HOLISTIC DENTISTRY

THE CENTER FOR HOLISTIC DENTISTRY

Dr. Emily Smiles, DDS

123 Wellness Road, Vero Beach • 772-555-1212 • HolisticDentist.com

The Center for Holistic Dentistry combines contemporary dental science with natural healing practices to provide comprehensive oral healthcare. Led by Dr. Emily Smiles, the practice offers a tranquil, spa-like environment designed to enhance patient comfort. Their mission is to promote oral health as an integral part of whole-body wellness, emphasizing gentle, effective, and holistic care.

KEY SERVICES & PRODUCTS

Holistic Dentistry focuses on safe, mercury-free fillings and advanced periodontal care to ensure a healthy foundation for the teeth and gums. Cosmetic and Bio-Esthetic Dentistry enhances natural beauty through minimally invasive techniques. Patients can also benefit from fluoride-free toothpaste and remineralizing mouth rinses, which support enamel strength without harsh chemicals. Integrative Orthodontic Care and advanced TMJ treatments address alignment and jaw health, while sleep apnea solutions promote restorative rest.

PHILOSOPHY

Dr. Smiles and her team believe in treating oral health as a reflection of overall wellness. "When disease is present, it may be viewed as evidence of a disruption in our life force," she explains. This philosophy bridges modern dental technology with natural healing, fostering a holistic approach that supports the health of the entire person.
