

ALL TIED UP

“Not too long ago, Jan and Sam, mother and daughter, got together to make some special ties. These special ties were created for an especially special party, Sam’s wedding. The ties were a hit, a beautiful addition to a beautiful day. When the party was over, Jan and Sam realized they were on to something.

Gold Coast Goods was born. It’s a true collaboration, striking the sweet spot between Sam’s experience as a wardrobe stylist and Jan’s sewing expertise.

Gold Coast Goods designs and manufactures every piece in California, taking inspiration from the surrounding landscape and the State’s heritage.”

Enjoy the Store, Redding carries a variety of Gold Coast Goods’ products, including their neckties, bowties, neckerchiefs and pocket squares.
