## School Bands Sound Off at Franklin

The Toby Johnson Middle School marching band warms up before taking to the street to kick off the parade competition.

**Story and photos  
by J.G. Wirt**

**ELK GROVE, CA (MPG)** - Franklin High School neighbors got a day-long dose of school band music when the Franklin Invitational Band Review filled the campus on

Saturday, Oct. 12. Schools from across the region brought their best steps and intonation for the marching, drum and field competitions.

Parking lots filled with buses, equipment trailers, pop-up shade, uniform racks, water bottles and

barbecue grilles, much like a football tailgate party. Sections of bands warmed up and rehearsed, and entire ensembles took to the Franklin field to practice their halftime music for the evening field competitions. Meanwhile, band

boosters and friends filled the bleachers in the Franklin High gym for 10 concert band performances. Two judges recorded real-time oral commentary while following the printed musical scores and watching the

## Volunteer Goes 'Above and Beyond' for Disabled

**By Matthew Malone  
Staff Writer**

**ELK GROVE, CA (MPG)** - The Elk Grove Disability Advisory Committee on Oct. 9 named a Project R.I.D.E. volunteer as the recipient of the 18th annual Above and Beyond Program Accessibility Award.

The committee presented the award to Danny Ford, a Project R.I.D.E. board member, at the regular Elk Grove City Council meeting.

The award goes to community members, organizations and businesses that have "gone above and beyond for individuals with disabilities in our community."

Project R.I.D.E. provides therapeutic horse rides to people with disabilities.

Nominated by his Project R.I.D.E. colleagues, Ford is a U.S. Army veteran who served in Iraq. His son has benefited from the non-profit's services. Ford's nominators said he "not only helps with the riders and the board but also puts in even more work taking care of the barn, the ranch and all the horses."

"We want to thank Danny for providing all these opportunities to those with disabilities that they might not ordinarily get and for going above and beyond by working so hard in so many ways for those who participate in his organization," the nomination statement read.

Ford said his family has supported him through his time with Project R.I.D.E.

"This organization, I feel like I give just a fraction of what I get back out of it. It's absolutely amazing. It is a great place to be," Ford added.

City Council also recognized October as Disability Awareness Month. It issued a proclamation emphasizing the right of those with disabilities "to live independently, enjoy self-determination, make choices, contribute to society and experience the ... mainstream of American society."

The proclamation described the "vital role" that community members can play in enhancing the lives of disabled people and it laid out the city's goal provide opportunities and agency for disabled people.

# Reading, Writing and Cyphering at Elk Grove's Rhoads School

Story and pictures by Ramona and Chris Scarborough

ELK GROVE, CA (MPG) - Did you know there is a kids' time machine right here in Elk Grove? It's at the Rhoads School in Elk Grove Regional Park, and the time machine dial is set to return to the late 1880s.

On Oct. 9, from 9:30 a.m. to 1:30 p.m., third graders from Raymond Case School were transported to experience a typical school day in the 1880s.

The children wore period costumes, were assigned a settler's name and sat in rows of old-style desks.

Mistress (Lisa) Smith, their teacher, had written rules and lessons on the blackboard in chalk. Reading was their first subject of the day. Next, students struggled to master cursive handwriting. Then, cyphering (math) followed from old textbooks.

The students, instead of feeling ashamed of perching on a stool and wearing a dunce cap, clamored for the chance to wear it. Eli McReynolds (aka Samuel Farmer), one of the students, happily climbed up for his picture to be taken, but had to be told he should look sad.

Play at recess brought out old-fashioned toys, hoops, stilts, marbles and jacks.

Lunches laid out on a cloth on the schoolyard grass and drinks poured into blue enameled cups were part of the fun that Liana Vo, another student, especially liked.

That afternoon, a spelling bee was held.

Mistress (Lisa) Smith awaits the arrival of students from Raymond Case Elementary School inside the historic Rhoads School in Elk Grove Regional Park.

Eli McReynolds, as "Samuel Farmer," works on his sad face while wearing the dunce cap.

According to Susan Hernandez, the current instructor for on-site docents, the journey to provide this time travel experience has been fraught with obstacles.

Hernandez says, "The original school was located near the Consumnes River. The building was flooded, and the school was moved to higher ground.

"However, actual school classes ceased in the 1950s. In the following years the building had other uses, like a daycare center.

"This historic schoolhouse was close to being torn down when the Elk Grove Historical Society stepped in to save it. The foundation of the schoolhouse rests on a dance

A wood-burning stove and period-correct books add to the authenticity of the Rhoads School.

floor that existed back in the '40s. Thirty surplus desks were purchased from a high school. Some of the original materials were utilized to reconstruct the schoolhouse as it looked in the past."

Pictures of the restoration effort, displayed on one wall of the schoolhouse, show the extent of what had to be done to

restore the building and the happy faces of volunteers.

In 1977, the Rhoads School was reopened for area schools to visit on field trips, allowing students to experience the history they are studying, particularly about our town.

The participating schools pay a fee of \$160 that is shared among the

docents who help to create this adventure.

Transporting students to the location in Elk Grove Park is an additional cost, but teachers think this hands-on experience is money well spent.

# Stop Criminals, Drugs, Theft

By John McGinness

California voters will have several very important decisions to make as they complete their November 2024 ballots. One that has the potential to reverse a decade of deterioration of the state's criminal justice system is Proposition 36.

To adequately analyze the merits of Proposition 36, a quick review of history is in order. Ten years ago, voters approved Proposition 47 based upon assurance that it would improve public safety. The voters were deceived – Proposition 47 eliminated compounding consequences for several theft and possession and use of dangerous drugs. Many crimes were reduced from felonies to misdemeanors, eliminating the deterrent value of discipline.

The results have been devastating for the state of California. Urban, suburban, and even rural areas once used for recreation have been taken over by critically addicted people living like walking zombies. Retail businesses have become so frequently victimized by “smash and grab” thieves that merchants have been forced to lock up much of their merchandise out of reach, inconveniencing legitimate customers and staff. Fentanyl poisoning has become the leading cause of death for Americans 18-45-years-of-age. On average, over 200 deaths by fentanyl poisoning occur in the United States every day. Consider the tolerance

society would have in an environment in which 200 people were killed in a commercial airline crash every day – public outcry would be extreme and warranted; change would be mandated by an outraged public. Yet persons in positions of leadership seem oblivious or apathetic to the plight of our youth.

Proposition 36 will restore the ability of the criminal justice system to impose compounding consequences on chronic habitual offenders for the sake of discouraging unacceptable behavior. Specifically, offenders convicted not once, but twice of possession of hard and dangerous drugs will be eligible for felony prosecution or completion of a court-supervised treatment for addiction. This course of action was common before the passage of Proposition 47, when drug court was a viable option for those first charged with felony drug possession. The impetus for treatment is now gone by virtue of chronic drug offenders suffering through addiction and only being cited for misdemeanor violations of law. That means no time in custody in California, and no incentive to participate

in court supervised treatment. Those cited typically ignore their citations, fail to appear in court and continue to live their destructive lifestyle, wreaking havoc on the streets, parks and public facilities throughout the state. Proposition

consequences be brought against those who habitually violate the law for the sake of discouraging habitual lawlessness.

Critics have asserted that Proposition 36 represents a reversion to days of mass incarceration. It does not!

Proposition 36 is a bipartisan concept created by elected attorneys of diverse political and philosophical affiliation, supported by big city mayors from California's diverse communities, to provide incentive for treatment for those chronically addicted to dangerous

lost to drugs on the streets represents an apathetic disregard for our fellow human beings. Swift, lawful action taken to put these lost souls on the path to a vastly better existence is the compassionate and appropriate action to be taken by the electorate of this state.

Ten years ago, the political leadership of the state of California misled the voters, assuring them that Proposition 47 would enhance public safety, that eliminating thoughtful punitive consequences for lawlessness would somehow make the schools and neighborhoods safer. Many of those same people are again describing Proposition as something vastly different than what it is. Proposition 36 is a plan to reduce homelessness, drug addiction, and theft in California. Law-abiding taxpayers deserve better, future generations of Californians deserve better and those in the grip of addiction need our help. Please do not be fooled by the same people who misled the voters to pass Proposition 47.

Please help save California. Vote “Yes” on Prop.36.

36 will give incentive to those who badly need treatment. Those who complete the treatment and graduate from the program will have the opportunity to have their record expunged and avoid incarceration, liberating them to live rich full lives.

Proposition 36 will also reclassify fentanyl as a hard drug, and provide enhanced penalties on those who possess fentanyl while armed with a firearm.

As or thieves, Proposition 36 will impose the potential for felony consequences for persons twice convicted of petty theft and charged with a subsequent theft case. It simply demands that

drugs, as well as common sense solutions to those who habitually break the law and diminish the quality of life for law abiding Californians.

If concern for law abiding citizens and those seeking to safely pursue their dreams in this state is insufficient to motivate voters to support this thoughtful proposition, consider the wellbeing of the people directly adversely impacted by the results of the horrific current state of law. Since 2014, when Proposition 47 passed, the number of chronically addicted people living on the streets of California has exploded. Failing to recognize the wellbeing of those

In a news release, the district shared a written statement from Lewis.

"I am grateful for the opportunities I've had to contribute to the District's growth and make a positive impact in the community. Most importantly, I truly appreciate the friendship and support my family has received as we made this our home. I look forward to staying involved in the Elk Grove and Galt communities and supporting the great work you all continue to do," Lewis wrote. Lewis has been on leave

since the vote, according to an automated email sent in response to a request

for comment. A district spokesperson said Lewis will remain on leave through December.

Before his time as general manager, Lewis served as parks and recreation administrator. Then-General Manager Joshua Green announced his resignation in April 2023, and Lewis was appointed that May.

The district provides parks and recreation services in Elk Grove, and fire service in Elk Grove and Galt.

In its release, the district

said Lewis's leadership "has been instrumental" in several initiatives, including construction of the CORE Recreation Center and opening of Fire Station 77, both in Elk Grove.

Lewis also oversaw the launch of projects funded by the city of Elk Grove's Measure E sales tax, the opening of the Albani and Oasis recreation centers, and the purchase of more than 100 acres of land planned for park space.

In a statement, board Vice President Angela Spease expressed gratitude

for Lewis' work.

"The Board of Directors would like to thank Phil for his dedicated service to our community and wish him all the best in his future endeavors. His commitment to our District has left a lasting impact, from enhancing our facilities to expanding services," Spease said. "Phil's efforts, including the hiring of additional public safety personnel, have helped ensure that our community's needs are met with excellence now and in the years to come." ★

The initial Annual Percentage Rate (APR) is currently 6.75% for a new Home Equity Line of Credit (HELOC), and is fixed for the first 5 years of the loan which is called the draw period. After the initial 5 year period, the APR can change once based on the value of an Index and Margin. The Index is the weekly average yield on U.S. Treasury Securities adjusted to a constant maturity of 10 years and the margin is 3.50%. The current APR for repayment period is 7.25%. The maximum APR that can apply any time during your HELOC is 15%. A qualifying transaction consists of the following conditions: (1) the initial APR assumes a maximum HELOC of \$200,000, and a total maximum Loan-to-Value (LTV) of 70% including the new HELOC and any existing 1st Deed of Trust loan on your residence; (2) your residence securing the HELOC must be a single-family home that you occupy as your primary residence; (3) if the 1st Deed of Trust loan is with a lender other than El Dorado Savings Bank, that loan may not exceed \$300,000, have a total maximum Loan to Value (LTV) of 65% and may not be a revolving line of credit. Additional property restrictions and requirements apply. All loans are subject to a current appraisal or property evaluation. This cost will be disclosed in your commitment letter and paid at loan closing. Property insurance is required and flood insurance may be required. Rates, APR, terms and conditions are subject to change without notice. Other conditions apply. A \$25 early closure fee will be assessed if the line of credit is closed within three years from the date of opening. An annual fee of \$85 will be assessed on the first anniversary of the HELOC and annually thereafter during the draw period. # Elk Grove Man Gets 228 Years to Life in Davis Freeway Shooting

Yolo County District Attorney's Office News Release

WOODLAND, CA (MPG) - On Oct. 14, Andre Chevill Wilson, 56, of Elk Grove, was sentenced following his Aug. 28 conviction by a Yolo County jury of two counts of attempted murder, two counts of shooting into an occupied vehicle, two counts of assault with an assault weapon or machine gun, two counts of being a felon in possession of a firearm, possession of a machine gun, possession of an assault weapon, and four counts of being a felon in possession of ammunition. The offenses occurred in the city of Davis at the westbound I-80 offramp at Mace Boulevard, on Feb. 10, 2022.

Wilson was driving a vehicle when he used two different weapons, a Glock handgun, which had been modified to fully automatic, and an AR-15 assault rifle, both with high-capacity magazines, to shoot at two other motorists who were

taking the Mace Boulevard exit. After the shooting, Wilson crashed his vehicle into a fence and fled on foot. After an approximately two-hour search, a California Highway Patrol K-9 officer located Wilson, with the AR-15 rifle, in some vegetation about 100 yards from his vehicle.

Wilson had four prior "strike" convictions, all in Alameda County, for manslaughter in 1992, assault with a deadly weapon with personal infliction of great bodily injury in 1999, weapon possession with a gang enhancement in 1999, and assault with a deadly weapon, to wit a firearm, in 2010.

Officers from the California Highway Patrol Investigative Services Unit conducted the investigation and had already arrived when Wilson was located. Officers with the Davis Police Department and a K-9 deputy with the Solano County Sheriff's Office also assisted in the investigation.

The trial took place before Judge Tom M.

Dyer and was prosecuted by Supervising Deputy District Attorney Frits van der Hoek.

The trial began on Aug. 12 and the jury heard evidence from the victims, the investigating officers, and criminalists with the Department of Justice. The jury reached its verdict on Aug. 28 after about a day and a half of deliberation.

Wilson was sentenced to 228 years to life in prison, consisting of four indeterminate terms of 49-life, 49-life, 25-life, and 25-life, and an additional determinate term of 80 years.

District Attorney Jeff Reisig praised the California Highway Patrol for their thorough investigation and the Department of Justice for their expert assistance throughout the case.

"Some offenders present a serious and clear danger to society. Our office is committed to prosecuting those who have demonstrated that they are unable to live peacefully within our community," Reisig said. ★

## RESTAURANT ROW

# Vince's Ristorante: Value, Family, Italy, Community

Here is the Rossi family in 2009.

By Janice Row

Vince and Pauline Frugoli opened Vince's Ristorante in mid-1964. They loved great food and sharing their great food and recipes with family and friends. Vince's in West Sacramento was the first of three locations, followed by one on Folsom Boulevard in Sacramento and the third one in Elk Grove.

The West Sacramento ristorante was run by Pauline's brother throughout the 1970s to December 2008. He was in his 70s when he turned the reins over to Robert and Peter Rossi. The Rossis and the Frugolis were friends (which means they are family). Robert worked in the Folsom location for two years in the '80s while going to school to cook. Robert moved to the East Coast and back to the West Coast, learning to be a chef. When it was time for Pauline's brother to retire, they asked Robert if he was interested in becoming the new owner.

Robert and his father, Peter, took ownership of this great Italian ristorante in January 2009. You would often find Peter on the piano and

singing, while Robert with his exquisite cooking skills was in the kitchen. Robert is still in the kitchen making amazing old-world Italian dishes, pizza, lasagna, gnocchi, ravioli as well as chicken, seafood and their famous steaks. Vince's Ristorante makes their own sausage, homemade raviolis and lasagna, plus cut all their own steaks.

Whether it is lunch or dinner, the customers love the authentic Italian feel, the relaxed and family-friendly atmosphere plus the great food. The bar is a fun place, too, with more than 20 varieties of bottles and draft beers and an amazing wine list. The full bar has a fun and talented bartender.

Community is very important and Vince's

sale on the first Saturdays and live music. Plus, there is a Comedy Night every Friday.

There will be a big 60-year celebration in October and all is welcome.

I asked Robert what he wanted people to know and he said, "that we value family, Italy and community."

When you're at Vince's, you feel like family and that you're in old world Italy.

Vince's Ristorante is at 840 Harbor Blvd. West Sacramento. The phone number is 916-371-6395 and the website is www.vinceswestsac.com. Hours are 11 a.m. to 2 p.m. and 5 to 8 p.m. Tuesdays through Thursdays, 11 a.m. to 2 p.m. and 5 to 9 p.m. Fridays, and 4 to 8:30 p.m. (dinner only) on Saturdays. Vince's

Urban Eats, Todo Un Poco, Brazilian Steakhouse, Mr. Dosa's and Brick House, generously donated soup, salad, bread and dessert for the occasion. Entertainment was provided by musician Neil Nayyar.

The event was a success, with guests moving from vendor table to table to fill their bowls with food while socializing and enjoying the evening's festivities.

## School Bands Sound Off at Franklin

Continued from page 1  
young middle school and high school ensembles.

Outside the gym, marching bands warmed up and lined up for the parade competition.

The Toby Johnson Jaguars band stepped off first at 11 a.m. for the parade down Franklin High Road south of campus and past a reviewing stand with more judges.

Critiques focused on music, showmanship and marching, and scoring also covered drum majors, color guard and percussion. Dozens of bands later, the

host, Franklin High Wildcats marching band, closed out the parade at 2:30.

The evening brought formation competitions on the football field at Cosumnes Oaks High School. Judges ranked the bands on music, general effect, visual performance and color guard.

This was the 14th year for the band festival, sponsored by the Northern California Band Association and hosted by Franklin High School, which raises funds for its band program from entry fees for the competition. See full scoring results at [ncbaonline.net](http://ncbaonline.net). ★

## Blankets for Kids Readies for Holiday Giveaway

By Claire Gliddon,  
Sacramento Blankets  
for Sacramento Kids

SACRAMENTO REGION, CA (MPG) - Got Beanie Babies?

Sacramento Blankets for Sacramento Kids (SBSK) is asking for donations of new or "almost new" Beanie Babies all year long. Every September, Sacramento Blankets for Sacramento Kids picks as many of the lowest-income elementary schools they can and finds out how many kindergartners they have.

Volunteers make double fleece blankets (about 40" x 60") and a little fleece

pouch with a Beanie Baby in it to go with each blanket for its Kindergarten Project. Sacramento Blankets for Sacramento Kids gives blankets and fleece pouches to the children right before Christmas break. Some of the kindergartners live in cars or in places without heat and this is all they get for Christmas.

The gifts are very popular with the teachers and the children.

This is Sacramento Blankets for Sacramento Kids' 11th year for the Kindergarten Project and the volunteers hope to continue doing it for as long as

they can get Beanie Babies. In 2023, Sacramento Blankets for Sacramento Kids gave out more than 2,394 blankets and Beanie Babies for its Kindergarten Project!

Sacramento Blankets for Sacramento Kids is always looking for more volunteers to make blankets year round for children in need. Like to knit, crochet, sew, quilt, make no-sew blankets and have run out of people to make gifts for? We're looking for you.

If you would like more information about Sacramento Blankets for Sacramento Kids, go to [www.sacblankets4kids.com](http://www.sacblankets4kids.com).

com and sign in. There is no pressure, no timelines, no meetings, just others who enjoy crocheting, quilting, sewing, making no-sew blankets

and helping many children at the same time.

Sacramento Blankets for Sacramento Kids is a non-profit organization that serves children in need

from infants to 18-year-olds. While the volunteers help all year long, the Kindergarten Project is their "special" project of the year. ★

# Kings Korner

By V.G. Harris

Is there panic in Sactown? I certainly hope not, but there is concern. The concern emanates from three straight preseason losses and a disappointing 20-point loss to the Portland Trailblazers on the Kings home court.

The new starting lineup has been looking good but had an off night with the Trailblazers.

My concern, however, is not with the starters, but rather with the caliber of the Kings bench.

The problem the Kings are initially facing is that the blue-chip bench players, that is to say the seventh and eighth players off the bench, are injured and have yet to play a single minute of basketball. I'm talking about Trey Lyles and Kevin Huerter, who are legitimate NBA players that could arguably be starters on many teams.

Coach Brown has already made his intentions known as it relates to fan favorite Malik Monk, and he apparently is about to resume his role on the team as the consummate sixth man.

I can't say I agree with this decision, but it is the coaches to make, and the fans must wait and see if he's right or wrong.

I'm high on Keon Ellis, and I can certainly see why coach Brown is high on him as well, but whether he should be occupying the sixth man role or not, is a question that we may or may not ever have the chance to see.

At the moment, I just want to see some solid basketball and avoid losing every preseason game going into the regular season. Losing can be contagious, and I would like to see the Kings put up a solid 'W' on Oct. 15, against the Utah Jazz. Follow that up with a crisp performance against the Clippers, and the home opener against the Timberwolves on Oct. 24, will feel like a playoff game.

I would be much more comfortable seeing Trey Lyles coming off the bench instead of Skal Labissiere. Obviously a project, Labissiere looks like a fish out of water on the court, and although I embrace his rags to riches story, this traveled 28-year-old from Haiti needs much more seasoning before he's ready for prime time.

If ever there is a story every fan would love to embrace it would certainly be Skal Labissiere, but playing NBA basketball is all about confidence, and watching Skal on the court right now is not a picture of confidence.

Would I give up on Skal? No! But I would play his legs off in the G-league and I would do everything imaginable to build his confidence.

Never give up on a potential late-bloomer, and Labissiere could be a true late-bloomer.

One of the smartest moves the NBA has ever made is the creation of the G-league, and already the league is replete with success stories. I would love to see Skal become one of those success stories, and it's entirely possible that could happen.

Not to make too much of one loss, the Portland game shed light on what happens when the Kings don't shoot their threes. On Sunday Sacramento shot a disappointing 17% from beyond the arc, and for this team that portends disaster. They don't have to shoot 45%, but something north of 38% is imperative if the Kings hope to have a better season than last year.

I believe the Kings will prove to be a solid three-point shooting team, as there is simply too much talent on this team for the outcome to be otherwise.

Monk, Huerter, and Lyles are all proven three-point shooters, so at this point with a small sample size to look at, it's time to take a deep breath, have faith and just work on seeing improvement every game.

If there was any bright spot in the Blazer game it was Alex Len's 13 points off the bench, and if Sacramento is going to have the successful season all Kings fans want to see, Len will need to make a nightly contribution on both ends of the court. At times Len looks like the rim protector the Kings desperately need, and I for one am hoping he can double down on this aspect of his game.

On another positive note, it was a shot in the arm to watch DeMar DeRozan carve up the Warriors in the preseason opener. Hitting all six of his field goals, he truly played the part of the six-time all-star we had all hoped to see.

The season opener looms ahead, and a quick start will erase any memory of poor preseason performances.

Let's get our bench players healthy and see what the full contingent looks like.

Keep the faith Kings fans. Wins are right around the corner!!

The city issued a proclamation declaring Oct. 14 as Indigenous Peoples Day. The proclamation recognizes the Plains Miwok as the "first and rightful inhabitants" of the Elk Grove area and opposes systematic racism against Native Americans. Additionally, the proclamation pointed to the rights of Indigenous peoples and the importance of honoring their cultures.

Wilton Rancheria tribal Chair Jesus Tarango commended the city for its "meaningful" effort to honor the local tribe.

"By recognizing and celebrating Indigenous Peoples Day, Elk Grove takes an important step toward healing and reconciliation by sharing a true and accurate history of what happened on this land and across the nation," Tarango said.

In addition, the city recognized Oct. 6 to Oct.

12 as Code Enforcement Officer Appreciation Week.

City Council cleared the way for liquor sales at the new Safeway in Elk Grove.

The Safeway is close to opening at Laguna Reserve Parkway shopping center on the southwest corner of Whitelock Parkway and Bruceville Road. It is planned as a full-service supermarket, with liquor sales in two aisles, including a refrigerated case. Alcohol sales will be allowed from 6 a.m. to midnight.

To get a state license to sell beer, wine and distilled spirits for off-site consumption, the supermarket needed a finding of public convenience and necessity from the city.

Planning Manager Antonio Ablog said the Department of Alcoholic Beverage Control requires the public convenience and necessity finding in this case because the Safeway is in a sector of

the city designated as a "high crime" area, meaning that the number of crimes reported there last year is at least 20% higher than the average crimes reported in all of the city's 26 crime-reporting sectors.

Ablog noted that an Arco gas station and a Walmart across Bruceville have liquor licenses but there are no other licensed businesses nearby.

The Safeway has "appropriate separation" from schools and playgrounds, Ablog said. The nearest park, Bartholomew Sports Park, is 750 feet away. The nearest schools, Franklin High School and Arlene Hein Elementary School, are more than 1,000 feet away.

Elk Grove Police Department said it found no public safety reason to oppose the license.

City Council voted 5-0 to make the public convenience and necessity finding. ★

# Interactive Database Reports if Agencies Fiscally Healthy

## California Policy Center News Release

### SACRAMENTO REGION, CA (MPG)

California Policy Center released a Local Fiscal Health Dashboard on Oct. 4 that tracks the financial health of California cities, counties and school districts. The interactive database allows users to track how elected officials are managing local budgets, support ongoing budget decision-making and identify financial red flags.

The new dashboard is especially timely for California voters who have local tax and bond measures on their November ballots. Each city, county and school district has been awarded a fiscal health score and letter grade from A to F, depending on how well they have managed their finances. Government entities are also identified and color-coded as low, moderate or high-risk for fiscal distress.

"We're excited to be able to offer local officials and voters this important tool for tracking their city's fiscal performance," said Lance Christensen, vice-president of government affairs at the California Policy Center. "Today, many local governments are asking taxpayers for more money to fund lower-quality services. Californians have the right to know where their hard-earned dollars are being effectively used and where they are not."

Sacramento-area cities had mixed results, from an "A" for Elk Grove while Folsom flunked the test. The grades for several cities in the region, listed alphabetically, include Citrus Heights, B; Colusa, C; Dixon, B; Elk Grove, A; Galt, B; Gridley,

## Local Fiscal Health Dashboard Scoring Table

Letter Grade	Fiscal Health Score out of 100	Description - Overall Fiscal Risk
A	85 to 100	Low Risk of financial distress
B	70 to 84	Low Risk of financial distress
C	60 to 70	Moderate Risk of financial distress
D	50 to 60	Moderate Risk of financial distress
F	49 and under	High Risk of financial distress
N/A	No Data	Jurisdiction is delinquent in publishing timely financial audits
Exempt	Exempt From Reporting Requirement	Local entity's federal awards expenditures were less than \$750K

Local Fiscal Health Dashboard Scoring Table

B; Lincoln, B; Live Oak, C; Marysville, C; Rancho Cordova, B; Sacramento, D; West Sacramento, B; and Yuba City, D.

The Local Fiscal Health Dashboard fills a void in government transparency data left after the California State Auditor's Office unexpectedly discontinued its popular Local Government High-Risk Dashboard in October 2023. California Policy Center's new dashboard was created to replace and expand on that data to ensure local governments maintain transparency and accountability when it comes to their budgets.

California Policy Center's dashboard uses public data from Annual Comprehensive Financial Reports (ACFR) that local governments are required to submit every year to get access to federal funds. The dashboard provides key financial metrics to allow local elected officials, analysts, reporters and citizens to understand how cities are performing overall and

in comparison to other cities, and spotlight concerning financial trends.

"The public should have access to the tools necessary to ensure government budgets are transparent and government officials are held accountable," Christensen said. "Californians can't allow government officials to sweep bad fiscal news under the rug."

Tracking local financial metrics, such as liabilities and revenue trends, is crucial. California has more than \$1.6 trillion in unfunded liabilities (debt) at both state and local levels. Many cities have potentially catastrophic unfunded pension liabilities. Other municipalities are making budget decisions based on incomplete, missing or delayed financial reports.

Cities are required to file their Annual Comprehensive Financial Reports, often referred to as annual audits, every year. Most municipalities submit the financial reports within nine months of fiscal year end (as required

by the federal and state governments) but many others are routinely and egregiously late in filing their required annual financial reports, according to the California Policy Center. That means local officials are left to make budgeting decisions without current fiscal information.

Out of 482 cities, 86 (or 17.8%) received an "A" grade; 21 (4.4%) received an "F" grade, indicating they are at high-risk of fiscal catastrophe and 70 cities (14.52%) are delinquent in submitting their 2023 Annual Comprehensive Financial Report. (Sixteen cities are exempt from reporting.)

But 189 cities, counties and school districts have still not submitted Annual Comprehensive Financial Reports for 2023. Twenty-six of those cities, counties and school districts that are missing their 2023 Annual Comprehensive Financial Report are asking voters to OK a local tax increase on the November ballot and/or approve new bonds

totaling \$534.6 million in new borrowing.

"When cities don't turn in their fiscal reports on time, city officials have to make important budget decisions without the data they need," Christensen said. "Even worse, many of the cities that aren't on top of their financial reports are proposing tax increases and putting local bond measures on the ballot."

Based on the dashboard data, California Policy Center has identified 10 of the best and worst performing cities statewide when it comes to financial health. The dashboard designates the level of financial risk as low, moderate or high.

This financial risk determination is achieved by evaluating each entity on 10 key fiscal metrics: General Fund Reserves, Debt Burden, Liquidity, Revenue Trends, Pension Costs, Pension Funding, Pension Obligations, Other Post Employment Benefit Obligations, Other Post Employment Benefit

Funding, and Net Worth.

The 10 cities earning the highest fiscal health scores and an "A" grade are Eastvale (Riverside County), Indian Wells (Riverside County), Danville (Contra Costa County), Rancho Mirage (Riverside County), Lake Forest (Orange County), La Quinta (Riverside County), Laguna Woods (Orange County), Dublin (Alameda County), La Mirada (Los Angeles County) and Jurupa Valley (Riverside County).

Ten of the worst performing cities are considered high-risk for fiscal stress, including the ability of the city to pay its bills in the short and long term.

Cities earning the lowest fiscal health scores and an "F" grade are Ukiah (Mendocino County), West Covina (Los Angeles County), Richmond (Contra Costa County), Calexico (Imperial County), San Gabriel (Los Angeles County), Oakland (Alameda County), Orange (Orange County), Pinole (Contra Costa County), Atwater (Merced County) and Escondido (San Diego County).

Other cities that received an "F" include San Buenaventura/Ventura, Grover Beach, Banning, Lake Elsinore, Folsom, Costa Mesa, Montebello, Downey, Monrovia, Hayward and Lindsay. With many cities having yet to file Annual Comprehensive Financial Reports for Fiscal Year 2023 and in some cases, Fiscal Year 2022, this list of worst cities is subject to change. Some cities with poor financial metrics are often late filers.

# What Would You Do If You Weren't Afraid?

Earlier this month, I celebrated my 67th birthday with a couple of pieces of German chocolate cake.

Fortunately, experience told me not to go for a third.

That's because I still remember my seventh birthday when I sneaked a half-dozen cupcakes from my mom's cake carrier, devoured them and threw up just prior to the party.

But still, that birthday wasn't the worst. My worst birthday was my 45th when my Air Force chaplain supervisor came into my office at Patrick Air Force Base, Florida, wearing a strained expression.

"I'm sorry to have to tell you this," he said, "but your name didn't appear on the Air Force promotion list to major."

I was unsure how to interpret the news. The pessimist in me said I'd just been fired.

And if my optimist was saying anything, I couldn't hear it because the pessimist was choking him out. The military doesn't keep officers who don't make the rank of major. This meant I had only six months to find a new job before I would be unemployed and stranded 3,000 miles from my California home.

The only reaction I offered my supervisor was, "And this is my birthday."

It was about that time that a colleague presented me with a helpful book titled "Who Moved My Cheese?" by authors Spencer Johnson, M.D., and Ken Blanchard. Johnson and Blanchard seemed to be proclaiming that change was the only certainty in life, so deal with it.

The book uses a parable format to depict talking lab mice that work to outsmart the scientists who are constantly moving their cheese into an unfamiliar part of their maze.

Somebody had indeed moved my cheese, and the military maze I'd known for eight years became an unfriendly place, so I spent the next hour hunting for help.

About halfway through the book, I

stopped, taken aback by a particularly evocative question that the mouse characters found written inside their maze.

"What would you do if you weren't afraid?"

I looked away, paraphrasing the conundrum aloud in a slow and thoughtful repetition. "What would I do if I weren't so afraid of change?"

It was abundantly clear what I normally did when I felt afraid. I got upset, I fretted and then became a generally rude person toward those who loved me.

But the authors were insisting that I answer a different question: "What would I do if I weren't afraid?"

I went to the copy machine where I enlarged the quote into a mini poster, which I placed above my desk.

A few weeks later, as fear melted from the equation, I came to know exactly what I would do.

I would return to my California home and to the most rewarding ministry of my life: I determined to resume my career in hospital chaplaincy.

No, the cheese question didn't work magic. It didn't totally suspend my fears.

I was still scared, but I was determined to keep fear from obscuring my goal. I printed my resumés, scheduled hospital interviews and kept pressing toward the goal.

Three months later, I had six job offers for hospital chaplaincies and I returned to part-time military life as an Air National Guard chaplain.

Twenty-three years have passed since that harsh announcement. But that day continues to remind me that whenever I'm uncertain, fearful or just plain indecisive, I can reach into my resiliency repertoire for the refrain of that birthday question.

When I think about it long enough, the answer usually floats to the top.

You may ask, "Does that always work for you, Norris?"

No, not always. Sometimes I default to eating a half-dozen cupcakes.

All of my books are available on my website or by sending a check for \$20 (per book) to 10566 Combie Rd. Suite 6643 Auburn, CA 95602.

# Football Roundup: Teams Aiming for Playoff Spots

Story and photo by Alejandro Barron

**ELK GROVE, CA (MPG)** - Another week of football has gone by, meaning we are closer to the end of the regular season.

Local teams have two or three remaining games and they're all looking to lock up a playoff spot to try and make a deep run toward a section title.

## Bradshaw Christian 35 - Union Mine 0

The Pride came out on Friday night and shut out the Diamondbacks in convincing fashion by a score of 35-0.

On defense, three players accumulated double-digit total tackles, according to MaxPreps, including the junior Samuel Danilyuk with 21, then the seniors Mateo Mojica and Isiah Ledezma with 20 and 11, respectively.

Also, Devyn McDonald II had a sack for a 12-yard loss along with seven total tackles for the Pride to shut out their league rivals.

Much of the offense came courtesy of the ground game with two players combining for over 200 rushing yards and a total of 290 yards.

All 290 came from four seniors, but most of the offense was generated by Nathan Zeppieri and Brandon Burden with 107 and 106 rushing yards, respectively. These rushing yards resulted in three rushing touchdowns for Zeppieri and a rushing touchdown as well as a receiving touchdown for Burden.

Quarterback Ethan Rickert attempted five passes and completed three of them to Zeppieri, Burden and McDonald, with one of the receptions being a pass to Burden for a 42-yard touchdown.

The Pride moved to 7-0 overall on the season and 4-0 in the Sierra Valley Conference League, as they handed the Diamondbacks their first league loss, to now have sole possession of first place.

The Pride will visit the Liberty Ranch Hawks next to attempt to remain undefeated and to potentially win their second straight league title and that

elusive section title that slipped away from them last season.

## Elk Grove 38 - Laguna Creek 31

Celebrating their homecoming, the Thundering Herd edged out the Cardinals by a score of 38-31 despite the Cardinals' attempted comeback.

By halftime, the Cardinals were looking at a 28-14 deficit and stormed back to come within a score of tying the game back.

The Herd's signature run game is backed by their offensive line dubbed "The Hammerheads" by their coaching staff as they rushed for a combined 279 yards for four touchdowns, according to MaxPreps.

Quarterback David Hale led the charge with 94 rushing yards and two touchdowns while Alphonso Moore Jr. also had 94 rushing yards.

The other two touchdowns came courtesy of Jeremiah Williams who rushed for 63 yards and Austin Maze who rushed 13 yards on his one carry.

On the flip side, the Cardinals turn to both the ground game and in the air for their offense.

Senior quarterback Mitchell Labrado attempted 31 passes and completed 21 of them for 281 yards although he had two interceptions and rushed for 38 yards on

six carries.

Senior running back Armon Thorntona was handed the ball a bit less than the previous week as he rushed for 111 yards on 21 carries for two touchdowns against the Herd in comparison to his three touchdowns on 31 carries for 195 rushing yards the previous game prior.

The primary targets for Labrado were Ryan Eddy and Dereus Counts as each had seven receptions.

Eddy had 85 receiving yards while Counts had 72 receiving yards for two touchdowns.

On the defensive side, the Herd edged out the Cardinals with many defensive contributions like Lucan Amituanai who had six total tackles and a sack.

The team was led by Daniel Tejada and Rio Baltazar with seven total tackles each.

The Herd remains undefeated in league play as they now move to 3-0 in the Delta League while the Cardinals fall to 2-2.

## Franklin 13 - Pleasant Grove 26

After a 3-0 start to their season, the Eagles entered their game against the Wildcats with a three-game losing streak.

They were able to break this streak after a 13-26 win where the senior quarterback for the Eagles had 236 passing yards and completed 17 of his 26 attempts, which were good for two touchdowns, according

to MaxPreps.

Both touchdown passes were to senior Jacob Beals who had eight receptions for 162 yards.

On the ground, Eagle senior Bobby Mitchell rushed for 78 yards on 21 carries yet it was Maddox Ali who rushed for 32 yards on six carries with a touchdown.

The Wildcats have not entered stats into MaxPreps.

This is the Eagles' first league win and first win since Sept. 6 and they are looking to build that winning streak with three games remaining as they are set to face off against the Cosumnes Oaks Wolfpack on Oct. 18, after press time.

As for the Wildcats, they move to 1-3 in league play and sit in sixth place with two games remaining, with their next matchup being against Monterey Trail.

## Sheldon 38 - Cosumnes Oaks 14

The Huskies sit at a .500 record for their overall season and in league as they beat the Wolfpack 38-14 to move to a 4-4 overall record and a 2-2 league record.

Turnovers were the Wolfpack's Achilles' heel as they threw four interceptions along with fumbling the ball twice, according to MaxPreps.

Two of those interceptions were returned for touchdowns by the Husky seniors Zion Johnson and Ja King Williams.

Johnson also had a receiving touchdown for the only completed pass of the night for freshman quarterback Gavin Workman for a 35-yard touchdown.

The rest of the offense came on the ground as sophomore Rayshawn Cannaday rushed for 85 yards on 18 carries for two touchdowns.

Defensively the Huskies were led by Andrew Lopez who had a total of 11 tackles while Fernando Lopez had six total tackles and a sack.

The Wolfpack have not entered stats into MaxPreps.

The Huskies are set to face the Thundering Herd in their Oct. 18 game, while the Wolfpack face the Eagles to try and win their first league game and their second game of the season. ★
