

OHS LUNCH AND LEARN SERIES PRESENTS:

How to develop a hearing conservation program

PRESENTERS:

Doug Fletcher
Fletcher Safety Consulting

Dr. Nora Fuchs,
Au.D., CCC-A
Audiologist

Wednesday, Dec. 1, 2021

11:45 a.m.-1 p.m.

Columbus Community Hospital, 4600 38th St., Columbus
Platte/Prairie rooms

Complimentary lunch: 11:45 a.m.-noon

Presentation: Noon-1 p.m.

The Occupational Safety and Health Administration requires companies to implement a hearing conservation program when noise exposure is at or above 85 decibels, averaged over eight working hours.

Not sure if that applies to your facility? Join Doug Fletcher and Dr. Nora Fuchs to learn more about how to develop a hearing conservation program, and how to manage employees who experience hearing loss in the workplace.

Pre-registration is requested by Monday, Nov. 29. Contact Ileana Jarecki at 402-562-4490 or email imjarecki@columbushosp.org.
