

THE FACTS

ALL INFORMATION BASED ON 2017 DATA OR MORE RECENT DATA IF AVAILABLE

Children's Hospital & Medical Center in Omaha currently is a 145-bed nonprofit academic medical center caring for children since 1948. It is the only full-service pediatric specialty health care center in Nebraska. Patients are referred from throughout the region and beyond for the treatment of specialized, complex or unusual diseases in addition to pediatric primary care. At Children's, no child in need of medical care is ever turned away due to an inability to pay.

MISSION: TO IMPROVE THE LIFE OF EVERY CHILD

Through dedication to exceptional clinical care, research, education and advocacy.
