PROFILE EXAMPLE

HOLISTIC DENTISTRY

DR. EMILY SMILES, DDS

The Center for Holistic Dentistry

123 Wellness Road, Vero Beach • 772-555-1212 • HolisticDentist.com

From offering mercury-free fillings to tackling the most complex dental problems, the team at The Center for Holistic Dentistry provides an innovative approach to the healthcare of the mouth, integrating the knowledge of natural healing with that of contemporary dental science and technology. The practice's soothing amenities complement its approach to dentistry. "We practice in a beautiful and spacious office environment designed to be relaxing and tranquil," notes Dr. Emily Smiles.

Wellness services offered: Holistic/Biological Dentistry, Cosmetic/Bio-Esthetic Dentistry, Dental Implants and Restoration, Integrative Orthodontic Care.

Areas of specialty: Complex dental problems, advanced TMJ care, Sleep Apnea, safe mercury removal, periodontal wellness.

Philosophy of healing: "Our philosophy is based on the natural laws that govern health and healing," Smiles says. "When disease is present, it may be viewed as evidence of a disruption in our life force." The Center for Holistic Dentistry seeks to bridge the gap between modern dental technology and the ageless traditions of natural healing, she says. "This innovative approach to holistic dental care tends to the health of the mouth in relation to the whole person."
