**ABOUT THE VTC**

The Volunteer Transportation Center, Inc. (VTC), established in 1991, drives thousands of miles each year assisting community members in Jefferson, Lewis and St. Lawrence Counties. Over the last 30 years, this essential nonprofit organization has provided rides to healthcare appointments, grocery shopping trips, and other destinations for residents.

Last year, our volunteer drivers provided 25,314 charitable trips over **876,509 miles** in Jefferson, Lewis and St. Lawrence Counties. Of those miles, 318,320 helped those in Jefferson County, 112,852 in Lewis County, and 445,337 in St. Lawrence County.

In Jefferson and Lewis Counties, that equated to \$215,586 in mileage reimbursement for our volunteers. **That's why your help is so important.**

The staff, boards of directors and volunteer drivers look forward to a time when transportation to community activities and services is accessible to all North Country residents regardless of economic or specialized needs. But for now the mission drives on — striving to provide transportation to health, wellness and critical needs destinations utilizing volunteers and mobility management for anyone who has barriers to transportation.
