

GALT, CA (MPG) - Galt Adventist School on May 29 celebrated the eighth-grade graduation of three students, from left, Jackson Reeves, Aileen Pina Mendoza and Giovanna Guerrero. The class motto is "Life is not about waiting for the storm to pass. It's about learning to dance in the rain." The class text is "I have learned the secret of being content — I can do everything through Him who gives me strength." Jackson has been accepted into The Home Church/Life Training Academy High School in Lodi. His interests are cars, doughnuts and doing flips. Aileen will attend Rio Lindo Adventist Academy in Healdsburg to pursue her love of swimming and teaching others. Giovanna will attend Liberty Ranch High School to continue her soccer career. in keeping up their grades, the speakers said, the teachers helped them persevere and "feel like part of the Bulldog family."

Kaitlyn recalled the unexpected adjustment from elementary school to middle school.

"When I started at McCaffrey, I was so excited to be independent," Kaitlyn said. "I could walk to class without supervision, and I just felt so much older and more mature. As I went on, though, I realized that things were not going to be as easy as I had imagined. I actually had to work hard for good grades."

Kaitlyn said the experience of failing a test, and ultimately getting an A in the class, taught her that "it's OK not to pass everything as long as you give 100%" and emphasized always doing one's best.

Mariah said she moved to Galt from Elk Grove in 2020, a difficult transition but nonetheless "the next big step in my life."

"Starting seventh-grade at McCaffrey was challenging. I didn't know anyone at first and felt lonely. However, one day, a girl approached me at lunch and has now become a close friend of mine, showing me the impact of kindness," Mariah said, noting she has achieved her goals of getting onto the volleyball team, joining National Honor Society and becoming a teacher's assistant.

Principal Carlos Castillo voiced his gratitude to the parents, guardians and family members for their role in the students' education.

achievements," Castillo said. "As I reflect this year, I am filled with pride and joy witnessing the transformation of our students into the future college graduates they aspire to be."

Castillo said his vision at McCaffrey Middle School has been to create a "culture of familia" that encourages unity and embraces differences. He urged students to focus on meaningful connections with parents, teachers and friends.

Castillo recalled his mother, who during hard times told him, "Remember where you come from and achieve everything con ganas." He translated the Spanish word "ganas" as "determination and heart."

"Carry this powerful word with you as you face obstacles along your path," Castillo said. "Embrace every challenge with determination and let your heart guide you to success." ★

COMMUNITY BRIEFS

GALEP Horse Program Seeks Volunteers

The Galt Horse Assisted Learning and Enrichment Program (GALEP) is offered in the Galt Joint Union Elementary District and needs volunteers. This equine-assisted program provides free riding and enrichment experiences for students during the summer, fall and spring at the arena behind Robert L. McCaffrey Middle School. The program is a member of the Professional Association of Therapeutic Horsemanship International. For more information and application, please visit the school district website (galt.k12.ca.us) Programs tab, or contact Lori Jones by calling 209-744-4545, ext. 332 or emailing ljones@galt.k12.ca.us.

City After-Hours Assistance

After-hours assistance is available at the Galt Public Works and Parks and Recreation departments. For Public Works concerns, call the Galt Police Department nonemergency line at 209-366-7000. The Parks Maintenance Division is available for scheduled field or facility use assistance only from 10 p.m. Mondays to Fridays and from 7 a.m. to 10 p.m. Saturdays and Sundays. Call 209-810-0293.

Office Hours With Mayor Sandhu

Galt Mayor Paul Sandhu meets one-on-one with Galt residents on the first and second Thursday of each month to discuss issues important to them at Galt City Hall, 380 Civic Drive. Schedule the 30-minute meetings by contacting the City Clerk's office at 209-366-7130, ext. 7, or clerk@cityofgalt.org.

Library Offers Older Adults Computer Time

In cooperation with the Galt Commission on Aging, the Galt-Marian O. Lawrence Library will schedule a set time for older adults to use its computers, upon request. Those 65 and older who want computer time can call the library at 916-264-2920. Staff will help set up the computer or tablet. The library is open from 10 a.m. to 6 p.m. Tuesdays through Saturdays at 1000 Caroline Ave.

Recycle Household Batteries

City of Galt residents can recycle their household batteries in one of two green household-battery recycling bins: on the west side at the front entrance to the Galt Police Department or on the east side at Galt Community Park, just west of the fire station. The green bin is only for dry-cell household batteries.

For information, contact the Public Works Department at 209-366-7260.

Square Dance Classes on Mondays

The Diamond Dancers Square Dance Club hosts social square-dancing classes in Galt. The classes are open to everyone and are held from 6:30 p.m. to 8 p.m. Mondays at the Valley Oaks Grange Hall. The classes are formatted for flexibility and students can learn numerous square dance calls in about three months. The Valley Oaks Grange Hall is at 347 Fifth St. For more information, call Sue Regadan at 916-835-8916.

Nominate Your Neighbor

The Galt Beautification Committee wants you to "nominate your neighbor." Has your neighbor recently completed a

yard project? Does your neighbor have the best flowers in town or the best-looking yard? The Galt Beautification Committee wants to know. Send an email with pictures and why you are nominating your neighbor to planningdivision@cityofgalt.org. The best submissions will be included in future newsletters and City Manager Updates.

MEMORIAL

MARK EARL MCCUNE • 2/5/1954 — 4/15/2024

On April 15, after a long illness, Mark went home to be with his Lord Jesus Christ. He loved Jesus and loved to tell others about Him. He also loved to organize a Bible study wherever he was.

In his free time, he loved to tinker with his collection of model trains. He was a big Giants and 49ers fan.

Mark was born on February 5, 1954 in Sacramento. After living in Sacramento and Quincy the first five years of his life, the family moved to the Galt and Herald areas in 1960.

He attended first Galt Elementary, then Arcohe Elementary, and Galt High School. He played football and baseball earning All-League honors in football his senior year.

After graduation, he began his career in driving trucks. First, he drove for his dad at Guthmiller Trucking and then eventually out of state with companies such as International Transport and Pirkle and last with Cardinal Glass in Galt. He owned several trucks in his career and loved to drive them.

He is survived by his mother Grace, brothers Mike, Pat, and Gary and sisters-in-law Anne (Dunn) McCune, Robin (Reed) McCune, and Jennifer (McCoy) McCune. Nieces and nephews Rosie, Michael, Joshua, Matthew, Zach, Kristina and two great nieces and eight great nephews.

A celebration of life will be held on June 28 at 11:00 at the Herald Baptist Church.

NOTICE OF TRUSTEE'S
SALE

NOTICE TO POTENTIAL BID-
DERS: If you are considering
bidding on this property lien,
you should understand that
there are risks involved in bid-
ding at a trustee auction. You
will be bidding on a lien, not
on the property itself. Plac-
ing the highest bid at a trustee
auction does not automatically
entitle you to free and clear
ownership of the property. You
should also be aware that the
lien being auctioned off may
be a junior lien. If you are the
highest bidder at the auction,
you are or may be responsible
for paying off all liens senior
to the lien being auctioned off,
before you can receive clear
title to the property. You are
encouraged to investigate the
existence, priority, and size of
outstanding liens that may ex-
ist on this property by contact-
ing the county recorder's office
or a title insurance company,
either of which may charge
you a fee for this information. If
you consult either of these re-
sources, you should be aware

that the same lender may hold
more than one mortgage or
deed of trust on this property.
NOTICE TO PROPERTY
OWNER: The sale date shown
on this notice of sale may be
postponed one or more times
by the mortgagee, beneficiary,
trustee, or a court, pursuant to
Section 2924g of the California
Civil Code. The law requires
that information about trustee
sale postponements be made
available to you and to the
public, as a courtesy to those
not present at the sale. If you
wish to learn whether your
sale date has been postponed,
and, if applicable, the resched-
uled time and date for the sale
of this property, you may call
(866)-960-8299 or visit this
Internet Web site <https://www.altisource.com/loginpage.aspx>
using the file number assigned
to this case 2023-00918-CA.
Information about postpone-
ments that are very short in
duration or that occur close in
time to the scheduled sale may
not immediately be reflected in
the telephone information or
on the Internet Web site. The
best way to verify postpone-
ment information is to attend
the scheduled sale.

NOTICE OF TRUSTEE'S
SALE NOTICE TO TENANT:
You may have a right to pur-
chase this property after the
trustee auction, if conducted
after January 1, 2021, pursu-
ant to Section 2924m of the
California Civil Code. If you
are an "eligible tenant buyer,"
you can purchase the property
if you match the last and high-
est bid placed at the trustee
auction. If you are an "eligible
bidder," you may be able to
purchase the property if you
exceed the last and highest bid
placed at the trustee auction.

There are three steps to ex-
ercising this right of purchase.
First, 48 hours after the date of
the trustee sale, you can call
(866)-960-8299, or visit this in-
ternet website <https://www.altisource.com/loginpage.aspx>,
using the file number assigned
to this case 2023-00918-CA to
find the date on which the trust-

ee's sale was held, the amount
of the last and highest bid,
and the address of the trust-
ee. Second, you must send a
written notice of intent to place
a bid so that the trustee re-
ceives it no more than 15 days
after the trustee's sale. Third,
you must submit a bid, by re-
mitting the funds and affidavit
described in Section 2924m(c)
of the Civil Code, so that the
trustee receives it no more
than 45 days after the trustee's
sale. If you think you may qual-
ify as an "eligible tenant buyer"
or "eligible bidder," you should
consider contacting an attor-
ney or appropriate real estate
professional immediately for
advice regarding this potential
right to purchase.

HERALD | SLOUGHHOUSE | WILTON

SLOUGHHOUSE RESOURCE CONSERVATION DISTRICT
GROUNDWATER SUSTAINABILITY AGENCY

NOTICE OF MEETING AND HEARING ON

PROPOSED GROUNDWATER SUSTAINABILITY FEE

NOTICE IS HEREBY GIVEN that on Wednesday, July 10, 2024, at the hour of 12:30 p.m.,
or as soon thereafter as the matter may be heard, the Board of Directors of the Sloughhouse
Resource Conservation District, acting as a groundwater sustainability agency in the Cosumnes
Subbasin, will hold a public meeting and hearing at the Rancho Murieta Community Service
District office, 15160 Jackson Hwy, Rancho Murieta, California. In compliance with the Americans
with Disabilities Act and in response to the COVID-19 pandemic, if you need special assistance
to participate in this meeting or have concerns about attending the meeting in person, please
contact the Clerk of the Board at 916-526-5447 or info@SloughhouseRCD.org to make reasonable
arrangements or for call-in information. The Board will consider the following matter:

Proposed modification of the existing groundwater sustainability fee established by
RESOLUTION No. 2021.07.14.01 in 2021 (the "Groundwater Sustainability Fee") to fund the costs
of a groundwater sustainability program in the Cosumnes Subbasin, including, but not limited to,
the implementation of the Cosumnes Subbasin Groundwater Sustainability Plan, fund associated
groundwater management activities, and meet the requirements of the Sustainable Groundwater
Management Act.

The Sloughhouse Resource Conservation District GSA proposes to levy the Groundwater
Sustainability Fee under its authority granted by California Water Code section 10730 on all
irrigated land within the Sloughhouse Resource Conservation District GSA area within the
Cosumnes Subbasin.

The Groundwater Sustainability Fee would be charged in the amount of \$10 per acre irrigated
with groundwater with a base fee charge of \$35.59 per parcel for persons using groundwater.

The Sloughhouse Resource Conservation District GSA will also impose a fee on de minimis
users of water (less than 2-acre feet per year for domestic purposes, see Cal. Water Code sec.
10721 (e) only after the GSA unless the agency has regulated the users pursuant to this part.
This Resolution modifies the previous fee to place a fee on de minimis extractors, residential,
commercial, irrigated agriculture and public water system using groundwater.

In order to keep pace with inflationary costs of service in carrying out the Agency's purposes
for which the Fees are collected, The Agency may apply an annual inflation increase. The initial
Annual Adjustments can only be in place for 5-years after approval of this Resolution, but can be
extended through further Board action in the future. Each Fee presented above, will be adjusted
annually for inflationary increases in the cost of service based on a 12-month period, as measured
by the U.S. Department of Labor, Bureau of Labor Statistics, Consumer Price Index for All Urban
Consumers (CPI-U) West All Items (Series Id: CUUR0400SA0) for June through May of each
respective year. The Annual Fee Adjustment will be limited to the lower of the actual cost of service
increase, or the CPI-U increase, but will not less than zero.

Data upon which the proposed Groundwater Sustainability Fee is based may be obtained
from the Sloughhouse Resource Conservation District online at www.SloughhouseRCD.org. All
interested persons are invited to present their views and comments on this matter.

Written/emailed statements may be filed with the District Manager of the District at any time
prior to the close of the meeting and oral statements may be made at the meeting.

Notice of Regulatory Fee – Water Code Section 10730

The 2014 Sustainable Groundwater Management Act (SGMA) requires that each groundwater
basin in the State be managed sustainably within its statutory timelines. Galt Irrigation District
overlies the San Joaquin Valley Cosumnes River Subbasin and is one of the groundwater
sustainability agencies (GSAs) responsible for SGMA compliance in that groundwater basin.
GID carries out this effort as a member of the Cosumnes Groundwater Authority (CGA). If GID
and its partner agencies in the CGA fail to act, or if the State determines that those actions are
insufficient, the Subbasin would be subject to intervention and fees levied by the California State
Water Resources Control Board.

SGMA authorizes a GSA to impose a fee on the extraction of groundwater or other regulated
activity to fund the costs of a groundwater sustainability program. (Water Code, § 10730.) As a
California Irrigation District and GSA, GID is separately authorized to levy fees to fund the costs of
its groundwater management programs. Here, GID has partnered with CGA to develop a basin-
wide model for cost sharing and fee development to support the ongoing sustainable management
of the basin.

Previously, these costs were funded by a \$10/acre charge on irrigated lands within GID. If the
new fee structure is adopted, this prior charge will be updated to reflect the broader spread of
beneficiaries and services provided in GID's current phase of SGMA implementation. Information
supporting the fee and its calculation may be found at www.GID.specialdistrict.org.

Because the amount to be charged is attributable to the costs assigned to GID part of its
participation in CGA (and the attendant groundwater management services that CGA coordinates
on GID's behalf), the proposed fee does not outweigh the cost of providing this service to GID
irrigators and groundwater users. By participating in this effort, GID will continue to ensure that
its interests are represented in the basin, and that the required GSP is implemented in a timely
fashion (thus avoiding potential state intervention).

GID will hold a public meeting to consider the proposed SGMA Management Fee on July 9, 2024
at 9:30 am at 12746 Ivie Road, Herald, CA 95638. For further information and data regarding the
fee's calculation, to protest, or to provide additional comments, please contact the District by email
at galtirrigationdistrict@gmail.com or call 209-734-6077.

PROPOSED GROUNDWATER SUSTAINABILITY FEE

NOTICE IS HEREBY GIVEN that on **Tuesday, July 9, 2024, at the hour of 9am**, or as
soon thereafter as the matter may be heard, the Board of Directors of the Clay Water District, acting
as a groundwater sustainability agency in the Cosumnes Subbasin, will hold a public meeting
and hearing at 12901 Twin Cities Rd. Herald, CA 95638. In compliance with the Americans
with Disabilities Act and in response to the COVID-19 pandemic, if you need special assistance
to participate in this meeting or have concerns about attending the meeting in person, please
contact Board Chair Gary Silva at (208) 481-4407 to make reasonable arrangements or for call-in
information. The Board will consider the following matter:

Proposed modification of the existing groundwater sustainability fee established by
RESOLUTION No. 2021.07.20.01 in 2021 (the "Groundwater Sustainability Fee") to fund the costs
of a groundwater sustainability program in the Cosumnes Subbasin, including, but not limited to,
the implementation of the Cosumnes Subbasin Groundwater Sustainability Plan, fund associated
groundwater management activities, and meet the requirements of the Sustainable Groundwater
Management Act.

The Clay Water District GSA proposes to levy the Groundwater Sustainability Fee under its
authority granted by California Water Code section 10730 on all irrigated land within the Clay Water
District GSA area within the Cosumnes Subbasin.

The Groundwater Sustainability Fee would be charged in the amount of \$10 per acre irrigated
with groundwater with a base fee charge of \$35.59 per parcel for persons using groundwater.

The Clay Water District GSA will also impose a fee on de minimis users of water (less than
2-acre feet per year for domestic purposes, see Cal. Water Code sec. 10721 (e) only after the
GSA unless the agency has regulated the users pursuant to this part. This Resolution modifies the
previous fee to place a fee on de minimis extractors, residential, commercial, irrigated agriculture
and public water system using groundwater.

In order to keep pace with inflationary costs of service in carrying out the Agency's purposes
for which the Fees are collected, The Agency may apply an annual inflation increase. The initial
Annual Adjustments can only be in place for 5-years after approval of this Resolution, but can be
extended through further Board action in the future. Each Fee presented above, will be adjusted
annually for inflationary increases in the cost of service based on a 12-month period, as measured
by the U.S. Department of Labor, Bureau of Labor Statistics, Consumer Price Index for All Urban
Consumers (CPI-U) West All Items (Series Id: CUUR0400SA0) for June through May of each
respective year. The Annual Fee Adjustment will be limited to the lower of the actual cost of service
increase, or the CPI-U increase, but will not less than zero.

Data upon which the proposed Groundwater Sustainability Fee is based may be obtained
from the Clay Water District online at www.SloughhouseRCD.org on the Groundwater page. All
interested persons are invited to present their views and comments on this matter.

Written/emailed statements may be filed with the Board Chair of the District at any time prior to the
close of the meeting and oral statements may be made at the meeting.

Invasive Fruit Fly Quarantine Lifted

Sacramento County News Release

SACRAMENTO COUNTY, CA (MPG) - Thanks to the cooperation and diligence of County residents and our local Agriculture Department, the California Department of Food and Agriculture (CDFA), working in coordination with the United States Department of Agriculture (USDA) and the Sacramento County Agricultural Commissioner, has declared the end of the Oriental fruit fly quarantine in Sacramento County following the eradication of the invasive pest.

The declaration comes nearly eight months after we first detected populations of the Oriental fruit fly in the area and established a quarantine encompassing parts of Rancho Cordova, and the

communities of La Riviera, Carmichael, Fair Oaks and Gold River.

During the quarantine, crops that are hosts for the invasive pest — which include more than 300 varieties, such as citrus and other fruits, nuts, vegetables and berries — were not allowed to be moved from the properties where they were grown. Commercial crops were required to meet stringent treatment or processing standards before being harvested or moved.

As the temperatures rise and vacationers ramp up their travel plans, residents are urged to refrain from bringing back potentially infested produce from their trips. While at home, we encourage residents to stay vigilant for signs of invasive pests.

To help prevent any future introductions

of invasive species, residents should follow these guidelines:

Cooperate with the Agriculture Department and allow them access to your garden to place traps, inspect plants, conduct necessary treatments or remove potentially infested produce.

Determine if your property is located within an active quarantine area by visiting CAFruitFly.com.

Buy fruit trees and vegetable plants from licensed California nurseries. Purchasing agricultural goods from uncertified sources can spread invasive pests. Source your plants locally and responsibly. To find a licensed nursery near

you, visit CDFA's Directory of Licensed Nurseries.

Inspect your garden for signs of invasive fruit flies or maggots and report any findings to the Agriculture Department.

When entering the United States from another country, avoid bringing agricultural products — including fruits or vegetables. Help us protect our agricultural and natural resources and California's unique biodiversity from invasive fruit flies — please Don't Pack a Pest when traveling or mailing/receiving packages.

To learn more about invasive species, visit CDFA's Plant Health and Pest Prevention Services Division. ★

Highest New Home Sales in May Since 2005, Association Reports

North State Building Industry Association News Release

SACRAMENTO, CA (MPG) - Sales of Sacramento-area new homes maintained their rapid pace during May as North State Building Industry Association (BIA) members reported selling 666 new homes in the seven-county region.

That is the highest number of new homes sold during May since 2005 during the peak of the housing boom. The total is also 200 sales higher than the average number sold during the month.

North State Building Industry Association President and CEO Tim Murphy said the continued strong sales volume reflects the advantages

that new homes provide to buyers.

"Besides the fact that new homes come with extended warranties, the latest in technology and the opportunity for buyers to customize their homes, in today's market, homebuilders are able to offer incentives that buyers can't get when purchasing existing homes," Murphy said. "Simply put, builders can

offer creative solutions to today's higher interest rates and help make buying a new home possible.

"And with June being National Homeownership Month, I'd encourage anyone thinking of buying a home to explore the nearly 200 new-home communities in our region to find the home and lifestyle they're looking for," Murphy said.

As has been typical, the

highest number of new homes were sold in Placer County's Roseville (137) and the next four highest sales volumes were reported in Sacramento County: Rancho Cordova (98), Elk Grove (87), Sacramento (74) and Folsom (63). The Top 10 was rounded out by Lincoln (29), Plumas Lake (26), Woodland (26), Natomas (23) and El

Dorado Hills (21).

Building Industry Association statistics include sales by members in Amador, El Dorado, Placer, Sacramento, Sutter, Yolo and Yuba counties.

The North State Building Industry Association represents more than 500 members.

For T-Shirt Day, a Graphic History of Tees

According to the National Day Calendar, every year on the first full day of summer, International T-Shirt Day celebrates this cool piece of clothing. The day also encourages everyone around the world to wear their favorite T-shirt.

Most people have a few T-shirts in their closets or drawers. Popular all around the world, the T-shirt dates back to 1898. Laborers during this time would cut their jumpsuits in half in order to stay cool during the summer.

In 1913, the United States Navy began issuing the T-shirt as an undershirt.

Seven years later, F. Scott Fitzgerald coined the term T-shirt when he mentioned the piece of apparel in his book "This Side of Paradise."

Until Marlon Brando and James Dean came along, men only wore the T-shirt underneath a regular shirt. These two popular actors popularized wearing the T-shirt by itself.

Even then, many people considered wearing a T-shirt in this fashion as rebellious.

Throughout the 1950s, slogans and

Walt Disney characters helped to create the graphic T-shirt. In the 1970s, T-shirts with slogans were worn to make a statement. These graphic T-shirts became especially popular for those protesting the Vietnam War.

Today, T-shirts are worn for many reasons. Some like them for the sheer comfort. Others enjoy the versatility they offer. Many organizations, fundraisers and schools create custom T-shirts to show unity or to advertise their cause. T-shirts can also be bought at concerts and sporting events.

Some of the best-selling T-shirts include "I Heart New York," "Vote for Pedro," Superman, Rolling Stones and Hard Rock Cafe. In 2008, an online

merchandise company called Spreadshirt began International T-Shirt Day.

As June 21 is the first full day of summer, it is also the longest day of the year: the summer solstice, meaning more sunshine and less darkness.

This is a good day to wear your favorite T-shirt and enjoy the outside with family and friends.

Watch the sunrise and sunset. Enjoy a barbecue, roast some marshmallows and make some s'mores. And finish decorating for the Fourth of July.

It will be here before you know it. Like, in 13 more days.

You got a good start last Friday, flying the United States flag on Flag Day. Now, add more red, white, and blue to show your patriotism: some banners and bunting, tablecloths and yard art.

And soon it will be time to start buying legal fireworks. I love fireworks: the purple and gold fountains, the red and white sparklers. But I dislike intensely the shrieking whistle ones. They are useless and noisy and scare the animals. What I am really looking forward to is the big event fireworks and drone shows. All the coordinated designs in the sky are amazing.

Here I am writing when I had better get planning what I will be taking to my cousin's home.

She throws the best Fourth of July party. She's been doing it for years.

There's great food, all the family is invited and it's a time to catch up and relax around the swimming pool and fire pit. S'more, here I come!

Until next week - Be strong, be courageous, make a memory. ★

Today, T-shirts are worn for many reasons. Some like them for the sheer comfort. Others enjoy the versatility they offer.

Spiritual Care

BY NORRIS BURKES

A Mickey Mouse Prayer

Disneyland here just for us! Amen.”

It was a short prayer, but before any of us had time to blink, the other youth sponsor, Mrs. Obenshain, blurted her astonishment. “JE! Why would you say that? God didn’t make Disneyland. Mr. Disney did.”

Knowing JE as we did, we knew to expect a well-thought answer. JE was a Ford auto mechanic who had some practical ideas about God. He didn’t claim to know how this universe worked, but he could easily identify the things that did work.

“Sure he did!” JE insisted. “God created Mr. Disney’s mind, right?”

“Well, yes, but JE, honestly,” declared Mrs. O, “you can’t really conclude that ...”

JE was undeterred. “If God made Mr. Disney’s mind, then God must have created the picture of Disneyland in his mind long before Mr. Disney could draw it, right?”

“But JE ...” Mrs. O. was wavering.

“Look,” JE said in his Oklahoma twang, “don’t the Bible say, ‘All good things come from God?’”

Mrs. O. was slack-jawed, so JE continued. “And ain’t Disneyland a good thing?”

Deterred by logic too simple to be

wrong, Mrs. O. simply muttered something like, “Well, I guess so.”

I remember JE’s theology largely because I’ve heard it from a lot of patients over the years. They spoke with assurance that God made a certain hospital just for them. Or they believed that God placed a certain doctor or medicine to specifically help them.

I once heard a father tell me how a surgeon was going to reach into the center of his 2-year-old daughter’s brain and pull out a tumor.

And this was his theology: “God put this surgeon here for my daughter.”

His declaration, like JE’s, sounded at first more self-centered than God-centered. Yet maybe not.

What I found astounding about both men was how they relied on an innate understanding of the works of God. Neither had graduated from a theological or philosophical school, yet they easily identified “goodness” as one of the most important attributes of God.

The father didn’t need to be a philosopher to acknowledge his good fortune at finding such a talented surgeon. Neither did JE have to be a Bible professor to recognize that Disneyland might provide one

of many tools he could use to mentor and instruct our youth group in God’s ways.

We often search far and wide to understand God. We read so much and attend every sort of lecture. Yet, I believe most of the time God continues to manifest his goodness in those people and things he’s placed directly in our paths.

In the end, Mrs. O. couldn’t refute JE’s theology.

Finally, she managed to mumble, “Do you have our tickets, JE?”

Her request signaled the end of the theological debate, and we rushed to get in line for Splash Mountain. For like JE, we all knew goodness when we saw it.

PRESENTED BY THE GALT HERALD

Sophia Felix: Liberty Ranch Female Athlete of the Year

By Paige Lampson
Sports Editor

GALT, CA (MPG) - Liberty Ranch Athletic Director Samantha Vitoria announced Sophia Felix as this year's athlete of the year at Senior Awards Night.

"This year's female athlete of the year is a young lady who has accomplished so much in the last four years," said Vitoria. "She is the second-ever female athlete in Liberty Ranch history to receive Female Athlete of the Year and Valedictorian. Her sister Isabella was the first. She is a kind and selfless individual who is always willing to help without the glory."

Felix played basketball and ran track at Liberty Ranch. She played JV basketball her freshman year, when they almost didn't have a season due to COVID-19 and had to play the few games they were allowed with masks on. She played Varsity basketball her sophomore through senior years and also ran three years of track.

Her former basketball coach, Sean Duryee, shared that Sophia is the total package.

"She is smart, competitive, athletic, committed, but at the same time compassionate, humble and kind," said Duryee. "Despite her ability to often get the job done by herself, Sophia was always the consummate team player and insisted on putting her teammates first. She holds herself to the highest standards and has my upmost respect."

Felix shared that basketball was her preferred sport and she has been playing it pretty much all of her life. She also did gymnastics as a child.

Felix set the Liberty Ranch record for scoring the most 3-pointers in a single game when she scored eight of them her senior year. She was named CIF All-League her junior and senior year of basketball and received the Excellence in Leadership award her senior year. Felix was also named Tourney/MVP a few times.

For Track and Field, Felix received third place in Triple Jump and second place in Long Jump during the League Championship meet her senior year.

When asked what drives her, Felix gives credit to her family. After all, her family has

had three Liberty Ranch Valedictorians and two athletes of the year. It is almost unheard of to be named Athlete of the Year while you maintain the study habits to have the top GPA in your class.

"I do believe I am a naturally competitive person, which helps me be driven," said Felix. "However, I'd have to give most of the credit to my family. My family has always encouraged me to play hard and do well in sports, as well as to live an active lifestyle. They would never let me quit when I was feeling discouraged and would always focus on the positives of my athletic performances rather than the negatives, which helped me keep my chin up."

Felix said her favorite memory was a revenge win on El Dorado this last year.

"One of my favorite memories from playing sports was during my senior year of basketball when my team beat El Dorado as a sort of 'come-back game' after

Shaye Setter: Liberty Ranch Male Athlete of the Year

By Paige Lampson
Sports Editor

GALT, CA (MPG) - Liberty Ranch Athletic Director Samantha Vitoria announced Shaye Setter as this year's Male Athlete of the Year at the Senior Awards Night.

"This year's male athlete of the year is a young man who is a leader on the field and on campus," said Vitoria. "He always has a positive attitude and is always willing to help

other athletes, teachers and staff. All our Liberty Ranch coaching staff agree he is the most deserving of this award."

While attending Liberty Ranch High School, Shaye Setter played two years of JV football and two years of varsity football, and he was pulled up for play-offs his sophomore year after the JV season ended. Setter is also an excellent baseball player, having played one year in JV and three years on Varsity. This

last season, Setter played catcher and was very consistent at bat.

Setter says football was his favorite. "I definitely had a passion for football."

Head Coach Warren Schroeder was very impressed with Setter's drive and commitment.

losing the first time," said Felix. "We worked very hard to prepare ourselves for this next game and to give El Dorado what they deserved, and we delivered. We beat them by more than they beat us the first time, and we were so excited afterwards that when Coach Williams entered the locker room, we surprised him by throwing what water was left in our water bottles at him. We were cheering and water was flying everywhere; it was such a memorable and amazing experience I had with my team."

A good coach can make a difference in an athlete's life. "All of my coaches were amazing, and all of them have my utmost gratitude," said Felix. "I'd like to specifically thank Coach Sean Duryee, who was more than just a coach to me for the majority of my high school basketball career. He supported me through everything and was a huge part of my success in basketball, and I would not be in this position without him. I'd also like to thank Coach Corriea, my track coach, who helped me navigate the unfamiliar sport of track and field during

my sophomore year. She made me enjoy track and field so much that I continued doing it my junior and senior year, and I am forever grateful from the experience I gained from it."

Felix will be attending Cal Poly SLO, pursuing a bachelor's degree in construction management, and hopes to work her way up to being either a construction manager or a sustainability consultant. ★

as the young man always gave his all. "Shaye was a tremendous example of perseverance and resiliency on the field," said Schroeder. "We were proud to have him as a captain on the team. Shaye has the strength and the heart of a lion. He never quit."

Setter played a lot of sports in his youth. "I played soccer, baseball and basketball growing up, but when I went into 8th grade, I started playing football and regretted never playing earlier."

Setter was awarded CIF All-League in football his junior and senior

years. He was also on the Superintendent's Honor Roll and graduated with a 3.8 Cumulative GPA.

Anyone who watches Setter play can see how competitive and driven he is.

Setter explains, "I hate to lose, probably more than anything in the entire world. I also just like to be the best I possibly can so I can feel like I made my mark on that play or game whatever it may be."

Setter will be heading to Butte College in the fall to pursue its welding program and has a goal to have a career as a welding inspector.

Setter's all-time favorite memory is going 10-0 his junior year in football, securing the League title with that perfect season.

Setter appreciates all the coaches he has had during his athletic careers.

"I thank each and every coach that has ever been a part of my life," said Setter. "I have learned something from every single one that I can take and use for the rest of my life and that is what really matters." ★
