## Feature Articles

Length: 450 to 700 words • Original articles featured in Natural Awakenings cover a broad range of subjects in the areas of health, healing, inner growth, fitness and Earth-friendly living. Articles should be written in layman's terms and impart information in a way that does not sound self-serving. Rather than tackling a vast subject, it is better to focus on a particular segment. Use third person and kindly include a brief biography at the end of your article and contact information.

## Content like News Article Briefs or Book-In Views

Length: 50 to 200 words • What's new? Kindly share it with us! Did you open a new office, recently become certified in a new therapy, or do you have a special event coming up? We welcome any news items relevant to the subject matter of our publication. We welcome any hot tips or suggestions you may have for a news item. Kindly write your Brief in the third person.

## Health Briefs

Length: 50 to 200 words • The Health Briefs are short bits of information, often referring to a new health fact or leading-edge research in a particular field. It is an opportunity to share your specific therapy (examples: massage lowers blood pressure; acupuncture shortens labor; exercise eases depression). Kindly include references.

## Due Date and How to Submit Content

All content submissions are due by 5:00 PM on the 10th of the month before publication.

- Kindly paste your content directly into an email (preferred) or email your submission in digital format as an MS Word or text file. No faxed or printed submissions will be accepted. No formatting is required; we will format it to meet our corporate guidelines. *Natural Awakenings* Magazine reserves the right to edit all submissions if necessary. • Email to: **NaturalAwakeningsFla@gmail.com**

Include name, business, and phone number with all editorial submissions. Our Editorial Department reserves the right to edit all submissions for length, style, and clarity. Submitted content must be informative and educational. Content submissions are judged separately from advertising contracts.

## Additional Notes

- We are looking for fresh, original content that has not been published elsewhere.
- On a monthly basis, we receive more content submissions than we can place in print. Priority is given to our advertisers and placement is dependent on many factors as determined by our Editorial, Advertising, and Layout Departments.
- Those that do not have either a Display ad or Natural Directory ad placed along with a News Article Brief are subject to a \$229 publishing fee.
- To align with our corporate guidelines for the magazine's style, we reserve the right to edit all submissions for length, style, and clarity.
- Briefs and articles are not subject to copy review. We'll call to check facts as needed.
- Footnote all sources cited in detail: Books and magazine title, author, publisher, year, and the page number. Individuals need name, title, organization, phone, email, city, and company website. We won't publish most of this, but it saves hours in fact-checking. Thank you.

## Photos and Graphics

Be sure to include any photos or graphics in high resolution **JPG, EPS or PDF** formats **as email attachments**. Raw photos "right out of the camera" are preferred. **Computer-printed material, website images or graphics embedded into Microsoft Word documents are not acceptable.**

**Credit card charges & renewals:** First payment may be charged day of order. Subsequent credit/debit card charging is the tenth of the month before publication unless pre-approved for another date. A \$10 Late Fee will be imposed if your automatic payment is unavailable on your charge date. Charge confirmations will appear on your card statement and email confirmations are sent, if valid email address is provided. Agreements are renewed automatically and will be based on the rates in force at the time of renewal. To cancel renewal, kindly notify us in writing at least one month before the end of your agreement term. Thank you. **Breached Agreement** i.e. in the event advertiser is in breach of the Agreement, the publisher shall charge the advertiser the difference between the non-discounted one-month rate of advertising and the lower, discounted contracted rate for each month the advertiser's ad was placed during the contract period, plus an additional administrative fee equal to 25% of the non-discounted one-month rate, and thereafter the Agreement will be deemed to be null and void. Should this become a collection problem, the advertiser will assume all reasonable costs of collection, including, but not limited to court costs, interest, and legal fees.

## Formatting for Offset Press-Ready Ads

We highly recommend emailing new ads by the 8th of the month in order to give us time to review your file, giving you time to make adjustments if necessary.

**NOTE:** Should ads come in at the last minute and adjustments need to be made to submitted ads, like correcting the ad size to conform to our requirements, fixing of typos, or other changes, **there is a minimum adjustment charge of \$35.**

If you are providing a print-ready digital file, your ad must be submitted using the following specifications:

### 1) Press-ready Adobe Acrobat® PDF file;

PDF/X1a is the preferred file preset. Please "flatten" all files with fonts embedded before saving. Export from InDesign as 'Press Quality'.

### 2) Press-ready JPG & EPS files

are accepted. Save Adobe Illustrator files as EPS with embedded photos & art. All fonts converted to outline. Save Adobe Photoshop files as flattened JPG, 300 dpi, in CMYK. 100% black text should be the top layer before flattening so it will overprint any background.

### 3) Layout:

- Build ads to EXACT size dimensions, only full page bleed ads require 1/4th inch beyond the trim area on all four sides.
- Set type in InDesign or Illustrator (not Photoshop) to avoid low res soft type.
- Do not add printer's crop marks to any file.
- Use high resolution images, 300 dpi for photos and 1200 dpi for non-vector line art is recommended.
- All RGB elements must be converted to CMYK. Convert spot, Pantone or LAB colors to CMYK.
- Do not embed ICC profiles in images.
- Avoid scaling images. If necessary, stay within 50%-150% range.
- Flatten all transparent objects at a high resolution. Avoid placing transparent objects over text or other critical vector objects.
- Total ink coverage shouldn't exceed 260%.
- Files should be right-reading, portrait mode, 100% to size with no rotations.

### 4) Fonts:

- All fonts must be embedded and/or attached.
- Ensure all black text is 100% black (avoid rich black (4 color) to avoid registration issues).
- Set all black text to OVERPRINT color backgrounds.
- Ensure all reverses and colored text are 10 pt or larger, using a thick font.

No computer-printed material or website images will be accepted.

Microsoft Word, Publisher or Canva files will not be accepted for print-ready ads.

Emailled files must be under 15 MB.
