To schedule an appointment for your child's **FREE** early childhood screening,
please call Cook County Schools

attention: Pam Puskala 387-2271 ext. 606 or ppuskala@isd166.org

What are the goals of Early Childhood Screening?

- to provide an opportunity for you to learn about your child's growth and development.
- to connect you to community resources and programs that are fun and supportive to you and your child
- to offer caregivers time with professionals who can answer questions and concerns about how your child is growing and learning
