**SACRAMENTO REGION, CA (MPG)** - Thanks to three Rotary clubs, 18 automated external defibrillator (AED) units have recently been installed at public facilities in Sacramento, Carmichael, Elk Grove and Marysville.

The devices can revive heart function in case of cardiac arrest. In compliance with state legislation, similar units must be provided for all youth sport locations in California by 2027. Proven effective in saving lives, an automated external defibrillator costs between \$900 and \$4,000.

One such device was installed last week near Howe Park's tennis courts. The donor, Arden Arcade Rotarians, gathered to

view demonstrations of its use by a representative of an organization dedicated to preventing cardiac deaths in young people.

"Every minute that passes without oxygen being pumped to the brain diminishes a patient's chance of recovery," said Project Adam coordinator

Rebecca McCormac. "Surveys show one in 300 American children has a heart condition. These often go undiagnosed and can pose risks, especially during athletic activity. That's why it's important to have automated external defibrillators where young people gather."

Designed to be employed without medical training, automated external defibrillators apply electric shock stimulation to the heart after cardiac arrest.

"When available for bystanders to use, these AEDs save lives," said McCormac. "Days after training in the use of the defibrillator and CPR, Davis High School staff revived a teacher who'd collapsed. They managed to get his heart beating before an ambulance reached the school."

Assisted by the Rotary Club of Arden Arcade, Fulton-El Camino and Mission Oaks Park districts have mounted defibrillators at park sports facilities.

## Temporarily Out of Town? Your Vote Stays Home

**Sacramento County News Release**

**SACRAMENTO COUNTY, CA (MPG)** - Did you know that while all voters must be registered where they live, some voters might also have out-of-state mailing addresses?

We know this might sound a little confusing but it's actually quite simple, so let's break it down.

What this means is that a voter who permanently resides in Sacramento County might choose to receive their election ballot, voter information guide and other materials at an address that is not their registered residence.

There are many reasons that a voter might need to use an out-of-state mailing address to receive their election material. This includes students attending college, workers on an extended work assignment, retirees enjoying a seasonal trip and/or voters temporarily caring for an out-of-county family member.

Voters who find themselves out of state unexpectedly or on short notice during an election could also request a one-time mailing address to receive their ballot at their temporary location.

To maintain an accurate voter file, Voter Registration and Elections (VRE) reviews the voter file for out-of-state mailing addresses after each general election. This month, Voter Registration and Elections will send a letter to every voter with an out-of-state mailing address. This letter gives them the opportunity to let us know whether their out-of-state mailing address is correct, and they would like to maintain their Sacramento County voter registration; if they would like to update their voter registration (residential) address; or if they have registered or plan to register to vote in a different state and wish to cancel their Sacramento County voter registration.

We use the information from the responses to these letters to ensure that our voter file is as accurate and up to date as possible.

For more information on Voter File Maintenance, visit [elections.saccounty.gov/ElectionInformation/Pages/Voter-File-Maintenance.aspx](https://elections.saccounty.gov/ElectionInformation/Pages/Voter-File-Maintenance.aspx)

A voter can add or remove a mailing address by calling Voter Registration and Elections at any time at 800-762-8019; re-registration is not necessary.

If you have moved and need to update your voter registration, visit [registerto-vote.ca.gov](https://registerto-vote.ca.gov), call our office to request a registration form or visit any Post Office or library. ★

# Disappointment Surrounds Elk Grove Zoo Project Cancelation

By Sean P. Thomas

**SACRAMENTO REGION, CA (MPG)** - A highly anticipated plan to relocate the Sacramento Zoo to Elk Grove has been shelved, prompting disappointment among city leaders and residents who had hoped the \$300-million project would bring economic and cultural benefits to Elk Grove.

The Sacramento Zoological Society announced last week it would not move forward with the relocation citing concerns over the financial viability of the project. The decision ends a multi-year partnership with the City of Elk Grove, which had already invested approximately \$4.5 million into land acquisition and planning for the project, according to city officials.

“It was disappointing. There’s no other way to say it,” Elk Grove Councilmember Rod Brewer said. “We enthusiastically supported the project and had been working to excite the public on bringing the zoo to Elk Grove. Even with some of the rumors and financial uncertainty, I didn’t expect this outcome.”

The proposed relocation was intended to address major challenges faced by the Sacramento Zoo at its current 14-acre site in William Land Park. The Elk Grove plan included a phased buildout on a 65-acre portion of a

100-acre parcel the city had purchased specifically for the project on Kammerer Road.

Phase one alone would have spanned 28 acres, about already twice the size of the existing zoo, and featured large, open habitats including a savannah exhibit with multiple species such as giraffes, ostriches, antelopes, and a full pride of lions.

“The current zoo only has one rhinoceros. The new zoo would have had as many as six, all in a shared environment,” Brewer said. “This was going to be an entirely different level of experience.”

The new facility would have also expanded conservation efforts and created more immersive visitor experiences. It was expected to draw as many as one million in annual visitors and \$249 million in economic impact in its first five years of operation, according to Elk Grove officials.

In a news release, Mayor Bobbie Singh-Allen called the decision to shutter the zoo move as “disappointing.”

“This is a deeply disappointing outcome for all of us who believed in the vision for the zoo and what it could have meant for our community and the region,” Singh-Allen said.

Despite Elk Grove fulfilling its obligations under the cost-sharing agreement and drawing up preliminary designs, the zoo

The Sacramento Zoological Society announced last week that it would not move forward with the relocation, citing concerns over the financial viability of the project. Rendering courtesy of City of Elk Grove

ultimately chose to recommit to its Sacramento location. Officials from the Sacramento Zoological Society cited slow fundraising progress and financial instability as primary factors in pulling out of the deal.

The Zoological Society had raised \$17.5 million in pledges, only \$1.9 million of which was actual cash on hand. The Zoological Society was supposed to raise \$50 million in actual cash donations before the shovels went into the ground in 2027. The \$1.9 million in cash that was received by the city already will be returned to the Zoological society who will then return it to the donors.

“When both of those things didn’t mesh, I definitely understand why they walked away,” Brewer said.

Elk Grove leaders made clear

that the decision was not theirs and emphasized their readiness to continue the partnership if the situation changed.

“They decided to pull back. We didn’t say, ‘Don’t ever come back,’” Councilmember Darren Suen said. “If they wanted to talk about it again, or if someone else wanted to re-engage, we wouldn’t turn them away.”

Though disappointed, both Brewer and Suen remained optimistic. The land acquired for the project remains untouched, and its value has increased, Brewer said, and could yield returns if the land is sold or repurposed.

Both viewed the zoo’s departure as a potential opportunity to pursue other developments or revisit the zoo project in the future if leadership changes. Zoo Director Jason Jacobs, a key figure in the partnership, left the post in October. Interim CEO, Robert Churchill has been in the seat since.

“We weren’t just taking a calculated risk on a civic amenity. We were trying to sustain something iconic for the region,” Suen said. “Sometimes things don’t work out, but the plans are still there. If the climate changes, we can dust them off.”

Many Elk Grove residents had looked forward to the zoo as a positive addition to the community. The city’s desire for more regional attractions made the zoo plan particularly appealing.

Outside of Safeway at the corner

of Laguna and Franklin Boulevard, several residents voiced disappointment with the projects demise.

“It’s disappointing. I would have liked it to move here,” said Elk Grove resident Aaron Wells.

Bruce Wallace, another resident, echoed the sentiment: “It would have been a lot of jobs for Elk Grove. It’s a shame it fell apart.”

Others were more measured in their reaction.

“I know a lot of people were looking forward to it moving here, but yeah, it’s not the worst thing that it’s not,” said Mark Cramer, also of Elk Grove. “The cost was always a problem for me and I’ve talked to a few people that were unsure of the traffic it might add.”

Still, Elk Grove city officials stressed that they’ve learned from the experience and will remain focused on bringing a similar project to Elk Grove.

“We weren’t trying to swing for the fences or grab the spotlight,” Suen said. “We analyzed the zoo opportunity like we do every other project, with our residents in mind. That will always be our focus.”

While the zoo won’t be coming to Elk Grove, councilmembers highlighted ongoing efforts to develop other projects and amenities in the city.

“The desire to bring attractions and amenities that families and individuals can enjoy hasn’t changed,” Brewer said. “We’re going to keep our options open. We’re not in a hurry and we’re certainly not desperate.” ★

# Pony Express Rides from Sacramento to St. Joseph

## National Pony Express Association News Release

**SACRAMENTO, CA (MPG)** - The Annual Re-Ride of the historic Pony Express mail service will be conducted from June 11 through June 21 by the National Pony Express Association (NPEA).

The event, celebrating the 165th year anniversary of “the Pony”, will start in Sacramento and end in the city of St. Joseph in Missouri, traveling west to east this year.

Personal and commemorative letters will be carried in a mochila (a leather square that is placed over the saddle with four locked cantinas to hold the mail) by horse and rider relays from the Sacramento River to the Missouri River.

The first rider will depart Old Sacramento at 2 p.m. (Pacific Time Zone) on June 11, and the last rider is scheduled to arrive at the Patee House in St. Joseph, Missouri, at 7:30 p.m. (Central Daylight Time) on June 21.

The route will follow the Pony Express National Historic Trail, a component of the National Trails System. The mail will travel 1966 miles across California, Nevada, Utah, Wyoming, Colorado, Nebraska, and Kansas to Missouri.

Approximately 600 member riders from the National Pony Express Association’s eight state divisions will ride relay-style, 24 hours a day, until the mochila is delivered in St. Joseph, Missouri. Each rider will take the Pony Express Oath prior to riding with the mochila, just as the riders did in 1860.

The annual Re-Ride is a 10-day, 24 hours-a-day event honoring the Central Overland California and Pikes Peak Express Company. The company carried letters and telegrams from April 1860 to November 1861, between St. Joseph and Sacramento, proving the central route through Salt Lake City was passable year-round. Their intent was to win a federal mail contract, which unfortunately never materialized.

# Scholarships for Students

*Continued from page 1*

Scholarship does not require students to submit essays, meet a minimum grade point average (GPA), or provide recommendation letters.

“CalKIDS is an incredible resource for families,” said State Treasurer Fiona Ma, chair of the ScholarShare Investment Board. “Claiming a CalKIDS Scholarship is the easiest step students can take on their path to higher education, and we want every eligible student to claim their scholarship account and take full advantage of this opportunity.”

Eligible students can use their CalKIDS Scholarship accounts for tuition and fees, books and supplies, and computer equipment. Since 2022, approximately \$1 billion in CalKIDS Scholarships have been made available to more than 2 million of California’s public high school students.

For students like Estuardo from San Francisco State University, the CalKIDS Scholarship was a game-changer.

“I was absolutely surprised...I didn’t know I could have money for school just like that. I used my funds for tuition...it took a big load off my back. Now I can finally focus on my education,” said Estuardo.

Sacramento County has made efforts to ensure students and families are aware of and claim their CalKIDS accounts. The ScholarShare Investment Board has worked diligently to establish strong partnerships with local high schools, school districts, community-based organizations and financial aid directors at community colleges and universities. (Cal-SOAP) play a vital role in spreading awareness and helping students access the funds available to them.

Claiming a CalKIDS Scholarship is quick and easy. Families simply need the student’s Statewide Student Identifier (SSID), a ten-digit number which can be obtained by contacting their school directly. Once they have the Statewide Student Identifier, parents or students can visit [CalKIDS.org](http://CalKIDS.org) to check eligibility and claim a scholarship account in just minutes.

The funds can be used at accredited colleges, universities, trade schools and career programs across the country. Once enrolled in a higher education program, students can log into their CalKIDS account to request a distribution directly to their school to cover qualifying educational expenses.

“Studies show that students with just \$500 or less set aside for college are three times more likely to attend college and four times more

likely to graduate,” said Executive Director Cassandra DiBenedetto. “CalKIDS Accounts are more than financial assistance, they’re an investment in students’ futures, and we want to give every one of these students a reason to believe in their path to higher education.”

With roughly one in two Sacramento County public school students eligible for a CalKIDS Scholarship and key college decisions and financial aid deadlines approaching, now is the time for students and families to check their eligibility and claim their scholarship account.

For more information on eligibility, scholarship amounts and how to claim a CalKIDS Scholarship account, visit [CalKIDS.org](http://CalKIDS.org).

# PoppTalk

With Mary Jane Popp

# Dreams Can Come True

Have you ever had hopes of being a writer or an illustrator? Would you believe there is a way to take that journey? I recently attended an incredible gala in Hollywood called The Writers and Illustrators of the Future, honoring the winners of a contest conducted by Galaxy Press that has been held for forty-one years featuring science fiction and fantasy. It helps promote new, never published before authors and illustrators to begin their journey to professional recognition. Judged by some of the best professional writers they choose three writers and illustrators each quarter. Then, at the end of the year, the best of the best top twelve are chosen. For the week before the gala, some of the judges advise them and teach them skills and business acumen for their future.

The entries come all over the world. I met entry winners from Hungary, Australia, China, the U.K. and of course the U.S. The top 12 writers and illustrators are chosen and included in a volume that comes out each year featuring their stories and illustrations. This year L.Ron Hubbard Presents Writers of the Future

Volume 41 was launched at the gala by President of Galaxy Press, John Goodwin, who has been on POPPTALK Radio Show many times.

I would be remiss if I didn't tell you about the gala. It was held at the Taglyan Center (It's rumored Oscar events have been held there) so you can imagine...WOW! It was a red carpet, black-tie affair by invitation, and they came dressed to the nines. The show was incredible featuring comedian/magician Naahan Phan who kept the show fun, and you can imagine what the dinner was like. So, I had to choose how Mary Jane Popp from Sacramento would show up to this sophisticated

affair. Since the theme was science fiction/ fantasy, I decided against a regular ball gown, and decided to go fantasy. I went for the whole look online...medieval gothic gown and all that went with the period from wig to red slippers. No, I didn't have to click my heels to make the evening come true. It was a blast! Had to include a pic of my look. You can imagine how I had to maneuver the tables at the dinner. I can tell you with those hoops, I got to go first every time. Met so many wonderful people from all over the world which validated that we are all alike in so many ways...just hoping to fulfill our dreams.

Now, how about you? Want to give your dream a chance? You can enter the contest as many times as you like, and who knows, you might be on that stage receiving the accolades that so many have, and gone on to become famous writers and illustrators. You can check it all out...the event as well as how to enter the contest and perhaps, make your dreams come true. Just go to **www.writer-softhefuture.com** for all the information. # Caltrans Honors Fallen Highway Workers at 35th Annual Memorial Ceremony

**California Department of Transportation News Release**

**SACRAMENTO, CA (MPG)** - California Department of Transportation (Caltrans), the families of fallen workers, employees and dignitaries today honored the 194 Caltrans workers who have lost their lives while working on the state highway system since 1921. This year's ceremony is dedicated to the memory of Equipment Operator Alexander Rodish. He died on July 22, 2024, after being struck by a vehicle while working on Interstate 5 in San Clemente.

"We remain committed in honoring these fallen workers and their families while imploring travelers to drive safely on our roads, protecting highway workers and the public," said California Department of Transportation Director Tony Tavares. "Tragically, this year, we lost one of our own. We mourn alongside the family, friends and coworkers of Alexander Rodish, who lost his life while helping to build a safer state highway system. His legacy will continue to inspire us."

In 2022, the California Department of Transportation instituted a new director's policy on road safety, which commits the department to the safe system approach by prioritizing safety first in design planning and focusing on improving safety on the state's transportation network.

During the ceremony, the California Department of Transportation emphasized road safety and reaffirmed the department's vision of reaching zero fatalities and serious injuries on state highways by 2050. It also used 194 signature orange cones to create a diamond "caution sign" configuration, with each displaying the name of an

employee who died on duty. One black cone in the center of the diamond represented all people killed while working on the state's highways, including private contractors, tow truck drivers, California Highway Patrol officers and other emergency responders. A second black cone represented Alexander Rodish.

The annual April memorial event provides a poignant setting for families and co-workers to formally pay their respects and provide solemn tributes, while creating a stark reminder for motorists to drive safely and attentively when traveling through highway work zones.

April is National Distracted Driving Awareness Month. It is dedicated to educating drivers about behaviors that often divert attention from the roadway and how safe driving habits can drastically reduce the number of deaths and serious injuries on our roadways.

The commemoration also included the nine-member Caltrans Honor Guard. Additionally, flags flew at half-staff at the State Capitol. In homage to the California Department of Transportation's pride and traditional color scheme, orange light bathed the Capitol dome.

The California Department of Transportation partners with the California Transportation Foundation on two funds to benefit the families of workers killed on the job. The Fallen Workers Assistance and Memorial Fund helps with the initial needs a surviving family faces, and the Caltrans Fallen Workers Memorial Scholarship is available to the children of these workers. For more information or to make donations, visit the California Transportation Foundation at [the-ctf.org/](http://the-ctf.org/). ★

# Outstanding Citizen Awards Ceremony Honors 13 Citizens

## Sacramento County District Attorney's Office Release

**SACRAMENTO, CA (MPG)** - Sacramento County District Attorney Thien Ho presented the Outstanding Citizen Award to 13 victims and witnesses who have shown uncommon courage by participating in the criminal justice process under extraordinarily challenging circumstances.

The awards were given out April 25 at the Board of Supervisors' Chambers on H Street in Sacramento.

A Beacon of Hope Award was also presented to an individual or organization showing compassion and dedication, thus enhancing victim advocacy and public safety.

**Citizens Harrell Fischer, John Stubbe and Damarla** were recognized and awarded for their assistance in the People versus Mandiko Kwadzo case (case number 20FE011791).

On July 27, 2020, West Sacramento Police officers responded to a report of shots fired inside a residence. Moments later, a witness reported seeing the victim, Carlina Clayton, and the defendant having an argument on the driveway of that residence. The victim was then seen getting into a car with her four small children and the defendant getting into the passenger seat as she pulled out of the driveway. When officers arrived on scene, they found evidence of a shooting inside the residence.

That night, Harrell Fischer was at Cliff's Marina in Sacramento County when he heard a gunshot followed by a car crashing into the Sacramento River. He called a friend, John Stubbe, and the two went to the crash scene to help. They found the victim's car partially submerged in the river, with the defendant standing nearby, not doing anything to help. When they looked into the car, they found the victim unresponsive in the driver's seat and her four children in the backseat. The oldest child, Damarla, 6, had already unbuckled all their seatbelts but the youngest child, 2, was still in her car seat. Fischer and Stubbe got the children out of the car to safety. Responding California Highway Patrol officers found the victim did not have a pulse, with severe bleeding from her head. At that time, officers believed it was a car accident until Damarla told officers that the defendant shot his mother. It was later determined that the victim suffered two gunshot wounds to her head. Damarla, Harrell Fischer and John Stubbe all testified at trial and were instrumental in obtaining guilty verdicts in this case.

The defendant was convicted of first-degree murder with a firearm allegation and felon in possession of a firearm. He was sentenced to 53 years to life in prison.

**Citizen Gigi Barrios** was recognized for her help in the People versus Dominick Roberson case (case number 22FE019182). On Nov. 18, 2022, Gigi Barrios was working at the Medical Safe Haven. A pregnant patient named Precious came into the clinic for an appointment. Gigi knew Precious well and immediately recognized something was wrong.

Precious avoided eye contact; she was vague and hesitant when Barrios asked her questions and seemed distressed when she received text messages. Precious said that her baby's father was the cause for her agitation. Barrios finally got Precious to reveal that her unborn child's father was in the clinic parking lot and was threatening to kill her. He had a gun and he had been trafficking Precious since she met him months earlier.

Barrios jumped into action, making sure that clinic staff called 911 and personally reached out to Sacramento Police Department human trafficking detectives that Barrios knew from her collaborative work throughout the county. Sacramento officers and detectives quickly arrived to the clinic, detained the defendant and found a gun in his car. Precious was terrified of her trafficker, but with

Barrios by her side, was able to explain that the defendant groomed her, portraying himself as a boyfriend before taking her to the "blade" to engage in prostitution. He made Precious give him all the money she made.

He regularly beat and threatened Precious, he threatened her family and controlled her life. Precious gave detectives access to her phone, where they found messages that corroborated what Precious told them. The defendant was arrested that day and Sacramento police detectives ensured that Precious got to a safe house, where she stayed through the birth of her child and through the trial.

The defendant was convicted of a variety of human trafficking charges and sentenced to 71 years to life in prison.

**Residents North Peredina and Scott Kingston** were recognized for their support in the People versus Tycho Roney case (case number 24FE003928). North Peredina is the general manager of Paco's Bike Shop in Midtown Sacramento. The bike shop was burglarized with a loss of more than \$28,000 in high-end bikes and \$13,000 in property damage. Peredina reviewed their interior surveillance cameras and saw the defendant drop into the business from a breached roof skylight. The profile of the defendant's face was momentarily caught on the surveillance video.

After reporting the crime, Peredina set out to find the stolen bikes. When he saw a man with one of the bikes, Peredina immediately reported it to the Sacramento Police Department. Detectives responded to the area and spotted a similar-looking bike outside a tent. After confirming it was one of the stolen bikes, they found the defendant inside the tent along with the clothes from the burglary, a loaded 9-millimeter semi-automatic handgun and methamphetamine. Peredina positively identified the defendant as the person in the surveillance video and with the stolen bike.

Scott Kingston is in commercial real estate. Kingston rallied attention to this case, including writing passionate pleas to city leadership for the need to

address retail crime and public safety in the city. As a business leader, Kingston encouraged city leaders to address these issues or businesses would leave. Peredina's proactive response to the burglary and Kingston's challenging of the conditions that were leading to

rampant crime helped lead to the arrest and conviction of the defendant. In a broader sense, their actions helped restore faith in public safety and the criminal justice system for a business community plagued with repeat thefts.

The defendant was convicted

and sentenced to six years in prison.

**Citizens Joseph Bayless, Brandon Gross, Devonte Rainey, Michael Armendariz, Brian Saldivar and Jose Garcia** were awarded for their help in the People versus Kryn Spear case (case number 22FE008691).

On May 26, 2022, Veronica Vargas was driving through the intersection of Power Inn Road and Elsie Avenue with her 4-year-old daughter, Samantha, in the back seat. At that same time and intersection, the defendant ran a red light at 89 miles per hour and broadsided them with his dually truck. The collision's force flipped the victim's car onto its roof.

Brian Casado was the first person who stopped at the scene after the crash occurred. He rushed over to the victim's vehicle and saw and heard the little girl in the back seat. He tried to help other bystanders get the victims out of their car. Joseph Bayless and Brandon Gross also stopped at the scene and tried to help Veronica and Samantha. The three men stayed with Samantha, reassuring her she would be OK until the first responders arrived.

After the crash, the defendant got out of his truck and began walking away from the crash scene. Devonte Rainey stopped at the scene to help the victims and followed the defendant as he recorded and took pictures of him. Michael Armendariz saw the crash scene and came across Rainey, who told him that the driver who caused the crash was trying to get away. Armendariz stopped his car and went hands-on with the defendant to detain him.

Brian Saldivar and Jose Garcia also saw the crash scene and helped Armendariz detain the defendant until California Highway Patrol arrived. The defendant had a blood alcohol content of 0.251% and was on probation for a prior Driving Under the Influence conviction at the time of this crash.

The defendant was convicted of gross vehicular manslaughter while intoxicated and a number of additional felonies driving under the influence-related charges, hit-and-run causing death and or permanent injury and a great bodily injury allegation. He was sentenced to 13 years and eight months in prison.

## Beacon of Hope Award Recipients

**Victim advocate Lisa Corral** works tirelessly in the Domestic Violence Unit, where she has helped thousands of domestic violence victims and supports the unit attorneys. The Domestic Violence Unit is unlike any other unit in that the victim advocate is involved immediately at the beginning of the case, at filing and sometimes when a case is not filed. The Domestic Violence Unit is also a unique assignment because not all victims want our help and can be resistant to us. Corral is patient and works through these challenges, with the mission to keep the victims of domestic violence safe.

**The River City Waterway Alliance** is made up of a volunteer team of 30 to 40 experienced waterway stewards who work tirelessly to keep the river waterways clean and safe for people and endangered salmon species. The alliance reported volunteers pulled 2.8 million pounds of trash or 1,400 tons of trash, to date.

It's not just litter and trash. They recover large hazardous waste items, including propane tanks, household appliances, electronics, clothes and other personal items. Unhoused encampments all along the river levees are the primary source of the items found in the waterways. The amount and type of waste being tossed into our waters are a significant environmental and wildlife hazard. Alliance volunteers are continually cleaning these waters even as more garbage, junk and hazardous items are thrown right back into those same waters. It is a never-ending struggle for them; however, they remain devoted to keeping the waters and the environment clean and safe for people and wildlife. ★
